Lincoln and his harem: CAT FINAL SMASH: CAT STRIKE!

They summoned a rat chomping cat to devour rat!

The blasts all hit the rat and knocked it all over.

Me: Time to finish this rat.

But then…

CHOMP!

We saw that Opalescence, Rarity's cat ate the Rat!

She chewed up the rat and swallowed and then burped.

Opalescence: Meow.

Me: Opal you are one awesome kitty.

Rarity: Oh Opal-wopal you are a good kitty.

She burped up the spirit of the rat and we banished it to the black gates.

Nico: That's for trying to harm Lady and Tramp, you love-despising plague ridden vermin! Awesome job, gang, we're finally rid of Rat.

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Ogrémoch, the Prince of Evil Earth.

?: YOU SHALL PAY FOR THE DEATH OF OLHYDRA!

Lincoln formed a massive diamond barrier that protected all of us from a massively powerful volley of rock and crystals that came out of nowhere and they hit the barrier, but the volley didn't hurt anyone.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Ogrémoch, or we will force you out.

A massive 15-meter-tall golem made of rock and crystals with eyes resembled chipped obsidian and his body sparkled with mica, it was Ogrémoch, the Prince of Evil Earth, a powerful archomental from the Elemental Plane of Earth affiliated to the Elder Elemental Eye, and the twin brother of the more benevolent Entemoch.

Me: That's Ogrémoch?!

Nico: He's a living massive golem of rocks and crystals, whoa!

Ray Kayest: Each of the Evil Elementals have forms based on the elemental forces of fire, water, earth, air, and darkness.

Reika Ogami: Yeah, but he's about to meet the same end as Olhydra and Imix.

Suddenly, Reika Ogami's orange eyes turned neon orange and she was surrounded by an orange and brown energy aura with stars, rocks, earth, crystals, lava, swords, books, phoenixes, and angels, she unholstered her Genbu Shinwa-themed greatsword from her back, and as she approached Ogrémoch, she left orange and brown energy, stars, rocks, earth, crystals, lava, swords, books, phoenixes, and angels with every step.

Reika Ogami: You really are nothing more than a destructive force of nature, Ogrémoch, all you desire is to take the world's resources for your own, well, that's not going to happen on our watch, you're about to be extinguished forever.

Suddenly, Reika Ogami was surrounded by a massive vortex of orange and brown energy with stars, rocks, crystals, earth, lava, swords, and books surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a brown phoenix with the logo of Kamen Rider Buster on its chest and red eyes glaring at Ogrémoch: the red eyes of eternal death. Then, as the vortex faded, Reika Ogami emerged, but she was changed forever.

Reika Ogami grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large orange orbs orbiting around her legs, she has the body of a goddess, she has brown highlights in the bangs of her long orange hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange and brown energy aura with stars, rocks, crystals, lava, earth, swords, books, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Buster logo on her head and a turtle emblazoned on her forehead and Third Eye with brown iris, she has on phoenix earrings with orange gems for eyes and holding the Star, Earth, and Eternity Kanjis in its claws, she also a phoenix with orange gems for eyes and holding the Star, Earth, and Eternity Kanjis in its claws for the second pendant on the bottom of her orange turtle-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Reika Ogami has on a sleeveless orange open vest, sleeveless orange crop top, orange skirt, orange legwarmers, orange sneakers, and long sleeveless white trenchcoat with stars, rocks, earth, crystals, lava, swords, books, phoenixes, and angels on the coattails, and on the back is a turtle surrounded by crystals, rocks, earth, and lava and on top is the Kamen Rider Buster logo. Suddenly, Reika Ogami felt a sharp pain on her back, and then, her massive orange angel wings with brown tips on the orange feathers grew and sprouted out from her back, and she also now has eleven massive and long orange wolf tails with brown tips and brown markings, Reika Ogami has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Reika Ogami's Genbu Shinwa-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange and brown energy, stars, rocks, crystals, earth, lava, swords, books, phoenixes, and angels, and when it emerged, it was transformed into Reika Ogami's Orange Seismic Volcanic Earth Genbu Shinwa Kamen Rider Buster Greatsword of Orange Seismic Volcanic Earth Genbu Shinwa Kamen Rider Buster Justice, it's a brand-new massive greatsword with embedded orange gems and the logo of Kamen Rider Buster etched on the 7'6" massive, wide, double-edged black blade, large brown turtle heads for the crossguard, large white angelic faces built into both sides of the hilt and large brown gems embedded in their foreheads, longer midnight black handle, four large brown phoenix heads with orange gems for eyes and on the bottom of the large brown phoenix heads is a brown turtle head with orange gems for eyes and an orange gem in its mouth for the pommel, Reika Ogami has on her large gold Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold turtle's head with brown gems for eyes and large orange gem in its mouth for the belt buckle on her waist, Genbu Shinwa Wonder Ride Book, Black Book of The Dead, Golden Book of Amun-Ra, Dogouken Gekido, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Suddenly, Reika Ogami's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Reika Ogami has transformed into SUPER ANGEL-KAMEN RIDER BUSTER-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE KAMEN

RIDER BUSTER ORANGE SEISMIC EARTHQUAKE GENBU SHINWA PHOENIX ANGEL OF DIVINE KAMEN RIDER BUSTER ORANGE SEISMIC EARTHQUAKE GENBU SHINWA PHOENIX ANGEL JUSTICE AND DIVINE KAMEN RIDER BUSTER ORANGE SEISMIC EARTHQUAKE GENBU SHINWA PHOENIX ANGEL LOVE!

We were really amazed by Reika Ogami's Super Angel-Kamen Rider Buster-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Ogrémoch saw it, he went mad with rage and fired blasts of earth and crystal at her, but Lincoln absorbed them and it made him stronger than ever, and Reika Ogami fired a massive and powerful barrage of orange and brown energy, stars, rocks, crystals, earth, lava, swords, books, phoenixes, and angels, which hit Ogrémoch and he was knocked down, he got back up, but now, he was angrier than ever.

Ryo: (GASPS) Oh, no way, did Reika just…?!

Nico: She did, Ryo, she did.

Lincoln: Yep, Reika Ogami's transformed into her Super Angel-Kamen Rider Buster-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high time we cut this golem down to size.

Reika Ogami: (Divine Echoing Godly Voice of The Divine Orange Seismic Earthquake Kamen Rider Buster Genbu Shinwa Phoenix Angel and Divine Cosmic Orange Seismic Earthquake Kamen Rider Buster Genbu Shinwa Phoenix Angel Love) Before he tries to cause a serious earthquake.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf

Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Reika Ogami.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to take the planet's own resources for your own are over, Ogrémoch, now it's time for you to meet the same fate as Olhydra and Imix.

Reika Ogami and Lincoln went after Ogrémoch who continued firing blasts of rocks and crystals at them, but Lincoln and Reika kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange and brown energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ogrémoch and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws he covered in rocks and obsidian and firing energy slashes from his claws and he and Kenzie Fukiyama also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Ogrémoch even madder than ever!

Ogrémoch went at Lincoln, but Lincoln leapt up onto Ogrémoch's head and he stabbed him in his head and he proceeded to absorb Ogrémoch into his body and he also assimilated the evil earth elemental's Geokinesis, petrification, and strength. Then, Ogrémoch's drained spirit appeared in Lincoln's large left hand, and then, the Judgement Kanji appeared on Ogrémoch's head and he was sent to The Black Gates for eternity. We cheered wildly for what Reika Ogami and Lincoln did as they holstered their massive greatswords and powered down and Reika Ogami's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Reika Ogami: Burn in The Black Gates forever, you overgrown plundering golem. Thank you for helping me get rid of Ogrémoch forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Reika.

Suddenly, Reika Ogami wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Reika Ogami's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and a volcano forming and erupting superhot lava along with crystal clusters forming behind them and we cheered wildly. Then, Lincoln and Reika Ogami sucked in and absorbed the elemental forces and lava and crystal clusters and they came back to us as the display vanished.

Nico: Oh man, now that's really I call one awesome and epic fight! You showed Ogrémoch what happens when he dares to steal a planet's resources for himself.

Lincoln: Yep, and I absorbed Ogremoch into my body and assimilated his powers and strength, and that's another evil elemental put down for good.

Me: You said it. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The next one is the Gene-Slammer for Amalgamous Prime.

Elise Dragonball: Awesome, and there's one girl we know who'd be Gene-Slammed into Amalgamous Prime: Maria Toadstool, Gene-Slammer of Amalgamous Prime and Embodiment of Super Mario, she's Lincoln's Guardian Angel from France and classmate in cooking. She's the twin sister of Princess Peach, but she has pink hair and a royal blue dress. She and Lincoln love to cook alongside Lynn Sr., and to show his thanks for all the help they've done for him and for helping them cook, he arranged a date between Lincoln and Maria at an Italian restaurant where Lincoln kissed Maria on the lips, and that was before Ronnie Anne came into the picture, and she hates Lola with a blazing passion.

Nico: Whoa.

Lincoln: Yep, and she's an awesome chef. Just wait till you try the many dishes that we made with Dad.

Me: I've tasted a ton of them before, and they are so good.

Mary Knudson: Me too, and I've even tried her desserts.

Lincoln: Yeah, your aura was literally raging like crazy after eating her desserts, and you did get my sisters mad when you drained the chocolate fountain dry.

Luna: Yeah, we were pretty miffed at you for doing that, dude. But, we can't say anything about that since we're well-known chocoholics, and that kind of dessert's not safe from us.

Laney: No chocolate dessert ever is, Luna.

Multiple Man: Make fools of you guys, will he?

Silver Samurai: Look where that got him.

Whiplash: He'll never bother Lady and Tramp again.

Major Disaster: He sure won't.

Me: Thank goodness. But this was crazy.

Goof: Now what?

Dixie: What else?

Wilbur: We celebrate this moment!

Me: Want to go to Paris for some grub?

Nico: Sure! Lets go. Great job today everyone.

Fluttershy: (To the viewers) This was a great adventure for us. I hope all of you loved it.

Nico: I know we did. Didn't expect Opal to eat the Rat though.

Me: She is a cat and cats eat mice and rats.

Qin: Yep.

We went to Paris and had some good meals and then enjoyed the rest of the day and went to sleep.

Rarity: I am glad that you are friends now.

Me: This it?

Nico: Yep.

We went down a ladder and followed Nico and the whole base was run down and a mess. Lobsters and crabs were crawling all over the place.

Nico: Wow.

Me: Looks like no one has been in this place for years.

Nico: And for good reason.

Maria: Explanation, bro?

Nico: I'll show you.

We followed Nico into the main room and it was dark.

Me: Wow it's dark.

Nico went to a lightswitch and flicked it and the lights flickered back on and it was a mess.

Laney: Whoa! What is this place?

Nico: This is the base of the agricultural terrorist group B.E.A.T.N.I.C.K.S.

Laney: What does that stand for?

Nico: It stands for **B** ad **E** ntrepreneurs **A** re **T** argeting **N** atures **I** mports so **C** antaloupes can be **K** ing so **S** trongly. They were a group that wanted to destroy the entire country's food supply so that only Cantaloupes can be the only food in the country.

We gasped!

Eli: Oh man!

Lola: Boy first peaches and now Cantaloupes.

Laney: Yeah.

Nico: Well this group was before S.U.S.P.E.N.S.E. Like them they were trying to destroy the entire country's food supply by replacing it only with cantaloupes.

Eli: That is evil.

Nico: Yep.

May: I'm guessing you busted them.

Nico: Yep. 7 years ago the C.I.A. and the FBI called on me and Gina Maata Hari and Mata Hari Henningway to bring them down. We infiltrated this very base and recorded information for the C.I.A. and the FBI and then when we got the signal we blasted this very base apart and arrested all of the entire organization and delivered all 502 members to them.

May: Wow!

Nico: Yep. This is what happened. It was before I joined the team.

FLASHBACK - 7 years ago

Past Nico, Mata Hari and Gina Matta Hari were heading underwater and Mata Hari and Gina were in diving suits. They went in through an underwater ventilation system and Nico used time stopping powers to stop the fan and they went in and into a storage room.

Nico: (Voiceover) Me, Gina and Mata Hari infiltrated this very base and we saw that they were prepared to use any kind of weapon ever known to destroy all the worlds foods. They had biological warfare bombs ready to destroy all fruits ever.

Past Nico: Boy this is brutal. Look at all this.

Mata Hari: I know Agent Nico. This is gonna be well worth it to bring them down.

Gina: You said it agent Mata Hari.

They went into the air vents and crawled through them and they got to a room and heard the leader talking. Surprisingly it was Carly Miller's father Logan Loupe.

Logan Loupe: Fellow members of B.E.A.T.N.I.C.K.S., soon our plan will come true and then Cantaloupes will rule. And soon my peach loving daughter Carly can be with me and we can rule together. But then the world will be on its knees!

They cheered wildly!

Nico: These guys were not going to let any other food live.

Logan Loupe: In exactly 25 minutes we're going to spread a powerful poison all over the planet by firing these missiles all over the world and destroy ALL traces of fruit and vegetables everywhere! And then we're going plant all our cantaloupe seeds all over the world so that we only have cantaloupes forever!

They cheered!

FLASHBACK PAUSES

Me: Whoa that is insane!

Nico: Damn straight!

Me: They were trying to kill us all and destroy the entire planet by sending us back to the stone age.

Nico: Yep. But here is where it gets good.

FLASHBACK RESUMES

Nico, Mata Hari and Gina went into a storage room full of highly explosive fuel.

Logan Loupe: And you don't have to worry about the C.I.A. And the FBI finding us. They will never see the attack coming.

Nico: (Voiceover) That was where he was wrong.

Like James Bond, Nico put a grenade in a jar with a remote control chip from his Omega Watch on it. And then he set it on the barrel.

Nico and the girls went into the missile firing room and Nico grabbed a man and snapped his neck.

Logan Loupe: Mr. Victor?

Past Nico: (to Logan through a radio) Hello Logan. Very interesting little plan. But I'm afraid you will not be able to activate it anytime soon.

Logan Loupe: Mr. Chan!? How did you find this place!?

Past Nico: Quite simple really. We followed the smell of cantaloupe through the ocean.

Then Nico turned his watch and then the jar broke and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A MASSIVE FIERY EXPLOSION BLASTED THROUGH THE SURFACE AND THEN THE CIA AND FBI BUSTED IN AND NICO AND THE GIRLS TOOK DOWN ALL THE MEMBERS OF THE GROUP!

FBI Man: FBI! GET DOWN ON THE GROUND!

Past Nico: You're all under arrest!

FLASHBACK PAUSES

Me: So you blasted open a bunch of fuel barrels and blew a hole through the roof for the CIA and FBI to swoop in.

Nico: Yep. But the organization was not going to go down without a fight.

FLASHBACK RESUMES!

Logan Loupe: Suck bullets, pigs!

Nico: (Voiceover) Then a massive fight broke out.

They fired waves of energy and blasted the men all over left and right.

The FBI and CIA blasted numerous men too with guns and assault rifles and more.

Nico went over to Logan and punched him in his face and knocked him down.

Past Nico: It's over for you Logan. No way in hell am I got to let you launch those missiles.

Logan Loupe: You will not get me to go down so easily.

Past Nico: Your overconfident and that is always going to be your undoing.

Logan Loupe: We'll see about that.

Nico punched and pulverized him and knocked him down and out.

Nico: (Voiceover) It was easy for us to bring them in.

They were arrested and loaded into vans all over.

Director Wray: Great job there Agent Chan and you too Agents Henningway and Matta Hari.

Past Nico: Thank you director Wray.

Mata Hari Henningway: No one is going to destroy the food of the world on our watch.

FLASHBACK ENDS

Nico: As a result. We sent all of B.E.A.T.N.I.C.K.S. to Federal prisons all over the country and they were all sentenced to death for crimes of terrorism and treason.

Qin: Wow! I remember seeing that all over the news.

Me: That was awesome!

Eli: Yeah.

Maria: But you think there might be remnants of them

Nico: It's possible.

Me: Well the ground penetrating radar satellites will find them if there are.

Nico: Yeah. But this is what I wanted to show you guys.

Me: Well it was awesome.

Laney: Yeah!

Nico: Also Carly Miller found out about me getting her father sent off to prison and she came after me to get revenge. That's one of the reasons why she hates my guts.

Xenia: Geez!

Laney: She can hate you all she wants.

Nico: Yep.

Maria: Who's he?

Nico: You would hate this guy to the Nth degree Maria. His name is Travis Connors and he was Camille Bergeron's evil and extremely abusive ex-boyfriend. He hates all women to the extreme and is a heartless and ruthless chauvinistic pig. He views only women as slaves only good for cooking, cleaning, shopping, laundry and more and he would beat and abuse and torture Camille. But he threatened to kill Camille if she escaped. I overheard him and wanted to punch his brains out and when he went to work I got in through his house and busted her out and got him sent off to prison. He was sentenced to life without parole for his crimes plus 421 years more for torture, abuse and kidnapping.

Me: Geez!

Applejack: Why you low down filthy snake in the grass!

Apple Bloom: I'm going to rip your tongue out and feed it to the sharks!

Me: I'm going to kill this son of a motherfucking bitch!

Travis: Why don't I do that to you instead, brat!

Apple Bloom: I would like to see you try you jerk!

She fired her blaster and BLEW HIS ENTIRE LEG CLEAR OFF AND HE SCREAMED IN PAIN!

Hitch Trailblazer: He should know better than to mess with someone that knows all about law enforcement training!

Apple Bloom then went over and reached into his mouth and RIPPED HIS TONGUE OUT!

Blood was pouring out of his mouth!

Maria: Should I call Camille?

Nico: Please.

Maria did so.

POW BLANG BAM BIFF SMASH WHAM!

She punched him all over his face and knocked out some of his teeth!

KROW!

Apple Bloom kicked him square in his nose!

Travis: (IN PAIN) (Slurred Speech) OUCH! You little brat! You broke my nose!

Apple Bloom: I'm going to break more than that! People like you give all men everywhere a REALLY BAD NAME and you make me sick just looking at you! You hurt Camille and now I'm going to do her a favor and rip your head off and then torture and kill you, you psychotic dumbass motherfucking son of a bitch!

Me: WHOA!

Nico: GO APPLE BLOOM!

Applejack: YEEHAW! Tear that monster apart sis!

Apple Bloom then grabbed his ears and pulled and ripped them clear off him!

KROW!

She kicked him square in his crotch and then grabbed his arms and broke them!

CRUNCH CRUNCH!

Me: Nice one!

Camille Bergeron then came and she saw Apple Bloom mangling up the one person she never thought she would see again!

Camille: Is that who I think it is?!

Nico: I'm afraid so Camille!

Me: Yep. Travis Connors.

Camille Bergeron: WHOA! Apple Bloom you did all that to him!?

Apple Bloom: I sure did. And I'm not done with him yet.

Travis saw her and he was REALLY PISSED!

Nico: We're just getting started!

Travis Connors: THIS IS ALL YOUR FAULT CAMILLE! IF YOU HADN'T ESCAPED I WOULD HAVE LOVED YOU FOREVER!

Camille Bergeron: Okay what's wrong with his voice?

Nico: Apple Bloom ripped out his tongue.

Camille Bergeron: Oh. But you never loved me once Travis! All you viewed me as is an object for your own torture and abuse! You treated me like a slave and nothing more!

Nico: And I love her more than you ever did!

Travis Connors: (GROWLS) I HATE YOU CHAN! AND I HATE YOU CAMILLE!

Their auras flared up with intense force!

Camille Bergeron: You are only making us stronger!

POW!

She punched him in the face.

Camille Bergeron: Now it's payback time!

Me: Let me help too.

I formed flame chains and held him up in place.

Camille Bergeron: Lets do it!

I then ripped off his shirt and formed a red hot branding iron in the shape of the star of satan.

Me: Your brand of eternal damnation.

I then stuck it on his chest and he screamed in pain as he was branded with the Star of Satan.

Me: That's for starters.

Nico: Yep. We're about to do far worse!

Me: As the Ripping Friends say, IT'S RIPPING TIME!

MY FINGERS TURNED INTO CLAWS AND I SMASHED TRAVIS IN HIS FACE AND I TORE HIS OTHER LEG OFF AND I SHOVED IT DOWN HIS THROAT, THEN I GOUGED HIS EYES OUT AND RIPPED HIS FEET AND ARMS OFF!

BELLOWING SCREAMS OF PAIN!

Eli: YIKES!

THEN I SCRATCHED HIM ALL OVER LIKE HOW REN DID IN THE INFAMOUS REN SEEK'S HELP EPISODE! THEN, I GOT OUT MY SWORD, AND THEN!

SLASH! SLASH!

I SLASHED THE HIM ALL OVER AND THEN SLASHED HIS CROTCHES CLEAN OFF AND THEN TRAVIS LET OUT ANOTHER BELLOWING SCREAM OF PAIN!

Laney: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY!

Qin: HOLY CRAP!

Then Travis was being mutilated and disemboweled and tortured brutally!

THIS CAUSED EVERYONE TO RUN TO GARBAGE CANS AND THEY THREW UP LIKE CRAZY!

We ran to comfort everyone barfing in the trash cans.

I WAS MUTILATING AND TORTURING HIM ALL OVER!

Nico: HOLY SHIT!

Chunk: OH JEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Twilight and friends hurled all over the place!

CAMILLE JOINED IN AND SHE VICIOUSLY MAULED AND TORE TRAVIS LIMB FROM LIMB!

Nico: Brutal!

Most of us were STILL HURLING OUR GUTS OUT!

Twilight Sparkle: (PROJECTILE VOMITING)

Fluttershy: (PROJECTILE VOMITING)

Sunset Shimmer: (PROJECTILE VOMITING)

Rainbow Dash: (PROJECTILE VOMITING)

Rarity: (PROJECTILE VOMITING)

Starlight Glimmer: (PROJECTILE VOMITING)

Applejack: (PROJECTILE VOMITING)

Pinkie Pie: (PROJECTILE VOMITING)

It was horrible!

Nico punched him in the eye.

POW!

Me and Nico then bashed and pulverized him!

POW! BLAM BIFF BLAM BIFF BLAM BIFF BLAM BIFF BLAM BIFF BLAM BIFF BLAM BIFF BLAM BIFF!

Me and Nico bashed and pulverized him all over with incredible brutality!

Camille: Taste this!

SHE POURED A MASSIVE BOTTLE OF MY HOTTEST HOT SAUCE DOWN HIS THROAT AND MASSIVE BLASTS OF FIRE EXPLODED OUT OF HIS BUTT AND MOUTH AND NOSE AND EAR HOLES AND EYE HOLES!

Nico: That's hot!

Me: I'm just getting started.

Himiko: Let me get some of that in.

Camie: Same here!

Tsuyu: Yeah!

Lincoln: It's pigs like you that give all men a really really bad name!

Travis: WHAT THE FUCK ARE YOU GOING TO DO ABOUT IT?! YOU AND YOUR FUCKING WHORES!

We gasped, and Girl Jordan, Leeli, Anna Anyanova, Eman Reynolds, and Sabrina Lorelai were now super mega pissed off.

UH OH!

Anna Anyanova, Girl Jordan, Leeli, Anna Anyanova, Eman Reynolds, and Sabrina Lorelai: WHAT THE FUCK DID YOU JUST SAY?! YOU GODDAMN GOOD FOR NOTHING UGLY PIG!

Then, we saw Lincoln's body turn atomic red, and then, he really let out his anger. WE KNEW THAT IT MEANT TROUBLE!

Me and Nico: OH SHIT!

Lincoln: (SUPER NTH-DEGREE ENRAGED EXTREMELY ANGRY SCREAM) (RAINBOW ENERGY AURA FLARES UP EXTREMELY) I'M GONNA RIP YOUR CROTCH RIGHT OFF AND SHOVE IT RIGHT UP YOUR BUTT, AND THEN, I'M GONNA RIP YOUR ARMS OFF AND SHOVE THEM RIGHT UP YOUR EARS AND SHOVE YOUR LEGS RIGHT IN YOUR UGLY MOUTH! THEN, I'M GONNA TEAR YOUR UGLY HEAD OFF YOUR SHOULDERS, MOUNT IT ON A STAKE, AND PARADE IT THROUGH TOWN! THEN, I'LL TAKE YOUR HEADLESS BODY AND THROW IN THE DESERT FOR THE VULTURES AND OTHER CARNIVORES TO EAT!

May and Varie screamed as they hugged me and Nico tight.

Me and Nico: OH, NOW YOU'VE GONE AND FUCKING DONE IT!

Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco: THAT'S IT, NOW YOU'RE REALLY GOING TO FUCKING GET IT!

We were amazed by the transformations of Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco, and when I saw Camie, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding, and when Izuku saw Tsuyu, Sirius, Toru, Ochaco, Ibara, and Himiko, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, and when Lincoln saw Kaoruku, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Travis Connors saw it, he went mad and ran at them with a knife to kill them, but the girls fired powerful colored energy blasts with stars, elemental forces, angels, animals, and mythological animals at Travis Connors, and they exploded as they hit him, and this really pissed him off now.

Me: Whoa, the girls have transformed, and what that asshole tried to do, now he's going to really get it!

Lincoln: He's not getting out of this alive!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco, and so did we as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you chauvinistic pig, now you're going to get it!

Lincoln, Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco went after Travis Connors, and they fired extremely powerful blasts of rainbow energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Travis Connors and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco attacked him with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Travis Connors crazy.

Travis Connors: I'LL FUCKING KILL YOU STUPID BITCHES! NO ONE DEFIES ME AND LIVES!

Travis Connors ran at Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco, but Lincoln grabbed him by the throat and choke-slammed him into the ground hard. Then, Lincoln pounced on Travis Connors, and he proceeded to give him the nastiest, ugliest, bloodiest, and extremely graphic beating, and it's like nothing anyone could ever imagine as we saw it.

LINCOLN SMASHED HIM HARD IN HIS NOSE, HE TORE HIS TEETH OFF WITH HIS BARE HANDS, THEN HE PROCEEDED TO TEAR HIS HAIR OFF!

BELLOWING SCREAM OF PAIN!

THEN, LINCOLN PROCEEDED TO SCRATCH AND SLASH TRAVIS CONNORS ALL OVER THE PLACE WITH HIS GOLDEN-ARMORED CLAWS DRAWING TONS OF BLOOD WHICH WAS SPILLED ALL OVER THE PLACE, THEN, HE RAISED HIS MASSIVE GREATSWORD INTO THE AIR, AND THEN!

SLASH!

LINCOLN SLASHED HIS CROTCH CLEAN OFF AND HE LET OUT ANOTHER BELLOWING SCREAM OF PAIN AND TONS OF BLOOD CAME POURING FROM HIS SEVERED CROTCH!

Me: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY!

THIS CAUSED EVERYONE TO RUN INTO GARBAGE CANS AND THEY THREW UP LIKE CRAZY!

We ran to comfort everyone barfing in the trash cans.

Me: I've got a feeling he could be at this for a long while!

Then, Lincoln summoned chains of darkness which bound Travis Connors' ankles and wrists and he was chained to a cross. THEN, HE EVISCERATED TRAVIS CONNORS BY SLICING OPEN HIS STOMACH AND THAT CAUSED HIS INTESTINES TO SPILL OUT, HE ALSO SLASHED OFF THE REST OF HIS LEGS, AND THEN, HE CALLED DOWN DRAGONS OF LIGHTNING AND THEY FIRED

LIGHTNING BREATH BLASTS AND THEY ALL FRIED HIM INTO A CRISP!

Then, once his spirit appeared, Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco then banished him to The Black Gates forever. We cheered as Lincoln, Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco holstered their weapons and powered down, and Camie, Tsuyu, Sirius, Kaoruku, Himiko, Ibara, Toru, and Ochaco's new bodies, clothes, weapons, gold halo, weapons, jewelry, Third Eye, massive and longer wolf tails, and massive colored angel wings are permanent.

Suddenly, Kaoruku wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kaoruku's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Lincoln and Kaoruku sucked in and absorbed the elemental forces and ocean waves.

Camie: That'll teach that pig!

Himiko: He wanted to act like a chauvinist pig, he was going to get such a severe castration along with severe torture.

Nico: You got that right, but man, Lincoln was really sadistic when it came to torturing him badly!

Me: He learned a lot from Anko and from his many Guardian Angels.

Anna Anyanova: Yeah, we're known to be masters of torture when it comes to chauvinist pigs, cruel and vile queen bee bitches, and misogynist boys and misandrist girls.

Qin: If anyone dared to mess with you girls, you'd unleash Hell upon them.

Nico: All that's left is his spine.

Me: Allow me.

I plunged my hand into his back and then…

RRRRRRIIIIIIIIIIIIIPPPPP!

I RIPPED HIS SPINE AND SKULL OUT OF HIM AND THEN THE ENTIRE GROUP HURLED THEIR GUTS OUT!

MASSIVE VOMIT STORM!

Nico: You should give that to Scary Lauren.

Me: Oh I plan to. She'll even have his blood and tissues as a snack.

Nico: (PROJECTILE VOMITS ALL OVER ME)

Me: OH SICK! NOT INCLUDING VOMIT!

I opened a portal and gave the skull to scary Lauren.

Scary Lauren: Thank you J.D. I will kill you next.

Me: Don't count on it.

I closed it.

Nico: Sorry about that!

Me: No worries.

Nico: He had it coming. Now lets blow this base to kingdom come.

We left the base and went and did so. I fired an energy blast and blew it into oblivion.

Me: Good riddance.

May: Thanks for showing us, honey

Nico: Anytime May.

Me: That was awesome though.

Camille Bergeron: And the best part is that we got rid of my evil ex.

Nico: That's for sure.

Me: Uh Maria can you uhh.

Maria: Oh sure thing.

She washed me off and then washed all of us off just in case.

Me: Thanks. Oh and Nico?

Nico: Yes?

I used the power of the Mesmeric Control card on Nico and he looked up at the clouds with his mouth open and then I poured lots of pepper into his mouth and then I snapped my fingers and he was out of the trance.

Nico: (With his mouth full) What's up?

HONK!

NICO THEN SNEEZED AND PEPPER EXPLODED OUT OF HIS MOUTH, NOSE, EARS AND EYES!

We laughed hysterically at that one!

Me: That's for throwing up all over me.

Nico: I said I was sorry.

Maria: But still!

Me: I said thanks.

Maria: Oh.

Me: After this I think most of us can use a dip in wet cement.

Nico: Good idea.

Camie: Yeah.

Me: Now for business. We got Anothers to face.

Crag: But that's a good idea J.D.

Me: Yep.

Nico: Eli, who do we got?

Eli: Another Azumi the Serpent Undead, Grand Duke of Owls, Jogon of the Tengu, Queen Metroid, The Lake Monster, Gammaizer Wind, Uchoten and Weather Wizard.

Me: Whoa! The Anothers for some of the Bakugan Powers.

Nico: Yeah!

Maria: Who do we call?

Me: Daria Kuso, Riley Misaki, Julia Makimoto, Shana Kazami, Amelia Gehabich and Aqua Orimoto.

Nico: Cool! 5 out of 6 Bakugan Attributes and one of the Huntik Gene-slammers.

Qin: Awesome.

Maria: Yep. I'll call them in.

Maria did so.

In swirls of elements they came.

Julia Makimoto: Hey, guys!

Riley Misaki: Wow what happened here?

Aqua Orimoto: (Sniffs) And you guys smell like vomit?

Me: Long story.

Aqua Orimoto: Another torture session?

Me: Yep. And another vomit fest.

Eli: And also the Anothers minus Weather Wizard are one person.

Me: Cool.

Maria: There they are!

We saw Another Azumi the Serpent Undead, Grand Duke of Owls, Jogon of the Tengu, Queen Metroid, The Lake Monster, Gammaizer Wind, and Uchoten!

Me: Whoa!

Nico: And this one's powerful! I Sense an amazing energy coming from them.

Another Grand Duke: (In a girls voice) And it is a powerful one.

Me: (GASP) That voice.

They merged and reverted back and it was a girl with purple hair and orange eyes and had yellow clothes and she had purple angel wings and had a tiara with the symbol of the Eclipse Dopant on it and she had the same symbol on her skirt and she had a staff of the eclipse in her hands.

Me: (GASP) Elaine Eclipse!

Elaine Eclipse: Awesome to see you again J.D.

Me: Same here. Elaine is the Embodiment of the Eclipse Dopant and she has the powers of the Sun and The Moon and can even use the powers of the Solar Eclipse as well as the Lunar Eclipse.

Nico: That is amazing!

Qin: Wow!

Elaine Eclipse: I know. And I have the powers of fire and light and darkness and I can turn my staff into a sword, scythe, spear and more.

Nico: Neat!

Me: Yeah. By the way Elaine is the Another Weather wizard friendly or hostile?

Elaine Eclipse: Friendly and she has a really amazing and incredibly awesome power over the weather.

Me: Cool!

Maria: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the anothers.

Me: Lets dance!

We fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome! Now for Another Weather Wizard.

Nico: All we have to do is wait.

But then…

Splat!

I felt something hit me in my face.

Me: What the!?

I licked it off and it was strawberry sauce?

Me: Strawberry sauce. Yummy.

WHAP!

Nico: OUCH! Huh?

Nico sniffed it…

Nico: A pickle slice made of chocolate!?

Nico ate it.

Laney: Uh guys? LOOK!

We saw RAINBOW STORM CLOUDS APPEAR!

Me: (GASP)

Nico: (GASP)

Eli: (GASP)

Carly Atlas: (GASP)

Misty Tredwell: (GASP)

Camie: (GASP)

Himiko: (GASP)

Tsuyu: (GASP)

Rainbow Storm Clouds came in and then we saw something completely unexpected! We saw them RAINING CHOCOLATE BURGERS!

Me: WHOA! It's like Flint Lockwood's machine all over again!

THUNDERCLAP!

I caught a burger and then took a bite and it was AN ALL CHOCOLATE BURGER!

Me: (EATING) OH WOW!

We got to eating some!

Nico: WHOA! So good!

?: Like my new weather power?

We saw Another Weather Wizard!

Me: Whoa!

Nico: Another Weather Wizard!

Eli: You did this!?

Another Weather Wizard: (In a girls voice) I sure did.

Me: Celica Candy!? Wow!

She reverted back and was a girl with pink hair and purple eyes and had pink clothes and pink angel wings and she had a tiara with the Candy Dopant Symbol on it and the same symbol on her skirt and she had a candy scythe.

Nico: Whoa! You did this?

Celica Candy: I sure did. I have Weather Control Powers and Candy Powers too.

Me: Yep.

Nico: Boy this is amazing!

Qin: Coincidentally we helped our friend Flint Lockwood who made a machine that made it rain food.

Me: His entire island was forced to eat sardines. Yuck. They were starving. So he came up with this machine that turns water into food.

Celica Candy: Oh wow! I heard about that and I saw all kinds of crazy weather things going on all over the world. That was all from that? That was cool!

Nico: It sure was.

Me: We were really flabbergasted with seeing what was happening with the machine we saw and it was really awesome.

Nico: Yeah.

Carly Atlas: That was an awesome machine and it was really amazing how it can be used to end world hunger.

Celica Candy: I know and I actually heard all about the Mayor's attempt to use it for his own gluttony.

Nico: Yeah that jerk.

Laney: But we sent him to prison. Forever.

Camie: Good.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Celica Candy: No he didn't. I fired a barrage of jawbreakers and smashed him in his face all over and knocked him out and made a run for it.

Eddy: (LAUGHS) That is too rich! But that was really clever doing that.

Celica Candy: Thanks. It sure was.

Nico: Yeah.

Kaito and Zocks: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Lincoln: Lets separate you first before we fight.

Lincoln fired a wave of light and did so.

Me: Lets make it rain food!

Celica Candy: With pleasure!

She fired waves of gumdrops and smashed Another Weather Wizard all over.

Nico: Taste this! (ACTIVATES WEATHER WIZARD AND UCHOTAN'S RIDEWATCHES)

He fired waves of lightning and energy and smashed Another Weather Wizard all over.

May: Take this! (ACTIVATES XU-VAZUU-BAA AND QUADRAXIS' RIDEWATCHES)

May fired waves of twilight blasts and energy blasts and smashed Another Weather Wizard.

Maria: Feel the fire! (ACTIVATES PHOENIX AND DRAGON LADY'S RIDEWATCHES)

She fired waves of fire and blasted Another Weather Wizard!

Star Girl: Feel this! (ACTIVATES UCHOTEN'S RIDEWATCH)

She fired energy blasts and smashed down Another Weather Wizard.

Then Jack O Lantern, Rishu, Pachinko Head, Fire Kong, Lumine and Xu-Galme-Re came.

Nico: Nice team Jack O Lantern!

Jack O Lantern: Thanks Nico.

Me: Yeah!

Then Showers of needles flew in and slashed Another Weather Wizard and blasted him down and then I caught the ridewatch and purified it.

Nico: Awesome!

Me: Where did those needles come from?

?: From me.

Needle Man came.

Me: Needle Man! Wow!

Needle Man: (In a girls voice) That was awesome.

Nico: Neena Needles!? Wow!

Neena Needles: Yep. This was crazy.

Nico: You're naked, aren't you?

Neena Needles: I sure am.

Me: Oh boy.

I put on my blind man glasses and then the boys covered their eyes.

Me: It's going to hurt just so you know.

Neena Needles: I know. I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain. She threw up and accidentally fired needles and May went flying and was pinned to the cliff!

May: Geez!

Neena reverted back and she was a girl with blue hair and blue eyes and had dark blue angel wings and had a needle symbol in the middle of her forehead.

Neena Needles: (Groans) That hurt. (GASP) Oh my god sorry May!

May: No worries. Just hanging around.

Maria: Boo!

Neena Needles: Oh man! I need new clothes!

Rarity: Don't worry darling. We can fix this.

The fashion brigade gave her new blue clothes and they looked awesome.

Neena Needles: Wow! I look awesome!

We got May down.

May: At least none of them stabbed me.

Me: No kidding. That gag is old.

Neena Needles: I know.

Star Girl: What's your favorite memory of Nico?

Neena Needles: When me and Nico found a bunch of bullies picking on some nerds and I pinned them to the wall with needles and got them expelled.

Nico: Yep.

Qin: I remember that.

Me: That was funny.

Nico: Yep.

Nico and Neena hugged.

Nico: I've missed you.

Neena Needles: Same here.

We later went back home.

Lincoln: Whoa, we're here in Hawaii, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got bad news: it appears Mileena, the crazed half Edenian-Tarkatan clone, has come back from the planet that she was banished to, and she still wants revenge on us for killing Shao Kahn, Quan Chi, and Shang Tsung, and freeing Sindel from Shao Kahn's spell.

We gasped.

Nicole: Oh no. Mileena has come back?!

Nico: This isn't good.

Lincoln: It isn't, but we're not going to let that crazed clone get away with this, we're going to destroy her and seal her into The Book of Vile Darkness and put the Whispering Wraith's Vengeance Curse on her, so that once we truly defeat her in the future, the curse will take her life and send her to The Black Gates forever.

Aurico: Oh man, which means we need to get after Mileena and fast before she starts killing again.

Suddenly, we saw a beautiful and super sexy girl with long pink hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and she's dressed in a royal blue dress, pink knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with swords, stars, phoenixes, and angels on the coattails and on the back is Amalgamous Prime, in her right hand is a greatsword and with her are the four girls.

Lincoln: (GASPS) Maria Toadstool, Gene-Slammer of Amalgamous Prime and Embodiment of Super Mario.

Maria Toadstool: That's right, and I also got the girls away from that crazy she-beast before she could kill them and eat them.

?: I will offer up your lives as a sacrifice to glorify Shao Kahn!

We then saw our target heading right for us in a fit of crazed deranged fury: Mileena, the crazed half Edenian-half Tarkatan clone and false child of Shao Kahn.

Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit her.

Then, Lincoln fired a blast of shadows which hits Mileena and Lincoln drained him of all her energy and killed her with a purple energy blast, and then, we sealed her into The Book of Vile Darkness again, but this time, she had a stronger seal put on her to keep her from escaping, and she now has Lincoln's Whispering Wraith's Vengeance Curse on her that'll kill her when we truly face her in the future. We cheered as we holstered our weapons and powered down.

Lincoln: Next time when we face you for real, Mileena you'll know what pain truly is. (To Maria Toadstool) And it's so good to see you again, Maria Toadstool.

Maria Toadstool: (French Accent) You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Maria Toadstool and he hugged her, and Maria Toadstool is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maria Toadstool: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Maria Toadstool, Gene-Slammer of Amalgamous Prime and Embodiment of Super Mario, she's my Guardian Angel from France and classmate in cooking. She's the twin sister of Princess Peach, but she has pink hair and a royal blue dress. She and I love to cook alongside Dad, and to show his thanks for all the help we've done for him and for helping them cook, he arranged a date between Maria and I at an Italian restaurant where I kissed Maria on the lips, and that was before Ronnie Anne came into the picture, and she hates Lola with a blazing passion.

Nico: Oh boy. Lola, what did you do to earn Maria's rage?!

Laney: Trust us, what Lola did was more than enough to earn Maria's rage and a stern talking to from Dad and Lincoln.

Me: And it also ended with Lola getting swatted on her butt with a whip by Selene Emperyous.

Vorya Emperyous: We never thought that our elder sis would do something that vengeful towards Lola, we expected it from Valentine even though Valentine hated her that much that she wanted to kill her after that whole incident with Leni getting punched hard in the face by her.

Laniya Emperyous: And we had a really hard time keeping Valentine restrained after that stunt that Lola pulled.

Lincoln: Valentine almost wrecked Lynn's Table in a fit of rage towards Lola.

Lynn Sr.: Thankfully, her sisters were able to restrain her while you tied Lola up.

Lana: Yeah, and I would've wanted to beat her up too.

Zaina Emperyous: That's why we also restrained you too, Lana. Besides, we'd seen the multitude of fights you two had gotten into, so we had to do it, otherwise, there was going to be blood spilled by you.

Lincoln: Zaina's right about that, Lana, you and Lola had gotten into some really nasty rumbles over the years and they weren't funny. We had to keep you and Valentine restrained, well you mostly or it was going to be a mess, and now that you're here, Maria.

Lincoln went up to and hugged Maria Toadstool in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Toadstool: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maria Toadstool's neck with pink gems on the gold lightning bolts and royal blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Toadstool: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Toadstool.

Maria Toadstool had a smile on her face and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Aoi Kasagi, Ichika Tagawa, and Kanna Seo from Takane no Hana to Mahou no Tsubo, and Yuma Fujioka.

Lincoln: Oh wow, it's Aoi Kasagi, Ichika Tagawa, and Kanna Seo from Takane no Hana to Mahou no Tsubo, and Yuma Fujioka.

Nicole: Whoa, awesome.

Lincoln: You said it. Are you all okay?

Aoi Kasagi: Yes, we're okay, thanks to you.

Then, when Aoi Kasagi and the three girls saw who it was that saved them from Mileena, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The

Aoi Kasagi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Aoi Kasagi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aoi Kasagi, Ichika Tagawa, Kanna Seo, and Yuma Fujioka with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Mileena, the crazed half Edenian-Tarkatan clone, who's come back from the planet she was banished to, and she still wanted revenge on us for killing Shao Kahn, Quan Chi, and Shang Tsung, and freeing Sindel from Shao Kahn's spell.

But, when Lincoln showed what we did in beating that deranged creation of Shang Tsung down and Lincoln sucking out her energy and killed her and sealed her into The Book of Vile Darkness this time with a stronger seal and Lincoln's Whispering Wraith's Vengeance Curse on her which'll kill her when we truly face her in the future, everyone cheered for us and hugged us and Lincoln's harem kissed him on the face and lips which he returned, Lincoln and Maria Toadstool have a lot of catching up to do, now that she's back in town.

Maria: Oh man! I didn't expect that crazy she-beast to come back!

Lincoln: Same here, but Mileena just doesn't know when to quit.

Nico: But, either way, at least we took care of Mileena and sealed her into The Book of Vile Darkness, and you put your Whispering Wraith's Vengeance Curse on her that'll eventually kill her after we face her truly in the future.

Lincoln: Same with Skarlet, Reiko, Motaro, Sektor, Rain, Kollector, Shinnok, and Kronika, and we'll be rid of all of Outworld's most dangerous villains, but we helped out a lot by getting rid of Shao Kahn, Quan Chi, and Shang Tsung last year when we destroyed the Emperor of Outworld and banished him and those two sorcerers to The Black Gates.

Me: You said it, they were the root causes of the scars that everyone in Outworld had to endure, but with them gone, those scars will begin to heal.

Nico: But, they'll truly be gone when we finally get rid of Mileena, Skarlet, Reiko, Motaro, Sektor, Rain, Kollector, Shinnok, and Kronika in the future.

---

After destroying Mileena and sealing her into The Book of Vile Darkness with a much stronger seal and The Whispering Wraith's Vengeance Curse on her, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Toadstool saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maria Toadstool: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream

of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Maria Toadstool: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Maria Toadstool: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Maria, what's the story on why you hate Lola with a blazing passion?

Maria Toadstool: Oh, you're not going to like it.

Maria Toadstool put up a video on the big screen and the video showed Lincoln and Maria Toadstool at Lynn's Table for a lunch date, the rest of his Guardian Angels and harem were also there as well and they were having fun, but their fun was about to be rudely interrupted.

ENRAGED SHRIEK!

Past Maria Toadstool: What was that?!

Past Lincoln: Oh no. Everyone, CODE: RAMPAGING PAGEANT DEMON!

Past Selene Emperyous: (GASPS) CODE: RAMPAGING PAGEANT DEMON?! LOLA'S COMING AND SHE IS IN ANOTHER ONE OF HER BAD MOODS! PREPARE YOURSELVES!

The Guardian Angels and Lincoln's harem stood ready, then, the doors burst open, and there they saw their target: Lola, but her eyes were literally blood red, her face was firetruck red, her teeth were razor sharp fangs, and her hair was literally a mass of living fire.

Past Lola: (DEMONIC VOICE) DIIIIIIIIIIEEEEEEEEEEEE!

Lola went right after Lincoln, but Maria Toadstool grabbed Lola by her dress and tossed her right into a trashcan. Lola was literally covered in trash, and she screamed like a banshee and she went ballistic to the infinite power! She was about to attack Maria and Lincoln once more, but Lincoln having had enough of Lola fired red energy ropes from his massive white angel wings and they tied her up.

Past Selene Emperyous: Nice one, Lincoln, you got her restrained.

Maria Toadstool grabbed Lola by the collar and went outside, and Lincoln and the others followed.

Past Maria Toadstool: We've had it up to hear with your little rampages, Lola, now you're about to get what you deserve.

Lincoln's Guardian Angels: NOW, GET OUT OF HERE, CHILD OF THE NETHERWORLD!

Then… !

KICK!

MARIA TOADSTOOL LITERALLY KICKED LOLA HARD IN HER BUTT AND SENT HER FLYING BACK TO THE LOUD HOUSE!

Past Lola: YOU PESEANTS WILL REGRET THIS! (SCREAMS AS SHE FLIES BACK TO THE LOUD HOUSE)

The video ended.

Nico: Damn, Lola's rampage ended with you girls teaching her a lesson and Lincoln tying her back up, and then, it ended with Maria literally kicking Lola hard in the butt and sent her flying right back to The Loud House.

Me: We saw Maria's shoe mark on her dress, and we knew right then and there, Lola tried to kill her brother again.

Varie: But, she got a swift kick in her behind.

Nicholette Torrington: She also got a ten week grounding from Mr. and Mrs. Loud when we told them of what that rampaging she-beast did, and they were really mad, and so were Lincoln's nice sisters including Lana. Plus, earlier that day before Lincoln and Maria had their lunch date, we busted Lori, Lynn, Lisa, and Luan who tried to kill him again, and we sent their asses to Aunt Ruth's for ten weeks.

Bertha Sellington: (Shudders) Just sending them to Aunt Ruth's was a nightmare, we saw her house before, and it was definitely what Lincoln said.

We got a shower afterwards, and then, Lincoln, Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright are dressed in two-piece colored bikinis

The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Megan Williams: Wow, so this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Megan, and it's perfect for our first date. Shall we?

Lincoln, Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright dived into the waters and we had fun swimming in the ocean, and we also saw the creatures that lived there, then, we went back to the beach and we had an awesome volleyball game, and Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright are in your harem.

Twilight Sparkle: We knew that Megan had feelings for Lincoln three years ago, and now, those very feelings have come true.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Heles, Simulator Vados, Simulator Kusu, Megan Williams, Simulator Anne Boochuy, Simulator Marcy Wu, and Simulator Sasha Waybright, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-

bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Yan-C-Bin, the Prince of Evil Air, a powerful archomental from the Elemental Plane of Air, a minion of the Elder Elemental Eye, and he's come to destroy the world. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Yan-C-Bin, the Prince of Evil Air, a powerful archomental from the Elemental Plane of Air, a minion of the Elder Elemental Eye, and he's come to destroy the world.

We gasped.

Me: Oh shoot.

Ray Kayest: First, Water, then, Fire, then, Earth, and now, Air.

Raelynn Akamichi: This is one villain I'm not going to go easy on, if he wants it to be a fight of Air VS. Evil Air Elemental, I'm going to enjoy blowing him away, and I won't be surprised if Lincoln absorbs him like he did with Olhydra, Imix, and Ogrémoch.

Nico: Now, that would be worth seeing. Alright, gang, let's go, we may not have a mission for today, but we still got to deal with Yan-C-Bin and destroy that Evil Air Elemental.

Lincoln: Yan-C-Bin isn't getting away with this, he's going to be blown straight to The Black Gates.

Raelynn Akamichi: You're not going to destroy the world so you can remake it into your own image, we're putting an end to you once and for all!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to the park to destroy Yan-C-Bin and make that Evil Air Elemental pay for his crimes.

We arrived at the park to hunt down our next target: Yan-C-Bin, the Prince of Evil Air, a powerful archomental from the Elemental Plane of Air, and minion of the Elder Elemental Eye.

Nico: Alright, now where's that evil Air Elemental hiding?

Lincoln: He's here alright, I can sense the evil in the wind, he's here.

?: YOU SHALL PAY FOR THE DEATH OF OLHYDRA!

Lincoln formed a massive diamond barrier that protected all of us from a massively powerful volley of wind that came out of nowhere and they hit the barrier, but the wind volley didn't hurt anyone.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Yan-C-Bin, or we will force you out.

An equally tall elderly human with dark brown skin, clothing, red eyes, and long blonde hair, it was Yan-C-Bin, the Prince of Evil Air, a powerful archomental from the Elemental Plane of Air, and minion of the Elder Elemental Eye.

Me: That's Yan-C-Bin?!

Nico: But… , he looks human.

Ray Kayest: Each of the Evil Elementals have forms based on the elemental forces of fire, water, earth, air, and darkness.

Lincoln: He tends to take on the disguise of an equally tall elderly human with dark brown skin, clothing, red eyes, and long blonde hair, but his true form is that of a thirty foot tall tornado.

Me: Whoa.

Raelynn Akamichi: Yeah, but he's about to meet the same end as Olhydra and Imix.

Suddenly, Raelynn Akamichi's green eyes turned neon green and she was surrounded by a green energy aura with stars, winds, swords, books, phoenixes, and angels, she unholstered her Fuusouken Hayate-themed greatsword from her back, and as she approached Yan-C-Bin, she left green energy, stars, winds, swords, books, phoenixes, and angels with every step.

Raelynn Akamichi: You really are nothing more than a destructive force of nature, Yan-C-Bin, all you desire is to destroy the world and remake it in your image, well, that's not going to happen on our watch, you're about to be destroyed forever.

Suddenly, Raelynn Akamichi was surrounded by a massive vortex of green energy with stars, winds, swords, and books surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a green phoenix with the logo of Kamen Rider Kenzan on its chest and red eyes glaring at Yan-C-Bin: the red eyes of eternal death. Then, as the vortex faded, Raelynn Akamichi emerged, but she was changed forever.

Raelynn Akamichi grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large green orbs orbiting around her legs, she has the body of a goddess, she has neon green highlights in the bangs of her long emerald green hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon green eyes and a green energy aura with stars, winds, swords, books, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Kenzan logo on her head and a ninja emblazoned on her forehead and Third Eye with green iris, she has on phoenix earrings with green gems for eyes and holding the Star, Wind, and Eternity Kanjis in its claws, she also a phoenix with green gems for eyes and holding the Star, Wind, and Eternity Kanjis in its claws for the second pendant on the bottom of her green ninja-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Raelynn Akamichi has on a sleeveless green open vest, sleeveless green crop top, green skirt, green legwarmers, green sneakers, and long sleeveless white trenchcoat with stars, winds, swords, books, phoenixes, and angels on the coattails, and on the back is a ninja surrounded by winds and on top is the Kamen Rider Kenzan logo. Suddenly, Raelynn Akamichi felt a sharp pain on her back, and then, her massive green angel wings with neon green tips on the green feathers grew much bigger for her new body, and she also now has eleven massive and long green wolf tails with neon green tips and neon green markings, Raelynn Akamichi has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Raelynn Akamichi's Fuusouken Hayate-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of green energy, stars, winds, swords, books, phoenixes, and angels, and when it emerged, it was transformed into Reika Ogami's Green Hurricane Wind Fuusouken Hayate Kamen Rider Kenzan Greatsword of Green Hurricane Wind Fuusouken Hayate Kamen Rider Kenzan Justice, it's a brand-new massive greatsword with embedded neon green gems and the logo of Kamen Rider Kenzan etched on the 7'6" massive, wide, double-edged green blade, large green phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and large green gems embedded in their foreheads, longer midnight black handle, four large green phoenix heads with green gems for eyes and on the bottom of the large green phoenix heads is a large green phoenix head with green gems for eyes and a green gem in its mouth for the pommel, Raelynn Akamichi has on her large gold Bracers of The Champions of The Universe with green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold ninja's head with green gems for eyes and large green gem in its mouth for the belt buckle on her waist, Fuusouken Hayate Wonder Ride Book, Fuusouken Hayate, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below the turtle that said, "Raelynn Akamichi, Embodiment of Kamen Rider Kenzan, Loving Sister of Ren Akamichi Also Known As Kamen Rider Kenzan, Master of The Powers of Wind, Wielder of The Fuusouken Hayate Wonder Ride Book, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Xibalba, Destroyer of Yan-C-Bin, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and

Suddenly, Raelynn Akamichi's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Raelynn Akamichi has transformed into SUPER ANGEL-KAMEN RIDER KENZAN-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE KAMEN RIDER KENZAN GREEN HURRICANE WINDSTORM FUUSOUKEN HAYATE PHOENIX ANGEL OF DIVINE DIVINE KAMEN RIDER KENZAN GREEN HURRICANE WINDSTORM FUUSOUKEN HAYATE JUSTICE AND DIVINE DIVINE KAMEN RIDER KENZAN GREEN HURRICANE WINDSTORM FUUSOUKEN HAYATE LOVE!

We were really amazed by Raelynn Akamichi's Super Angel-Kamen Rider Kenzan-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Yan-C-Bin saw it, he went mad with rage and fired blasts of wind at her, but Lincoln absorbed them and it made him stronger than ever, and Raelynn Akamichi fired a massive and powerful barrage of green energy, stars, winds, swords, books, phoenixes, and angels, which hit Yan-C-Bin and he was knocked down, he got back up, but now, he was angrier than ever.

Ren: (GASPS) Oh, no way, did Raelynn just…?!

Nico: She did, Ren, she did.

Lincoln: Yep, Raelynn Akamichi's transformed into her Super Angel-Kamen Rider Kenzan-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high time we blow this monster away for good.

Raelynn Akamichi: (Divine Echoing Godly Voice of The Divine Green Hurricane Windstorm Kamen Rider Kenzan Fuusouken Hayate Phoenix Angel and Divine Green Hurricane Windstorm Kamen Rider Kenzan Fuusouken Hayate Phoenix Angel Love) Before he tries to cause some serious damage.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Raelynn Akamichi.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to destroy the world so you can remake it in your image are over, Yan-C-Bin, now it's time for you to meet the same fate as Olhydra, Imix, and Ogrémoch.

Raelynn Akamichi and Lincoln went after Yan-C-Bin who continued firing blasts of winds at them, but Lincoln and Raelynn kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Yan-C-Bin and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws he covered in rocks and obsidian and firing energy slashes from his claws and he and Raelynn Akamichi also attack him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Yan-C-Bin even madder than ever, so much so that he transformed into his true form: a thirty foot tall tornado!

Yan-C-Bin went at Lincoln, but Lincoln's red gems on the gold circular chest harness began glowing and he proceeded to absorb Yan-C-Bin into his body and he also assimilated the evil air elemental's aerokinesis and teleportation. Then, Yan-C-Bin's drained spirit appeared in Lincoln's large left hand, and then, the Judgement Kanji appeared on Yan-C-Bin's head and he was sent to The Black Gates for eternity. We cheered wildly for what Raelynn Akamichi and Lincoln did as they holstered their massive greatswords and powered down and Raelynn Akamichi's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long green wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive green angel wings are permanent.

Raelynn Akamichi: Burn in The Black Gates forever, you overgrown tornado. Thank you for helping me get rid of Yan-C-Bin forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Raelynn.

Suddenly, Raelynn Akamichi wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Raelynn Akamichi's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and a winds blowing behind them and we cheered wildly. Then, Lincoln and Raelynn Akamichi sucked in and absorbed the elemental forces and winds and they came back to us as the display vanished.

Nico: Oh man, now that's really I call one awesome and epic fight! You showed Yan-C-Bin what happens when he dares to try and destroy the planet so he can remake it in his own image.

Lincoln: Yep, and I absorbed Yan-C-Bin into my body and assimilated his powers, and that's another evil elemental put down for good. Now, all that's left is to put down Tharizdun.

Me: You said it. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The next one is the Gene-Slammer for Quintus Prime, and you're going to love hearing this, we're also going to be meeting the Avatars of The Tailed Beasts on my side tomorrow.

Elise Dragonball: Awesome, and there's one girl we know who'd be Gene-Slammed into Quintus Prime: Jenna Shannon, Gene-Slammer of Quintus Prime and Embodiment of the Disk Wars Avengers, she's Lincoln's Guardian Angel from France and classmate in Math and she's also the twin sister of Jessica Shannon on top of being the Gene-Slammer of Quintus Prime and the Embodiment of the Disk Wars Avengers. Jenna, like her twin sister, Jessica, has red hair, but she wears a pink shirt and pink skirt. She and Lincoln love to dance together, in fact, they even danced together underwater. During one of their dance sessions, Jenna kissed lincoln on the lips, and she hates Trina Riffins with a blazing passion.

Nico: Cool.

Me: And who's the first Avatar of The Tailed Beasts that we're meeting tomorrow as well, Lincoln?

Lincoln: That's easy, the first Avatar of The Tailed Beasts we're meeting tomorrow along with Jenna Shannon is Kenzie Kurama, Avatar of Kurama, The Nine-Tailed Fox.

Selene Emperyous: Oh, I knew it would be her, awesome, and you guys will love meeting her, Kenzie Kurama is Lincoln's Guardian Angel from Michigan, and she's the Avatar of Kurama The Nine-Tailed Fox and she's also a powerful master of fox fire and wind and she also knows how to use those nine massive tails as powerful weapons such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them and she can even grow her fingernails into claws and even infuse them with fire to give villains a nasty burning scratching.

Me: WHOA!

Suddenly, Kurama appeared.

Kurama (Naruto): And she's also the leader of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Lori with a blazing passion, because one time, Kenzie and

Lincoln were out for a date at Lynn's Table, but their date would wind up getting ruined by Lori who came in and she was literally out for Lincoln's blood once again. But, that got Kenzie so mad and furious at Lori that her pupils turned into slits and she ran at Lori and she viciously attacked her with such a brutal passion, and she not only scratched Lori badly and whipped her with her massive nine tails, but she burned Lori's eyebrows off and made sure that Lori's eyebrows would grow back in uneven, and she fired a blast of wind and sent Lori flying back to The Loud House, and that'd resulted in Lori getting grounded for nineteen weeks for her attack on Lincoln.

Eli: Lori. What the heck did you do?!

Naruto: Easy, Eli. But, trust us, when you hear what Kenzie has to say tomorrow for her story, you'll wish Lori was thrown in a prison cell.

Nico: After hearing a ton of nasty revelations about Lori from Lincoln's other Guardian Angels, I can guess it's really bad.

Laney: You have no idea how bad it was. We still remember that day all too well.

Luna: We almost got that close to shoving a stick right up that control freak's butt and we almost got close to telling Naruto about what Lori did.

Nico: Wait, really?!

Naruto: It's true, they almost got close to telling me, but Kenzie told me everything and there was no need for me to intervene.

Lincoln: Yeah, otherwise, Lori would wind up getting pranked by you big time.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is Boo's Boneyard Galaxy.

Me: Ooh! Ghostly!

Nicole: That one is just really simple. You just have to race Boo.

Nico: Yep.

Hay Lin: Me and Flora will go with.

Nico: Cool cool.

Flora: Shall we?

Hay Lin: Lets shall.

Nico: Lets go.

They went in and Nicole activated it and they were at BOO'S BONEYARD GALAXY!

Nico: We're here.

Nicole: (On the radio) Like I said. You just have to head in and race boo inside the planet there. But you have to turn into ghosts yourselves.

Nico: I can do that.

Nico snapped his fingers and they turned into ghosts too!

Hay Lin: Cool!

Flora: Wow!

Nico: Yep.

They went into the planet and they met BOO!

Nico: Sup?

Boo: Ah Nico and Team Loud Phoenix Storm. So you want the star I have?

Nico: Yes please.

Boo: You can have it if you can race me.

Nico: You're on.

Boo: Okay then.

They got ready.

READY… SET… GO!

They were off!

They flew fast!

Boo: See if you guys race me and fight these Goombas!

Nico: Bring it on!

The Goombas came and Flora and Hay Lin fired waves of wind and nature and blew them away.

Nico: YEAH!

Nico: (gets out Weather Wizard and Vortex's Ridewatches) Feel the power of the storm!

Nico activated them and fired waves of lightning and blew the Goombas apart.

?: Now for my turn!

A figure flew in and it was a girl with red hair and red eyes and had red angel wings and red clothes and she had a tiara with the symbol of the Jetman on it and the symbol was on her skirt too.

Jenna Jetman: Jenna Jetman, Embodiment of the Jetman from 1991 is here.

She fired waves of energy and blasted the Goombas.

Nico: YEAH!

Hay Lin: You're perfect for this race! And I can fly too!

Flora: Me too!

Nico: Cool!

Jenna Jetman: I know!

They fired waves of energy and blasted the Goombas. Then Nico crossed the finish line!

HE WON!

Nico: OH YEAH!

Boo: You won. Nice job! Here is your prize.

The star appeared.

Hay Lin and Flora went and got it.

YOU GOT A STAR!

Jenna Jetman: OH YEAH! They was fun!

They high five!

Flora: Can you tell us more about yourself?

Jenna Jetman: I sure can. I'm an aeronautics and airplane mechanic. I fix planes, shuttles, jets and more. I even make old commercial jets and propeller planes and make them better than ever with advanced technology.

Nico: That is cool.

Jenna Jetman: It sure is.

Nico: Would you like to join the team?

Jenna Jetman: I would be honored.

They left the simulator and we cheered wildly for them.

Luan was walking to the kitchen and she saw Poromon eating something.

Luan: Poromon, I swear to God, you better be eating something edible!

Poromon: Oh I am Luan.

She saw him eating White Asparagus.

Luan: White Asparagus? Wow that is amazing.

Poromon: It's good. (Eating)

Courage: Are the other mascots eating that?

Poromon: We sure are.

They showed that they were eating White Asparagus.

Me: At least they are eating vegetables.

Nico: Yep. Good for them.

G1 Rampage: Do I even want to know where you guys got this?

Laney: Oh I cooked it for them. They were hungry for it.

G1 Rampage: Oh! That's cool Laney.

Lola: Boy this reminds me of the one time where we found Sector V stranded in the middle of a sea of asparagus.

Stickybeard: Aye I remember that lassie. That was quite a rescue.

Me: A Sea of Asparagus? How bizarre.

G1 Slug: Me Slug want to try!

G1 Slug ate some and it was good.

G1 Slug: Me Slug love food.

Nico: Cool.

Rage Mage: Was the White Asparagus yummy?

Poromon: It sure was!

Me: Good.

Laney: I'm glad you liked it.

Nico: Awesome. Because we are in for more fun. We're going to Lynn's Table for another awesome humiliation fest.

Xenia: Awesome!

Camie: Cool!

Me: I'm ready to kick some jerks butts!

Anna Anyanova: Me too! This is gonna be sweet payback.

The Previous Group Came.

Whiplash: Can me, Beetle, Cad Bane, Boomerang, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Major Disaster and Six Gum Gang go with you guys?

Goof: Is that White Asparagus?

Nico: Yes it is white Asparagus. And yes you all can come with.

Me: It's going to be a wild humiliation.

Laney: Yeah.

Dirge: Boss, which Gene Slammer do you think you'll meet next?

Nico: Hard Man next.

Qin: Whoa! That one is going to be tough.

Luan: She is going to be HARD to take down. (LAUGHS)

WE LAUGHED!

Nico: (LAUGHS) That was a good one!

Xenia: (LAUGHS)

Eddy: (LAUGHS) That was funny and awesome!

Nico: Lets go guys!

We were off to Lynn's Table.

---

We were walking to Lynn's Table.

Cad Bane: We should do our entrance now.

Nico: Good idea. We forgot to do so on the rescue.

We went at Lynn's Table.

In the restaurant the people were having a good meal when suddenly the doors opened and in came the spirits of jokes and food and they swirled around the jerks and converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive fiery explosion that blasted through the doors and then a phoenix cry was heard and we came in.

Nico: Good morning Lynn's Table Crew!

Lynn Sr.: Hey guys! Here for more humiliations?

Nico: You bet we are.

Lynn Sr.: Usual grub for you all?

Nico: You know it.

Lynn Sr.: Coming right up guys!

We laughed at that one!

Nico: (LAUGHS) That's a new one!

Eli: (LAUGHS) YEAH!

We laughed more!

Camie: (LAUGHS) That was funny!

Laney: (LAUGHS) Yeah!

Xenia: What a moron!

Titanium Man: (Russian Accent) Let me have a shot!

Nico: Go for it Boris.

He went and he turned his arm into an explosive pie blaster and then he fired a pie and it hit Flip and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

That had to hurt!

Flip: Ouch.

Lucy Loud: I have an idea. Watch this.

Nico: Okay Lucy.

She went over to Billy.

Lucy: This will be your last day alive.

Then Lucy used a sharp gaze and it made Billy scream in pain and he was convulsing all over as blood poured out of him and then he inflated and then…

EXTREMELY MASSIVE AND BLOODY EXPLOSION!

Blood and guts and innards splattered all over the jerks with an extremely gory mess!

YUCK!

We had seen Lucy use Babidi's magic!

Metal Man: Poromon, what are you doing?

Wilbur: He's getting beer bottles ready.

Dixie: What do you think he's gonna do?

Me: Something really funny.

Poromon then got out a scroll and unsealed 3 bottles full of Hydrogen Bitters, Old Panther and Cobra Fang Juice.

Poromon: Hey J.D. can you help me with this? I don't have any hands.

Me: Oh sure.

I went and helped him and me and Poromon put on welding helmets and gloves and we poured in Hydrogen Bitters, Old Panther and

Cobra Fang Juice.

The bottles shook from the mixture.

Nico: Oh boy.

Me: We're not going to make them drink these are we?

Poromon: Nope. Watch.

Poromon threw one and it hit Flip and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded with the intense power of a Nitroglycerine explosion!

Me: WHOA! That was potent!

Nico: Deadly!

Poromon: Yep. Go for it.

Me: Here we go.

I threw the other Three Bottles and they hit the jerks and then…

MASSIVE AND POWERFUL FIERY EXPLOSION!

They were burned and torched all over!

Xenia: That had to hurt!

Multiple Man: My turn!

He made a bunch of clones and they bashed and pulverized the Jerks all over the place!

Nico: Nice one!

Samey: I got one! I got something for my so-called sister Spare-Me.

Nico: Go for it Samey.

Amy: MY NAME IS NOT SPARE-ME! IT'S AMY!

Samey: Your name is Spare-Me now.

Amy: HEY! I was going to change that on your birth certificate!

Nico: (LAUGHS) Looks like Samey beat you to it and did so to you bitch!

Samey: Yep. But that's not my pain to dish out.

She then did the fed Amy all kinds of foods and she inflated like a balloon and then gave her a mint and Samey ducked and covered and then…

EXTREMELY MASSIVE EXPLOSION!

Amy exploded and vomit and stomach innards splattered all over the jerks and they too threw up everywhere!

Me: OH SICK!

Xenia: Nice one!

Needle Man: Me and my Gene Slammer can go next.

Nico: Go for it!

Neena Needles: Lets poke them full of holes.

They went over.

Neena Needles: Okay you freaks! Time for some holes!

Neena and Needle Man fired a massive shower of needles and they skewered all the jerks all over and it hurt like a son of a bitch! OUCH! They had holes all over their bodies like Swiss Cheese!

Nico: I have a funny one!

Nico went over to the wet bandits.

Nico: Okay boys sniff on this!

Nico shoved their faces in his butt and then…

EXPLOSIVELY LOUD MASSIVE FART!

HE FARTED IN THEIR FACES AT POINT BLANK RANGE!

Runt: Jasmine, how about you help Sammy pummel Amy some more?

Lunk: Me, Runt, and our team will help you.

Jasmine: (Australian Accent) Good idea mates. Lets do it.

They went over and helped Sammy.

They went over and viciously mangled up Amy with every single kind of torturous method that Billy McLean used throughout all of Total Drama!

WE LAUGHED AT ALL OF IT!

She was blasted, bashed, pulverized, kicked and smashed and stabbed and more.

Nico: YIKES!

Xenia: Brutal!

Lynn Sr.: Order up!

Nico: Oh time for lunch guys.

Heckyl: Can't do humiliations on empty stomachs.

Nico: Awesome! I'm starving.

They had all of Nico's favorites including all the awesome foods that Goku, Vegeta and Gohan and me love.

Also we're going to battle Another Celtic Predator, Gahlia the Morrigan, Northern Ireland Fighting Leprechaun (The Simpsons), Alligator (Fantasia), Vulcan (Fantasia). The match-up scene is for Tamara Daishinji, Embodiment of Kamen Rider Slash, and she and Lincoln are going to destroy Tharizdun, The Chained God and the Elder Elemental Eye, a long-forgotten interloper god, one of the main antagonists in the Dungeons & Dragons franchise originating from Oerth who sought to destroy all that is. He is also behind the Abyss' creation and the overarching antagonist of the Elemental Evil storyline due to being the master of the four other evil archomentals, Olhydra, Ogrémoch, Imix and Yan-C-Bin.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Outworld, and we're going to form an alliance with Kotal Kahn because in the future, we'll be going after Mileena, Skarlet, Reiko, Motaro, Sektor, Rain, Kollector, Shinnok, and Kronika and ending them forever, but of course, we're going to be keeping our guard up because the guards will be having a party celebrating the death of D'Vorah since that creepy bug was nothing more than a treacherous deceitful manipulative traitor along with being an acolyte of Shinnok and servant of Kronika, and we're also going to have an Old Western Style fight with Erron Black, and he'll be joining The Masters of Evil. And we're going to meet the next Prime Gene-Slammer and Anime Embodiment, her name is Jenna Shannon, Gene-Slammer of Quintus Prime and Embodiment of the Disk Wars Avengers, she's Lincoln's Guardian Angel from France and classmate in Math and she's also the twin sister of Jessica Shannon on top of being the Gene-Slammer of Quintus Prime and the Embodiment of the Disk Wars Avengers. Jenna, like her twin sister, Jessica, has red hair, but she wears a pink shirt and pink skirt. She and Lincoln love to dance together, in fact, they even danced together underwater. During one of their dance sessions, Jenna kissed lincoln on the lips, and she hates Trina Riffins with a blazing passion.

And we're going to be meeting the Avatars of The Tailed Beasts on Lincoln's side, the first one that we're also meeting tomorrow is Kenzie Kurama, Avatar of Kurama The Nine-Tailed Fox, she's

Lincoln's Guardian Angel from Michigan, and she's the Avatar of Kurama The Nine-Tailed Fox and she's also a powerful master of fox fire and wind and she also knows how to use those nine massive tails as powerful weapons such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them and she can even grow her fingernails into claws and even infuse them with fire to give villains a nasty burning scratching. She's also the leader of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Lori with a blazing passion, because one time, Kenzie and Lincoln were out for a date at Lynn's Table, but their date would wind up getting ruined by Lori who came in and she was literally out for Lincoln's blood once again. But, that got Kenzie so mad and furious at Lori that her pupils turned into slits and she ran at Lori and she really viciously attacked her with such a brutal passion, and she not only scratched Lori badly and whipped her with her massive nine tails, but she even burned Lori's eyebrows off and made sure that Lori's eyebrows would grow back in uneven, and she fired a blast of wind and sent Lori flying back to The Loud House, and that'd resulted in Lori getting grounded for nineteen weeks for her attack on Lincoln.

The next chapter is where we face Park Avenue in another awesome adventure with Mordecai and Rigby in the park and we're going to make sure that Graffiti spreading spray can gets sent to jail.

See you next time.

Nico: I didn't want you guys to be left out Kento.

Xenia: That is awesome.

Nico: Kento, what do you like to do in your free time?

Me: I sure do. It's a good start.

Nico: Thanks J.D.

Me: You're welcome.

Nico: You're welcome to add more to it.

Me: I'll think of some things. It'll take a while.

Nico: Take your time.

Me: Good.

Camie: Yeah.

Nico: For once, this might be easy. We'll just find the Anothers and the Gene Slammer and then get the fuck outta Dodge.

Me: Uhh Nico don't be so sure!

We looked ahead and saw numerous women seriously hurt and even worse is that Men and Women, and Teen boys and girls were BEATING EACH OTHER up in a vicious and ferocious brawl!

Me: Oh shit!

Me: WHOA! Arrows of hate! Wait a second! Dark Cupid is behind this!

Nico: What?! Again?!

Me: I thought Vypra is keeping an eye on him.

Lincoln: She is, but I got a bad feeling someone's driven him to this again.

Anna Anyanova: It better not be Tanya or Frost, because if it is… !

Suddenly, Lincoln's wrist computer on his left gold Bracer went off, and it showed the progression of The Hinon's Vengeance Curse on Tanya and Frost, and it went up slowly.

Lincoln: It was them alright.

Maria: Those two bitches!

Maria texted Vypra and told her the situation with Dark Cupid and when she told them that Tanya and Frost were behind it because they were still pissed off at us, she went ballistic.

Maria: Already told Vypra, and she's already disciplining those two bitches.

Nico: Nice.

Me: You hate the fact that you are completely powerless to stop me and all of us. That you are completely outmatched. You playing with people's feels and love by turning it into hatred really makes me sick! You got so many innocent people hurt and you made them turn on others all for your sick game of hate! You fool! How do you think these people felt when you had them beat each other shitlessly and made them suffer from all that pain! Well now it's your turn. Marinette: Lucky Charm!

Marinette formed a yo-yo and swung it and fired waves of energy and blasted him all over!

Qin: YEAH!

Marinette's Lucky Charm turned into a Candy Apple.

Marinette: I think I know what to do with this!

She threw it and it hit Dark Cupid and it made him REALLY STICKY! Unable to shoot more arrows.

Me: Stuck in a sticky situation there!

Dark Cupid: NO! IMPOSSIBLE! NO ONE CAN GROW THAT MUCH STRONGER FROM MY HATE ARROWS! YOU SHOULD BE CONSUMED BY HATRED AND DESIRE ONLY DESTRUCTION!

Lincoln punched Dark Cupid hard in the mouth!

Lincoln: You still don't understand, do you? We grow stronger by absorbing negative energy and hate is one of those sources, but there's one thing that's even more powerful than hatred, and that's love: the one thing you despise.

Me: You have absolutely no love in you at all, and for that, you're about to pay the price for your hate spreading mayhem.

Zarya: With a very horrible beatdown from all of us.

Kora Lexington: And you're getting absolutely no mercy from any of us whatsoever.

Suddenly, Zarya's eyes turned neon blue, as she was surrounded by a blue and snow white energy aura with stars, moonlight, magic, wolves, phoenixes, and angels surrounding her, she unholstered her Zarya Moonwolf's Mystic Wolf Phoenix Bow, and as she approached Dark Cupid, she left behind blue and snow white energy, stars, moonlight, magic, wolves, phoenixes, and angels with every step.

Zarya: You really are nothing more than pure hatred incarnate, Dark Cupid. Everywhere you go, you spread nothing but hatred and leave a trail of broken hearts in your wake, I would've thought Vypra had taught you that lesson after we handed you over to her, but it looks like you refused to learn your lesson and continued to spread hatred and leave a trail of broken hearts. Now, you've left us with no other choice but to put you in your place again, and Vypra's already punishing Tanya and Frost for their stunt, and now, it's going to be your turn for your punishment after we tie you up and hand you to her again!

Suddenly, Zarya was surrounded by a massive vortex of blue and snow white energy with stars, moonlight, and magic surrounding it, there's a pack of wolves running around the vortex, and in the vortex is a snow white phoenix with red eyes glaring at Dark Cupid: the red eyes of judgement. Then, as the vortex faded, Zarya Moonwolf emerged, but she was changed forever.

Zarya Moonwolf grew from 6'11" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has white highlights in the bangs of her purple hair along with white tips in her hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon blue eyes and a neon blue energy aura with stars, magic, moonlight, wolves, phoenixes, and angels surrounding her, she has a wolf howling at the full moon emblazoned on her forehead and Third Eye with blue iris, she has on wolf head stud earrings with blue gems for eyes and the Moon, Magic, and Eternity Kanjis on its heads, she also has on her Elemental Phoenix Necklace of Eternal Love with blue gems on the gold full moon links and blue crystals from her merged Crystal Necklace of the Buddha and blue wolf-shaped Element of Harmony, and on the bottom of the Element of Harmony are a phoenix and wolf pendant with blue gems for eyes and they're both holding the Moon, Magic, and Eternity Kanjis in their claws and she has on a white and gold accented choker on her neck. Zarya has on a dark blue sleeveless blouse and dark blue short-sleeved shirt with snow white phoenix on it, dark blue skirt with wolf howling at the full moon, blue pants, blue leather knee-high combat boots, and a long sleeveless white trenchcoat with magic and stars on the coattails, and on the back is the full moon with a wolf howling and a phoenix flying in the skies. Suddenly, Zarya felt a sharp pain on her back, and then, her massive purple angel wings with stars and the full moon shining with white tips on the purple feathers grew much bigger for her new body and she now has eleven massive and long purple wolf tails with white tips and blue markings. Zarya Moonwolf has on her Ring of The Phoenix with large blue gem and heart-shaped gem embedded in the middle on her right ring finger and Star Sapphire Corps ring on her left ring finger, and her cutie mark is on her left shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Zarya Moonwolf's Mystic Wolf Phoenix Bow and all the greatswords and swords began merging together, and they were surrounded by a massive vortex of blue and white energy with stars, moonlight, magic, wolves, phoenixes, and angels, and when it emerged, it was transformed into Zarya Moonwolf's Eternal Angelic Mystic Wolf Phoenix Bow of Mysticon Wolf Ranger Justice, it's a brand new longbow measuring at 7'9" in length with massive blue angel wings for the large longbow's limbs and in the upper limb is a wolf and a phoenix and long midnight black grip and she has a large blue quiver with the wolf and phoenix printed on the quiver with unlimited arrows inside, she has on her new large gold Bracers of The Champions of The Universe with blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her new gold Belt of Elemental Bravery with a gold wolf head with blue gems for eyes and a large blue gem in its mouth for the belt buckle, large gold Belt of Elemental Bravery with a gold dragon head with rainbow gems for the eyes and a large rainbow gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Sword of The Northern Kai holstered on her left hip and her Eater of Sins revolver holstered on her right hip. There's a white kanji below the full moon with the wolf and the phoenix that said, "Zarya Moonwolf, Princess of The Phoenix Wolf Moon, Mysticon Wolf Ranger, Sister of Arkayna Goodfey and Friend of Piper Willowbrook and Emerald Goldenbraid, Brave Second-In-Command of The Mysticons, Loving Future Wife and Supporter of James Dean Knudson, Destroyer of Tazma Grimm, Necrafa, and The Spectral Hand, Archenemy of Knightbrace, Sister of The Zenkaigers, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and

We were amazed by Zarya's Super Angel-Mysticon Wolf Ranger-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on her face, hearts in my eyes, steam whistling out of my ears, my nose was bleeding, and I almost let out a wolf howl. But, when Dark Cupid saw it, he went into a fit of rage again and fired more arrows of hate at her, but she absorbed the hatred from the arrows and it made her even stronger than ever, and she fired a massive barrage of blue and white energy, stars, moonlight, magic, wolves, phoenixes, and angels which hit Dark Cupid and exploded with such incredible power, he got back up, but now, he was beyond pissed off beyond anyone's imagination.

Zarya: (Divine Echoing Godly Voice of The Moonlight Mysticon Wolf Ranger Phoenix Wolf Angel and Divine Cosmic Stellar Moonlight Mysticon Wolf Ranger Phoenix Wolf Love) You're through spreading your toxic hatred to innocent people, Dark Cupid.

Kora Lexington: That's right, and now, it's time for you to suffer the consequences for your spreading of hate, you disgusting monster of hate.

Lincoln: Wait, there's no need to go easy on him though, he's actually a clone.

Nico: Then, that makes things easier.

Lincoln: But, I did find out Tanya created that clone using a Dark Orb, so she's already in big trouble with Vypra.

Me: You said it.

Suddenly, Kora Lexington's red eyes turned neon red and she was surrounded by a blood red energy aura with stars, fire, flames, twin-tailed comets, blood, phoenixes, and angels, she unholstered her Hellblade from her back, and as she approached Dark Cupid, she left blood red energy, stars, fire, flames, twin-tailed comets, blood, phoenixes, and angels with every step.

Kora Lexington: Thank God Lincoln told us you're just a clone, but this also means we're not going to hold back in killing you, but Tanya's already in huge trouble for that goddamn stunt she pulled for her sadistic desire to still kill us, but she's getting off easy with some strict and severe discipline from Vypra.

Suddenly, Kora Lexington was surrounded by a massive vortex of blood red energy with stars, fire, flames, twin-tailed comets, and blood surrounding the vortex, there are phoenixes, angels, Sigmar the Twin-Tailed Comet and Khorne the Blood God flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Dark Cupid: the red eyes of death. Then, as the vortex faded, Kora Lexington emerged, but she was changed forever.

Kora Lexington grew to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large blood red orbs orbiting around her legs, she has the body of a goddess, she has red highlights in the bangs of her long blood red hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon blood red eyes and a blood red energy aura with stars, fire, flames, twin-tailed comets, blood, phoenixes, and angels surrounding her, she has Sigmar the Twin-Tailed Comet and Khorne the Blood God emblazoned on her forehead and Third Eye with blood red iris, she has on phoenix earrings with blood red gems for eyes and holding the Fire, Blood, and Eternity Kanjis in its claws, she also has Khorne the Blood God with blood red gems for eyes and holding the Fire, Blood, and Eternity Kanjis in its hands on the bottom of her blood red phoenix-shaped Element of Harmony, along with the gold phoenix pendant of her Elemental Phoenix Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold flame links and she has on a white and gold accented choker on her neck. Kora Lexington has on a sleeveless blood red blouse, sleeveless blood red top, red ankle-length skirt with the symbol of The Twin-Tailed Comet and the symbol of The Twin-Tailed Comet on her right arm, blood red pants, blood red sneakers, and long sleeveless white trenchcoat with stars, fire, flames, twin-tailed comets, blood, phoenixes, and angels on the coattails, and on the back is Khorne The Blood God and The Twin-Tailed Comet surrounded by fire and blood. Suddenly, Kora Lexington felt a sharp pain on her back, and then, massive blood red angel wings with orange tips on the large red feathers grew and sprouted out of her back and she now has eleven massive and long blood red wolf tails with red tips and red markings. Kora Lexington has on her Ring of the Phoenix with large blood red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Kora Lexington's massive greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of blood red energy, stars, fire, flames, twin-tailed comets, blood, phoenixes, and angels, and when it emerged, it transformed into Kora Lexington's Khorne Blood God Elemental Twin-Tailed Comet Fire Phoenix Fire Blood Greatsword of Raging Blood God Firestorm Justice, it's a brand-new massive greatsword with embedded red gems and The Twin-Tailed Comet and Khorne the Blood God etched on the 7'6" massive, wide, double-edged blood red blade, large blood red dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large blood red gems embedded in the foreheads, longer midnight black handle, four large blood red phoenix heads with red gems for eyes and large blood red dragon head with red gems for eyes and large red gem in its mouth on the bottom of the b phoenix heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with orange gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold version of Khorne the Blood God's head with blood red gems for eyes and large blood red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an orange kanji below Khorne the Blood God that said, "Kora Lexington The Furious Flame of the Sigmar Comet, Gene-Slammer of Sigmar the Twin-Tailed Comet, Master of The Hellblade and The Powers of Khorne the Blood God, Demolisher of Bullies, Future Wife of James Dean Knudson, Archenemy of Cheese Crocker, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Blood, Angels, and Phoenixes"

We were amazed by Kora Lexington's Super Angel-Twin-Tailed Comet-Khorne the Blood God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw her, I had an atomic red blush on her face, hearts in my eyes, steam whistling out of my ears, my nose was bleeding, and I almost let out a wolf howl. But, when Dark Cupid saw it, he went into a fit of rage again and fired more arrows of hate at her, but she absorbed the hatred from the arrows and it made her even stronger than ever, and she fired a massive barrage of blood red energy, stars, fire, flames, twin-tailed comets, blood, phoenixes, and angels which hit Dark Cupid and exploded with such incredible power, he got back up, but now, he was beyond pissed off beyond anyone's imagination.

Kora Lexington: (Divine Echoing Godly Voice of The Furious Fire Blood God Sigmar Twin-Tailed Comet Khorne Blood God Phoenix Angel and Divine Cosmic Furious Fire Blood God Sigmar Twin-Tailed Comet Khorne Blood God Phoenix Angel Love) And like Zarya said, you are done, you piece of crap.

Me: You got that right.

Lincoln: Mess with peoples' emotions and you've got to deal with us!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he and I joined Zarya and Kora Lexington, and so did the rest of the team as they unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of spreading hate are over, you piece of shit!

Me: That's telling 'em, Lincoln! You're done, you hate-spreading asshole!

Lincoln, Zarya, Kora Lexington, and I went after Dark Cupid who continued firing arrows of hate at us but we kept on absorbing them and they kept on making us stronger than ever, and we fired extremely powerful blasts of rainbow energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Dark Cupid and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Zarya, Kora, and I attacked him with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Dark Cupid crazy.

Dark Cupid: (SUPER ENRAGED SCREAM) YOU! YOU! I WILL FUCKING KILL YOU ALL! EVERYTHING AND ALL OF MANKIND WILL DROWN IN HATRED AND DESTRUCTION!

Dark Cupid ran at Zarya, Kora, and I, but Lincoln grabbed him by the throat and choke-slammed him into the ground hard. Then, Lincoln pounced on Dark Cupid, and he then proceeded to give him the nastiest, ugliest, bloodiest, and extremely graphic beating, and it's like nothing anyone could ever imagine as we saw it.

LINCOLN SMASHED HIM HARD IN HIS NOSE, HE TORE HIS TEETH OFF WITH HIS BARE HANDS, THEN HE PROCEEDED TO TEAR HIS HAIR AND WINGS OFF!

BELLOWING SCREAM OF PAIN!

THEN, LINCOLN PROCEEDED TO SCRATCH AND SLASH DARK CUPID ALL OVER THE PLACE WITH HIS GOLDEN-ARMORED CLAWS DRAWING TONS OF BLOOD WHICH WAS SPILLED ALL OVER THE PLACE, THEN, HE RAISED HIS MASSIVE GREATSWORD INTO THE AIR, AND THEN!

SLASH!

LINCOLN SLASHED HIS CROTCH CLEAN OFF AND HE LET OUT

ANOTHER BELLOWING SCREAM OF PAIN AND TONS OF BLOOD CAME POURING FROM HIS SEVERED CROTCH!

Me: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY!

THIS CAUSED EVERYONE TO RUN INTO GARBAGE CANS AND THEY THREW UP LIKE CRAZY!

The others ran to comfort everyone barfing in the trash cans, then, Lincoln grabbed him by the throat and began sucking out all of Dark Cupid's hatred and his rainbow energy aura and rainbow protective fire aura flared up extremely as he was gaining an extremely astronomical power boost of universal proportions, but this was also in the process draining Dark Cupid of his life energy since he's a clone of hatred. When Lincoln was done sucking out all of Dark Cupid's hatred, the clone was reduced to a withering dried-up husk and Lincoln set him ablaze with rainbow fire and he sent the clone straight to The Black Gates forever.

We cheered as Lincoln, Zarya, Kora, and I holstered their weapons and powered down, and Zarya and Kora's new bodies, clothes, weapons, gold halo, weapons, jewelry, Third Eye, massive and longer wolf tails, and massive colored angel wings are permanent.

Lincoln: Good riddance, you hate-spreading monster!

Me: Your days of spreading hatred are over!

Varie: That was really awesome work, everyone.

Nico: And I didn't expect Tanya to make that clone of Dark Cupid, looks like she still has some hatred in her and her sadistic desire to kill us. Well, Vypra will get rid of those bad habits by beating the crap out of that bitch.

Eli: She has no idea of the kind of Hell Vypra will make her go through.

Lincoln: Especially since I gave her a book of some really sadistic tortures to put Tanya through along with Frost if they show any sort of disrespect or signs of rebellion.

Lincoln took out the same book of really sadistic tortures: it had a red cover with an inverted cross with torture instruments on it, when we saw the types of really sadistic tortures inside the book, we gasped in shock.

Qin: Oh shit! Now, this is really sadistic and horrific. How did you even create this thing?!

Lincoln: I've had plenty of time, and I've used them on The Digimon Emperor in our dungeon, and it was really bad.

We saw a video of Lincoln using the torture techniques from his book on The Digimon Emperor, and we saw The Digimon Emperor covered in scratches, scars, bruises, and he even had claw marks on his body and tears in the clothes.

Nico: Oh shit! Did Layla see it?!

Lincoln: She did, and I also let her in on it as well.

Qin: Figures, she hated him even more than we do.

Me: Mind if we also have a go at him as well, Lincoln?

Lincoln: Sure.

Me and Nico: Yes!

Marinette: Just like old times!

Me: No kidding there. Wow! That was epic!

Xenia: It sure was!

All of Paris cheered for us and Marinette.

We later looked over those that were seriously hurt by Dark Cupid.

Varie: They are gonna be all right. They took one nasty beating but they'll be okay.

Camie: That's a relief.

Marinette: Thank goodness. But J.D. that was amazing that you discovered that the Miraculous have Surekill Techniques like those of the Ronin Warriors.

Me: I know and they pack just as much explosive power. Boy if we used them on Hawk Moth he would be really in for a shock.

Nico: Good thing that was a clone

Me: No kidding. At least it wasn't the one in the M.O.E.

Nico: Yeah.

Lola: I have a feeling we're going to be battling each of them.

Nico: Yep.

Maria: Is everyone okay?

Varie: They will be fine. I healed them all up.

Nico: Good.

Me: That was awesome though.

May: It sure was.

Nico: Yeah. Now for the Anothers.

Qin: Yep.

Eli: Lets see.

Eli sensed for them.

Eli: Whoa! We have Another Celtic Predator, Gahlia the Morrigan, Northern Ireland Fighting Leprechaun (The Simpsons), Alligator (Fantasia), Vulcan (Fantasia). Zeus (Fantasia), Chernabogs Minions, Leprechaun (TTG), Fire Women (Fantasia), Fashionistas (2016's Powerpuff Girls), Agent Alpha, Rishu and Jack O Lantern.

We gasped!

Qin: Whoa!

Me: All the archenemies of the 10 Legendary Warriors as well as Elaine Sustrai.

Nico: Yeah!

Eli: Yep and I sense that the Anothers minus Jack O Lantern are 2 people.

Xenia: Wow!

Nico: It's obvious who to call in this one.

Me: Yep. The 10 Legendary Warriors and Elaine Sustrai.

Maria called them in and in swirls of Fire, Light, Wind, Ice, Lightning, Darkness, Wood, Water, Metal and Earth came said members.

AncientGreymon: We're ready.

Elaine Sustrai: Hey, guys!

Nico: Awesome you all came.

AncientMermaidmon: We're ready for action.

AncientKazemon: This will be fun.

Camie: It sure will.

Sirius: Yep.

Nico: There they are!

Then out came Another Celtic Predator, Gahlia the Morrigan, Northern Ireland Fighting Leprechaun (The Simpsons), Alligator (Fantasia), Vulcan (Fantasia). Zeus (Fantasia), Chernabogs Minions, Leprechaun (TTG), Fire Women (Fantasia), Fashionistas (2016's Powerpuff Girls), Agent Alpha and Rishu!

Nico: WHOA!

Qin: This is gonna be a battle of the gods!

Xenia: YEAH!

Another Gahlia the Morrigan: This sure will be good.

Another Alligator: (In a girls voice) You got that right.

Me: (GASP) Those voices!

They merged and reverted back.

The first girl was a girl with black hair and blue eyes and had green Madagascar Sunset Moth and she had green clothes and had a tiara with the symbol for the Moth Dopant on it and the same symbol on her skirt and she had a butterfly spear in her hands.

The second girl was a girl with purple hair and had purple eyes and had purple angel wings and had a purple kimono on and had a tiara with the symbol of the Geisha Dopant on it and she had the same symbol on her kimono and had a pink katana in her hands.

Me: (GASP) Mina Mothra and Sakura Geisha Takahara!

Nico: Whoa!

Mina Mothra: Awesome to see you again J.D.

Sakura Geisha Takahara: Same here.

Me: Yeah. Mina is the embodiment of the Moth Dopant and has the powers of butterflies and moths and Sakura is the embodiment of the Geisha Dopant and has the powers of Geisha Girls and is a deadly samurai.

Nico: That is cool!

Philip: Wow! The Geisha Dopant is one of the unseen ones we faced.

Me: Yep.

Qin: That is awesome.

Me: By the way girls is the Another Jack O Lantern friendly or hostile?

Mina Mothra: Friendly and she is a really powerful one with REALLY SCARY power.

Me: Oh boy.

Nico: This will be good.

Me: Yeah.

Nico: Sorry we gotta do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and the Anothers were separated from them!

Nico: Lets do it!

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: Take that!

Xenia: That was awesome!

Me: Now for the Another Jack O Lantern.

Nico: Yep.

May: All we can do is wait.

Maria: Time for backup! (TURNS DIAL) WEATHER PLATOON SIX!

She summoned Weather Wizard, Uchoten, Xu-Vazuu-Baa, Quadraxis, Phoenix and Dragon Lady!

Me: This is gonna be good.

Xenia: Yep.

Nico: Is she near?

We looked around.

Me: There!

We saw a figure fly in on a glider and it was ANOTHER JACK O LANTERN!

Jack O Lantern: Whoa who is that good looking pumpkin headed guy?

Me: Another you.

Nico: Yep.

She landed.

Another Jack O Lantern: (In a girls voice) Boy that was an awesome battle you guys had.

Me: (GASP) That voice.

She reverted back and it was a girl with orange hair and red eyes and had red demon wings and had black clothes and had a tattoo of the Star of Satan on her arm and she had a tiara with the symbol of the Hell Dopant on it and she had the same symbol on her skirt and she had a demonic scythe in her hands.

Me: (GASP) Halinora Hell!

Nico: WHOA! The Embodiment of the Hell Dopant no doubt.

Halinora Hell: That's right and I am known as the Princess of Demons.

Me: Yep and she has all of the powers of Hell. She throws Suicide Fruits like bombs like Jack O Lantern can do.

Halinora Hell: Yep. Watch.

She threw a fruit and it hit a criminal and exploded as a BLOODCURDLING SCREAM WAS HEARD!

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHH!

It stunned him and Varie jumped him and arrested him.

Me: WHOA! Every time I hear that scream it sends chills down my spine!

Nico: Me too!

Kaito: (Gets out Dekaranger gear) Did Swartz promise you anything?

Zocks: (Gets out Abaranger gear) Because we can grant it instead.

Kaito got an SPD Blaster and Zocks got a Dino Thunder Staff.

Halinora Hell: Nope I used my Suicide Fruits to stun him and then made a run for it. But not before I left him a parting gift. I used the Putrid Voice power and covered him in disgusting acid and burned him with acid from the 3rd Circle of Hell.

Me: EW! That is disgusting!

Nico: Yuck! Too bad it didn't kill him.

Sakura Knudson: That explains why he smelled like a thousand tons of raw sewage and 10,000 corpses and it made me sick. He was also burned all over the place.

Me: Yeah.

Halinora Hell: That is for sure.

Sougo: (gets out SPD Ridewatch) Me and Geiz just realized something else.

Geiz: (gets out Dino Thunder Ridewatch) You and Jack O Lantern are pretty scary.

Sougo got SPDRedArmor while Geiz got DinoThunderRedArmor.

Halinora Hell: Yeah I get that a lot. As the Princess of Hell, I am scary incarnate.

Me: It's true.

Halinora Hell: I know.

Lincoln: Lets separate you first.

Lincoln do so and Another Jack flew up into the air and Halinora flew after him.

She flared up a Lust Storm Aura!

Another Jack threw bombs and blasted her!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

But the aura protected her and she flew at him and slashed him and destroyed his glider!

Nico: Nice one!

He crashed into the ground!

Nico: Now it's our turn. (ACTIVATES JACK AND RISHU'S

RIDEWATCHES)

He fired bombs and meteors and blasted Another Jack.

May: Take this! (ACTIVATES PACHINKO HEAD AND FIRE KONG'S RIDEWATCHES)

She fired waves of energy and blasted him all over.

Maria: Take this! (ACTIVATES LUMINE AND XU-GALME-RE'S RIDEWATCHES)

She fired energy blasts and smashed him all over!

Kento: This will be good! (ACTIVATES RISHU'S RIDEWATCH)

He got awesome rock armor and bashed Another Jack all over.

Then Cavalier, Yost Korvac, Professor Brainstorm, Evil Ring Man, Gulia and Dorobozu came.

Nico: Nice team Cavalier.

Cavalier: Thanks Nico!

?: Boy that is cool!

BOOM BOOM BOOM!

We saw Hard Man come.

Me: Hard Man wow!

Nico: Yeah!

Hard Man: (In a girls voice) This will be fun.

Nico: Hina Hard!? Whoa!

Hina Hard: Awesome to see you again Nico. I got this.

Another Jack came and Hina bashed him square in his face and disintegrated him and I caught the Ridewatch and purified it!

Me: WHOA! What a punch!

Halinora Hell: That was awesome!

Nico: Yeah it was!

Maria: You're naked, aren't you?

Hina Hard: I sure am. Sorry.

Me: No worries.

I put on my blind man glasses and the boys covered their eyes.

Nicole: Anyone peeks and I will gouge your eyes out!

Me: Just so you know it's going to hurt.

Hina Hard: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and then she doubled over in pain and was reverting back. She vomited and fired a blast of energy and it smashed into May's stomach and bashed her down!

May: OUCH!

She was in pain!

Hina reverted back and had blue hair and blue eyes and had blue angel wings and had the kanji for hard on her forehead.

Hina Hard: (GROANS) That hurt! (GASP) Oh my god! Sorry May! I hope you're not hurt too badly.

May: I'll be… (SCREAMS IN PAIN) I think something broke!

Varie looked her over.

Varie: Oh dear you have a broken rib.

Nico: Oh no.

Hina Hard: Oh man! Sorry!

May: Don't worry. I'll live.

Nico: Good.

May took a senzu bean and was better.

Hina saw herself and she was naked.

Hina Hard: GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome new dark blue clothes and she looked awesome.

Hina Hard: Oh wow! I look awesome.

Nico: You sure do.

Hina Hard: Armor Body Hard is back.

Me: How come you're called that?

Hina Hard: Back when I was in the navy I was known as Armor Body Hard. Go ahead try and punch me.

Me: Okay.

I punched her in the stomach and then…

BLANG!

I had 9 bones break in my arm and they stuck through my arm.

Me: WHOA! Holy crud! Your body is REALLY STRONG and tough!

Lily: You would get along great with Mr. Krabs. Back in his navy days he was known as Armor Abs Krabs.

Hina Hard: I sure would and that is cool.

Nico: That is awesome!

I regrew my arm back to normal.

Kento: What's your favorite memory of Nico?

Hina Hard: When me and Nico went into a mafia hideout and they shot at me and the bullets couldn't pierce my skin and I bashed the men all over.

Qin: That was awesome to see.

Me: Yeah!

Nico: Yep.

Nico and Hina hugged.

Nico: I've missed you.

Hina Hard: Same here.

We went back home.

We're going to form an alliance with Kotal Kahn because in the future, we'll be going after Mileena, Skarlet, Reiko, Motaro, Sektor, Rain, Kollector, Shinnok, and Kronika and ending them forever, but of course, we're going to be keeping our guard up because the guards will be having a party celebrating the death of D'Vorah since that creepy bug was a treacherous deceitful manipulative traitor along with being an acolyte of Shinnok and servant of Kronika and everyone hated her. But, before that, we're going to have an Old Western Style fight with Erron Black, and he'll be joining The Masters of Evil.

We also had the whole team with us and The Masters of Evil with us as well.

Lincoln: Oh man, we're here in Outworld.

Sareena: It's been a long time since any of us have been in Outworld.

Sheeva: The realm is still continuing to heal from the deep scars inflicted on Outworld by Shao Kahn, Quan Chi, and Shang Tsung.

Jacqui Briggs: It'll be so much more peaceful once we make Skarlet, Reiko, Motaro, Sektor, Rain, Kollector, Shinnok, and Kronika finally kick the bucket in the future.

Lincoln: That we will, Jacqui, and I also know what we're going to do here, not only am I going to rescue the four girls here, but we've also got a huge mission on our hands: we're going to form an alliance with Kotal Kahn because in the future, we'll be going after Mileena, Skarlet, Reiko, Motaro, Sektor, Rain, Kollector, Shinnok, and Kronika and ending them forever.

Ashrah: That's indeed a wise choice, Lincoln. We'd gotten word Kotal Kahn is now the new Emperor of Outworld and he's planning to help everyone recover from the deep scars they suffered because of Shao Kahn's oppression and corruption.

Li Mei: Indeed.

Lincoln: But of course, we're going to be keeping our guard up because the guards will be having a party celebrating the death of D'Vorah since she was a creepy treacherous deceitful manipulative traitor along with being an acolyte of Shinnok and servant of Kronika and everyone hated her.

Nitara: There's no doubt that everyone hated that disgusting Kytinn, but also being an acolyte of the Fallen Elder God and being a servant of Kronika, and all for her twisted desire to preserve The Hive and The Kytinn. Outworld and all realms are much better off with her gone forever.

Nico: That's right. But, before that, we're going to have an Old Western Style fight with Erron Black, and he'll be joining The Masters of Evil.

Sonnya Blade: Having an Old Western fight with that wanted fugitive, I'd much rather have him put in a coffin.

Lincoln: I get that you'd rather have him put in a coffin, Sonnya, given his history of crime in the past. But actually, having him in The

Masters of Evil is a much better deal.

Suddenly, we saw a beautiful and super sexy girl with long red hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings and she's dressed in a pink short-sleeved blouse, pink sleeveless top, pink skirt, pink knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with swords, stars, phoenixes, and angels on the coattails and on the back is Quintus Prime, in her right hand is a greatsword and with her are the four girls.

Lincoln: (GASPS) Jenna Shannon, Gene-Slammer of Quintus Prime and Embodiment of the Disk Wars Avengers.

Jenna Shannon: That's right, and I also got the girls away. Oh, and Erron Black is on his way now.

?: Aw, now you done spoiled the surprise.

We then saw our target, Erron Black, riding in.

Sylvester: So, you've arrived, Erron Black.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Erron Black dismounted and he was ready to fight.

Erron Black: Not every day when I get a chance to fight Team Loud Phoenix Storm.

Lincoln: Trust us, we're good fighters and we know how to handle tough hombres like you.

?: Don't you dare think you're getting out of this, Black!

Erron Black: Aw hell no, not you again.

Suddenly, we saw a new person heading our way: he was an adult male 20 years of age, he was tall at 7'9" in height, he was muscular, he had long dark brown hair going down to his neck, tanned skin, he had blood red eyes and vampire fangs, he was dressed in a long long-sleeved black duster coat, white western shirt with stylized yoke on the shoulders, red brooch on his neck, black vest, long black pants, black knee high cowboy boots with silver embroidery spurs, black fingerless gloves, custom built midnight black guns holstered on his hips and holstered on his back is a massive greatsword with blood red gems and a blood red cross etched on the 7'6" massive, wide, double-edged black blade, large white angel faces built into both sides of the hilt with large blood red gems embedded in the foreheads, longer midnight black handle, four large black vampire bat heads with blood red gems for eyes, and on the bottom is a white angel head with red gems for eyes and a blood red gem in its mouth for the pommel.

Hunter: (German Accent) Oh shoot, it's Marshall Williams!

Nico: You know her, Hunter?

Hunter: (German Accent) I do, Nico. Marshall Williams is my old friend from El Paso, Texas, but here's the thing: he's a powerful vampire from the 19th Century during the time of the Old West. He was born in 1868 and had a peaceful life with his parents, Matthew and Andrea, along with his 20-year-old older brother, Joseph Williams, and his 15-year-old younger sister, Katie Williams. But, that all came to a tragic end in 1884 when his parents and siblings were murdered by his father's old enemy, Alan "Devil Eyes" Malone, a vicious bloodthirsty outlaw who caused trouble to all of El Paso for years, but his father turned him and his gang in to the authorities, and the judge convicted them on all of the charges based on their crimes and sentenced to death. But, Alan swore revenge on him before he was hanged. That was 30 years ago, but on the night of a red moon, Alan and his gang returned from the dead as vampires and murdered Marshall's parents and siblings and left Marshall with the curse of the vampires. But, local priest and family friend, Father Miguel Devereaux, saved him and he did the ritual of Communion giving him the bread symbolizing the body of Christ and wine symbolizing the blood of Christ, but he administered a drop of blood from a holy relic he brought from Rome, and as soon as Marshall drank it, he was purged of the evil of the vampire's curse, but he still turned into a vampire in the end.

We gasped.

Me: Whoa, that's harsh.

Hunter: (German Accent) It was, but he became immortal and had all the strengths and powers of the vampires without the weaknesses. Then, he trained for four years and by the time he reached 20 years old, he was already an expert vampire hunter and slayer, and in 1888, he took his revenge on Alan Malone and killed him and his posse of vampire outlaws.

Nico: Nice. But, what's with the grudge towards Erron Black?

Marshall Williams arrived and descended off his black horse that disappeared into darkness.

Marshall Williams: I'll tell you why, because in 1898, that mangy coyote from Wickett shot my uncle, Deputy Caleb Williams and my cousin, David, in a shoot-out when he just was about to rob a train. I longed for the day when I would put a bullet right between his eyes and see him inside a coffin! But, he ran off to Outworld thanks to that sorcerer, Shang Tsung! And to see you without Kotal here, this is too easy. Now, I will have sweet revenge for the deaths of my cousin and uncle, and not even your patron will save you from me this time. (Laughing Sinisterly)

Marshall Williams unholstered his massive greatsword from his back.

Hunter: (German Accent) Marshall, hold it right there!

Marshall Williams: (Gasps) Hunter, and Team Loud Phoenix Storm? Here?

Lincoln: Sorry, Marshall, but we're here to fight Erron while you're only here to kill him. Erron may have done some shady things in the past, but he's not like Shao Kahn, Quan Chi, Shang Tsung, or even those lowlife Black Dragon thugs, Kano and Kabal. He has honor, so he's going to The Masters of Evil and no matter how much that'll piss you off, Erron Black will live, now put aside that grudge you have on him, or you'll be drinking a lethal cocktail of Hydrogen Bitters, Old Panther, and Cobra Fang Juice.

The Mascots got out the Hydrogen Bitters, Old Panther, and Cobra Fang Juice and made the lethal drink and even that made Marshall freak.

Marshall Williams: You win, Lincoln Loud. I'll put aside my grudge against Black.

Poromon: And no crossing your fingers, hombre.

Marshall Williams: Damn it!

Lincoln: Alright, now that the matter is settled, let's get him!

We knocked him down as a result, and he got back up.

Erron Black: Well, I'll be damned, you lot are as tough as the rumors say. Alright, then, I'll be joining The Masters of Evil, and I'll be expecting a rematch in the future. Oh, and watch out though, the guards are having a party celebrating D'Vorah's death.

Nico: Got it, and we already got the warning to keep our guard up.

Erron Black was sent to The Masters of Evil's HQ and with Marshall Williams coming with us to join the team, and The Mascots are already keeping an eye on him in case he tries a double cross and plans on going after Erron Black again to get his revenge.

Lincoln: Alright, now that the matter with Erron Black is settled, time to head for Kotal Kahn and form the alliance.

Marshall Williams: With the guards partying celebrating D'Vorah's death, it won't be an easy one to do so.

Poliwag: How do we know it's no trick so you can go after Erron Black again? Explain that, creepy.

Marshall Williams: (Blood Red Eyes glow) What did you just say?! (DEMONIC ROAR)

That made the mascots turn white as ghosts and ran to Nico.

Sebastian Mendez: Okay, now that was just as scary as when I roar like a demon minus the snakes coming out of my mouth. But, it's no lie that you told, however, the mascots still see you in a bit of a bad light with your history with Erron Black and Shang Tsung, I'll keep an eye on them, but I can't have you roaring like a demon again in front of them, that's just bad manners.

Marshall Williams: (Sighs) Right.

?: Aw shoot, looks like I missed the fight against Erron Black.

Suddenly, we saw a beautiful and super sexy girl with long red hair, red fox ears, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings and she's dressed in red clothes and nine massive orange and flame tips, and long white sleeveless trenchcoat with swords, stars, flames, foxes, phoenixes, and angels on the coattails and on the back is Kurama the Nine-Tailed Fox and in her right hand is a greatsword.

Lincoln: (GASPS) Kenzie Kurama, Avatar of Kurama The Nine-Tailed Fox.

Kenzie Kurama: That's right, Lincoln. Sorry I didn't make it for the fight, I had to get away from the guards who were partying, they got drunk.

Lincoln: Ooh, okay, now we really got to keep our guard up.

We arrived at the palace, and Marshall and Lincoln were right: the guards were having a party and in celebration over the death of D'Vorah.

Me: Whoa, Lincoln, you were right about what you heard: the guards sure are having a party.

Kitana: Their hatred of D'Vorah truly ran deep, but what we did to her may have been cause for this celebration to take place.

Then, we were greeted by Kotal Kahn, the powerful high-ranking Osh-Tekk and Emperor of Outworld.

Kotal Kahn: Ah, the legendary Team Loud Phoenix Storm, it is an honor to finally meet you.

We bowed in respect.

Lincoln: It is an honor to meet you as well, Emperor. I believe we have some matters to discuss.

Kotal Kahn: If I had to guess, you wish to form an alliance with me and it concerns the matter of fighting Mileena, Skarlet, Reiko, Motaro, Sektor, Rain, Kollector, Shinnok, and Kronika in the future and ending them forever.

We were stunned.

Nico: Yes, that's correct.

Kotal Kahn: Jade told me everything and she'd given me further proof of your trustworthiness, but your deeds have been told among all of Outworld, and that last year, you destroyed Shao Kahn and banished him along with the spirits of Quan Chi and Shang Tsung to The Black Gates and you also freed Sindel from the spell that turned her into the cruel Empress of Outworld along with getting rid of D'Vorah and how you freed Cetrion from her, Lincoln Loud, and that she became one of your many future wives, and how you freed Geras from Kronika's influence.

Me: Our deeds of those days spread through Outworld that quickly.

Kotal Kahn: You've more than earned everyone's respect including mine.

Lincoln: And there's only one way for us to make this our official pact.

Lincoln took out his dagger and sliced his right palm.

Kotal Kahn: A blood oath to seal our official pact, very well.

Kotal Kahn took out his dagger and sliced his left palm and they shook their bloody hands making their pact official.

Eli: The pact has been forged.

Kotal Kahn: And I already know that Erron Black has joined The Masters of Evil and you convinced Marshall Williams to abandon his desire for revenge against him even if you had to resort to the one thing that would frighten someone like him. Which means, I shall join you at The World Tree Estate as a member of Team Loud Phoenix Storm.

Marshall Williams: But, wait, doesn't Outworld need you?

Kotal Kahn: I've already prepared for that.

Kotal Kahn made a Blood Clone of himself.

Me: You've made a Blood Clone of yourself, impressive work.

Lincoln: Your Blood Clone will keep an eye on Outworld while you are with us. Mileena and the others are in for the shock of their lives when they truly do return and we face them once and for all in the future, and by day's end, justice will be done.

We returned to The World Tree Estate with Kotal Kahn and Marshall Williams as new members of the team.

Marshall Williams: Hunter, I must apologize for what I tried to do. I'd let my desire for revenge and my hate towards Erron Black cloud my judgement, I was fixated on making him pay for what he did and I wasn't going to let him get away with this.

Hunter: (German Accent) It's alright, Marshall.

Nico: He's right, Marshall. But, you took a step in the right direction, you've allowed yourself the very chance to let go of the grudge you held towards Erron Black and move forward.

Raiden: That is correct, you've let go of the demons that've haunted you for over a century.

Lincoln: And now, we have two powerful members to the team: Kotal Kahn, the Emperor of Outworld and you, The Legendary Vampire Moon Hunter, Marshall Williams. (To Jenna Shannon) And it's also good to see you again, Jenna Shannon.

Jenna Shannon: (French Accent) You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Jenna Shannon and he hugged her, and Jenna Shannon is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jenna Shannon: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Jenna Shannon, Gene-Slammer of Quintus Prime and Embodiment of the Disk Wars Avengers, she's my Guardian Angel from France and classmate in Math and she's also the twin sister of Jessica Shannon on top of being the Gene-Slammer of Quintus Prime and the Embodiment of the Disk Wars Avengers. Jenna, like her twin sister, Jessica, has red hair, but she wears a pink shirt and pink skirt. She and I love to dance together, in fact, we even danced together underwater. During one of our dance sessions, Jenna kissed me on the lips, and she hates Trina Riffins with a blazing passion.

Me: That's really awesome.

Lincoln: Yep, and this is Kenzie Kurama, Avatar of Kurama The Nine-Tailed Fox, she's my Guardian Angel from Michigan, and she's the Avatar of Kurama The Nine-Tailed Fox and she's also a powerful master of fox fire and wind and she also knows how to use those nine massive tails as powerful weapons such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them and she can even grow her fingernails into claws and even infuse them with fire to give villains a nasty burning scratching. She's also the leader of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt me. She also really hates Lori with a blazing passion, because one time, Kenzie and I were out for a date at Lynn's Table, but our date would wind up getting ruined by Lori who came in and she was literally out for my blood once again. But, that got Kenzie so mad and furious at Lori that her pupils turned into slits and she ran at Lori and she really viciously attacked her with such a brutal passion, and she not only scratched Lori badly and whipped her with her massive nine tails, but she even burned Lori's eyebrows off and made sure that Lori's eyebrows would grow back in uneven, and she fired a blast of wind and sent Lori flying back to The Loud House, and that'd resulted in Lori getting grounded for nineteen weeks for her attack on me.

Eli: Lori, sometimes your Dark Side was boorish, insensitive, and has really really lousy manners.

Lincoln: No, you're thinking of Dark Lynn, Eli, Dark Lori was a conniving and manipulative control freak who had a really cold heart and never cared about anyone except for herself.

Nico: He's right about that, I saw her for myself, and she was everything Lincoln said she was, which is why I'm glad she's gone for good.

Lincoln: You and me both, and now that you two are here.

Lincoln went up to and hugged Jenna Shannon in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Kenzie Kurama in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Kenzie Kurama: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on Jenna Shannon and Kenzie Kurama's neck with red gems on the gold lightning bolts and red crystal links from their merged Crystal Necklaces of The Buddha along with two white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Jenna Shannon: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Jenna Shannon and Kenzie Kurama.

Jenna Shannon and Kenzie Kurama had a smile on her face and tears in her eyes as Lincoln still had his arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Haruka Washizaki, Mitsuki Menoto, Iwai Kuranosono, and Ririka Kosaki from Koi to H Shika Shiteinai!

Lincoln: Oh wow, it's Haruka Washizaki, Mitsuki Menoto, Iwai

Kuranosono, and Ririka Kosaki from Koi to H Shika Shiteinai!

Nicole: Whoa, awesome.

Lincoln: You said it. Are you all okay?

Haruka Washizaki: Yes, we're okay, thanks to you.

Then, when Haruka Washizaki and the three girls saw who it was that saved them, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert

Haruka Washizaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Haruka Washizaki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Haruka Washizaki, Mitsuki Menoto, Iwai Kuranosono, and Ririka Kosaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Maria: That was indeed a mission none of us will ever forget: we've formed an alliance with Kotal Kahn and we fought Erron Black who's now in The Masters of Evil.

Lincoln: And in the future, Mileena, Skarlet, Reiko, Motaro, Sektor, Rain, Kollector, Shinnok, and Kronika will meet the same end as D'Vorah for the scars they've left on all realms and Outworld.

Kotal Kahn: The scars that Shao Kahn, Quan Chi, and Shang Tsung have left were indeed deep, but because of what you all did in getting rid of them, the scars they've left had begun to heal. But, those wounds will truly fade away when Mileena, Skarlet, Reiko, Motaro, Sektor, Rain, Kollector, Shinnok, and Kronika have met the same end as D'Vorah.

Me: And that's a promise that we'll fulfill when we face them and destroy them forever.

Nico: That's right. We can never forgive Shao Kahn and those truly loyal to him for what he's done, along with Shinnok and Kronika, and we'll make sure they'll pay dearly for all their crimes in the future.

After fighting Erron Black and meeting and recruiting Kotal Kahn along with forming an alliance with him, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Jenna Shannon and Kenzie Kurama saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Kenzie Kurama: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Jenna Shannon: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Kenzie Kurama: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Jenna Shannon: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Kenzie, Jenna, which memories did you have with Lincoln?

Jenna Shannon: This one time, Lincoln and I were preparing for a school dance, but our preparations were rudely interrupted when Trina Riffins came barging in and she was out for blood once again, but I was more than ready for her, I threw a disk at her which imprisoned her inside and I handed her to the cops who proceeded to take her away back to prison.

Lola: That Trina was such a monster, she lacked grace and etiquette.

Kenzie Kurama: Same with Icky Vicky and Lila Rossi. Now, for my story, there was this one time, I was training Lincoln on how to use elemental variants of the Rasenshuriken, namely fire and wind, but our training was rudely interrupted by Lori who came charging after us wanting our heads, but just as I was about to go after her again, I then saw Lincoln form an Inferno Rasenshuriken of the Inferno Style Ninja Art, and he fired it at Lori which exploded as it hit her, and she had her eyebrows burned once more. That freaked her out and allowed me to grab her with one of my tails and tossed her back to The Loud House where she got grounded for fifteen weeks after Luna told the rest of the family what Lori tried to do to Lincoln and I.

Nico: Lori should've known better, mess with her brother and one of his Guardian Angels, and she was going to get burned.

Me: That's right.

We got a shower afterwards, and then, Lincoln, Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison are heading to Orange Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Illari: Wow, so this is Orange Ocean, it sure is beautiful.

Lincoln: It sure is, Illari, and it's perfect for our first date. Shall we?

Lincoln, Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison dived into the waters and we had fun swimming in the ocean, and we also saw the creatures that lived there, then, we went back to the beach and we had an awesome volleyball game, and Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison and they hugged them in their abnormally massive and powerful muscular arms, and Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Illari, Simulator Olivia Colomar A.K.A. Sombra, Simulator Vivian Chase A.K.A. Sojourn, Lacey, Amarys, and Simulator Poison, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is Rolling Gizmo Galaxy.

Me: I remember that one. That was a challenging one.

Xenia: Yeah.

Cornelia: Me and Stella will go with you on that one.

Nico: All right then.

Stella: Lets go.

They went in and the simulator activated and they were at ROLLING GIZMO GALAXY! It looked like a Spirograph Machine.

Nico: We're here.

Cornelia: Wow! This is awesome.

Nicole: (On the radio) This is a simple one. You just have to roll the ball with the star into the hole like you did before. But this one is trickier.

Nico: There are probably Goombas nearby!

Stella: I see them but you can just roll over them.

Nico: Okay.

Nico got on the ball with the star and was rolling it.

He rolled over a bunch of Goombas and flattened them.

Stella and Cornelia blasted them with light and leaves.

Nico: (gets out Jack O Lantern and Bonz's Ridewatches) Get ready for some spooky fun, bitches!

He activated them and fired waves of bombs and bones and pumpkin bombs and blasted the Goombas.

?: Let me help!

Then a girl with red hair and red eyes and red angel wings and had purple clothes and she had a tiara with the symbol of the Mighty Morphin Power Rangers on it and the same symbol was on her skirt and she had a Red Ranger Power Sword in her hands.

Jackie Zyuranger: Jackie Zyuranger, Embodiment of the Mighty Morphin Power Rangers is here.

Nico: Awesome to meet you.

Jackie Zyuranger: Same here.

She fired waves of energy and blasted the Goombas and then Nico got to the hole in the end and then the ball shattered and the star was free!

Cornelia: Okay, that was very tricky!

Nico: Lets get the star!

Stella and Cornelia got it.

YOU GOT A STAR!

Nico: YEAH!

Jackie Zyuranger: That was awesome!

They high five!

Winx Club Stella: Tell us more about yourself.

Jackie Zyuranger: I'm a paleontologist and I study prehistoric life and it's fun. I discovered new kinds of dinosaurs.

Nico: That is cool!

Cornelia: You would get along great with Nicole.

Jackie Zyuranger: I sure would.

Nico: Would you like to join the team?

Jackie Zyuranger: I would be honored.

They left the simulator and we cheered for them.

DING DONG!

Mr. Grouse heard the doorbell ring.

Mr. Grouse: All right all right. I'm coming.

He answered the door and saw the mascots.

Poromon: Hello Mr. Grouse.

Mr. Grouse: Oh the team mascots. What brings you all here?

Poliwag: Do you need any help with the garden or the lawn or anything like that?

Mr. Grouse: Well my lawn could use some work. I'll show you where it is.

He went and showed them.

Sirius: Guys, do I even want to know where the mascots are?

Me: Oh they went to Mr. Grouse's house to help him out with his yard work.

Nico: Oh that's thoughtful of them.

Loki: (British Accent) I wonder how he is doing now these days.

Me: Lets go see.

We went to go see.

Camie: Hey, Mr. Grouse!

Mr. Grouse: Oh hello everyone.

Me: Been a while. You know how busy we are saving the world.

Mr. Grouse: Yeah big job. Glad you all can drop by. Oh the mascots are pulling weeds and mowing my lawn.

He showed us.

We saw them turning his entire yard into one worthy of Eden. They did it all. They mowed the grass, pulled weeds, trimmed the hedges did topiary and made new flowers with their powers and more.

Me: Boy this is an amazing garden for you.

Mr. Grouse: Wow! They sure know how to make great gardens.

Laney: Well I did teach them a lot about it.

Cybertron Scourge: I expected them to make a mess.

Laney; Nah I taught them how to do it right.

Poromon: Oh hey guys!

Me: Wow you guys are doing an amazing job.

Poromon: Thanks J.D.

Mr. Grouse: I love this garden guys! Great job!

Poliwag: Thanks Mr. Grouse.

Swoop: Me Swoop want to eat flowers!

Nico: Swoop no. These flowers belong to Mr. Grouse.

Laney then grew flowers for him.

Laney: Here Swoop. You can eat mine.

Swoop ate them.

Nico: There.

It was a great garden.

Mr. Grouse: Thank you so much for this guys.

Poromon: You're welcome Mr. Grouse.

Top Man: For a minute, I thought you guys were gonna wreck Mr.

Grouse's garden.

Poromon: No way! We would never do that to Mr. Grouse.

Nico: Good. I'm glad.

Poliwag: Yeah we have limits.

Nico: I wonder if there was more you could've helped him with

Mr. Grouse: Not that I know of. That's it for now.

Nico: Oh. Okay.

Me: I wonder if there is anything going on in the park that Mordecai and Rigby need help with.

Nico: Well lets go check it out.

The previous group came.

Tar Pit: Can me, Mumbo Jumbo, Electrocutioner, Knightbrace, Fixer, P'andor, Man Ray, Kitty, Avalanche and Moonstone go with you guys?

Nico: Sure guys.

Qin: This will be fun.

Lola: Yep.

Misfire: Boss, which Gene Slammer do you think you'll meet next?

Nico: Snake Man next.

Lola: Ooh! This will be good.

Nico: Yep. This will be good.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy

signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Tharizdun, The Chained God and the Elder Elemental Eye, a long-forgotten interloper god, one of the main antagonists in the Dungeons & Dragons franchise originating from Oerth who sought to destroy all that is, the Abyss' creation and the overarching antagonist of the Elemental Evil storyline due to being the master of the four other evil archomentals, Olhydra, Ogrémoch, Imix and Yan-C-Bin, and he's come to destroy the world. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Tharizdun, The Chained God and the Elder Elemental Eye, a long-forgotten interloper god, one of the main antagonists in the Dungeons & Dragons franchise originating from Oerth who sought to destroy all that is, the Abyss' creation and the overarching antagonist of the Elemental Evil storyline due to being the master of the four other evil archomentals, Olhydra, Ogrémoch, Imix and Yan-C-Bin, and he's come to destroy the world.

We gasped.

Me: Oh shoot.

Ray Kayest: First, Water, then, Fire, then, Earth, then, Air, and now, Darkness.

Tamara Daishinji: This is one villain I'm not going to go easy on, he's the one responsible for creating those other Evil Elementals and he desires nothing more than chaos and destruction, and I won't be surprised if Lincoln absorbs him like he did with Olhydra, Imix, Ogrémoch, and Yan-C-Bin.

Nico: Now, that would be worth seeing. Alright, gang, let's go, we're heading to The Park to take down that Graffiti spraying paint can.

Lincoln: That kind of vandalism is never ever allowed, and now, he's looking at life behind bars, and once we get done with him, you're next, Tharizdun.

Tamara Daishinji: You're the last of the Evil Elementals that we must get rid of, Tharizdun, you and the rest of the Evil Elementals have caused more than enough damage to too many innocent lives, and now, we'll make sure that you never return to hurt anyone ever again.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Mordecai and Rigby take down Park Avenue, and once we got done with that Graffiti spraying paint can, Tamara Daishinji and Lincoln are going to destroy Tharizdun and make him pay for the eons of pain and suffering he's caused to too many innocent lives.

We were off to the park.

---

We arrived.

Knightbrace: Nothing like the good old park.

Me: Yep.

We saw Mordecai, Rigby, Benson and the others in front of the house looking at something.

Me: Hmm.

We went over to them.

Me: What's going on guys?

Benson: We got ourselves a vandal.

We saw the blue and pink graffiti sprayed all over the house!

Qin: WHOA!

Nico: Graffiti! Not good!

I went over to the wall and swiped my finger on it. The paint was still wet. It was pink and grey paint.

Me: This paint is still wet. This must've happened just a few minutes ago.

Nico: Whoever it was did a really sloppy job.

Rarity: Oh no kidding darlings. I would never use that kind of color. No offense Lola.

Lola: None taken Rarity.

Clown Man: Maybe we should talk inside.

Benson: Good idea.

We went inside.

Fixer: Is this someone's idea of a prank?

Benson: Believe me guys this is no prank. Someone is vandalizing the entire park.

Mordecai: It wasn't just the house. It was Muscle Man's trailer, Skips' house, the public restroom and now the house.

Me: A Vandalism spree.

Muscle Man: And I know who it is too. It's the work of that vandal Park Avenue.

Mordecai: I had a feeling it was his dirty work!

Thrust: Can you explain it to those who don't know who he is?

Mordecai: We sure can. He's a vandal and he loves to cause trouble.

He went over his history.

---

Park Avenue was first seen when he was trying to re-paint the wall that Mordecai and Rigby were trying to cover up. Park Avenue was chased all over the park by Mordecai and Rigby until the duo lured him into a trap. However, Park Avenue managed to escape into a portal, with Mordecai and Rigby giving chase. Park Avenue then decided to sick his Graffiti Monsters on Mordecai and Rigby.

The duo managed to escape from the monsters and headed into Park Avenue's invisible house. Park Avenue was eventually forced to confess to Benson, Muscle Man, and Hi Five Ghost (who were framed for it) that he was the one that painted all over the park, and Benson threatened to call the police on him. Park Avenue attempted to escape through a portal, but he got stuck halfway through while Benson dialed up the cops. He was presumably arrested for his crimes.

---

When he was done we were shocked!

Qin: He is a thug!

Me: And he framed Muscle Man and High Five Ghost for his crimes!? He's a monster!

Xenia: Yeah and he is an anthropomorphic spray paint can? How bizarre.

Benson: That's not even the worst part.

Man Ray: What could be possibly worse

Rigby: He used me, Benson, and Mordecai as pawns to fire Muscle Man for HIS crimes!

We gasped!

Me: That graffiti-spraying fiend!

Xenia: No way in hell are we going to let this monster get away with this.

Lola: Yeah!

Nico: This guy gives artists everywhere a bad name!

Izzy Moonbow: He sure does!

Muscle Man: It wasn't even paint on my hands back then. It was sauce from Wing Kingdom!

Gyro Man: Damn, how I love that place!

Me: They did share the same color and you can't eat paint. It's poisonous.

Nico: You're right on that.

Benson: Yeah you're right. I was grossed out seeing him lick his fingers and thought he was eating paint. But I didn't know it was sauce. Sorry Muscle Man.

Muscle Man: No worries bro.

Nico: But we got ourselves a vandal running loose.

Me: And doing all these crimes in broad daylight. Usually they strike at night. Never in the day.

Moonstone: Well, now we have to clean all this up!

Me: I agree there! I have some paint remover with me.

I pulled out some paint remover.

Xenia: Perfect.

Me: Just don't light this stuff on fire.

Camie: We won't.

Laney: Good.

Avalanche: You earned that joke after you got framed by this guy.

Muscle Man: That is for sure dude.

I cleaned off the paint off the house.

Me: At least it's coming off.

Eli: Benson do you have any spare cans of paint for the house?

Benson: Yeah they are right here.

Benson went and got them.

Eli: Thanks.

Benson: You're welcome.

Nico and Varie got the paint off the restroom. Camie and Sirius got the paint off Muscle Man's trailer and Tsuyu and Himiko got the paint off of Skips house.

Dreadbane: Accursed Park Avenue making us clean HIS mess!

Me: I know. But you know how Vandals are. They don't care. But this guy views it as a work of art.

Nico: Well he should have just used art stuff.

Laney: Like I do. And I love doing good paintings.

Sunset Shimmer: I do too. And they are what make me free and go into the world of imagination.

Squidward: I feel the same way guys. As an artist myself I would never use buildings to paint.

Nico: That's good. Also Squidward your paintings are amazing. I don't care what people say about them.

Kitty: When I get my hands on that jerk, I'm gonna kick him in the shin!

Eli: Save seconds for me! I'm going to kick him in the crotch with these.

He had SUPER SPIKED BOOTS on.

Kitty: That is good Eli!

Xenia: Yeah this will be awesome.

King Dedede: Aren't those cleats?

Eli: Nope. These are really sharp spiked boots. Every part minus the heels on the bottom are covered in super sharp spikes.

Nico: Nice! That is gonna be brutal.

Lola: Yeah.

P'andor: (sees a graffiti drawing) (Russian Accent) "You am lame?" Seriously?

Ben: That's something the Megawatts drew before.

Gwen Tennyson: I remember that. That was crazy.

Varie: Yeah no kidding. Boy those Megawhatts caused a lot of trouble in that town there didn't they?

Ben: They sure did and they were put inside a giant rubberband ball for a reason.

Varie: Because rubber doesn't conduct electricity.

Ben: Yep. But those Megawhatts were really mischievous.

Spongebob: (sees another Graffiti drawing) "Benson smells." (adds another word with his finger) "Benson smells good."

Rotwood: You know that's just adding more, right?

SpongeBob: Not if you use your finger.

Rotwood: Oh.

SpongeBob: (LAUGHS)

Benson: (LAUGHS) I'm glad you think I smell good.

Me: What's this one? (Reading) "Mordecai and Rigby are Motherfucking Fuckwads!?"

Electrocutioner: (reads another Graffiti drawing) "Muscle Man's mom is a fat whore." Oh fuckadoodles.

Muscle Man: WHAT THE FUCK DID HE JUST SAY ABOUT MY MOM!?

Electrocutioner: Uhh look.

He read it and then he roared ferociously!

UH OH! NOW PARK AVENUE JUST DUG HIS OWN GRAVE!

Me: Okay this guy has gone too far!

Laney: Wait look!

We saw a figure that was going up to another restroom and he was vandalizing it.

Lola: That's him!

RD Lincoln: Alright, my prime self. It's entrance time!

Lincoln: Yeah!

Nico: Lets get him!

We went at him.

Park Avenue was laughing and then the spirits of the colors of soap appeared and swirled around him and then converged and then a massive flood of bubbles and soap appeared and drenched him down and then the bubbles formed into a dragon and then it roared and then we popped out.

Me: Caught you red handed vandal!

Park Avenue: Team Loud Phoenix Storm!

Me: That's right!

Muscle Man: NO ONE TALKS THAT WAY TO MY MOM! I'M GOING TO MAKE YOU WISH YOU WERE NEVER BORN!

He went at Park Avenue and punched and pulverized him in a brutal fight cloud!

Mumbo: We're gonna make you pay for making us clean your mess!

Park Avenue: Come and try it!

I formed laminate force fields around the park and splashed Park Avenue with purple paint

Mr. Krab: I'm going to have your rear end cut off and mounted over me fireplace!

He pulled out a Trophy Plaque and it had Park Avenue's name on it!

Me: Better start figuring out a way to go to the bathroom without a butt!

Nico: Yeah!

Maria: Wait. How can he go to the bathroom? He's a paint can!

Me: I don't know.

Nico: And I don't fucking care!

Nico teleported and punched Park Avenue all over.

Me: Purple not your color? How about red!

I splashed him with red paint!

Nico: And pink!

KRASPLAT!

He was covered in pink paint!

Park Avenue: Pink!? I HATE PINK!

Me: How about Blood Red!

I splashed him with crimson red paint!

Nico: That's the color you're going to be when we get through with you!

May: For the record, some of the graffiti you sprayed was pink!

Park Avenue: Well it's because you're an ugly whore and a big fat fatass!

WE GASPED!

Me: Uh oh!

Manaphy: No one talks to Mama that way!

Manaphy bashed and pulverized Park Avenue all over!

Nico: DARN TOOTIN!

Nico jumped Park Avenue and pulverized him!

Me: This guy is REALLY starting to piss me the fuck off!

Kitty: I say we kill him and give him the black gates!

Laney: Yeah!

Kitty: But first…

She went over and kicked Park Avenue in his shin!

CRUNCH!

Park Avenue: OUCH!

Eli: And here is me!

KRASMASH!

He kicked him square in the crotch with a devastating kick from his spiked boots and Park Avenue screamed like an opera singer!

Nico: A graffiti artist like him isn't worth the Black Gates! He's going to jail just like all graffiti artists do! But not before we thrash him some more!

Me: You're right! But we'll make sure he doesn't have his art!

I kicked him in the chest!

Then Pyro, Dirty Bubble, Chemistro, KGBeast, Goliath, Titanium Titan, Kyd Wykkyd, Grodd, Gameface and Electropede came.

Nico: Pyro, Dirty Bubble, Chemistro, KGBeast, Goliath, Titanium Titan, Kyd Wykkyd, Grodd, Gameface and Electropede.

Dirty Bubble: So why didn't he?

Chemistro: Some things are better left unsaid.

Me: I agree.

KGBeast: (to Nico) (Russian Accent) We heard you fought a Dark Cupid clone.

Nico: We sure did.

Goliath: We should make exploding arrows for our Dark Cupid as well.

Me: Good idea there.

?: I agree there.

But when Squidrose grows, the other Dino Rangers show up fashionably late and form the Thundersaurus Megazord to defeat him.

---

Tommy Oliver: Squidrose!

Squidrose: Been a while Tommy Oliver.

Me: I remember you! You took Tommy's staff and made him go Super Dino and fought Tommy in his dreams.

Squidrose: That's right. Good memory.

Nico: And all because he had calamari for dinner.

Qin: Yep.

Squidrose: I just happened to see Mr. Grouse's new garden on the way here.

William: Did you like it?

Lincoln: Now, there's one last thing to do and one last loose end to tie up: Tharizdun, The Chained God and the Elder Elemental Eye.

?: YOU SHALL ALL PAY FOR THE DEATHS OF THE OTHER EVIL ELEMENTALS!

Suddenly, the eight large planets and stars orbiting around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby

Lincoln formed a massive diamond barrier with absorption energy radiating from the barrier that protected all of us from a massively powerful volley of darkness that came out of nowhere and they hit the barrier, but the darkness volley was absorbed by the barrier and it went into us making us stronger.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Tharizdun, or we will force you out.

A massive three-eyed horned demon of pure darkness with a mane of fire came out, it was none other than Tharizdun, The Chained God and the Elder Elemental Eye.

Nico: So, that's Tharizdun.

Lincoln: The Chained God and God of Eternal Darkness himself, and the very person responsible for creating the other Evil Elementals.

Tamara Daishinji: And the last Evil Elemental whom we must deal with.

Suddenly, Tamara Daishinji's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, soundwaves, swords, books, phoenixes, and angels, she unholstered her Hanselnuts to Gretel-themed greatsword from her back, and as she approached Tharizdun, she left pink energy, stars, soundwaves, swords, books, phoenixes, and angels with every step.

Tamara Daishinji: You really are nothing more than a destructive force of nature, Tharizdun, all you desire is to destroy the world and seize the power of Elemental Chaos for yourself, well, that's not going to happen on our watch, you're about to be destroyed forever.

Suddenly, Tamara Daishinji was surrounded by a massive vortex of pink energy with stars, soundwaves, swords, and books surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a blue phoenix with the logo of Kamen Rider Slash on its chest and red eyes glaring at Tharizdun: the red eyes of eternal death. Then, as the vortex faded, Tamara Daishinji emerged, but she was changed forever.

Tamara Daishinji grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large pink orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long braided pink hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon pink eyes and a green energy aura with stars, soundwaves, swords, books, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Slash logo on her head and a phoenix emblazoned on her forehead and Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Star, Sound, and Eternity Kanjis in its claws, she also a phoenix with pink gems for eyes and holding the Star, Sound, and Eternity Kanjis in its claws for the second pendant on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Tamara Daishinji has on a sleeveless pink open blouse, sleeveless pink top, pink skirt, pink legwarmers, pink sneakers, and long sleeveless white trenchcoat with stars, soundwaves, swords, books, phoenixes, and angels on the coattails, and on the back is a phoenix surrounded by soundwaves and on top is the Kamen Rider Slash logo. Suddenly, Tamara Daishinji felt a sharp pain on her back, and then, her massive pink angel wings with blue tips on the pink feathers grew much bigger for her new body, and she also now has eleven massive and long pink wolf tails with blue tips and blue markings, Tamara Daishinji has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Tamara Daishinji's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Tamara Daishinji has transformed into SUPER ANGEL-KAMEN RIDER SLASH-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE KAMEN

RIDER SLASH PINK SOUNDWAVE MUSICAL ONJUUKEN SUZUNE PHOENIX ANGEL OF DIVINE KAMEN RIDER SLASH PINK SOUNDWAVE MUSICAL ONJUUKEN SUZUNE PHOENIX ANGEL JUSTICE AND DIVINE KAMEN RIDER SLASH PINK SOUNDWAVE MUSICAL ONJUUKEN SUZUNE PHOENIX ANGEL LOVE!

We were really amazed by Tamara Daishinji's Super Angel-Kamen Rider Slash-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Tharizdun saw it, he went mad with rage and fired blasts of darkness at her, but Lincoln absorbed them and it made him stronger than ever, and Tamara Daishinji fired a massive and powerful barrage of pink energy, stars, soundwaves, swords, books, phoenixes, and angels, which hit Tharizdun and he was knocked down, he got back up, but now, he was angrier than ever.

Tetsuo: (GASPS) Oh, no way, did Tamara just…?!

Nico: She did, Tetsuo, she did.

Lincoln: Yep, Tamara Daishinji's transformed into her Super Angel-Kamen Rider Slash-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high time we put an end to this vile monster for good.

Tamara Daishinji: (Divine Echoing Godly Voice of The Divine Pink Soundwave Kamen Rider Slash Onjuuken Suzune Phoenix Angel and Divine Pink Soundwave Kamen Rider Slash Onjuuken Suzune Phoenix Angel Love) Before he tries to cause some serious damage.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious

Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Tamara Daishinji.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to destroy the world so you can remake it in your image are over, Tharizdun, now it's time for you to meet the same fate as Olhydra, Imix, Ogrémoch, and Yan-C-Bin.

Tamara Daishinji and Lincoln went after Tharzidun who continued firing blasts of darkness at them, but Lincoln and Tamara kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Tharzidun and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws he covered in rocks and obsidian and firing energy slashes from his claws and he and Tamara Daishinji also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving The God of Eternal Darkness even madder than ever!

Tharzidun went at Lincoln, but Lincoln's red gems on the gold circular chest harness began glowing and he proceeded to absorb The God of Eternal Darkness into his body and he also assimilated the evil darkness elemental's powers and abilities and made them his own. Then, Tharzidun's drained spirit appeared in Lincoln's large left hand, and then, the Judgement Kanji appeared on his head and he was sent to The Black Gates for eternity. We cheered wildly for what Tamara Daishinji and Lincoln did as they holstered their massive greatswords and powered down and Tamara Daishinji's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive pink angel wings are permanent.

Tamara Daishinji: Burn in The Black Gates forever, you vile dark elemental. Thank you for helping me get rid of Tharzidun forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Tamara.

Suddenly, Tamara Daishinji wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tamara Daishinji's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and soundwaves blowing behind them and we cheered wildly. Then, Lincoln and Tamara Daishinji sucked in and absorbed the elemental forces and soundwaves and they came back to us as the display vanished.

Nico: Oh man, now that's really I call one awesome and epic fight! You showed Tharzidun absolutely no mercy for his crimes.

Lincoln: Yep, and I absorbed Tharzidun into my body and assimilated his powers, and that's all of the evil elementals put down for good.

Me: You said it. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The next one is the Gene-Slammer for Liege Maximo.

Elise Dragonball: Awesome, and there's one girl we know who'd be Gene-Slammed into Liege Maximo: Aquahana Kamihara, Gene-Slammer of Liege Maximo and Embodiment of Stitch, she's Lincoln's Guardian Angel from Japan and Luna's classmate in Music and she's also the older sister of Umihana and Yuna Kamihara by the same age as Luna, and she like her two sisters also fell in love with Lincoln. Aquahana has violet hair and blue and red skirt and shirt. She, Yuna, Umihana, and Lincoln would often practice karate underwater and even train in holding breaths while underwater. During one of their training sessions, Aquahana kissed Lincoln on the lips and she hates Lori with a passion.

Nico: Oh, Lori, what the hell did you do that time?

Yuna: It wasn't anything good like the rest of the other revelations we've heard about Lori.

Umihana: And given her track record of violence against Linky in the past, it's never anything good

Nico, me, Eli, and Lincoln: You're right about that.

Titanium Titan: That will teach him to vandalize private property!

Kyd Wykkyd: Graffiti should be used for good purposes.

Grodd: And he had to learn the hard way.

Me: When he is in prison for the rest of his life and has to pay for the damages.

Nico: There's one thing I have to do first.

Gameface: What's that?

Nico went up to the unconscious Park Avenue and sprayed "Team Loud Phoenix Storm Rules!" on his chest.

Electropede: Nice!

Me: Let me do one.

I sprayed "Kiss My Fucking Ass!" On his pants.

Nico: Cool! Great job today everyone.

Me: Thanks.

Sunset Shimmer: (To the viewers) Never use buildings as canvases for art. That's illegal.

Nico: Yep.

We had him taken away and sent to prison and we enjoyed the rest of the day and went to sleep. Park Avenue was found guilty of numerous counts of Vandalism and destroying public and private property. He was sentenced to 99 years in prison without parole and ordered to pay $523,999,999,999,999.00 in damages and restitution.

Camie: I do too Rarity.

Luke Loud: Boy this is gonna be so awesome dudes.

Luna Loud: You got that right dude.

Nico: Luke, I want to thank you, Cavalier, and your teams for coming.

Luke Loud: No problem Nico. This is gonna be so fun.

Wendy Darling: I'm really looking forward to this though.

Camie: We all are Wendy.

Nico: Sorry that your dad's such a douche, Wendy.

Wendy Darling: It's all right Nico. But I'm glad you all saved us back then.

Brittney: We are too.

Peter Pan: That was still fun for you all to come and help us back then.

Applejack: Boy howdy it sure was.

Me: That was a bloody battle too. And Applejack really had an amazing swordfight with Hook back then.

Applejack: (Laughs) I sure did and it was great.

Nico: That was fun.

Wendy Darling: And I'm glad we live with you guys and in Neverland with our mother.

Jane: That is for sure and it's great.

Xenia: Yeah that is for sure.

Applejack: (LAIUGHS) That is too true.

Laney: Yeah.

May: Man that mission we had yesterday was a crazy one.

Me: No kidding! Park Avenue was a jerk!

Maria: He completely vandalized the park!

Me: And said some horrible things about not just Benson, Mordecai and Rigby but US TOO!

May: He called me a Fatass Whore! (GROWLS) I should have snapped his neck he he had one!

Manaphy: YEAH! NO ONE TALKS THAT WAY ABOUT MAMA!

Nico: He didn't have a neck May. He was a walking spray paint can.

Zocks: The worst part is that we had to clean his mess!

Nico: Yeah no kidding!

Chloe: I thought it was fun.

Lola: Yeah I did too.

Me: Same here. But at least we gave that jerk what for.

Cavalier: Indeed you all did. And I must say he had it coming.

Kaito: At least we kept his graffiti cans.

Me: Maybe we can use them to our advantage and paint graffiti on gangs hideouts to turn NUMEROUS Gangs against each other and flush them out for us to bust them.

Nico: Not a bad idea.

Camie: I like it.

Varie: That works perfectly.

Nico: Yeah.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a rainbow color planet and it looked like a flower planet from space.

Maria: We're here

Nico: Looks like a flower planet from up here.

Laney: Scans show that it's safe to land on.

Nico: Okay lets go.

We got to landing and we got out and saw that it was a RAINBOW CRYSTAL AND JEWEL PLANET! It had lots of crystals and jewels of every color of the rainbow and it was beautiful!

Me: Oh wow!

Rarity: Oh look at all these beautiful bedazzling gems! They are so beautiful!

I looked at a red jewel and it was flawless.

Me: (Whistles) Sparkling and beautiful!

Juran: Explain how we're supposed to eat any of this!

Nico: Juran this is a Jewel planet. We can't eat jewels but we can get more than enough jewels for Rarity's fashions.

Juran: You're right on that.

Nicole: Also we're here for a treasure hunt.

Nico: Yep. What's the quarry?

Nicole: It's a map to the Sword of The Rainbow Diamond Gem-Knights.

Lola: COOL!

Nico: The Gem-Knights of Duel Monsters.

Nicole: Yep. Legends say that the Rainbow Diamond Sword of

Master Diamond is so powerful that is can control all the gems on the rainbow spectrum.

Nico: That is cool.

Eli: Yeah!

Nico: What's the story of the Gem-Knights?

Nicole: Well it's like this. A group of warriors endowed with the power of minerals, the "Gem-Knights" value honor above all else and disapprove of battle for the sake of battle. At the provocation of the barbaric "Laval", however, they are forced to take up arms and protect the clans from their wanton destruction. However, the "Steelswarm" begin to invade the surface land, intending to take over. The Gem-Knights join up with the other clans in a temporary union spearheaded by the "Vylons". Along the way, they obtain new powers with which to resist the "Steelswarm". Although the "Steelswarm" are quickly dispatched, conflict is far from over. The "Vylons" decide to exterminate the clans in order to prevent future wars. The clans once more band together in order to halt the "Vylon", but it is the collaboration between the "Gem-Knights" and "Gishki" to whom credit for their eventual victory goes: "Gem-Knight Pearl" is the downfall of the "Vylon". After the "Vylons" are driven back, the alliances between clans once again dissolve. The "Gishki" immediately resume their invasion of "Mist Valley", which had been their main objective pre-"Steelswarm". In order to obtain resources from the Valley, the "Gishki" enact a genocide on the "Gusto". The Gem-Knights intervene to rescue the remaining "Gusto". When the "lswarm" virus begins to spread across the Duel Terminal world, the Gem-Knights join the "Gusto" in a prayer for the "Constellar," a legendary band of divine warriors, to aid them. The "Constellar" may not be strong enough to resist the "lswarm" army alone, as the "Gishki" clan falls to the virus. Knowing this, the "Gem-Knights" fuse into the most powerful Gem-Knight.

Nico: Wow!

Qin: This is gonna be awesome.

Nico: Yep.

May: Let's get going then

Nicole: This map will show us where to go. Lets go.

We followed Nicole and trekked through a jewel forest. Rarity was picking up all kinds of jewels and loading them into a big mine cart pulled by Lincoln and Linka.

Rarity: Thank you for helping me with all this Lincoln and you too Linka darlings.

Lincoln: It's our pleasure Rares.

Linka: Anything to help one of my future sisters in law.

Rarity: I'm so happy for this.

Nico: We'll have lots of jewels after this

Me: I've been helping Rarity come up with TONS of new fashion ideas over the last couple of days and you wouldn't believe how many notebooks I filled up for her.

Leni: And they are totes some of the most beautiful fashion designs ever.

Nico: Really?

Me: Yep. I made new lines for her.

I pulled out a notebook and showed some of them to Nico and everyone.

Me: Dresses of The Solar System, The Elemental Forces of Fashions, The Elegance of the Periodic Table, Fashions of The Sun, Fashions of the Moon, Fashions of the Solar Eclipse, Fashions of the Lunar Eclipse, and so much more.

Nico: Whoa those are beautiful!

Me: Yep.

Rarity: And these jewels will be perfect for them too.

Nico: That is awesome.

Me: It sure is.

Vroon: Are we getting close?

Nicole: The map says it's in that clearing right there.

We got into a huge clearing and it was covered in a magnificent array of jewels and diamonds of each color.

Nico: WOW!

Eli: Beautiful!

Me: Look!

We saw in a crystal stone, THE SWORD OF THE RAINBOW DIAMOND GEM-KNIGHTS!

Nico: There it is!

Nicole: Wow it's magnificent.

Gaon: Who calls dibs on this?

Nico: Well who among us doesn't have a sword and who loves jewels?

We got to thinking.

(JEOPARDY THINK THEME PLAYS)

We got to thinking.

Magine: Have we come to a decision yet?

Me: Hmm. I know! Sena Hayami!

Rarity: Why the green Kiramager! That's a brilliant idea darling.

Sena Hayami: Me? Do you think I would be capable of it?

Nico: Sure Sena. You are strong and fast and you are a master of jewels for the Kiramagers.

Sena Hayami: That is true. Okay then.

Nico: Let's call the rest of the Kiramagers.

Me: Okay.

We did so.

They came.

Juru: Sena getting that sword is a brilliant idea.

They agreed.

Rarity: Go for it, darling.

Sena went up to the sword and then grabbed the hilt and pulled and then she then succeeded in pulling it out and then it glowed! She underwent a powerful transformation!

(ESCAFLOWNE (FOX KIDS VERSION) EXTENDED PLAYS)

She was enveloped in a vortex of green fire and rainbow jewels and grew green crystal angel wings and she had a massive and powerful energy increase! When she emerged she was forever changed! She had the kanji for Sena Hayami - Green Kiramager, Destroyer of the Shadow Empire, Yodonheim, and Master of The Jewels of The Rainbow on her back.

速水瀬奈 - グリーンキラメイジャー、影の帝国の破壊者、ヨドンヘイム、そして虹の宝石のマスター

Nico: Wow! Sena how do you feel?

Sena Hayami: I feel incredible!

Xenia: Cool!

Rarity: You most certainly have earned that sword there darling.

Nico: I agree too.

Juru: Same with me.

2099 Spiderman: (Senses something) Uh oh! Girl Jordan look out!

Suddenly a dodgeball came out of nowhere flying towards Girl Jordan. Nico pushed her out of the way and it hit him instead, knocking him out!

KRABLANG!

It hit him square in his face and knocked out most of his teeth!

We saw it!

Me: HOLY SHIT! That was fast!

Lola: WHOA!

Nico: (Dazed and stupid talk) Anyone get the number of that truck that hit me?

Me: Where did that come from?

Eli: I think from her!

We saw a girl with pitch black angel wings and had the same hair style as Girl Jordan but with pitch black hair and piercing red eyes and she had black athlete clothes on! She also had a red glowing flaming dodgeball in her hand.

WE GASPED!

Me: Who in the 9 Fucking Levels of Hell are you!?

She landed in front of us.

Darkball Queen: I think it's obvious. I am Girl Jordan's Akuma Form. But you can call me Darkball Queen.

WE GASPED AGAIN!

Girl Jordan: You're my Akumatized form!?

Darkball Queen: That is right.

I pulled out my sketchbook and showed the hypothetical Akuma form of Girl Jordan.

Me: Exactly like how I drew her.

Nico: How the Hell were you created?!

Darkball Queen: Quite simple really. It was because Girl Jordan was jealous of Becky.

Me: Becky Blickensderfer? The unibrow terror of Great Lakes City?

Darkball Queen: The very same. I was made to show that I can be 100 times more dangerous than she is.

Girl Jordan: I'm not surprised. Being made from me you and I both have one thing we're all really good at and that is dodgeball. But you are 100,000 times deadlier than she is.

Darkball Queen: That is true.

Back on Earth, Becky was sitting in her cell when she felt a disturbance in the Dodgeball Force and sensed that there was someone MORE POWERFUL AND DANGEROUS THAN HER! SHE ROARED FEROCIOUSLY!

Nico: And what the fuck do you want now?

Darkball Queen: To destroy Becky and then fight you guys.

Me: I think part one of that can be arranged.

Nico: You fucking knocked me down!

Darkball Queen: That was intended for Girl Jordan. But I'm impressed you moved so fast.

Me: But lets give you your target. Be right back.

I teleported back to Earth and borrowed Becky and I came back with a big cage and it was shaking.

Nico: What's in the cage?

Me: You're going to see now. Stand back guys.

I put it down and opened it and then like a ravenous jackal, exploded out BECKY!

Darkball Queen: Ah there's my prey. Time to start praying little girl!

Nico: Better you than me, bitch!

She threw dodgeballs and bashed down Becky all over.

Becky (Casagrandes): WHAT THE?! WHY ARE YOU ATTACKING ME WHEN YOU SHOULD BE KILLING THEM?! THEY MADE FOOLS OUT OF ME!

Eli: Normally, that would've been the case, but Hawk Moth created her for the reason of taking you down for good.

Marinette: Exactly, so say goodbye to your teeth, you little pest.

Darkball Queen: Eat dodgeball, you unibrow little bitch!

Darkball Queen fired a massive barrage of dodgeballs that transformed into bombs and they hit that unibrow pest and knocked her down, but she wasn't out, in fact, she was really angry now!

Becky growled.

Becky: I'm going to…

KRABLANG!

A dodgeball smashed her in her face with devastating force and Becky was being BRUTALLY PULVERIZED ALL OVER!

BLAM SMASH WHAM BASH KROW BAM THWACK POW!

She was getting pulverized all over the place with extreme savagery!

Becky tried to dodge but the balls were just far too fast for her to do so!

The balls were spiked balls, bombs, even LAVA BOMBS!

KRABOOOM KRABBBBOOOOOMM KRABBBBBOOOOOOOOMMMM! KRABBBBOOOOOOMMMM!

Me: WHOA MAN!

Nico: OH THE INHUMANITY!

Maria: That's what she gets!

Girl Jordan: You got that right! Both me and Darkball Queen can put her in her place!

They bashed her all over the place with intense savagery!

Nico: YEAH!

Anna Anyanova: Take that you unibrowed monster!

---

French Narrator: (French Accent) One extremely torturous beating later…

---

Lincoln: I've had it up to hear with you, you little pest!

Lincoln unholstered his massive unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and raised it into the air.

Lincoln: Light Burns with love Defending Michigan's Pride, Enemies of Michigan Beware because On the Ride Comes the Defenders of of Honor, Love, Truth, Justice, Freedom and Power! THE MICHIGAN KNIGHTS OF THE ROUND TABLE SHALL MAKE OUR ENEMIES COWER!

All of the colorful gems embedded in the 7'6" massive, wide, double-edged golden blade of Lincoln's massive greatsword glowed, and as light shined down from the Heavens, The Michigan Knights of The Round Table descended.

Melanie Artorgius: We got your call, Linky. (Sees Becky Blickensderfer) I never thought we'd have to deal with you again, you little pest! You're just an absolute glutton for punishment who enjoys hurting and torturing all who get in your way because you're nothing but a wild animal, and as such, we're putting you down!

The Knights of The Michigan Table fired white energy balls which hit Becky Blickensderfer and trapped her inside an indestructible white crystal prison and beamed her straight to The Charon Reform Prison and since she refused to be rehabilitated, she was also turned into a gold statue forever never to be free again.

Girl Jordan: WHEW!

Darkball Queen: Well I had my fun.

Girl Jordan: Me too.

Darkball Queen: I'm really impressed you were able to dish out the same kind of punishment as me.

Girl Jordan: You are my Akuma after all but I'm glad you and I are even. Too bad we have to fight like this.

Darkball Queen: I know.

I picked up Becky and teleported her back to prison.

Me: Now it's time for action! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into Wolf Moon 🌙!

Me: (HOWLS)

Nico: Oh yeah!

May: You're gonna get it for hitting Nico like that!

She threw a ball and May kicked it back and it smashed Darkball Queen in her face.

Darkball Queen: Now, that was fun. Now, we can get started.

Sakura Avalon: But, be warned, we're quick on our feet when it comes to dodging dodgeballs.

We were amazed by the transformations of Sakura Avalon, Eclair, Miku Hatsune, Venus Chan, and Earth Chan, and when Lincoln saw Earth and Venus, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, and when I saw Eclair and Miku Hatsune, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Darkball Queen saw it, she smirked evilly and fired dodgeballs that turned into bombs at them to kill them.

Lincoln and Me: OH, HELL NO!

Lincoln and I made portals in front of the girls and they sucked in the dodgeball bombs and redirected them at Darkball Queen but she dodged them with her agility and took to the air.

Earth: (Divine Echoing Godly Voice of The Cosmic Multi-Elemental Earth Personification Phoenix Angel and Divine Cosmic Multi-Elemental Earth Personification Phoenix Angel Love) Thanks for the quick save, Linky.

Venus: (Divine Echoing Godly Voice of The Cosmic Supercell Lightning Venus Personification Phoenix Angel and Divine Cosmic Supercell Lightning Venus Personification Phoenix Angel Love) I knew that she wasn't going to give us a fair chance.

Eclair: (Divine Echoing Godly Voice of The Furious Firestorm Phoenix Priestess Phoenix Angel and Divine Cosmic Furious Firestorm Phoenix Priestess Phoenix Angel Love) Looks like we'll have to beat the stuffing out of her.

Sakura Avalon: (Divine Echoing Godly Voice of The Elemental Cosmic Starstorm Magic Clow Card Phoenix Angel and Divine Elemental Cosmic Starstorm Magic Clow Card Phoenix Angel Love) And she'll put up a nasty fight with us.

Miku Hatsune: (Divine Echoing Godly Voice of The Soundwave Melodious Music Queen Phoenix Angel and Divine Cosmic Soundwave Melodious Music Queen Phoenix Angel Love) But, we're ready for her.

Lincoln: With us joining in as well.

Me: Time we teach her a huge lesson in pain.

Girl Jordan: Let's see her try to beat The Dodgeball Angel King and Queen of Gotham Royal York and Dodgeball Angel Champion of Colorado and Gotham Royal York.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Earth and Venus Chan and I joined Eclair, Miku Hatsune, and Sakura Avalon, and so did the rest of the team as they unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you want to play rough, huh, Darkball Queen?! Well, you've got it! No one tries to throw dodgeballs at my future wives and gets away with it.

Me: Especially if those dodgeballs can also literally kill people!

Nico: OH! Now, you've gone and done it!

Girl Jordan: You've gone and pissed off our man!

Varie: Same with ours!

Sakura Avalon, Eclair, Miku Hatsune, me, Venus Chan, Earth Chan, and Lincoln went after Darkball Queen who kept throwing deadly dodgeballs at us and they transformed into all kinds of lethal weapons, but we dodged them all with extreme skill and using our parkour skills, and we fired extremely powerful blasts of rainbow energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Darkball Queen and they exploded with incredible power as they hit her.

Then, we attacked her with our massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Sakura Avalon, Eclair, Miku Hatsune, Venus Chan, Earth Chan, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Darkball Queen to the brink.

Girl Jordan: Oh no. I know that look from anywhere, now she's about to go all out. GUYS, BE VERY CAREFUL, SHE'S ABOUT TO GO ALL OUT!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Then, let me end this for good. OMEGA STYLE NINJA ART: OMEGA PLANETARY JUSTICE RASENSHURIKEN!

Lincoln formed a massive black Rasenshuriken with stars, nebulae, and galaxies inside it and a core resembling the sun with the planets orbiting around it and we saw Darkball Queen throw a massive barrage of deadly dodgeballs with full force, but Lincoln threw the massive black Rasenshuriken and it destroyed the barrage of deadly dodgeballs and it exploded with incredible power as it smashed into Darkball Queen and she was knocked down and out!

Nico: AND SHE'S OUT!

Lincoln tied her up in gold spider silk webs and sent her to The Masters of Evil. We all cheered wildly as Lincoln, Eclair, Miku Hatsune, Venus Chan, Earth Chan, and I holstered our massive greatswords on our backs and Sakura holstered her staff and powered down, and Sakura Avalon, Eclair, Miku Hatsune, Venus Chan, Earth Chan's new bodies, clothes, weapons, gold halo, weapons, jewelry, Third Eye, eleven massive and longer wolf tails, and massive colored angel wings are permanent.

Girl Jordan: Now, that was one rough dodgeball match with her!

Lincoln: It was actually a death match, those dodgeballs she threw were really deadly, but we really pushed our dodgeball and parkour skills past their limits.

Earth: You said it, and you finished it by using an Omega Style Ninja Art Rasenshuriken to defeat her.

Me: Normally, that would've been from me, but from you, Lincoln, that was really really awesome.

Eli: I wouldn't be surprised if he also knows how to use the Suicide Bomb Rasenshuriken and Solar Storm Rasenshuriken.

Sabrina Lorelai: He actually does, Eli, since we've taught him how to use a Rasenshuriken of many other different elements.

Eli's jaw dropped.

CLANG!

I put his jaw back in.

Nico: Yeah, it's true, he used a Suicide Bomb Rasenshuriken on Flip five years ago, and it was horrific.

Me: That bloodcurdling scream still haunts me even now to this day, and he even used a Solar Storm Rasenshuriken on those buttfaces, Hawk and Hank, and it burned off their retinas.

Eli: Jeez. Just imagine if he used both of them at once?!

Laney: Don't even think it! It'll be like unleashing the wrath of Heaven and Hell on them!

Nico: My sentiments exactly. But, if we go after more evil versions of Lori, Lynn, Lola, Lisa, Luan, and Chandler in The Simulator or the real world, I want you to use the Suicide Bomb Rasenshuriken and Solar Storm Rasenshuriken and waste their asses.

Lincoln: Don't got to tell me twice, I plotted out a scenario to use those two techniques of J.D.'s on them should a chance like that come again.

Luna: Just give us a warning when you use the Suicide Bomb and Solar Storm Rasenshuriken, dude!

Lincoln: Got it.

Nico: Sorry we had to do this.

Darkball Queen: No worries. But it'll be fun to be in the M.O.E.

Nico: Awesome. Kick Buttowski will love having you as his archenemy.

Me: Yep.

Darkball Queen: I'm honored. Well see ya round.

She teleported to the M.O.E.

Me: Awesome.

Lola: Yep.

Camie: That was awesome and fun.

Varie: You got that right.

Nico: Yep. Now for the next leg of our business here.

Me: The Anothers.

Nico: Which are?

Eli: We have Another P.T.O.O.E.Y., Big Brother, Sir Toasty, Pound Cake, Ice Cream Monster, Yost Korvac and Cavalier.

We gasped!

Qin: Whoa!

Lola: So the enemies of the K.N.D.

Nico: Nice. Who do we call for them?

Me: Sector V KND, Smolder, Jenna Jetman, Kenzie Kurama and Mika Maskman.

Nico: Cool! This will be fun.

Me: It sure will.

Pound Cake (MLP): You don't mean me do you?

Me: No P.C., this is a cake monster that the Delightful Children sent to kill the KND.

Pound Cake (MLP): Oh! That's a relief.

Maria called them in.

Smolder: Hey, guys!

Kenzie Kurama: This will be fun.

Nico: It sure will.

Eli: And I sense that the Anothers are 13 People. The Anothers minus Cavalier are 12 people.

We gasped!

Me: Whoa! That has to be a record.

Nico: Yep.

May: There they are!

We saw the Anothers and they were Another P.T.O.O.E.Y., Big Brother, Sir Toasty, Pound Cake, Ice Cream Monster, and Yost Korvac!

Nico: WHOA! This is gonna be good!

Another Mad Dad: (In a girls voice) This will be awesome.

Another Sir Toasty: (In a girls voice) It sure will!

Me: (GASP) Those voices.

They merged and reverted back and turned into 12 girls! They were 12 girls each with 1 color of the rainbow in a normal and different shade and their hair was that color and in a different style and they had wings and clothes for each color of the rainbow and they had clothes of each color and they had tiaras with each symbol of the Zodiac on them and they had that symbol on their skirt along with those constellations as well as swords of the stars.

Me: (GASP!) Abigail Zodiac Aries, Tanya Zodiac Taurus, Gina Zodiac Gemini, Callie Zodiac Cancer, Layla Zodiac Leo, Vina Zodiac Virgo, Liberty Zodiac Libra, Selene Zodiac Scorpio, Salina Zodiac Sagittarius, Cinna Zodiac Capricorn, Aqua Zodiac Aquarius and Penelope Zodiac Pisces!

Nico: Whoa! The 12 Sisters of the Celestial Zodiac.

Abigail Aries: That's right. We are the Zodiac Sisters and we are also the Embodiments for the Dopants of the 12 Zodiac Signs.

Tanya Taurus: We have the powers of all the stars for that sign and have the powers of those constellations.

Gina Gemini: And we have also have their Kyutama's around our necks too.

Nico: Boy that is awesome!

Lola: Yeah!

Nico: Lucky would love to meet you guys!

Callie Cancer: It sure will be awesome.

Layla Leo: You got that right.

Xenia: Yeah.

Me: By the way girls is the Another Cavalier friendly or hostile?

Liberty Libra: Friendly and she is a great swordmaster and even an honorable force.

Me: Nice.

Nico: Yeah. Sorry we have to do this.

Selene Scorpio: I know.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the Anothers were separated from them!

Nico: Lets do it!

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Nico: OH YEAH!

Nico then ate the remains of the Another Pound Cake and Ice Cream Monster.

Nico: (LOUD BURP)

Me: Nice one.

Nico: Thanks. (TOINK) AAAAAGGGHH! BRAIN FREEZE!

Me: Oooh! Ouch! (Sees something) Huh?

I picked up a beautiful and big black diamond.

Me: Hey look at this a Black Diamond.

Qin: Ooh that's pretty.

But then to my surprise a small version of Daffy Duck came out of a hole and went for the diamond.

Mini-Daffy: IT'S MINE YOU UNDERSTAND!? MINE MINE ALL MINE! GO GO GO! MINE DO YOU HEAR ME!? (GRABS THE DIAMOND) OUT OUT OUT! MINE MINE MINE!

Me: Hey! I remember this at the end of one of my favorite cartoons.

I grabbed Mini Daffy.

Me: Greed got the best of him.

But then…

CRUNCH!

HE BIT ME RIGHT ON MY NOSE!

Me: YEOWCH! BE BIT ME!

Nico grabbed him and put him in a small prison cell no bigger than a safe.

Nico: That oughta hold him. What a craving little coward.

Me: Ouch! Man he sure bit hard for a tiny little duck!

Nico: At least you get to keep that diamond.

Me: True. Strange that it's the only black diamond out of all these.

Mini Daffy: THAT DIAMOND IS MINE! MINE MINE MINE! YOU CAN'T HAVE IT!

Nico: Oh shut up. How did this version of Daffy get that small?

Me: Remember how he got shrunk by that genie in the end?

Nico: Oh right.

Maria: Put it somewhere safe.

Me: I will.

I put it in my pocket.

Me: Now for the Another Cavalier.

Maria: First, some backup! (TURNS DIAL) JACK O LANTERN FORCE 6!

She summoned Jack O Lantern, Rishu, Pachinko Head, Fire Kong, Lumine and Xu-Galme-Re!

Nico: Oh yeah!

Qin: This will be fun.

Nico: And now, we wait.

Me: We don't have to wait long!

We saw a figure and it was ANOTHER CAVALIER!

Me: Another Cavalier!

Cavalier: Who is that good looking chap?

Laney: Another you.

Nico: Yep.

Another Cavalier: (In a girls voice) It sure is a fun sight.

Me: (GASP) That voice!

She reverted back and it was a girl with blond hair and she had orange eyes and had yellow wings and had a orange clothes and had a tiara with the symbol of the Spinosaurus Dopant on it and she had the same symbol on her skirt and had an orange sword.

Me: (GASP) Talia Spinosaurus the Mesozoic Cavalier.

Talia Spinosaurus: Good to see you again J.D.

Me: You too. Talia is the Embodiment of the Spinosaurus Dopant and she can summon Spinosaurus and she is also a powerful and amazing swordmaster.

Nico: Wow!

Cavalier: Very impressive there.

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (Gets out Kiramager gear) Because we can grant it instead.

Kaito got a Dino Fury Sword and Zocks got a Kiramai Sword.

Talia Spinosaurus: No he didn't. I summoned a Spinosaurus and distracted him and ran out of there.

Nico: Clever.

Xenia: Yeah.

Me: Yeah never mess with Talia.

Sougo: (gets out Dino Fury Ridewatch) Before we battle, can one of us slap you with a white glove?

Geiz: (gets out Kiramager Ridewatch) It's how Cavalier's battles usually start.

Sougo got DinoFuryRedArmor while Geiz got KirameiRedArmor.

Talia Spinosaurus: Sure.

Luna: I'll do it. Girl stuff for you.

Talia Spinosaurus: No worries.

Luna pulled out a white glove and went over and slapped her across her face.

Luna: Sorry about that.

Talia Spinosaurus: Oh no worries. But I accept your challenge!

Lincoln: Lets separate you first.

Lincoln fired waves of energy and separated her from Another Cavalier.

Talia Spinosaurus: Lets dance!

Talia and Another Cavalier clashed.

Nico: Tallyho! (ACTIVATES CAVALIER AND YOST KORVAC'S RIDEWATCHES)

He fired a wave of energy and smashed down Another Cavalier.

May: Top this! (ACTIVATES PROFESSOR BRAINSTORM AND EVIL RING MAN'S RIDEWATCHES)

She fired rings and energy and blasted down Another Cavalier.

Maria: And this too! (ACTIVATES GULIA AND DOROBOZU'S RIDEWATCHES)

She fired waves of energy and smashed him down.

Wendy: Take this! (ACTIVATES YOST KORVAC'S RIDEWATCH)

She fired a blast of energy and smashed him down

Then Swordsman, Spatula Girl, Universe 666 Arthas, Wild Gigazelles, Sword Roidmude and Whale Imagin came.

Nico: Nice team Swordsman!

Swordsman: Thanks Nico.

?: This will be fun!

We saw a Snake Man!

Me: Whoa! Snake Man!

Snake Man: (In a girls voice) I'm ready for this!

Nico: Medusa Snake!? Whoa!

Medusa Snake: Good to see you Nico. I got this.

She fired an energy blast and smashed down Another Cavalier and I caught the Ridewatch and purified it.

Me: Awesome.

Nico: You're naked, aren't you?

Medusa Snake: I sure am.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt just so you know.

Medusa Snake: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and she threw up and fired an energy blast and we dodged it and it hit a tree and turned it to stone!

Me: WHOA!

Nico: That is a solid stone tree!

She reverted back and was a girl with green hair and blue eyes and had green angel wings and on her forehead was the kanji for Snake.

Medusa Snake: Oh man. That hurt. (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The Fashion brigade went in and gave her an awesome new green ensemble and she looked awesome.

Medusa Snake: Wow! I look amazing!

May: You sure do.

Wendy: What is your favorite memory of Nico?

Medusa Snake: When we went to class and I saw a bully picking on a girl and I used my Medusa glare and turned him to stone. Sent him back to his parents as a stone statue. Don't worry it wasn't permanent.

Nico: Good and yeah he deserved it.

Qin: Yeah.

Nico and Medusa hugged.

Nico: I've missed you.

Medusa Snake: Same here.

We loaded up all the jewels into the ship and went back home.

Lincoln: Ah, we're here in Portugal, Spain, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to destroy Aamon, the demonic priest who was among Psaro's highest ranked henchmen, but in reality, he's the one responsible for Psaro's corruption and for causing the other dark events in Dragon Quest IV and all for his desire to destroy humanity.

Nicole: I knew it would be a matter of time before we go after him, and he's someone whom Brittney really hates with a passion.

Brittney: He caused a lot of trouble for humanity for the last time, and I swore right then and there that I would make him suffer for everything he's done by dragging his soul into the darkness of Hell forever. But, I'd rather settle with sending him to The Black Gates.

Nico: Good idea.

Luna: I think I got an idea on how to kill him. Brittney, do you think you can summon the Windigos of Equestria to do the job?

Brittney: That's not a bad idea, Luna.

Lincoln: Let me handle this part, Brittney, you taught me how to summon The Windigos a few years ago and since I learned a lot about summoning demons under my control from my Gothic Guardian Angels.

Nicole: That's right, I remember that, you came to Brittney and she taught you how to summon The Windigos of Equestria as well which you did successfully and you became a master of The Windigos like me.

Suddenly, we saw a beautiful and super sexy girl with long violet hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings and she's dressed in a blue short-sleeved shirt, red skirt, red knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with swords, stars, phoenixes, and angels on the coattails and on the back is Liege Maximo, in her right hand is a greatsword and with her are the seven girls.

Lincoln: (GASPS) Aquahana Kamihara, Gene-Slammer of Liege Maximo and Embodiment of Stitch.

Aquahana Kamihara: That's right, and I got the girls away from that demonic priest.

Then, Lincoln summoned The Windigos of Equestria from a fog of darkness and ice, and as their pale cyan eyes glowed, the Windigos proceeded to feed off of Aamon's hatred for humanity, and this was also causing his life force to be drained from him as well. When The Windigos were done feeding off of Aamon's hatred, the demonic priest was left as a frozen dried up corpse and his spirit was sent to The Black Gates. We cheered as we holstered our weapons and powered down and The Windigos had vanished as they bowed to Lincoln and Brittney Knudson.

Twilight Sparkle: Now, we didn't see coming. We didn't know you also have the power to summon The Windigos of Equestria and it was thanks to training from Brittney, Lincoln.

Lincoln: That's right, and whenever I find a potential villain so full of hatred and rage, I summon The Windigos who then proceed to feed off their hatred and rage, but in doing so, it also drains them of their life force and once done, they're left as a frozen dried-up corpse.

Nico: Lethal.

Lincoln: But, either way, we're rid of Aamon for good. (To Aquahana Kamihara) And it's so good to see you again, Aquahana Kamihara.

Aquahana Kamihara: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Aquahana Kamihara and he hugged her, and Aquahana Kamihara is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aquahana Kamihara: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Aquahana Kamihara, Gene-Slammer of Liege Maximo and Embodiment of Stitch, she's my Guardian Angel from Japan and Luna's classmate in Music and she's also the older sister of Umihana and Yuna Kamihara by the same age as Luna, and she like her two sisters also fell in love with me.

Luna: Aquahana's easily identified because of her violet hair and blue and red skirt and shirt. She, Yuna, Umihana, and Lincoln would often practice karate underwater and even train in holding breaths while underwater. During one of their training sessions, Aquahana kissed Lincoln on the lips and she hates Lori with a passion.

Eli: If I had to guess, Lori did something so horrible, it warranted Aquahana to viciously attack her.

Umihana: Along with me and Yuna.

Lincoln: And myself as well after my wounds healed up and regenerated, and that resulted in Lori getting sent back home and getting grounded by our parents along with getting told off by Luna in the most graphic manner ever, and now that you're here, Aquahana.

Lincoln went up to and hugged Aquahana Kamihara in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Aquahana Kamihara: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Aquahana Kamihara's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Aquahana Kamihara: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aquahana Kamihara.

Aquahana Kamihara had a smile on her face and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Ayane Anekawa, Ena Yuzuriwa, Hinano Kasama, Matsuri Hinomiya, Mio Okunaga, Nanaka Anekawa, and Uzuki Nayuta from

Real Eroge Situation! DT.

Lincoln: Oh wow, it's Ayane Anekawa, Ena Yuzuriwa, Hinano Kasama, Matsuri Hinomiya, Mio Okunaga, Nanaka Anekawa, and Uzuki Nayuta from Real Eroge Situation! DT.

Nicole: Whoa, awesome.

Lincoln: You said it. Are you all okay?

Ayane Anekawa: Yes, we're okay, thanks to you.

Then, when Ayane Anekawa and the six girls saw who it was that saved them from Aamon, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit

Ayane Anekawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ayane Anekawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayane Anekawa, Ena Yuzuriwa, Hinano Kasama, Matsuri Hinomiya, Mio Okunaga, Nanaka Anekawa, and Uzuki Nayuta with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Aamon, the demonic priest who was among Psaro's highest ranked henchmen, but in reality was the one responsible for Psaro's corruption and for causing the other dark events in Dragon Quest IV and all for his desire to destroy humanity.

But, when Lincoln showed what we all did in beating him down and Lincoln summoning The Windigos of Equestria who proceeded on feeding on his hatred and conflict against humanity all while draining him dry of his lifeforce and was reduced to a dried-up corpse and banished to The Black Gates for all eternity, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Aquahana Kamihara have a lot of catching up to do, now that she's back in town.

Maria: That demonic priest got what he deserved, and I knew one day you'd summon the Windigos of Equestria to feed on another villain full of hatred.

Lincoln: It's been a long time since I've done just that. But, I've got the feeling that we're bound to run into his master soon.

Nicole: Psaro Banesword. If that human-despising monster shows up, show him no mercy.

Lincoln: I'll do just that.

---

After destroying Aamon, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Aquahana Kamihara saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Aquahana Kamihara: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the

powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Aquahana, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Aquahana Kamihara: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Aquahana Kamihara: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Aquahana, what's the story on why you hate Lori with a blazing passion?

Aquahana Kamihara: That's something I haven't forgotten. One time, Lincoln and I, along with Yuna and Umihana were doing some underwater karate at Lake Huron, but our underwater training was rudely interrupted when we heard a loud shriek even from underwater. Lincoln knew who it was: it was Lori, and she was out for blood once again. She dove into the water and came after us with a knife in her hand, but I'd had enough of her, Lincoln, Yuna, Umihana, and I fired blasts of water at Lori which hit her and forced her out of the water, and we rose out. Lori was still out to kill us, but Lincoln fired a blast of lightning into the air, which in reality, was a signal. Suddenly, Luna showed up and she fired water blasts at Lori and fired an ice blast that froze her in a block of ice, and she then pushed a frozen Lori back to The Loud House, and after she was unfrozen, she wound up getting her hide grounded for nineteen weeks for her attempted attack.

Nico: Lori, of all the attempted attacks you've done on Lincoln's Guardian Angels, this one had to be your most stupidest yet!

Varie: Clearly, she knew she was no match for Lincoln, Yuna, Umihana, and Aquahana underwater but she ignored her better judgement and acted completely on wrath and bloodlust again, and look what happened to her.

Me: She winds up getting drenched in water and frozen by Luna who showed up and sent back to The Loud House only to get grounded again.

Lincoln: Lori was no match for us underwater, and she knew I can also use other elemental forces besides lightning, so she basically had no chance.

Lori: Nor did I ever. After that, I didn't try to piss Lincoln off again, the same went with Luna.

Laney: But, we all knew that was a hypocritical lie, because Dark Lori still wanted Lincoln dead and she tried again and again, you were lucky Lincoln didn't decide to go on another blood rage should you dare to push him too far.

We got a shower afterwards, and then, Lincoln, Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina are heading to Dolphin Shoals.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames

coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Lauren: Wow, so this is Dolphin Shoals, it sure is beautiful.

Lincoln: It sure is, Lauren, and it's perfect for our first date. Shall we?

Lincoln, Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina dived into the waters and we had fun swimming in the ocean, and we also saw the creatures that lived there, then, we went back to the beach and we had an awesome volleyball game, and Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina and they hugged them in their abnormally massive and powerful muscular arms, and Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Dolphin Shoals, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina are in your harem.

Piper: You can thank me for getting the simulator versions of Arkayna, Zarya, and Emerald here for this one.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Lauren, Simulator Princess Arkayna Goodfey, Simulator Zarya Moonwolf, Simulator Emerald Zirconia Goldenbraid, Simulator Coco Adel, and Simulator Velvet Scarlatina, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE

WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

In our living room we were having an awesome party.

All of us: (CLINKS GLASSES) CHEERS!

Me: To the fall of Xehanort!

All of us: HERE HERE!

[Edd is turning a key in a wind-up toy.]

Edd: "Careful…"

Ed: "My turn!"

Edd: "Slowly…"

Ed: "My turn!"

Edd: "Careful…"

Ed: "My turn, my turn."

Edd: "Ready?" [He takes the key out, and the toy-a mechanical monster-whirs off.] "Ed, your toys are marvelous."

Ed: "And crafty."

Poromon: That is a cool toy Ed.

Ed: Thanks.

Xenia: It sure is cool.

Eddy: [reading in a chair] "Am I the only one who works around here?" [The monster gnaws its way through the chair.]

Me: Geez! That is one strong and awesome toy.

Nico: No kidding!

Ed: "Come to your master!"

Edd: "Listen to the mechanics of the gears, winding and churning!"

Eddy: "Yeah, like my stomach." [leaning over to look at its approach] "Hello, stupid wind-up toy."

[The monster grabs hold of Eddy and drags him onto the floor, to Edd's amusement. When Eddy gets up, the monster has chewed a hole in the spot his stomach used to be.]

Ed: "Do you smell buttered toast?"

Eddy: "ED! Your stupid toy ate my breakfast!" [He sticks his arm through the hole before the toy knocks him onto his back.]

WE LAUGHED!

Luan: (LAUGHS) That sure was Hole-y of you Eddy! (LAUGHS) Get it?

We laughed!

Me: (LAUGHS) That was a good one Luan!

Eddy: (LAUGHS) That was funny.

Vypra: (LAUGHS) Yeah!

Dark Spicer: That is a cool toy though Ed.

Ed: Thanks.

Kendall Perkins: I was actually there when Xehanort kicked the bucket, remember?

Nico: Yep you sure were.

Kick Buttowski: That was so fun.

Qin: Yeah it was.

Nico: Oh yeah. That was awesome.

Kick Buttowski: It all started after Grandfather's defeat.

Me: Yep.

And that was an awesome series of awesome adventures.

I went over what happened during the events of chapters 1464 to 1476 and it was awesome.

When it was done we were really amazed.

Camie: WOW!

Lola: Yeah that was awesome.

Eli: Especially during the battle with Frollo.

Nico: Yeah that was fun and awesome.

Mal: That was the world me and my friends went to.

Me: That was awesome.

Lola: Boy it sure was.

Poromon: Yeah that was cool!

Eli: Yeah and we killed Frollo in that one too.

Camie: Good riddance.

Me: All in all that was a very eventful series of adventures from back then.

Aligned Bumblebee: The world of the 3 Musketeers was the one me and my team went to.

Hun Gurr: When your ground bridge malfunctioned, right?

Aligned Bumblebee: That's right. But it was still a fun one.

Me: That was really fun.

Camie: Wow.

Xenia: Yeah that was a cool one.

Lola: It sure was.

We talked and talked and more.

Eli: My favorite was when I got justice for Queen Athena when I killed Davy Jones in the world of the Caribbean.

Dr. Nick: Me and my team helped in that one.

Qin: That was fun.

Nico: It sure was.

?: Boy you guys had an awesome adventure series there!

We saw a girl with red hair and black clothes and blue eyes and she had red angel wings and had a tiara with the symbol of the

Dairangers on it and the same symbol was on her skirt.

Dahlia Dairanger: Dahlia Dairanger, Embodiment of the Dairangers.

Nico: Awesome to meet you Dahlia.

G1 Snarl: Me Snarl want to know more about Dairanger girl.

Dahlia Dairanger: I'm a geologist and an astronomer and I study meteorite minerals and it's really fun. I love learning so much about the stars and if minerals are worth more than minerals on Earth.

Nico: That is cool!

Qin: It sure is.

Nico: Would you like to join the team?

Dahlia Dairanger: I Would be honored.

We continued to have a great talk.

Yamato: Me and my team ended up in the Grid.

Me: That was fun.

Nico: It sure was.

Lola: Yeah.

Yamato: Me and my team ended up in the Grid.

Me: That was fun.

Nico: It sure was.

Lola: Yeah.

Yin: Me and Yang ended up in the world of Fantasia.

Nico: That was awesome.

Yin: It sure was.

Yang: Yeah it was.

Lucky: Me and the Kyurangers helped you guys out in Olympus.

Nico: Yeah you sure did. That was awesome.

Camie: Wow!

Tony Jones: Me and my friends ended up in Rapunzel's world.

Nico: That was awesome and fun.

Lola: Yep.

Astro Boy: I then helped you guys in the world of Toy Box.

Lola: That was so cool!

Nico: Yeah it was!

Otto Rocket: Me and my friends ended up in Monstropolis.

Stacy Bolton: Boy that was awesome and fun!

Qin: It sure was.

Kermit: Me and my friends ended up in Arendelle.

Nico: (looks at Poliwag) At that time, SOMEONE tried Red Bull.

Poliwag: I regret nothing!

Nico: That was funny.

Elsa: Yeah.

Jason Jenkins: Me, Kong, and the rest of our friends ended up in San Fransokyo.

Nico: Yep.

Jared: That was awesome and cool.

Nico: That was awesome. And to close it out Eli Shane and team came and helped us against some of the heartless.

Dudley Puppy: Me and Kitty ended up in Scala ad Caelum

Nico: That was awesome.

Lola: It sure was.

Princess Scala Ad Caelum: That is cool that you guys went into my kingdom and helped out there.

Xenia: Yeah that was fun.

Me: And then the Keyblade Graveyard.

Kairi: Me and Sora dealt the final blow to Xehanort.

Me: You sure did and that was awesome.

Juni Cortez:… me and Carmen helped you guys out the day after that.

Nico: You sure did.

Me: Nico we need to end this soon. We need to use the black gates on a dark orb soon and get rid of Xehanort once and for all.

Nico: J.D. lets not be…

Me: Nico you don't understand! If we don't be rid of these dark orbs right now and pronto the entire universe will never be at peace and be free from him.

Eli: I agree Nico! I'm not waiting any longer!

Xenia: I agree! This has gone on for far too long and we need to end this NOW!

Laney: I agree!

Lincoln: Yeah!

Nico: But what about…

Lana: Nico open your eyes! These dark orbs have caused us nothing but trouble and they poisoned us and nearly made us evil! We can't have that anymore!

Qin: I agree Nico!

Me: Who's with me guys!? Have we had enough of these dark orbs and have we had enough of Xehanort!?

All of us: YEAH!

Twilight Sparkle: I'm sorry Nico but J.D. is right! We need to free the universe from Xehanort right now!

Sunset Shimmer: Yeah we need to stop this now.

Nico: Okay. I promise we'll end this. On December. Because I think the epic way to do that is to use the Black Gates on Xehanort to absolutely make sure.

May: We'll hold you to that, Nico.

Nico: Good.

Me: Make it on December 1st and you got a deal.

Nico: Fair enough.

Me: Good.

Nico: How about we make that a journey like the fragment one?

Maria: You mean multiple days? (shrugs) Why not?

Me: Hmm. Depends on what it will be.

Qin: Yeah.

Blot: Relax, boss. Even after we waste Xehanort in December, you'll still get to keep that Dark Orb inside you. We know how much that evil you scares you.

Poromon: And the Dark Orbs the Masters of Evil have will stay as well.

Nico: Xehanort may be gone but the dark orbs will remain.

Camie: Good.

Me: Yeah. Those will stay.

Nico: Good.

Me: Guys, when we get to that point, it'll be a big one. I won't force you guys to fight with me. Anyone who wants to back out can do so.

May: (hugs Nico) Shaggy and Scooby can back out if they want. But you're my husband. I'm not leaving you!

Maria: (hugs Nico too) You're my little brother. You think I'm gonna ditch you even if you paid me to?

Me: I will never leave you too

We all stood by Nico.

Lola: Yeah we're not going to back out of this.

Nico: (Smiles) Thank you guys. Thank you.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Rupert Swaggart, a celebrity chef who was mutated into Meat Sweats, a mutant pig who has the ability to absorb a mutant's energy through his arm made of tendrils. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person's name is Rupert Swaggart, a celebrity chef who was mutated into Meat Sweats, a mutant pig who has the ability to absorb a mutant's energy through his arm made of tendrils.

Suddenly, Leo and his friends came in.

2003 Leo: Oh boy. Hmm, say I have an idea, we'll defeat him and have him become a member of The Masters of Evil. He's not that bad, he does have honor.

Nico: True, he does.

Me: Wait, I'd heard about Rupert Swaggart.

Lynn Sr.: Me too. He was the owner of his restaurant Chateau Prétenche and the host of his TV show Kondescending Kitchen. However, while filming a Kondescending Kitchen episode, he was mutated into a pig.

2003 Donny: By an Oozesquito due to him handling pork prior to his bite, that's what caused him to mutate into Meat Sweats.

Lincoln: Whoa. Hmm, and call me crazy, but I think we might run into another version of Leo and his brothers.

2003 Mikey: If you're right about that, Lincoln, I'll make you and your harem an extra-large four-cheese pizza with meat and pepperoni.

Girl Jordan: Deal.

Camie: What is his story?

Lincoln: Lets see.

Lincoln looked up his history.

---

Meat Sweats was originally a human named Rupert Swaggart a celebrity chef who hosts Condescending Kitchen where he was abusing a young struggling chef. He was mutated on live Television. Since then Meat Sweats had been capturing mutants to absorb their power and using them to cook his meals. He first meats the Turtles in the episode Donnie Gifts. He had captured a mutant to absorb its powers and the turtles fought him but thanks to him absorbing the silver fish cause him to duplicate himself and had captured Donnatello. Reverting back to normal Meat Sweats decides to cook up Donatello for his meal but the turtles use Donnie's gifts to beat him.

Meat Sweats later returns in the episode The Fast and the Furious where he encounters Splinter and decides to take him as a apart of his latest meals. He takes splinter for his car so that he would take him to his kitchen but Splinter complicates things and the Turtles later catch up to meat sweats. After the battle, Meat Sweats decides that Master Splinter was not worth all of his trouble and kicks him out.

In the Evil League of Mutants, Meat Sweats joined forces with Baron Draxum, Repo Mantis, Hypno-Potamus, Warren Stone, and the Sando Brothers to destroy Ninja Turtles after watching TV. After tricking the turtles to an abandoned warehouse, the league ambushed them and nearly defeated them, but they used their training to defeat the group.

---

When it was done we were shocked!

Qin: WHOA!

Xenia: That is horrible!

Nico: (to the 2003 Turtles) Have you guys faced him before?

2003 Leo: Honestly, no.

Nico: (to the 2012 Turtles) What about you guys?

2012 Leo: I would remember fighting him

Nico: So, he's a new one? That's just fucking dandy.

Deadpool: He is from 2018's Teenage Mutant Ninja Turtles and J.D.

you'll be happy to know that when you used the Black Gates on Tengu Shredder you killed 2018's version too.

Me: Thank goodness.

Nico: Yeah.

Deadpool: He wasn't even the main bad guy there anyway

Me: That's good.

The previous group came.

Dirty Bubble: Can me, Pyro, Chemistro, KGBeast, Goliath, Titanium Titan, Kyd Wykkyd, Grodd, Gameface and Electropede go with you guys?

Nico: Yes you sure can and this is gonna be good.

Me: Yep.

Pyro: Looking forward to this.

Onslaught: Boss, which Gene Slammer do you think you'll meet next?

Nico: Gemini Man next.

Me: Ooh that will be awesome.

Qin: Yep. Clone power.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Psaro Banesword also known as The Manslayer in his monster form and major antagonist in the Dragon Quest franchise, the main antagonist of Dragon Quest IV, and he's come for revenge for Aamon's death. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Psaro Banesword also known as The Manslayer in his monster form and major antagonist in the Dragon Quest franchise, the main antagonist of Dragon Quest IV, and he's come for revenge for Aamon's death.

Nicole: Dang it, I knew it, I knew I was right!

Hailey Fukamiya: And in any case, we've got to destroy him for good.

Lincoln: Exactly.

Suddenly, we saw one of Flip's musclebound thugs barge in and ran at us to kill him.

Nico: FLIP, YOU MORON!

But, then, we saw Lincoln's left arm change into a mass of tendrils that latched onto the musclebound thug and then, the tendrils literally began siphoning Flip's hulking musclebound thug of his energy as we saw streams of red energy flowing out of the musclebound thug and into Lincoln, and he was also sucking him dry of his massive muscle mass, virility, and physical strength, and all of that was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the tendrils detached themselves from the thug and transformed back to normal, and the thug was now weak and thin as a rake and Lincoln fired a blast of red energy and destroyed him leaving him as ashes.

Lincoln: Whoa!

Black-Suited Lincoln: (Through the Rainbow Thunderbird) That was Meat Sweats' ability to absorb the power of mutants and other Yokai. You must've accidentally acquired that ability, and it's also able to be used when you summon your Symbiote suit.

Nico: That's really awesome and really wild. Alright, gang, let's go, we're heading out to defeat Rupert Swaggart.

Lincoln: We'll try not to hurt him too badly, and once we get done defeating him, you're next, Psaro Banesword.

Hailey Fukamiya: Your genocidal campaign to destroy humanity ends here, Psaro Banesword, we'll make absolutely sure that you pay for everything that you've done.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down Rupert Swaggart A.K.A. Meat Sweats, and once we get done with him, Hailey Fukamiya and Lincoln are going to destroy Psaro Banesword and make that genocidal human-despising demon pay for his crimes.

We were off to New York City.

---

We arrived in New York City.

KGBeast: (Russian Accent) Good old New York.

Me: The City that Never Sleeps.

Xenia: Yep.

Nico: It sure is awesome.

2003 Leo: And we can't wait to kick some butt.

Razorclaw: Should we use carrots for this?

Nico: He is a chef so we might as well.

Me: Good idea. (SPINS MAGISWORD BRACELET)

CARROT MAGISWORD!

Vambre: (British Accent) Ooh you have your own Carrot Magisword too.

Me: I sure do. Hoppus gave me one like his and it will be perfect for this situation.

Titanium Titan: (Spanish Accent) Let's eat pizza while waiting.

Nico: Good idea! New York Style Pizza it is.

We went to a New York Pizza shop and had an awesome all you can eat pizza meal.

Me: (Eating Three Meat Pizza) Mmm! Yummy.

Shaggy: (Eating) Like the best thing about eating in New York City is that the food is big.

Scooby Doo: Reah. Big! (LAUGHS)

Sinnertwin: Boss, you love Pepperoni, right?

Nico: Number 1 favorite kind of pizza.

Sinnertwin: Nice.

Me: Buffalo Chicken Pizza is awesome and good too. (Eating Buffalo Chicken Pizza) I love my pizza spicy.

Nico: (LAUGHS) That is awesome.

Rarity: All pizza is delicious.

Sinnertwin: It sure is.

Grodd: Let me have some.

Grodd was having Hawaiian and Buffalo Chicken too.

Grodd: Ah exquisitely good.

He ate it.

Nico: And the dessert pizzas are awesome too.

Pinkie Pie: You bet they are. Especially the S'Mores and Chocolate Banana Pizzas.

Nico then went and got some too.

Beekeeper: Let me have some too.

Me: The crust is also good with honey on it.

Beekeeper: Cool.

He got to eating some too and man was it good.

Me: Boy reminds me of good pizza I loved in Colorado growing up.

Nico: Neat.

Sakura Knudson: Good times huh bro.

Me: Yeah. Nico I'm sorry I overreacted like that.

Nico: Ah no worries. But you do raise a good point. And like I said I promise Xehanort will be dealt with in the most epic of battles we've ever had.

Electropede: Plus, I know the Keyblade Knights still want to have a shot at kicking his ass.

Princess Scala Ad Caelum: That's right. We do.

Nico: That is for sure.

Me: You guys are going to have over 10,000 years of payback to dish out on him.

Nico: Yeah.

Sora: We all are.

Beekeeper: Wait. Did we cover ALL the Keyblade Knights?

Me: Come to think of it. I don't think so.

Nico: No we didn't.

Eli: There's a bunch of worlds we missed.

Nico: Yep.

Nico: What about the list of teams?

Gameface: Teams?

Nico: The list that covers the teams that will be fighting the Goosebumps monsters. Have you guys made updates to that?

Diamond Tiara: I hope me and Silver Spoon get included on that list as well.

Me: Don't worry D.T. You are just as important to the Cutie Mark Crusaders as you are for the team.

Diamond Tiara: How so?

Me: You did help push them to be good and help them to discover their true talents and that is to be the Princesses of Cutie Marks.

Diamond Tiara: That is a good point.

Trixie Lulamoon: Don't forget the Great and Powerful Trixie is on that list!

Me: We know that Trixie and it's awesome.

Diamond Tiara: I hope me and Silver Spoon get included on that list as well.

Me: Don't worry D.T. You are just as important to the Cutie Mark Crusaders as you are for the team.

Diamond Tiara: How so?

Me: You did help push them to be good and help them to discover their true talents and that is to be the Princesses of Cutie Marks.

Diamond Tiara: That is a good point.

Kyd Wykkyd: If you two aren't featured individually, then you two will count as part of the Cutie Mark Crusaders, who are on that list as a whole as 1 member.

Nico: That works perfectly.

Me: I agree there.

Lola: Yep.

Diamond Tiara: I like it.

Silver Spoon: I agree there too.

Nico: Yep.

Cozy Glow: What about the opponents for each team?

Nico: I'm… still working on those!

Me: Hey guys just give Nico some time. He'll come to those when he is good and ready.

Cozy Glow: Oh. Sorry.

Qin: No worries.

We finished up.

Goliath: Is everyone done?

Me: (LOUD BURP) Oh pardon me.

Nico: Yeah we're full. (LOUD BELCH) Oops pardon.

Qin: That was awesome.

Laney: Yeah we're stuffed. (LOUD BELCH) Oops pardon me.

Girl Jordan: That was awesome. (LOUD BELCH) Oops scuse me.

We paid for our food and left.

Me: That was awesome.

Nico: It sure was.

Luminous: Mr. Meaty is here somewhere.

Eli: (Concentrates) I sense him. He's hiding in an abandoned butcher shop. Right down there.

We saw a dirty looking alley.

Chemistro: (sarcastically) Well, that's not suspicious at all.

Me: Nope. But dirty alleyways are usually safe havens for muggers and street thugs.

Nico: Yep. If any of them come out, blast them.

We went down the alley and it was a creepy one.

Eddy: YUCK! This place reeks!

Me: It's full of garbage.

Trollling Thunder: Too late to turn back now.

Me: Yeah.

We continued and got to the front of an abandoned butcher shop.

Me: The Tri-Tip Knight Beef Shop. It was closed down years ago.

Nico: How come?

Me: Massive numbers of health code violations. Left to rot like an open wound.

Nico: Not a bad place to hide out.

Eli: He's definitely in there. (Sniffs) Ew and he really stinks like a pig.

Red Hood: Let's use our entrance on this pig!

Nico: Lets do it!

We went at the shop.

Meat Sweats was in the shop laughing and then the spirits of vegetables came and swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The entire shop exploded in a massive fiery explosion and blew him out of it and into a street that lead to Central Park and a then a phoenix cry was heard and we appeared!

Me: Rupert Swaggart or do you prefer to be called Meat Sweats.

Nico: We're going to cook you and eat you!

Meat Sweats: Team Loud Phoenix Storm!?

Me: That's right!

Meat Sweats: So you are the ones that killed Oroku Saki.

Me: That's right. He had it coming.

Pyro: You're gonna be burned real good, piggy!

Meat Sweats: Come and try it flame boy!

Pyro fired a blast of fire and burned him all over!

Qin: BACKDRAFT INFERNO!

She fired a wave of fire and blasted him furiously!

Then the Turtle Brothers went at him and slashed and bashed and pulverized him.

KROW BLAM SMASH WHAM BIFF!

Poromon threw a beer bottle at him!

SMASH!

Meat Sweats: OUCH!

Poromon: More where that came from! (Echoing) LIGHTNING JAVELIN!

He fired a massive blast of lightning and electrocuted him.

Me: And another thing, Your food tastes like you cooked a fried boot!

Qin: That's because it IS Fried Boots!

Poromon then drank a beer bottle.

Poromon: Ahh. (BARNEY BELCH)

He threw the bottle and smashed Meat Sweats on his head!

SMASH!

Meat Sweats: OUCH!

Lola: Nice one!

Poromon drank several beer bottles until he got drunk

Poromon: (Slurred Speech) You are the worst cook in the whole (HIC) World.

He threw the bottles and in his drunken state accidentally hit me.

SMASH!

Me: OUCH! HEY! Watch where you're throwing those!

Poromon: Oh shut up!

Manaphy: Oh boy.

Manaphy went over and then…

BASH!

She bashed him on his head with a rolling pin. He was back to normal

Poromon: OW! What did I do! (GROAN) What a headache!

Laney: A Rolling pin?

Manaphy: Drunken madness full moon Rolling Pin.

Me: Nice.

I fired waves of energy and blasted Meat Sweats.

Nico: Manaphy, you like getting drunk too!

Manaphy: Sorry when Poromon hits a member of the team that's when I stop him with a rolling pin.

Nico: Oh. Even though it was an accident that is a good point.

Me: Take this you meat bucket! HORNET STYLE NINJA ART: TOMATOES OF FLYING STINGS!

I fired a wave of energy into the air and it formed into the Hornet Tomatoes and they flew in a delta formation.

Meat Sweats: What the?

The tomatoes formed stingers and then they flew in and stung Meat Sweats face all over the place and it hurt like a son of a bitch!

POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK POINK!

Nico: OOH YIKES!

Horsea sprayed ink and it got into his eyes.

Manaphy, Poliwag, Jirachi and Tentacool fired energy blasts and blasted him all over.

Qin: You like that?

Lola: How about this then!

She fired fireballs and blasted him all over.

Then Trickster, Box Ghost, Ssserpent, Onyx, Evilseed, Mr. Mittens, Aqueduct, Angel, Absorbing Man and Rojo came.

Nico: Trickster, Box Ghost, Ssserpent, Onyx, Evilseed, Mr. Mittens, Aqueduct, Angel, Absorbing Man and Rojo.

Trickster: How was the pizza?

Nico: Pretty good!

Me: Delicious.

Box Ghost: Glad to hear it.

Ssserpent: I hope you saved some for us.

Me: We got some to go.

Onyx: Also, we heard you went to a jewel planet.

Nico: We sure did.

Evilseed: Did you bring some home?

Lincoln formed a massive diamond barrier with absorption energy radiating from the barrier that protected all of us from a massively powerful volley of darkness that came out of nowhere and they hit the barrier, but the darkness volley was absorbed by the barrier and it went into us making us stronger.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Psaro Banesword, or we will force you out.

A figure came out, and it was none other than Psaro Banesword, the genocidal human-despising demon.

Lincoln: Psaro Banesword, I should've known you'd show up as soon as the word of what we did to Aamon reached you, and I'll never forgive you for everything that you've done, you're nothing more than a twisted demon with a dangerous hatred towards humanity who has no regard for anyone human or demon.

Psaro Banesword: YOU DARE TO SPEAK TO ME LIKE THAT?! YOU, A GOD AMONG HUMANS?!

Hailey Fukamiya: Clearly, he's right about you, and I've had enough of you.

Suddenly, Hailey Fukamiya's purple eyes turned neon purple and she was surrounded by a purple energy aura with stars, darkness, swords, books, phoenixes, and angels, she unholstered her Jaaku Dragon-themed greatsword from her back, and as she approached Psaro Banesword, she left purple energy, stars, darkness, swords, books, phoenixes, and angels with every step.

Hailey Fukamiya: Everything that Lincoln said about you is true, you're nothing more than a genocidal spiteful, hate-filled demon with complete disregard to all humans, and there's no place for someone like you in this world or the next, Psaro Banesword. Now, I'll see to it that you pay for all of your crimes with your own blood.

Suddenly, Hailey Fukamiya was surrounded by a massive vortex of purple energy with stars, darkness, swords, and books surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a dark purple phoenix with the logo of Kamen Rider Calibur on its chest and red eyes glaring at Psaro Banesword: the red eyes of eternal death. Then, as the vortex faded, Hailey Fukamiya emerged, but she was changed forever.

Hailey Fukamiya grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large purple orbs orbiting around her legs, she has the body of a goddess, she has dark purple highlights in the bangs of her short violet hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon purple eyes and a purple energy aura with stars, darkness, swords, books, dragons, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Calibur logo on her head and a phoenix emblazoned on her forehead and Third Eye with purple iris, she has on phoenix earrings with purple gems for eyes and holding the Star, Darkness, and Eternity Kanjis in its claws, she also a phoenix with purple gems for eyes and holding the Star, Darkness, and Eternity Kanjis in its claws for the second pendant on the bottom of her purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Hailey Fukamiya has on a sleeveless purple vest, sleeveless purple crop top, purple skirt, purple pants, purple legwarmers, purple sneakers, and long sleeveless white trenchcoat with stars, darkness, swords, books, phoenixes, and angels on the coattails, and on the back is a phoenix and dragon surrounded by darkness and on top is the Kamen Rider Calibur logo. Suddenly, Hailey Fukamiya felt a sharp pain on her back, and then, her massive dark purple angel wings with purple tips on the pink feathers grew much bigger for her new body, and she also now has eleven massive and long dark purple wolf tails with purple tips and purple markings, Hailey Fukamiya has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Hailey Fukamiya's Jaaku Dragon-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of purple energy, stars, darkness, swords, books, phoenixes, and angels, and when it emerged, it was transformed into Hailey Fukamiya's Purple Darkness Jaaku Dragon Kamen Rider Calibur Greatsword of Purple Darkness Jaaku Dragon Kamen Rider Calibur Justice, it's a brand-new massive greatsword with embedded violet gems and the logo of Kamen Rider Calibur etched on the 7'6" massive, wide, double-edged dark purple blade, large dark purple dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large purple gems embedded in their foreheads, longer midnight black handle, four large dark purple dragon heads with violet gems for eyes and on the bottom of the large purple dragon heads is a large purple dragon head with violet gems for eyes and a violet gem in its mouth for the pommel, Hailey Fukamiya has on her large gold Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold dragon's head with purple gems for eyes and large purple gem in its mouth for the belt buckle on her waist, Jaaku Dragon Wonder Ride Book, Ankokuken Kurayami, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Hailey Fukamiya: (Divine Echoing Godly Voice of The Divine Purple Darkness Kamen Rider Calibur Jaaku Dragon Phoenix Angel and Divine Purple Darkness Kamen Rider Calibur Jaaku Dragon Phoenix Angel Love) And end his genocidal campaign to end mankind once and for all.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Hailey Fukamiya.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to destroy mankind are all over, Psaro, now join your fallen henchmen in Oblivion!

Hailey Fukamiya and Lincoln went after Psaro Banesword who continued firing blasts of darkness at them, but Lincoln and Hailey Fukamiya kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, purple energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Psaro Banesword and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Hailey Fukamiya also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Psaro Banesword even madder than ever!

Psaro Banesword: YOU! YOU! (DEMONIC VOICE) I WILL DESTROY YOU ALL!

Psaro Banesword was suddenly surrounded by black energy and he transformed into his true form, The Manslayer.

The Manslayer went at Lincoln, but Lincoln fired a blast of darkness infused with absorption energy and it hit The Manslayer and Lincoln sucked out and absorbed Psaro's large array of magic spells and made them his own, and he also sucked out all of Psaro's energy, and when he was done, Psaro was reduced to a dried-up corpse. Then, Psaro Banesword's drained spirit appeared, and then, Lincoln drew the Judgement Kanji on his head and he was sent to The Black Gates for eternity. We cheered wildly for what Hailey Fukamiya and Lincoln did as they holstered their massive greatswords and powered down and Hailey Fukamiya's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long purple wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive purple angel wings are permanent.

Hailey Fukamiya: Burn in The Black Gates forever, you vile dark elemental. Thank you for helping me get rid of Psaro Banesword forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Hailey.

Suddenly, Hailey Fukamiya wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hailey Fukamiya's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Hailey Fukamiya sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Nico: Oh man, now that's really I call one awesome and epic fight! You showed that demon no mercy.

Lincoln: You said it, and I combined Bi-Han's shadow powers with my life force absorption and power absorption and I sucked out his magic spells and lifeforce.

Me: Which killed him in the end. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The next one is the Gene-Slammer for Megatronus Prime.

Elise Dragonball: Awesome, and there's one girl we know who'd be Gene-Slammed into Megatronus Prime: Yaiko Matoi, Gene-Slammer of Megatronus Prime and Embodiment of Kill La Kill, she's Lincoln's Guardian Angel from Japan and classmate in Gym and she's the twin sister of Ryuko Matoi, the one we know in our world and cousin of Asuka Matoi, but she has pink hair with blue streaks as well as a yellow shirt and blue skirt. She and Lincoln love to make jewelry together and she even made Lincoln an orange necklace. To show thanks, he kissed Yaiko on the lips, and she hates Flip with a burning passion.

Nico: That mutant did something to piss her off big time.

Kenzie Kurama: You got that right, and it was really ugly. Plus, we're also going to meet the Avatar of Gyuki, The Eight-Tailed Ushi-Oni.

Lincoln: Awesome, and there's only one person I know who's the Avatar of Gyuki: Gina Gyuki.

Kenzie Kurama: That's right, and you guys will love meeting her, Gina Gyuki is Lincoln's Guardian Angel from Michigan, and she's the Avatar of Gyuki, The Eight-Tailed Ushi-Oni and she's also a powerful master of lightning and ink and she also knows how to use those eight massive tails as powerful weapons such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them and she can fire balls of ink that's hard to remove. She's also the second-in-command of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Luan with a blazing passion, because one time, Gina and Lincoln were out for a date at Lake Huron, but their date would wind up getting ruined by Luan who came after us and she was absolutely out of her mind yet again. But, that got Gina so mad and furious at Luan that she ran at Luan and she really viciously attacked her with such a brutal passion, and she whipped Luan with her massive eight tails and fired a ball of ink which hit Luan and she was covered head to toe in ink and it even got on her clothes, and she swung her tails and sent Luan flying back to The Loud House, and that'd resulted in Luan getting grounded for nineteen weeks for her attack on Lincoln and sent to the nuthouse.

We gasped.

Nico: Oh… !

Eli: Shit!

Me: And I remembered that day all too well, that's why I saw Luan covered head to toe in ink, yeesh, and it took nine washings in the washing machine to get all the ink off her clothes along with nine baths.

Laney: But, the ink was really hard to remove from her clothes, but she got it off her skin.

Rita: We had to use some liquid dish soap to get the ink off her skin.

Lynn Sr.: We warned Luan about this, but she didn't listen.

Lincoln: She didn't.

Mr. Mittens: Looks like we have another recruit.

Aqueduct: After a fight against him.

Angel: But at least he's down.

Absorbing Man: He sure is.

Me: Yep.

Rojo: Still got more of that pizza?

Nico: We ordered lots of it to go.

Rojo: Awesome.

Nico: Great job today everyone!

Lola: (To the viewers) This was a fun one. Hope you all liked it.

Me: I know we did.

We went back home and enjoyed the rest of the day and went to sleep.

Walking through the world of Magic The Gathering was Nico, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Kamen Rider (1971), Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Dragon Knight Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Wallflower Blush, Alice Kingsleigh, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman and his counterparts, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Swordsman, Spatula Girl, Universe 666 Arthas, Wild Gigazelles, Sword Roidmude and Whale Imagin as well as Captain Marvel, Cora Billingston, Enolas Wendy Marvell, Enolas Lucy Heartfilia, Universe 666 Opaline And Kayara and we were at the Isle of Vesuva and we were there for an awesome rescue.

Me: Been a while since we were in the world of Magic The Gathering.

Camie: It sure has been a while.

Sora Phaaze: Yeah it has been a while and I love the art on those cards.

Lola: They sure are pretty.

Fu: I agree there too.

Captain Marvel: I'm really excited for this one though.

Me: Same with me Carol.

Nico: Carol, I want to thank you, Swordsman, and your teams for coming.

Captain Marvel: No problem Nico. This is gonna be so fun.

Cora Billingston: It sure will be awesome and cool and I can't wait to blow the bad guys away.

Camie: Me too!

Laney: Same here.

Nico: Cora, remember when you first met Lincoln?

Cora Billingston: I sure do and it was when me and him were riding in a hot air balloon. We had a lot of fun there.

Camie: That is cool!

Lincoln: Yep. Her family has a hot air balloon shop and it makes a lot of awesome balloons of different designs.

Xenia: Yeah.

Laney: I remember going up in her balloon once. It was so much fun.

Nico: And now, you're part of Lincoln's harem

Cora Billingston: I sure am and that is awesome.

Xenia: It sure is.

Laney: Yeah.

Me: Boy yesterday's mission and party were both awesome.

Nico: They sure were. It was the first time ever we battled one of the 2018 Turtle Brothers enemies.

Xenia: Meat Sweats was a pig that was UG-LY.

Nico: We showed that pig who's boss.

Qin: We sure did!

Rarity: That was a really fun and delicious pizza party too darlings.

Rainbow Dash: It sure was Rarity and the pizza in New York is just as awesome.

Nico: Yeah it sure is.

Laney: Yep and facing Meat Sweats was awesome too.

Nico: Sorry Poromon hit you, J.D.

Me: No worries. He hit my hard on my head though. Packs a wallop for a little guy.

Nico: No kidding.

Me: I had a nasty lump on my head.

Lola: Ouch.

Qin: Yeah no kidding.

May: But Manaphy hitting Poromon reminded me of Muriel hitting Eustace.

Nico: (LAUGHS) That was funny.

Me: Yeah. Manaphy calls that the full moon drunk rolling pin. She uses it when Poromon accidentally hits one of us in the head in one of his drunk fits.

Nico: I see. That's funny though.

Camie: Yep.

We continued walking.

Nico: How long has it been since we've been here?

Me: Oh gosh its been a while. Last time we were here was when we were in a geyser field of some kind.

Nico: That was awesome.

Lola: Yeah I can't remember though.

Lincoln: Okay, guys, we got ourselves a huge emergency: I got word from Natsu Dragneel that Lucy Heartfilia's so-called father Jude has escaped from prison and is here in the Isle of Vesuva!

We gasped!

Me: WHAT?! THAT FUCKING GREEDY ASSHOLE SHITHEAD ESCAPED FROM PRISON?!

Nico: HOW THE FUCK DID THAT ASSHOLE ESCAPE!?

Lincoln: Nico, tell me we aren't waiting for November to kill-

Nico: No, Lincoln. An abusive parent like him doesn't deserve to live for tomorrow!

Me: I agree!

Maria: I'll call in Lucy and Layla and all of the Fairy Tail Girls and their archenemies.

Nico: Okay.

Maria did so.

Then out of vortexes of magic and elements came Lucy Heartfilia, Layla Heartfilia, Brandish, Aquarius, Cana Alberona, Erza Scarlett, Juvia Lockser, Mirajane Strauss, Flare Corona, Levy MacGarden, Wendy Marvell, Flare Corona and Arixam as well as Count Spankulot, Evil Magic Man, Animated Soundwave, Boss Wolf, Lipsyncher, Xigbar, Jack O Lantern (Billy and Mandy), Tina Levito the Drunk Maiden, Vine Monster, Mortal Kombat Scorpion and Lexaeus.

Nico: Nice!

Lucy Heartfilia: Now we can get ultimate payback on my so-called dad!

Aquarius: What he did makes me angrier than anything!

Xenia: It's unforgivable.

Layla Heartfilia: And I have a few choice words for what he did to me.

Camie: This is gonna be brutal.

Nico: I am a father myself, after all.

Me: Me too.

Eli: Same with me.

Arixam: And lets not forget that he killed me! The coward!

Maria: Yeah!

Nico: How far is he?

Eli: (Senses for him) 100 klicks.

Nico: Okay.

Laney: How did he escape!?

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which formed into a viewing window and we saw the footage at Lynn's Table. Then, we saw Jude get busted out, but then, we saw who it was that freed them, it was none other than that smelly mutant cheapskate and pariah of Gotham Royal York, Flip! The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

WE WERE EXTREMELY PISSED OFF AND SUPER ENRAGED: FLIP WAS THE ONE WHO FREED JUDE HEARTFILIA FROM PRISON!

Nico: That son of a bitch…

Me: (SUPER ENRAGED SCREAM) THAT UGLY STUPID MUTANT! I CAN'T BELIEVE THAT FUCKFACE WAS THE ONE WHO FREED HIM!

Nico: YOU GOOD-FOR-NOTHING STUPID MORON, I'M GONNA SLASH YOUR TESTICLES OFF FOR THIS!

Then, we saw Lincoln's body turn atomic red, and then, he really let out his anger. WE KNEW THAT IT MEANT TROUBLE!

Me and Nico: OH SHIT!

Lincoln: (SUPER NTH-DEGREE ENRAGED EXTREMELY ANGRY SCREAM) (RAINBOW ENERGY AURA FLARES UP EXTREMELY) FLIP, I'M GONNA RIP YOUR CROTCH RIGHT OFF AND SHOVE

THEM RIGHT UP YOUR THREE-CHEEKED SMELLY BUTT, AND THEN, I'M GONNA RIP YOUR ARMS OFF AND SHOVE THEM RIGHT UP YOUR EARS AND SHOVE YOUR LEGS RIGHT IN YOUR UGLY MOUTH! THEN, I'M GONNA TEAR YOUR UGLY HEAD OFF YOUR SHOULDERS, MOUNT IT ON A STAKE, AND PARADE IT THROUGH TOWN! THEN, I'LL TAKE YOUR HEADLESS BODY AND THROW IN THE DESERT FOR THE VULTURES AND OTHER CARNIVORES TO EAT!

May and Varie screamed as May hugged Nico and Varie hugged me tight!

Nico: May, you okay?

May: No… ! Sometimes, Lincoln really scares me when he gets this angry!

Varie: (GULPS) Same here.

But then we felt Eli get really mad! His body was literally firetruck red, and when he opened his eyes, they were literally blood red, and steam whistled out of his ears!

TRAIN WHISTLE!

Me: UH OH!

Nico: Oh fuck!

Eli: (SUPER NTH-DEGREE ENRAGED EXTREMELY ANGRY SCREAM) (RAINBOW ENERGY AURA FLARES UP EXTREMELY) FFFFFFFFFFFLLLLLLLLLLLLLLLLLLLLLLIIIIIIIIIIIIIIIIIIIIIIIIIIPPPPPPPPPPP

Eli teleported and took off to Lynn's Table in a fit of mega destructive rage as he left a trail of superhot flames, and as he barged into the restaurant, he went at Flip and he proceeded to give Flip the nastiest, ugliest, bloodiest, and most graphic beating no one could ever imagine as we saw it through the viewing window the four large orbiting gold rings orbiting around the corners of Lincoln's halo created, and it was indeed ugly.

ELI SMASHED FLIP IN HIS UGLY NOSE, HE TORE HIS

MUSTACHE OFF AND HE SHOVED IT INTO HIS BELLY BUTTON, THEN HE PROCEEDED TO TEAR FLIP'S REMAINING HAIR OFF!

BELLOWING SCREAM OF PAIN!

Me: YIKES!

Nico: HOLY SHIT!

THEN, ELI'S NAILS GREW INTO CLAWS AND HE PROCEEDED TO SCRATCH FLIP ALL OVER THE PLACE WITH HIS SHARP CLAWS DRAWING TONS OF BLOOD THAT TRANSFORMED INTO BLOOD RED RUBIES THANKS TO LINCOLN'S CURSE, THEN, HE GOT OUT HIS SWORD, AND THEN!

SLASH! SLASH!

ELI SLASHED FLIP'S THREE BUTT CHEEKS AND HIS CROTCH CLEAN OFF AND FLIP LET OUT ANOTHER BELLOWING SCREAM OF PAIN!

Me: OH! OH GOD, THAT'S WAY TOO GRAPHIC!

Nico: OH THE INHUMANITY!

Qin: HOLY CRAP!

Lincoln: JEEZ!

Me: GEEZ!

Flip was mutilated and disemboweled and tortured brutally!

AND IT WAS MORE GRAPHIC AND BRUTAL! HE WAS DISEMBOWELED, EVISCERATED, MUTILATED, STABBED AND MORE!

THIS CAUSED EVERYONE TO RUN INTO GARBAGE CANS AND THEY THREW UP LIKE CRAZY!

We ran to comfort everyone barfing in the trash cans.

Nico: HOLY SHIT!

Chunk: OH JEEZ! I THINK I'M GONNA HURL!

Slab: HOLD IT IN PAL!

Twilight and friends hurled all over the place!

PROJECTILE VOMIT STORM!

Luna fainted!

FWOMP!

ELI THEN RIPPED FLIP'S LUNGS OUT AND FED THEM TO EAGLES AND THEN HE RIPPED OUT FLIP'S HEART AND ATE IT IN FRONT OF HIM AND THEN ELI RIPPED OPEN FLIP'S HEAD AND RIPPED OUT HIS BRAIN AND ATE THAT TOO!

But, just when I was about to be proven right, we saw Eli do the worst thing anyone could ever do to Flip: HE GOT OUT A BOMB AND STUFFED IT INTO HIS THROAT, HE GOT OUT OF THE RESTAURANT, AND THEN… !

KABOOOOOOOOOOOOOOOOOOOMMMMM!

THE BOMB EXPLODED AND FLIP WAS COVERED IN SOOT AND HIS LOWER BODY'S SKELETON WAS EXPOSED AND TONS OF GOLD, JEWELS, GEMS, AND CURRENCIES EXPLODED FROM FLIP THANKS TO ELI'S RAMPAGE ON FLIP!

Me: HOLY FUCKING SHIT!

Nico: Eli, kill Flip some other time. We got Jude to deal with!

Eli: IF YOU EVER DO SOMETHING LIKE THAT AGAIN, I'M GOING TO RIP OUT ALL YOUR JUMBLED ORGANS AND TURN THEM INTO SOUP AND MAKE YOU EAT THEM ALL AND THEN I'M GOING TO THROW YOUR MUTILATED ORGAN-LESS CORPSE INTO THE SUN AND THEN VAPORIZE YOU AND BANISH YOUR WORTHLESS SOUL TO THE BLACK GATES!

WE GASPED!

Nico: Un-fucking-believable!

Lincoln: NOW, LIE DOWN AND DIE, YOU GODDAMN UGLY MUTANT CHEAPSKATE ASSHOLE!

Lincoln, Eli, Laney, Luna, Luan, Lisa, Lola, Lana, Leni, Lucy, and Lily teleported back to the Isle of Vesuva leaving Flip there to die with the curse still on him! Lincoln, Eli, Laney, Luna, Luan, Lisa, Lola, Lana, Leni, Lucy, and Lily were breathing heavily thanks to their rampage against Flip, but they've all cooled down a few seconds later.

Nico: Are you, Eli, and your sisters okay, Lincoln?

Lincoln: Yeah, we're feeling better now. But, if that mutant goes way too far one more time, we're going to remove the curse I put on him and we're going to kill him and send him to The Black Gates forever.

Me: That's a promise. Now, let's get after that piece of shit, Jude.

Luna: Right.

Maria: I'm gonna rip that shithead to pieces for what he's done!

Lucy Heartfilia: Save some for the rest of us, we're not letting Jude get away and you guys already tore Flip to shreds, and you made everyone barf.

Luna: Lincoln, Eli, and all of us really tore him apart, but we weren't going to kill him yet, like he said, if Flip goes way too far one more time, it's Black Gates City for him.

Lincoln: You okay, Eli?

Eli: Yeah, I am.

Me: Good.

Nico: Jude can't be far behind now.

Me: Better get my game face on. KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Nico: YEAH!

Me: (Sniffs) Found him! That way!

We saw a figure and it was JUDE HEARTFILIA AND HE WAS IN AN ORANGE JUMPSUIT AND HE HAD RED EYES BLAZING WITH INTENSE HATRED!

Jude Heartfilia: (ENRAGED WITH NTH DEGREE INTENSE RAGE) TEAM LOUD PHOENIX STORM!

HE WAS REALLY PISSED!

Me: Well well. Look what the cat dragged in.

Nico: Have a nice escape time with your fuck buddy Flip?

Jude Heartfilia: IF YOU STUPID ASSHOLES HADN'T GOTTEN IN MY WAY, I WOULD'VE FINALLY KILLED THAT STUPID BITCH AND HAD HER JOIN HER MOTHER IN DEATH AND I WOULD'VE FINALLY GOTTEN RID OF THE FAIRY TAIL GUILD!

Me: You brought all that on yourself, asshole!

Nico: You caused a lot of pain and suffering to too many people, and for what, your selfishness and your greed.

Lincoln: Traits that mutant has all too well, but unlike him who's only got one more strike to go and we kill him for good, you've already sealed your fate when that mutant busted you out of prison.

Jude: I'm going to finish what I started! (Fires gun at Arixam)

BANG!

I then caught the bullet with lightning fast speed.

Me: Not this time!

I fired the bullet back and blew the gun out of his hands!

Arixam: You killed me the last time and for that you're going to pay!

Layla Heartfilia: You killed me the last time Jude!

Jude gasped!

Jude: It can't be! You're alive again Layla!?

Layla Heartfilia: Thanks to the Aparoids. Your poisoning on me made my daughter Lucy stronger than ever. Now I've been wanting to do something like this for a long time.

She went over to him and then…

SLAP!

She slapping him so hard across has face that it knocked out most of his teeth and sent him crashing onto the floor!

Me: Yikes!

Nico: That must've hurt!

He was dripping out blood and had 14 of his teeth fall out of his mouth!

Jude: You're staying dead this time!

Aquarius then bashed him with her jug and knocked him down!

Aquarius: You will have to go through me first!

Brandish: And me! I also found out something! YOU HIRED THAT JERK TO KILL ME MOM!

Nico: Yeah! Wait what?

Me: I did some digging with Aquarius and it turns out Jude hired that insane nut to kill Brandish's mom as well.

Nico: WHY YOU MOTHERFUCKING HEARTLESS FREAK!

Camie: What kind of things did Jude do?

Jude: YOU FUCKING UNGRATEFUL WHORE OF A DAUGHTER! YOU MAKE ME FUCKING SICK! You have been nothing but a fucking thorn in my side and you always RUIN EVERYTHING I DO!

Why?! I hate you LUCY! I HATE YOU MORE THAN FUCKING LIFE ITSELF! I HATE YOU MORE THAN EVERYONE ON THIS FUCKING PLANET! I HATE YOU MORE THAN EVERYONE IN THIS ENTIRE UNIVERSE! I never hated anyone or anything more than I hate you! I HATE YOU INFINITELY MORE THAN ANYONE OR ANYTHING TIMES A THOUSAND TRILLION, BILLION, MILLION, QUADRILLION, INFINITIES! Why is it always you that must make me miserable and come in between me and my money, why must you stand in the way of my plans time after time, again and again?! I GAVE YOU EVERYTHING YOU EVER WANTED AND THIS IS THE THANKS I GET!? WHY! YOU UNGRATEFUL BRAT AND YOU NO GOOD BITCH OF A FUCKING WHORE OF A MOTHERFUCKING BITCH! I am getting so sick of the you and your fucking friends and all of your fucking guild sticking their nose where it doesn't belong! If it hadn't been for you then I would already be rid of you, Fairy Tail Guild and have you married to someone just as rich as me and be the richest ever with more money! BUT NO! YOU JUST HAD TO RUIN EVERYTHING FOR ME AND GO TO FAIRY TAIL AND RUIN MY LIFE! YOU ARE JUST AS DISGUSTING AS YOUR MOTHER! YOU ARE NOT MY DAUGHTER! YOU ARE SATAN HIMSELF! I HATE YOU SO MUCH! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 100,000,000,000,000 UNIVERSES FELT IT AND THEN IT FORMED A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL PHOENIX OF STARS AND RAINBOW FIRE! Me: Big mistake!

Lucy Heartfilia: I saw this then… GOOD FUCKING RIDDANCE!

She flew and kicked him square in the balls with devastating force!

Nico: That's it?! With that power increase, I expected more!

Me: That's just the tip of the iceberg Nico.

Eli: Yeah that breakdown was his downfall and it unlocked something far greater in her.

Nico: Oh. Just getting warmed up.

Horsea: Nico meant that he expected more then a kick to the groin!

Nico: Yeah.

Lucy Heartfilia: Like you said Nico, I'm just getting started.

Nico: Oh.

POW BLAM BIFFF!

She punched him square in the chest and kicked him in the face and smashed him into the wall with incredibly powerful force head first and then grabbed him and threw him onto the floor!

Lucy Heartfilia: Come on fellow Guild Girls. Lets make this insignificant lowlife pay for his crimes!

Suddenly, the colored eyes of Lucy Heartfilia, Layla Heartfilia, Brandish, Aquarius, Cana Alberona, Erza Scarlett, Juvia Lockser, Mirajane Strauss, Flare Corona, Levy MacGarden, Wendy Marvell, Arixam, and Maria turned neon, and they were surrounded by colored energy auras with stars, elemental forces, animals, mythical animals, and angels, they unholstered their greatswords from their backs, and as they approached Jude Heartfilia, they left colored energy, stars, elemental forces, animals, mythical animals, and angels with every step.

Layla Heartfilia: I never thought we'd have to deal with you ever again, Jude.

Lucy Heartfilia: We made sure you would spend the rest of your life in prison.

Brandish: But, even now, you still despised us for ruining your plans.

Aquarius: But, you got what you deserved, you tried to destroy the Fairy Tail Guild and you delighted in making your daughter's life a living Hell and you even murdered her mother.

Cana Alberona: You really make us sick to no end, Jude.

Ezra Scarlett: You have and always will be a good-for-nothing greedy monster with no love in your heart.

Juvia Lockser: You have nothing but darkness and greed in that black hole you call a heart.

Mirajane: You were nothing more than an enemy to The Fairy Tail Guild and a nightmare to all in your path.

Flare Corona: But, what Flip did in breaking you out, that just proved to be another line he crossed.

Wendy Marvell: But, he already got a vicious beatdown from the Louds and their friends, but you, you deserve a lot worse.

Levy MacGarden: That's right, for everything you've done in committing those crimes against The Fairy Tail Guild and Lucy and her mother, you deserve to die in the cruelest and bloodiest way that you can imagine.

Maria: And for what you also did in killing Arixam in cold blood, you're literally in for Hell now with me.

Arixam: And me as well, you good-for-nothing monster asshole!

We were amazed by the transformations of Lucy Heartfilia, Layla Heartfilia, Brandish, Aquarius, Cana Alberona, Erza Scarlet, Juvia Lockser, Mirajane Strauss, Flare Corona, Levy MacGarden, Wendy Marvell, Arixam, and Maria, and when Lincoln saw Brandish, Cana Alberona, Erza Scarlet, Juvia Lockser, Flare Corona, and Mirajane Strauss, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Jude Heartfilia saw it, he went absolutely insane with rage and got out a gun and aimed it at Lincoln to shoot him, but Lincoln fired a blast of rainbow fire which burned his hand and melted his gun and he screamed with pain and rage, and Lucy Heartfilia, Layla Heartfilia, Brandish, Aquarius, Cana Alberona, Erza Scarlet, Juvia Lockser, Mirajane Strauss, Flare

Corona, Levy MacGarden, Wendy Marvell, Arixam, and Maria, and when Lincoln saw Brandish, Cana Alberona, Erza Scarlet, Juvia Lockser, Flare Corona, and Mirajane Strauss fired massive barrages of colored energy, elemental forces, stars, magic, mythological animals, and animals which exploded with incredible power as they hit that asshole, he got back up, but now, he was extremely insane and even more pissed off now!

Lincoln, Lucy Heartfilia, Layla Heartfilia, Brandish, Aquarius, Cana Alberona, Erza Scarlett, Juvia Lockser, Mirajane Strauss, Flare Corona, Levy MacGarden, Wendy Marvell, Flare Corona, Arixam, and Maria went after Jude Heartfilia, and we fired extremely powerful blasts of rainbow energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Jude Heartfilia and they exploded with incredible power as they hit him.

Jude Heartfilia: (NTH-DEGREE FUCKED-UP SCREAM) YOU! YOU! I WILL FUCKING KILL YOU ALL AND SPIT ON YOUR FUCKING GRAVES! NO ONE DEFIES ME AND GETS AWAY WITH IT!

Jude Heartfilia screamed with insane rage and ran at us and Lincoln charged with superhuman speed and kicked Jude Heartfilia hard into the air.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're through, Jude, and this time, stay dead for good, you goddamn greedy prick! OMEGA STYLE NINJA ART: OMEGA PLANETARY JUSTICE RASENSHURIKEN!

Jude Heartfilia: You think you've won?! You think this is all over?! I'LL COME BACK AGAIN AND I WILL DESTROY YOU ALL!

Maria slit Jude's throat with her knife!

She nearly decapitated him!

Xenia: Now to finish him off!

Lucy then painted the judgement kanji on his forehead.

Lucy: Never return and torment anyone else ever again! UZUMAKI BLACK JUDGEMENT SEALING ART: BLACK GATES!

The spirits of all those he hurt appeared and they found him guilty and he was fading away.

Jude: No! You can't do this to me Lucy! I'm your father!

Lucy: As far as I'm concerned, I have no father!

She turned and walked.

Lucy: Good bye forever Jude Heartfilia! And never torment me again!

Jude: NO! LUCY! DAMN YOU TO HELL FOREVER! DAMN YOU! (FADES)

Me: Good riddance, you piece of shit!

Nico: Go to Hell forever, asshole!

We all cheered wildly as Lincoln, Lucy Heartfilia, Layla Heartfilia, Brandish, Aquarius, Cana Alberona, Erza Scarlett, Juvia Lockser, Mirajane Strauss, Flare Corona, Levy MacGarden, Wendy Marvell, Flare Corona, Arixam, and Maria holstered their massive greatswords on their backs and powered down, and Lucy Heartfilia, Layla Heartfilia, Brandish, Aquarius, Cana Alberona, Erza Scarlett, Juvia Lockser, Mirajane Strauss, Flare Corona, Levy MacGarden, Wendy Marvell, Flare Corona, Arixam, and Maria's new bodies, clothes, weapons, gold halo, weapons, jewelry, Third Eye, eleven massive and longer wolf tails, and massive colored angel wings are permanent.

Nico: Finally, our grudge against that asshole, Jude, is finally over!

Me: That asshole has caused enough trouble for the last fucking time.

Lincoln: Now, the plague on The Fairy Tail Guild is finally gone forever.

Lucy Heartfilia: Good riddance to that piece of crap.

Maria: And that was for Arixam!

Arixam: YEAH!

Qin: Good riddance.

Layla Heartfilia: And I got justice.

Xenia: Yep.

Me: Yeah thank goodness.

Lucy then had tears well up in her eyes and then she broke down crying and screaming in sadness and was crying hard and I went over and hugged her and comforted her.

Me: It's all right Lucy. It's gonna be all right.

Maria: That monster is gone for good!

Nico: Yeah thank goodness.

Arixam: Yeah. Good riddance.

Lucy was crying hard into my chest.

Me: It's all over Lucy. It's all over.

Nico: Is she gonna be okay?

Maria: She is just glad it's over. Her father will never hurt anyone again.

Eli: That's for sure.

Laney: Yeah.

Me: Lucy lets give you a place to sit and calm down. We got the Anothers to face.

Nico: How about you head back to the Estate instead?

Me: I'll have a clone accompany her and Natsu can help.

Nico: Good idea.

I formed a clone and they went back to the estate.

Nico: There.

Me: Yeah.

Eli: I sense that the Anothers are The Fossil Fuel 4, Spatula Girl and Swordsman.

Nico: Whoa!

Qin: Interesting.

Nico: Who do we call?

Erza Scarlett: I say we let me kill them! I'm mad to do it!

Me: Erza! No! We'll do that on the main mission. Besides, I'm plenty angry already.

Maria: Stealth Elf, Voodood, Neyari the Nereid and Sprocket.

Nico: Cool!

Eli: This will be good.

Maria: I'll call them in.

Maria did so and out came Stealth Elf, Voodood, Neyari and Sprocket.

Nico: Awesome!

Neyari: Hey guys!

Stealth Elf: We're ready for this.

Sprocket: Whoa! What happened!?

Nico: I sent Lucy to the Estate.

We told them everything.

Stealth Elf: Oh man! That explains why Lucy came back crying and was really upset.

Neyari: Poor Lucy.

Sprocket: And man what a battle. You guys really thrashed the place.

Qin: Yeah no kidding.

Maria: I slit Jude's throat

Sprocket: Cool!

Erza Scarlett: Lucy will be alright.

Qin: Yeah. She's strong.

Me: Yep.

Eli: And I sense that the Anothers are one person.

Nico: Interesting.

Qin: Yep.

Nico: There they are!

We saw the Anothers!

Nico: Whoa!

Me: This will be good.

Another Charcoal Briquette: It sure will.

Nicole: That voice!

Lincoln: I knew it was you Nina Nintendo.

They merged and She reverted back and was a girl with black hair and blue eyes and had green clothes and pink angel wings and she had Felix's magic hammer, Calhoun's blaster and a cool Keyblade and she had a symbol for Anti-Turbotime on her skirt.

Nina Nintendo: Awesome to see you again Lincoln and wow you grew into an amazing young man. And Nicole my leige it's great to see you.

She knelt in respect.

Nicole: Rise my most faithful servant. It's good to see you too.

Nico: Say what?

Nicole: Nina is my most faithful servant. When she was made the Keyblade Knight of the Worlds of Wreck It Ralph, Sugar Rush, Hero's Code and Grand Gaming Station, I took her on as my most trusted servant. She I love her like part of the family.

Nico: Wow.

Nicole: I know. Nina does everything I say and I told her to look out for Lincoln as a guardian angel and also look out for the games that made me the goddess of video gaming like a true Keyblade Knight.

Nico: Wow that is cool.

Maria: Wait until you meet Control Freak

Nina Nintendo: I think it would be cool.

Qin: Yeah.

Nina Nintendo: Looking forward to it.

Nicole: Indeed. By the way is the another Swordsman friendly or hostile?

Nina Nintendo: My liege she is friendly and a powerful one.

Nicole: I see.

Nico: Boy she is really loyal to you Nicole.

Nicole: And she is very helpful too.

Nico: Sorry we gotta do this

Nina Nintendo: I know.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea

dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers.

Nico: This is gonna be good!

Lola: You have no respect for nuclear power at all! Even though it wasn't safe!

Another Fracker: Studies show I'M America's best hope for Energy Independence!

Me: By Poisoning water everywhere with Natural Gas? I don't think so!

Lola: Those studies were INDUSTRY FINANCED!

Another Fracker: YOU LIE!

He fired a wave of flaming water and Lola fired a massive fire blast and the blasts collided and exploded!

Lola blasted him down.

The group fired waves of energy and elements and blasted them down and I caught the Wonder Ride Books!

Me: That was awesome!

Nico: Boy just like the last day of 2019's Earth Day Week all over again.

Kaito: Come again?

Me: On the last day of our most charitable week we faced the Fossil

Fuel 4 at the Springfield Nuclear Crater and destroyed them.

Nico: It was an awesome and charitable week.

Nicole: Yep. We did a huge service for the planet back then.

Laney: It was for a school project for my brother and his friends.

Me: And it ended up evolving into one of the most Charitable Weeks in our team's history.

Kaito: I see.

Me: Yep.

Nico: That was fun.

Nicole: It sure was.

Nina Nintendo: I heard all about that. That was so awesome.

Laney: It sure was.

Nico: Yep.

Me: Now for Another Swordsman.

Nico: She shouldn't be far behind.

Me: There!

We saw a figure coming and it was ANOTHER SWORDSMAN!

Swordsman: I say who is that good looking fellow?

Nico: That is another you.

Camie: Yep.

Another Swordsman: (In a girls voice) This will be fun though.

Me: (GASP) That voice.

She reverted back and was a girl with blue hair and blue eyes, blue clothes and blue angel wings and she had a tiara with the Whale Shark Dopant symbol on it and the same symbol on her skirt and she had a blue sword in her hands.

Me: (GASP) Cestia Rhincodon.

Nico: WHOA! The Embodiment of the Whale Shark Dopant right?

Cestia: That's right.

Me: Yep and she has the powers of water, can talk to fish and even can summon Whale Sharks and even is a masterful and powerful swordfighter.

Nico: Cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Cestia: No he didn't. I used my sword and sent a wave of water and entombed him in it and made my getaway.

Nico: Clever.

Lola: Yeah.

Lincoln: Lets separate you first and then battle the Another.

Lincoln fired a wave of energy and separated her.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Cestia: Lets dance!

She and Another Swordsman clashed and sparks flew and she kicked him down.

Nico: Time to unleash the sword! (ACTIVATES SWORDSMAN AND SPATULA GIRL'S RIDEWATCHES)

Nico fired waves of swords and smashed Another Swordsman down.

May: Taste darkness! (ACTIVATES UNIVERSE 666 ARTHAS AND WILD GIGAZELLES RIDEWATCHES)

She fired darkness blasts and blasted Another Swordsman down.

Maria: Take this one! (ACTIVATES SWORD ROIDMUDE AND WHALE IMAGIN'S RIDEWATCHES)

She fired waves of energy and blasted down Another Swordsman.

Cora Billingston: Take this one! (ACTIVATES SPATULA GIRL'S RIDEWATCH)

She fired a huge spatula and blasted Another Swordsman down.

Then Titanium Man, Kung Food, Android 14, Universe 666 Issei Kurosaki, Happy and Broccoloid King came.

Nico: Nice team Titanium Man!

Titanium Man: (Russian Accent) Thanks Nico. It sure is cool.

?: I agree too.

Gemini Man came.

Me: Gemini Man! Awesome!

Gemini Man: (In a girls voice) These clones are ready.

Nico: Gemini Riley!? Wow!

Gemini Riley: Yep and it's awesome to see you again Nico. I got this.

She split into 4 clones and blasted Another Swordsman and I caught the Ridewatch and purified it.

Me: Awesome!

Gemini Riley: That was fun!

Nico: You're naked, aren't you?

Gemini Riley: I am.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Gemini Riley: I'm ready.

Me: Okay. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and threw up. Then she reverted back and was a girl with aqua blue hair and had blue eyes and blue angel wings and she had the symbol of Gemini in the middle of her forehead.

Gemini Riley: (GROANS) That hurt. (Sees herself) Whoa! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade moved in and gave her an awesome sky blue outfit.

Gemini Riley: Wow! I look great!

Nico: You sure do.

Nico: At least nothing happened when you threw up.

Gemini Riley: Thank goodness.

Cora Billingston: What's your favorite memory of Nico?

Gemini Riley: When me and Nico went into a mafia building and I used my clone powers and bashed down the mafia and we got them arrested.

Nico: That was awesome.

Me: Cool.

Nico and Gemini hugged.

Nico: I've missed you.

Gemini Riley: Me too Nico.

We went back home.

Gina Gyuki: And I also fired ink in his eyes.

Then, Lincoln grabbed Mikaela Hyakuya by his neck and lifted him off the ground, and then, he sank his fangs into his neck and he sucked out all of his blood which reduced him to a dried-up corpse and when his spirit appeared, Lincoln banished Mikaela Hyakuya to The Black Gates forever and burned his lifeless body. We cheered as we holstered our weapons and powered down.

Lincoln: You're done running loose, Mikaela, now burn in Hell forever. (To Yaiko Matoi and Gina Gyuki) And it's so good to see you both again, Yaiko Matoi and Gina Gyuki.

Yaiko Matoi: You too, Lincoln.

Gina Gyuki: It's been seven years since we last met.

Lincoln went up to Yaiko Matoi and Gina Gyuki and he hugged them, and Yaiko Matoi and Gina Gyuki are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on her face, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Yaiko Matoi: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Gina Gyuki: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., the first girl is Yaiko Matoi, Gene-Slammer of Megatronus Prime and Embodiment of Kill La Kill, she's my Guardian Angel from Japan and classmate in Gym and she's the twin sister of Ryuko Matoi, the one we know in our world and cousin of Asuka Matoi, but she has pink hair with blue streaks as well as a yellow shirt and blue skirt.

Asuka Matoi: She and Lincoln love to make jewelry together and she even made Lincoln an orange necklace. To show thanks, he kissed Yaiko on the lips, and she hates Flip with a burning passion.

Nico: Looks like we've got another jewelry maker and expert, that's so awesome.

Rarity: Indeed.

Kenzie Kurama: And the second girl is Gina Gyuki, Avatar of Gyuki, The Eight-Tailed Ushi-Oni, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Gyuki, The Eight-Tailed Ushi-Oni and she's also a powerful master of lightning and ink and she also knows how to use those eight massive octopus tentacle tails as powerful weapons such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them and she can create and fire balls of ink that's hard to remove. She's also the second-in-command of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she never shows any mercy to those who dare to hurt Lincoln. She also really hates Luan with a blazing passion, because one time, Gina and Lincoln were out for a date at Lake Huron, but their date would wind up getting ruined by Luan who came after us and she was absolutely out of her mind yet again. But, that got Gina so mad and that furious at Luan that she ran at Luan and she really viciously attacked her with such a brutal passion, and she whipped Luan with her massive eight octopus tentacle tails and fired a ball of ink which hit Luan and she was covered head to toe in ink and it even got on her clothes, and she swung her tails and sent Luan flying back to The Loud House, and that resulted in Luan getting grounded for nineteen weeks for her attack on Lincoln and sent to the nuthouse.

We gasped.

Nico: Oh, this we got to hear. I hate to find out what Luan did that got her that kind of punishment from Gina.

Lincoln: Trust me, you'll wish you had Luan tied up in a straitjacket and thrown in a padded cell in a mental hospital for life, and now that you and Gina are here, Yaiko.

Lincoln went up to and hugged Yaiko Matoi in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Yaiko Matoi: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on Yaiko Matoi and Gina Gyuki's neck with pink gems on the gold lightning bolts and pink crystal links from their merged Crystal Necklaces of The Buddha along with two white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Gina Gyuki: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Yaiko Matoi and Gina Gyuki.

Yaiko Matoi and Gina Gyuki had a smile on their faces and tears in their eyes as Lincoln still had his arms around them and he leaned down to their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Kaoruko Rokuonji, Toa Narumi, Ashe R. Sakuragi, and Mihiro Miyase from Wagamama High Spec.

Lincoln: Oh wow, it's Kaoruko Rokuonji, Toa Narumi, Ashe R. Sakuragi, and Mihiro Miyase from Wagamama High Spec.

Nicole: Whoa, awesome.

Lincoln: You said it. Are you all okay?

Kaoruko Rokuonji: Yes, we're okay, thanks to you.

Then, when Kaoruko Rokuonji and the three girls saw who it was that saved them from Mikaela Hyakuya, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope

Kaoruko Rokuonji: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Kaoruko Rokuonji: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kaoruko Rokuonji, Toa Narumi, Ashe R. Sakuragi, and Mihiro Miyase with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villain we went after was our old enemy, Mikaela Hyakuya, who's come back from the dead wanting revenge on us.

But, when Lincoln showed what we all did in beating him down and Lincoln biting him on the neck and sucking out all his blood and banished his soul to The Black Gates for all eternity, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln, Yaiko Matoi, and Gina Gyuki have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I never thought we'd have to deal with Mikaela again.

Lincoln: Even after we destroyed him all those years ago, he still wanted revenge on us, especially on J.D.

Me: But, that was in a dream years ago.

Nico: True, but either way, we got rid of Mikaela and he's never ever coming back.

Me: You said it.

* * *

After finally getting rid of Mikaela and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Yaiko Matoi and Gina Gyuki saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Yaiko Matoi: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Gina Gyuki: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Yaiko Matoi: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Gina Gyuki: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Gina, Yaiko, mind telling us of that little incident that ended with Luan getting covered in ink?

Yaiko Matoi: Gladly, and that mutant, Flip, was also involved in it as well. One time, Lincoln, Gina, and I along with the rest of his Guardian Angels and harem were at Lake Michigan for an awesome beach date. But, our day was rudely interrupted.

Gina Gyuki: Suddenly, we heard the deranged laughter that we knew all too well, it was Luan and she was out of her mind and completely insane. But, I had enough of that homicidal nut job, so I formed a massive ball of ink from my octopus tentacle tails and fired the ball of ink at Luan, and she not only got hit hard, but she was drenched head to toe in ink. Then, I swung my tails and swatted Luan back to The Loud House, and that resulted in Luan getting grounded for nineteen weeks for her attack on Lincoln and sent to the nuthouse.

Yaiko Matoi: But, we realized that this wasn't just Luan going on another mad spree of destruction, so we did some digging around in town, and we soon found out that the person who sent Luan on the attack on Lincoln was Flip, and he planted a mind control chip in her.

We gasped.

Nico: THAT GODDAMN MUTANT!

Me: I remember that incident, after you told us that, we removed the chip from Luan.

Lincoln: Then, Yaiko and I went after Flip and we beat the living daylights out of that stupid airheaded dumb old rag and we called the cops on his butt and they grabbed him and sent him back to prison yet again.

Lynn Sr.: This was after we got rid of Dark Luan, but that goddamn mutant put that mind control chip on my daughter to make her kill my son and make us think Dark Luan has returned once more?! Oh, I wanted to do more than just beat his three-cheeked butt into the ground, I wanted to smash his head open and let all the air out of his ugly head!

Rita: Same with me.

Me: It was further proof of how much of a stain Flip really is.

Nico: Not only on Michigan, but mainly on the Louds as well. If he goes too far one more time, then, he'll be facing the full revenge of The Louds infinite-fold for the seven years of bullshit and crap he's pulled on them and on Royal Woods before it became Gotham Royal York.

Lincoln: Now, that would be something.

We got a shower afterwards, and then, Lincoln, Ingrid, Simulator Explora, Simulator Odango, Simulator Ruri, and Simulator Sirina are heading to Coral Capers.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Ingrid, Simulator Explora, Simulator Odango, Simulator Ruri, and Simulator Sirina are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Ingrid, Simulator Explora, Simulator Odango, Simulator Ruri, and Simulator Sirina had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Ingrid: Wow, so this is Coral Capers, it sure is beautiful.

Lincoln: It sure is, Ingrid, and it's perfect for our first date. Shall we?

Lincoln, Ingrid, Simulator Explora, Simulator Odango, Simulator Ruri, and Simulator Sirina dived into the waters and we had fun swimming in the ocean, and we also saw the creatures that lived there, then, we went back to the beach and we had an awesome volleyball game, and Ingrid, Simulator Explora, Simulator Odango, Simulator Ruri, and Simulator Sirina got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Ingrid, Simulator Explora, Simulator Odango, Simulator Ruri, and Simulator Sirina and they hugged them in their abnormally massive and powerful muscular arms, and Ingrid, Simulator Explora, Simulator Odango, Simulator Ruri, and Simulator Sirina placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Coral Capers, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ingrid, Simulator Explora, Simulator

Odango, Simulator Ruri, and Simulator Sirina with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Ingrid, Simulator Explora, Simulator Odango, Simulator Ruri, and Simulator Sirina are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to Ingrid, Simulator Explora, Simulator Odango, Simulator Ruri, and Simulator Sirina, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

Later it was time for another Super Mario Galaxy adventure.

Nico: Bubble Blast Galaxy is next.

Nicole: Cool! That one was a maze and it was awesome.

Will: Me and Bloom will go with.

Nico: Okay.

They went in and the simulator activated and then they were at BUBBLE BLAST GALAXY!

Nico: Cool!

Will: This will be cool.

Nicole: (On the Radio) This one is just like a maze. But you can fly over the maze and go for the star in the center. But Goombas will come for you.

Bloom: Like those over there?!

Nico: Yep.

Nicole: There's a lot of them.

Nico: This will be good.

?: Let me help too.

A girl came and she had red hair and red eyes and had blue clothes and she had red angel wings and had a tiara with the Kakurangers Symbol on it and she had the same symbol on her skirt.

Kayley Kakuranger: Kayley Kakuranger, Embodiment of the Kakurangers/Aquitar Rangers is here.

Nico: awesome to meet you. Want to help us?

Kayley Kakuranger: Sure.

They were off and it was going to be awesome.

Nico: (gets out Swordsman and Cavalier's Ridewatches) Time for some sword action!

Nico activated them and he got swords and he slashed the Goombas.

Bloom fired waves of fire and blasted the Goombas.

Will fired waves of lightning and blasted the Goombas all over.

Kayley blasted the Goombas with water and drenched them.

Nico: Nice one!

They went for the star and they got it!

YOU GOT A STAR!

Kayley Kakuranger: That was awesome!

Bloom: Yeah it was!

They all high five.

Will: Tell us more about yourself.

Kayley Kakuranger: I'm a surfer and I also like to swim. I like to swim with fish as well. I'm also a mermaid as well and I have all the powers of water.

Nico: Wow that is cool!

Bloom: Yeah!

Kayley Kakuranger: That sure is cool. Also I was born on the planet Aquitar but raised on Earth.

Nico: Wow! That is amazing. Would you like to join the team?

Kayley Kakuranger: I would be honored.

They left the simulator and we cheered for them.

---

Later we were watching TV and then we saw that the Mascots came back and they had bags full of stuff.

Taylor Earhart: Dare I ask what you guys bought?

Poromon: Bath toys.

Nico: Bath toys?

We saw the toys and they had rubber duckies and more.

Me: Whoa look at all the different rubber duckies.

Nico: Aww.

Poliwag: And we got this one.

He pulled out a duck that looked like E-Mail, Uncle Grandpa's rubber duckie.

Lana: Is that E-Mail?

Poliwag: We brought our own E-Mail.

He quacked and his quack sounded like Internet Static.

Uncle Grandpa: You guys have a lot of great duckies here.

Poromon: We sure do.

Qin: You guys gonna go take a bath with these later today?

Manaphy: We sure are.

Sacagawea: What else is there?

Nico: Sacagawea? Wow awesome to see you here.

Sacagawea: Same here.

Poromon: We got swimming frog toys, fish toys, so much more.

Me: Boy these bring back memories. I loved playing with these in the tub and in the pool.

Nico: Yeah good times.

Sacagawea: That is so awesome there.

Lola: Yeah.

Thundercracker: Technically, you guys are the right age to play with them

Nico: Yep.

Poromon: That is true. Even though we drink beer we are still kids.

Me: You sure are.

Lola: Yeah..

Silverbolt: You guys go into a body of water and play with your new toys!

Me: Our swimming pool, lake or anything will do.

Poromon: Yeah!

Poliwag: We'll have a bathtub fun session too.

Xenia: Cool!

The mascots came back from their fun.

Vice: How was playing with your bath toys?

Poromon: Awesome! We had a lot of fun.

Camie: Cool cool.

Qin: Yeah.

Sacajawea: Well I'm with you guys for a good reason.

Me: Larry Daley must be in trouble.

Sacajawea: That's right. He'll tell you guys when we get there.

Nico: Okay.

The previous group came.

Trickster: Can me, Box Ghost, Ssserpent, Onyx, Evilseed, Mr.

Mittens, Aqueduct, Angel, Absorbing Man and Rojo go with you guys?

Nico: Yes you all can come with.

Qin: Awesome.

Lola: This will be fun.

Lana: Wonder what Larry is having problems with.

Nico: We'll find out.

Trickster: Can me, Box Ghost, Ssserpent, Onyx, Evilseed, Mr. Mittens, Aqueduct, Angel, Absorbing Man and Rojo go with you guys?

Nico: Yes you all can come with.

Qin: Awesome.

Lola: This will be fun.

Lana: Wonder what Larry is having problems with.

Nico: We'll find out.

Grenade Man: Nico, which Gene Slammer of me and my fellow Robot Masters do you think you'll meet next?

Nico: Shadow Man next.

Me: Cool cool.

Qin: This is gonna be fun.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Sir Lancelot, one of the exhibits in the Smithsonian, and it looks like he's causing trouble once again. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is Sir Lancelot, one of the exhibits in the Smithsonian, and it looks like he's causing trouble once again.

We gasped.

Nico: We haven't been to the Smithsonian or the New York Natural History Museum in a long while.

Me: We better get there at once and find Larry and tell him the situation.

But, we also saw that Selene Lancelot's purple eyes turn blood red.

Lincoln: Oh no.

Melanie Artorgius: Oh shit, this isn't good. I hadn't forgotten that her ancestor was none other than the traitor to King Arthur's Court, and that she hated him with a bloody passion.

Michaela Artorgius: Same here.

Maria Tristan: Which means she's gonna go ballistic on this mission. We'll keep her restrained as soon as we get to the Smithsonian, Nico.

Nico: Good idea.

The Noble Knight Gene-Slammers restrained Selene Lancelot with chains of light magic to keep her from going ballistic.

Lincoln: Nice one.

Me: Whoa! We got to get over there to confirm it.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Sinthea Shmidt A.K.A. Sin and the daughter of Red Skull, and she's come for revenge on us for what we did to her father. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Sinthea Shmidt A.K.A. Sin and the daughter of Red Skull, and she's come for revenge on us for what we did to her father.

We gasped.

Me: So, the daughter of that heartless God-hating Nazi's arrived?! I'll make sure that she joins her wretched father in The Black Gates!

Sayaka Hikaru: Wait, J.D. I've got a better idea, we're going to defeat her, but instead of her meeting the same fate as her heartless God-hating Nazi father, we're going to condemn her to forced eternal servitude to The Masters of Evil and have her be the archenemy of Riley "Ruby Carbuncle" Mackenzie.

Riley Mackenzie: Awesome idea, Sayaka.

Lincoln: I like that idea too, Sayaka. Okay, we'll defeat her and then condemn her to forced eternal servitude to The Masters of Evil and have her be the archenemy of Riley "Ruby Carbuncle" Mackenzie, but I'll also be putting a lethal curse on her, one that'll kill her if she tries anything to rebel against Vypra and still seek revenge on us for Red Skull's death.

Nico: Awesome, and we're still keeping an eye on Tanya and Frost, after that stunt Tanya pulled with creating that Dark Cupid clone, I'm surprised we hadn't come together with Vypra and decided to kill her and Frost. Alright, gang, let's go, we're heading to The Smithsonian.

Lincoln: And take down Sir Lancelot, and once we get done taking down Sir Lancelot, you're next, Sinthea Shmidt A.K.A. Sin.

Sayaka Hikaru: You're not getting out of this, Daughter of Red Skull, you're in for the worst kind of punishment that's even worse than death.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to take down Sir Lancelot, and once we get done with him, Sayaka Hikaru and Lincoln are going to viciously beat down Sinthea Shmidt A.K.A. Sin and make her pay for everything she's done and also in the name of her heartless God-hating father.

We were off to New York City.

---

We arrived in the New York Natural History Museum.

Nico: Wow this is amazing to be here again..

Ssserpent: Been a long time since you visited the museum.

Nico: It sure has been a while.

Camie: It's amazing that all this is here.

Me: Yep.

Larry Daley: Hey guys! Long time no see.

Totally Spies Alice: Hey, Larry!

Me: Been a while.

Larry Daley: Boy I can see that and wow you guys have so many more members to the team! Wow you guys have been busy recruiting.

Me: I know. And Nico is now in charge of the team. I promoted Nico to full time leader. He earned the position fair and square.

Nico: It's true. Lots of things have happened since we saw you the last time over 3 years ago.

Evil Seed: Our ranks have grown too.

Larry Daley: I can see that too. Wow! You guys have really been busy.

Me: Yeah.

Twilight Sparkle: And it's an honor to be here.

Larry Daley: Boy I can tell. And I was kept up to date on all your adventures when I'm on my break.

Me: That's good you were keeping tabs. How has everyone been?

Larry Daley: I can see Sacajawea told you to come here. But everyone is doing great.

Everyone came.

President Rosevelt: It's good to see you again J.D.

Me: You too Mr. President.

Amelia Earhart: And it's good to see you again Taylor.

Taylor Earhart: Same to you Great grandmother.

Knight Man: So, why did you call for us?

Larry: Well, do you guys remember the tablet?

Nico: The one that brings the exhibits to life. Yeah. Why?

Larry Daley: Well it was stolen by Sir Lancelot and taken to the British Museum of History.

WE GASPED!

Nico: Oh man!

Selene Lancelot: My ancestor did this!? Oh man! I knew my ancestor did terrible things back in the days of the Knights of the Round Table but this is crazy!

Larry Daley: I didn't know your ancestor was Sir Lancelot.

Selene Lancelot: Yes my ancestor was Sir Lancelot and you obviously read about what he did back over 1,500 years ago. Well He is family to me and means more than all that to me.

Larry: There's more. The tablet has a corrosion.

Aqueduct: Say what now?!

Me: You mean the tablet is decaying!? Not good!

Nicole: That tablet is a piece of important history and friendship to all of you.

Amelia Earhart: I know.

Nico: Not good. We got to fix it.

Headstrong: This is serious! If we don't fix the tablet, the exhibits won't be alive anymore!

Nico: I agree. Looks like we're going to England. We already know much about Sir Lancelot and what he was like in real life but what can you tell us about this one?

Larry Daley: Well this one is trying to impress Guenevere.

Nico: Yeah that was his love back over 1,500 years ago.

Larry Daley: Exactly.

He went over his history.

In real life history, Sir Lancelot was one of King Arthur's Knights of the Round Table. He was considered to be one of Arthur's greatest knights. His affair with Arthur's wife and queen, Guinevere, had corrupted him into being vain and arrogant.

Larry and the others were saved by Lancelot when he stopped a triceratops skeleton from attacking them. He then helps them defeat a multi-headed snake and Larry tells him that they got to the Egyptian exhibit and must be on their way. When they get back, Lancelot reveals his true motives to steal the tablet of Ahkmenrah so he can win Guinevere over and this leads to a wild goose chase with Larry and the other exhibits chasing Lancelot throughout London.

He enters a movie theater playing a stage show of Camelot where he mistakes actor Hugh Jackman (Huge Ackman as he pronounces it) as King Arthur and actress Alice Eve as Guinevere, but they later correct him that it is a stage show, which gets Lancelot upset as he dashes with the corroding tablet in hand.

All of the exhibits start to turn back into lifeless statues and Lancelot's nose starts melting, due to being made out of wax. After seeing Larry and the dying exhibits mourn Dexter the monkey's death, Lancelot has a change in heart (thinking that the monkey was the task) and aligns the tablet pieces which causes the tablet to turn gold and revive everybody including Dexter.

Years later, he joins the other imported British exhibits to the Museum of Natural History in a dance party dancing next to the Easter Island Head.

---

When it was done we were shocked! But at the same time we felt bad for him. He did this out of love and he still has honor.

Selene Lancelot: At least he has his honor. So we'll either put him in the Redemption Squad, M.O.E. or both.

Camie: Good idea.

Absorbing Man: Who wants to hop on Rexy?

Eli: I do!

Me: I knew you would bro.

Larry Daley: Eli sure loves dinosaurs doesn't he?

Me: Yeah he loves dinosaurs including the ones from Paleozoic World and all that.

Larry Daley: That is cool!

Eli got on Rexy.

Eli: Awesome. Good boy Rexy.

Genghis Khan: I will make Lancelot history!

Me: He already is part of the worlds history but yeah I know what you mean.

June Carrington: But it's awesome to see some of my fellow people here.

Laaa: (Grunts)

June Carrington: It's all right Laaa.

Larry Daley: It's okay Laaa. She's a friend.

Me: June is from the same time period as Laaa is. She's over 200,000 years old.

Nico: Yep.

Larry Daley: Wow! That is amazing.

Rexy panted like a dog.

Brimstone: I like how a dinosaur skeleton like him acts like a dog.

Nico: Yeah that is cool.

Larry Daley: It sure is.

Nico: Well we got to get over there and fast.

Eli: Yeah. I agree there.

Larry Daley: Yeah I agree too.

President Rosevelt: This is gonna be good.

Me: How much time do we have before the tablets powers are rendered dead?

Larry Daley: Could be anywhere from from 24 to 36 hours.

Nico: We can buy you guys time and use our powers to give you guys an extra day!

Rojo: Good thinking!

Me: Better make it 48 hours just to be on the safe side.

Nico: Okay.

Nico and me used our powers and used our magic and made them go for 2 more days.

Nico: Lets get a move on.

We were off to England.

---

We arrived in England and we were in front of the British Natural History Museum.

Camie: The British Natural History Museum.

Xenia: Awesome.

Rampage: How exactly are we going to fix the tablet?

Nicole: Leave that to me. I can use my time powers to fix it as well as use my powers to make the tablet permanently perfect and indestructible.

Nico: Good idea.

Lola: Yeah.

Angel: Can't really blame it for corroding. How old is that exactly?

Nicole: The tablet is over 6,000 years old. Its been around since 4000 B.C.

Nico: Whoa! That is ancient.

Xenia: It sure is.

Nicole: Yeah and as an archaeologist myself I know a lot about the worlds history and how every artifact came into being.

Xenia: Yeah that is awesome.

Buzzsaw: No wonder it's beginning to corrode!

Nicole: Time is starting to catch up to it.

Nico: Lets go find it. But like before we'll have the battle taken to Glaren to avoid damaging stuff in the museum.

Xenia: Good idea.

Mr. Mittens: Assuming he doesn't start off with damaging stuff in the process.

Nico: I don't think he would ever resort to that.

We went into the museum and saw that it was an amazing place.

Me: Wow what a museum.

Nico: It sure is awesome.

We looked around and there were a lot of exhibits.

Me: Amazing.

Barbossa: He be here somewhere

We heard voices.

Me: Listen.

We turned a corner and in a room was saw Sir Lancelot and Lady Guenevere.

Sir Lancelot: I have the tablet and we can be together now.

Lady Guenevere: Lancelot you can't steal that from another part of the world. It's not right.

Onyx: There they are!

Me: Yep.

Nico: Lets do it. Entrance time.

We went at them.

Sir Lancelot: I was doing this for…

But then the area turned into the planet Glaren. Then the spirits of the Knights of the Round Table appeared around Lancelot and Guenevere and swirled around them and then converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and we came out.

Me: Sir Lancelot of the Lake. An honor to finally meet you in person.

Sir Lancelot: And who art thou?

Me: We are the most powerful force in the entire universe, we are Team Loud Phoenix Storm.

Guenevere: I've heard so much about you all. You have done it all.

Qin: All that and more.

Khybon: Fork over the Tablet!

Lancelot: (holds it in front of him) Careful. You may have spared the musuem we were just in. But one wrong move and you'll be looking for fragments all over again.

Shattered Dimensions Spidey: Don't remind me!

ZOOM!

I grabbed the tablet with Rainbow Dash's super speed.

Lancelot: NO!

Me: Not this time.

Lancelot unsheathed his sword and went at us and then…

CLANG!

Selene Lancelot clashed with her ancestor.

Selene Lancelot: Ancestor, stop this madness right now!

Lancelot: (GASP) Who are thou?

Selene Lancelot: My name is Selene Lancelot, and I am your descendent. 1,500 years ago you were one of the greatest knights of King Arthur's Knights of the Round Table and you were in love with Lady Guinevere. You betrayed the knights and went to France and formed your own Knighthood there.

Nicole was restoring the tablet.

But that's when Lancelot saw Poromon, who just got drunk drinking several bottles of beer,

Lancelot: You would dare to face me in such a state?

Box Ghost: (facepalms) Oh no.

Me: Oh great!

Poromon: (Slurred speech) I may be drunk but I can (Hic) do this!

He threw bottles and they hit Lancelot!

SMASH SMASH SMASH SMASH!

Me: Nice one. At least it wasn't me this time.

Lancelot: Ouch! That hurt!

Selene Lancelot: Then we need to stop you from getting the tablet.

She and Lancelot clashed.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

She and Lancelot really clashed all over.

They were really going at it.

Lady Guinevere: Wow! Selene is really doing well against him.

Me: SHe is a great swordsmaster.

Lincoln: That's one of my awesome guardian angels for you.

Poromon rushed at Lancelot.

Selene ducked and Poromon pecked him.

Lancelot: OUCH OUCH OUCH OUCH OUCH!

He slapped at Poromon but he dodged him.

Poromon: Nice try! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him.

Nico: Nice one!

Lancelot: I will not be stopped by someone so small!

SMASH!

He threw more Beer Bottles and smashed him on his head!

SMASH SMASH SMASH SMASH SMASH SMASH!

Nico: Nice one!

Nico: It should be nearly fixed.

Nicole: It's almost there.

Abis Mal: Sorry. We don't meant to rush you.

Nico: No worries.

Nergal: But Lancelot's not backing down!

Me: No but he is giving Selene a good challenge.

Nergal: Boy Descendent VS Ancestor. That is really cool.

Lola: It sure is.

Motor Ed: We heard you wasted Lucy's dad.

Qin: We sure did.

Mojo Jojo: Is she okay?

Me: I checked on her 45 minutes before the mascots came back with their new bath toys and she is doing much better now.

Mojo Jojo: That's good she's doing okay.

Me: Yep.

Me: Up for another round I see Shrieker?

Shrieker: I sure am.

Lincoln formed a massive diamond barrier that protected all of us from a massively powerful volley of bullets that came out of nowhere and they hit the barrier, but the bullets bounced off the barrier.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Sin, or we will force you out.

A figure came out, and it was none other than Sinthea Shmidt A.K.A. Sin, daughter of The Red Skull.

Lincoln: Sinthea Shmidt A.K.A. Sin, I should've known you'd show up as soon as the word of what we did to your father reached you, and there's absolutely no way I'll ever forgive you for everything that you've done, you're just as evil and heartless as your heartless God-hating father who committed a lot of crimes in World War II.

Sin: YOU DARE TO SPEAK TO ME LIKE THAT?! I WILL HAVE YOUR HEAD FOR WHAT YOU DID TO MY FATHER!

Sayaka Hikaru: Clearly, he's right about you, and to tell you the truth, I've had just about enough of you.

Suddenly, Sayaka Hikaru's yellow eyes turned neon yellow and she was surrounded by a yellow energy aura with stars, light, swords, books, phoenixes, and angels, she unholstered her Kougouken Saikou-themed greatsword from her back, and as she approached Sinthea Shmidt A.K.A. Sin, she left yellow energy, stars, light, swords, books, phoenixes, and angels with every step.

Sayaka Hikaru: Everything that Lincoln said about you is true, you're just as evil and heartless as your heartless God-hating father who committed a lot of crimes in World War II and even now in the modern era, you're still spreading your father's doctrine of hate, you're just a sick twisted bitch who has no goddamn regard for the lives around her, and now, I'll see to it that you pay for all of your crimes with your own blood, Sinthea Shmidt, and I'll make you suffer just as your father did!

Suddenly, Sayaka Hikaru was surrounded by a massive vortex of yellow energy with stars, light, swords, and books surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a white phoenix with the logo of Kamen Rider Saikou on its chest and red eyes glaring at Sinthea Shmidt A.K.A. Sin: the red eyes of eternal death. Then, as the vortex faded, Sayaka Hikaru emerged, but she was changed forever.

Sayaka Hikaru grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large yellow orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights in the bangs of her long golden yellow hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon yellow eyes and a golden yellow energy aura with stars, light, swords, books, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Saikou logo on her head and a phoenix emblazoned on her forehead and Third Eye with yellow iris, she has on phoenix earrings with yellow gems for eyes and holding the Star, Light, and Eternity Kanjis in its claws, she also a phoenix with yellow gems for eyes and holding the Star, Light, and Eternity Kanjis in its claws for the second pendant on the bottom of her yellow phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with yellow crystal links from her merged Crystal Necklace of the Buddha and yellow gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Sayaka Hikaru has on a sleeveless orange vest, sleeveless yellow crop top, yellow skirt, yellow pants, yellow legwarmers, yellow sneakers, and long sleeveless white trenchcoat with stars, light, swords, books, phoenixes, and angels on the coattails, and on the back is a phoenix surrounded by light and on top is the Kamen Rider Saikou logo. Suddenly, Sayaka Hikaru felt a sharp pain on her back, and then, her massive yellow and dark blue angel wings with white tips on the yellow feathers grew much bigger for her new body, and she also now has eleven massive and long yellow wolf tails with dark blue tips and dark blue markings, Sayaka Hikaru has on her Ring of the Phoenix with large yellow gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sayaka Hikaru's Kougouken Saikou-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of yellow energy, stars, light, swords, books, phoenixes, and angels, and when it emerged, it was transformed into Sayaka Hikaru's Yellow Solar Light Kougouken Saikou Kamen Rider Saikou Greatsword of Yellow Solar Light Kougouken Saikou Kamen Rider Saikou Justice, it's a brand-new massive greatsword with embedded dark blue gems and the logo of Kamen Rider Saikou etched on the 7'6" massive, wide, double-edged dark golden yellow blade, large golden yellow dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large dark blue gems embedded in their foreheads, longer midnight black handle, four large golden yellow dragon heads with dark blue gems for eyes and on the bottom of the large golden yellow dragon heads is a large golden yellow dragon head with dark blue gems for eyes and a dark blue gem in its mouth for the pommel, Sayaka Hikaru has on her large gold Bracers of The Champions of The Universe with golden yellow gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold dragon's head with purple gems for eyes and large purple gem in its mouth for the belt buckle on her waist, Kin no Buki Gin no Buki Wonder Ride Book, Kougouken Saikou, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below the phoenix that said, "Sayaka Hikaru, Embodiment of Kamen Rider Saikou, Loving Daughter of Yuri Also Known As Kamen Rider Saikou, Master of The Powers of Light, Wielder of The Kin no Buki Gin no Buki Wonder Ride Book, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Geiru Toneido, Destroyer of Sinthea Shmidt Also Known as Sin, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Phoenixes, and Angels"

Suddenly, Sayaka Hikaru's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Sayaka Hikaru has transformed into SUPER ANGEL-KAMEN RIDER SAIKOU-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE KAMEN RIDER SAIKOU YELLOW SOLAR LIGHT KOUGOUKEN SAIKOU PHOENIX ANGEL OF DIVINE KAMEN RIDER SAIKOU YELLOW SOLAR LIGHT KOUGOUKEN SAIKOU PHOENIX ANGEL JUSTICE AND DIVINE KAMEN RIDER SAIKOU YELLOW SOLAR LIGHT KOUGOUKEN SAIKOU PHOENIX ANGEL LOVE!

We were really amazed by Sayaka Hikaru's Super Angel-Kamen Rider Saikou-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Sinthea Shmidt saw it, she went mad with rage and fired more bullets at her, but Lincoln formed another diamond barrier that caused the bullets to bounce off and Sayaka Hikaru fired a massive and powerful barrage of yellow energy, stars, light, swords, books, phoenixes, and angels, which hit Sinthea Shmidt and she was knocked down, she got back up, but now, she was angrier than ever.

Yuri: (GASPS) Oh, no way, did Sayaka just…?!

Nico: She did, Yuri, she did.

Lincoln: Yep, Sayaka Hikaru's transformed into her Super Angel-Kamen Rider Saikou-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's time we take down this God-hating heartless bitch.

Sayaka Hikaru: (Divine Echoing Godly Voice of The Divine Yellow Solar Light Kamen Rider Saikou Kougouken Saikou Phoenix Angel and Divine Yellow Solar Light Kamen Rider Saikou Kougouken Saikou Phoenix Angel Love) We're going to break every single bone in her body for what she's done.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Sayaka Hikaru.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're not getting any more chances to try and avenge your father, Sin, he got what he deserved. But, you, death is way too kind to you, instead, we've got a worse punishment for you.

Sayaka Hikaru and Lincoln went after Sinthea Shmidt who continued firing bullets at them, but Lincoln and Sayaka Hikaru kept dodging them, and they fired extremely powerful blasts of rainbow energy, yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Sinthea Shmidt and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Sayaka Hikaru also attacked him with some powerful punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts, and this was really really driving Sinthea Shmidt even madder than ever!

Sinthea Shmidt: I WILL KILL YOU ALL AND DRENCH THE WORLD IN YOUR BLOOD!

Sinthea Shmidt charged at Lincoln and Sayaka again, but Lincoln conjured chains of darkness and the chains bound Sinthea Shmidt.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Sinthea Shmidt A.K.A.

Sin, your crimes against humanity and the world are worthy of death, but instead of death, I have a more suitable punishment for you since you are basically unworthy of death. You are hereby condemned to forced eternal servitude in The Masters of Evil.

Sinthea Shmidt: And if I dare refuse to obey that bitch, Vypra?! YOU CAN'T MAKE ME! HAIL HYDRA!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Too bad, bitch, you got no other choice.

Lincoln fired a blast of darkness which hit Sinthea Shmidt, and we suddenly saw a tattoo of a demon lord appear on her back.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) If you so much as dare to rebel against Vypra and still seek revenge on us for what we did to your father, this curse will take your life and you will be sent straight to Hell forever where no form of dark magic or Dark Orbs will free you from there!

Lincoln kicked Sinthea Shmidt into the portal leading to The Masters of Evil's HQ. We cheered wildly for what Sayaka Hikaru and Lincoln did as they holstered their massive greatswords and powered down and Sayaka Hikaru's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive yellow angel wings are permanent.

Sayaka Hikaru: That'll teach you, bitch. Thanks for helping me take down that Hydra bitch, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sayaka.

Suddenly, Sayaka Hikaru wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sayaka Hikaru's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light behind them and we cheered wildly. Then, Lincoln and Sayaka Hikaru sucked in and absorbed the elemental forces and light and they came back to us as the display vanished.

Nico: Oh man, you guys really did awesome giving that bitch the beatdown of her life, and what was that curse you gave her, Lincoln?

Lincoln: What you just saw is my special kind of curse, I call it The Demon Lord's Hellish Vengeance Curse, this is a special kind of curse reserved for God-hating Nazis and supremacists like her, and if she so much as rebels against Vypra, that curse will take her life and instead of The Black Gates, she will be sent straight to Hell forever where no form of dark magic or Dark Orbs will free her from there.

We gasped.

Me: Damn, now that's a really really dark curse. So, Lincoln, who's the next Prime Gene-Slammer we're meeting tomorrow?

Lincoln: The last one is the Gene-Slammer for Thirteenth Prime.

Elise Dragonball: Awesome, and there's one person who's the Gene-Slammer for Thirteenth Prime: Gwen Aensland, Gene-Slammer of Thirteenth Prime and Embodiment of Darkstalkers, she's Lincoln's Guardian Angel from Scotland and classmate in

Math, and she's also the embodiment of Darkstalkers and the twin sister of Morrigan Aensland and the cousin of Ursula and Rachel Truaigheaingeal, and like Morrigan, Ursula, and Rachel, Gwen is a succubus and a really beautiful one at that. Gwen has white hair with black and blue striped shirt and skirt. She and Lincoln love to cosplay as video game characters, and while they were cosplaying as Mario and Princess Peach, Gwen kissed Lincoln on the lips, and she hates NO MA'AM with a passion.

Me: Oh boy, I hate to find out what those pigs did to earn her wrath.

Lincoln: Yeah, it was pretty ugly.

Nico: I'm surprised you hadn't taken any action against them those years ago.

Selene Emperyous: If we did have them arrested, they'd escape from prison again.

Kenzie Kurama: And based on their arrest record, it wasn't funny. Oh, and we're also going to meet the next Avatar of The Tailed Beasts, her name is Calliope Chomei, Avatar of Chomei the Seven-Tailed Horned Beetle, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Chomei the Seven-Tailed Horned Beetle and she's a powerful master of The Sky and the Wind and she also knows how to use those seven massive tails as powerful weapons such as using them to blow villains away and even and she can fire blasts of wind that shred villains to pieces. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Lori, Lynn, Lola, Lisa, and Luan, they were fighting over the TV Remote as it was Lincoln's turn to watch TV.

We gasped.

Nico: Oh man, was it really bad?

Lincoln: It was worse than a field of erupting volcanoes, and she's got the video of it from that day in full detail, it was graphic and brutal to the extreme.

Eli: Based on the fights that all of you have gotten into in the past, I can guess this was worse than that.

Me: You guessed it.

Nicole: There.

She fixed the tablet.

Po Kong: The tablet's all fixed.

Radioactive Man: And it's not in pieces.

Nico: Thank goodness.

Gizmo: Looks like the exhibits aren't becoming inanimate anytime soon.

Me: No way.

Private HIVE: Now, what to do with Lancelot?

Brick: How about he goes in our ranks and in the Redemption Squad?

Me: Good idea Brick.

Selene Lancelot: I may not like Lancelot but he is still part of my family's history and he is part of who I am that made me a Knight of the Royal Woods Knights of The Michigan Table and he is part of my family. He is my ancestor.

Nico: That is true.

Qin: Just like how I am related to the Dragon Emperor of China, Emperor Han.

Nico: Yeah.

Larry Daley: But thank you guys for getting the tablet back.

Me: It was our pleasure Larry.

Nico: Yeah great job everyone.

Lola: This was fun.

Twilight Sparkle: It sure was. (To the viewers) Museums are fun and it's amazing what they can teach us about the world's history and beyond.

Me: That is true.

We went back home and put the tablet back and then enjoyed the rest of the day and went to sleep.

Mack Hartford: I'm really looking forward to this one.

Xenia: We all are.

Nico: Mack, I want to thank you, Titanium Man, and your teams for coming

Mack Hartford: Not a problem Nico. This is gonna be really awesome and cool.

Margareta Gottschalk: (German Accent) Oh ja ja und we're really looking forward to this ja.

Nico: Awesome.

Nico: Margareta, how did you and Hunter meet?

Margareta: We met in Germany during Oktoberfest und he is ze best sausage eater ever ja.

Nico: (LAUGHS) He didn't have any beer did he?

Margareta: Nein we were too young to drink beer. But he loves good food.

Nico: He sure loves good food from Germany.

Me: That is really awesome and cool.

Poromon: You should've had some beer!

We laughed!

Me: (LAUGHS) that is funny.

Hunter: (LAUGHS) (German Accent) Ja I know. But ein was too young for beer.

Me: It's all right guys. But it's awesome we have so many beer lovers with us.

Poromon: (LAUGHS) That's true.

Nico: Yeah. Boy yesterday's mission was so cool!

Me: It sure was! And we got to see Larry Daley and friends again after almost 3 years.

Twilight Sparkle: That was awesome that you guys got to help him before.

Me: It was so fun Twilight and we helped him before we met you guys.

Nico: I didn't think the tablet COULD corrode.

Nicole: Me neither. But it is an ancient piece of world history. It's not just magical it's an ancient historical artifact.

Nico: That is true.

Laney: And without it the exhibits couldn't come to life.

Nico: That's true.

Margareta: Ja und it's amazing and cool.

Nico: Good thing it's repaired. That way, SOMEONE doesn't break it.

Shattered Dimensions Spiderman: It was ONE time!

Me: Hey hey hey. It was an accident. Besides we got all the fragments back and that was fun. Also that tablet is cool.

Qin: Yep.

Camie: It sure was. And all of Larry's friends are awesome.

Lincoln: And the neat part was having Lancelot help us and be with the M.O.E.

Maria: Yep that is true.

Nico: It sure is. Ready guys? Lets head in.

We went into the simulator and it activated and we were outside Camp Kidney.

Me: Here we are guys.

Eli: Good ol' Camp Kidney.

Qin: Yep.

Nico: I always will enjoy riding Rexy

Eli: Me too. So cool.

We went in to the camp and saw that the scouts were all having fun and more.

Nico: Boy everyone is sure having fun.

Laney: They sure are.

Lana: It's amazing.

Me: And the best part is no Lumpus to ruin it.

Nico: Good riddance.

We then saw our target across the lake on the other side.

We looked over to Acorn Flats through our binoculars and Nico saw Ms. Mucus in the watchtower.

Nico: Is that her?

Me: That's her Nico. She's a warthog.

Lazlo: Hey guys.

Lola: Oh hey Lazlo.

Lana: How have you been?

Lazlo: Really great.

Raj: (India Accent) Why are you guys looking at Squirrel Scout Camp?

Me: We're going to come up with an awesome attack on them. We going to bash them all over with watermelons.

Lazlo: Oh I get it.

Me: Think of this as payback for all the times that Squirrel Scout camp pelted you with them.

Lazlo: I like it. I'll go get all the camp together.

Me: Okay.

He went and did so.

They all came.

Edward: Okay what's the plan guys?

Me: Okay here's the plan. We need to get all the Squirrel Scouts out into the open and make them scream all over.

Bai Tza: I got an idea.

She pulled out a magic record and it was for The Man in Gauze - King Ramses.

Bai Tza: This will make their ears bleed and I'll use my magic to make it stronger for them.

Me: I'll throw my voice over to Ms. Mucus and have her call all the scouts.

Nico: I like it so far.

Me: Then while they are distracted, we hit them hard with watermelons.

Qin: Nice.

Lazlo: I hope Patsy doesn't mind

Edward: Lazlo we hit her before and she didn't mind.

Lazlo: Oh yeah.

Me: Awesome.

Raj: But you might be in the Doghouse for a couple days

Nico: Nah. This is all part of our plan to get Ms. Mucus to show her hatred towards all bean scouts and get her into the M.O.E.

Raj: Oh. I like that.

Bai Tza: Ready guys?

I put on Ear Muffs.

Bai Tza pulled out an old record player and wound it up and then put the record on and set it to full blast.

Bai Tza: Plug your ears guys.

We put on Ear Muffs.

Me: First this. (Through Ms. Mucus) (Imitating Ms. Mucus) OKAY SCOUTS FRONT AND CENTER FOR INSPECTION! ONE TWO! ONE TWO! ONE TWO! ONE TWO! ONE TWO!

The scouts and everyone came.

Then she played it.

Ms. Mucus: Why did I say… (They heard it) Huh?

Ms. Mucus and the scouts all covered their ears and screamed in pain from the song!

(THE MAN IN GAUZE PLAYS)

The man in gauze, the man in gauze,

The man in gauze!

The man in gauze, the man in gauze,

King Ramses!

(The man in gauze)

[This beginning piece is repeated 5 or 6 times]

King Ramses!

The man in gauze, the man in gauze,

He's no Santa Claus!

The man in gauze, the man in gauze,

King Ramses!

The man in gauze, the man in gauze

He's no..SANTA CLAUS!

We formed catapults and Laney grew watermelons by the thousands.

We loaded them.

Edward gave the thumbs up.

Raj: Is this even working?!

I showed them through the binoculars and he saw it.

Raj: Oh it is!

Me: FIRE!

We fired the watermelons by the thousands and as the Squirrel Scouts were writhing in pain from the music they never saw the watermelons coming as they hit them all over the place with tremendous force and splattered them all over the place with a huge mess!

SUPER MASSIVE MEGA KRASPLAT!

Watermelons were hitting Squirrel Scout Camp all over the place and smashing it into a huge mess!

WHAT A MESS!

Nico: Take that!

Ms. Mucus groaned as she popped out of the mess.

Ms. Mucus: (Groans) What in the!?

The Squirrel Scout camp was a mess.

Ms. Mucus: WHEN I FIND WHO DID THIS I WILL MAKE SURE THEY ARE PUSHING UP DAISIES ALL THE WAY INTO THE 20TH DIMENSION!

Patsy: (GROANS) Hey look!

They saw a balloon.

Eli then pulled a string and it formed into Ms. Mucus and it had a scroll that said "Hi! I'm Big Butt Mucus and I'm a stupid moron with an ugly face and a big butt and my butt smells and I like to kiss my own butt!" (Season 6 Episode 14 & Season 3 Episode 7 combined)

THE SCOUTS LAUGHED HYSTERICALLY AT THAT!

Nico: How'd you manage that?

Eli: Me and Bart made it for a special occasion.

Nico: Cool.

Me: Watch this one. (Throws voice)

Ms. Mucus: WHY THOSE LITTLE!

Me: (Through Ms. Mucus) (Imitating Ms. Mucus) Patsy, Nina and Gretchen are ugly freaks and they smell like boogers!

Patsy, Nina and Gretchen: WHY YOU!

They pelted her with MUD!

Me: UGLY ANIMALS THE SQUIRREL SCOUTS ARE! They are just as stupid as the Bean Scouts!

They then jumped her and pulverized her into pulp!

Mack: Take that!

Connor Chan and Luan proceeded to unleash Pranking Hell on Ms. Mucus, first, they opened fire with some pie catapults that pelted her with pies made of the dirty diapers of Lincoln's newborn infants. P.U.! Then, Ms. Mucus fell into a pit of wolverines who proceeded to attack her, then she stepped into a pit of bear traps and they snapped shut all over her body.

Me: Oh man, I never thought I'd see those sorts of pranks from Luan again!

Nico: Same with Connor's pranks.

Alicia Chan: Nice to know he's using his lethal pranks for good instead of his own amusement once again. Now, then, let's get that warthog!

Nico: You got it, sis.

We went over to Acorn Flats while they were fighting.

We flew over them.

Me: Bombs away!

We dropped sludge bombs and they were full of BEANS AND

WIENERS!

LOUD EXPLOSIONS AND FARTS!

Nico: What stinks?!

Me: THEY Do!

Suddenly, the spirits of the scouts of Camp Kidney and Acorn Flats appeared and swirled around the place and fired elemental energy blasts at Ms. Mucus and she got hit hard. Then, the spirits converge and they exploded as a Phoenix Cry and Thunderbird Screech cried out into the air, and we appeared.

We landed.

Me: Hey Squirrel Scouts!

Lazlo: Like what we did to your camp? Quite an improvement if you ask me.

Nico: To teach you guys a lesson about pelting people with watermelons! And Ms. Mucus is a stupid boar that smells like chocolate pudding!

Samson: Peanut Butter shortcake!

WE LAUGHED!

Nico: Anyway, do we really have to keep antagonizing each other like this?

Ms. Mucus: WHY YOU LITTLE! I HATE BEAN SCOUTS! AND I HATE ALL SCOUTS! I HATE THEM MORE THAN ANYTHING! I HATE YOU ALL!

Our auras flared up with intense force!

Me: Thanks for the power boost ham hock!

I fired a wave of lightning and electrocuted Ms. Mucus!

Patsy: Ms. Mucus… hates us?!

Edward: (sarcastically) No. she's just getting you guys flowers

Me: She hates ALL SCOUTS and wants to make them suffer.

Lazlo: She took all our toys and never returned them.

Raj: And she pelted us with watermelons.

Me: And lied about Camp Kidney in order to to shut down the camp permanently. And she has NO REMORSE FOR IT!

Ms. Mucus: AND YOU WANT TO KNOW WHY!? BECAUSE YOU BEAN SCOUTS ARE THE SCUM OF THE EARTH AND THEY NEED TO BE SENT TO A REFORM SCHOOL BECAUSE THEY ARE BRAINLESS MORONS THAT CAN NEVER DO ANYTHING RIGHT AND THEY ARE STUPID UGLY BRAINLESS LOSERS JUST LIKE THE SCOUTS HERE! I HATE THEM WITH A VENGEANCE AND WANT TO MAKE SURE NO CAMP EXISTS!

Everyone gasped and the Squirrel Scout girls were crying!

Gretchen: Okay. I might not be a big fan of the Jellies! But what you said was fucked up!

Jane Doe: Language Gretchen!

Gretchen: Sorry.

Nico: Lady you have got some serious problems.

Ms. Mucus: And now I'm going to really do the world a favor!

She pulled out a MACE BALL BAZOOKA!

Ms. Mucus: AND THAT IS KILL YOU ALL!

Mack: Overdrive Accelerate!

He transformed and was ready!

She fired a ball and I caught it and spun up into the air and spun fast in a dance.

Me: Ske-dosh!

I threw it and it hit her and smashed her on her face with devastating force!

KRABLANG!

Nico: OOH! OUCH!

Laney: Nice one! Po taught you well.

Me: Yep.

I grabbed the mace ball gun.

Me: How about these too?

I fired a fireworks cannonball and it hit Ms. Mucus square in the face and bashed her teeth out.

Clam: Mean lady!

CHOMP!

He bit her on her hand!

The Dung Beetles threw shit at her and drenched her.

LIGHTHOUSE FOGHORN!

Lola: YEAH!

Ms. Mucus: (ROARING WITH RAGE)

Ms. Mucus ran at us with rage, but Lincoln summoned a charging battering ram which hit Ms. Mucus hard in her snout and sent her flying into a tree. She got back out, but now, she was even more rip-snorting madder than ever.

Luan: Whoa, looks like our pranks have gotten her rip-snorting mad!

Connor Chan: That look is perfect for a dumpster fire like her! (CACKLES)

Ms. Mucus' face turned bright red with anger, and then… !

STEAM WHISTLE!

Steam whistled out of her ears and snout!

Nico: OH! NOW, YOU'VE GONE AND DONE IT, CONNOR! NOW, YOU'VE GONE AND REALLY MADE HER RIP-SNORTING MAD!

Suddenly, Nalanie Nanthavong's blue eyes turned neon blue, and she was surrounded by a red and orange energy aura with stars, lava, flames, lava fish, phoenixes, and angels, she unholstered her Vorash's Volcanic Broadsword of Lava Fish Justice from her back, and as she approached Ms. Mucus, she left red and orange energy, stars, lava, flames, lava fish, phoenixes, and angels with every step.

Nalanie Nanthavong: You really make me sick to no end, Ms. Mucus, you go around spewing your total garbage of despising and hating the Bean Scouts when they've done nothing to you, you're just a walking dumpster fire who's clearly unworthy of being a Scoutmaster, and now, I shall administer unto you a very very brutal punishment that's fitting for you, you nasty pig!

We were amazed by Nalanie Nanthavong's Super Angel-Vorash-Lava Fish-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face and hearts in his eyes, and his nose was bleeding. But, when Ms. Mucus saw it, her entire face and body turned bright red with anger and steam whistled out of her ears and she roared with rage and went charging right at Nalanie to kill her, but Nalanie Nanthavong fired a massive barrage of dark red energy, stars, flames, lava, lava fish, phoenixes, and angels which hits Ms. Mucus and sent her flying into a tree, she got back out, but boy was she even more rip snorting mad now.

Nalanie Nanthavong: (Diving Echoing Cosmic Voice of The Volcanic Lava Fish Vorash Cosmic Phoenix Angel and Divine Cosmic Volcanic Lava Fish Vorash Cosmic Phoenix Angel Love) There's plenty more where that came from, you nasty warthog!

Allenby: You're about to get your teeth smashed in along with your ugly tusks!

Allenby was spitting out tons of death threats at Ms. Mucus, and it was driving her even crazier with rage.

Me: If Jared heard it, he'd be blushing like crazy.

Brittney: (LAUGHS) Yeah that's my bro.

Nicole: Ah, shoot, we should've brought Jared with us as well, but he'll get the show of his life and he'll see Allenby tear that nasty hog apart.

Suddenly, Allenby's blue eyes turn neon blue and she was surrounded by a blue energy aura with stars, flames, ice, fairies, Eurasian Elks, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Ms. Mucus, she left blue energy, stars, flames, ice, fairies, Eurasian Elks, phoenixes, and angels with every step.

Allenby: Nalanie was right to say all that about you, you nasty hog, you've hated the Bean Scouts for absolutely no reason and they've done no such harm to you, you're such a rotten dumpster fire who clearly needs a very painful lesson about discriminating against Bean Scouts, and I'm going to enjoy beating the stuffing out of you!

Nico and everyone: (GROANING IN SHEER DISGUST)

Nico: OH GOOD GOD! WHAT THE FUCK HAVE YOU BEEN ROLLING YOUR FEET IN!?

Me: You do not want to know.

I went over to Ms. Mucus.

Me: Okay Mucus! My socks have been covered in something that smells so horrible that it can literally kill people. Even just a tiny whiff can kill you! Now you are going to apologize to everyone here or I'm going to shove my socks so far up your nose that they will kill you from the inside!

Ms. Mucus: NO! NOT THAT! ANYTHING BUT THAT!

Edward: Don't hesitate! Just do it!

Me: So what's it going to be Mucus? Apologize or die!

Raj: That's right!

He took off his socks too and so did all the bean scouts!

Ms. Mucus: NO! NOT THE LEGEND OF THE DEADLY BEAN SCOUT SOCKS!

Nico: The what?

Ms. Mucus: You know. Everyone in the Pimpleback Mountain Region knows that Bean Scout socks can kill! It's true!

Raj: That's right! We are going to get an apology out of you one way or another or the nostrils get it!

Me: YEAH!

Eli: I would listen to them if I were you!

Xenia: YEAH!

Ms: Mucus: OKAY OKAY OKAY! I'M SORRY! I'M SORRY! I'M SORRY!

Me: Good.

But then…

KRABLANG!

Cestia Rhincodon Appeared and bashed Mucus on her head with a mace club and knocked her out and tied her up.

Cestia Rhincodon: Serves you right ham head.

Me: Nice job Cestia.

Cestia Rhincodon: Thanks J.D.

Me: She learned a massively hard lesson the hard way.

Eli: Yep.

Laney: Yeah no kidding.

Qin: By the way J.D. what did you roll around in that made your socks smell that terrible?

Me: Toxic waste and raw sewage.

Everyone: EEEEEEWWW!

Nico: That is disgusting!

Lola: No kidding!

Me: I know.

Nico: You need to wash those!

Me: Already did. But the stench is still there. I tried to get rid of it but nothing worked.

Lola: That is rough.

Me: I said that stuff about the stench killing people to make her quiver in fear.

Nico: Ooh nice.

Lana: I like the stench. Can I smell?

Me: You think you can handle it?

Lana: Sure.

I let her smell them.

Lana: (SNIFFS) (ALARMS) (PROJECTILE VOMITS ALL OVER LOLA)

Lana hurled her guts all over Lola!

Lola: Ew!

Lana: Sorry Lola.

Lola: LANA I'M GOING TO KILL YOU!

Lola jumped and pulverized Lana all over in a brutal fight cloud!

Eli grabbed them.

Eli: Excuse me you two but I must discipline the nanny goats!

BLANG!

He bashed their heads together and birds and stars swirled and chirped around them.

Eli: You guys act like little children!

Then Ms. Mucus got back up!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I've had it up to hear with that walking dumpster fire. GOLDEN WEB STYLE NINJA ART: GOLDEN SPIDER WEB BOMB BARRAGE!

Lincoln fired massive gold spider web bombs at Ms. Mucus and exploded with incredible power as they hit her and covered her in golden spider silk. Then, Lincoln formed a massive gold spider web bomb and fired it at Ms. Mucus, and as soon as it hit her… !

KABOOM! SPLAT!

The bomb exploded and Ms. Mucus was covered in gold spider silk and wrapped in a gold spider silk cocoon.

and we sent her to The Masters of Evil.

Spiderman: I've got to learn how to do that!

Ultimate Spiderman: Same here!

We cheered wildly as Lincoln, Allenby, Nalanie Nanthavong, and Nico holstered their massive greatswords on their backs and powered down, and Nalanie Nanthavong's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark red wolf tails, and massive dark red angel wings are permanent, and Allenby's new body, clothes, weapons, jewelry, Third Eye, and massive blue angel wings are permanent.

Nico: That was one awesome and hilarious rescue.

Lincoln: And now, only one last thing to do.

Lincoln brought out the bound and chained-up Lumpus.

Connor Chan: Alright.

Connor got out a greatsword and approached Lumpus, and then… !

SHEEN!

Connor ran the sword through Lumpus' chest and through his black heart.

Connor Chan: You've caused enough trouble to all of Camp Kidney for the last time, Lumpus. You are done now and forever, you piece of shit!

Connor removed the greatsword from Lumpus' chest and he also banished Lumpus to The Black Gates.

Alicia Chan: Nice one, little bro.

Nico: If Dad and Mindy saw what you did, they'd be so proud of you.

Me: Now it's time for business. Lets go face the Anothers.

Eli: Lets see who we got here.

Eli concentrated and saw them.

Eli: Whoa! We have Another Meatman, Weremole, Ghost of King Ramses, Big Toe & Gang, Kung Food and Titanium Man.

We gasped!

Qin: WHOA! This is gonna be awesome.

Nico: So Shinotcha The Korobokkuru, Ice Water, Naori Uchiha and Alex for this one.

Lincoln: Cool!

Maria: I'll call them in.

Maria did so.

In swirls of elements came said people.

Ice Water: Hey guys! What's up?

Nico: Anothers at work.

Lola: Yeah.

Nico: We're ready.

Alex: This is gonna be fun.

Eli: I sense that the Anothers minus Titanium Man are one person.

Qin: This will be cool.

Me: Yep.

Nico: Here they come!

We saw Another Meatman, Weremole, Ghost of King Ramses, Big Toe & Gang and Kung Food.

Me: Oh boy.

Lola: This is gonna be good.

Another Weremole: (In a girls voice) It sure will be fun.

Lincoln: (GASP) That voice! Milana Motunui!

They merged and she reverted back and it was a girl with black hair and blue eyes and she had blue tropical clothes and had the same necklace as Moana did and she had on her skirt the symbol of Te Fiti on it and she had blue water angel wings and she had an awesome keyblade for the world of Moana.

Milana Motunui: Awesome to see you again Lincoln and wow you grew into an awesome young man!

Lincoln: I know. Guys meet Milana Motunui, Keyblade Knight of Motunui, she's my Guardian Angel from Michigan and a good friend of Moana, Maui, and Moana's people. Not only is she the Keyblade Knight of Motunui, but she's also the Avatar of Te Fiti and she's really powerful with mastery over water and earth. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

We were amazed.

Lily: Wow! We actually helped Moana a while back.

Milana Motunui: I heard all about that Lily and Moana and Maui would not stop talking about how you helped them out against Te Ka. That was so brave of you to help them like that back then.

Lily: It was so awesome to help them.

Nico: That was really awesome.

Me: Te Ka was one incredibly volatile volcanic demon and we were shocked to see that Te Fiti and Te Ka were both one in the same. Without the heart of Te Fiti she turned into Te Ka. That was crazy.

Lily: Yeah no kidding but that was so awesome.

Milana Motunui: It sure was but I'm so proud of you Lily. You have grown from that little baby girl I remember meeting all those years ago.

Lily: Aww thank you so much Milana.

Camie: She has come a long way since then.

Me: Yeah.

Nico: I wasn't with the team back then when Lily first met Moana but that was so awesome hearing about it.

Me: Yeah.

Milana Motunui: Either way I'm proud of Lily and you guys.

Me: Thanks. By the way is the Another Titanium Man friendly or hostile?

Milana Motunui: Friendly and she has a really seductive power.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

She glowed and was separated from the Anothers.

Nico: This is gonna be good!

We fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride books.

Nico: That was fun!

Lola: Yeah!

Me: Now for the Another Titanium Man.

Maria: Yep. Time for backup! (TURNS DIAL) SWORD FURY KNIGHT 6!

She summoned Swordsman, Spatula Girl, Universe 666 Arthas, Wild Gigazelles, Sword Roidmude and Whale Imagin!

Nico: Oh yeah!

May: Now all we can do is wait.

Nico: That's right.

Me: Well we don't have to wait long!

We saw a figure and it was ANOTHER TITANIUM MAN!

Me: Another Titanium Man!

Qin: Oh boy.

Another Titanium Man: (In a girls voice) (Seductive Tone) Well hey there big boy J.D.

Me: (GASP) (Steam comes out of my shirt) Oh boy that voice!

She reverted back and it was a smoking hot girl and she had purple hair and purple eyes and had purple angel wings and was wearing only a SMOKING HOT PURPLE BIKINI! She had a tiara with the symbol of the Succubus Dopant on it and on her bikini top was the same symbol.

Me: (GASP) Svetlana Succubus.

She then jumped and hugged me and smothered my face in between her breasts.

Svetlana Succubus: Oh I missed you so much J.D. It's awesome you are here to help me out.

Me: (Muffled)

Svetlana Succubus: Oh sorry.

I breathed.

Me: No worries. Svetlana is the embodiment of the Succubus Dopant and she has powers of dark magic, superhuman strength and is as tough as titanium.

Nico: WHOA!

Titanium Man: Fiesty and tough like me.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~!

Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Svetlana Succubus: No he didn't. I used my seductive charms and sent him flying with a massive nosebleed and I used that to make my escape.

Nicole: (LAUGHS) Swartz had a bit of a pervy side to him huh?

Svetlana Succubus: (LAUGHS) Yeah he sure did.

Nicole: You would make an awesome member of the Anti-Pervert Patrol. Weed out perverts and help us thrash them.

Svetlana Succubus: (LAUGHS) I would like that.

Me: If Swartz wasn't given the Black Gates, Nicole would have a lot of fun beating the living shit out of him.

Nico: That is true.

Lincoln: Lets separate you first.

He fired a wave of light and separated her from Another Titanium Man.

Svetlana Succubus: Awesome! Lets do it!

She fired blasts of dark magic and blasted Another Titanium Man.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Nico: Time to bring the metal! (ACTIVATES TITANIUM MAN AND KUNG FOOD'S RIDEWATCHES)

He fired waves of energy and blasted Another Titanium Man down.

May: This is gonna hurt! (ACTIVATES ANDROID 14 AND UNIVERSE 666 ISSEI KUROSAKI'S RIDEWATCHES)

She fired waves of energy and elements and blasted down Another Titanium Man.

Maria: Take this! (ACTIVATES HAPPY AND BROCCOLOID KING'S RIDEWATCHES)

She fired energy blasts and blasted Another Titanium Man down.

Margareta: This will be fun ja! (ACTIVATES KUNG FOOD'S RIDEWATCH)

She fired burger bombs and blasted down Another Titanium Man!

Svetlana fired waves of magic and blasted down Another Titanium Man.

Then Crimson Dynamo, Evil Orbit Woman, Dr. Ivo Robotnik, Evil Whirlpool Man, Snowflame Red Dark Magician came.

Nico: Nice team Crimson Dynamo!

Crimson Dynamo: (Russian Accent) Thanks Nico!

Me: Awesome.

But then numerous shuriken flew in and slashed down Another Titanium Man and blasted him down and I caught the Ridewatch and purified it!

Fu: Whoa! Those didn't come from me.

?: That came from me.

We saw a Shadow Man!

Me: Shadow Man! Whoa!

Shadow Man: (In a girls voice) That will show him.

Nico: Sina Shadow! Wow!

Qin: The master of shadows! Wow!

Me: Whoa!

Sina Shadow: Awesome to see you again Nico and you too Qin.

Qin: Same here.

Nico:… you're naked, aren't you?

Sina Shadow: I am.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt just so you know.

Sina Shadow: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and threw up vomit. Then she reverted back and had black hair and purple eyes and had black angel wings and she had the kanji for shadow in the middle of her forehead.

She groaned.

Sina Shadow: (Groans) That hurt. (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her all black clothes and she looked awesome.

Sina Shadow: Wow I look awesome. Like I'm truly one with the shadows of the night.

Brittney: You sure do.

Nico: Yeah.

May: At least nothing bad happened to me.

Nico: Don't jinx it, babe.

May: Sorry.

Sina Shadow: Yeah.

Margareta: What's your favorite memory of Nico?

Sina Shadow: When me and Nico went to school and we saw a bunch of bully girls picking on a bunch of nerds and I used my skills of the shadows and beat them up and turned them over to the cops.

Qin: I remember seeing that. Never underestimate the Master of Shadows.

Noir Spiderman: You are totally one with the shadows and the darkness. Just like me.

Sina Shadow: I sure am.

Me: Yeah.

Nico and Sina hugged.

Nico: I've missed you.

Sina Shadow: Same here Nico.

Svetlana Succubus: That was such a fun adventure though.

Me: It sure was.

We later went back home.

The first treasure we're going to get here is for Alex the Lion, it's known as The Golden Firestorm Greatsword of Leo the Lion, and after Alex the Lion gets it, we're going to kill nefarious and homicidal gang lord, Clarence J. Boddicker, and send his ass and the hides of his gang to The Black Gates forever.

Lincoln: Whoa, we're here in The Central Park Zoo in New York.

Alex the Lion: It's great to be back here, but I wonder what's the reason for this?

Lincoln: Glad you asked, we've got four days of awesome treasure hunts here.

Nico: And right here in The Central Park Zoo in New York, nice.

Lincoln: And I know what we're going to do here, not only am I going to rescue the twenty seven girls here, but for Day 1 of the four day treasure hunt, the first treasure we're going to get is for Alex the Lion: it's known as The Golden Firestorm Greatsword of Leo the Lion, and after Alex the Lion gets it, we're going to kill nefarious and homicidal gang lord, Clarence J. Boddicker.

Me: I knew we'd be going after him, Alex told me that this asshole was the one who killed him and he was also one of OCP's hired thugs. So, we're going to kill him and send his ass and the hides of his gang to The Black Gates forever.

Carter: We're going to cause quite a bloodbath.

Alex the Lion: Once I get the greatsword and make him pay for what he's done, Carter.

We headed straight for a shrine made of pure gold and with two lion statues out in front of the shrine, and we headed inside and we saw it: a massive greatsword with embedded orange gems and a lion and the constellation of Leo the Lion etched on the 7'6" massive, wide, double-edged golden blade, large gold lion heads with large white angel faces built into both sides of the hilt and large brown gems embedded in the foreheads, longer midnight black handle, and four gold lion heads with gold lion head on the bottom of the heads for the pommel, it was The Golden Firestorm Greatsword of Leo the Lion.

Alex the Lion: The Golden Firestorm Greatsword of Leo the Lion, just like the intel said. It looks really amazing.

Suddenly, we saw a beautiful and super sexy girl with long white hair with, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful bat wings and she's dressed in a blue and black striped short-sleeved shirt, blue and black striped skirt, dark blue knee-high boots with butterfly buckles, and long white sleeveless trenchcoat with swords, stars, phoenixes, and angels on the coattails and on the back is Thirteenth Prime, in her right hand is a greatsword.

And we saw a beautiful and super sexy girl with short green hair, orange eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has Chomei's six wings and long yellow tail, she's dressed in a white sleeveless crop top, white skirt with the Seven Kanji, sandals, and long white sleeveless trenchcoat with stars, winds, beetles, phoenixes, and angels on the coattails and on the back is Chomei the Seven-Tailed Horned Beetle, in her right hand is a greatsword and with them are the twenty seven girls.

Lincoln: (GASPS) Gwen Aensland, Gene-Slammer of Thirteenth Prime and Embodiment of Darkstalkers and Calliope Chomei, Avatar of Chomei the Seven-Tailed Horned Beetle.

Gwen Aensland: (Scottish Accent) That's right.

Calliope Chomei: And we got the girls away from that murderous bastard and Gwen fired a Soul Fist that killed some of his men.

Alex the Lion grabbed The Golden Firestorm Greatsword of Leo the Lion.

Alex the Lion: Let's head out there right now and kill that asshole before he comes after us.

?: YOU MOTHERFUCKERS!

Me: Yeah, fuck you too, asshole!

We then saw our target, the nefarious and homicidal gang lord, Clarence J. Boddicker, along with his entire gang, and they were out for blood. But, Alex the Lion fired massive and powerful waves of fire which incinerated all of Boddicker's men and melted their weapons. Then, Lincoln blasted him out of the shrine and we followed, and Boddicker got up, and boy was he outright pissed off.

Alex the Lion: Should've known remnants of OCP would send your ass to come after us, Boddicker, but don't think you're getting out of this alive, you've still got to answer for what you did to so many cops along with what happened with Alex Murphy.

Suddenly, Alex the Lion's blue eyes turned neon blue, and he was surrounded by a golden yellow and orange energy aura with stars, fire, flames, earth, volcanic rocks, lava, lions, phoenixes, and angels, he unholstered his massive Leo the Lion's Volcanic Lion Greatsword of Fiery Justice from his back, and as he approached Boddicker, he left golden yellow and orange energy, stars, fire, flames, earth, volcanic rocks, lava, lions, phoenixes, and angels with every step.

Alex the Lion: Even after we destroyed OCP years ago for what they did for their numerous crimes of corruption, weapons dealing, and the murder of many cops throughout Detroit, I knew one day we'd run into a remnant of that corrupt organization, which included a lowlife like you, Boddicker, but you just don't even know when to quit. Well, then, you've left us no other choice but to end you for good and send you and your men straight to Hell.

Suddenly, Alex the Lion was surrounded by a massive vortex of golden yellow and orange energy with stars, fire, flames, earth, volcanic rocks, and lava surrounding the vortex, there are lions, phoenixes, and angels flying around the vortex, and inside the vortex is a golden yellow phoenix with red eyes glaring at Boddicker: the red eyes of eternal death. Then, as the vortex faded, Alex the Lion emerged but he was changed forever.

Alex the Lion grew from 8'5" to 8'9" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger for his new body and he still retained his eight-pack abs, he has metal gold bracers on his biceps and thighs, and he now has eleven large golden yellow orbs orbiting around his legs, he has fire streaks in his glossy pentagon-shaped mane and he has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon blue eyes and a golden yellow and orange energy aura with stars, fire, flames, earth, volcanic rocks, lava, lions, phoenixes, and angels surrounding him, he has a lion with the Fire, Earth, and Lavas Kanji in its paws emblazoned on his forehead and Third Eye with blue iris, he has on lion head earrings with blue gems for eyes and the Fire, Earth, Lava, and Eternity Kanjis on its heads, he has on his Crystal Necklace of The Buddha with orange gems in the gold flame links and orange crystal links and a golden yellow and orange lion-shaped Element of Harmony and on the bottom is a lion head with blue gems for eyes and the Fire, Earth, Lava, and Eternity Kanjis on its head for the pendant across his bare chest and he now has on a large white and gold accented choker on his neck. Alex the Lion has on a white and gold accented loincloth with lions on it and large black leather knee-high combat boots, and he has a lion with a volcano above it tattooed on his now wider and now much more muscular back. Suddenly, Alex the Lion felt a sharp pain on his now wider and more muscular back, and then, his massive light brown angel wings with golden yellow tips on the light brown feathers grew much bigger for his new body and his tail also grew longer for his new body as well. Alex the Lion has on a Ring of The Phoenix with large golden yellow and orange gem and heart-shaped gem embedded in it on his large right ring finger and Indigo Lantern Corps ring on his large left ring finger, Stone of Gelel embedded in his left hand, and he has the constellation of Leo the Lion on his right pec.

Suddenly, Alex the Lion's massive Leo the Lion's Volcanic Lion Greatsword of Fiery Justice, The Golden Firestorm Greatsword of Leo the Lion, and all the greatswords and swords he has began merging together, and they're surrounded by a kaleidoscope of golden yellow and orange energy, stars, fire, flames, earth, molten rock, lava, lions, phoenixes, and angels, and when it emerged, it was transformed into Alex the Lion's Golden Firestorm Leo Volcanic Lion Greatsword of Volcanic Lion Lava Firestorm Earth Justice, it's a brand-new greatsword with embedded orange and yellow gems and the constellation of Leo the Lion etched on the 8'0" massive, wide, double-edged golden blade, large gold lion heads for the crossguard, large white angel faces built into both sides of the hilt with large orange gems embedded in the foreheads, longer midnight black handle, four large gold lion heads with blue gems for eyes and large orange gems in its open mouths and on the bottom of the four lion heads is a large gold lion head with blue gems for eyes and orange gem in its mouth for the pommel, he has on his new large gold Bracers of the Champions of The Universe with large orange gems on his wrists, new large gold Belt of Elemental Bravery with large golden lion head with blue gems for eyes and a large fire gem in its open mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of the Universe and Talisman Cards of Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his right hip. There's a golden kanji below the lion that said, "Alex the Lion, Former Central Park Zoo Star Now Member of Circus Zaragoza, Loving Son of Zuba and Flossie, Destroyer of Makunga and DuBois, Childhood Best Friend of Marty, Melman, and Gloria, Friend to Many, Boyfriend of Gia the Flying Jaguar, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Volcanoes, Fire, Earth, Lions, Phoenixes, and Angels"

We were amazed by Alex the Lion's Super Angel-Lion-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Boddicker saw it, he went absolutely insane and got out a gun and was about to fire, but Alex the Lion swung his massive greatsword and he sent another wave of superhot fire which burned his hand and melted his gun, and he fired a massive barrage of golden yellow and orange energy, stars, fire, flames, earth, molten rock, lava, lions, phoenixes, and angels which hits Boddicker, he got back up, but now, he was mega pissed off and mega insane now.

Thundersnow Ice Dragon Musk Ox Justice and Divine Sub-Zero Arctic Thundersnow Ice Dragon Musk Ox Hope, and Me, Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholstered our massive greatswords and we transformed, and we went after Boddicker, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Alex the Lion fired waves of lava that burned off Boddicker's arms and he screamed like mad with rage and anger, but Lincoln fired waves of fire that incinerated him and sent him and his slain men straight to The Black Gates forever. We cheered as we holstered our weapons and powered down, and Alex the Lion's new body, clothes, weapons, jewelry, Third Eye, gold halo, longer tail, and massive angel wings are permanent.

Lincoln: You are finished for good, Boddicker, don't ever let us see you here ever again. (To Gwen Aensland and Calliope Chomei) And it's so good to see you again, Gwen Aensland and Calliope Chomei.

Gwen Aensland: (Scottish Accent) Aye, you too, Lincoln.

Calliope Chomei: It's been seven years since we last met.

Lincoln went up to Gwen Aensland and Calliope Chomei and he hugged them, and Gwen Aensland and Calliope Chomei are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and how much more muscular he's really become, and they had an atomic red blush on her face, and the atomic red blush on their faces soon became even deeper when they saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Calliope Chomei: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness.

Gwen Aensland: (Scottish Accent) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., the first girl is Gwen Aensland, Gene-

Slammer of Thirteenth Prime and Embodiment of Darkstalkers, she's my Guardian Angel from Scotland and classmate in Math, and she's also the embodiment of Darkstalkers and the twin sister of Morrigan Aensland and the cousin of Ursula and Rachel Truaigheaingeal, and like Morrigan, Ursula, and Rachel, Gwen is a succubus and a really beautiful one at that. Gwen has white hair with black and blue striped shirt and skirt. She and I love to cosplay as video game characters, and while we were cosplaying as Mario and Princess Peach, Gwen kissed me on the lips, and she hates NO MA'AM with a passion.

Me: If they so much as looked at her the wrong way, I can guess you hurt them really badly, right?

Lincoln: That's right, I did.

Kenzie Kurama: It was really ugly. And the second girl is Calliope Chomei, Avatar of Chomei the Seven-Tailed Horned Beetle, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Chomei the Seven-Tailed Horned Beetle and she's a powerful master of The Sky and the Wind and she also knows how to use those seven massive tails as powerful weapons such as using them to blow villains away and even and she can fire blasts of wind that shred villains to pieces, and she's a really awesome and fun friend of Fu, and she even looks like her too. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Lori, Lynn, Lola, Lisa, and Luan, they were fighting over the TV Remote as it was Lincoln's turn to watch TV, and she helped Leni, Luna, Lucy, Laney and Lana beat the living daylights out of the mean sisters when it was erupting volcano at the Loud House. She also has a video of that very fight, and it was brutal and graphic to the extreme.

Nico: Wait, I remembered you telling us about that yesterday, Lincoln. Oh, I've got a feeling that the fight that very day is even worse than all the other fights he's gotten into with Lori, Lynn, Lola, Lisa, and Luan.

Lincoln: Trust me, you'll wish you had Lori, Lynn, Lola, Lisa, and Luan sent to a strict reform school in Siberia after you see the fight, and now that you and Calliope are here, Gwen.

Lincoln went up to and hugged Gwen Aensland in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Gwen Aensland: (Scottish Accent) Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on Gwen Aensland and Calliope Chomei's neck with blue and orange gems on the gold lightning bolts and blue and orange crystal links from their merged Crystal Necklaces of The Buddha along with two white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Calliope Chomei: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Gwen Aensland and Calliope Chomei.

Gwen Aensland and Calliope Chomei had a smile on their faces and tears in their eyes as Lincoln still had his arms around them and he leaned down to their faces and kissed them on the lips and they also returned it, and we cheered for them, then we went up to the twenty seven girls, and when Lincoln saw them, he recognized them immediately. The twenty seven girls are Peanut, Sofia, Caitlin, Miss Désirée, Honey, Willow, Blanche, Babybelle, Renée, Francine, Mur, Amelia, Sutra, Catara, Tessa, Suzu, Lustat, Esper, Mallory, Brie, Ranma, Marybelle, and Bearverly from Crush Crush and the Simulator versions of Musubi, Matsu, Tsukiumi, and Kazehana from Sekirei.

Lincoln: Oh wow, it's Peanut, Sofia, Caitlin, Miss Désirée, Honey, Willow, Blanche, Babybelle, Renée, Francine, Mur, Amelia, Sutra, Catara, Tessa, Suzu, Lustat, Esper, Mallory, Brie, Ranma, Marybelle, and Bearverly from Crush Crush and the Simulator versions of Musubi, Matsu, Tsukiumi, and Kazehana from Sekirei.

Nicole: Whoa, awesome.

Lincoln: You said it. Are you all okay?

Peanut: Yes, we're okay, thanks to you.

Then, when Peanut and the twenty six girls saw who it was that saved them from Clarence T. Peanut: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made twenty six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Peanut: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twenty seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Peanut, Sofia, Caitlin, Miss Désirée, Honey, Willow, Blanche, Babybelle, Renée, Francine, Mur, Amelia, Sutra, Catara, Tessa, Suzu, Lustat, Esper, Mallory, Brie, Ranma, Marybelle, Bearverly, and the Simulator versions of Musubi, Matsu, Tsukiumi, and Kazehana with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate and we told them Alex the Lion had gotten the The Golden Firestorm Greatsword of Leo the Lion, and the rest of the team were shocked to find out the villain we went after was nefarious and homicidal gang lord and OCP hired thug and cop killer, Clarence J. Boddicker.

But, when Lincoln showed what happened such as Alex the Lion transforming and all of us giving that asshole the beating of his life and Alex the Lion and Lincoln destroying him and sending him straight to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln, Gwen Aensland, and Calliope Chomei have a lot of catching up to do, now that they're back in town.

Maria: I can't believe that piece of crap was in New York, and he still held a grudge against us for killing his benefactors.

Lincoln: But, it was further proof of OCP's crimes and one of them included murder for hire especially hiring some of Detroit's most dangerous crime lords for their dirty work.

Me: At least, we got rid of another of Detroit's crime lords and wiped away the last remnant of OCP for good.

Nico: You said it, that company has caused more than enough trouble to last an eternity.

---

After finally getting rid of Boddicker and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Gwen Aensland and Calliope Chomei saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Gwen Aensland: (Scottish Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Calliope Chomei: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Gwen Aensland: (Scottish Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Calliope Chomei: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Calliope, mind showing us that video of the fight you had with Lori, Lynn, Lola, Lisa, and Luan and how you helped Leni, Luna, Lucy, Laney and Lana beat the living daylights out of the mean sisters when it was at Erupting Volcano at The Loud House.

Calliope Chomei: Gladly.

Calliope Chomei played the video on the screen, and we saw it: Lincoln was about to watch some TV, but Lori, Lynn, Lola, Lisa, and Luan showed up and plotted to beat Lincoln to death, and it wound up at Erupting Volcano, and even worse, the fight's right in front of Calliope Chomei, Leni, Luna, Lucy, Laney, and Lana, and Calliope's face turned red, along with Lincoln's nice sisters.

Past Calliope Chomei: THAT'S IT, YOU FIVE BITCHES ARE DEAD!

Past Luna: WORSE THAN DEAD! THIS IS FOR ALL THE TIMES YOU'VE HARMED OUR BRO!

Then, Calliope Chomei, Leni, Luna, Lucy, Laney, and Lana charged at Lori, Lynn, Lola, Lisa, and Luan and they proceeded to beat the living shit out of the five mean sisters while Lincoln ran to his room in safety, and it was really bloody! CALLIOPE AND THE NICE SISTERS BRUTALLY PULVERIZED THE MEAN SISTERS IN A VIOLENT BLOODY BEATDOWN OF THE AGES, AND WHEN IT WAS FINALLY ALL OVER, LORI, LYNN, LOLA, LISA, AND LUAN WERE LYING ON THE FLOOR AND THEY HAD THEIR ARMS AND LEGS BROKEN, THEIR TEETH KNOCKED OUT OF THEIR MOUTHS, AND THEY HAD BLACK EYES, AND CALLIOPE AND THE NICE SISTERS HAD THE BLOOD OF THE MEAN SISTERS

ON THEM!

The video ended and we were horrified.

Nico: OH! OH GOD, NOW THAT WAS TOO BLOODY AND GRAPHIC!

Me: I still remember that day all too well, it was awful.

Luna: And we sent them to the hospital where they had to be hospitalized for four months, and we'd told the parents everything of what those five tried to do to Lincoln, and the five mean sisters got the grounding of a lifetime: grounded for ten months and all their rights to the TV remote were revoked.

Laney: And Lincoln, Leni, Luna, Lana, Lucy, and I were the only ones who can watch TV.

Nico: And what of the mean sisters?

Lincoln: Sent to Aunt Ruth's for nine months.

Eli: Sheesh.

We got a shower afterwards, and then, Lincoln, Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano are heading to Everbay Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Pinn Hoppz: Wow, so this is Everbay Coast, it sure is beautiful.

Lincoln: It sure is, Pinn Hoppz, and it's perfect for our first date. Shall we?

Lincoln, Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano dived into the waters and we had fun swimming in the ocean, and we also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball game, and Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to

Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano and they hugged them in their abnormally massive and powerful muscular arms, and Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, sixteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to Pinn Hopzz, Novelia, Dream Brookes, Mirrah Boltz, Michelina, Canvas Splatz, Pianistica, Animus, Amelia Dreamheart, Mimzy Maybloom, Simulator Q-Bee, Simulator Ikaros, Simulator Astraea, Simulator Nymph, and Simulator Oregano, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into

Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

Later Mary and Stickybeard were at the table.

Gwen Tennyson: So… what exactly is this?

Me: They are having a Sugar Drinking contest.

Nico: Yep.

Stickybeard: Set us up!

Two pirates came and gave them 2 mugs full of pure sugar!

Nico: Pure sugar!?

Lola: The pirates at the Candy Bar drink pure sugar.

Numbuh 5: It's true.

Stickybeard: Ye ready lass?

Mary Knudson: Always ready!

Stickybeard: 1… 2… 3…

He chugged the sugar and Mary finished before he did!

Stickybeard: HA!

Mary's orange aura was really flared up.

Mary Knudson: You say something?

Stickybeard: All right then how about we have a sugar battle to the death!

WE GASPED!

Julie Yamamoto: Poromon, what are you doing?

Poromon grinned as he began to replace one of the drinks with beer.

Me: You little sneak.

Stickybeard: GO!

They drank SUGAR LIKE YOU WOULDN'T BELIEVE! They drank over 50 bags full of pure sugar!

WE WERE LITERALLY FLABBERGASTED! ANYONE THAT DRANK THAT MUCH SUGAR WOULD GET FATAL DIABETES! BUT NOT MARY!

Mary's aura was like a literal inferno because she drank TONS of sugar! And there was 2 glasses left. One was unknowingly filled with beer and the other was filled with sugar! Stickybeard went to drink the sugar but he fainted!

FWOMP!

Nico: WHOA!

Mary: Nice try though Stickybeard. But no one can drink as much sugar as me. And Poromon? Nice try.

She gave the beer to Poromon and drank Stickybeard's sugar.

Me: Nice try Poromon.

Qin: WOW! Look at Mary's aura! It's like literal fire!

Xenia: Yeah!

Sakura Knudson: Boy that is an intensely powerful aura!

Poromon: Can I drink sugar too?

Skywarp: I don't see why not.

Nico: Oh boy.

Poromon drank some and then he got A MASSIVELY WIDE GRIN! He then was laughing crazily and then…

ZOOM! BOING BOING BOING BOING BOING BOING!

Like a pinball hitting pinball bumpers he was bouncing off the walls!

PINBALL SOUNDS!

Nico: Somehow, I prefer it when he's drunk!

Qin: WHOA!

She ducked and then someone caught Poromon! It was a girl with red hair and had yellow eyes and had red angel wings and she had red clothes and had a tiara with the symbol of the Zeo Rangers on it and she had the same symbol on her skirt.

Olivia Ohranger: Whoa that was awesome! Olivia Ohranger, Embodiment of the Zeo Rangers is here to help out.

Nico: Awesome catch Olivia.

Olivia Ohranger: Thanks Nico. Looks like Poromon here had a little too much sugar.

Mary: Not nearly as much as me.

Qin: (LAUGHS) Yeah we like it when Poromon is drunk, not hyper crazed on sugar.

Nico: At least it's not coffee or Red Bull.

Skydive: Tell us more about yourself.

Olivia Ohranger: I am an archaeologist, geologist and astronomer and I study about how the stars and planets are in tuned with ancient historical artifacts and it's a really complex process. And it's very spiritual force to learn about.

Nicole: Wow that is amazing and cool.

Olivia Ohranger: It sure is.

Nico: Would you like to join the team?

Olivia Ohranger: I would be honored.

Nico: Awesome. Poromon lets get you calmed down for a nap.

We had him put to bed.

Poromon woke up from a nap an hour later.

Poromon: (Smacks beak) (Groans) What hit me? I feel like I was going fast as lightning.

He came back.

Me: Have a nice nap?

Poromon: Yeah what happened?

Me: You drank a lot of sugar and went faster than a bullet fired from a gun.

Qin: Yeah.

Poromon: Oh man. I have the worst headache. Can I have a block of ice?

Lana: Sure Poromon.

Lana gave him one.

Kevin Levin: I think I know what our next mission can be.

Dreamcatcher: And that is?

Kevin Levin: Lets see if Lincoln is right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than the warden of Incarceron, Morgg, and the very one who killed Kevin Levin's friend, Kwarrel, and it appears that he's still causing trouble in Incarceron. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is the warden of Incarceron, Morgg, and the very one who killed Kevin Levin's friend, Kwarrel, and it appears that he's still causing trouble in Incarceron.

Kevin Levin gasped.

Kevin Levin: Oh no. I knew it!

Nico: Kevin, can you tell us about what happened on Incarceron?

Kevin Levin told us of Incarceron, the prison planet, and that the warden there, Morgg, is a sadist who enjoys the pain and suffering of the inmates, and when he told us that his friend, Kwarrel, was killed by Morgg, we were horrified and pissed off.

Me: Oh man! But who is Morgg?

Ben: He was the prison warden of Incarcecon.

Ben went over his history.

---

Not much known about Morgg's early life but what is known that he starts out as a guard at a prison in the Null Void. When he sees Kwarrel being fatherly towards Kevin Levin and he discovers blue crystals that can create hallucinations, like drugs which he uses to make a prison riot. Kwarrel along with Kevin escapes through hole he was digging but they find Morgg. Morgg aims a gun at Kevin but Kwarrel stops Morgg, letting the boy escape from the Null Void. Morgg shoots Kwarrel to death which causes Kevin to get revenge on Morgg.

Six years later, Morgg replaces the Null Void prison guards with robots so that they do not understand his plans. He uses the hallucinogenic crystals to make the Null Void prisoners to mine for the hallucinogen. Kevin later attempts to kill Morgg by dropping him of an elevator, but the elevator is stopped by Gwen Tennyson. He was later presumably arrested by the Plumbers.

---

When he was done we were shocked and horrified!

Xenia: Oh man!

Nico: Not good! So we got a renegade prison warden to deal with and avenging Kevin's friend in prison!

Eli: I can tell Kevin has a really nasty score to settle with him.

Me: Mind if we go with you to Incarceron, Kevin? There is absolutely no way we're letting such a piece of shit like Morgg get away with this

Kevin Levin: That's exactly what I wanted to ask.

Nico: You don't need to tell us twice, there's no way we're letting a piece of crap like him live a single second longer.

Lincoln: I call dibs on eating his heart.

Poromon and the Mascots went to the trashcan and hurled.

Me: Sheesh.

Eli: Yikes.

The previous group came

Mojo: Can me, Deker, Abis Mal, Nergal, Motor Ed, Po Kong, Radioactive Man, Gizmo, Private HIVE, and the Rowdyruff Boys go with you guys?

Brick: (to Mojo) Like old times, huh?

Mojo: It sure is.

Nico: Yeah and yes you all can come with us. Kevin has a really nasty score to settle with Warden Morgg from the prison planet Incarcecon.

They gasped!

Gizmo: Whoa man! We heard so much about him from Dr. Animo! He was a real barfbrain!

Motor Ed: And how he killed Kwarrel! Seriously!

Me: Yeah we were told what happened from Ben and that was horrible! We're going to help Kevin kill him and avenge his only friend he had in prison.

Kevin Levin: Thanks guys.

Me: No problem. Lincoln already called dibs on his heart.

The mascots all went and hurled into trash cans again.

Me: Oops.

Lightning: Nico, which Gene Slammer do You think you'll meet next?

Boomer: I want to know too.

Nico: Magnet Man next.

Me: Ooh magnetically attractive.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Dark Raiden, the dark side of The Elder God of Thunder, and he's on a dangerous rampage. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Dark Raiden, the dark side of The Elder God of Thunder, and he's on a dangerous rampage.

We gasped.

Raiden: I never thought we'd have to deal with him once more.

Me: We had no idea you had a dark side, Lord Raiden.

Sonnya: This happened more than once, but in the timeline Cassie and Jacqui came from, Raiden had absorbed the corrupted Jinsei and because of it, he transformed into a darker version of himself and he was willing to sacrifice many lives to achieve peace for Earth.

Cassie Cage: It was my trust in Dark Raiden that cost me Mom in my timeline along with many of our friends.

Raiden: Now, I must face my demons and end them forever.

Jacqui Briggs: But, like what we did with the Revenant versions of Liu Kang, Kitana, Jade, Sindel, Sub-Zero, Kung Lao, and Dad, we can still purify Dark Raiden. Wait a second, does Dark Raiden have Shinnok's Amulet with him, Lincoln?

Lincoln: He does. Why is that?

Cassie Cage: We have to destroy it for good, that amulet is way too dangerous.

Ashrah: But, not even the magic of The Elder Gods can destroy it.

Me: We do have something that can help destroy Shinnok's Amulet.

I brought out a jar of Basilisk Venom.

Lincoln: Basilisk Venom, we used it to destroy nine of the ten Horcruxes in order to sever Voldemort's immortality years ago. We can use it to destroy Shinnok's Amulet, but to give it some extra potency.

Lincoln punctured his palm with his index finger and let a drop of his acidic blood fall into the Basilisk Venom and it glowed red.

Reagan Shindai: Whoa, your acidic blood enhanced the potency of the Basilisk Venom.

Lincoln: After we knock the Amulet off Dark Raiden in the fight, we use the enhanced Basilisk Venom to permanently destroy Shinnok's Amulet for good.

Nico: Perfect, and it's been a long time since we've used the Basilisk Venom, but we use it in case of any dark magical artifacts. Alright, gang, let's go, we're off to Incarceron to kill Morgg and avenge the death of Kwarrel.

Lincoln: Kwarrel's death will be avenged here and now, and Morgg will pay for what he's done, and once we get done with him, we will face off against the dark version of Lord Raiden.

Reagen Shindai: We will help Lord Raiden face his demons and conquer the darkness that's haunted him once and for all.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed to the U.S.S. Valorous Phoenix to head for Incarceron to avenge Kwarrel's death and kill Morgg, and once we got done with Morgg, Lincoln, Reagen Shindai, and Lord Raiden will face Dark Raiden and help Raiden conquer the demons that've haunted him in many timelines.

We were off to Incarcecon at the very Edge of the Milky Way Galaxy.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 9102.2: The U.S.S. Valorous Phoenix is en route to the prison planet at the very distant edge of the Milky Way Galaxy called Incarcecon, known for housing the most dangerous criminals in all of the galaxy there and our mission is to help Kevin Levin avenge his only friend in prison Kwarrel and kill the warden Morgg there.

Deker: Ben, you've been there before, right?

Ben: I sure have and it's not a pretty sight.

Gwen Tennyson: Incarcecon is known for housing some of the galaxy's most dangerous and most ruthless alien criminals ever known next to the Null Void.

Camie: Whoa! That is terrible.

Lola: Yeah!

Riley Anderson: Ben told me a lot about Incarcecon and what it's like. It's not a pretty sight.

Me: It's going to be a while before we get there.

Qin: Yeah.

Me: What can you tell us about it?

Ben: I'll show you.

He pulled up a hologram of it and it looked like a HUGE SPACE PRISON COLONY!

Me: WHOA! It looks like one of our space prisons and it acts very much like Alcatraz.

Nico: Yeah!

Ben: That's right and it's home to some of the galaxy's worst alien criminals.

Naruto: Very much like the Blood Prison.

Ben: Exactly.

Ben told us about it.

---

The Incarcecon Intergalactic Detention Center, better known as Incarcecon, is a prison organization built to contain some of the worst criminals in the galaxy. It is one of many branches, and is located at the edge of the Milky Way Galaxy.

Incarcecon operates independently from the Plumbers, who have no jurisdiction there unless warranted or if a situation calls for it, like in the special case of incarcerating Vilgax.

Tetrax, Ben, and Gwen visited Incarcecon to find Azmuth. Soon after approaching the station, its automated security systems were armed and ready to fire on Tetrax's ship. The only way they were able to enter was by using a garbage ship clearance code. They found "Azmuth", or as they would come to find out after escaping Incarcecon with them, Azmuth's assistant Myaxx, who was imprisoned after she sold the cloaking technology used to hide Xenon to Spheroid pirates. While escaping from Incarcecon, a Lepidopterran prisoner and many robotic drones chased after Tetrax's ship, but they managed to escape.

In Vilgax Must Croak, an agreement was made with the Plumbers to use Incarcecon to contain Vilgax alone. All its prisoners were evacuated over the span of a week and the entire facility was prepared to operate automatically, down to the food delivery system; and employed a blackout field that rendered outside communications worthless. As Vilgax was being transported by Ben, Rook, and a team of Plumbers, an intervention by Attea with some bounty hunters on behalf of the Incursean Army marooned the plumber team on the facility. Vilgax ended up fighting Attea's group alongside Ben. After Ben incapacitated Attea's group, and while Rook and the other plumbers ran to the communications room to shut down the blackout field and call Max for assistance, Vilgax shot Ben in the back, knocking him out, and escaped on the one remaining Gyropod. Attea and her bounty hunters later came to and escaped on their own. Finally, Ben came to surrounded by his group of Plumbers and Max's backup group; the only ones left on the station.

---

When he was done with that we were shocked!

Me: Whoa! That is crazy!

Lola: Yeah!

Ben: You never told us much about Kwarrel before.

Kevin Levin: Well, have you ever wondered how I got cured of my first mutation?

Starlight Glimmer: Didn't it wear off?

Kevin Levin: I actually had help.

Kevin told us about Kwarrel.

---

Kwarrel had lived a very full life and knew lots of things.

Kwarrel appears only in the flashbacks of… Nor Iron Bars a Cage.

His relationship with Kevin starts when he first sees Kevin 11 being hostile in the prison yard. He tells Kevin to cool off, who tries to tackle him, but he quickly throws him on his back. Before he passes out, Kwarrel introduces himself and says he'll be waiting for Kevin when he's ready to let go of all his anger. Kevin would eventually come to him for help, to which Kwarrel welcomed him and mentored him on how to revert his mutation. He also taught Kevin how to absorb materials in place of energy, after which saying there was nothing more he could teach him.

During a prison riot, Kwarrel revealed to Kevin a secret underground tunnel he had been digging for years, and invited him to come along and escape Incarcecon through it. However, the then-guard Morgg was waiting for them, who had known about the tunnel for months and was waiting to shoot them. Kwarrel tackled Morgg, making him drop his blaster, and urged Kevin to escape. Kevin ran, and Morgg managed to pick up the blaster and shot Kwarrel dead.

---

When he was done we were shocked and horrified!

Me: Oh man! I'm so sorry Kevin!

Lola: We had no idea!

Ben: So Kwarrel helped you get cured of your first mutation. That is amazing.

Nico: Your reasons for wanting to settle the score with Morgg is completely justified.

Eli: Yeah just like bro wanting to destroy Hiroshi.

Me: Yeah and Masato.

Kevin Levin: He taught me how to absorb matter. Eventually, he decided that I don't belong in prison anymore and that he was digging an underground tunnel for years.

Nergal: Years?! He must've used lots of shovels!

Kevin Levin: No it was his power to make the tunnel.

Me: That is amazing and he gave his life to free yours. What a true hero.

Lola: Yeah.

Nico: Like I said, your reasons for settling a score is completely justified.

Kevin Levin: If I hadn't run off like a coward, Kwarrel might still be alive.

Radioactive Man: But then, you wouldn't have met Ben and Gwen again

Me: Yeah that is true.

Kevin Levin: I know and I'm glad I met Ben and Gwen again back then.

Me: When the Highbreed and the DNAliens were running amok.

Qin: Yeah.

Lola: That is true.

Max Tennyson: Yeah.

Ben: If I knew Morgg hurt Kevin like that, I would've just let Kevin kill him.

Kevin Levin: At the time, I was out of control. Don't worry about it.

Sunny Tennyson: Right now, Kevin's more focused. And still handsome.

Gwen Tennyson: (in warning) Sunny…

Sunny Tennyson: What he is.

Me: Now now she doesn't mean any form of jealousy. She was stating the facts.

Xenia: Yeah.

Kevin Levin: I actually thought me and Kwarrel were home feee… except we weren't.

James (Pokémon): Morgg knew about the tunnel, didn't he?!

Kevin Levin: Yeah he knew about it for months and was ready for us.

Me: He was really going to kill you.

Nico: Asshole.

Lola: Now it's really personal for you Kevin.

Nico: Yeah.

Kevin Levin: That's right.

Me: Besides this is a personal matter for Kevin. And we're going to help him get justice for the one friend he had before Ben and Gwen.

Nico: Yeah. What did he look like?

Gwen showed us a picture of him in the database.

Gwen Tennyson: Here he is.

---

Kwarrel resembled a big grey muscular human, with a moustache and sideburns, pointed ears, and a scar running across his right eye.

---

Shanan: He's an Eltarian! I've read about them. They are nomads from the distant desert planet of Eltrus and they are very well known as scavengers and sellers of interstellar technology on the black market.

Nico: Wow!

Laney: Very interesting.

Rey Skywalker: (British Accent) That's in every way like how I was on Jakku.

Nico: Yeah very much.

Mevya cuddled up to Kevin.

Private HIVE: Even Mevya is with you, soldier.

Kevin Levin: I can see that. Thanks guys.

Mevya: You're welcome.

Yondu: Breaking into prisons like this one is easy!

Me: We'll find out how easy it is.

Xenia: Yeah.

Nico: We should be just about there.

Butch: Are we there yet?

Lisa Loud: We just arrived at our destination.

Nico: On screen.

We saw that we were in front of the Incarcecon Prison Colony.

Me: There it is.

Qin: Whoa it sure is a scary place.

Xenia: When we step into that place it'll be like stepping through the Gates of Hell.

Slugslinger: Anything we need to do before entering?

Kevin Levin: Yeah. Get me some iron to absorb.

I pulled out a spare iron rod.

He touched it and turned into pure iron.

Me: Nice.

Gizmo: Let's go in.

Me: Here we go.

We got the docking tube and got to the prison and went in and we saw a horrible hellhole.

Me: (Sniffs) This place is a dungheap of evil.

Cynder: Morgg! Where is he?! First one to talk gets to leave!

Me: Gets to live you mean.

Cynder: Oh.

One prisoner pointed to him and we saw him.

Me: Target sighted.

Nico: Yep.

Quince: Kevin, is that you?

Kevin Levin: I might look different from the last time you saw me. But yeah. It's me.

Po Kong: First, is there any food here?

Quince: Yeah radioactive gruel.

He held up a bowl it.

LOUD FART!

Po Kong: Sorry I asked.

Kevin Levin: Been a while Quince.

Quince: It sure has been a while.

Qin: Nice reunion.

Quince: What are you doing back here?

Quick Man: We're here to kill Morgg. After that, you're free to do whatever the Hell you want.

Quince: I'll join the M.O.E. And the Redemption Squad.

Me: Deal.

Nico: Cool.

Quince: Yeah I hate that guy.

Me: Kevin mostly.

Nico: Yeah.

We went to face him.

Quince: Do me a favor and make sure Morgg dies, alright? For Kwarrel.

Motor Ed: Relax. He's going down. Seriously.

Me: We'll make sure of that.

Xenia: Yep.

Nico: Lets get him.

Supernova Zap: Entrance time!

We went at him.

Morgg was really enjoying torturing prisoners.

But then the spirits of the worlds of prison came and swirled around him and then blasted lasers at him and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we came out!

Kevin Levin: I've waited a long time for this Morgg!

Morgg gasped when he saw Kevin!

Morgg: Kevin Levin!?

Abis Mal: And us!

Morgg: Damn shame you came just to die. (to Kevin Levin) Look on the bright side. At least you'll be with Kwarrel again. And if anyone asks, I'll tell them you all died when the inmates decided to riot.

Me: Don't count on it Morgg!

Kevin Levin: This is personal Morag! This is for Kwarrel!

Me: And another thing Morgg you shouldn't be allowed to say his name! You're going to die right here and right now!

Morgg pulled out a laser blaster and Eli ignited his lightsaber and he fired and deflected the blasts with the lightsaber.

I fired energy blasts and blasted him all over!

Morgg shot Kevin in the shoulder. However, due to Kevin's iron armor, he didn't feel any pain.

Morgg: Bet you're starting to miss your mutated form now!

Kevin Levin: With all due disrespect, I prefer my regular powers.

Morgg: Still won't save you!

Mevya: Leave Kevin alone!

Mevya blasted Morgg all over with energy.

Nico: Take that!

Me: Also I have someone here who wants to join in the fun. (SNAPS

FINGERS)

I snapped my fingers and then a bright flash of light shined down onto the floor of the prison and then the divine singing of angels was heard and a figure came and it was KWARREL!

Nico: WHOA!

Kevin Levin: Kwarrel!

Kwarrel: That's right guys! Awesome to see you Kevin.

Kevin Levin: You too.

They fistbump.

KROW!

Kwarrel punched Morgg in his face and I caught Morgg's blaster!

Kwarrel: That was for killing me you jerk!

Morgg crashed into a wall!

Ben: I think it's only appropriate that I use this again.

Ben turned into Armodrillo.

Ben: ARMODRILLO!

Nico: Oh yeah!

Armodrillo punched Morgg all over and smashed him down.

Maria: Time for some backup! (TURNS DIAL) HONOR FORCE KNIGHT 6!

She summoned Cavalier, Yost Korvac, Professor Brainstorm, Evil Ring Man, Gulia and Dorobozu!

Nico: Oh yeah!

Qin: This will be good.

Cindersaur: Take this! (punches Morgg)

KROW!

He was smashed into the floor!

A figure came out and it was COMMANDO ROBOT from episode 19 of Operation Overdrive!

---

A giant commando-themed robot piloted by Mig and Benglo which is their second secret weapon and they use it to attack San Angeles and the Overdrive Rangers whilst Will is battling Kamdor and Miratrix. It disables the DriveMax Ultrazord's flight mode and is scared off by Tyzonn and the Rescue Runners. As it is getting away, Will morphs and uses his Zip Shoots to ride on the robot. Later on, Mig pilots the robot and upgrades it with the Super Armor, turning it into a Samurai-themed robot. It defeats the Super DriveMax and Flash Point Megazords, forcing the Rangers to separate the Zords and make different combos for the DriveMax and Flash Point Megazords. They use the DriveMax Megazord Crane Formation to remove the armor, reverting the robot back to its default form, and the DriveMax Megazord Rescue Formation and the Flash Point Megazord Dozer and Sub Formation to destroy this robot once and for all.

---

Mack: Whoa! Commando Robot!

Calliope Chomei: Gladly.

Calliope Chomei played the video on the screen, and we saw it: Lincoln was about to watch some TV, but Lori, Lynn, Lola, Lisa, and Luan showed up and plotted to beat Lincoln to death, and it wound up at Erupting Volcano, and even worse, the fight's right in front of Calliope Chomei, Leni, Luna, Lucy, Laney, and Lana, and Calliope's face turned red, along with Lincoln's nice sisters.

ON THEM!

The video ended and we were horrified.

Nico: OH! OH GOD, NOW THAT WAS TOO BLOODY AND GRAPHIC!

Me: I still remember that day all too well, it was awful.

Luna: And we sent them to the hospital where they had to be hospitalized for four months, and we'd told the parents everything of what those five tried to do to Lincoln, and the five mean sisters got the grounding of a lifetime: grounded for ten months and all their rights to the TV remote were revoked.

Laney: And Lincoln, Leni, Luna, Lana, Lucy, and I were the only ones who can watch TV.

Suddenly, the eight large planets and stars orbiting around my legs, the eleven large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eight large gold orbs orbiting around Alex the Lion and Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of red lightning, and it absorbed the red lightning and it flowed into Lincoln and made him even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Dark Raiden.

Suddenly, a bolt of red lightning came crashing down onto the ground, and we saw a figure appear: it was Dark Raiden.

Me: So, that is Dark Raiden.

Raiden: I never thought I'd have to deal with you again.

Dark Raiden: As long as the demons of your past still continue to haunt you, this shall unfortunately be your fate.

Reagan Shindai: No. This is the fate that befell you because of Shinnok's Amulet, the very thing that you now wear along with

Shinnok's evil, but that ends here and now.

Suddenly, Reagen Shindai's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, nature, insects, butterflies, swords, books, phoenixes, and angels, she unholstered her Eneiken Noroshi-themed greatsword from her back, and as she approached Dark Raiden, she left pink energy, stars, nature, insects, butterflies, swords, books, phoenixes, and angels with every step.

Reagen Shindai: We've seen this sort of nightmare play out far too many times, but despite your dark actions, there's still a part of you who is still good, but we must free you from the darkness that has possessed you and only then shall the demons of Lord Raiden's past finally be put to rest forever.

Suddenly, Reagen Shindai was surrounded by a massive vortex of pink energy with stars, nature, swords, and books surrounding the vortex, there are insects, butterflies, phoenixes, and angels flying around the vortex, and in the vortex is a pink phoenix with the logo of Kamen Rider Sabela on its chest and blue eyes gazing at Dark Raiden: the eyes of salvation. Then, as the vortex faded, Reagen Shindai emerged, but she was changed forever.

Reagen Shindai grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large pink orbs orbiting around her legs, she has the body of a goddess, she has green highlights in the bangs of her long pink hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon pink eyes and a pink energy aura with stars, insects, butterflies, nature, swords, books, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Sabela logo on her head and a phoenix emblazoned on her forehead and Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Star, Nature, and Eternity Kanjis in its claws, she also a phoenix with pink gems for eyes and holding the Star, Nature, and Eternity Kanjis in its claws for the second pendant on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Reagen Shindai has on a sleeveless hot pink vest, sleeveless hot pink crop top, pink skirt, pink pants, pink legwarmers, pink sneakers, and long sleeveless white trenchcoat with stars, insects, butterflies, nature, swords, books, phoenixes, and angels on the coattails, and on the back is a phoenix surrounded by nature and butterflies and on top is the Kamen Rider Sabela logo. Suddenly, Reagen Shindai felt a sharp pain on her back, and then, massive hot pink angel wings with pink tips on the hot pink feathers grew and sprouted out of her back and they are on top of her butterfly winds, and she also now has eleven massive and long pink wolf tails with pink tips and pink markings, Reagen Shindai has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Reagen Shindai's Eneiken Noroshi-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink energy, stars, insects, butterflies, nature, swords, books, phoenixes, and angels, and when it emerged, it was transformed into Reagen Shindai's Pink Butterfly Nature Eneiken Noroshi Kamen Rider Sabela Greatsword of Pink Butterfly Nature Eneiken Noroshi Kamen Rider Sabela Justice, it's a brand-new massive greatsword with embedded hot pink gems and the logo of Kamen Rider Sabela etched on the 7'6" massive, wide, double-edged pink blade, large pink dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large pink gems embedded in their foreheads, longer midnight black handle, four large pink dragon heads with pink gems for eyes and on the bottom of the large pink dragon heads is a large pink dragon head with pink gems for eyes and a pink gem in its mouth for the pommel, Reagen Shindai has on her large gold Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold dragon's head with pink gems for eyes and large pink gem in its mouth for the belt buckle on her waist, Eneiken Noroshi Wonder Ride Book, Eneiken Noroshi, large rainbow-colored leather and gold metal bound

Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below the phoenix that said, "Reagen Shindai, Embodiment of Kamen Rider Sabela, Loving Sister of Reika Shindai Also Known As Kamen Rider Saikou, Master of The Powers of Nature, Insects, and Butterflies, Wielder of The Eneiken Noroshi Wonder Ride Book, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Furio Tigre, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Nature, Insects, Butterflies, Phoenixes, and Angels"

Suddenly, Reagen Shindai's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she

transformed into her most powerful and and most incredible transformation ever!

Reagen Shindai has transformed into SUPER ANGEL-KAMEN RIDER SABELA-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE KAMEN RIDER SABELA PINK INSECT NATURE ENEIKEN NOROSHI BUTTERFLY PHOENIX ANGEL OF DIVINE KAMEN RIDER SABELA PINK INSECT NATURE ENEIKEN NOROSHI BUTTERFLY PHOENIX ANGEL JUSTICE AND DIVINE KAMEN RIDER SABELA PINK INSECT NATURE ENEIKEN NOROSHI BUTTERFLY PHOENIX ANGEL LOVE!

We were really amazed by Reagen Shindai's Super Angel-Kamen Rider Sabela-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Dark Raiden saw it, he fired a lethal blast of red lightning to kill her, but Lincoln absorbed it and it made him stronger than ever, and Reagen Shindai fired a massive barrage of pink energy, stars, insects, butterflies, nature, swords, books, phoenixes, and angels which hits Dark Raiden and he was knocked down, he got back up, but the storms were now raging even more.

Reika: Oh, no way, did Reagen just…?

Nico: She did, Yuri, she did.

Lincoln: Yep, Reagen Shindai's transformed into her Super Angel-Kamen Rider Sabela-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's time to fight Dark Raiden.

Reagen Shindai: (Divine Echoing Godly Voice of The Divine Pink Nature Kamen Rider Sabela Eneiken Noroshi Butterfly Phoenix Angel and Divine Pink Nature Kamen Rider Sabela Eneiken Noroshi Butterfly Phoenix Angel Love) And purify him of Shinnok's darkness for good.

Raiden: And end the demons that've haunted me throughout many timelines.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Reagen Shindai along with Raiden joining in.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) The demons of the past must be put to rest once and for all, Dark Raiden, and the darkness that turned you into that shall be purged from you forever.

Reagen Shindai, Lincoln, and Raiden went after Dark Raiden who continued firing powerful bolts of red lightning but Lincoln kept absorbing them and it made him even stronger than ever, and they fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Dark Raiden and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he, Reagen Shindai, and Raiden also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts.

Raiden fired a blast of lightning which stunned Dark Raiden for a bit, and then, he knocked Shinnok's Amulet off him.

Raiden: Now, Lincoln. Use the Basilisk Venom on Shinnok's Amulet.

Lincoln sent a wave of the enhanced Basilisk Venom at Shinnok's Amulet and it melted into nothing but molten metal and its dark power was literally destroyed.

Raiden: Now, we must purge Dark Raiden of the last remnants of darkness that made him who he is.

Raiden, Lincoln, and Reagen Shindai chanted an ancient incantation, and they fired three beams of purifying light which hit Dark Raiden, and he was purged of all the darkness inside him. Then, as a result of it, Raiden's alternate future counterpart merged with Raiden and he became even stronger than ever. We cheered wildly for what Reagen Shindai and Lincoln did as they holstered their massive greatswords and powered down and Reagen Shindai's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive pink angel wings are permanent.

Reagen Shindai: We've done it, we destroyed Shinnok's Amulet.

Raiden: And freed my alternate future self of the darkness that corrupted him.

Lincoln: That we did, Lord Raiden.

Suddenly, Reagen Shindai wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Reagen Shindai's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and light behind them and we cheered wildly. Then, Lincoln and Reagen Shindai sucked in and absorbed the elemental forces and light and they came back to us as the display vanished.

Nico: Oh man, you guys really did awesome defeating Dark Raiden.

Lincoln: And we purified him of the darkness for good and destroyed Shinnok's Amulet as well, now without the Amulet, Shinnok won't be able to cause any sort of trouble for anyone.

Me: Especially in the future. So, Lincoln, who's the next Tailed Beast Avatar we're meeting tomorrow?

Kenzie Kurama: I think I know who'll be perfect for tomorrow: Selene Saiken, Avatar of Saiken The Six-Tailed Slug, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Saiken The Six-Tailed Slug and she's a powerful master of water and slime and she also knows how to use those six massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Lynn to the extreme, because during a date at Lake Huron, that animal showed up and tried to kill Lincoln once more, but Serena trapped her inside a water bubble and sent her back to The Loud House to face her punishment.

Nico: Sheesh, Lynn really knows how to piss people off.

Lincoln: And in the worst way possible.

Cluemaster: We COULD say that Morgg died in a cave in caused by the battle.

Whiger: We COULD do that.

Piledriver: Or we could tell the truth.

Bulldozer: Not like we'll get in trouble for it.

Hank Scorpio: What happens to Incarcecon now?

Dr. Destiny: We claim it for ourselves.

Me: Good idea. And we got justice for Kwarrel.

Kwarrel: You sure did. Thank you all.

Me: It was our pleasure.

Nico: Yeah. Great job today everyone.

Laney: (To the viewers) Now Morgg is a forgotten memory. And Kwarrel is back for good.

Me: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

Xenia: Boy I have a feeling this adventure will be as funny and fun as the others.

Qin: Yep it sure will.

Xenia: Love a good laugh.

Camie: Me too. This will be fun and cool.

Varie: It always is and I'm always up for a fun laugh.

Misty Tredwell: Me too and this will be fun.

Lola: That is true.

Nico: Akira, I want to thank you, Crimson Dynamo, and your teams for coming.

Akira: No problem Nico. I'm really excited for this one.

Disk Wars Iron Man: Me too and this will be cool.

Me: We're all excited for this.

Eli: Ready for some action sis?

Milly Ashford: You bet I am Eli.

Nico: Milly, remind me again how you met Eli?

Milly Ashford: Oh right. We met when Eli was a member of the Black Knights and we became really close.

J.D. 3: It's true and it was awesome how he and Milly got close through that. They loved each other like brother and sister.

Xenia: That is cool.

Milly Ashford: And since then we were really close and I'm happy to be with him to look out for him as a sister.

Nico: We all are. Eli has been a massively tremendous help ever since he joined the team almost 3 years ago.

Eli: I sure have.

Nico: Just wanted to know. That's all

Milly Redford: No worries. But I'm so happy for Eli and even Nunnally.

Xenia: We all are.

Eli: Yeah.

Camie: Yep.

Me: But yesterday was awesome. Man it was awesome seeing what Incarcecon was like. But it was also good that we killed Morgg and brought justice to Kwarrel.

Lincoln: Yeah that was awesome.

Nico: What Morgg did was fucked up.

Me: And then some. But I'm glad he got what was coming to him.

Rarity: That is for sure there.

Applejack: That repulsive overgrown sidewinder got what was coming to him.

Nico: He sure did.

Lola: Yeah no kidding.

Nico: Still good riddance to bad rubbish.

Maria: There was no hallucinogenic gas there, right?

Eli: No thankfully there wasn't. But at least that didn't happen to us. Not that poisonous gas will affect us anyway.

Nico: That's true.

Lola: Thank goodness.

Camie: Yeah.

Nico: Kwarrel's back too.

Me: Yes he is.

Qin: Yep.

Me: And you have me to thank for that.

Nico: Yep. And we have Incarcecon as another awesome space prison.

Me: And we added new modifications to it. We put anti-dark magic and anti-dark orb spells on the cells and made them completely escape proof.

Nico: Good.

Me: And we added laser turrets, machine guns, particle disintegration rays and all kinds of death traps to make sure no prison riots or escapes are done by the most dangerous of criminals.

Camie: Good thinking.

We went into the simulator and we were ready for fun.

Nico: Okay here's the mission. We're going to find the elusive Lardadoodle Bird.

Laney: Wow!

Xenia: It's said to be really elusive and easily avoids getting captured.

Lincoln: Not only that, but we also got another shot at killing Lumpus once again. Lazlo said Lumpus tried to eat the bird, that's a crime against innocent creatures of nature. I'm gonna use Fluttershy's Stare on him, and I won't be surprised if it kills him!

We gasped.

Eli: Oh no. I don't like the way he said it!

Nico: We've seen Fluttershy use her Stare before and it's scary, but we've heard many times of how Lincoln's used her Stare before, and because of his transformations and evolutions, I hate to find out how much his Stare's evolved since then.

Me: Me too. (Shudders)

Laney: Thank goodness Lincoln's never used it on Lori, Lynn, Lola, Lisa, or Luan, he'd easily have them crying like babies.

Nico: So, what exactly does this bird look like?

Me: Well here.

I pulled up a picture of it.

An enormous flightless bird that appeared in The Big Weigh In, and that Lumpus wanted to eat to gain weight. Described by Lazlo as being "97% fat" and "the goat of the bird world", the Lardadoodle can and will eat anything it can reach, including nearly all of the contents of Lumpus' kitchen, various belongings of the campers', and even Lumpus and Lazlo. It can also lay enormous eggs containing things it has eaten. In the end, Lumpus realizes the error of his ways and promises never to attempt to eat it again, which the motherly bird reciprocated by feeding Lumpus forcefully with worms.

Nico: WHOA! That is one big fat chicken!

Xenia: No kidding!

Laney: Lazlo told me all about it. The Lardadoodle is that hungry all the time and he eats anything.

Nico: Boy he must be REALLY HUNGRY all the time.

Lola: Yeah.

Nico: Shouldn't be that hard.

Me: Well since he is 97% fat and he is that big it's not going to be that hard for us to find him.

Qin: Yeah.

Lazlo, Raj and Clam came.

Lazlo: Hey guys!

Raj: (India Accent) What's going on guys?

Clam: Happy.

Me: We're going to find the elusive Lardadoodle Bird and stop Lumpus from eating him.

Lazlo: Good idea!

Raj: Yeah!

Nico: Know where he is?

Lily: I think up ahead.

We saw the Lardadoodle Bird!

Lardadoodle: (LOUD BELCHING!)

Laney: WHOA!

Me: Wow that is a REALLY BIG Chicken!

Xenia: No kidding!

Raj: Wow! He's so fat!

Lazlo: 97% fat to be precise. Lardodius Maximus Glutenous.

Clam: Fatso bird.

Me: Boy that is a huge bird!

Nico: Shouldn't be that hard to capture.

Me: With that enormous girth of his he's pretty much stuck there.

Nico: How heavy is he?

Me: Lets see.

Lisa pulled out a weight pad and me and Applejack lifted him.

Me: (GROANS) MAN HE IS HEAVY!

Applejack: (GROANS) HE SURE IS! BUT THIS IS NOTHING!

We put him on it and we saw his weight.

Lisa Loud: (GASP) SWEET EINSTEIN! This bird weighs 4,535.924 kilograms!

Me: That's over 10,000 pounds!

Lisa Loud: 10,000.000661 pounds to be precise.

Nico: Is the idea of a diet lost on him?!

Me: Obviously yes!

Lazlo: The Lardadoodle is always like this guys. He pretty much eats anything.

Lola: Yeah.

Fluttershy: Aww he sure is a big eater isn't he?

Nico: Boy no kidding. He is always hungry from what I heard.

Camie: Yep.

FART

The bird farted.

Lardadoodle: (Clucks)

Fluttershy: Aww he is really hungry.

Maria: Let me feed him.

Nico: Did you bring any food?

Maria: I think I can think of some…

CHOMP!

He ate Maria and swallowed her whole!

Nico: GASP!

Raj and Clam: (SCREAMING)

Me: HEY!

Maria: HEY! LET ME OUT OF HERE!

But then the Lardadoodle felt something.

Me: Uh oh.

But then…

LOUD SUPER FART!

NUMEROUS EGGS CAME OUT!

Me: Look at all these eggs!

Camie: That is a lot of eggs!

DING!

Nico: They're hatching!

They cracked open and then we saw ALL THE stuff from all the campers.

Nico: Whoa!

Maria came out of an egg.

Maria: Now I know how a baby chick feels.

Nico: You okay, sis?

Maria: Yeah.

But then the bird grabbed a bunch of worms from the ground.

Lazlo: Aww. Mama wants to feed her baby.

Maria: Me!? Oh no.

SHOVE SHOVE SHOVE!

Raj and Clam: Aww how precious.

MARIA WAS FORCE FED WORMS UNTIL SHE WAS AS FAT AS THE LARDADOODLE BIRD!

She spat them out.

secs agoShe spat them out.

But the Lardadoodle fed her more.

Maria was REALLY BLOATED AND FULL!

Lana: (Disappointed) Lucky.

Maria groaned from being too full and bloated and fat.

Nico: Geez!

Maria: (GROANS) That was so wrong and gross.

Me: Boy Maria that is crazy.

Nico: I'll get you back to normal.

Nico snapped his fingers and did so .

Maria: Ahh. Thanks Nico. (STOMACH GRUMBLES) Uh oh.

But then…

SUPER LOUD EXPLOSIVE FART!

Maria let out a REALLY LOUD SUPER EXPLOSIVE FART!

Maria then blushed in total embarrassment from that!

Nico hugged Maria.

Maria: Sorry.

Nico: No worries.

We got the bird back to the camp and gave all the stuff back to the campers.

Lincoln: (Sensed for Lumpus) AHA! And just as I figured, Lumpus is here and he's out to kill him.

Me: It's showtime!

Suddenly, the spirits of the scouts of Camp Kidney appeared and swirled around the place and fired elemental energy blasts at Lumpus and he got hit hard. Then, the spirits converge and they exploded as a Phoenix Cry and Thunderbird Screech cried out into the air, and we appeared.

Simulator Lumpus: (BABBLING) GET OUT OF MY WAY AND LET ME EAT THE BIRD!

Lincoln punched Lumpus in the face.

POW!

Me: There's no way we're letting you eat the Lardadoodle Bird, you ugly moose!

Xenia: All life is sacred, but yours, you've wasted yours already, moron. Plus, we've also reported all of your crimes.

It turns out a few minutes ago before we set out to find the Lardadoodle Bird, Lincoln reported Lumpus' numerous crimes directly to Commander Hoo-Ha, and when he found out about Lumpus' crimes that he committed in Camp Kidney, he went absolutely ballistic and got into his vehicle and charged out while Lincoln flew back to us.

Suddenly, we heard the loud honking of a horn.

Lincoln: (Smirks) And what's this we hear, sounds like your doom fast approaching!

Simulator Lumpus: (GASPS) Oh no… ! He's here! COMMANDER HOO-HA! (SCREAMS)

We then saw who it was fast approaching: it was Commander Hoo-Ha, and boy was he really pissed off.

Nico: OH MAN, YOU GOT HIM RILED UP! This is going to get ugly!

Then, the truck stopped and Commander Hoo-Ha came out.

Commander Hoo-Ha: LUMPUS! You have broken every single rule of the book, not to mention what you've done to the Bean Scouts! I also found out you stole the job from Heffer, that is unforgivable! You are officially kicked out of Camp Kidney, and because of the fact that the crimes that you have committed that are truly unforgivable, IT'S PUNISH TIME!

Commander Hoo-Ha got out some boxing gloves and he pulled the pins with his mouth like a pair of grenades and he punched them together and an explosion erupted and Commander Hoo-Ha was in a pair of red boxing shorts and he pounced on Lumpus and proceeded to give him the worst beating of his life.

POW! BANG! WHACK! WHAM! SMASH! BLAM! BIFF!

We flinched at the pain he was inflicting.

Me: OOH! THAT'S GONNA HURT!

Nico: Yikes!

Me: Oh man!

Nico: Oh! Man, that's brutal!

Lazlo and his friends in the Simulator saw it, and the same went with the real world Lazlo and his friends in the Control Room.

Lazlo: Looks like Commander Hoo-Ha is really giving Lumpus a serious beating.

Patsy: Lumpus had it coming for a long time, and Daddy showing up to give him his punishment. He won't last a second.

Back in the Simulator, Hoo-Ha was continuing to give Lumpus a severe beating.

Nico: Jeez, at this rate, he's gonna kill him.

Xenia: Before I get a chance to get after him myself.

Isabelle Knudson then appeared.

Isabelle Knudson: And leave me out too? Gee I'm hurt.

Nico: Hoo Ha, the bird's also here.

Commander Hoo Ha: Boy I see that. Wow! Never thought I would see a Lardadoodle before.

Me: A very rare bird too.

Laney: Don't worry I'm watching over the bird. (SPINS MAGISWORD BRACELET)

WORM DOODLE MAGISWORD!

It looked like a worm with chocolate on it.

Laney: Hungry boy?

The bird nodded and opened its mouth and Laney poured the worm doodles into the bird and MAN WAS HE HUNGRY!

Nico: You know what? Stuff the worms in Lumpus! If he's hungry, we'll give him something to eat!

Me: Good idea!

All of us: YEAH!

WORM DOODLE MAGISWORD!

We all got out Worm Doodle Magiswords!

Lumpus: Uh oh!

Then we shoved worms down his throat and made HIM FAT! REALLY FAT!

Nico: You also are too fat to run!

Me: Yep!

Qin: He sure is!

Isabelle Knudson: That's quite an improvement if you ask me!

Maria: Better him than me!

Nico patted Maria on the back.

Maria: Thanks Nico.

Suddenly, Xenia's blue eyes turned neon blue and she was surrounded by a blue energy aura with stars, nature, plants, leaves, animals, phoenixes, and angels, and as she approached Lumpus, she left blue energy, stars, nature, plants, leaves, animals, phoenixes, and angels with every step.

Xenia: I have absolutely had it up to hear with you, Lumpus. You've not only proven yourself to be a total fraud and scout hater along with being a powerhungry control freak, but you also proved to be a cannibal in trying to eat the LardaDoodle Bird?! That is unforgivable, and for that, I'm going to give you an even worse punishment than the one you're currently getting from Commander Hoo-Ha!

Suddenly, Xenia was surrounded by a massive vortex of blue energy with stars, nature, plants, and leaves surrounding the vortex, there are animals, phoenixes, and angels flying around the vortex, and in the vortex is a rainbow phoenix with red eyes glaring at Lumpus: the red eyes of eternal death. Then, as the vortex faded, Xenia emerged, but she was changed forever.

Xenia grew from 7'4" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large azure blue orbs orbiting around her legs, she has the body of a goddess, she has yellow highlights on the bangs of her long blue hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon blue eyes and a blue energy aura with stars, nature, elemental forces, leaves, deer, phoenixes, and angels surrounding her, she has Xerneas emblazoned on her forehead and Third Eye with blue iris, she has elk earrings with blue gems for eyes and holding the Nature, Life, Love, and Eternity Kanjis in its hooves, she has on her Elemental Phoenix Necklace of Eternal Love with colored gems on the gold leaf links and blue crystal links from her merged Crystal Necklace of The Buddha and blue Xerneas-shaped Element of Harmony and on the bottom of The Element of Harmony is Xerneas with blue gems for eyes and holding the Nature, Life, Love, and Eternity Kanjis in its hooves for the pendant and she has on a white and gold accented choker on her neck. Xenia has on a sleeveless royal blue and black dress, black and gold filigree knee-high high-heeled boots, and long white sleeveless trenchcoat with stars, nature, elemental forces, leaves, deer, phoenixes, and angels on the coattails and on the back is Xerneas with leaves and plants surrounding it. Suddenly, Xenia felt a sharp pain on her back, and then, her massive blue angel wings with yellow tips on the large blue feathers grew much bigger for her new body and she now has eleven massive and long blue wolf tails with yellow tips and yellow markings. Xenia has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Xenia's massive greatsword and all the greatswords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of blue energy, stars, nature, elemental forces, leaves, deer, phoenixes, and angels, and when it emerged, it transformed into Xenia Knudson's Life Nature Xerneas Life Greatsword of Life Nature Beauty Justice, it's a brand-new massive greatsword with embedded yellow gems and Xerneas etched on the 7'6" massive, wide, double-edged blue blade, large Xerneas heads for the crossguard, large white angel faces built into both sides of the hilt and large blue gems embedded in the foreheads, longer midnight black handle, four large Xerneas heads with pink gems for eyes and large blue phoenix head with yellow gems for eyes and large pink gem in its mouth on the bottom of the Xerneas heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold version of Xerneas' head with blue gems for eyes and large pink gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a blue kanji below Xerneas that said, "Xenia Knudson Also Known as Xerneas the Legendary Pokemon of Life, Loving Future Wife of James Dean Knudson, Master of The Powers of Life, Powerful Defender of Nature, Archenemy of Plantman, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, and

We were amazed by Xenia's Super Angel-Xerneas Legendary Life Pokemon-Deer-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when I saw Xenia, I had an atomic red blush on my face, hearts in my eyes, and my nose was bleeding. But, when Lumpus saw it, he went absolutely crazy and went at her to kill her, but Xenia fired a massive barrage of blue energy, stars, nature, elemental forces, leaves, deer, phoenixes, and angels which hits Lumpus and he went flying into a tree, he got back out, but boy was he stinking mad now!

Xenia: (Diving Echoing Godly Voice of The Nature Life Defender Legendary Deer Pokemon Xerneas Phoenix Angel and Divine Cosmic Nature Life Defender Legendary Deer Pokemon Xerneas Phoenix Angel) You're not getting out of this alive, you ugly moose! You've still got to pay for what you've done!

Isabel Knudson: That's right, you've tried to eat an elusive animal, and for that, you will face nature's true wrath! YOU MORONIC MISTAKE OF NATURE!

We gasped.

Nico: What the Hell did we just witness?!

Me: (Gulps) You just witnessed my granddaughter getting super pissed off.

Nicole: Oh no, I've seen it before. Last time someone tried to hurt any innocent animals, Isabel went on a rampage and viciously tore the asshole apart.

Lincoln: J.D. and Varie had to restrain her as fast as possible, it was ugly to the extreme and she tore the city apart.

Me: Yeah it's true.

Nicole: We had to cool her off somehow, but it was hideous.

Suddenly, Isabel's blue eyes turn neon blue and she was surrounded by a blue energy aura with stars, nature, fairies, animals, animal spirits, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Lumpus, she left blue energy, stars, nature, fairies, animals, animal spirits, phoenixes, and angels with every step.

Isabel: Xenia was right to say all that about you, you nasty moose, you've hated the Bean Scouts for absolutely no reason and they've done no such harm to you, you're such a rotten dumpster fire who deserves only the cruelest of punishments there is: death!

Suddenly, Isabel was surrounded by a massive vortex of blue energy with stars and forces of nature surrounding the vortex, there are fairies, animals, animal spirits, phoenixes, and angels flying around the vortex, and in the vortex is a light blue phoenix with red eyes glaring at Lumpus: the red eyes of death. We were amazed by Isabel's Super Angel-Animal Spirit Shaman-Fairy-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Lumpus saw it, he went ballistic with rage and ran at her to kill her, but Isabel fired a massive barrage of blue energy, stars, nature, fairies, animals, animal spirits, phoenixes, and angels which hits Lumpus and sent him flying into a tree, he got back out, but now, he looked like a rabid dog.

Isabel: (Divine Echoing Godly Voice of The Magic Nature Animal Spirit Shaman Fairy Phoenix Angel and Divine Cosmic Magic Nature Animal Spirit Shaman Fairy Phoenix Angel Life) Now, it's high time for you to get the punishment that you rightfully deserve, Lumpus.

Lincoln: You've tried to hurt one of Nature's animals, and for that, there is a price that you must pay.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Isabel and Xenia as the rest of us unholstered our massive greatswords and transformed and joined in.

Now, it's high time we get rid of you once and for all!

Me: You got that right! Lets get him!

Nico gave Lumpus a wedgie.

HOING!

Nico: NICE UNDERWEAR MOOSEBOY!

WE LAUGHED!

Nico: (LAUGHS) Funny.

Leeli bashed Lumpus on his head with a club!

BLAM! BLAM BLAM BLAM BLAM BLAM! BLAM!

Girl Jordan: Go get him Leeli!

Girl Jordan formed a water mace club and bashed him in his stomach!

Nico got out beans.

Nico popped it open and shoved the beans down his throat.

Lumpus: What the.. (STOMACH GRUMBLES) UH OH!

BUT THEN….

KRAFFFFFFFFAAAAAAAAAAAAARRRRRTTTTT!

HE RELEASED A MASSIVELY POWERFUL AND EXPLOSIVE FART!

Nico: Had enough?

Lumpus: NEVER! I WILL EAT THAT BIRD!

Nico: Uh in your fat state you can't eat anything else.

Camie: Yeah fatso!

Girl Jordan: Yeah I agree there!

Nico: And you can't even move!

Me: The only thing we can do is beat the living crap out of you.

Qin: Yeah!

Xenia: Besides it's fun to do so Mr. Cholesterol Overdose!

WE LAUGHED!

Lumpus got REALLY MAD!

Nico punched him in the face!

POW!

Lumpus: OUCH!

Nico: Oh come on Lumphead. Can't take a little pain?

POW BLAM SMASH WHAM!

Nico was beating the living shit out of him!

Raj: The champ takes a swift uppercut to the jaw. [punches himself]

Lazlo: Lumpus is against the ropes. A left, a right.

Raj: How can a man stand it?

[Lumpus falls flat on the floor, knocking out his dentures.]

Lazlo: Oh, and the champ is down!

Raj: [holding up Nico's arm] The winner!

Nico: Thank you!

Me: That was awesome!

Nico: YEAH!

Eli: So fun.

Nico: I hope he's had enough.

Me: One last thing.

I popped open a can of beans and then ate it and threw the can into a recycling bin.

Then I went over to Lumpus.

Me: Uh you guys may want to look away.

They did so.

I pulled down my pants and shoved my butt in his face and then…

EXPLOSIVELY LOUD MASSIVE EXPLOSIVE DIARRHETIC FART!

I farted in Lumpus' face with explosive diarrhea and pumped every ounce of Lumpus' body with shit!

Maria: That's how it feels!

WE LAUGHED HYSTERICALLY AT WHAT I DID!

Lumpus was in a catatonic state from the explosion of shit that he was injected with!

Xenia: (LAUGHS) THAT WAS FUNNY!

Me: That was called THE Atomic Shit-Plosion of Doom!

EVERYONE LAUGHED HYSTERICALLY!

Lincoln, Isabel, and Xenia went after Lumpus, and they fired extremely powerful blasts of rainbow energy, blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Lumpus and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Isabel, and Xenia attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Lumpus insane and straight to the brink of insanity.

Maria: YEAH! TAKE THAT, YOU UGLY ANTLER-WEARING DUMPSTER FIRE!

Lumpus: (BELLOWING WITH RAGE)

May: OH! NOW, YOU'VE DONE IT, NOW HE'S RAGING MAD!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I've had it up to hear with that walking dumpster fire.

Suddenly, Lincoln's massive white angel wings had spread out and red and black energy balls were forming.

Nico: Oh man, he's going to use the attack that we hadn't seen in a long while.

Me: Yep, this should be good.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) OBLIVION WING LIFE ENERGY DRAIN!

Lincoln fired massive red and black energy waves from his massive white angel wings, and they hit Lumpus, and he screamed as Lincoln began sucking out all of his life energy and it flowed into him. Then, when Lincoln was done, Lumpus was left as a statue drained of all life energy, then Lincoln formed a red and black energy ball and fired it and destroyed the statue and condemned Lumpus to The Black Gates forever. We cheered wildly as Lincoln, Isabel, and Xenia holstered their massive greatswords on their backs and powered down, and Xenia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blue wolf tails, and massive blue angel wings are permanent, and Isabel's new body, clothes, weapons, jewelry, Third Eye, and massive blue angel wings are permanent.

Me: That'll teach you, you ugly moose!

Nico: And it's been a long time since you've used your Oblivion Life Energy Drain Wing, but it's now become even more powerful.

Lincoln: Yep, it sure has thanks to my constant evolutions and transformations. Plus, I can also use that same technique, but in more different forms.

Lincoln formed a red and black energy ball which he fired at an approaching thug and caused streams of life energy to be sucked out of the criminal and into Lincoln via his hand, and when that was done, the thug was reduced to being a statue and shattered into pieces and sent to The Black Gates.

Eli: Now, any thug who tries to attack us, you'll drain them of their life energy and they'll be turned into statues.

Me: And shattered if we get the chance, besides, they wouldn't make any good masterpieces in the garden, they're even uglier in statue form.

Nico: Big time ugly.

Me: Now that was funny.

Nico: Yep. Now for business. We have the Anothers to face.

Eli: And we have Another Anchor-Man, Bomb-Voyage, Screenslaver, Underminer, Syndrome, Evil Orbit Woman and Crimson Dynamo,

We gasped!

Qin: WHOA!

Me: So we have most of the enemies of the Incredibles to face.

Crimson Dynamo: (Russian Accent) And we decided to give Syndrome a shot too. But Vypra is going to be keeping a REALLY Close eye on him too.

Xenia: Thank goodness.

Nico: Lets hope he doesn't pull a fast one. Who do we call for them?

Me: Hilda, Dillan, Countdown, Blastermind and Bushwhack.

Nico: Nice!

Maria called them in.

Countdown: I'm Da Bomb!

Blastermind: Mind Over Matter!

Bushwhack: Axe To The Max!

Qin: Awesome!

Hilda: (British Accent) We're ready for this one.

Eli: And the Anothers minus Crimson Dynamo are all one person.

Me: This will be good.

Nico: And here they come!

Dillon: Oh boy.

Out came a bunch of figures and they were Another Anchor-Man, Bomb-Voyage, Screenslaver, Underminer, Syndrome and Evil Orbit Woman!

Me: WHOA!

Qin: This will be awesome.

Lola: Yeah!

Another Bomb-Voyage: (In a girls voice) This is gonna be awesome.

Lincoln: (GASP) Malora Incredible! Wow!

She reverted back and was a girl with black hair and blue eyes and she had fire angel wings and had red clothes with the logo of the Incredibles on her skirt and she had an Incredibles Theme Keyblade.

Malora Incredible: It's so awesome to see you again Lincoln and wow you grew into an awesome young man.

Lincoln: I sure have.

Me: Care to introduce us Lincoln?

Lincoln: Sure. Guys meet Malora Incredible, Keyblade Knight of

Metroville, she's my Guardian Angel from Michigan and an awesome friend of the Parr family and all the Supers of Metroville, and she's also a really powerful master of fire. Not only does she have a massive hatred towards Xehanort, but she also harbors a really massive and really nasty hatred towards Syndrome, and she swore if Syndrome ever comes back again, she would kill him and make him suffer the torments of The Nine Circles of Hell. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

We were amazed!

Me: Whoa! That is awesome! And the Incredibles are an awesome Superhero Family and Jack Jack is so awesome with his powers and he is coming along strong with them.

Nico: Yeah.

Malora Incredible: I know. And I am so proud of him. And I heard about what happened with you guys lifting the ban on Supers. I'm so glad you all did that.

Me: We are too.

Nico: Yeah and also Vypra has Syndrome in the M.O.E. and she is going to keep a really close and strong eye on him. But you can still vent your rage on him.

Malora Incredible: I would like that very much.

Me: Good.

Nico: By the way Buddy Pine is also in the Redemption Squad. This was before he turned into Syndrome.

Malora Incredible: I heard about that and I would have gladly taken him under my wing to show him how to be a great hero.

Nico: I know you would.

Me: Yeah. All of the Parr family is doing really well. They now don't have to hide their superhero business anymore and they are awesome members of the team.

Malora Incredible: I'm so happy for them.

Qin: We are too. They are great friends and awesome to hang out with.

Laney: Yeah.

Me: By the way is the Another Crimson Dynamo friendly or hostile?

Malora Incredible: Friendly and she has a really amazing and powerful connection to Maximum Ride.

Me: Whoa! I wonder what it is.

Malora Incredible: It's amazing.

Qin: Wow.

Me: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER

AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and was separated from the Anothers.

Malora Incredible: SHOWTIME!

They fired waves of energy, magic, bombs and fire and blasted the Anothers and I caught the Wonder Ride Books.

Me: Oh yeah!

Laney: That was fun!

Lola: YEAH!

Me: Now for the Another Crimson Dynamo.

May: All we can do is wait on that one.

Nico: Tell Me when she's here.

Me: Will do.

Xenia: Yeah.

Lazlo: Thanks for helping us get rid of Lumpus.

Qin: Now he is a pulverized forgotten memory.

Xenia: But he is still funny to thrash.

Laney: Yeah he sure is.

The Lardodoodle bird was glad he was saved.

Me: We'll have the bird placed into the T.L.P.S.-M.O.E. protection program.

Camie: Good idea.

Fluttershy: That is a really great idea guys.

Xenia: It sure is.

Varie: Yeah.

Maria: I'd rather not eat worms!

Lana: Don't knock it till you try it.

Maria: Maybe for you Lana but not me. That was so disgusting.

Nico: (Snoring)

Qin: Out like a light.

May: Yeah.

Rainbow Dash: Nico takes as big an awesome nap like I do.

Nico: Yeah he sure does.

Maria: I don't even look good fat!

Me: No kidding.

Maria: I know.

Eli: Uh guys? Look!

We saw a figure coming and it was ANOTHER CRIMSON DYNAMO!

Me: There!

I pulled out a bugle and played Reville in Nico's ear!

Nico woke up and got ready.

Nico: (Imitating Ed) PRIVATE DO-NOT-ENTER IS READY FOR DUTY CHIEF!

He saluted.

Akira: Glad you're up!

Eddy: (LAUGHS) Nice imitation of Lumpy Nico!

Nico: (LAUGHS) That was funny! Is the Another here?

Me: Yep.

We saw Another Crimson Dynamo!

Nico: WHOA!

Me: This one is going to be strong.

Another Crimson Dynamo: (In a girls voice) But it will be fun too.

Me: (GASP) That voice.

She reverted back and was a girl with red hair and red eyes and had the wings of the mighty and powerful harpy eagle and she had red clothes and had a tiara with the symbol of the Hawk Dopant on it and she had the same symbol on her skirt.

Me: (GASP) Mandy Ride Hawk!

Nico: WHOA!

Mandy Ride Hawk: Awesome to see you again J.D.

Me: Same here.

Nico: Wow! Are you one of the members of the Angel Project?

Mandy Ride Hawk: I sure am. I escaped and went though a portal years ago before Max and some of the Flock did.

Me: Cool! Mandy is also the Embodiment of the Hawk Dopant and she has amazing bird powers and she has amazingly powerful superhuman strength because she was spliced with the genes and wings of the Harpy Eagle. The most powerful bird in the world.

Crimson Dynamo: WOW! So she is as strong as me.

Me: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Mandy Ride Hawk: No he didn't. I flew and grabbed him and dropped him from 45,000 feet into the sky and right into the ocean.

Me: WHOA! That is high up!

Sakura Knudson: That explains why he was dripping wet and had almost every bone in his body broken.

Nico: Too bad that didn't kill him. Saved us the trouble.

Mandy Ride Hawk: I know.

Me: Never underestimate the power of the strongest bird in the world.

Zocks and Kaito: ZENKAIJU GEAR!

They donned Zenkaiju Armor!

Lincoln: Lets separate you first.

Lincoln fired a beam of light and separated her.

Mandy Ride Hawk: Awesome. Now watch this.

She flew and grabbed Another Crimson Dynamo and flew high up and at 45,000 feet she dropped him and then he fell and then…

KRASMASH!

She landed 3 seconds later.

Me: WHOA! That is amazing!

Qin: YEAH!

Mandy Ride Hawk: Not all I can do though.

Nico: Top this! (ACTIVATES CRIMSON DYNAMO AND EVIL ORBIT WOMAN'S RIDEWATCHES)

He fired energy blasts and smashed him down.

May: I HATE THAT HEDGEHOG! (ACTIVATES DR. ROBOTNIK AND EVIL WHIRLPOOL MAN'S RIDEWATCHES)

She fired waves of energy and blasted him.

Maria: My turn! (ACTIVATES SNOWFLAME AND RED DARK MAGICIAN'S RIDEWATCHES)

She fired ice and dark magic and blasted him.

Milly Ashford: My turn! (ACTIVATES EVIL ORBIT WOMAN'S RIDEWATCH)

She fired waves of energy and blasted him.

Then Manta Bayarsh, Yost Executioner, Lunge Fish, Princess Abi, Uma Zazzala Queen Bee and Evil Manta came.

Nico: Nice team Manta!

Manta Bayarsh: Thanks Nico. This will be fun.

Nico: Yep.

?: This is gonna be fun.

Magnet Man came.

Me: Magnet Man? Wow!

Magnet Man: (In a girls voice) I'm ready for some fun!

Nico: Maya Magneto! Wow!

Maya Magneto: Yep. Awesome to see you again Nico. I got this.

She fired Magnetic energy and crushed the Another and I caught the ridewatch and purified it.

Me: That did it!

Maya Magneto: That was cool!

Nico: You're naked, aren't you?

Maya Magneto: I sure am.

Me: Uh oh.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Maya Magneto: I know.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain. She threw up and fired magnetic energy and numerous pieces of metal smashed onto May!

KRASMASH!

May: OUCH!

Maya reverted back and was a girl with black hair and blue eyes and she had grey angel wings and had a magnet symbol on her forehead.

Maya Magneto: (GROANS) That hurt. (GASP) Oh my god! Sorry May!

May: I'm okay!

Maya saw herself.

Maya Magneto: (GASP) EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling. We can fix this.

The Fashion brigade moved in and gave her new grey clothes and they looked great.

Maya Magneto: Wow! I look amazing.

Varie: You sure do.

Nico: How do you feel?

Maya Magneto: Better than ever.

Me: Cool.

Milly Ashford: What's your favorite memory of Nico?

Maya Magneto: When me and Nico raided an illegal beer factory and stopped the whole operation and I used my magnetic powers to tie up all the thugs.

Nico: Yep that was cool.

Lola: That is awesome.

Xenia: Yeah.

Nico: Yep.

Nico and Maya hugged.

Nico: I've missed you.

Maya Magneto: Same here Nico.

We later left the simulator went told everyone about it and it was awesome.

---

Later it was time for another awesome Super Mario Galaxy Adventure.

Nico: Next is Loopdeeswoop Galaxy.

Me: That water Race Course Galaxy!

Nicole: Awesome! That's one of my favorites.

Girl Jordan: Me and Leeli will come. I want to have a shot at some surfing there.

Leeli: Me too!

They had surfboards with them.

Nico: Love that spirit girls. Anyone else?

Ulrich: Me and Erza will go too.

Nico: Okay then. Lets head in.

They went in and the simulator activated and they were at LOOPDEESWOOP GALAXY!

Nico: Cool!

Girl Jordan: Wow! So this is Loopdeeswoop Galaxy.

Leeli: Wow! It's amazing.

Nico: Any tips, Nicole?

Nicole: (On the radio) Not much to work with here. Just got to surf to the end.

Girl Jordan: That is cool.

Nico: Okay.

Ulrich: This will be fun.

Erza: Here we go! REQUIP!

She donned her SEA EMPRESS ARMOR!

Nico: Awesome!

Ulrich: We need to fight these Goombas first!

Nico: Lets do it!

They got to surfing!

Girl Jordan: WOOHOO!

Leeli: THIS IS SO FUN!

Nico: YEAH!

Ulrich and Erza slashed the Goombas all over!

Nico: (gets out Crimson Dynamo and Titanium Man's Ridewatches) I'm loaded with weapons!

Nico activated them and fired waves of missiles and lasers and blasted the Goombas all over.

?: YEAH! Take that!

A Girl with red hair, blue eyes, black athletic clothes and had red angel wings and she had a tiara with the symbol of the American Turbo Rangers on it and the same symbol on her shorts!

Talia Carranger: Talia Carranger, Embodiment of the American Turbo Rangers.

Nico: Awesome to meet you!

ZOOM!

She destroyed the goombas.

Girl Jordan and Leeli blasted many of them.

Nico: Who's in the lead right now?!

Girl Jordan: Me and Leeli!

Talia Carranger: Oh yeah!

Then Girl Jordan and Leeli crossed the line!

They won and then the star came!

Nico: There it is!

They went and got the star!

YOU GOT A STAR!

Talia Carranger: That was awesome!

They all high five!

Erza: Tell us more about yourself.

Talia Carranger: I'm a race car and plane driver and I am an awesome driver and pilot. I love to fly and drive and even make my own planes and cars.

Nico: That is cool.

Talia Carranger: It sure is.

Nico: Would you like to join the team?

Talia Carranger: I would be honored.

Later they came back and we cheered.

Lincoln: Whoa, we're here in Manhattan, and I know what we're going to do here, not only am I going to rescue the six girls here, but the second treasure we're getting is for Marty the Zebra: these are known as The Greaves of Varuna, and after Marty gets those, we're going to destroy Juroung, the Water and Gravity Elemental shaman and "true disciple" A.K.A. fanatical follower of Grandmaster Meio.

Me: Oh man, and it's been two years since we destroyed Grandmaster Meio.

Nico: It sure has, so his disciple's come to take revenge, has he? Well, he's going to regret this big time.

Iron Man: First, we should get the treasure at once.

We headed straight for a shrine made of aqua blue-colored marble with two Zebras out in front of the shrine, and we headed inside and we saw the treasure: The Greaves of Varuna, four silver and aqua blue-colored greaves with aqua blue gems.

Marty the Zebra: The Greaves of Varuna, nice!

Suddenly, we saw a beautiful and super sexy girl with short dark brown hair with eye stalks on top of her head, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has Saiken's six massive and long white slimy tails, she's dressed in a sleeveless blue top, blue skirt with the Six Kanji, sandals, and long white sleeveless trenchcoat with stars, water, slime, slugs, phoenixes, and angels on the coattails and on the back is Saiken The Six-Tailed Slug, in her right hand is a greatsword and with her are the six girls.

Lincoln: (GASPS) Selene Saiken, Avatar of Saiken The Six-Tailed Slug.

Selene Saiken: That's right, and I got the girls away from that fanatical follower of Grandmaster Meio.

?: YOU SHALL PAY FOR WHAT YOU'VE DONE TO

GRANDMASTER MEIO, BLASPHEMERS!

We then saw our target, Juroung, and he was indeed out for our heads. Marty the Zebra grabbed the Greaves of Varuna and put them on his legs, and when he did, he was surrounded by a massive and glowing vortex of aqua blue energy with stars, water, and ocean waves surrounding the vortex, there are zebras, phoenixes, and angels running and flying around the vortex, and in the vortex is a white and black-striped phoenix with red eyes glaring at Juroung: the red eyes of death.

The vortex faded, and Marty emerged with a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon blue eyes and an aqua blue energy aura with stars, water, ocean waves, zebras, phoenixes, and angels surrounding him, he has a Zebra emblazoned on his forehead with blue iris, he has on his Crystal Necklace of The Buddha with aqua blue gems in the gold water drop links and aqua blue crystal links and an aqua blue zebra-shaped Element of Harmony and on the bottom is a zebra with blue gems for eyes and the Water and Eternity Kanjis in its hooves for the pendant and he now has on a large white and gold accented choker on his neck, he has on a long sleeveless white trenchcoat with water, ocean waves, stars, zebras, phoenixes, and angels on the coattails, and on the back is a zebra with water and ocean waves surrounding it, and there's an aqua blue kanji below the zebra that said, "Marty the Zebra, Wisecracking and Hilarious Zebra from The Central Park Zoo Now Member of Circus Zaragoza, Destroyer of DuBois and Makunga, Childhood Best Friend of Alex, Melman, and Gloria, Friend to Many, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Stars, Zebras, Phoenixes, and

Marty the Zebra now has massive white angel wings with black stripes and aqua blue tips and he grew much bigger and much stronger. Plus, the Greaves of Varuna have merged with the greatswords and swords that he'd gotten and they're surrounded by aqua blue energy, stars, water, ocean waves, zebras, phoenixes, and angels, and when it emerged, it was transformed into Marty the Zebra's Water Maelstrom Varuna Water Maelstrom Greaves of Water Maelstrom Justice, a brand-new pair of silver and aqua blue greaves with ocean waves etched on them and aqua blue gems embedded in them.

We were amazed by Marty's Super Angel-Zebra-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Juroung saw it, he went mad with rage, but Marty fired a massive barrage of aqua blue energy, stars, water, ocean waves, zebras, phoenixes, and angels which hits Juroung, he got back up, but now, he was mega pissed off and mega insane

now.

Then, Lincoln stung him with his tail and absorbed him and assimilated all his powers over water and gravity and sent him straight to The Black Gates forever. We cheered as we holstered our weapons and powered down, and Marty the Zebra's new body, clothes, weapons, jewelry, Third Eye, gold halo, longer tail, and massive white angel wings are permanent.

Lincoln: You're done, Juroung, now join Meio in Oblivion forever. (To Selene Saiken) And it's so good to see you again, Selene Saiken.

Selene Saiken: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Selene Saiken and he hugged them, and Selene Saiken very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selene Saiken: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Selene Saiken, Avatar of Saiken The Six-Tailed Slug, she's my Guardian Angel from Michigan, and she's the Avatar of Saiken The Six-Tailed Slug and she's a powerful master of water and slime and she also knows how to use those six massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt me. She also really hates Lynn to the extreme, because during a date at Lake Huron, that animal showed up and tried to kill me once more, but Selene trapped her inside a water bubble and sent her back to The Loud House to face her punishment.

Nico: Whoa. Oh, I hate to find out what that animal did to warrant that kind of punishment from Selene.

Alex the Lion: We'd already heard of what Kenzie, Gina, and Calliope did to the mean sisters and by pissing them off by attacking Lincoln.

Me: True, especially by angering someone who's the Avatar of The Six-Tailed Slug who happens to be a master of water and slime.

Lincoln: Exactly, Lynn could've been slimed or sprayed with water, but if she were sprayed with slime, it wouldn't even phase her since she was always drenched in sweat.

Lori: And stunk like a gym bag.

Laney: Getting slimed wouldn't make any difference, we could still smell her from a mile away.

Lincoln: So, Selene resorted to spraying her with water and trapping her in a water bubble because she needed a bath that day anyways, and now that you're here, Selene.

Lincoln went up to and hugged Selene Saiken in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Selene Saiken: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on Selene Saiken's neck with blue gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Selene Saiken: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selene Saiken.

Selene Saiken had a smile on her faces and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Judge Olivia Hall, Judge Clémentine Lebrun, Ginger, Renee Leland, Eva Sanchez, and Eva Grant from Criminal Case.

Lincoln: Oh wow, it's Judge Olivia Hall, Judge Clémentine Lebrun, Ginger, Renee Leland, Eva Sanchez, and Eva Grant from Criminal Case.

Nicole: Whoa, awesome.

Lincoln: You said it. Are you all okay?

Renee Leland: Yes, we're okay, thanks to you.

Then, when Judge Olivia Hall and the other five girls saw who it was that saved them from Juroung, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving

Judge Olivia Hall: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Eva Sanchez: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Judge Olivia Hall, Judge Clémentine Lebrun, Ginger, Renee Leland, Eva Sanchez, and Eva Grant with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate and we told them Marty the Zebra had gotten the Greaves of Varuna, and the rest of the team were shocked to find out the villain we went after was Juroung, the Water and Gravity Elemental shaman and "true disciple" A.K.A. fanatical follower of Grandmaster Meio from the Strider series, and he also wanted revenge on us for what we did to his master.

But, when Lincoln showed what happened such as Marty the Zebra transforming and all of us giving that fanatical monster the beating of his life and Lincoln absorbing him and sending him straight to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Selene Saiken have a lot of catching up to do, now that they're back in town.

Maria: Jeez, so you guys ran into one of Grandmaster Meio's followers in Manhattan.

Lincoln: And we made sure that he paid for all his crimes.

Nico: And sent him to The Black Gates forever.

Me: You got that right.

After finally getting rid of Juroung and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selene Saiken saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Selene Saiken: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Selene Saiken: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Selene Saiken: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Selene, mind showing us that video of the fight you had with Lynn when that animal showed up to kill Lincoln during your date at Lake Huron?

Selene Saiken: Gladly.

Selene Saiken played the video on the screen, and we saw Lincoln and Selene Saiken at Lake Huron with Lincoln in his orange swim trunks and Selene Saiken in her dark blue two-piece bikini. But, their date would wind up getting interrupted.

MONSTROUS LOUD BELCH!

Past Selene Saiken: What the heck was that?! (Sniffs) UGH! And what the heck was that smell, it smells like an unwashed pair of gym clothes!

Past Lincoln: Oh no, not again, Lynn!

Then, we saw Lynn come out of the bushes, and she was out for blood once again.

Past Lynn: (ROARS LIKE AN ANIMAL)

But, then, we saw Selene Saiken fire massive jets of water that drenched Lynn and washed the stink off her and she trapped her in a water bubble. Then, she swats the water bubble with her six massive and long white tails and sent Lynn flying back to The Loud House as the video ended.

Nico: Sheesh, Lynn tried to attack her little brother again, but her smelling like an unwashed gym bag always ratted her out.

Me: Lynn's smell always ratted her out.

Luna: And that always alerted us of that walking gym bag.

Eli: Ew!

Lincoln: But, Lynn was repeatedly warned about this, but no, she was so stubborn and way too dumb and stupid because of Dark Lynn, that stupid animal.

We got a shower afterwards, and then, Lincoln, Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel are heading to Shangri-Spa.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Sherria Blendy: Wow, so this is Shangri-Spa, it sure is beautiful.

Lincoln: It sure is, Sherria, and it's perfect for our first date. Shall we?

Lincoln, Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel dived into the waters of the many springs and we had fun swimming in the ocean, and we also saw the creatures that lived there, then, they went to a workout area, and Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel and they hugged them in their abnormally massive and powerful muscular arms, and Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to Choee Bars, Woodburry Bark, Asalty Remix, MJiggy, Bright Hope, Tannerita, Lilith Aensland, Simulator Sherry Blendy, Sherria Blendy, and Sorano Agria A.K.A. Angel, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

Poromon was having a meeting with the other mascots and I was with them.

Me: Okay what's this meeting about guys?

Poromon: Well remember how Poliwag built that cool robot?

Me: I sure do. That was a very well created robot.

Poromon: Well me and the mascots were thinking about building one for all of us.

Me: That's an interesting idea.

Poliwag: It sure is.

Manaphy: I think it's cool.

In the living room everyone was watching TV when they heard clanging and tools going.

CLANG CLANG CLANG BANG BANG BANG!

Eliza Thornberry: What is that?

Nico: It's coming from the lab. Oh deer god! I hope the mascots aren't causing trouble.

They went to go see.

Judy: Okay. I'm afraid to ask what that is.

Peter: Me too.

Qin: Yeah.

They went into the lab and saw me and the mascots making REALLY COOL ROBOTS! They looked like the robots from the movie Bicentennial Man.

Nico: WHOA! Those are awesome robots!

Lisa Loud: That is very genius!

Me: Like our robots?

Poromon: We made them after getting inspiration from Bicentennial Man.

Nico: That is cool!

Eli: Yeah!

Nico: Boy I remember the robots from Bicentennial Man. That was a sad movie but it was cool.

Qin: It sure was.

Me: Good times.

G1 Slipstream: What can they do?

Me: Well we built them to act like humans and also we helped make her too.

Galatea came.

Galatea: It's a pleasure to meet you Team Loud Phoenix Storm. Nurse Galatea of TLPS Robotics.

She looked like a nurse android.

Me: Galatea was made using the same artificial components that made Andrew human.

Galatea: It's true.

Nico: Wow! You guys have really advanced in the fields of robotics. I'm really impressed.

Lisa Loud: Very well created.

Air Raid: What else can they do?

Me: They are very smart and analytical and can help in anything. Cooking, jobs and more. And they are great friends and can give great advice. And like Andrew in Bicentennial Man they can fix up old things.

Nico: That is really cool!

Air Raid: Boy I'll say.

Cloud Man: Can the robots also use weapons?

Me: No these are robots that were built and programmed to be productive members of society and the human race and help people when they need it.

Nico: Very interesting and well done.

Xenia: Yeah.

Cloud Man: Can the robots also use weapons?

Me: No these are robots that were built and programmed to be productive members of society and the human race and help people when they need it.

Nico: Very interesting and well done.

Xenia: Yeah.

G1 Ironhide: Besides, I think me and my fellow Cybertronians are enough for the robot weapons department.

Nico: That is true.

Me: Yeah these robots are primarily programmed to help people. Not destroy.

Nico: Good call.

Xenia: Yeah.

Nico: Well done guys.

Poromon: Thanks Nico.

Poliwag: It was fun making robots like this.

Me: It sure was.

Nico: You guys have really outdone yourselves with this. Well done.

Me: Thank you.

Judy: But why do I get the feeling we'll meet new heroes?

Me: I have that same feeling too.

Xenia: Yeah.

The previous group came.

Diabolico: Can me, Brain Freezer, Man Boy, Riddler, Toiletnator, Cluemaster, Whiger, Wrecking Crew, Hank Scorpio, and Dr. Destiny go with you guys?

Piledriver: Those are some nice robots, by the way.

Bulldozer: What can they do?

Nico: In order yes you all can come with us and those are really cool robots aren't they. And they were built and programmed to help all of the world and help people with every day things and give good advice and be friends to all.

Bulldozer: Cool! Who built them?

Me: Me and the Mascots did.

Bulldozer: Wow! That is awesome!

Me: Yep.

Camie: Before we head out we need to know. Who is Jurgen the Brutal?

Me: Lets see.

I went and pulled up his info and he was NOT A REALLY NICE GUY!

---

Jurgen the Brutal is the main antagonist of the 2019 film Jumanji: The Next Level.

He is a tyrannical and brutal warlord who stole the Falcon Heart from the Avian Province to form an alliance with the brothers Kababik. He is also responsible for killing Dr. Smolder Bravestone's parents.

He was portrayed by Rory McCann, who also portrayed Sandor Clegane in Game of Thrones, Michael "Lurch" Armstrong in Hot Fuzz, and Duke Vedmire in The Legend of Vox Machina.

Jurgen is dangerously ferocious and his ferocity is a force to be reckoned with, going as far as killing his own men and feeding them, piece by piece, to his Hyenas, if they disappoint him. His temper is matched by his equal ferocity, making him prone to violent outburst and acts of sheer murder. Like Professor Russell Van Pelt and his own army, he has absolute command over his men, who follow his every word. He can inflict a deadly instant KO finishing move by hurling an axe at an enemy.

When engaging in combat, he displays superhuman strength and endurance which outclasses the impressive physical might of Bravestone. This gives him a high level of confidence when engaging his enemies in combat as he did when Bravestone decided to go toe-to-toe with Jurgen and was easily overpowered by Jurgen's physical might. Despite his love for a good fight, he has enough common sense to know when to back off and retreat, which was seen when he fled from Bravestone after discovering he had the Jumanji Berry with him.

While not much is known from his past, Jurgen the Brutal once killed Dr. Smolder Bravestone's parents. He also stole the Falcon Heart, a gemstone said to bring fertility to the world of Jumanji as long as it could face the sun, from a raid in the Avian Province. He stowed the Heart in darkness, which later caused the world of Jumanji to fall victim to an endless drought. He also had a brother, who he once cared of. However, he killed him before feeding him to his hyenas for his failure.

Jurgen was first mentioned in a letter from the NPC Nigel Billingsley given to the players before they spawn at the Dunes. He is later seen announcing to his followers inside a bar in the Oasis. The players were instructed to follow former girlfriend to the Jumanji Berry tree to get a berry.

The players eventually make it to Jurgen's hideout north of the Dunes in Zathira Fortress. Eddie and Milo were locked in the fortress's dungeons, but Spencer, Alex and Martha save them, while Bethany and Fridge pose as the Brothers Kababik, which Jurgen intended to have an alliance with, to take back the Falcon Heart for good. Eddie attempts to get the Heart from the chest, only to find that it was Jurgen who took it. Later, Jurgen's henchman revealed that the "brothers" are in fact imposters. Jurgen tried to kill them for manipulating him, but Martha, Spencer and Alex intervene. Martha fights all of Jurgen's men, as Spencer starts attacking Jurgen but his punches have no effect on, while Jurgen escapes to his ironclad while Spencer anchors it with its rope.

Before the anchor breaks off, Spencer gets on the blimp to fight Jurgen, but he tries to kick him off the ironclad. Spencer recovers while the ironclad crashes into one of Zathira Fortress's towers. Realizing that Jurgen's only weakness is the Jumanji Berry that was picked earlier, Spencer incapacitated him with it, long enough for him to grab the Heart before Jurgen plummets to his death, avenging Smolder's parents' death.

Eddie saves Spencer on Milo and shows the Heart to the sun's rays, before the players say Jumanji, beating the game one more time. Nigel Billingsley then takes back the Falcon Heart from the players, promising to protect it with his life. Milo chooses to stay in Jumanji due to his declining health condition, while the rest of the players were transported back to the real world.

---

When we were done we were shocked and horrified!

Nico: This guy is REALLY BAD NEWS!

Laney: He is like Genghis Khan!

Nico: Yeah!

Kenzie Kurama: I'll gladly face him and show him just how BRUTAL I can be.

Nico: This will be fun.

Ashi: Nico, which Gene Slammer do you think you'll meet next?

Nico: Top Man next.

Me: Ooh that will be a spinny one.

Nico: (LAUGHS) Yeah.

Nicole: And he's the only one left out of the Mega Man 3 Robot Masters.

Nico: Yep. Then we go into Mega Man 4.

Lola: Nice!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than Jurgen the Brutal, and he's causing trouble once again in Jumanji. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is Jurgen the Brutal, and he's causing trouble once again in Jumanji.

We gasped.

Me: This isn't good.

Nico: So, we got another villain from Jumanji and it sounds like this guy's a completely brutal animal, and he's incredibly dangerous.

Me: We need to get to Judy and Peter and tell them of the situation.

Lincoln: We'll be needing their help again since this is another Jumanji villain we're dealing with.

Judy: You can count on us guys!

Peter: Yeah we won't let you down!

Me: Great!

Twilight Sparkle: At least I don't have a nasty allergy attack like I did the last time we had a Jumanji situation.

Lola: That is true Twilight.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Huron Blackheart, also known as the Blood Reaver, a powerful chaos space marine pirate lord and leader of the Red Corsairs from Warhammer 40,000, and he's on a dangerous rampage. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Huron Blackheart, also known as the Blood Reaver, a powerful chaos space marine pirate lord and leader of the Red Corsairs from Warhammer 40,000, and he's on a dangerous rampage.

We gasped.

Hunter: (German Accent) This is not good. I've heard of Huron Blackheart, he's a dangerous villain and a threat to the world of Warhammer, we must destroy him at once.

Rebecca Shindai: Leave him to me and Lincoln, Hunter. I've wanted a chance to kill Huron Blackheart and make The Blood Reaver pay for every last one of his crimes for a long time.

Nico: And that's a chance you're going to get later on today. Alright, gang, let's go, we're heading to Jumanji to kill Jurgen the Brutal.

Lincoln: That savage warlord has lived for far too long, now it's time for him to die and we're sending him straight to The Black Gates forever, and once we get done with Jurgen the Brutal, you're next, Huron Blackheart.

Rebecca Shindai: You will pay for the blood of the countless innocent souls that you've murdered in your rampage of destruction, Huron Blackheart, and the price for that is your life.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed to Jumanji to kill Jurgen the Brutal, and once we got done killing him, Lincoln and Rebecca Shindai are going to kill and destroy Huron Blackheart.

We were off to the world of Jumanji! I cut open a portal and we were off.

---

We arrived in the world of Jumanji!

We saw that it was a beautiful and amazingly endless jungle.

Qin: WOW!

Brain Freezer: This is the place, right?

Nico: Yep this is it.

Me: Wow! It's a huge jungle! It's hard to imagine that Alan was stuck her for 26 years.

Nico: Boy no kidding!

Lola: This is amazing! It's like we're in the lands of all the biggest jungles of the world combined together into one.

Nico: Yeah!

Sheep Creep baaed, looking around.

Fluttershy: Wow! So many amazing and incredible creatures.

Me: Yeah they are amazing.

Laney: Wow! They sure are amazing. It's like we went to the jungles of the world all at once.

Toiletnator: Anyone here?

Me: Look there.

We saw a village.

Me: There's a village there.

We went down to it.

Darkwing: Are there at least any lions here?

Me: We'll find out.

Qin: Yeah but there are bound to be some lions here.

Nico: I agree.

Lola: Yeah.

Nico: I see some people!

It was 5 people running from a bunch of ruthless warriors and they had the Falcon Jewel in their hands!

Me: Whoa!

We saw that they were

Dwayne Johnson as Dr. Xander "Smolder" Bravestone: A player character and Eddie's avatar initially, before once again becoming Spencer's avatar. He takes the form of a strong, confident archaeologist and explorer. Johnson also portrays Bravestone's father in a flashback, with Zachary Tzegaegbe portraying the young Bravestone

Jack Black as Professor Sheldon "Shelly" Oberon: A player character and Fridge's new avatar. Martha briefly controls the avatar, and he later once again becomes Bethany's. Professor Oberon takes the form of an overweight, male expert in many scientific fields including cartography and geometry.

Kevin Hart as Franklin "Mouse" Finbar: A player character, Milo's avatar initially, who later becomes Fridge's avatar once again. Finbar takes the form of a diminutive zoologist and weapons carrier with some talent in animal linguistics.

Karen Gillan as Ruby Roundhouse: A player character and Martha's avatar, who takes the form of a scantily-clad commando who knows martial arts. She is briefly controlled by Fridge.

Nick Jonas as Jefferson "Seaplane" McDonough: A player character, and Alex's avatar once again, who takes the form of an aircraft pilot.

Awkwafina as Ming Fleetfoot: A new Jumanji player character and

Spencer's new avatar, who later becomes Eddie's avatar. Fleetfoot takes the form of a thief with skills in burglary, pick-pocketing, and lock picking.

Ruby Roundhouse: Team Loud Phoenix Storm! Wow!

Me: Get behind us!

They did so.

Kenzie Kurama: I got these jerkwads!

She fired a massive stream of intense fire and incinerated the warriors in an instant!

Kenzie Kurama: That was just for starters. I'm going to show you all what I'm really capable of against Jurgen.

Ruby Roundhouse: Thanks for helping us.

Me: Anytime.

Cluemaster: I suspect you don't usually look like that.

Ruby Roundhouse: No we don't. We became the avatars of Jumanji. My real name is Martha.

Seaplane: I'm Alex.

Ming Fleetfoot: I'm Spencer.

Smolder: I'm Eddie.

Shelly: I'm Fridge.

Mouse: And I'm Milo.

Me: Oh man. Players as different people. I got this guys. (SNAPS FINGERS)

I snapped my fingers and the players and Avatars were separate people now!

Milo: Wow! Thanks.

Martha: Wow! That was cool!

Ruby Roundhouse: Awesome that we get to team up with you guys.

Martha: It sure is.

Spencer: Wait. Where's Bethany?

Molly Hale: Is she with you guys too?

Bethany: I'm right here.

She came out.

Spencer: Thank goodness.

Smolder: Thank goodness you all came when you did.

Me: No kidding. We came here to help you guys kill Jurgen the Brutal.

Kenzie Kurama: Yeah I called first dibs on wanting to show how brutal I can be against him.

Qin: She really wants to show her power against him.

Me: Believe it or not we played this game before.

Spencer: Wait. You have played this game before?

Hank Scorpio: It wasn't like this the first time.

Me: It was back when it was in board game form. But now here we are years later and the game is now in video game cartridge form. Wow.

Lola: Yeah we hardly ever use video game cartridges anymore.

Xenia: I know.

Smolder: I know you guys can help us take down Jurgen.

Me: Yeah and I know you have a really massive score to settle with him Smolder. He killed your parents right?

Smolder: That's right! How did you know?

Me: We have lots of sources.

Kevin Levin: Boy it's one revenge scene after another.

Bethany: Also, two days from now, maybe you guys can join us here again in case there are more enemies here.

Drillhorn: I guess it wouldn't hurt.

Me: Looking forward to it.

Qin: Yeah.

Camie: That will be fun.

Whiger: Wait. What's that?

We saw several tigers growling at us.

Spencer: Fucking kill them!

Me: Cool Tigers!

Fluttershy: I got this guys.

She went over and used her stare on them and they submitted to her.

Ruby Roundhouse: Wow!

Spencer: How did she do that?

Me: Fluttershy is great with all creatures great and small.

Nico: Yep.

Ruby Roundhouse: I would've killed them easily.

Spencer: (sarcastically) Sure, you would've.

RD Lola: First of all, how many of you guys are new to this game?

Spencer: We played this game before.

Judy: So have we and we nearly got killed playing it.

Peter: Yeah we sure did.

Me: That was back when it was in board game form.

Dr. Destiny: And second, Fluttershy doesn't like the deaths of animals.

Me: No it saddens her terribly.

Xenia: Yeah.

Ruby Roundhouse: Oh I can understand why. She loves all animals like they are part of her love and soul.

Lola: Yeah.

Laney: She is very sensitive when it comes to animals.

Eliza Thornberry: Yeah that is too true.

Poromon: She even loves me and the other mascots!

Deadpool: When you guys aren't getting yourselves in trouble or doing shit that could land you guys in jail.

Nico: Wade is right on that.

Poromon: Yeah but it's all fun.

Smolder: That is cool.

Mouse: Boy it sure is.

Me: By the way how did you get the Falcon Jewel here?

Smolder: We swiped it from under Jurgen's nose when he wasn't looking and made a run for it.

Me: Crafty. But now that we have it he is bound to come after us.

Lola: Yeah.

Xenia: If he wants a fight…

Kenzie Kurama: We'll give him a war and Armageddon.

Riddler: Riddle me this: Where is Jurgen now?

Eli: (Concentrates) I sense him at that mountain right there.

He pointed to a mountain behind us.

Me: Then that's where we're going.

Kenzie Kurama: Great. Time to kick and burn some butt.

Lola: This is gonna be awesome and fun.

Camie: Yep.

Thetis: Let's pay him a visit.

Kenzie Kurama: Lets do it.

We were off to the lair.

Jurgen was FURIOUSLY MAD! HE WAS SO PISSED OFF THAT HE WOULD GOING TO KILL ANYONE IN SIGHT! Then the spirits of Jumanji appeared and they roared and hooted. Then they swirled around him and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off in front of them and the flames of the blast formed into Kurama the 9-Tailed Fox and it roared ferociously!

RRRRRRRRROOOOOOOOOOOOOOOOOOOOOOOOOOAAAAAAAAA

Then we appeared and landed!

Smolder: You killed my parents Jurgen, now I'm going to destroy you.

Me: And we're helping him.

Jurgen the Brutal: And who are all of you?

Me: Your worst fucking nightmare!

Wrecker: We're gonna mess you up bad!

Thunderball: Damn straight!

Jurgen the Brutal: We'll see about that! Now hand over the jewel!

Me: You can talk it when you pry it from my cold dead fingers!

Jurgen the Brutal: Then you will die first!

He went at me and then Kenzie kicked him in his face and sent him flying and he smashed into his throne room.

Kenzie Kurama: That is just for starters!

She fired fireball blasts and they hit his men and blasted them all over in fiery explosions!

KRABBBBBBBOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Kenzie then went fast and SMASHED AND BRUTALLY pulverized Jurgen all over the place!

Zhalia: Time for Titan Power!

She summoned King Basilisk!

Nico: YEAH!

Kenzie fired fireballs and blasted Jurgen and his followers all over.

KRABBBBBBBOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

They were getting blasted all over the place and massive walls of intense fire roared with intense fury around the area.

Xenia: WHOA!

Kenzie got on all 4s and grabbed some of them with her tails and smashed their heads off!

Man Boy: You're not manlier than me!

Kenzie Kurama: In fact you're a wimp!

Jurgen was ENRAGED HEARING THAT!

Kenzie went at him and punched him in his face and kicked him in his stomach and kneed him in his face and she teleported and leg swept him and kicked him into the sky and dealt a spinning axe kick and bashed him right into the ground!

KRASMASH!

Qin: OH YEAH!

Manboy flexed his beard and Jurgen got up and Man Boy punched and smashed him into dust.

Man Boy: Like I said, not manly

Kenzie Kurama: Just a worthless Wimp.

Jurgen got up and HE WAS INFURIATED!

Jurgen the Brutal: (GROWLS) (ENRAGED SCREAMING!)

He went at Kenzie and tried to punch and kick at her but she was FAR TOO Fast for him!

She punched him in the face and kicked him into the wall.

Jurgen got up and he was REALLY MAD!

Jurgen the Brutal: (ENRAGED SCREAMING)

Nico: He is starting to remind me a bit about Nappa when he was that way.

Vegeta: He does remind you of that doesn't he Bokrua.

Nico: That is for sure.

Poliwag slapped him with his tail

SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

Poliwag: How do you like that you barbarian freak!

Manaphy blasted him all over.

Jurgen: Why you little!

He tried to slap them both but they dodged his strike!

Manaphy: MISSED ME! MISSED ME! NOW YOU GOT TO KISS ME!

She kissed him full on the mouth!

Jurgen spit all over.

He then grabbed a club and Manaphy ducked as he was about to hit her!

KRABLAM!

He smashed his face in by accident!

Horsea hopped over to him.

Horsea: Ink-O-Gram!

She squirted Ink into his eyes!

Nico: (LAUGHS) Nice one!

Ruby Roundhouse punched and kicked and bashed most of his men all over with awesome Martial Arts!

Poromon: Wow! She is a great fighter!

Nico: Good riddance forever, you piece of shit. Awesome job, gang, we've gotten rid of Jurgen the Brutal forever.

Lincoln: Now, there's one last thing to do, and one last loose end to tie up: Huron Blackheart.

that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of superhot flames, and it absorbed the flames and it flowed into all of us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Huron Blackheart, or we will force you out.

A figure came out, and it was none other than Huron Blackheart.

Lincoln: Blood Reaver and Tyrant of Badab, I should've known you'd show up here one day to destroy mankind, but as long as we're here, not a single innocent soul will be hurt by the likes of you, you bloodstained traitor to the Astral Claws!

Huron Blackheart: YOU DARE TO SPEAK TO ME LIKE THAT, GOD AMONG HUMANS?! I WILL HAVE YOUR HEAD!

Rebecca Shindai: He dared to speak like that to you because you are nothing but a monster, and what you did in threatening his life, now you've invoked my wrath.

Suddenly, Rebecca Shindai's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, sea creatures, mermaids, phoenixes, and angels, she unholstered her massive Ocean History-themed greatsword from her back, and as she approached Huron Blackheart, she left aqua blue energy, stars, water, ocean waves, sea creatures, mermaids, phoenixes, and angels with every step.

Rebecca Shindai: Everything Lincoln said about is true, you are nothing more than a genocidal tyrant and wickedly black-hearted monster who desires nothing but death and destruction and you have an absolute disregard for life that has made you an absolutely unforgiveable monster with no chances for redemption, Huron Blackheart, and now, you shall pay the price for every last one of your crimes with your own blood.

Suddenly, Rebecca Shindai was surrounded by a massive vortex of aqua blue energy with stars, water, and ocean waves surrounding the vortex, there are sea creatures, mermaids, phoenixes, and angels flying and swimming around the vortex, and in the vortex is a blue phoenix with the Kamen Rider Durendal logo on its chest and red eyes glaring at Huron Blackheart: the red eyes of eternal death. Then, as the vortex faded, Rebecca Shindai emerged, but she was changed forever.

Rebecca Shindai grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large aqua blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long aqua blue hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon aqua blue eyes and an aqua blue energy aura with stars, water, ocean waves, swords, books, sea creatures, mermaids, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Durendal logo on her head and a phoenix emblazoned on her forehead and Third Eye with blue iris, she has on mermaid earrings with aqua blue gems for eyes and holding the Star, Water, and Eternity Kanjis in its claws, she also a phoenix with aqua blue gems for eyes and holding the Star, Water, and Eternity Kanjis in its claws for the second pendant on the bottom of her aqua blue mermaid-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Rebecca Shindai has on a sleeveless aqua blue pink vest, sleeveless aqua blue crop top, aqua blue skirt, aqua blue pants, aqua blue legwarmers, aqua blue sneakers, and long sleeveless white trenchcoat with stars, water, ocean waves, swords, books, sea creatures, mermaids, phoenixes, and angels on the coattails, and on the back is a phoenix and mermaid surrounded by water and sea creatures and on top is the Kamen Rider Durendal logo. Suddenly, Rebecca Shindai felt a sharp pain on her back, and then, her massive aqua blue angel wings with blue tips on the aqua blue feathers grew much bigger for her new body and she also now has eleven massive and long aqua blue wolf tails with blue tips and blue markings, Rebecca Shindai has on her Ring of the Phoenix with large aqua blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Rebecca Shindai's Ocean History-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of aqua blue energy, stars, water, ocean waves, swords, books, sea creatures, mermaids, phoenixes, and angels, and when it emerged, it was transformed into Rebecca Shindai's Aqua Blue Mermaid Maelstrom Ocean History Kamen Rider Durendal Greatsword of Aqua Blue Mermaid Maelstrom Ocean History Kamen Rider Durendal Justice, it's a brand-new massive greatsword with embedded blue gems and the logo of Kamen Rider Durendal etched on the 7'6" massive, wide, double-edged aqua blue blade, large aqua blue sea dragon heads for the crossguard, large white angelic faces built into both sides of the hilt and large aqua blue gems embedded in their foreheads, longer midnight black handle, four large aqua blue phoenix heads with blue gems for eyes and on the bottom of the large aqua blue phoenix heads is a large aqua blue sea dragon head with blue gems for eyes and a blue gem in its mouth for the pommel, Rebecca Shindai has on her large gold Bracers of The Champions of The Universe with aqua blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold dragon's head with aqua blue gems for eyes and large aqua blue gem in its mouth for the belt buckle on her waist, Ocean History Wonder Ride Book, Jikokuken Kaiji, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below the phoenix that said, "Rebecca Shindai, Embodiment of Kamen Rider Durendal, Loving Sister of Ryoga Shindai Also Known As Kamen Rider Durendal, Master of The Powers of Water and Sea Creatures, Wielder of The Ocean History Wonder Ride Book, Loving

Suddenly, Rebecca Shindai's immense protective blue aura had suddenly changed, and it was now an immense protective neon rainbow aura with all of the elements swirling around it, she transformed into her most powerful and and most incredible transformation ever!

Rebecca Shindai has transformed into SUPER ANGEL-KAMEN RIDER DURENDAL-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE KAMEN RIDER DURENDAL AQUA BLUE WATER MAELSTROM OCEAN HISTORY MERMAID PHOENIX ANGEL OF DIVINE KAMEN

RIDER DURENDAL AQUA BLUE WATER MAELSTROM OCEAN HISTORY MERMAID PHOENIX ANGEL JUSTICE AND DIVINE KAMEN RIDER DURENDAL AQUA BLUE WATER MAELSTROM OCEAN HISTORY MERMAID PHOENIX ANGEL LOVE!

We were really amazed by Rebecca Shindai's Super Angel-Kamen Rider Durendal-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Huron Blackheart saw it, he fell into a rage and fired a fire blast at her to kill her, but Lincoln absorbed it and it made him stronger than ever, and Rebecca Shindai fired a massive barrage of aqua blue energy, stars, water, ocean waves, swords, books, sea creatures, mermaids, phoenixes, and angels which hits Huron Blackheart and he was knocked down, he got back up, but now, he was even angrier than ever.

Ryoga: Oh, no way, did Rebecca just…?

Nico: She did, Ryoga, she did.

Lincoln: Yep, Rebecca Shindai's transformed into her Super Angel-Kamen Rider Durendal-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's time to fight Huron Blackheart.

Rebecca Shindai: (Divine Echoing Godly Voice of The Divine Aqua Blue Water Maelstrom Kamen Rider Durendal Ocean History Mermaid Phoenix Angel and Divine Aqua Blue Water Maelstrom Kamen Rider Durendal Ocean History Mermaid Phoenix Angel Love) And send this monster straight to the depths of Oblivion forever.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious

Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Rebecca Shindai.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of causing genocidal destruction are over, Huron Blackheart, now pay for the blood that you and your men have spilled and burn in Hell for eternity!

Rebecca Shindai and Lincoln went after Huron Blackheart who continued firing fire blasts at them, but Lincoln and Rebecca kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Huron Blackheart and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Rebecca Shindai also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Huron Blackheart even more madder with rage.

Huron Blackheart: YOU! YOU! I WILL KILL YOU ALL AND DRINK YOUR BLOOD!

Huron Blackheart charged right at them with uncontrollable rage in his heart, but then, Lincoln fired black Symbiote tendrils from his left arm and they grabbed and latched onto Huron Blackheart's head and body and we saw streams of red energy flowing out of Huron Blackheart and into Lincoln as we saw the energy coursing through his veins and he was sucking out and absorbing Huron Blackheart's enhanced reflexes, enhanced senses, superhuman strength, superhuman speed, superhuman durability, superhuman resilience, superhuman stamina, regeneration, night-vision, longevity, excellent melee prowess, granted use of various psychic powers from his pet familiar, immunity to disease and poison, immunity to fear and terror, and high resistance to sonic attacks, and he was also sucking him dry of his massive muscle mass, virility, and physical strength, and all of that was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

When Lincoln was done, the tendrils detached themselves from Huron Blackheart and sunk back into his body, and Huron Blackheart was left as a dried-up and drained corpse, and when his spirit had appeared, Lincoln and Rebecca Shindai sent him straight to The Black Gates forever. We cheered wildly for what Rebecca Shindai and Lincoln did as they holstered their massive greatswords and powered down and Rebecca Shindai's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive aqua blue angel wings are permanent.

Rebecca Shindai: Burn in The Black Gates forever, you heartless monster. Thank you for helping me destroy Huron Blackheart forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rebecca.

Suddenly, Rebecca Shindai wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rebecca Shindai's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and ocean waves behind them and we cheered wildly. Then, Lincoln and Rebecca Shindai sucked in and absorbed the elemental forces and water and they came back to us as the display vanished.

Nico: Oh man, that was one awesome fight you guys fought, you showed Huron Blackheart no mercy and Lincoln, you delivered the finishing blow with using your Symbiote tendrils to latch onto Huron Blackheart and you literally sucked out and absorbed all of his powers and abilities along with his life force, massive muscle mass, virility, and physical strength.

Lincoln: And we sent him straight to The Black Gates forever, along with the rest of the Red Corsairs.

Me: Those pirates have caused enough trouble to last an eternity. So, Lincoln, who's the next Tailed Beast Avatar we're meeting tomorrow?

Kenzie Kurama: I think I know who'll be perfect for tomorrow: Katie Kokuo, Avatar of Kokuo The Five-Tailed Horse, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Kokuo The Five-Tailed Horse and she's a powerful master of water and fire and she also knows how to use those six massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Lisa to the extreme, because during a date at their secret hot springs, that lunatic showed up and tried to kill Lincoln once more, but Katie blinded her with a blast of steam and she trapped her inside a water bubble and sent her back to The Loud House to face her punishment.

Nico: Lisa tried to attack you guys at your secret hot springs?! How the Hell did she find out about it?

Girl Jordan: She planted a tracking chip onto Linky's shoulder, that's how she found out.

Me: I remember that incident all too well, and after Katie dealt with Lisa and sent her away, we got to work on removing the tracking chip in Lincoln's shoulder.

Lincoln: Yep. Then, I asked J.D. to find out if Lisa had anymore nasty surprises after she got rid of me.

Me: You wouldn't believe what we found out: she had plans to capture and dissect Lincoln's Guardian Angels and harem and kill them and throw them into Antarctica to be eaten by the wild life there, and Lincoln was so mad, he grabbed Lisa by the neck with a tail he sprouted out and tossed her into a cage and locked her inside it.

Eli: Sometimes, Lisa's dark side is nothing more than a repulsive ape!

Lincoln: My sisters called her a lot worse, and they've threatened to send her straight to a nuthouse for the criminally insane.

Becky Long: That was something me and my sisters planned: if Lisa got out of control one more time and went after Lincoln, the family would disown her and we'd call the cops and we'd send her to the nuthouse forever.

Luan: And they were dead serious about it.

Lincoln: And so were we.

Me: And she would be considered an enemy of the state.

Xenia: Yep.

Me: But anyway our work is done.

Goro: Another baddie from Jumanji dealt with.

Mortal Kombat Scorpion: You said it.

Nico: That was awesome and fun.

SkullMeramon: I wonder who we're gonna face in two days.

Toad: It might be an old enemy.

David Cain: We'll just have to wait and see.

Me: We'll have to wait.

Nico: Yeah. But great job today everyone. This was so fun.

Lola: It sure was!

Fluttershy: (To the viewers) It was really magical and fun. Hope you all liked this one.

Me: I know we did.

We went back home and enjoyed the rest of the day and went to sleep.

Qin: And have us destroy the very darkness in their hearts.

Konan: That is for sure. We won't let the crimes they did go unpunished.

Nico: Good names.

Qin: Yeah.

Lola: I agree.

Laney: Same here.

Me: Yeah. Man yesterday's mission was awesome.

Lincoln: Boy it sure was.

Laney: Never thought we would be going to the world of Jumanji again.

Camie: Me neither. That was fun.

Nico: I honestly thought we were done with it.

Me: Me too.

Camie: Same here.

Laney: So did Judy and Peter.

Fluttershy: And me too.

Nico: That game has caused nothing but trouble to so many people over the years.

Qin: It sure has.

Me: But on the plus side it did bring Alan and Sarah together and made Judy and Peter amazing people too.

Qin: It sure did.

Laney: Yeah it sure did.

Nico: That's true.

Me: Jumanji has hurt lots of people.

Xenia: No kidding.

Qin: But seeing all those awesome animals are cool.

Lola: Yeah they sure are awesome.

Fluttershy: I agree there too.

Lana: They sure are cool.

Qin: And the best part is that Van Pelt is gone too.

Xenia: Good riddance.

[A soot-covered Nazz climbs out of our chimney]

Nazz: "YO-DEL-LAY-HEE-YO-DEE-LAY-HEE-YO-DEE-LAYYYY-HEEEEE YO-DE-LAY-HE-YOU-DE-LAY-HE-YO-DE-LAAYYYY YO-DE-LAYYYY-HEEEEE!"

[Every glass in the place breaks; even Ed shatters.]

Kevin: "Nice lungs, Nazz."

Me: Powerful too.

Leni pulled out a dust pan and swept Ed into it and put him back together.

Ed: Thanks Leni.

Leni: No problem Ed.

Me: Either way it was fun going to the world of Jumanji again.

Nico: And we met new heroes.

Me: We sure did and they are awesome.

Lola: Especially Ruby Roundhouse. She is a deadly fighter.

Xenia: She sure is.

Nico: I'm starting to wonder about who we'll meet in Jumanji tomorrow. It could be you know who.

Me: Van Pelt?

Nico: No he was given the Black Gates.

Me: Oh.

Nico: Anyway, let's get going.

We went into the simulator and we were in Canterlot City.

Nico: This is going to be one awesome rescue, we're going to free the Dazzlings and destroy their dark sides.

Me: We'll make sure those Dark Sides of The Dazzlings pay for their crimes.

Lincoln: Their song won't affect us since we absorb negative energy and it makes us stronger.

Eli: But, this could be a challenge though, we can use The Dazzlings' own power against them, but that'll lead to them also getting stronger.

Lincoln: There's only one way to make sure: snatch their necklaces once they try to use their song on us.

Adagio Dazzle: It worked last time years ago when they came back.

Aria Blaze: Now, those three should be coming soon.

Sonata Dusk: We'll find out when we see our auras flaring.

Qin: Yeah. And we'll have an awesome battle of the bands against them.

Camie: Good idea!

Manta Bayarsh: I have an idea. How about I use my powers to swap your bodies to confuse them?

Me: Qin means that we have a song standoff.

Qin: Yeah you know like how we did in Madagascar.

Me: That is a very crazy idea though. But it won't be swapping bodies.

Xenia: Yeah we don't want to go through that again.

Lola: Yeah.

Nico: (to Manta Bayarsh) How about saving that for when we actually fight them?

Manta Bayarsh: Okay that works.

Lola: Good.

Lincoln: (Sensed for The Evil Dazzlings) AHA! Got them!

Suddenly, our rainbow energy auras and protective rainbow fire auras flared up extremely.

Me: Whoa!

Nico: They're here. Let's use an entrance to surprise them and end their mayhem.

Suddenly, the spirits of the ponies and Alicorns of Equestria appeared and swirled around the place and fired elemental energy blasts at The Dazzlings and they got hit hard, and purifying rainbow light shined on those affected by their song. Then, the spirits converged and they exploded as a Phoenix Cry and Thunderbird Screech cried out into the air, and we appeared.

Simulator Adagio Dazzle: YOU! YOU RUINED OUR PERFORMANCE!

Lincoln: Oh, we're gonna do much more than that!

Me: Here we go.

Nico: Lets show these hate-sucking bitches what for!

Me: Rainbooms, Lets Shine Like Rainbows!

All of us: YEAH!

We went RAINBOW POWER!

Me: HIT IT GIRLS!

Pinkie Pie: 1… 2… 3… 4!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

A Solar Eclipse formed in the sky as suns, moons, stars and fire swirled around us.

Me and the Rainbooms: (SINGING DIVINELY AS FIRE AND DARKNESS SWIRLED AROUND US)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing
The night begins to shine
The night begins to shine
The night begins to shine
The night begins to shine
When we're dancing
The night begins to shine
The night begins to shine

All of our greatest adventures with the people of Equestria showed including how we killed many of their enemies. The people cheered wildly for us! When the song was done the Dazzlings were enraged and they enhanced their efforts! They sang their song and then OUR AURAS FLARED UP WITH INTENSE FORCE!

Me: You bitches aren't the only ones that's have the power to stronger by absorbing Negative Energy. We have that same kind of power too! Your song is only making us more powerful! So keep feeding us hate!

Nico and Eli fired waves of energy and blasted their Siren Forms that appeared above them!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Manta Bayarsh: Say the word on when we fight them physically.

Nico: You got it. First lets have some fun with songs.

Laney: Let me do one!

(WALPURGISNACHT BY FAUN PLAYS!

The land of Germany appeared in the background and formed into a German Festival.

Laney: (SINGING DIVINELY IN GERMAN AS DARKNESS AND LEAVES SWIRLED AROUND HER)

In den Abendhimmel steigen
Heute Nacht die Zauberweisen
Wildes Volk und Liliths Art
Lauernd Winde heimlich fahrt
Lasst uns zu den Feuern streifen
Raunend nach den Sternen greifen
Gutes und auch böses Wort
Tragen wir heut' fort und fort
In den Weiden werden unsere Träume klingen
Und die Winde werden unsre Lieder singen
Lasst uns mit den Funken übers Feuer springen
In der Walpurgisnacht!
Hört die Geigen, hört die Geigen
(Hey yo)
Die Feuer sind entfacht!
(Hey yo)
Folgt dem Reigen, folgt dem Reigen
In der Walpurgisnacht
Ungestüm im Spiel der Geigen
Dreht sich unser nächtlich' Reigen
Und wir treten wild und frei
Diesem alten Zauber bei

Einmal nur im großen Kreise

Tanzen wir auf jene Weise

Bis das erste Morgenlicht

Unser Traumgewebe bricht

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Hört die Geigen, hört die Geigen

Laney had leaves and darkness fired at the Dazzlings siren forms and they were blasted all over.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Nico: YEAH!

The crowd cheered wildly!

Nico: YEAH!

Laney: How do you like that you Hate-Sucking Bimbos!?

Then the Dazzlings got enraged and their eyes glowed intensely blood red with incredible hatred and evil!

Nico: (Tauntingly) Oh you're eyes are glowing red! I'm so scared! NOT!

Carol: Time for some Icelandic Pain!

(BLAPRADUR BY SIGUR ROS PLAYS)

The beautiful lands of Iceland appeared behind us in the background.

She fired waves of fire and ice and lava and blasted the Dazzlings siren forms all over the place.

Qin: TAKE THAT!

Wallflower Blush: I've had it with the hatred you made me feel! This is for Linky!

Lincoln blushed.

Nico: OH YEAH! Go for it!

(I'LL REMEMBER BY MADONNA PLAYS)

Then swirls of the Aurora appeared and swirled around the area.

Wallflower Blush: (SINGING DIVINELY AS AURORA BOREALIS SWIRLED AROUND HER)

Hmm, hmm

Say goodbye

Not knowing when

The truth in my whole life began

Say goodbye

Not knowing how to cry

You taught me that

And I'll remember

The strength that you gave me

Now that I'm standing on my own

I'll remember

The way that you saved me

I'll remember

Inside I was a child

That could not mend a broken wing

Outside I looked for a way

To teach my heart to sing

And I'll remember

The love that you gave me

Now that I'm standing on my own

I'll remember

The way that you changed me

I'll remember

I learned

To let go

Of the illusion

That we can possess

I learned to let go

I travel in stillness

And I'll remember happiness

I'll remember, hmm

I'll remember, hmm

And I'll remember

The love that you gave me

Now that I'm standing on my own

I'll remember

The way that you changed me

I'll remember (I'll rememeber)

Now I'll never be afraid to cry

Now I finally have a reason why

I'll remember (I'll remember)

Now I'll never be afraid to cry

Now I finally have a reason why

I'll remember (I'll remember)

Now I'll never be afraid to cry

And I finally have a reason why

I'll remember (I'll remember)

Now I'll never be afraid to cry

And I finally have a reason why

Remember

She fired waves of Aurora Fireballs and blasted the Dazzlings all over the place.

Then Wallflower got Pony Ears and an awesome pair of green wings and had an awesome green hair tail!

Me: AWESOME!

Lincoln: Way to go Wallflower!

Nico: YEAH!

The Dazzlings were infuriated!

May: Time to see the sign!

(THE SIGN BY ACE OF BASE PLAYS)

Fire and Crosses formed all over.

May: (SINGING DIVINELY AS ICE AND FIRE SWIRLED AROUND HER)

Ram-pa-ram, oh, yeah

I got a new life, you would hardly recognize me

I'm so glad, how can a person like me care for you?

(Ah) why do I bother, when you're not the one for me?

Ooh-ooh-ooh, is enough enough?

I saw the sign

And it opened up my eyes, I saw the sign

Life is demanding without understanding

I saw the sign

And it opened up my eyes, I saw the sign

No one's gonna drag you up to get into the light where you belong

But where do you belong?

under the pale moon, for so many years I've wondered who you are

How could a person like you bring me joy?

Under the pale moon, where I see a lot of stars

Ooh-ooh-ooh, is enough enough?

I saw the sign

And it opened up my eyes, I saw the sign

Life is demanding without understanding

I saw the sign

And it opened up my eyes, I saw the sign

And no one's gonna drag you up to get into the light where you belong

But where do you belong? Oh, oh, oh

I saw the sign, and it opened up my mind

And I am happy now, living without you

I've left you, oh, oh, oh

I saw the sign

And it opened up my eyes, I saw the sign

No one's gonna drag you up to get into the light where you belong

I saw the sign

(I saw the sign, I saw the sign)

(I saw the sign, I saw the sign) I saw the sign

And it opened up my eyes, I saw the sign

She spun around and fired waves of ice and fire and blasted the Dazzlings all over.

Nico: OH YEAH!

Lola: Way to go May!

Nico and Eli and Lola fired waves of fire and blasted the Dazzlings all over!

Nicole: That's what I was gonna do!

Nico: Awesome!

Nicole: Yep.

(HERO BY SKILLIT PLAYS)

THE SKY FORMED A HUGE STAR DRAGON!

Nicole: (SINGING DIVINELY AS STARS AND ENERGY SWIRLED AROUND HER

I'm just a step away, I'm just a breath away

Losin' my faith today

We're fallin' off the edge today

I am just a man, not superhuman
I'm not superhuman
Someone save me from the hate
It's just another war
Just another family torn
We're falling from my faith today
Just a step on the edge
Just another day in the world we live
I need a hero to save me now
I need a hero
To save me now
I need a hero to save my life
A hero will save me
Just in time
I've gotta fight today to live another day
Speakin' my mind today
My voice will be heard today
I've gotta make a stand, but I am just a man
I'm not superhuman
My voice will be heard today
It's just another war
Just another family torn

My voice will be heard today

It's just another kill

The countdown begins to destroy ourselves

I need a hero to save me now

I need a hero

To save me now

I need a hero to save my life

A hero will save me

Just in time

I need a hero to save my life

I need a hero just in time

Save me just in time

Save me just in time

Who's gonna fight for what's right, who's gonna help us survive?

We're in the fight of our lives

And we're not ready to die

Who's gonna fight for the weak, who's gonna make 'em believe?

I've got a hero

I've got a hero

Livin' in me

I've gotta fight for what's right, today I'm speakin' my mind

And if it kills me tonight

I will be ready to die

A hero's not afraid to give his life

A hero's gonna save me just in time

I need a hero to save me now

I need a hero

To save me now

I need a hero to save my life

A hero will save me

Just in time

I need a hero

Who's gonna fight for what's right, who's gonna help us survive?

I need a hero

Who's gonna fight for the weak, who's gonna make 'em believe?

I need a hero

I need a hero

A hero's gonna save me just in time

She fired waves of stars and energy and blasted the Dazzlings all over!

Me: Time to give you all a little history lesson!

I pulled out a violin and played HIGHWAYMAN BY LOREENA MCKENNITT!

The Revolutionary War appeared in the background.

Me: (SINGING DIVINELY AS ENERGY, DARKNESS AND LIGHT

SWIRLED AROUND ME)

The wind was a torrent of darkness among the gusty trees

The moon was a ghostly galleon tossed upon the cloudy seas

The road was a ribbon of moonlight over the purple moon

A highwayman came riding

Riding, riding

A highwayman came riding, up to the old inn-door

He'd a french cocked hat on his forehead, a bunch of lace at his chin

A coat of glaring velvet, and breeches of brown doe skin

They fitted with never a wrinkle, his boots were up to the thigh

And he rode with a chill and a twinkle

His pistol butts a twinkle

His rapier hilt a twinkle, under the jeweled sky

And over the cobbles he clattered and clashed in the dark of night

And he tapped with his whip on the shutters, but all was locked and barred

He whistled a tune to the window, and who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a long dark red love-knot into her long black hair

One kiss, my bonny sweetheart, I'm after a prize tonight

But I shall be back with the yellow gold before the morning light

Yet if they press me sharply, and harry me through the day

Then look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way

He rose upright in the stirrups, he scarce could reach her hand

She loosened her hair in the casement, her face burnt like a brand

As the black cascade of perfume came tumbling over his breast

And he kissed its waves in the moonlight

Oh, sweet waves in the moonlight!

Then he tugged at his rein in the moonlight, and galloped away to the west

He did not come at the dawning, he did not come at noon

And out of the tawny sunset, before the rise of the moon

When the road was a gypsy's ribbon, looping the purple moon

A red-coat troop came marching

Marching, marching

King George's men came marching, up to the old inn-door

They said no word to the landlord, they drank his ale instead

But they gagged his daughter and bound her to the foot of her narrow bed

Two of them knelt at the casement, with muskets at their side

There was death at every window

Hell at one dark window

For Bess could see, through the casement

The road that he would ride

They had tied her up to attention, with many a sniggering jest

And they bound a musket beside her, with the barrel beneath her breast

Now keep good watch and they kissed her

She heard the dead man say

"Look for me by the moonlight

Watch for me by the moonlight

I'll come to thee by the moonlight, though hell should bar the way"

She twisted her hands behind her, but all the knots held good

She writhed her hands 'til her fingers were wet with sweat or blood!

They stretched and strained in the darkness and the hours crawled on by like years!

'Til, now, on the stroke of midnight

Cold, on the stroke of midnight

The tip of one finger touched it!

The trigger at least was hers

Tlot-tlot! Had they heard it? The horse-hoofs ringing clear

Tlot-tlot, in the distance, were they deaf that they did not hear?

Down the ribbon of moonlight, over the brow of the hill

The highwayman came riding

Riding, riding

The red-coats looked to their priming

She stood up straight and still

Tlot in the frosty silence, tlot, in the echoing night

Nearer he came and nearer, her face was like a light

Her eyes grew wide for a moment, she drew one last deep breath

Her finger moved in the moonlight

Her musket shot her in the moonlight

Shattered her breast in the moonlight and warned him with her death

He turned, he spurred to the west, he did not know she stood

Bowed, with her head o'er the musket, drenched with her own red blood

Not 'til the dawn he heard it, his face grew grey to hear

How Bess, the landlord's daughter

The landlord's black-eyed daughter

Watched for her love in the moonlight, and died in the darkness there

And back, he spurred like a madman, shrieking a curse to the sky

With a white rope smoking behind him and his rapier brandished high

Blood-red were the spurs inthe golden moon, wine-red was his velvet coat

When they shot him down on the highway

Down like a dog on the highway

And he lay in his blood on the highway, with a bunch of lace at his throat

Still of a winter's night, they say, when the wind is in the trees

When the moon is a ghostly galleon, tossed upon the cloudy seas

When the road is a ribbon of moonlight over the purple moon

The highwayman comes riding

Riding, riding

The highwayman comes riding, up to the old inn-door

I had light, darkness and energy fire from me and blasted the Dazzlings all over with the blasts.

Me: YEAH!

The people cheered wildly for us!

Nico: YEAH! Now for me!

(YOU'LL BE IN MY HEART BY PHIL COLLINS PLAYS)

The jungles of Africa appeared behind him and leaves, fire and grass swirled around him.

Nico: (SINGING DIVINELY AS FIRE, LEAVES AND GRASS SWIRLED AROUND AROUND HIM)

Come stop your crying

It will be alright

Just take my hand

Hold it tight

I will protect you

From all around you

I will be here

Don't you cry

For one so small

You seem so strong

My arms will hold you

Keep you safe and warm

This bond between us

Can't be broken

I will be here

Don't you cry

Cause you'll be in my heart

Yes, you'll be in my heart

From this day on

Now and forever more

You'll be in my heart

No matter what they say

You'll be here in my heart

Always

Why can't they understand the way we feel

They just don't trust what they can't explain

I know we're different, but deep inside us

We're not that different at all

And you'll be in my heart

Yes you'll be in my heart

From this day on

Now and forever more

Don't listen to them

'Cause what do they know

We need each other, to have, to hold

They'll see in time, I know

When destiny calls you, you must be strong

I may not be with you

But you've got to hold on

They'll see in time, I know

We'll show them together

Cause you'll be in my heart

Believe me, you'll be in my heart

I'll be there from this day on

Now and forever more

You'll be in my heart (You'll be here in my heart)

No matter what they say (I'll be with you)

You'll be here in my heart (I'll be there)

Always

Always I'll be with you

I'll be there for you always

Always and always

Just look over your shoulder

Just look over your shoulder

Just look over your shoulder

I'll be there

Always

Nico fired waves of fire, leaves, grass and energy and blasted the Dazzlings all over and they screamed in pain from the song!

The jungles of Africa appeared and lightning flashed, leaves, grass, fruit and flowers appearing and animals all guiding Fluttershy

Fluttershy: (SINGING DIVINELY AS ANIMAL SPIRITS APPEAR AND THE FLOWERS AND LEAVES SWIRL AROUND HER)

Put your faith in what you most believe in

Two worlds, one family

Trust your heart

Let fate decide

To guide these lies we see

A paradise untouched by man

Within this worlds blessed with love

A simple life, they live in peace

Softly tread the sand below your feed now

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Beneath the shelter of the trees

Only love can enter here

A simple life, they live in peace

Raise your head up

Lift high the load

Take strength from those that need you

Build high the walls

Build strong the beams

A new life is waiting

But danger's no stranger here

No words describe a mother's tears

No words can heal a broken heart

A dream is gone, but where there's hope

Somewhere something is calling for you

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Sunset Shimmer: Time for fire to burn!

(THE MUMMER'S DANCE BY LORENNA MCKENNITT PLAYS)

The beautiful tropical lands of the Caribbean appeared in the background.

Sunset Shimmer: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER)

Ooh, ooh, ooh, ooh

Ooh, ooh

Ooh, ooh, ooh, ooh

Ooh, ooh

When in the springtime of the year

When the trees are crowned with leaves

When the ash and oak, and the birch and yew

Are dressed in ribbons fair

When owls call the breathless moon

In the blue veil of the night

The shadows of the trees appear

Amidst the lantern light

We've been rambling all the night

And some time of this day

Now returning back again

We bring a garland gay

Who will go down to the shady groves
And summon the shadows there
And tie a ribbon on those sheltering arms
In the springtime of the year
The songs of birds seem to fill the wood
That when the fiddler plays
All their voices can be heard
Long past their woodland days
We've been rambling all the night
And some time of this day
And now returning back again
We bring a garland gay
And so they linked their hands and danced
'Round in circles and in rows
And so the journey of the night descends
When all the shades are gone
A garland gay we bring you here
And at your door we stand
It is a sprout well budded out
The work of our Lord's hand
We've been rambling all the night
And some time of this day

And now returning back again

We bring a garland gay

We've been rambling all the night

And some time of this day

And now returning back again

We bring a garland gay

She fired waves of fire and energy and blasted the Dazzlings all over the place.

FIRE FORMED ALL OVER THE PLACE!

Eli: (Singing divinely as darkness and fire swirled around him)

Ah, hey!

You're dressin' all in black

From your front to your back

And all your evil ways
They seem to go on for days
And as a matter of fact
You got one more night before ya
Smash it up, burn it down
Tearing up the underground
You wanna live like a super villain
Back in the line-up
Before your time's up
You wanna live like a super villain
There's nowhere to go
There's nowhere to go
No one is savin' this town
Fuck all those pricks and those clowns
I know you'd rather abuse
Condemn or slightly confuse
Kick 'em all when they're down
And just for fun, you're gonna
Smash it up, burn it down
Tearing up the underground
You wanna live like a super villain
Back in the line-up

Before your time's up
You wanna live like a super villain
There's nowhere to go
There's nowhere to go
There's nowhere to go
There's nowhere to go when you're on your own
You don't care what's wrong or what is right, hey!
All right, all right, you've been knockin' down these doors
You've been filling up this room
You're been runnin' 'round the place like your name was Dr. Doom
You're a killer of culture, a vulture of style
And it won't be that long before you end up on trial
Smash it up, burn it down
Tearing up the underground
You wanna live like a super villain
Back in the line-up
Before your time's up
You wanna live like a super villain
Like a super villain
Like a super villain
There's nowhere to go
Like a super villain

There's nowhere to go

Like a super villain

He floated and fired waves of fire and darkness and blasted the Dazzlings all over!

Qin: OH YEAH!

Laney: Awesome job Eli!

Evil Sonata Dusk: That was awful!

Me: Well like you're any better!

The Cutie Mark Crusaders came to us.

Apple Bloom: Let us help too!

Sweetie Belle: These monsters will pay for getting us to hate each other!

Scootaloo: Yeah and it won't be pretty!

Me: Have at them girls! Have at them!

(BREAK FREE (LEAD THE WAY) BY KATE DAVIS PLAYS)

All the powerful and awesome defeats of Bowser over the last 38 years appeared in the background and it was awesome!

Sweetie Belle: (SINGING DIVINELY)

Smash through the blocks that bar your way

No time for fear just let it all fall away (It all fall away)

Nobody believes in me and you

Just look at the way they stare

So what if we live in a walled garden

As long as I've got you then I don't care

Kick up the wall and take the plunge

Trippin' through two dimensions

Up on the moon we'll swirl and swoon

Just lead the way

I'll throw my hat in the ring 'cause you're the one

A miracle in three dimensions

Follow the brick path straight to my heart

And we'll grab the flag together

The fireworks are gonna start

Shake off the chains, you're runnin' free

You'll be amazed at all that there is to see (There is to see)

Together we're racing for the goal

And no one can stop us now

And maybe we don't know where we're going

But we're gonna get there somehow

Climb up the vine and land in the clouds

Maybe then we'll swap up for down

Cross the sea, we're still you and me

I'll follow you (Just lead the way)

You got me up on the moon and that's no jest

We're miles above the rest

Look in your eyes and I know we'll be fine

So let's shoot for the stars and make this love really shine

Sweetie Belle, Apple Bloom and Scootaloo then glowed and got awesome Pony Ears and Tails and wings and then they fired waves of energy and magic and fire and blasted the Dazzlings all over the place and!

When it was done everyone cheered!

Nicole: Way to go C.M.C.'s! That was one of my favorites!

Me: Awesome job girls!

Qin: YEAH!

Lincoln: One of the best ever for the world of Nintendo!

We stood facing them.

Me: What's the matter bimbos? Had enough?

Evil Adagio: NEVER! We will get people to love us!

Me: Ha! The only thing they are going to remember you for is how you almost got lots of people and ponies to kill each other with pure unadulterated hate!

Nico: YEAH! Don't make us laugh!

Lola: YEAH!

(ADIEMUS BY KARL JENKINS PLAYS)

Dolphins swimming in the ocean formed around us.

She fired waves of fire and it formed into dolphins and they hit the Dazzlings and blasted them all over the place.

Qin: Take that!

Everyone cheered wildly for us.

Qin: YEAH!

Me: I just can't believe that you would follow the lies of a monster like Opaline!

Evil Sonata Dusk: (GASP) How do you know Opaline!?

Misty Brightdawn: Because I was her right hand pony before I realized how stupid I was to follow a monster as pure evil as her!

Evil Adagio Dazzle: What do you mean by that!?

Me: You girls need to wake up! Opaline was not just evil, She was ULTIMATE PURE EVIL INCARNATE! She was the very true personification of pure ultimate evil in its true form. She was using you girls to get what she wanted! That sorceress that you girls met was her! She gave you those jewels and turned you into the Sirens!

Evil Aria Blaze: That can't be! HOW DO YOU KNOW THAT!?

Me: Because I had a vision into the past and it showed me what happened! Opaline tricked you and cursed you into becoming the sirens!

Everyone gasped!

Me: That's right! Those jewels were not just to gather Negative Energy but they were also part of Opaline's plans to make sure there was NO MAGIC in Equestria period!

Nico: That's right! They were to make Opaline Stronger!

Lincoln fired three purifying rainbow light beams which hit The Dazzlings and separated them from their dark sides and brought them to us.

Evil Adagio Dazzle: Finally, we're FREE!

Lincoln: But, not for much longer, enjoy your moment of freedom for soon it will be short lived.

This got on the Dark Side Dazzlings' nerves and they transformed into their true forms.

Adagio Dazzle: Oh shoot!

Dark Adagio Dazzle was about to attack Lincoln, but he reeled his left fist back, and… !

KRAPOW!

Lincoln punched Dark Adagio Dazzle hard in the face with such excessive brute superhuman strength and sent her flying into Dark Aria Blaze and Dark Sonata Dusk and they crashed into a wall!

Rainbow Dash: WHOA!

Adagio Dazzle: Wait a second, Lincoln has our Universe 666 counterparts in his harem. (Remembers what happens) Oh boy.

Aria Blaze: He fed on their blood after they kissed on their first date and he acquired their powers and their monstrously powerful superhuman strength.

Sonata Dusk: And we all saw just how strong Lincoln really is. I hate to be in the shoes of the Dark Side Dazzlings right now!

Sunset Shimmer: True, but now, they're about to face Heaven's Judgement.

Konan: Exactly.

Nico: Do it!

Manta Bayarsh: Right!

He swapped the bodies of Nico, me, May, Maria, Eddy, Kaito, and Lincoln with the Rainbooms.

Nico: (In Applejack's body) That worked!

Me: I'm still the same!

Manta Bayarsh: Oh right! My powers won't work on you.

Applejack: (In Nico's body) What in the hay! I'm Nico!

May: (In Rarity's Body) I look awesome as Rarity!

Maria: (In Fluttershy's Body) Oh wow!

Eddy: (In Pinkie Pie's body) (SCREAMS)

Me: Okay this is turning into a 9.9 on my WEIRD-AS-HELL SHIT-O-METER!

Nico: (In Applejack's Body) No fucking lie!

Me: Lets get them!

We went at the Evil Sirens and blasted them all over!

Nico in Applejack's body punched Evil Sonata.

KRABLAM!

He punched her square in the nose and bashed her into a wall!

Nico: (In Applejack's body) That felt good!

May in Rarity's body blocked a blast from Evil Adagio with her diamond shield and she teleported and kicked her in her face and knocked her down.

May: (In Rarity's body) That was so awesome!

Eddy in Pinkie Pie's body got out the Party Cannon.

BLAM!

It blasted Evil Aria Blaze!

Me: YEAH! Take this!

I ran fast with Rainbow Dash's speed and kicked Evil Adagio in the face with devastating force!

Me: Guys we got to hurry! The switch from Manta won't last long.

Manta Bayarsh: Oh right! Your powers will cure it in a few minutes!

May: (In Rarity's body) Who did Twilight, Sunset, and Rainbow swap with?

Kaito: (In Rainbow Dash's body) I'm Rainbow Dash! Awesome!

ZOOM!

He ran fast and bashed Evil Sonata in her face.

Twilight Sparkle: I'm still the same myself.

Manta Bayarsh: I guess my powers don't work on you because of your magic protecting you.

Lincoln: (In Starlight Glimmer's body) I'm Starlight Glimmer! Awesome!

He went invisible and gave Evil Adagio a REALLY NASTY WEDGIE!

Sunset Shimmer: And I guess I'm still the same too.

Manta Bayarsh: I guess you got out of the way of the switch out of instinct.

Sunset Shimmer: Sorry.

Rainbow Dash: (in Kaito's body) Let me use a Sentai Gear!

She used the King Ohger's Gear and DONNED AWESOME RAINBOW ARMOR WITH HER CUTIE MARK ON IT!

Me: WHOA! R.D. That Armor is boss!

Qin: I'll say!

Rainbow Dash: (In Kaito's Body) This is REALLY AWESOME!

She ran fast and slashed Evil Aria all over!

Maria used Fluttershy's stare.

Fluttershy's stare was like Toepick's Nightmare Face to Evil Sonata and it scared her REALLY BAD!

Nico: WHOA!

Me: You know Nico, Fluttershy told me that she and Angel switched bodies one time and it was crazy. Fluttershy was acting like Angel and Angel was acting like Fluttershy. It was like something out of Freaky Friday.

Nico: I remember that movie! Crazy!

I fired a wave of energy and blasted the Evil Dazzlings!

Wallflower fired leaves and flowers and blasted the Evil Dazzlings!

Wallflower: That was awesome!

Pinkie Pie fired Eddy's blaster.

She blasted them all over!

Rarity fired ice blasts and blasted the Evil Dazzlings.

Rarity: (In May's Body) Using ice powers is amazing darlings!

Starlight Glimmer: (In Lincoln's Body) Lets see what I can do as Lincoln!

She fired a massive blast of lightning and electrocuted the Evil Dazzlings!

Me: WHOA! Nice one!

I fired a massive blast of fire and burned them.

I looked at my watch…

Me: I think the switch should be wearing off right… about… now!

They glowed and switched back.

Nico: It was fun while it lasted.

Applejack: My mouth feels like I ate 1,000 bananas.

Nico: Sorry I had a lot of bananas for breakfast.

Suddenly, Konan's amber eyes turned neon amber and she was surrounded by a blue energy aura with stars, water, rain, earth, wind, paper charms, and angels, and as she approached the Dark Side Dazzlings, she left blue energy, stars, water, rain, earth, wind, paper charms, phoenixes, and angels with every step.

Konan: I will never forgive you three for what you've done to all of Equestria for a thousand years, you caused so much pain and suffering not only to all the ponies of Equestria, but to Adagio Dazzle, Aria Blaze, and Sonata Dusk. You three are nothing more than harbingers of hatred and destruction and as such, all three of you must be destroyed once and for all.

Nico: WHOA!

Lincoln: Whoa is right, Aqua's transformed. If the Keyblade Knights saw this, they would seriously be stunned with awe.

Aqua: (Divine Echoing Godly Voice of The Angelic Starlight Ocean Maelstrom Keyblade Master Phoenix Angel of Divine Cosmic Angelic Starlight Ocean Maelstrom Keyblade Master Phoenix Angel Love) That they would, Lincoln. Now, it's high-time we administer divine punishment unto the Dark Sides of The Dazzlings.

Me: Right.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Konan and Aqua as the rest of us unholstered our massive greatswords and transformed and joined in.

Lincoln, Konan, and Aqua went after The Dark Dazzlings, and they fired extremely powerful blasts of rainbow energy, blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Dark Side Dazzlings and they exploded with incredible power as they hit them.

Then, they attacked them with their massive greatswords and Keyblade leaving scars on them and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Konan, and Aqua attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving the Dark Side Dazzlings insane and straight to the brink of insanity.

That in turn caused the Dark Side Dazzlings to transform into their true forms: the Sirens who caused havoc in Equestria for centuries, and Konan and Aqua rushed in and slashed the Dark Side Dazzlings' necks and they drew blood, and the Sirens roared.

Eli: Hey, what's with the drawing blood?

Suddenly, the scent of blood went into Lincoln's nose, and then, we saw his veins in his body throb and glow red and his eyes change from deep sapphire blue to blood red and his fangs grew longer.

Nico: Oh no, you didn't. Please, tell me you didn't.

Konan: (Divine Echoing Godly Voice of The Angelic Rain Shikigami God Phoenix Angel of Divine Cosmic Angelic Rain Shikigami God Phoenix Angel Love) We did, Nico.

Aqua: (Divine Echoing Godly Voice of The Angelic Starlight Ocean Maelstrom Keyblade Master Phoenix Angel and Divine Cosmic Angelic Starlight Ocean Maelstrom Keyblade Master Phoenix Angel) Lincoln, it's chow time!

As if obeying the sweet scent of blood, Lincoln rushed at The Dark Side Dazzlings and with two of his massive and long white wolf tails grabbing and pinning Dark Aria Blaze and Dark Sonata Dusk down to the ground, Lincoln pinned Dark Adagio Dazzle to the ground with his third massive and long white wolf tail and he bared his sharp fangs and sank his teeth right into Dark Adagio Dazzle's neck and he began sucking out her blood and assimilating all her powers and monstrously immense superhuman strength. When Lincoln was done, Dark Adagio Dazzle was reduced to a withered and lifeless husk.

Then, he moved onto Dark Sonata Dusk and he bared his sharp fangs and sank his teeth right into Dark Sonata Dusk's neck and he began sucking out her blood and assimilating all her powers and monstrously immense superhuman strength. When Lincoln was done, Dark Sonata Dusk was reduced to a withered and lifeless husk.

Finally, he moved onto Dark Aria Blaze and he bared his sharp fangs and sank his teeth right into Dark Aria Blazes neck and he began sucking out her blood and assimilating all her powers and monstrously immense superhuman strength. When Lincoln was done, Dark Aria Blaze was reduced to a withered and lifeless husk.

Then, Lincoln took their necklaces and they merged with his massive greatsword and he burned their bodies with rainbow flames and banished them to The Black Gates forever. We cheered wildly as Lincoln, Konan, and Aqua holstered their massive greatswords on their backs and powered down, and Konan's new body, clothes, weapons, jewelry, Third Eye, and massive blue angel wings are permanent, and Aqua's new body, clothes, weapons, jewelry, Third Eye, and massive blue angel wings are permanent.

Nico: That's it for the Dark Sides of the Dazzlings.

Me: But, I certainly didn't see that Aqua and Konan cut their necks and drew blood again, and the scent of blood drove Lincoln's hunger for blood.

Anna Anyanova: And in turn send him into that blood feeding frenzy and he fed on the Dark Sides of The Dazzlings, sheesh.

Sabrina Lorelai: We all know that just one trace of the scent of blood and Lincoln's hunger rises up to the surface, luckily, he'd gotten control of that, but on some occasions, when it's a powerful villain we face, we draw their blood and let the scent into Lincoln's nose.

Me: And that in turn causes him to go on that blood feeding frenzy, jeez.

Lincoln: But, it was worth it: we got rid of The Dark Sides of The Dazzlings once more and put an end to their centuries long reign of terror on Equestria.

Me: That's for sure.

Nico: And that's the end of that.

Me: Yep. (GROANS)

I sat on the ground.

Nico: You okay?

Me: Just a really nasty headache. Those switchings really jumbled up my mind. Lana can you give me a block of ice?

Lana: Sure thing J.D.

She put a block of ice on my head.

Me: Thanks. Ahh that feels good.

Nico: How did you girls like being in some of our bodies?

Fluttershy: It was really unusual.

Maria: It was cool to see.

May: I thought it was amazing.

Rainbow Dash: I liked it!

Me: Yeah that was awesome and BADASS armor R.D.

Rainbow Dash: Boy it sure was.

Lincoln: And I liked being invisible.

Me: (LAUGHS) You gave one nasty wedgie.

WE LAUGHED!

Qin: (LAUGHS) That was funny!

Camie: (LAUGHS) YEAH!

Misty Tredwell: (LAUGHS) That was really cool though.

Manta Bayarsh: Yeah it was. But those songs you guys got to sing were all really awesome!

Pipp Petals: Oh my Glitter! That was the most fun and most amazing concert ever! I got the whole thing on social media.

Nico: Awesome Pipp.

Lola: Yeah.

Nico: I liked the songs we did.

Me: Me too. Those were fun.

Camie: They sure were.

Brittney: That was so fun.

Xenia: Yeah and the action from each song was so epic!

Varie: You got that right!

Nico: The Evil Dazzlings are gone for good.

Me: Thank goodness.

Qin: Yeah.

Nico: That was an awesome concert.

May: It sure was

Nico: Yeah. Feel better J.D.?

Me: Yeah I'm fine now.

Xenia: Good.

I got up and my ice block was melted.

Me: Headaches don't last long with people like me.

Nico: (LAUGHS) That's true.

Maria: Hope we didn't cause too much damage

Eli: Nah. I fixed everything as bro was resting.

Me: Thanks Eli.

Nico: Yep. Now for the Anothers.

Eli: Lets see what we got here.

Eli concentrated and he saw them.

Eli: Whoa this is unusual. We have Another Chicken Wing Platoon, Sauce Guru, Lego Condiment King, Yost Executioner and Manta Bayarsh .

Nico: WHOA!

Manta Bayarsh: Oh yeah! We call them the 24 Vicious Wings of Doom. They are Living Chicken Wings covered in the hottest hot sauces ever that have the most deadliest flavors ever.

Nico: Geez!

Qin: Yeah!

Nico was going crazy!

Nico: I'M EATING THEM!

Me: Some of the Anothers are his favorite foods!

Qin: YEAH!

Maria: Who do we call for them?

Me: Serena Amariah, Fimena is the Blue Centaurette and Blue Raspberry.

Qin: Cool!

Maria called them in and in swirls of rainbows and elements came said people.

Blue Raspberry: Hey guys! We saw the concert and that was awesome!

Fimena: Boy it sure was!

Serena Amariah: That was so fun!

Xenia: Thanks.

Lola: That sure was fun.

Eli: I sense that the Anothers minus Manta are one person.

Qin: Nice.

Nico: THERE THEY ARE!

We saw Another Chicken Wing Platoon, Sauce Guru, Lego Condiment King and Yost Executioner.

Qin: Whoa!

Nico's mouth drooled like a waterfall.

Me: This will be fun.

Another Sauce Guru: (In a girls voice) It sure will.

Lincoln: That voice! Storm Crow Xiuhcoatl!

They merged and she reverted back and she was a girl that had black hair, red eyes, orange and blue angel wings and she had purple and orange clothes and had a keyblade of Mayan Origin.

Nico: Whoa!

Xenia: Care to introduce us?

Lincoln: Sure. This is Storm Crow Xiuhcoatl, Keyblade Knight of The Ancient Kingdom, the World of The Emperor's New Groove from the Year 2000, she's my Guardian Angel from Michigan and she's a master of the powers of fire and the Gods of Aztec, Incan, and Mayan myth. She's really good friends with Kuzco and Kronk, and not only does she have a massive hatred towards Xehanort, but she also harbors a really massive and really nasty hatred towards Yzma, and she swore if that ugly witch tries to kill Kuzco again so she can rule, she was going to skin that ugly hag alive and send her soul to the blackest depths of Xibalba. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

We were amazed!

Me: Wow! I love the movie The Emperor's New Groove and that was so awesome and funny.

Storm Crow Xiuhcoatl: That was awesome.

Qin: It sure was.

Me: Yzma is now in the M.O.E. And she is Merida's archenemy.

Nico: Yep it's true.

Storm Crow Xiuhcoatl: I heard about that.

Me: Yep and it's to honor her actress that played her, Eartha Kitt.

Storm Crow Xiuhcoatl: I know. She died in 2008. She will never be forgotten.

Nico: A moment of silence.

We took off our hats and put our hands on our chests for her.

We got done 1 minute later.

Nico: We actually helped Kuzco and friends a while back and it was fun.

Storm Crow Xiuhcoatl: That's what I heard and that is awesome.

Me: It sure is.

Qin: Yeah.

Me: By the way is the Another Manta Bayarsh friendly or hostile?

Storm Crow Xiuhcoatl: Friendly and she is really amazing with Manta's powers.

Me: Nice.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Spring abundant holoél

She glowed and was separated from the Anothers.

Me: Yeah! One thing first.

I went over to the Another Sauce Guru.

I pulled out an empty pot for sauce and he threw sauce bottles at me and I caught and flicked sauce bottles and did amazing flips and more and poured sauces into the pot and mixed it and it glowed perfectly and I had him taste it and it was perfect! He laughed with euphoria!

Me: Awesome!

Nico: How come you did that?

Me: Mr. Lynn has been trying to make the perfect sandwich sauce for his newest menu item. But he couldn't get it right. So I decided to have the Sauce Guru help me out with this. Even though it's Another.

Nico: Cool!

We fired waves of energy and blasted Another Sauce Guru, Yost Executioner and Lego Condiment King!

All that was left was the 24 Vicious Wings of Doom!

Nico: MUST EAT!

Me: Chow down!

Nico ran and ATE ALL OF THEM!

The wings were devoured!

Nico: Ahh. (LOUD BURP) Pardon me.

He belched up the Wonder Ride Book and I caught the others.

Qin: That was funny.

Lola: Yeah it sure was.

Nico: (LOUD BELCH!)

He belched out fire from that.

Maria: Time for backup! (TURNS DIAL) CRIMSON BUTTKICKING 6!

She summoned Crimson Dynamo, Evil Orbit Woman, Dr. Ivo Robotnik, Evil Whirlpool Man, Snowflame and Red Dark Magician!

Nico: Oh yeah!

Crimson Dynamo: (Russian Accent) Wow Nico you look bloated.

Nico: Oh yeah! (LOUD BELCH)

Me: He sure is.

Nico: But I can still fight!

Nico got up and he had a really stuffed belly.

Nico: (LOUD BELCH)

Maria: I'll take your word for it.

Qin: Yeah.

Nico: (LOUD BELCH) Here she comes!

We saw a figure and it was ANOTHER MANTA BAYARSH!

Me: Whoa!

Nico: Another (LOUD BELCH) Manta Bayarsh!

Manta Bayarsh: He had a little too much to eat.

Another Manta Bayarsh: (In a girls voice) Boy he sure did.

Me: (GASP) That voice!

She reverted back and it was a girl with green hair, green eyes, green leaf angel wings, green clothes and had a tiara with the symbol of the Leaf Dopant on it and had the same symbol on her skirt and she had a green leaf scythe.

Me: (GASP) Leia Leaf.

Leia Leaf: Awesome to see you again J.D.

Me: You too. Leia is the Embodiment of the Leaf Dopant and she has a masterful power over leaves, plants, flowers and trees and even fruit and vegetables. She also has the amazing power to switch bodies.

Leia Leaf: It's true. Watch.

She fired a beam of energy and it hit Lola and Lana and they were in each other's bodies.

Lana: (In Lola's Body) COOL!

Lola: (In Lana's Body) (SCREAMS)

Lana then got LOLA'S BODY COVERED FROM HEAD TO TOE IN MUD AND FILTH!

We laughed!

Nico: (LAUGHS) That is (LOUD BELCH) Funny!

I snapped my fingers and cleaned them off and reverted them back.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Leia Leaf: No he didn't. As soon as his back was turned I turned into a vortex of leaves and teleported out of there. But before I left I switched the bodies of Ora and Uhr.

Sakura Knudson: That explains why they both were acting differently back then.

Qin: (LAUGHS) That's funny.

Kaito and Zocks: Zenkaiju Gear!

They donned Zenkaiju Armor.

Lincoln: Lets separate you first.

He fired a wave of light and separated the Another from her.

Leia Leaf: Lets do it!

She slashed Another Manta and slashed him all over and blasted him with leaves!

Nico: Time for some fun! (LOUD BELCH) (ACTIVATES MANTA BAYARSH AND YOST EXECUTIONER'S RIDEWATCHES)

He fired waves of energy and blasted the Another.

May: Time for this! (ACTIVATES LUNGE FISH AND PRINCESS ABI'S RIDEWATCHES)

She fired waves of energy and blasted the another down.

Maria: My turn! (ACTIVATES UMA ZAZZALA QUEEN BEE AND EVIL MANTA'S RIDEWATCHES)

She fired waves of energy and blasted the Another.

Sally: Take this! (ACTIVATES YOST EXECUTIONER'S RIDEWATCH)

She fired waves of energy and blasted him down.

Then Black Manta, Skeleton Men, Quetzalcoatlus Dopant, Dr. Caballeron, Stingrage and Blizzard Wolfang came.

Nico: Nice team Black Manta!

Black Manta: Thanks Nico!

Qin: This is gonna be fun.

?: WHOOAAAA! SOMEONE STOP ME AS A CRAZY THING!

WE SAW A SPINNING FIGURE SPIN IN AND SMASHED DOWN THE ANOTHER AND I CAUGHT THE RIDEWATCH AND PURIFIED IT!

Me: Whoa! I'm getting dizzy seeing this!

Qin: Me too!

Nico: I can't see who she is!

I stopped the figure and it was Top Man!

Me: Whoa! Top Man!

Nico: Whoa No wonder I got so dizzy. (LOUD BELCH!)

Top Man: (In a girls voice) I hate it when that happens.

Nico: Tina Topper! Wow.

Tina Topper: Awesome to see you again Nico.

Nico: Same here.

Qin: Boy you sure got dizzy huh?

Tina Topper: Yeah no kidding.

Nico: You're naked, aren't you?

Tina Topper: I am.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: It's going to hurt.

Tina Topper: I know.

Me: Okay. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and reverted back.

She threw up and reverted back and she was a girl with orange hair and blue eyes and had orange angel wings and had a spinning top in the middle of her forehead.

Tina Topper: (GROAN) That was rough. (Sees herself) GAH! Eyes to yourselves perverts!

Rarity: Don't worry darling we can fix this.

The Fashion Brigade gave her new orange clothes and she looked great!

Tina Topper: This is awesome!

Nico: It sure is, isn't it?

Tina Topper: Yeah.

Sally: What's your favorite memory of Nico?

Tina Topper: When me and Nico went to class and I made a bully spin around so fast and he hurled his guts out on a girl in the girls bathroom. He got expelled that day.

Nico: Yep.

Qin: Awesome and funny.

Xenia: Yeah.

Nico and Tina hugged.

Nico: I've missed you.

Tina Topper: Me too Nico.

We later went back and told everyone everything and it was awesome.

Lincoln: Whoa, we're here in Queens, New York, and I know what we're going to do here, not only am I going to rescue the four girls here, but the third treasure we're getting is for Melman the Giraffe: these are known as The Greaves of Aeolus, and after Melman gets those, we're going to destroy Dave the Octopus who's come back from the dead wanting revenge on us and The Penguins.

Me: That mad lunatic's back?! That's it, he's getting turned into grilled octopus steaks!

Nico: You got that right.

Just then, The Penguins arrived.

Skipper: We just got the word that crazy octopus came back. We've already got Rico stocked up with explosives.

Yusuke:First, we should get the treasure at once.

We headed straight for a shrine made of green-colored marble with two giraffes out in front of the shrine, and we headed inside and we saw the treasure: The Greaves of Aeolus, four silver and green-colored greaves with green gems.

Melman the Giraffe: The Greaves of Aeolus. They're like the Greaves of Varuna, but with green.

Suddenly, we saw a beautiful and super sexy girl with short red hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has Kokuo's five massive and long white tails, she's dressed in a sleeveless red top, red skirt with the Five Kanji, knee-high high-heeled crimson red boots with butterfly buckles, and long white sleeveless trenchcoat with stars, fire, water, horses, phoenixes, and angels on the coattails and on the back is Kokuo The Five-Tailed Horse, in her right hand is a greatsword and with her are the four girls.

Lincoln: (GASPS) Katie Kokuo, Avatar of Kokuo The Five-Tailed

Horse.

Katie Kokuo: That's right, and I got the girls away from that crazy multi-armed basket case.

?: YOU PATHETIC PENGUINS AND ALL OF TEAM LOUD PHOENIX STORM WILL PAY FOR DESTROYING ME!

We then saw our target, Dave the Octopus, and he was indeed out for our heads. Melman the Giraffe grabbed the Greaves of Aeolus and put them on his legs, and when he did, he was surrounded by a massive and glowing vortex of green energy with stars and winds surrounding the vortex, there are giraffes, phoenixes, and angels running and flying around the vortex, and in the vortex is a brown and yellow phoenix with red eyes glaring at Dave the Octopus: the red eyes of death.

The vortex faded, and Melman emerged with a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, he has neon blue eyes and a green energy aura with stars, winds, giraffes, phoenixes, and angels surrounding him, he has a Giraffe emblazoned on his forehead with blue iris, he has on his Crystal Necklace of The Buddha with green gems in the gold wind gust links and green crystal links and a green giraffe-shaped Element of Harmony and on the bottom is a green with blue gems for eyes and the Wind and Eternity Kanjis in its hooves for the pendant and he now has on a large white and gold accented choker on his neck, he has on a long sleeveless white trenchcoat with winds, stars, giraffes, phoenixes, and angels on the coattails, and on the back is a giraffe with winds surrounding it, and there's a green kanji below the giraffe that said, "Melman the Giraffe, Former Zoo Giraffe from The Central Park Zoo Now Member of Circus Zaragoza, Destroyer of DuBois and Makunga, Childhood Best Friend of Alex, Melman, and Gloria, Expert Doctor, Archenemy of Giraffe Man, Friend to Many, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Winds, Stars, Giraffes, Phoenixes, and Angels"

Melman the Giraffe now has massive yellow angel wings with brown spots and green tips and he grew much bigger and much stronger. Plus, the Greaves of Aeolus have merged with the greatswords and swords that he'd gotten and they're surrounded by green energy, stars, winds, giraffes, phoenixes, and angels, and when it emerged, it was transformed into Melman the Giraffe's Wind Hurricane Aeolus Wind Hurricane Greaves of Wind Hurricane Justice, a brand-new pair of silver and green greaves with wind gusts etched on them and green gems embedded in them.

Melman the Giraffe's transformed into SUPER ANGEL-GIRAFFE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA GREEK AEOLUS HURRICANE WIND STORM GIRAFFE PHOENIX ANGEL OF DIVINE GREEK AEOLUS HURRICANE WIND STORM GIRAFFE PHOENIX ANGEL JUSTICE AND DIVINE GREEK AEOLUS HURRICANE WIND STORM GIRAFFE PHOENIX ANGEL HOPE!

We were amazed by Melman's Super Angel-Giraffe-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Dave the Octopus saw it, he went mad with rage, but Melman fired a massive barrage of green energy, stars, winds, zebras, phoenixes, and angels which hits Dave the Octopus, he got back up, but now, he was mega pissed off and mega insane now.

Melman the Giraffe: (Divine Echoing Godly Voice of The Greek Wind Hurricane Storm Giraffe Phoenix Angel and Divine Greek Wind Hurricane Storm Giraffe Phoenix Angel Hope) There's plenty more where that came from, you basket case!

Then, Rico got out a massive bazooka and fired and the missile hit Dave the Octopus and he exploded into grilled octopus steaks and we ate his remains, and we belched out his spirit and sent him straight to The Black Gates forever. We cheered as we holstered our weapons and powered down, and Melman the Giraffe's new body, clothes, weapons, jewelry, Third Eye, gold halo, longer tail, and massive yellow angel wings are permanent.

Lincoln: And this time, stay dead forever, you deranged piece of calamari. (To Katie Kokuo) And it's so good to see you again, Katie Kokuo.

Katie Kokuo: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Katie Kokuo and he hugged them, and Katie Kokuo is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Katie Kokuo: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Katie Kokuo, Avatar of Kokuo the Five-Tailed Horse, she's my Guardian Angel from Michigan, and she's the Avatar of Kokuo The Five-Tailed Horse and she's a powerful master of water and fire and she also knows how to use those five massive and long tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt me. She also really hates Lisa to the extreme, because during a date at their secret hot springs, that lunatic showed up and tried to kill me once more, but Katie blinded her with a blast of steam and she trapped her inside a water bubble and sent her back to The Loud House to face her punishment.

Kenzie Kurama: And like he told you yesterday, Lisa planted a tracking chip onto his shoulder, that's how she found out about our secret hot springs.

Me: And after Katie dealt with Lisa and sent her away, we got to work on removing the tracking chip in Lincoln's shoulder as soon as he got back.

Lincoln: They removed it, and then, I asked J.D. to find out if Lisa had anymore nasty surprises after she got rid of me.

Me: And she had plans to capture and dissect Lincoln's Guardian Angels and harem and kill them and throw them into Antarctica to be eaten by the wild life there.

Luna: That got Lincoln so mad, he grabbed Lisa by the neck with a tail he sprouted out and tossed her into a cage and locked her inside it.

Laney: And like Eli said, Lisa's Dark Side was nothing more than a repulsive ape.

Luan: Lisa was a monster because of her Dark Side, she treated us and everyone around her like her test subjects, and she was extremely malicious towards Lincoln, and she pissed off everyone around her with her dark unethical ways both her family and everyone around her, and that made her a big target by most of Lincoln's Guardian Angels who hated her with a blazing passion.

Lincoln: They formed an Anti-Lisa Loud Coalition for that sole purpose of taking Lisa down once and for all and sending her to prison forever, and I also joined that coalition as well.

Lincoln showed us an Anti-Lisa Loud Coalition ID card he has in his wallet.

Eli: And we already knew the reason for that.

Lincoln: Lisa's heartless and malicious actions towards me and my Guardian Angels, I swore that I wasn't going to let Lisa get away with this, so I joined the Coalition to bring her down. But, we got rid of the monster inside her and the very monster that made her like that.

Nico: Chase Young's Dark Side and Killjoy Huggins.

Lincoln: Exactly, and now that you're here, Katie.

Lincoln went up to and hugged Katie Kokuo in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Katie Kokuo: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on Katie Kokuo's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Katie Kokuo: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Katie Kokuo.

Katie Kokuo had a smile on her faces and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are the Simulator versions of Diane and Elizabeth Liones from The Seven Deadly Sins, the Simulator version of Rebecca Bluegarden from Eden's Zero, and the Simulator version of Rin from Toriko.

Lincoln: Oh wow, it's the Simulator versions of Diane and Elizabeth Liones from The Seven Deadly Sins, the Simulator version of Rebecca Bluegarden from Eden's Zero, and the Simulator version of Rin from Toriko.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Simulator Diane: Yes, we're okay, thanks to you.

Then, when Simulator Diane and the other three girls saw who it was that saved them from Dave the Octopus, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of

Simulator Diane: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln

and his clones, and we cheered wildly at the scene.

Simulator Diane: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Diane, Simulator Elizabeth Liones, Simulator Rebecca Bluegarden, and Simulator Rin with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate and we told them Melman the Giraffe had gotten the Greaves of Aeolus, and the rest of the team were shocked to find out the villain we went after was our old enemy, Dave the Octopus, who came back from the dead wanting revenge on us and The Penguins.

But, when Lincoln showed what happened such as Melman the Giraffe transforming and all of us giving that deranged homicidal vengeful monster the beating of his life and Rico blowing him up and us eating his remains and sending him straight to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Katie Kokuo have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that crazy homicidal octopus never to come after us ever again!

Lincoln: He was never going to learn his lesson that easily, because he was too vengeful and way too insane, but he got what he deserved in the end.

Me: That's right, he paid the price.

Nico: And now, he's nothing more than a forgotten memory.

---

After finally getting rid of Dave the Octopus and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Katie Kokuo saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Katie Kokuo: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Katie, and I can still defend myself, and in addition to getting stronger and bigger in muscle

mass, I've also gotten smarter as well.

Katie Kokuo: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Katie Kokuo: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Katie, mind showing us that video of the fight you had with Lisa when you found out that little monster invaded your secret hot springs to kill Lincoln again?

Katie Kokuo: Gladly.

Katie Kokuo played the video on the screen, and we saw Lincoln and Katie Kokuo at the secret hot springs with Lincoln in his orange swim trunks and Katie Kokuo in her red two-piece bikini. But, their date would wind up getting interrupted.

?: YOU IGNORAMUS HAIRLESS APE, YOU WILL PAY FOR CONSTANTLY SURVIVING MY ATTEMPTS TO KILL YOU!

Past Katie Kokuo: What the heck was that?!

Past Lincoln: Oh no, not again, Lisa!

Then, they saw Lisa come out of the bushes, and she was out for blood once again.

Past Lisa: SUFFER MY WRATH, YOU HAIRLESS APES!

But, then, we saw Katie Kokuo fire massive jets of steam that blinded Lisa and she trapped her in a water bubble. Then, she swats the water bubble with her five massive and long white tails and sent Lisa flying back to The Loud House.

Past Katie Kokuo: That'll teach her. But, how did she…?!

Suddenly, Katie Kokuo saw something blinking in Lincoln's right shoulder.

Past Katie Kokuo: Lisa planted a tracking chip in you!

Past Lincoln: WHAT?!

Lincoln saw the blinking in his right shoulder.

Past Lincoln: (ROARS) LISA!

Lincoln and Katie Kokuo got out of the hot springs and went back to The Loud House as the video ended.

Nico: Oh man, Lincoln, you were extremely pissed off at Lisa for what she did.

Me: We all were.

Luna: When Lincoln and Katie came back, we removed the tracking chip Lisa planted in him, and when he found out she also had plans to capture and dissect Lincoln's Guardian Angels and harem and kill them and throw them into Antarctica to be eaten by the wild life there, and Lincoln was so mad, he grabbed Lisa by the neck with a tail he sprouted out and tossed her into a cage and locked her inside it.

Lincoln: I was beyond mad at Lisa for this, it was bad enough she tried to kill me, but to also find out she tried to also hurt my Guardian Angels and harem as well?! That also drove my purpose to protect my Guardian Angels and harem with everything I've got, and if I ever have children, I'd also protect them as well from Lori, Lynn, Lola, Lisa, and Luan.

Anna Anyanova: You got that right, and he swore if he ever had children, he'd protect them with all his might from those five since their Dark Sides really hated him with a blazing passion.

Sabrina Lorelai: Which is why we're also here to protect him from those five.

We got a shower afterwards, and then, Lincoln, Axel, Simulator Emma, Millie, Mary Kate "MK", Nichelle, Simulator Priya, Simulator Beth, Simulator Blaineley, Simulator Bridgette, Simulator Courtney, Simulator Dakota, Simulator Gwen, Simulator Izzy, Simulator Jasmine, Simulator Leshawna, Simulator Lindsay, Simulator Sammy, Simulator Sierra, Simulator Sky, and Simulator Zoey are heading to Jolly Roger Bay.

Mary Kate: Wow, so this is Jolly Roger Bay, it sure is beautiful.

Lincoln: It sure is, Mary Kate, and it's perfect for our first date. Shall we?

Lincoln, Axel, Simulator Emma, Millie, Mary Kate "MK", Nichelle, Simulator Priya, Simulator Beth, Simulator Blaineley, Simulator Bridgette, Simulator Courtney, Simulator Dakota, Simulator Gwen, Simulator Izzy, Simulator Jasmine, Simulator Leshawna, Simulator Lindsay, Simulator Sammy, Simulator Sierra, Simulator Sky, and Simulator Zoey dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Axel, Simulator Emma, Millie, Mary Kate "MK", Nichelle, Simulator Priya, Simulator Beth, Simulator Blaineley, Simulator Bridgette, Simulator Courtney, Simulator Dakota, Simulator Gwen, Simulator Izzy, Simulator Jasmine, Simulator Leshawna, Simulator Lindsay, Simulator Sammy, Simulator Sierra, Simulator Sky, and Simulator Zoey got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Axel, Simulator Emma, Millie, Mary Kate "MK", Nichelle, Simulator Priya, Simulator Beth, Simulator Blaineley, Simulator Bridgette, Simulator Courtney, Simulator Dakota, Simulator Gwen, Simulator Izzy, Simulator Jasmine, Simulator Leshawna, Simulator Lindsay, Simulator Sammy, Simulator Sierra, Simulator Sky, and Simulator Zoey and they hugged them in their abnormally massive and powerful muscular arms, and Axel, Simulator Emma, Millie, Mary Kate "MK", Nichelle, Simulator Priya, Simulator Beth, Simulator Blaineley, Simulator Bridgette, Simulator Courtney, Simulator Dakota, Simulator Gwen, Simulator Izzy, Simulator Jasmine, Simulator Leshawna, Simulator Lindsay, Simulator Sammy, Simulator Sierra, Simulator Sky, and Simulator Zoey placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Jolly Roger Bay, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, twenty Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Axel, Simulator Emma, Millie, Mary Kate "MK", Nichelle, Simulator Priya, Simulator Beth, Simulator Blaineley, Simulator Bridgette, Simulator Courtney, Simulator Dakota, Simulator Gwen, Simulator Izzy, Simulator Jasmine, Simulator Leshawna, Simulator Lindsay, Simulator Sammy, Simulator Sierra, Simulator Sky, and Simulator Zoey with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, Axel, Simulator Emma, Millie, Mary Kate "MK", Nichelle, Simulator Priya, Simulator Beth, Simulator Blaineley, Simulator Bridgette, Simulator Courtney, Simulator Dakota, Simulator Gwen, Simulator Izzy, Simulator Jasmine, Simulator Leshawna, Simulator Lindsay, Simulator Sammy, Simulator Sierra, Simulator Sky, and Simulator Zoey are in your harem.

Courtney: You can thank us for finding the Simulator versions of Emma, Priya, Beth, Blaineley, me, Bridgette, Dakota, Gwen, Izzy, Jasmine, Leshawna, Lindsay, Sammy, Sierra, Sky, and Zoey for this one.

Gwen: And we also introduced Axel, Millie, Mary Kate, and Nichelle to Lincoln in the real world by organizing a date at Lynn's Table.

Courtney: And by the end of the day, those four were already in love with Lincoln.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Axel, Simulator Emma, Millie, Mary Kate "MK", Nichelle, Simulator Priya, Simulator Beth, Simulator Blaineley, Simulator Bridgette, Simulator Courtney, Simulator Dakota, Simulator Gwen, Simulator Izzy, Simulator Jasmine, Simulator Leshawna, Simulator Lindsay, Simulator Sammy, Simulator Sierra, Simulator Sky, and Simulator Zoey, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

* * *

Later we were watching TV and then we heard crying.

Flamin Yawn: Do you guys hear that?

Nico: Yeah that sounds like Rarity.

Me: Oh boy. I wonder what she is crying about this time.

We got to Rarity's room and to our shock we saw that Rarity was NOT ONLY Crying fountains but MASSIVE NUMBERS OF PILES OF DIAMONDS PILED UP ALL OVER THE FLOOR!

Qin: WHOA!

Me: Where'd all these diamonds come from!?

Mr. Krabs: What's wrong, lass?

Rarity: (WAILING AND BAWLING)

Me: Rarity.

We went over.

Rarity: I CAN'T COME UP WITH MORE IDEAS!

Me: Oh Rarity it's nothing to be ashamed of. I'm sure you'll think of something.

Xenia: Yeah Rarity. But first where did you find all these diamonds?

Acid Storm: Did you buy all this?

Rarity: (CRYING)

The tears dripped from her face and then they turned into diamonds! I had some land into my hand

Me: Her tears turned into diamonds when she cries!

Xenia: Whoa!

Me: I've seen this many times before.

Yukina: That's like me when I cry jewels like that.

Xenia: And I heard that people exploit this by torturing and making people cry for this.

Qin: That is crazy.

Me: Yeah.

Nico: Hey, Rarity. Look!

Rarity saw Nico pull Double D's pants down.

Edd: OH WHAT IN SAM HILL ARE YOU DOING NICO!?

Me: Nico let me handle this.

I called in the Three Stooges!

Curly, Larry and Moe: (IN ACAPELLA) HELLO! HELLO! HELLO!

Moe: Looks like someone needs cheering up.

Me: Yep.

SLAP!

I slapped Moe across his face.

HONK! BOOF BONK POINK!

I honked his nose, hit his stomach, bonked his head and poked his eyes.

Moe: WHY YOU!

HONK, TWIST, POINK, BONK, BOOF!

He honked my nose, Twisted my ears, hit my stomach, bonked my head and poked my eyes.

Nico: (to Double D) I was trying to make Rarity laugh.

Edd: Well I think J.D.'s method works better.

Nico: You're right.

Moe: See that?

I hit his fist and he hit my head!

BONK!

Moe: I'll strangle you!

He strangled me and put me in a headlock and bonked me all over.

BONK BONK BONK BONK BONK BONK BONK!

Rarity was laughing hysterically!

Not wanting to be outdone, Nico put ants in Billy's pants.

CHOMP CHOMP CHOMP CHOMP CHOMP!

He was bit all over.

Me: Oh yeah!?

I put lobsters into Larry's pants and then it bit his crotch and he screamed like an opera singer and RARITY WAS LAUGHING HYSTERICALLY!

Larry got the lobster out!

Larry: I'll gouge your eyes out!

I ducked and Larry poked Moe in his eyes!

Moe: Why you!

POW!

He punched him in his face.

Still not wanting to be outdone, Nico gave Lori a wet willie.

Lori: EW GROSS!

Me: Oh yeah?

I dropped a barrel of beer on Moe's head.

SMASH!

Moe was drenched in beer.

Moe: Why you!

He took a metal club and I ducked bashed Curly with it!

Curly: OH OH OH! Look!

The club was all dented and mangled.

Me: Boy that gag was so funny back in your days.

Kira Howard: It sure was. So was this!

He bit my nose!

CRUNCH!

ME: OWOWOWOWOWOW!

Nico tickled Poromon!

Poromon: (LAUGHS) HEY! QUIT IT NICO!

RARITY WAS LAUGHING HYSTERICALLY!

Applejack: (LAUGHS) Rarity sure is happy.

Rainbow Dash: (LAUGHS) Yeah!

?: Boy what a laugh riot!

We saw a girl with black hair and blue eyes and red clothes and red angel wings and she had a tiara with the symbol of the Megarangers on it and she had the same symbol on her skirt.

Maria Megaranger: Maria Megaranger, Embodiment of the In Space Rangers.

Me: Awesome to meet you Maria.

Qin: Same here.

Slingshot: Tell us more about yourself.

Maria Megaranger: Well I'm an International Space Station astronaut and I have all kinds of experiences out in space and I have the power to breathe in space and can move and fly through space. Also I am an astronomer.

Nico: Cool! Would you like to join the team?

Maria Megaranger: I would be honored.

Xenia: Awesome.

Me: Feel better Rarity?

Rarity: I sure do. Thank you darlings. I don't think I have ever laughed so hard before.

Me: That was really funny though.

Madame Masque: Can me, Xiao Fung, Lady Shiva, Selene, Enchantress, Goro, Mortal Kombat Scorpion, SkullMeramon, Toad and David Cane go with you guys?

Nico: Yes you all can come with.

Qin: Awesome.

Aria Blaze: Nico, which Gene Slammer do you think you'll meet next? And nice job against my dark side.

Nico: Thanks Aria. Now we get into the robots of Mega Man 4. Ring Man next.

Nicole: Awesome!

Ring Man: Sweet! This will be awesome meeting a gene-slammer of me.

Xenia: Yeah it will.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than another of Mordecai and Rigby's old enemies, The Grease Monster, and that greasy monster is causing havoc in The Park. When we saw it, we knew it meant trouble.

Lincoln: Oh, shoot!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a greasy emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than another of Mordecai and Rigby's old enemies, The Grease Monster, and that greasy monster is causing havoc in The Park.

We gasped.

Nico: Oh… crud.

Me: A grease monster causing havoc in The Park?! Oh, we're going to soak up that grease monster and send him straight to The Masters of Evil.

Lincoln: Good idea. And we're going to need a lot of corn starch, baking soda, sand, sawdust, and kitty litter for this.

Nico: Those are the only things that'll absorb a lot of grease.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Shar, The Mistress of the Night, the Dark Lady and the Lady of Loss, and the goddess of darkness and the caverns of Faerûn, as well as one of the main antagonists in Forgotten Realms franchise, a part of the Dungeon and Dragons universe, and she's here to start The Cycle of Night to destroy all life on Earth and send mankind to the void. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Shar, The Mistress of the Night, the Dark Lady and the Lady of Loss, and the goddess of darkness and the caverns of Faerûn, and she's here to start The Cycle of Night to destroy all life on Earth and send mankind to the void.

We gasped.

Sabrina Lorelai: Oh, that's not good.

Anna Anyanova: There's no way we're going to let that nihilistic goddess get away with this, all life is sacred and must be protected.

Brianna Fukuhara: That's right, and that'll be left to me and Lincoln, Anna. As the Embodiment of Kamen Rider Falchion, I refuse to let that monster live a single second further.

Nico: Crossing the Embodiment of Kamen Rider Falchion is a huge mistake that Shar is about to pay for with her life. Alright, gang, let's go, we're heading to The Park to soak up that Grease Monster.

Lincoln: And send him on his way to The Masters of Evil, and once we get done with that monster, you're next, Shar.

Brianna Fukuhara: Shar, there's absolutely no way I'm going to let you start The Cycle of Night so you can destroy all life and send it to The Void, all life is precious and must be protected, and you shall be the only one banished to Oblivion for your crimes!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed to The Park to soak up The Grease Monster and send him to The Masters of Evil, and once we got done with that Grease Monster, Brianna Fukuhara and Lincoln are going to destroy Shar and make that nihilistic goddess of darkness pay for her crimes.

We were off to the park.

We arrived at the park.

Xiao Fung: I love coming here

Me: Me too.

Qin: It's always so fun.

Lola: It sure is.

We arrived at the house.

Me: House looks normal.

We went in

Roscoe: Hello?

DeSoto: Anyone here?

Mordecai and Rigby were playing video games.

Mordecai: Hey guys!

Rigby: What's shaking?

Selene: Just wanted to know if you two are okay.

Mordecai: We're all right. Is something going on

Me: Well The Grease Monster is back.

They gasped!

Rigby: That walking pile of fat is back!?

Mordecai: Whoa. This is bad.

Sideways: Where's everyone else?

Mordecai: They are in their homes.

Laney: We got to go get them and tell them.

Mordecai: Okay.

Laney went and got them and brought them to the house.

Benson: Oh man!

Muscle Man: So that disgusting pile of slop fat from me is back huh!? This is not good.

Skips: Not good at all guys.

Me: What can you tell us about this monster Muscle Man?

Muscle Man: Well this monster is a creature made of Fry Oil and Grease and is as hot as lava.

He told us about it.

---

The Grease Monster is a character that appeared in the episode Gut Model. It also served as the main antagonist of that episode.

The Grease Monster was created after Muscle Man put plates, utensils and a microphone in the Fry Vat. He seemed to be unstoppable when encountered and spat out a frying liquid. He could be only stop by attacking him with bread crumbs. Muscle Man was able to jump toward it for everyone to get to safety, although he got severe burns.

---

When he was done we were shocked.

Me: So this creature is made of intensely scalding hot fry oil and grease.

Nico: Geez! This is gonna be tough.

Mortal Kombat Scorpion: And this all started because you wanted to become a gut model?

Muscle Man: Yeah not a very smart idea for me.

Qin: This is bad.

Xenia: Boy this guy must be really dangerous.

Sonata Dusk: No kidding. This guy sounds worse than taco fat.

Me: I was about to say that. We're going to need a ton of Cornstarch to face him.

Toxica: Can you explain why you wanted to be a gut model in the first place?

Muscle Man: It was to celebrate my 5th anniversary as a park employee. I wanted my party to be held at Fry It Up. But because no one showed up I was resentful and became a gut model.

Qin: Oh man.

Lola: That is bad.

Toad: I'm guessing being a gut model sucked, right?

Muscle Man: Oh it was HORRIBLE!

Nico: Oh boy.

Skips: And looking back we felt really guilty for not attending his party.

Blackout: How was being a gut model that bad?

Muscle Man: They had me on a contract bro!

Gwen (Total Drama): Like what happened with us on Total Drama.

Muscle Man: Exactly. Minus the torture. So I went on a rampage but in doing so I accidentally made that monster.

Blackout: I see your point.

David Cain: Is it like that appetizer that Mr. Krabs made?

Muscle Man: It was terrible!

Mr. Krabs: And looking back I should have been a head chef on the S.S. Gourmet instead of being the chef for the S.S. Diarrhea.

Xenia: That is a disgusting name for a ship.

Camie: It sure is. But funny.

Mr. Krabs: (LAUGHS) Yeah it is funny.

Windsweeper: Will corn starch really work?

Me: Corn Starch, Kitty Litter, Sand, Baking Soda and Sawdust can get rid of grease. But the one thing you don't want to do to a monster like this is light it on fire.

Qin: Whoa!

Nico: How did you know that?

Me: Mr. Lynn taught me while I was helping out at the restaurant one time. He is a great teacher just like Mung.

Mung Daal: I'm glad you think so J.D.

Lynn Sr.: Yeah and thanks J.D. And thanks for the awesome sauce too.

Me: You're welcome Mr. Lynn.

SkullMeramon: I could light it on fire. But outside.

Me: That works.

Xenia: Yeah.

Laney: As long as no one else gets hurt.

Lola: Yeah.

Mordecai: Good idea.

Skalor: Any other ideas?

Poromon: I could eat the grease.

Me: Poromon! This is a monster made of super scalding hot oil and grease. It would burn you alive. Also eating that much grease and fat is not good for you. It's a living artery killer.

Nico: He's right on that.

Muscle Man: Yeah not a very smart idea bro.

Poromon: Okay okay. Bad idea. Maybe we can put it in the M.O.E.

Camie: Hmm.

Qin: Hmm.

Camie: That works!

Poliwag: Aw! I wanted to eat it too!

Goro: Are you trying to die?

Me: Yeah!

Poliwag: Okay okay you're right. Man I really need to listen.

Nico: Yeah.

Qin: Besides we got a monster to face.

Eli: And I sense it coming. It's 25 klicks to the east and closing.

Gilda: And who knows how much destruction it's made.

Nico: Lets not think about it. We got a monster out there to face.

Mordecai: I agree. We got to stop it.

Lola: Yeah.

We heard a roar.

DC Enchantress: Well, fuck.

Me: Worse than that! I see it!

We looked and we saw THE GREASE MONSTER! IT WAS A 50 FOOT TALL PILE OF GREASE SCALDING HOT OIL!

Nico: UH OH!

Camie: GEEZ!

Laney: Wow!

Cassandra: Entrance time!

Nico: Lets go!

We went at the monster!

The monster roared and then the spirits of chefs appeared and swirled around it and then converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above it and fireballs rained down on it and blasted it all over and a phoenix cry was heard. We came out.

Me: Okay you overgrown pile of cholesterol! Taste this!

I fired a massive blast of fire and burned it all over!

Shiva: Time for this monster to be dismembered!

She fired lasers and me and Nico and Lola fired waves of fire.

Fu fired waves of fire and burned the monster.

Qin: Oh yeah!

Qin fired blasts of fire too and the monster roared in agony.

Part of the monster landed in front of Horsea.

Horsea: How bad can one taste be? (About to taste it)

Maria grabbed Horsea.

Maria: Horsea no. It's scalding hot and will hurt you.

Horsea: Okay okay.

I fired waves of fire and burned the monster all over.

Manaphy: Maybe water can hurt it too.

She fired a wave of water and it hit it and steam came off it.

Qin: Water makes it madder.

It roared ferociously!

Xenia: Whoa.

Lola shot fire at it and blasted the monster.

Lola: How do you like that oil breath!?

Then Abomination, Evil-Lyn, Mirror Master, Kangor, Crimson Dynamo, Turtle, Dr. Polaris, Skalamander, Screamer and Spot came.

Nico: Abomination, Evil-Lyn, Mirror Master, Kangor, Crimson Dynamo, Turtle, Dr. Polaris, Skalamander, Screamer and Spot.

Abomination: Man, look at that thing!

Evil Lyn: It's like the appetizer that Mr. Krabs made that one time.

Mirror Master: Except without the appetizing parts!

Qin: That is gross.

Kangor: (to Nico) (Jamaican Accent) We heard you fought the evil Dazzlings, mon.

Nico: We sure did.

Crimson Dynamo: I should know since I was there.

Me: Yes you were and the concert was so fun.

Xenia: Boy it sure was.

Manhole Bot came!

Me: Manhole Bot! Up for another round I see.

Manhole Bot: Yep I sure am.

Me: Cool cool.

Manhole Bot: Well, I guess this is what happens when gut models get contracts.

Muscle Man: Yeah no kidding.

Qin: Yeah.

Laney: They have to learn things the hard way.

We got the battles underway.

Nico: That was quite a greasy mess we've had to deal with, but we did it, we took down The Grease Monster and sent him to The Masters of Evil.

Lincoln: Now, there's one last thing to do, and one last loose end to tie up: Shar.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts of darkness and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Shar, or we will force you out!

A figure came out from a portal of darkness, it was Shar, The Mistress of the Night, the Dark Lady and the Lady of Loss, and the goddess of darkness and the caverns of Faerûn.

Lincoln: Shar, Mistress of the Night, Dark Lady and Lady of Loss, and Goddess of Darkness and the caverns of Faerûn, I should've known you'd show up here one day to continue on with your plan to start The Cycle of Night and destroy all life in the universe. But, as long as we're here, we will never let you succeed in your plans, you nihilistic monster!

Shar: YOU DARE TO SPEAK TO ME LIKE THAT, GOD AMONG HUMANS?! I WILL HAVE YOUR HEAD!

Brianna Fukuhara: He dared to speak like that to you because you are nothing but a monster who hates all life in the universe, and what you did in threatening his life, now you've invoked my wrath.

Suddenly, Brianna Fukuhara's orange eyes turned neon orange and she was surrounded by an orange energy aura with stars, fire, flames, planets, books, phoenix fire, phoenixes, and angels, she unholstered her massive Eternal Phoenix-themed greatsword from her back, and as she approached Shar, she left orange energy, stars, fire, flames, planets, books, phoenix fire, phoenixes, and angels with every step.

Brianna Fukuhara: Everything Lincoln said about is true, you are nothing more than a nihilistic deity of pure darkness and you have not a single care for life in the universe at all, all you desire is nothing more than darkness and despising all life in the universe, that is truly an unforgivable crime, Shar, as The Embodiment of Kamen Rider Falchion and The Eternal Phoenix itself, I have a duty to uphold: a sacred vow I took that began since the beginning of time from when the universe was in its infancy and it's to put down all evil who threaten all forms of life, and now, you shall pay the price for every last one of your crimes with your own blood.

Suddenly, Brianna Fukuhara was surrounded by a massive vortex of orange energy with stars, fire, flames, planets, books, and phoenix fire surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Shar: the red eyes of eternal death. Then, as the vortex faded, Brianna Fukuhara emerged and she was changed forever.

Brianna Fukuhara grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large planets orbiting around her legs, she has the body of a goddess, she has orange highlights in the bangs of her long orange hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon orange eyes and an orange energy aura with stars, fire, flames, planets, swords, books, phoenix fire, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Falchion logo on her head and a phoenix emblazoned on her forehead and Third Eye with orange iris, she has on phoenix earrings with orange gems for eyes and holding the Star, Phoenix Fire, and Eternity Kanjis in its claws, she also a phoenix with orange gems for eyes and holding the Star, Phoenix Fire, and Eternity Kanjis in its claws for the second pendant on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Brianna Fukuhara has on a sleeveless orange blouse, sleeveless orange crop top, orange skirt, orange pants, orange legwarmers, orange sneakers, and long sleeveless white trenchcoat with stars, fire, flames, planets, swords, books, phoenix fire, phoenixes, and angels on the coattails, and on the back is a phoenix surrounded by flames and planets and on top is the Kamen Rider Falchion logo. Suddenly, Brianna Fukuhara felt a sharp pain on her back, and then, her massive orange angel wings with orange tips on the large orange feathers grew much bigger for her new body and she also now has eleven massive and long orange wolf tails with orange tips and orange markings along with her phoenix tails, Brianna Fukuhara has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Brianna Fukuhara's Eternal Phoenix-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange energy, stars, fire, flames, planets, swords, books, phoenix fire, phoenixes, and angels, and when it emerged, it was transformed into Brianna Fukuhara's Orange Phoenix Fire Inferno Firestorm Eternal Phoenix Kamen Rider Falchion Greatsword of Orange Phoenix Fire Inferno Firestorm Eternal Phoenix Kamen

Brianna Fukuhara has transformed into SUPER ANGEL-KAMEN RIDER FALCHION-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE KAMEN RIDER FALCHION ORANGE PHOENIX FIRESTORM COSMIC LIFE PROTECTOR ETERNAL PHOENIX ANGEL OF DIVINE KAMEN RIDER FALCHION ORANGE PHOENIX FIRESTORM COSMIC LIFE PROTECTOR ETERNAL PHOENIX ANGEL JUSTICE AND DIVINE KAMEN RIDER FALCHION ORANGE PHOENIX FIRESTORM COSMIC LIFE PROTECTOR ETERNAL PHOENIX ANGEL LOVE!

We were really amazed by Brianna Fukuhara's Super Angel-Kamen Rider Falchion-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Shar saw it, she fell into a rage and fired a blast of darkness to kill her, but Lincoln fired a powerful fire blast which destroyed Shar's darkness blast, and Brianna Fukuhara fired a massive barrage of orange energy, stars, fire, flames, planets, swords, books, phoenix fire, phoenixes, and angels which hits Shar and she was knocked down, she got back up, but now, she was even angrier than ever.

Natalia Falchion: Oh, no way, did Brianna just?!

Me: She did, Natalia, she did.

Lincoln: That's so awesome, Brianna Fukuhara's transformed into her Super Angel-Kamen Rider Falchion-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, the true fury of the eternal phoenix is about to be unleashed.

Brianna Fukuhara: (Divine Echoing Godly Voice of The Divine Orange Phoenix Firestorm Kamen Rider Falchion Eternal Phoenix Angel and Divine Orange Phoenix Firestorm Kamen Rider Falchion Eternal Phoenix Angel Love) And right upon the head of Shar.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Brianna Fukuhara.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to start The Cycle of Night and extinguish all life in the universe end here, Shar, and now, you will die here and now for all of your crimes against all life in the universe!

Brianna Fukuhara and Lincoln went after Shar who continued firing darkness blasts at them, but Lincoln kept absorbing them and it made him even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Shar and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Brianna Fukuhara also attacked her with some powerful punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Shar even more madder with rage.

Shar: YOU! YOU! I WILL KILL YOU ALL! THE CYCLE OF NIGHT WILL BEGIN AND ALL LIFE IN THE ENTIRE UNIVERSE SHALL BE CAST INTO THE VOID! (LAUGHING MALEVOLENTLY)

Shar charged right at them with uncontrollable rage in her heart, but then, Lincoln fired darkness blasts which hit Shar and he sucked out and absorbed her immense powers of darkness and made them his own, but he didn't stop there: he also began sucking out her life energy and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger.

When Lincoln was done, Shar was left as a dried-up and drained corpse, and when her spirit appears, Lincoln and Brianna Fukuhara sent her straight to The Black Gates forever. We cheered wildly for what Brianna Fukuhara and Lincoln did as they holstered their massive greatswords and powered down and Brianna Fukuhara's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, eleven massive and long orange phoenix tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Brianna Fukuhara: Burn in The Black Gates forever, you heartless monster. Thank you for helping me destroy Shar forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Brianna.

Suddenly, Brianna Fukuhara wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Brianna Fukuhara's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces, the entire solar system, a massive phoenix of pure fire letting out a loud cry that echoed across the entire web of galaxies and universes and flames raging behind them and we cheered wildly. Then, Lincoln and Brianna Fukuhara sucked in and absorbed the elemental forces and fire and they came back to us as the display vanished.

Me: Oh man, that was one awesome fight you guys fought, you showed Shar no mercy, and you both unleashed the full fury of the eternal phoenix, and Lincoln, you delivered the finishing blow with firing a blast of darkness that hit Shar and you literally sucked out and absorbed all of her immense powers over darkness along with her life force.

Lincoln: And we sent her straight to The Black Gates forever.

Me: Her plans to start The Cycle of Night and extinguish all life in the universe was brought to a very permanent end. So, Lincoln, who's the next Tailed Beast Avatar we're meeting tomorrow?

Kenzie Kurama: Ooh, I think I know who'll be perfect for tomorrow, and she's one awesome fiery girl who really gave Chandler a nasty case of embarrassment: her name is Sonnya Gokua, Avatar of Son Goku the Four-Tailed Volcano Gorilla, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Son Goku the Four-Tailed Volcano Gorilla and she's a powerful master of lava and fire, and she also knows how to use those four massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Chandler to the extreme, because during lunch in the cafeteria, that asshole showed up and tried to kill Lincoln once more and no doubt goaded by Killjoy Huggins again, but Sonnya fired blasts of fire which burned his clothes off and he was left butt naked and everyone laughed at him hysterically while Chandler covered himself in embarrassment, but he was caught by Superintendent Chen who also grabbed Killjoy Huggins by his ear and she dragged them off and gave them a really harsh punishment: Chandler got arrested and sent to jail for attempted murder and for indecent exposure and Killjoy Huggins was suspended for five months with no pay and he also had to go to prison for this latest attempt on Lincoln's life which lasted for five months as well.

Nico: Wait, she literally burned his clothes off which left him butt naked in front of everyone?! (LAUGHS HYSTERICALLY)

Me: Yeah, it was really humiliating, everyone laughed their heads off because of Sonnya doing that to Chandler.

Laney: We all were as well, it was so humiliating.

Lincoln: Yep, anyone who tries to hurt me wind up getting their clothes burned off leaving them butt naked and totally embarrassed in front of the public.

Nicole: Even I was quite shocked when Dad told me that story, but boy, she was pissed off when he tried to kill Lincoln again, and it was no surprise that Killjoy Huggins goaded him to it again.

Me: Exactly.

Turtle: Good thing no one ate the grease monster?

Dr. Polaris: That amount of grease is bad for your health.

Skalamander: It sure is.

Nico: That is for sure.

Spot: What should we have for the victory party?

Red Ghost: Something without grease, preferably.

Me: The Chili Dog Buffet Restaurant is good.

Red Ghost: That woulds.

Nico: Awesome. Great job today everyone.

Lola: Yeah!

Mordecai: (To the viewers) Remember folks, never eat too much grease and fat or there will be nasty consequences to your health.

Camie: That is for sure.

We went to the Chili Dog Buffet restaurant and had a good meal and then we went back home and enjoyed the rest of the day and went to sleep.

And also Nicole and Flame Princess are going to transform as we battle that boy hating monster Margie from the KND Episode Operation FUTURE. We're going to show that monster what for! Also we're going to battle Cork Org, Gorugomu Demon (Kamen Rider Black), Takoyaki Dimension (Jetman), Moth Amazon (Kamen Rider Amazon), Skeleton Men and Black Manta. Also we're going to meet a gene-slammer for Ring Man and her name is Rika Ring. She is a jeweler.

The match-up scene is for Isabella Solomon, Embodiment of Kamen Rider Solomon, and she and Lincoln are going to destroy Purgatori, the vampire goddess from Brian Pulido's Chaos! comics.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Staten Island, New York for Day 4, the final day of the treasure hunt, and the fourth and final treasure we're getting is for Gloria the Hippo: it's known as The Water Maelstrom Whip of Ezili, and after Gloria gets the whip, we're going to destroy Xenos, also known as The Progenitor and the overarching main antagonist of Dragalia Lost. And we're going to meet the next Avatar of The Tailed Beasts, her name is Sonnya Gokua, Avatar of Son Goku the Four-Tailed Volcano Gorilla, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Son Goku the Four-Tailed Volcano Gorilla and she's a powerful master of lava and fire, and she also knows how to use those four massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Chandler to the extreme, because during lunch in the cafeteria, that asshole showed up and tried to kill Lincoln once more and no doubt goaded by Killjoy Huggins again, but Sonnya fired blasts of fire which burned his clothes off and he was left butt naked and everyone laughed at him hysterically while Chandler covered himself in embarrassment, but he was caught by Superintendent Chen who also grabbed Killjoy Huggins by his ear and she dragged them off and gave them a really harsh punishment: Chandler got arrested and sent to jail and Killjoy Huggins was suspended for five months with no pay and he also had to go to prison for his numerous other attempts on Lincoln's life which lasted for five months as well.

The next chapter is where we go back to the world of Jumanji and we're going to be in for a shock as we see that VAN PELT IS BACK FROM THE BLACK GATES because of the game reformatting and this time we'll make sure that he NEVER COMES BACK! EVER AGAIN!

See you next time

Nicole: This is a treasure hunt for an awesome and powerful artifact guys.

Qin: I'm really excited for this.

Lola: Me too!

Daring Do: I have a feeling this will be an awesome one.

Rainbow Dash: Boy me too! I'm really excited for this one.

Camie: Same here.

Yusuke: I'm always up for a good challenge.

Xenia: Me too.

Nico: Yusuke, I want to thank you, Black Manta, and your teams for coming.

Yusuke: No problem Nico. This is gonna be awesome.

Harold: Boy I'll say!

Nico: Harold, remember when you had the hots for LeShawna?

Harold: How can I forget Nico. That is so awesome.

Lola: LeShawna is an awesome and great dancer and is perfect for you.

Harold: I know.

Me: I can't believe you got hit in the balls all the time like that.

Harold: I know. It's not fun.

But then a fruit was thrown by a monkey and then…

KRASMASH!

IT HIT HAROLD RIGHT IN THE CROTCH!

We winced!

Me: OOH! OUCH!

Harold: (SQUEAKY VOICE) WHY DOES THIS ALWAYS HAPPEN TO ME!?

Nico: Bad monkey bad.

I picked up Harold.

Me: Harold is also known as the nutkicking bullseye. Out of all the Total Drama Contestants no one has gotten hot more times in the crotch than Harold has.

Harold: Yeah.

May: You okay?

Harold: I'll be fine.

Me: But getting socked in the kiwis is not the only thing Harold had to deal with. Duncan and Geoff and even Heather did all kinds of horrible pranks to him.

Harold: It's true. They put hot sauce in my underwear, chocolate my pants and all kinds of terrible things.

Nico: Yikes.

Xenia: Yeah. I saw them do it all.

Camie: That is not nice.

Me: I made sure that they wouldn't do that again. I threatened to shove a bucket of chum down their throats if they did pranks like that again and they would be throwing up for weeks.

Nico: YIKES!

Xenia: Big time.

Me: Yep.

Nico: Yesterday was… greasy.

Juran: Boo!

Nico: Oh come on! I thought it was a good joke.

Me: It was a crazy mission though. It's amazing that we faced a monster made of grease.

Harold: Boy no kidding! That was a nasty monster.

Yusuke: It was a really nastyass monster.

Me: You're telling me Yusuke. It was ugly as shit!

Xenia: No kidding!

Qin: Yeah.

Lola: But that was a really gross monster.

Nico: All because of Muscle Man's gut modeling career.

Me: That went south big time.

Qin: And all because his friends forgot to show up for his 5th Anniversary as a park employee.

Nico: Yeah. I would have showed up for that.

May: Me too.

Harold: I would too.

Laney: Same here.

Nico: Aww you're awesome to support him.

Me: Yep. Oh Nico! I managed to finish the teams for the Goosebumps monsters for you.

Nico: Lets see what you got.

Me: But yeah the grease monster was crazy.

Maria: The mascots wanted to eat the Grease Monster.

Me: YUCK! That would taste horrible!

Nico: They would have been burned.

Lola: Yeah and Noriko showed us that grease is flammable when struck by lightning.

Nico: She sure did.

Nicole: Yep.

Nico: What are we looking for?

Nicole: Carol is going to like this one and it's perfect for her. It's called The Staff of Ghidorah.

WE GASPED!

Nico: The Staff of King Ghidorah!?

Nicole: Yep. Legends say that after Godzilla, Mothra and Rodan defeated King Ghidorah the first time eons ago, a piece of his wing was blasted off and it was imbued with all of the powers of the versions of King Ghidorah from 1964 on up to today.

Qin: WOW!

Eli: Wow! That is incredible!

Nicole: Yep.

Carol: I wonder if the Exif knew about this beforehand.

Nicole: That is a very strong possibility. But we'll find out when we get to the temple it's at.

Nico: It should be up ahead.

Maria: Is that it?

We saw the temple ruins.

Nicole: This is it!

We saw a golden temple and they had dragon heads and had Exif Symbols on it as well as symbols of Ghidorah on it.

Me: Wow!

We went in and it w as a beautiful temple.

Shanan: I don't believe it! It's a temple that once belonged to the Exif.

Nico: This is amazing!

Nicole: It sure is amazing.

I then saw a mural on the wall.

It had a really amazing and incredibly awesome story. But it was all written in the Exif Language.

Nico: Wow look at that.

Me: It's a story about the staff and it has a REALLY AMAZING story behind it.

Nico: What does it say?

Lana: I can't read it. It's in an unusual language.

Shanan: This is Exif Language.

Me: Luckily Metphies has been teaching me how to read in Exif. It says "Eons Ago, the mighty god of the Exif, Ghidorah, a terrible and evil force of unimaginable power and colossal proportions was unleashed by a terroristic faction of the Exif called the Galungians, a terrible cult that swore to destroy all life in the universe that is less worthy of existence and inheriting the universe. With Ghidorah being called upon by this evil faction of the Exif, no planet or life form could withstand their terribly destructive power as they brought death and destruction to countless lifeforms of all kinds. The Rebels of the Exif could not allow these terrible people to bring such terrible destruction to the universe and in an act of desperation they called upon the power of the mighty king of all monsters Godzilla, and he defeated Ghidorah and imprisoned him in another dimension beyond the reach of time and space. As a result, the Staff of Ghidorah was made when a piece of Ghidorah's wings was forged to make it. With this mighty staff the Exif Rebels defeated the Galungians and brought them all to justice and sentenced them to be condemned to the same dimension where Ghidorah was imprisoned. But the Staff's power was too great to be controlled and it was sent to another part of the universe where it was hidden in this temple. Only the one who is worthy of being called the true Queen of The Kaiju can possess it and they must be willing to bring about the demise of the evil Galungians once and for all."

Nico: Whoa!

Qin: That is amazing!

Maria: It sure is.

Qin: And we destroyed that terroristic faction.

Eli: And we recently destroyed a cult like that. Could these cult members have been them?

Laney: That is very likely.

Lana: Yeah. The Extraterrestrial Order of The Planets of Holy Ghidorah might have been them.

Nico: It's very possible.

Carol: Yeah. And I have been known as the Queen of the Kaiju because I have all their powers.

Lola: That's right Carol.

Nico: Then you are perfect for this staff.

Lola: Yeah.

Nico: Lets go find it.

We went to find it and we got to a HUGE GOLDEN ROOM! And in the middle of it on an alter was a golden three headed dragon staff and it had a glowing golden yellow jewel above its mouths and it had Exif symbols along it.

Maria: Is that it?

Nicole: That's it! At long last we found it! The Staff of Ghidorah.

Qin: Wow! It's beautiful.

Laney: That is amazing.

Nico: Gwendolyn Ghidorah would be in awe at the sight of this one.

Lola: She sure would.

Nico: Go for it Carol.

Carol went over to the altar and she was nervous. But she went and grabbed it and pulled it out and then it GLOWED A POWERFUL BRIGHT LIGHT!

WE FELT AN ENORMOUS AND MASSIVE SURGE OF POWER AND ENERGY!

Me: WHOA! WHAT POWER!

She glowed and was enveloped in a massive vortex of energy and lightning!

(ESCAFLOWNE INTRO FOX KIDS EXTENDED PLAYS)

She underwent a massive and powerful transformation! She got King Ghidorah's Wings and got 2 extra heads like those of King Ghidorah 2018 on her back and she got King Ghidorah's horns on her head and she got yellow eyes and had intensely incredible power! She turned into CAROL PUSATERI - SAGE QUEEN OF THE KAIJU AND EMISSARY OF KING GHIDORAH!

When the vortex cleared we were amazed and shocked and in awe!

Nico: WHOA!

Me: Wow! Carol? How do you feel?

Carol: I feel amazing J.D. Wow! This is really amazing!

Maria: I'm so proud of you, sis!

Carol: Thanks Maria!

Qin: Wow! You have two awesome Ghidorah heads like Gwendolyn Ghidorah does!

Carol: Wow! I sure do!

Laney: That is so cool!

Camie: Boy it sure is!

Lincoln: Okay, guys, we've got ourselves a huge emergency. We got word from Dad that Margie, that vile despicable misandrist monster girl has escaped from Lynn's Table, and she's going to be coming after us for revenge.

We gasped.

Me: WHAT?! That despicable misandrist has escaped?!

Nico: But, how was that…?!

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which then formed a viewing window and we saw the footage at Lynn's Table. Then, we saw Margie chew through her chains with braces that she had on due to all the times we've busted her hard in the mouth, and she escaped the restaurant and with a knife in hand. The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

Eli: So, that's how she escaped. And she had braces on, but how?!

Rita: Remember that little cavity disaster we gave her last time when she came back?

Nico: Ooh, yeah, I remember.

Me: After that, she was given braces for her teeth, but she used them to break out to get revenge on us once more? Ms. Rita, after we get through trashing Margie… ,

Rita: Say no more, I'm already on it.

Rita got out a dentist's bag.

Lincoln: You kept your dentist's bag with you at all times, Mom?

Rita: Only for dental emergencies, honey. But, for Margie, this is an exception, and I've got an idea on how you can make that little misandrist suffer: remember all the times you and your Guardian Angels trashed Lori, Lynn, Lola, Lisa, and Luan? Bring that back once more, Lincoln, and make that little monster cry like a baby!

We gasped.

Lincoln: (Smirks) Consider it done, Mom.

Anna Anyanova: Ms. Rita, do you have any idea of what you've just done?!

Sabrina Lorelai: You've unleashed the beast once more.

Nicole: I think that beast needs to be unleashed again, Sabrina. If Margie refuses to stay down and take the humiliations from us, then, this is going to be the unfortunate result.

Lincoln: I agree, Nicole. (Sensed for Margie) AHA! Gotcha! I just spotted that boy hating monster, she's 30 yards away and closing fast in a fit of deranged fury. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: It's been a long while since that mutant's sent his thugs at us.

Lincoln: Yeah, the last few days have been in The Simulator, but it'll be good to go after them once more.

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on that boy hating monster.

Me: That's it for them.

Nico: Wait. Did Bubble Bass help her escape?

Lincoln: Yes. He sharpened the braces to make sure she chews through metal.

Qin: Very clever.

Me: But Bubble Bass will pay for his crimes.

Nico: In another rescue.

Me: Right. But now we got a misandristic girl to thrash.

Nico: Lets go.

We went out of the temple to find her.

?: (ENRAGED SCREAM) YOU STUPID BOYS WILL ALL DIE, AND A WORLD ONLY FOR GIRLS WILL BE MADE A REALITY!

Maria: FUCK YOU, YOU LITTLE BITCH!

We then saw our target, Margie, the boy hating monster, and she was now completely crazed and hellbent on revenge on us for humiliating her more than once and ruining her plans to kill and destroy all boys and make a girls-only world. She got out a bazooka and fired the missile, but Lincoln saved us all by forming a massive and indestructible diamond barrier, and when the missile hit the barrier, it exploded, but the barrier stood strong. That got her super angry and she got out machine guns and fired, but all the bullets bounced off the barrier, then, she tried hitting it with her fists, but that didn't work at all, but it did get her fists bloody and her bones broken. MARGIE WAS NOW LITERALLY OUT OF HIS MIND AS SHE CONTINUED ATTACKING THE BARRIER WITH NO SUCCESS AT ALL!

Nico: Jeez! That little monster's gone crazy!

Lincoln: Big time! But, now it's high-time for some extreme payback.

Lincoln fired a diamond ball which hits Margie in her face and forced her back, Lincoln took down the barrier and we stood ready to face Margie, who was now out of her mind and dead set on revenge on us.

Margie: I HATE YOU STUPID STUPID STUPID BOYS! IF ALL OF YOU HADN'T GOTTEN IN MY WAY, I'D HAVE FINALLY KILLED EVERY LAST STUPID BOY IN THE WORLD AND CREATED MY WORLD OF ONLY GIRLS!

The rainbow energy auras of Lincoln, me, Nico, Eli, and the other boys flared up extremely and we gained a massive power boost, and Lincoln fired a blast of lightning and electrocuted her.

Nico: No fair making only us guys stronger!

Me: Yeah!

Margie: I HATE ALL BOYS AND I WILL MAKE SURE THEY ALL

DIE!

Me: Fuck yourself bitch! Don't you realize that your plan was doomed to fail from the very beginning!? It would have ultimately destroyed the entire human race! One half of one species can't exist without the other!

Margie: I DON'T FUCKING CARE BOYS ARE PURE EVIL! THEY ARE MONSTERS!

Me: You are just as bad as Hitler! You want to wipe out boys so girls can rule!? That makes you a MISANDRISTIC NAZI SUPREMACIST!

She then snapped and went at me and punched me square in the face! But her punch didn't even make me flinch!

She punched more at me but her punches weren't having any effect and I flicked her down.

Me: You make me sick!

Maria: I may be a girl. But I have guy friends too!

Me: If there is one thing I hate and loathe more than anything it's a Misandristic little Turd like you! I should have just killed you and banished you to the Black Gates regardless of our code!

Lincoln: You still don't even get it, do you? What you were trying to do is basically destroy the entire human race, boys and girls are both awesome together. But, of course, I wouldn't expect a miserable boy hating misandrist monster like you to ever understand. You're just a vile, bitter, hateful, spiteful, little monster, and to me, you're nothing more than an embarrassment to all girls and women everywhere. You're no better than the misandrists and misogynists we've put down in the past.

We gasped in shock and awe: LINCOLN REALLY LAID DOWN THE LAW ON HER! And Girl Jordan, Anna Anyanova, Eman Reynolds, and Sabrina Lorelai had a blush on their faces.

Nico: Oh… DAMN!

Rita: YOU TELL HER, LINCOLN!

Maria: AND FUCK YOU, YOU LITTLE BITCH!

Me: Nice one!

THAT REALLY MADE MARGIE EXTREMELY SUPER ANGRY AND SHE CHARGED AT LINCOLN WITH RAGE AND WRATH, BUT LINCOLN GRABBED HER BY THE NECK WITH ONE OF HIS ELEVEN MASSIVE AND LONG WHITE WOLF TAILS AND USED FRIEZA'S TORTURE ATTACK ON HER BY VICIOUSLY PUNCHING HER LIKE A PUNCHING BAG AND EVEN SLAMMING HER DOWN ON THE GROUND LEFT AND RIGHT AND THAT CAUSED TONS OF GOLD, JEWELS, GEMS, AND OTHER CURRENCIES TO EXPLODE OUT OF HER, AND WHEN HE WAS DONE, MARGIE WAS BRUISED ALL OVER THE PLACE! THEN, HE TOSSED HER AWAY LIKE GARBAGE!

Anna Anyanova: If Kenzie and the others saw this, they'd be so proud of Lincoln right now!

Nicole: I'm surprised he hadn't even killed her yet because of his extremely massive and excessive superhuman strength.

Nico: And it's also due to his Gessius Flores' Vengeance Curse that's still on her.

Nicole: Good point, but in any case, we've had it up to hear with you to last an eternity.

Qin: ME TOO!

Me: People like you Margie give ALL GIRLS EVERYWHERE A REALLY BAD NAME!

May: That's right! Using your hatred of boys to kill them so girls can rule the world? Read a book you bitch that passive aggression notion went out long ago. Chicks like you give women everywhere a BAD NAME!

Black Manta fired short-ranged beams of red energy from his helmet's eyes

They hit her and blasted her all over!

Qin: Take this you freak!

She fired blasts of fire and blasted Margie everywhere!

MARGIE ROARED AND WENT AT MAY AND PUNCHED HER SQUARE IN THE FACE AND KNOCKED OUT SOME OF HER TEETH AND KNOCKED HER DOWN!

Nico: NO ONE DOES THAT TO MY WIFE AND GETS AWAY WITH IT!

Ultimate Spiderman: I'll help you!

He went rage mode and he and Nico bashed and smashed and pulverized Margie all over!

May: I'm okay!

She got up!

Carol: Now this clod is going to get it!

She fired gravity lightning blasts and they hit Margie and exploded all over!

KRABBBBBBOOOOOMMMM! KRABBBBBOOOOOOOOOMMM! KRABBBBBBOOOOOOOOOMMMM! KRABBBBBBBBOOOOOOOOOMMMM! KRABBBBBBOOOOOOOOMMMM! KRABBBBBBBOOOOOOOOOOOOOOOMMMMM!

Nico: WHOA!

Lola: WOW!

Me: Awesome!

Margie got REALLY MAD and went at Carol and Carol used her wings as a shield and then she punched the wing and then all the bones in her arm SHATTERED INTO A MILLION PIECES! She even had some bones sticking out of her arm with blood dripping from it.

Carol: You should know better than to punch a girl with the power of the kaiju.

Nico: Yeah.

May: I can regrow my teeth!

She regrew her teeth.

Qin: Awesome.

Laney: You make ALL US GIRLS LOOK LIKE DEMONS!

She fired waves of leaves and slashed Margie all over!

Camie: Take that you fiend!

May: I can regrow my teeth!

She regrew her teeth.

Qin: Awesome.

Laney: You make ALL US GIRLS LOOK LIKE DEMONS!

She fired waves of leaves and slashed Margie all over!

Camie: Take that you fiend!

Black Manta fires off a torpedo from a cannon on his shoulder.

He blasted her with it.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

She was blasted down.

Qin: Take that!

Lana: And this!

She fired waves of ice and blasted her.

Black Manta: Choke on a harpoon!

Black Manta fires a harpoon at Margie before using it to reel her in close and blasting her with lasers from his helmet.

He blasted her all over.

Me: You know what your problem is Margie? You want to know what your problem is? You hate boys with a vengeance all because your brothers picked on you and you don't care about anyone except yourself and your own petter hatred towards us. You went through all this just because of your brothers making you do this. For that you will always be the one thing you hate more than anything, a boy hating misandristic monster with no love, compassion and good. Just hatred, loneliness, rage and a pathetic and disgusting soul.

Margie: WHY SHOULD I LISTEN TO YOU!? YOU ARE A MENACE TO THIS WORLD AND YOU NEED TO DIE!

Me: You are completely delusional.

Black Manta detonates an explosive in the nearby wall, causing a stream of water to rush in from behind Margie and crash into her.

SMASH!

She was knocked down.

Suddenly, Nicole's crimson red eyes turned neon crimson red and she was surrounded by a purple and crimson red energy aura with stars, suns, light, magic, star dragons, phoenixes, and angels, she unholstered her massive Star Dragon's Celestial Fang Greatsword of Cosmic Celestial Justice from her back, and as she approached Margie, she left crimson red energy, stars, suns, light, magic, star dragons, phoenixes, and angels with every step.

Nicole: Every single word that Lincoln said about you was right, Margie, you are literally a complete and total embarrassment to all girls everywhere. Plus, you tried to destroy the human race by killing all the boys in the world, and you also proved you're also a genocidal psychopath. If we had a choice, we'd kill you once more and send you straight to The Black Gates, but no, we're just going to pummel you once more and send you back to Lynn's Table and condemn you to more humiliating punishments for everything you've done.

Suddenly, Nicole was surrounded by a massive vortex of crimson red energy with stars, suns, light, and magic surrounding the vortex, there are star dragons, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with glowing blood red eyes glaring at Margie: the red eyes of death. Then, as the vortex faded, Nicole emerged, but she was changed forever.

Nicole grew from 7'4" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven crimson red blue orbs orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long braided crimson red hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon crimson red eyes and a purple and crimson red energy aura with stars, suns, light, magic, star dragons, phoenixes, and angels surrounding her, she has a dragon made of stars emblazoned on her forehead and Third Eye with purple iris, she has dragon earring with purple gems for eyes and holding the Star and Eternity Kanjis in its claws, she has on her Crystal Necklace of The Buddha with purple gems in the gold star links and crimson red crystal links and a purple dragon-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a dragon with purple gems for eyes and holding the Star and Eternity Kanjis in its claws for the pendant and she also has on her Amulet of Pelor and she has on a white and gold-accented choker on her neck. Nicole is dressed in a purple short-sleeved blouse, red short-sleeved shirt, red skirt, purple pants, red knee-high high heeled boots, and long white sleeveless trenchcoat with stars, suns, light, magic, star dragons, phoenixes, and angels on the coattails, and on the back is a star dragon surrounded by stars. Suddenly, Nicole felt a sharp pain on her back, and then, her massive crimson red angel wings with purple tips on the feathers grew much bigger for her new body and her eleven massive and long crimson red wolf tails now have purple tips and purple markings, she has on her Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger, Indigo Lantern Ring on her left ring finger, black fingerless gloves with stars on the back, and Stone of Gelel embedded in her left hand, and her Triforce was glowing.

Suddenly, Nicole's massive Star Dragon's Celestial Fang Greatsword of Cosmic Celestial Justice and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of purple and red energy, stars, suns, light, magic, star dragons, phoenixes, and angels, and when it emerged, it was transformed into Nicole Knudson's Celestial Cosmic Angel Star Dragon Celestial Fang Greatsword of Cosmic Dragon Celestial Justice, it's a brand-new massive greatsword with embedded crimson red and purple gems and a dragon with reflecting stars etched on the 7'6" massive, wide, double-edged purple blade, large purple dragon heads for the crossguard, large white angel faces built into both sides of the hilt and large purple and crimson red gems embedded in the foreheads, longer midnight black handle, four large purple dragon heads with crimson red gems for eyes and large purple dragon head with red gems for eyes and crimson red gem in its mouth on the bottom of the large purple dragon heads for the pommel, she has on her brand-new large gold Bracers of the Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, new large gold Belt of Elemental Bravery with a gold dragon head with red gems for eyes and large purple green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Book of Vile Darkness, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. We were truly amazed by Nicole's Super Angel-Star Dragon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Margie saw it, she went absolutely berserk and ran at Nicole to kill her, but Nicole fired a massive barrage of purple and red energy, stars, suns, light, magic, star dragons, phoenixes, and angels which hits Margie and sent her flying into a tree, she got back up, but now, she was beyond mega pissed off and mega enraged.

Nicole: (Divine Echoing Godly Voice of The Solar Light Justice Celestial Nebula Star Dragon Phoenix Angel and Divine Cosmic Solar Light Justice Celestial Nebula Star Dragon Phoenix Angel Compassion) There's absolutely going to be no mercy for the likes of you, Margie.

Flame Princess: Now, you're going to get what you deserve: a nice butt-kicking that'll stay with you for the rest of your life, and it'll make the words that Lincoln said to you sting even more.

Rita: Along with a few other surprises we've got, and they're going to hurt a lot more.

Margie: (ENRAGED SCREAM) I'LL KILL YOU!

Margie went at Rita, only to get blasted with a blast of lightning from her and punched hard in the nose.

Lincoln, Leni, Luna, Laney, Lucy, Lana, Lola, Lisa, and Lily: Nice one, Mom.

Rita: Thanks, kids, besides, I've also wanted to get a little shot at her.

Nico: And you certainly did just that.

Me: But, save the major stuff for later after Lincoln, Flame Princess, and Nicole pulverize her.

Rita: Got it.

Suddenly, Flame Princess' crimson red eyes turned neon crimson red and she was surrounded by a red orange and yellow energy aura with stars, fire, flames, dragons, phoenixes, and angels, and as she approached Margie, she left red orange and yellow energy, stars, fire, flames, dragons, phoenixes, and angels with every step.

Suddenly, Flame Princess was surrounded by a massive vortex of red orange and yellow energy with stars, fire, and flames surrounding the vortex, there are dragons, phoenixes, and angels flying around the vortex, and in the vortex is a crimson red phoenix with red eyes glaring at Margie: the red eyes of death. Eternal Celestial Xelnaga transformation, but when Margie saw it, she went absolutely berserk and ran at Flame Princess to kill her, but Flame Princess fired a massive barrage of red orange and yellow energy, stars, flames, fire, dragons, phoenixes, and angels which hits Margie and sent her flying into a tree, she got back up, but now, she was beyond mega pissed off and mega enraged.

Flame Princess: (Divine Echoing Godly Voice of The Fire Elemental Princess Inferno Firestorm Dragon Phoenix Angel and Divine Cosmic Fire Elemental Princess Inferno Firestorm Dragon Phoenix Angel Rage) You're not breaking out ever again, you ugly misandrist bitch.

Lincoln: And because we know how you broke out, you're seriously in for a lot of pain.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Nicole and Flame Princess and the rest of us unholstered our massive greatswords and transformed and joined in.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve coming after us again when you broke out of your shackles, Margie. Now, you've left us no other choice but to give you yet another serious beating and send you back to Lynn's Table and right back into your prison cell!

Lincoln, Nicole, and Flame Princess went after Margie, and they fired extremely powerful blasts of rainbow energy, purple and red energy, red orange and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Margie and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Nicole, and Flame Princess attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts and tons of gold, jewels, gems, and other currencies exploded out of her like crazy, and this was really driving Margie insane and straight to the brink of insanity.

Margie: I WILL KILL YOU ALL, NONE OF YOU WILL EVER LEAVE THIS PLACE ALIVE!

Margie charged at us again with extreme rage and wrath and forever driven mad by her insane hate for all boys and men and all of us as well, but Lincoln smashed her all over the place with his eleven massive and long white wolf tails and Nicole and Flame Princess blasted her with stars and fires and knocked her down, and Lincoln tied Margie up.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're up, Mom.

Rita got to work and she removed Margie's braces. Then, she punched her hard in the face giving her a black eye.

Rita: I don't ever want to see you running loose again, or else, I'm gonna start pulling out your teeth with pliers!

Nico: Why wait until then?!

Nico pulled out a pair of pliers he had with him and gave them to Ms. Rita.

Rita: I don't want to know why you have pliers with you, but I like your enthusiasm, Nico.

Laney: Mom, you're not about to start pulling out her teeth, are you?

Rita: I did say that if she ever broke loose again, I'd do it. But, wait until then. Lincoln, Nicole, hold her mouth open!

Lincoln and Nicole held her mouth open, and Rita approached with the pliers Nico gave her, and then… !

---

RITA PULLED OUT MARGIE'S TEETH!

Me: OH! OH MAN, THAT'S GOT TO HURT!

Nico: Nice one, Ms. Rita! Oy, bitch, never mess with a dentist and expect to walk out of it alive!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness,

Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You need a nice long stay in someplace a lot worse where you won't be causing anymore trouble. (Deep Sapphire Eyes and Rainbow Iris of Third Eye turn Blood Red) WELCOME TO YOUR WORST NIGHTMARE!

Lincoln sent Margie to The Malevolent Insanity Realm and she was condemned to a month there for breaking out to kill us, and Lincoln and Nicole sent her back to Lynn's Table and right back to her cell. We cheered wildly as Lincoln, Nicole, and Flame Princess holstered their massive greatswords on their backs and powered down, and Nicole's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, gold halo, and massive crimson red angel wings are permanent, and Flame Princess' new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive orange angel wings are permanent.

Nico: That'll teach that monster never to come after us again!

Me: You said it, and it's been a long time since anyone's been sent to The Malevolent Insanity Realm.

Nicole: It sure has. We got to start using it again on the jerks at Lynn's Table.

Lincoln: We'll do just that on the jerks, Nicole. If they try to break out again, we'll send them right back to Lynn's Table and condemn them to The Malevolent Insanity Realm, but not Flip, he's already on Strike 2 for what he's done.

Camie: Can we get a reminder for what he's done?

Eli: The first strike he got was when he broke The Platypus Brothers out of their prison cell at Lynn's Table and the second strike he got was when he broke Jude Heartfilia out of his prison cell at The Neptune Prison for Traitors.

Camie: Oh right, now I remember.

Nico: Yep, which means if he loses it and goes too far one more time, it's Strike 3 and we go after his hairy hide.

Lincoln: And make him suffer the revenge of the entire Loud Family and all of Michigan.

Me: And send his three butt-cheeked hairy ass to The Black Gates forever.

Maria: I can't wait for that day to come at last.

Nico: That takes care of that.

Me: Next time I will finish what I started and kill her regardless of our code.

Nico: I agree! People like her have no right to live.

Xenia: I agree.

Lola: After we torture her.

Qin: Yeah.

Lola: Flip needs to get the black gates for everything he did.

Xenia: Same with Icky Vicky.

Nico: Maybe they, along with Xehanort, can get that in December.

Me: Well as long as we make their deaths excruciatingly painful.

Nico: Done.

Carol: That is for sure.

Lola: I agree.

Lana: Yeah.

Nicole: Either way we will make sure all the jerks get what's coming to them.

Nico: Yep.

Maria: How do you feel, Carol?

Carol: I feel amazing and incredible. It's like I've transcended to the true queen of the Kaiju.

Xenia: That is awesome.

Qin: It sure is.

Lola: Awesome.

Carol: Boy the power this staff has is amazing. I got to be careful with it.

Camie: I know you will be careful with it.

Me: Yeah.

Nico: Now lets get down to business. We have the Anothers to deal with.

Yusuke: Oh yeah! Lets kick some ass.

Nico: Who do we have?

Eli: We have a bunch of new ones. We have Another Cork Org, Gorugomu Demon (Kamen Rider Black), Takoyaki Dimension (Jetman), Moth Amazon (Kamen Rider Amazon), Skeleton Men and Black Manta.

We gasped!

Me: Wait we never saw those before.

Black Manta: Vypra found a bunch of monsters on the internet and figured they would be perfect for the M.O.E.

Xenia: Neat.

Lola: This is gonna be interesting.

Nico: Who do we call for them?

Me: Ninjas agreed to be their archenemies. Ameno of the Sand, Misaki Akibana of the Mist, Hana Inuzuka and Maki of the Sand.

Nico: Wow.

Fu: It'll be awesome to see Misaki again. When I was in the Hidden Waterfall, I had a Ninja penpal named Misaki Akibana. She's from the Mist Village and she and I would exchange letters. And she even came and helped me out in the Hidden Waterfall.

Nico: That is cool.

Me: Yeah and she also is one of my friends from 150,000 years from now.

Nico: That's awesome and Hana Inuzuka, Kiba's sister is coming too.

Lola: That is cool.

Nico: Yeah.

Me: I'll call them in.

I telepathically sent messages to them and called them in.

They arrived.

Ameno: We're ready for action!

Misaki Akibana: This will be fun!

Fu: Misaki!

Misaki: Fu!

They went and hugged.

Fu: Awesome to see you again!

Misaki Akibana: Same here Fu!

Me: Glad you all could make it.

Maki: Same here.

Akeno: This will be fun.

Hana Inuzuka: It sure will be.

Eli: I sense that the Anothers minus Black Manta are one person.

Me: Cool!

Qin: This will be awesome.

Nico: Yepl

Laney: Yeah.

Nico: There they are!

We saw Another Cork Org, Gorugomu Demon (Kamen Rider Black), Takoyaki Dimension (Jetman), Moth Amazon (Kamen Rider Amazon), and Skeleton Men.

Nico: Whoa!

Qin: Oh wow! I haven't had Takoyaki in like forever!

Nico: Boy it has been a while.

Lana: And that Cork Org would be one that the Mascots would like.

Nico: Yeah.

Another Cork Org: (In a girls voice) I think it's funny that there are mascots that drink.

Lincoln: I knew it had to be you Emilia Ursus.

They merged and reverted back and it was a girl with red hair and blue eyes and she had blue and white clothes and had a bear paw tattoo on her stomach and she had a keyblade that looked Alaskan in Nature.

Emilia Ursus: Awesome to see you again Lincoln and wow you grew into an awesome and amazing young man.

Lincoln: I sure have.

Nico: Care to introduce us?

Lincoln: Sure. This is Emilia Ursus, Keyblade Knight of Early Spirits, she's my Guardian Angel from Michigan and she's the Keyblade Knight of Early Spirits, the world of Brother Bear from 2003, and here's something that'll interest everyone: she's from the Aleut Indians of Alaska and she also gets along greatly with Isabel because like J.D.'s granddaughter, Emilia is a shaman of the animal spirits and she has all the strengths and abilities of the animal spirits, and she's good friends with Kenai, Nita, and Koda. She came to Royal Woods long ago, and she really trained Lincoln a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

Laney: That is awesome.

Me: I loved the movie Brother Bear and we also have Kenai and Nika and Koda with us back home.

Emilia Ursus: I heard all about that and it's so awesome that Kenai and Nika can change at will.

Maria: They were naked when they reverted back

Emilia Ursus: I did not need to know that but yeah.

Lola: Yeah. But J.D.'s granddaughter Isabel was able to determine a great amount of spiritualistic power in the grizzly bear.

Emilia Ursus: I heard about that and I actually met J.D.'s granddaughter shortly after he met Kenai, Nika and Koda. She told me everything.

Me: Isabel sure was busy back then.

Nico: Yeah.

Me: By the way is the Another Black Manta hostile or Friendly?

Emilia Ursus: Friendly and she is really amazing.

Me: Cool.

Maria: By the way that's a cool Bear Paw Tattoo.

Emilia Ursus: Oh thanks. My people the Aleuts of Alaska view the Bear as a very sacred animal and I love bears myself.

Me: That's very fitting for you as the Keyblade Knight of the world of Brother Bear.

Emilia Ursus: It sure is.

May: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Nico: Lets do it!

Ameno: YEAH!

They fired waves of energy and elements and blasted the Anothers and I caught the Wonder Ride Books.

Me: To Quote Nico, Cork Org, Gorugomu Demon (Kamen Rider Black), Takoyaki Dimension (Jetman) and Moth Amazon (Kamen Rider Amazon) you have failed this world!

Nico: Well said.

Qin: Yeah!

Nico: The mascots are gonna have fun with Cork Org

We laughed!

Me: (LAUGHS) They sure will!

Ameno: (LAUGHS) Yeah!

Emilia Ursus: But that was fun.

Nico: They get into funny stuff when drunk.

Emilia Ursus: I hear all about that from Isabel. She contacts me through the power of the spirits and they tell me all. That is so funny.

Lola: (LAUGHS) Yeah we get a great laugh out of it.

Xenai: It's fun.

Nico: Yeah. Now for Another Black Manta.

Qin: We don't have to wait long!

We saw a figure and it was ANOTHER BLACK MANTA!

Black Manta: Whoa who is that handsome devil?

Me: Another you.

Another Black Manta: (In a girls voice) But it's really fun too.

Me: (GASP) That voice.

She reverted back and it was a girl with neon pink hair, pink eyes, pink angel wings, pink clothes and had a tiara with the symbol of the Flamingo Dopant on it and the same symbol was on her skirt and she had a pink blade sword in her hands.

Me: (GASP) Frederica Flamingo!

Qin: Wow!

Frederica Flamingo: Awesome to see you again J.D.

Me: You too. Frederica is the Embodiment of the Flamingo Dopant and she has the power to summon flamingos and she is an amazing swimmer.

Frederica Flamingo: I rarely go swimming because flamingos rarely swim. But all in all it's fun. Also I like running on the water and flying.

Me: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Frederica Flamingo: No he didn't. I vanished in a swirl of pink feathers before he could say anything.

Me: Very crafty.

Sakura Knudson: That explains why there were lots of pink feathers on the floor.

Xenia: Wow.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

Lincoln fired a light blast and separated her.

Frederica Flamingo: This will be awesome and cool!

She slashed Another Black Manta all over and fired energy blasts and blasted him all over.

Nico: Time for a swim! (ACTIVATES BLACK MANTA AND SKELETON MEN'S RIDEWATCHES)

He fired waves of energy and blasted Another Black Manta.

May: This will be fun! (ACTIVATES QUETZALCOATLUS DOPANT AND DR. CABALLERON'S RIDEWATCHES)

She fired energy blasts and blasted him down.

Maria: And this too! (ACTIVATES STINGRAGE AND BLIZZARD WOLFANG'S RIDEWATCHES)

She fired ice and energy blasts!

Me: YEAH!

Harold: And for this too! (ACTIVATES SKELETON MEN'S RIDEWATCH)

He fired energy blasts!

Then Beautiful Gorgeous, Lipsyncher, Robot Sandy, Skarf, Krampus and Hurter Monkey came.

Nico: Nice team Beautiful!

Beautiful Gorgeous: Thanks Nico. This will be fun.

Qin: Boy it sure will be fun.

Then a Ring Man appeared!

Qin: Cool Ring Man!

Me: Awesome!

Ring Man: (In a girls voice) This will be bejeweled!

Nico: Rika Ring! Awesome!

Rika Ring: I got this.

She threw a Ring Boomerang and bashed down Another Black Manta and smashed him down and I caught the ridewatch and purified it.

Me: That was awesome!

Rika Ring: And don't worry guys…

She reverted back and was a girl with red hair and had orange and black clothes and orange angel wings and she had Mandarin's 10 rings around each of her fingers and she had a ring symbol in the middle of her forehead.

Rika Ring: Me and the Gene-slammers of the robots from Mega Man 4 can revert back at will and we have our clothes on.

Nico: Wow!

Rarity: That is very amazing darling.

Me: How do you have Mandarin's Rings?

Rika Ring: Oh these? I made my own version of them.

Me: Cool!

Harold: Do you have any favorite memories of Nico?

Rika Ring: When me and Nico made rings for everyone in our class and they were some of the most beautiful ever.

Qin: I remember those rings. I still wear mine on my finger to this day.

She had a beautiful 18K Gold ring with diamonds and Emeralds on it.

Qin: Still awesome.

Nico: Yeah.

Nico and Rika hugged.

Nico: I've missed you.

Rika Ring: Same here.

We went back home.

Lincoln: Whoa, we're here in Staten Island, New York, and I know what we're going to do here, not only am I going to rescue the five girls here, but the fourth and final treasure we're getting is for Gloria the Hippo: it's known as The Water Maelstrom Whip of Ezili, and after Gloria gets the whip, we're going to destroy Xenos, also known as The Progenitor and the overarching main antagonist of Dragalia Lost.

Alex the Lion: And just like what you did to Chronos and Elysium, you're going to absorb Xenos and after you assimilate all of his powers, you're sending him straight to The Black Gates.

Lincoln: Exactly.

Nico: This is going to be good, even though it lasted for four days.

Me: I know, but we had some awesome fun the past three days: we destroyed Boddicker, Juroung, and Dave the Octopus. Now, we're going to deal with Xenos and Lincoln's going to absorb him.

Keiko: And send him to The Black Gates. Now, let's go find The Water Maelstrom Whip of Ezili.

We headed straight for a shrine made of aqua blue-colored marble with two hippos out in front of the shrine, and we headed inside and we saw the treasure: The Water Maelstrom Whip of Ezili, a long and beautifully created ocean blue chain whip with curved blades on the whip and on the end is a curved spade-shaped head, a large ocean blue gem embedded in the hilt, long midnight black handle, and four peacock feathers below the pommel.

Gloria the Hippo: So, that's The Water Maelstrom Whip of Ezili, I'm gonna have a little fun with this baby.

Suddenly, we saw a beautiful and super sexy girl with long red hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has Son Goku's four massive and long red tails, she's dressed in red clothes, and long white sleeveless trenchcoat with stars, fire, lava, monkeys, phoenixes, and angels on the coattails and on the back is Son Goku the Four-Tailed Volcano Gorilla, in her right hand is a greatsword and with her are the six girls.

Lincoln: (GASPS) Sonnya Gokua, Avatar of Son Goku the Four-Tailed Volcano Gorilla.

Sonnya Gokua: That's right, and I got the girls away from that tyrannical deity, Xenos.

?: YOU WILL ALL PAY FOR WHAT YOU DID IN KILLING CHRONOS AND ELYSIUM!

We then saw our target, Xenos, and he was out for our heads. Gloria grabbed The Water Maelstrom Whip of Ezili, and when he did, she was surrounded by a massive and glowing vortex of ocean blue energy with stars, water, and ocean waves surrounding the vortex, there are hippos, phoenixes, and angels running and flying around the vortex, and in the vortex is a gray phoenix with red eyes glaring at Xenos: the red eyes of death.

The vortex faded, and Gloria emerged with a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon blue eyes and an ocean blue energy aura with stars, water, ocean waves, hippos, phoenixes, and angels surrounding her, she has a Hippo emblazoned on her forehead with blue iris, she has on her Crystal Necklace of The Buddha with blue gems in the gold water drop links and blue crystal links and a blue hippo-shaped Element of Harmony and on the bottom is a hippo with blue gems for eyes and the Wind and Eternity Kanjis in its hands for the pendant and she now has on a large white and gold accented choker on her neck, she has on a long sleeveless white trenchcoat with stars, water, ocean waves, hippos, phoenixes, and angels on the coattails, and on the back is a hippo with water and ocean waves surrounding it, and there's an ocean blue kanji below the hippo that said, "Gloria the Hippo, Former Zoo Hippo from The Central Park Zoo Now Member of Circus Zaragoza, Destroyer of DuBois and Makunga, Childhood Best Friend of Alex, Melman, and Marty, Awesome Swimmer and Trapeze Artist, Archenemy of Hippo, Friend to Many, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Water, Stars, Hippos, Phoenixes, and Angels"

Gloria the Hippo now has massive grey angel wings with ocean blue tips, plus, The Water Maelstrom Whip of Ezili merged with the greatswords and swords that she'd gotten and they're surrounded by a kaleidoscope of ocean blue energy, stars, water, ocean waves, hippos, phoenixes, and angels, and when it emerged, it was transformed into Gloria the Hippo's Water Maelstrom Ezili Water Ocean Maelstrom Whip of Water Maelstrom Justice, a brand-new massive ocean blue chain whip at 8'3" in length with curved blades on the whip and on the end is a curved spade-shaped head with large blue gem embedded in it, large ocean blue gem built into the hilt with gold angel wings surrounding it, long midnight black handle, and four peacock feathers below the four gold hippo heads pommel.

We were amazed by Gloria's Super Angel-Hippo-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Xenos saw it, he went mad with rage, but Gloria fired a massive barrage of ocean blue energy, stars, water, ocean waves, hippos, phoenixes, and angels which hits Xenos, he got back up, but now, he was mega pissed off and mega insane now.

Then, Lincoln fired black Symbiote tentacles from his chest who grabbed Xenos and he began pulling Chronos to him, and once Xenos made contact with Lincoln's skin, Lincoln began absorbing the tyrannical deity into his body and his rainbow energy aura with elemental forces and mythological animals flare up extremely as he assimilated all of Xenos' superhuman physical attributes, nigh-immortality which was also added to his true immortality, high intelligence, possession, teleportation, draconic and demonic transformations, Black Mana manipulation, Ergokinesis, terminal summoning and the powers Xenos has with the Primal Mark, nigh-omnipotence, nigh-invincibility, and nigh-omniscience added to his true omnipotence, invincibility, and omniscience, Chronokinesis, creation magic, reality warping, Umbrakinesis, Photokinesis, Electrokinesis, Hydrokinesis, Aerokinesis, Toxikinesis, Pyrokinesis, and Cyrokinesis, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head.

Then, an energy card with Xenos' drained soul appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Xenos' forehead, the tyrannical deity was sent to The Black Gates for eternity. We cheered as we holstered our weapons and powered down, and Gloria the Hippo's new body, clothes, weapons, jewelry, Third Eye, gold halo, longer tail, and massive grey angel wings are permanent.

Lincoln: Your days of trying to create a world that only obeys you are over, Xenos. (To Sonnya Gokua) And it's so good to see you again, Sonnya Gokua.

Sonnya Gokua: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Sonnya Gokua and he hugged them, and Sonnya Gokua is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sonnya Gokua: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Sonnya Gokua, Avatar of Son Goku the Four-Tailed Volcano Gorilla, she's my Guardian Angel from Michigan, and she's the Avatar of Son Goku the Four-Tailed Volcano Gorilla and she's a powerful master of lava and fire, and she also knows how to use those four massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt me. She also really hates Chandler to the extreme, because during lunch in the cafeteria, he showed up and tried to kill me once more and no doubt goaded by Killjoy Huggins again, but Sonnya fired blasts of fire which burned his clothes off and he was left butt naked and everyone laughed at him hysterically while Chandler covered himself in embarrassment, but he was caught by Superintendent Chen who also grabbed Killjoy Huggins by his ear and she dragged them off and gave them a really harsh punishment: Chandler got arrested and sent to jail and Killjoy Huggins was suspended for five months with no pay and he also had to go to prison for his numerous other attempts on Lincoln's life which lasted for five months as well.

Nico: Uh, you don't have a video of that incident, do you?

Lincoln: She does.

Me: Yeah, but there's some seriously graphic content since Sonnya burned not only his clothes off, but she also burned his underwear as well.

Nico: (Realizing what I meant by graphic content) Oh. Sheesh.

Nicole: Dad told me about this whole incident, and I still couldn't believe Sonnya did that firing one fire blast and burning Chandler's clothes off and leaving him butt naked and everyone laughed at him.

Nico: Okay… , yeah, I don't think we should show everyone that.

Lincoln: Good idea, and now that you're here, Sonnya.

Lincoln went up to and hugged Sonnya Gokua in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sonnya Gokua: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on Sonnya Gokua's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Sonnya Gokua: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sonnya Gokua.

Sonnya Gokua had a smile on her faces and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Jezabela, Gladys Perrin, the Simulator version of Marla de Paradis, Teresa Martínez, and Tsukada Chieko from Criminal Case.

Lincoln: Oh wow it's Jezabela, Gladys Perrin, the Simulator version of Marla de Paradis, Teresa Martínez, and Tsukada Chieko from Criminal Case.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Simulator Diane: Yes, we're okay, thanks to you.

Then, when Jezabela and the other five girls saw who it was that saved them from Xenos,, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of

Jezabela: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Jezabela: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jezabela, Gladys Perrin, the Simulator version of Marla de Paradis, Teresa Martínez, and Tsukada Chieko with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate and we told them Gloria the Hippo had gotten The Water Maelstrom Whip of Ezili, and the rest of the team were shocked to find out the villain we went after was Xenos, also known as The Progenitor and the overarching main antagonist of Dragalia Lost.

But, when Lincoln showed what happened such as Gloria the Hippo transforming and all of us giving that tyrannical deity the vicious beatdown of his life and Lincoln firing symbiote tentacles from his chest that grabbed Xenos and he absorbed him and assimilated all of his powers and sent his spirit to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Sonnya Gokua have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so you guys not only got the last treasure in New York, but you also destroyed Xenos and Lincoln absorbed him just like what he did to Chronos and Elysium.

Me: That's right.

Lincoln: That controlling deity had to pay for his crimes, he may be a God, but he abused his power by trying to create a world that only obeys him.

Nico: He forgot that with Great Power Comes Great Responsibility, he fell victim to his own desire for world domination, and he paid the price for it with his life.

---

After finally getting rid of Xenos and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing

900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sonnya Gokua saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Sonnya Gokua: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sonnya, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Sonnya Gokua: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Sonnya Gokua: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Sonnya, even though we decided not to show everyone the video of what you did in burning Chandler's clothes off and leaving him butt naked and subjected to embarrassment, but what other memories did you have with Lincoln?

Sonnya Gokua: I'm glad you asked.

Sonnya Gokua played the video on the screen, and we saw Lincoln and Sonnya Gokua at Lake Huron with Lincoln in his orange swim trunks and Sonnya Gokua in her crimson red two-piece bikini and his parents, Leni, Luna, Laney, Lucy, Lana, and Lily were there. But, their date would wind up getting interrupted.

?: I WILL TURN YOU INTO A FUCKING HUMAN PRETZEL FOR ALWAYS BEING ALIVE, TWERP!

Past Sonnya Gokua: What the Hell was that?!

Past Lincoln: Oh no, not this again, you control freak witch!

We knew who Lincoln was talking about, as they saw Lori come out and she was out for blood once again. Lori charged at Lincoln and Sonnya Gokua again and she had a knife in her hand. But, Sonnya fired a blast of fire that burned her clothes off and she was left in her bra and panties.

Past Luna: (LAUGHS HYSTERICALLY) SHE BURNED OFF YOUR CLOTHES AND LEFT YOU IN YOUR BRA AND PANTIES AGAIN, RAPTOR CLAWS!

Everyone laughed hysterically, and Lori looked down and when she saw she was in only in her bra and panties and her clothes burned to ashes, she shrieked with embarrassment.

Past Laney: (LAUGHS HYSTERICALLY) THIS IS EVEN MORE HILARIOUS THAN WHEN YOU BURNED THAT SEWAGE ASSHOLE'S CLOTHES OFF AND LEFT HIM BUTT NAKED DURING LUNCH!

Past Lori: (SCREAMS) YOU FOUR-TAILED GODDAMN FREAK, I'LL KILL YOU!

But, Lincoln swatted Lori away with his eleven massive and long white wolf tails and I caught her and dragged her back to The Loud House as the video ended.

Nico: Damn, so Lori tried to kill you again along with Sonnya and right in front of Mr. Lynn, Ms. Rita, Leni, Luna, Laney, Lucy, Lana, and Lily?! Sheesh! Wait a second, I hate to pry into details, but did Lynn, Lola, Lisa, and Luan also have a part in this?

Lincoln: They did, earlier on before our trip to Lake Huron, Lori, Lynn, Lola, Lisa, and Luan got in big trouble for trying to kill me again and they got sent to Aunt Ruth's while we went to Lake Huron. But, we found out Lori escaped, along with Lynn, Lola, Lisa, and Luan, so I called J.D. and he hunted down and captured Lynn, Lola, Lisa, and Luan and tied them up.

Me: And Lincoln and Sonnya defeated Lori and as soon as Lincoln swatted her back to The Loud House with his tails, I grabbed and tied her up, and as soon as the others got back, Mr. Lynn grounded them for fifteen weeks and we sent them to Aunt Ruth's for that same amount of time.

Luna: When they came back, they looked like they went through Hell.

We got a shower afterwards, and then, Lincoln, Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator

MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy are heading to Whimsical Waters.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Carrie: Wow, so this is Whimsical Waters, it sure is beautiful.

Lincoln: It sure is, Carrie, and it's perfect for our first date. Shall we?

Lincoln, Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Whimsical Waters, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy are in your harem.

Courtney: You can thank us for finding the Simulator versions of Carrie, Crimson, Emma, Jen, MacArthur, Laurie, Miles, Ellody, Mary, Stephanie, and Tammy for this one.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Carrie, Simulator Crimson, Simulator Emma, Simulator Jen, Simulator MacArthur, Simulator Laurie, Simulator Miles, Simulator Ellody, Simulator Mary, Simulator Stephanie, and Simulator Tammy, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Nico: Next is the final battle against Bowser for the first game.

Me: Whoa! Then that must mean Bowser's Galaxy Reactor is next.

Nico: Yep.

Leo: Me and Cole will go with on this one.

Me: How about ALL OF US too? Lets finish the Super Mario Galaxy Game with a bang.

Nico: Awesome idea.

Nicole: All right lets do it!

We all went into the Simulator.

It activated and we were at Bowser's Galaxy Reactor!

Nico: WHOA!

Me: This is gonna be infernally hot!

Camie: But this will be awesome!

Nicole: I'm looking forward to this one.

Eli: Me too!

Xenia: Yeah!

Cole: Wild Access!

Leo: GO! GALACTIC!

They transformed and were ready!

Nico: YEAH!

?: Let me be of some help.

A figure flew in and it was a girl with red hair, red eyes, red angel wings, red clothes and she had a Quasar Saber in her hand and a Transdagger on her hip and had a Quasar Launcher holstered on her back and she had a tiara with the Lost Galaxy Symbol on it and the same symbol on her skirt,

Hikari Mirinoi Gingaman: Hikari Mirinoi Gingaman, Embodiment of the Lost Galaxy Power Rangers.

Nico: Whoa! Awesome to meet you.

Leo: It's an honor to meet you.

Hikari Mirinoi Gingaman: Same here Leo.

Leo Corbett: It's nice that I meet you up close

Hikari Mirinoi Gingaman: Same here.

Nico: Lets talk after we face Bowser.

Hikari Mirinoi Gingaman: Okay.

Nico: Lets roll.

We were off to face Bowser.

We arrived in the center of the floor of the galaxy and there we saw BOWSER!

Me: Bowser!

Bowser: Welcome, Team Loud Phoenix Storm. To the first final battle!

Me: Not used to seeing all of us this time huh?

Bowser: No usually it's just a few of you.

Me: Well we figured we might as well face your final battle with a bang.

Bowser: Good idea. Lets make this fun when I SMASH YOU INTO SPACE DUST!

Me: Don't count on it!

Nico: (gets out Black Manta and Manta Bayarsh's Ridewatches) Let's start things off!

Nico activated them and fired energy waves and blasted him all over!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

I fired a powerful energy blast and it hit Bowser and blasted him in his face!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Laney: Taste this!

She fired leaf blades and slashed him all over.

Hikari Mirinoi Gingaman: Feel the fire!

She flared up an intensely powerful red fire aura and fired a massive wave of fire from her hand and Bowser fired a wave of fire from his mouth and the blasts collided and Hikari's fire overtook his fire and blasted him in his mouth!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

Qin: Unbelievable!

Xenia: WOW!

Nico: Water beats fire!

Me: But her fire is more powerful than Bowser's!

Qin: That was awesome!

Hikari Mirinoi Gingaman: But you haven't seen anything yet! LIGHTS OF ORION ACTIVATE!

She and Leo glowed and they got awesome belt buckles, armbands, claw gauntlets and crossguards!

Me: Awesome!

Nico: COOL!

Bowser fired fireballs and Hikari and Leo fired powerful blasts of fire and blasted the fireballs and they hit Bowser and exploded!

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

Xenia: WHOA!

Nico: That was AWESOME!

Andros: YEAH! SPIRAL SABER BLASTER!

He fired a blast of energy and it hit Bowser and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Maria: Have a drink!

Maria fired water blasts and they went into his mouth and steam came out of his mouth.

Me: Taste the power of your fury form! (ACTIVATES FURY BOWSER'S RIDEWATCH)

I fired an intensely powerful blast of fire and blasted Bowser down!

Hikari Mirinoi Gingaman: Taste this power! GALAXY QUASAR LAUNCHER! FIRE!

She fired a powerful energy blast and it hit Bowser and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down.

Me: Now for the grand finale! Leo, Lets do a powerful Power Up Mode Kamehameha Combo!

Leo: Lets do it!

Me: (CUPS HANDS TO SIDE) KAAAAAAA MEEEEEEEEE HAAAAAAA MEEEEEEEE…

Leo: POWER UP MODE!

Bowser: (to the viewers) See you all for the galaxies in the second game!

Me: HAAAAAAAAAAAAAAAAAAAAAAAAA!

I fired a rainbow fire Kamehameha Wave and the Lost Galaxy Rangers formed into an energy ball and the blast merged with the ball and the blasts both hit Bowser and exploded with incredible power!

EXTREMELY MASSIVE AND INCREDIBLY UNBELIEVABLE POWERFUL EXPLOSION!

And the Grand Star was freed and Bowser fell into the planets lava!

We went and got the last Grand Star!

YOU GOT A GRAND STAR!

Me: OH YEAH!

We high five!

Me: Uhh guys lets get out of here before we get caught in the explosion to come!

Nico: Good idea!

We teleported back!

Bowser looked on in woe as his world was crumbling!

Bowser: NOOOO! My galaxy! My empire! This can't be happening!

Me: But it is!

Then a massive explosion blasted the star and then a MASSIVELY HUGE BLACK HOLE FORMED! Then numerous Lumas appeared and went into the Black Hole and it caused another incredibly powerful massive explosion!

IT WAS BRIGHT!

Me: HOLY SHIT!

Nico: WHOA! WHAT POWER!

Qin: YEAH!

Then we heard babies crying?

Rosalina: Do you here the Baby Stars crying?

Me: We sure do.

Nico: But what does it mean?

Rosalina: When stars die, they turn to stardust and scatter across the cosmos. Eventually, that stardust reforms to create a new star… and so the cycle of life continues. But the cycle never repeats itself in quite the same way… So.. You see.

Nico: I see.

Hikari Mirinoi Gingaman: That was awesome though!

Qin: Boy it sure was!

Rosalina: Yes… All new life, Carries the essence of stars… Even all of you.

Qin: We are all made of stars.

Poromon: We sure are!

Hikari Mirinoi Gingaman: That's right! We are all stars.

Qin: Yeah.

Andros: So Hikari what can you tell us about yourself?

Hikari Mirinoi Gingaman: Well I am the defender of Mirinoi and I protect the world and the universe from the very forces of evil. I travel all over the universe and destroy people like Scorpius and his monsters.

Me: That is cool. Then you must've felt our battle we had with Trakeena. I unleashed my ultimate power on her.

Hikari Mirinoi Gingaman: Wow! That energy was you?

Me: Yep.

Nico: She beat the living shit out of J.D. Twice.

Me: And on the third time I was ready for her and she totally underestimated my power.

Hikari Mirinoi Gingaman: Good riddance.

Nico: Yep. Would you like to join the team?

Hikari Mirinoi Gingaman: I would be honored.

Me: Awesome.

We cheered wildly and it was an awesome way to close out Super Mario Galaxy 1. Now Super Mario Galaxy 2 is coming.

---

Later we were watching TV.

Me: Nothing is going on.

Lola: Yeah.

Peter: Judy, where are the mascots?

Judy: How should I know?

The Mascots came in and with them was a girl with black hair, purple eyes, a Witch Hat and had pitch black angel wings and had pitch black clothes.

Poromon: Hey guys meet our new friend.

Poliwag: She is really cool.

Mina Corvus: Awesome to meet you all. I'm Mina Corvus and I'm a Murkrow Gene-slammer.

Nico: Awesome to meet you Mina.

Poliwag: She's a master of dark magic and she is a powerful master of the crow.

CROW CAW.

She had a crow land on her shoulder.

Mina Corvus: I am also a gothic girl and have a mastery over the forces of darkness.

Fluttershy: Hi there, little fella.

Mina Corvus: That's Noctus and she is my friend.

Fluttershy: Oh she is adorable.

Mina Corvus: She sure is. We went through a lot.

Nico: Boy that is awesome.

Poromon: We met Mina and Noctus at the Soda Stand and she likes Black Licorice soda.

Me: Yuck! No offense but I hate black licorice.

Mina Corvus: None taken.

Morpheus: Looks like you and I have so much in common. We both have crows for friends.

Blast Off: Can we see your Murkrow form?

Mina Corvus: Sure.

She spun around in a vortex of darkness and turned into MURKROW!

Murkrow: Tadah!

Nico: Cool!

Me: You just spun around and changed? That is awesome.

Murkrow: Yeah I found a faster way to change into my gene-slammer form.

Brittney: That is awesome.

Fireflight: Noctus is now a mascot. Where he's gonna enjoy lots of beer

Murkrow changed back.

Mina Corvus: She doesn't drink beer. She drinks blood.

Me: Blood?

Mina Corvus: Beet juice blood.

She pulled out a bottle of beet juice and Noctus drank some.

Fireflight: Oh as long as it's not real blood. Okay.

Courage: Nico something smells fishy or my name is Shirley. And it's not.

Nico: What do you mean Courage?

Courage: I don't know I just have this feeling that something big is going to happen on today's mission.

Eustace: Stupid Dog.

Grinnade beeped.

Nico: I know Grinnade. She is really cool huh?

Mina Corvus: I didn't get that.

Nico: Grinnade talks in video game noises. He said that you are cool both as a Murkrow and as a gothic witch.

Mina Corvus: Oh. Thank you.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than our old enemy, Van Pelt, and he's come back from The Black Gates because of the game Jumanji reformatting, and he still wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln: Oh God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Me: Lincoln what's wrong!

Lincoln: Nico, everyone, we've got a seriously huge emergency and you're gonna think this is crazy. I just had a vision and I saw who it was that we're going to confront today, the person is none other than our old enemy, Van Pelt.

WE GASPED!

Eli: That can't be!

Me: Impossible, we sent him to The Black Gates!

Nico: Yeah!

Lincoln: That's what I thought, but because of the game Jumanji reformatting, Van Pelt's come back from The Black Gates and he still wants revenge on us.

Me: We need to get to Judy and Peter and tell them of the situation.

Lincoln: We'll be needing their help for this fight, and this time, I'm gonna make sure Van Pelt is sent to The Black Gates, and this time, he never ever comes back!

Judy and Peter came!

Judy: Is it true!?

Me: Yeah it's worse. Van Pelt is back.

Peter: But that can't be! You guys gave him the black gates!

Me: Yeah but when the game reformatted it brought him back.

The Previous group came.

Abomination: Is it true guys!? Is Van Pelt back!?

Me: I'm afraid so!

Abomination: Can me, Evil-Lyn, Mirror Master, Kangor, Crimson Dynamo, Turtle, Dr. Polaris, Skalamander, Screamer and Spot go with you guys?

Nico: Yes you can come with.

Lola: I thought we had seen the last of Van Pelt after we killed him on Linky's rescues. Or was it Nico's rescue.

Me: I forgot.

Lincoln: But the computer shows that this is a reformatted version of the same guy. His name is Russel Van Pelt.

He pulled up his info.

---

Professor Russel Van Pelt is the main antagonist of the 2017 film Jumanji: Welcome to the Jungle. He appears as a reimagined dark version of the original Van Pelt from the 1995 Jumanji film.

This version of Van Pelt is much younger and a ruthless mercenary who will stop at nothing to get the Jaguar's Eye jewel and kill the five game protagonists. Depending on the region in which the film is watched, Van Pelt has a different first name. In the international version of the film, the character's first name is given as "John Hardin", while in the US version of the film, the character is provided the first name "Russel".

He was portrayed by Bobby Cannavale, who also played James Kent in Paul Blart: Mall Cop, Gyp Rosetti in Boardwalk Empire, Guy Danlily in Annie, Sergio De Luca in Spy, Irving in Mr. Robot, William Stevens/The King in Thunder Force, Jimmy Crystal in Sing 2, and J.P. Lange in Law & Order.

Van Pelt is a creation of the cursed game known as Jumanji who exists as one of the threats to its players. In the "Jumanji" video game, Professor Van Pelt is a corrupt explorer seeking to steal the Jaguar's Eye jewel for himself.

In the backstory of the game, Van Pelt lead a group of mercenaries and the NPC (non-playable character) Nigel in the search for the Jaguar's Eye, which he had a great obsession with. Van Pelt succeeded in retrieving the Jewel from the Jaguar statue, and, as a result, was possessed by the Jewel's power and gained the ability to control Jumanji's wildlife, while also bringing a curse upon the land. That night, Nigel succeeded in stealing the Jewel from Van Pelt in an attempt to return it, although Van Pelt's pet vulture alerted him to the theft, and Van Pelt ordered his henchmen and the wildlife to retrieve the Jewel and kill anyone standing in their way. Nigel subsequently gives the Jaguar's Eye to individuals sucked into the game, who assume the identities of the game's protagonists, and tasks them with returning the Jaguar's Eye to its statue.

The Jaguar's Eye ends up in the possession of high school students Spencer Gilpin, Anthony "Fridge" Johnson, Bethany Walker, and Martha Kaply, who took the identities of game protagonists Dr. Xander "Smolder" Bravestone, Franklin "Mouse" Finbar, Professor Sheldon "Shelly" Oberon, and Ruby Roundhouse, respectively. Van Pelt promptly pursues the group and attempts to corner them in Jumanji's market.

However, the quartet escape with the aid of Alex Vreeke, who had been trapped in the game for 20 years and assumed the identity of protagonist Jefferson "Seaplane" McDonough. Back at the marketplace, one of Van Pelt's henchmen informs his boss of the protagonist's escape, and, as a result, Van Pelt ensures him that he will not fail him again, killing him with a scorpion.

Van Pelt eventually confronts the group again when they reach the statue that the Jaguar's Eye belongs to. He takes Bethany hostage and threatens to kill her if Spencer does not give him the jewel, only to discover that the jewel is in Fridge's possession. Distracted, Bethany attacks him and escapes.

Martha then captures the Jaguar's Eye, prompting Van Pelt to corner her. However, Martha allows herself to be bitten by a snake and then gives the jewel to Spencer when she respawns. Once Spencer returns the Jaguar's Eye to its statue and the five protagonists shout "Jumanji" to complete the game, Van Pelt disintegrates, leaving behind a group of rats and other small animals behind that scatter. Once that Spencer, Fridge, Bethany and Martha returned to the real world, they destroyed the Jumanji game cartridge with a bowling ball. Although Jumanji itself eventually resurfaced, Van Pelt seems to be gone for good.

---

When he was done showing us we were shocked.

Me: So he went from a hunter to a ruthless mercenary after the Jaguar's Eye Jewel.

Nicole: Sounds very similar to what LaSombra was like.

Nico: Yeah.

Fluttershy: (Growls) THAT BIG… FAT… MEANIE! I WILL RIP HIS STOMACH OPEN AND FEED HIS ENTRAILS TO THE PIRANHAS!

Me: (GASP)

I jumped into Nico's arms in fright!

Nico: OOF! (Straining) You're giving me a hernia J.D.

Bruiser Cruiser: Nico, which Gene Slammer do you think you'll meet next?

Nico: Skull Man next.

Me: Cool!

Nico: Uh J.D. can you get out of my arms. I'm starting to get a cramp.

Me: Oh sorry.

I got out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Purgatori, the vampire goddess from Brian Pulido's Chaos! comics, and that evil vampire goddess is here to destroy the world. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Purgatori, the vampire goddess from Brian Pulido's Chaos! comics, and that evil vampire goddess is here to destroy the world.

We gasped.

Sabrina Lorelai: Oh, that's not good.

Victoria Kurenai: It sure isn't, and we know a lot about her. Purgatori back in her early life was born as Sakkara, a slave in Ancient Egypt, where she was put to work building the pyramids. Eventually, Pharaoh Ostraca fell in love with her, and she was able to move into the her palace as part of the queen's harem. But, The Pharaoh had to marry a man for political reasons, and it was decided that all of her harem had to be killed. Sakkarra barely escaped with her life, but because of what happened being betrayed by the Pharaoh, she started to seek revenge.

Kaylee Nago: She eventually met a Celtic Vampire named Rath, and he turned her into a vampire, but it turns out Sakarra had the blood of the fallen angels in her, causing her vampiric form to be totally unlike any being before her. Using her newfound powers, she took revenge on her former lover and her new husband by inciting rebellion, turning them into vampires, and burying them alive. After her revenge was compete, Purgatori began to wander the universe and she began gaining the worship of many vampires and drinking the blood of many beings. On her travels, she discovered her favorite blood was that of a god in turmoil.

Tamara Nobori: After she took her revenge on the Pharaoh, she began a relationship with Lucifer. Due to a combination of his wife's jealousy along with Purgatori's growing resentment of Lucifer, he had to banish her from Hell. But it seemed Lucifer truly did love her, as he sent her to a realm occupied only by Greek demigods upon which she could feed.

Selena Kurenai: She was eventually freed by Lady Death who she recognized as a Goddess. Keeping herself discrete, Purgatori began casting illusions of Lady Death's mother, in the hopes of driving her into despair. She was eventually found out by Lady Death, but before the two could finish their battle Lucifer returned to Hell and kicked out Purgatori once more. Later in life, her super-villain identity, Purgatori, was kept on until she went to Chicago for awhile in disguise as a business woman to in search for Lucifer only for him to too be there as well. Moments after meeting with a young Dark beautiful Mage in to having a crush on him to further notice while Lucifer was watching the entire time as Lady Death's spy.

Nico: Whoa, this is one fallen angel vampire goddess who needs to be destroyed.

Ravenna Amaranth: And she's one of The Michigan Supernatural

Defense Force's most dangerous enemies, we made ourselves a promise to kill Purgatori and send her to The Black Gates.

Dana Orichalcum: She was known by many names over the centuries: the first being her supervillain identity, Purgatori. But, she was also called The Vampire Goddess, The Devil's Whore, and The Scarlet Harlot, so yeah, you can see why The Michigan Supernatural Defense Force hates her with a passion.

Nico: We can see that all too well. Alright, gang, let's go, we're heading back to The World of Jumanji and we're severing Van Pelt's connection to Jumanji forever!

Lincoln: And this time, we're going to make sure that bloodthirsty murderous hunter stays dead and in The Black Gates forever, and once we finally get done with Van Pelt, you're next, Sakkara.

Isabelle Solomon: You've lived for far too long, Sakkara, and too many victims have died by your hand. Now, we shall end your centuries-long reign of mayhem and bring an end to this nightmare once and for all.

Victoria Kurenai: You better pray for mercy because we have none to give to you, Devil's Whore!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed to the world of Jumanji to permanently end Van Pelt forever and send him right back to The Black Gates forever, and once we finally get done destroying Van Pelt forever, Isabelle Solomon and Lincoln are going to destroy Purgatori and end the vampire goddess' centuries-long reign of terror.

We were off to the World of Jumanji!

---

We arrived in the world of Jumanji.

Me: Here we are.

Qin: Wow!

We saw that we were walking on the river of the jungle.

Me: Wow the river is just as amazing as the Amazon Rainforest.

Mirror Master: Is that a river dolphin?

We saw a Pink Boto River Dolphin.

Me: It sure is a Boto Dolphin.

Fluttershy: Oh it's so amazing.

Nicole: It sure is.

Varie: Yeah.

BANG!

We heard gunshots and saw Smolder, Spencer, Martha, Ruby and the gang running from Van Pelt's men who were firing guns at them!

Me: Oh man!

Nico: Lets go!

We flew and got them out. I fired an energy blast and blasted his men all over.

Fluttershy then flew in and savagely bashed and kicked all the men into dust with extreme prejudice!

She was tearing them apart!

She was panting hard!

Nico: WHOA!

Me: Fluttershy that was awesome!

Fluttershy: Oh sorry.

Krankcase: Hey, guys!

Spencer: We gotta stop meeting like this!

Me: Very funny. At least you guys are okay.

Ruby Roundhouse: Boy Fluttershy really went to town on those guys.

Me: She sure did Ruby. Those guys were part of our old friend Van Pelt's gang.

Nico: Yeah.

Smolder: You guys know Van Pelt?

Me: More than know him.

Nico: We banished him to the Black Gates before.

Mouse: But if you guys banished him to the Black Gates then he shouldn't have returned.

Me: That's what we were thinking too.

Laney: Somehow when the Jumanji game reformatted itself it brought back Van Pelt.

Crimson Dynamo: It's possible.

Bethany: It's the only reason how we fought him before.

Nico: Yeah. But this time we're not going to let that monster live another second.

Smolder: He's after this.

He pulled out a huge green jewel and it was a big emerald.

Me: (Whistles) That is a beautiful jewel.

Nico: That must be the Jaguar's Eye.

Smolder: That's right. We need to get it to that statue there.

He pointed to a big Jaguar Shaped Mountain Statue.

Buzzerbeak squawked.

Nico: Buzzerbeak said that mountain jaguar is huge.

Me: That is one big cat.

Qin: No kidding!

Lola: And we have to get the Jaguar's Eye all the way to there? That's going to be very dangerous.

Eli: And Van Pelt is waiting for us there. I sense it.

Dr. Polaris: Let me take care of any metal traps

Eli: I'll look out for natural traps too.

Fluttershy: And I'll watch out for dangerous creatures.

Qin: Okay.

Nico: Lets go and stay on the alert.

We were off.

We got to a small set of ruins.

Me: Wow these ruins look like they were here for a long time.

Nico: Yeah.

Nicole: It's like hunting for treasure here.

Plug Man stepped on a tile.

Plug Man: Uh oh.

Spears came at us!

Eli flipped and caught the spears!

Me: Whoa! Nice one bro!

Xenia: YEAH!

Eli: Thanks. Here these might be useful.

Lola: Good idea.

Red Ghost stepped on another tile.

Red Ghost: Oh no.

Arrows fired at us!

Ashi then jumped and grabbed them!

Qin: WHOA!

Lola: Nice save Ashi.

Me: We can use these too.

I took the arrows.

I looked at the blade of the tip and there was a purple sheen on it.

Me: Poison tip arrows.

Ashi: This will be useful.

We continued on into the jungle.

Discord: Can everyone stop stepping on tiles?!

Me: The jungle is full of traps! You got to be really careful.

Nico: He's right. One false step and it could be your last.

Laney: Like right there!

We saw a pit line and the bottom of it was LINED WITH RAZOR SHARP BAMBOO SPIKES!

Discord: I definitely see what you mean here.

Lola: Yeah.

Nico: Whew! Nice eye Laney!

Laney: Thanks.

We continued on and avoided pitfalls, quicksand, snare traps, net traps, bear traps and more. We even picked up a bunch of rifles, shotguns and more from dead bodies.

We made it to the mountain.

Me: We made it.

Nico: Wow! It's magnificent.

Spot: It sure is.

Eli: I sense that Van Pelt is right at the head.

Fluttershy: Great. Now it's time for me to settle a score with that meanie!

Nico: Lets go guys. Entrance time.

We went to the head.

Van Pelt was REALLY PISSED! He lost the Jaguar's Eye and now his men. But then the spirits of the jungle appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and then we came out!

Me: Remember us douchebag?

Van Pelt recognized us and MAN O MAN WAS HE INFURIATED!

Van Pelt: Oh, I remember you all too well! (laughs) I bet you all didn't expect to see me here!

Larry Koopa: You're honestly the first to be restored from the Black Gates. You'll also be the last!

Me: This time you're going to pay more!

But then Fluttershy went SUPER ANGEL-KINDNESS ALICORN PRINCESS-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA HARMONIOUS MAGIC KINDNESS ANIMAL LIFE JUNGLE SKYLANDER PRINCESS KINDNESS ALICORN ANGEL OF DIVINE MAGIC KINDNESS ANIMAL LIFE JUNGLE SKYLANDER PRINCESS KINDNESS ALICORN ANGEL JUSTICE AND DIVINE MAGIC KINDNESS ANIMAL LIFE JUNGLE SKYLANDER PRINCESS KINDNESS ALICORN ANGEL LOVE!

(ROARS IN EXTREME AND ULTIMATE FURY!)

SHE WAS EXTREMELY PISSED OFF BIG TIME!

UH OH!

Me: He is now miles and miles down shit creek!

Fluttershy teleported and punched him in the face and kicked him in the stomach and punched him in the mouth and kicked him in the nose and knocked him down.

Van Pelt then held Mevya as a human shield.

Van Pelt: One wrong move and the fish gets it!

Skalamander: You shouldn't have done that.

Van Pelt: Why?

Kevin Levin grabbed Van Pelt by the collar.

Kevin Levin: STAY AWAY FROM MY FISH!

He smashed him down with devastating force and then Fluttershy grabbed Van Pelt by his legs and smashed him into a bunch of walls!

KRASMASH! KRASMASH! KRASMASH!

I took a poison arrow and stabbed him in the arm with it!

Barath Beyond: You okay, Mevya?

Mevya: Fine. But this guy won't be!

Mevya fired waves of energy and blasted Van Pelt all over!

Fluttershy kicked Van Pelt in his face and she grabbed him by his neck and smashed him into the floor and then grabbed his arm and bent it and he screamed and she broke it!

Qin: OUCH!

Laney: YIKES!

Turtle: You NEVER try to harm Mevya unless you want Kevin to pound you.

Nico: That is for sure!

Nico fired energy blasts and blasted Van Pelt in his back!

KRABBBOOOOOOOOOOOOOOOOOOOOMMMMM!

Nico: Only a coward goes after animals as well as kills innocent people just to slate their own greed!

Ratso: Have some of this!

He fired an energy blast and blasted Van Pelt all over.

Qin: And this!

She fired a wave of fire and blasted him in his back.

Eli: And this!

Eli fired a wave of Force Lightning and electrocuted him.

Flutershy kicked and punched him in his face with incredible fury and kicked him in his face and knocked out some of his teeth!

KNOW BLAM BIFF!

She really kicked and pulverized him brutally!

Kangor: (Jamaican Accent) My turn, mon!

He smashed the ground and sent rocks smashing down onto Van Pelt.

Fluttershy punched his face all over!

Van Pelt was really being thrashed all over!

Fellbat: Let's keep it up!

Fellbat kicked Van Pelt in his face.

Fluttershy kicked him in the back of his head and I punched him and kicked him.

Qin: Yeah!

Evil Lyn: Wanna see a little magic?

She chanted an incantation and fired a blast of energy and it hit him and numerous blasts of fire blasted him all over!

Qin: Take that!

Poromon: And this! (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him.

Poliwag: Take this!

He slapped him all over the face with his tail!

Manaphy, Horsea, Tentacool, Jirachi and Mevya blasted him all over with energy.

Lola: Yeah! Take that!

Then Billy Numerous, Mr. Fizz, Captain Boomerang, Tri-Klops, Vortex, Tala, Killer Croc, Gator Ghoul, Black Manta and BlackWarGreymon came.

Nico: Billy Numerous, Mr. Fizz, Captain Boomerang, Tri-Klops, Vortex, Tala, Killer Croc, Gator Ghoul, Black Manta and BlackWarGreymon.

Fluttershy: You face the usual battles! I'll face this jerkwad meanie!

Qin: You got it!

Lincoln: Go get him Flutters!

She went and thrashed him all over.

Billy Numerous: I honestly thought we'd seen the last of Van Pelt.

Me: So did I.

Mr. Fizz: But that just means we kick his ass twice as hard.

Me: You got that right.

Captain Boomerang: (Australian Accent) And get rid of him permanently.

Qin: You can count on that one.

Tri Klops: (to Nico) We heard you fought Margie.

Nico: We sure did.

Vortex: How'd she get out?

Me: Bubble Bass the Lardass did it. Sharpened her braces to the Point where she can chew through metal.

Nico: Yeah.

Deker came.

Me: Deker but you already had your turn.

Deker: I know but it's my turn for the ranger battle.

Me: Oh.

Deker: Did you guys really accidentally set of lots of traps?

Nico: Yeah we did. But we decided to put them to use.

Xenia: Yep.

Deker: Cool.

We got the battles underway.

Tri-Klops is next.

Tri Klops: (to Zick) I heard you guys met Sonnya Gokua - Avatar of the 4-Tails. What's she like?

Zick: She has amazingly strong volcano lava powers and is really amazing as a guardian angel.

Roshi: And it's really amazing that she is the Avatar of Son Goku. You should have seen what she can do.

---

Nico: Yep. So, Sonnya, even though we decided not to show everyone the video of what you did in burning Chandler's clothes off and leaving him butt naked and subjected to embarrassment, but what other memories did you have with Lincoln?

Sonnya Gokua: I'm glad you asked.

Sonnya Gokua played the video on the screen, and we saw Lincoln and Sonnya Gokua at Lake Huron with Lincoln in his orange swim trunks and Sonnya Gokua in her crimson red two-piece bikini and his parents, Leni, Luna, Laney, Lucy, Lana, and Lily were there. But, their date would wind up getting interrupted.

?: I WILL TURN YOU INTO A FUCKING HUMAN PRETZEL FOR ALWAYS BEING ALIVE, TWERP!

Past Sonnya Gokua: What the Hell was that?!

Past Lincoln: Oh no, not this again, you control freak witch!

We knew who Lincoln was talking about, as they saw Lori come out and she was out for blood once again. Lori charged at Lincoln and Sonnya Gokua again and she had a knife in her hand. But, Sonnya fired a blast of fire that burned her clothes off and she was left in her bra and panties.

Past Luna: (LAUGHS HYSTERICALLY) SHE BURNED OFF YOUR CLOTHES AND LEFT YOU IN YOUR BRA AND PANTIES AGAIN, RAPTOR CLAWS!

Everyone laughed hysterically, and Lori looked down and when she saw she was in only in her bra and panties and her clothes burned to ashes, she shrieked with embarrassment.

Past Laney: (LAUGHS HYSTERICALLY) THIS IS EVEN MORE HILARIOUS WHEN YOU BURNED THAT SEWAGE ASSHOLE'S CLOTHES OFF AND LEFT HIM BUTT NAKED DURING LUNCH!

Past Lori: (SCREAMS) YOU FOUR-TAILED GODDAMN FREAK, I'LL KILL YOU!

But, Lincoln swatted Lori away with his eleven massive and long white wolf tails and I caught her and dragged her back to The Loud House as the video ended.

Nico: Damn, so Lori tried to kill you again along with Sonnya and right in front of Mr. Lynn, Ms. Rita, Leni, Luna, Laney, Lucy, Lana, and Lily?! Sheesh! Wait a second, I hate to pry into details, but did Lynn, Lola, Lisa, and Luan also have a part in this?

Lincoln: They did, earlier on before our trip to Lake Huron, Lori, Lynn, Lola, Lisa, and Luan got in big trouble for trying to kill me again and they got sent to Aunt Ruth's while we went to Lake Huron. But, we found out Lori escaped, along with Lynn, Lola, Lisa, and Luan, so I called J.D. and he hunted down and captured Lynn, Lola, Lisa, and Luan and tied them up.

Me: And Lincoln and Sonnya defeated Lori and as soon as Lincoln swatted her back to The Loud House with his tails, I grabbed and tied her up, and as soon as the others got back, Mr. Lynn grounded them for fifteen weeks and we sent them to Aunt Ruth's for that same amount of time.

Luna: When they came back, they looked like they went through Hell.

FLASHBACK ENDS

They were laughing hysterically!

Lincoln: Severed your connection to The World of Jumanji forever. This is what happens when you cheat death, Van Pelt. Now, this time, I mean it, GOODBYE AND GOOD RIDDANCE FOREVER, VAN PELT! HUNTING SEASON'S OVER!

Lincoln: I'm so glad that we're finally rid of him for good. Now, there's only one last thing to do and one last loose end to tie up: Sakkara A.K.A. Purgatori, The Vampire Goddess.

?: VICTORIA KURENAI!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts of darkness and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Sakkara, or we will force you out!

A figure came out from a plume of darkness and hellfire, it was Purgatori, The Vampire Goddess.

Lincoln: Sakkara A.K.A Purgatori, The Vampire Goddess and our old enemy, I should've known you'd show up here yet again even after you escaped before we got our chance to finish you! Well, now you have nowhere left to run, we're going to finish what we started long ago.

Victoria Kurenai: And kill you right where you stand!

Purgatori: You fools think you can stand against me?!

Isabella Solomon: They've done it before, but you cheated your death sentence when you escaped. This time, there's no way out.

Suddenly, Isabella Solomon's brown eyes turned neon brown and she was surrounded by a brown and orange energy aura with stars, elemental forces, planets, books, phoenixes, and angels, she unholstered her massive Omni Force-themed greatsword from her back, and as she approached Purgatori, she left brown and orange energy, stars, elemental forces, planets, books, phoenixes, and angels with every step.

Isabella Solomon: You should've never returned, Purgatori, you knew that The Michigan Supernatural Defense Force were still hunting your ass, but you never learn your lesson. Your desire for blood and chaos clearly had no limits, and even after your revenge had been completed centuries ago, you just refuse to quit. Well, that ends here and now, Devil's Whore, your immortal life ends here and now!

Suddenly, Isabella Solomon was surrounded by a massive vortex of brown and orange energy with stars, elemental forces, planets, books, and swords surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Purgatori: the red eyes of death. Then, as the vortex faded, Isabella Solomon emerged, but she was changed forever.

Isabella Solomon grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large planets orbiting around her legs, she has the body of a goddess, she has orange highlights in the bangs of her long brown hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon brown eyes and a brown and orange energy aura with stars, elemental forces, planets, swords, books, phoenix fire, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Solomon logo on her head and a phoenix emblazoned on her forehead and Third Eye with orange iris, she has on phoenix earrings with orange gems for eyes and holding the Star, Elements, and Eternity Kanjis in its claws, she also a phoenix with orange gems for eyes and holding the Star, Elements, and Eternity Kanjis in its claws for the second pendant on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and brown gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Isabella Solomon has on a sleeveless brown vest, sleeveless orange crop top, brown skirt, orange pants, orange legwarmers, orange sneakers, and long sleeveless white trenchcoat with stars, elemental forces, planets, swords, books, phoenixes, and angels on the coattails, and on the back is a phoenix surrounded by elemental forces and planets and on top is the Kamen Rider Solomon logo. Suddenly, Isabella Solomon felt a sharp pain on her back, and then, her massive brown angel wings with orange tips on the large brown feathers grew much bigger for her new body and she also now has eleven massive and long brown wolf tails with orange tips and orange markings along with her phoenix tails, Isabella Solomon has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Isabella Solomon's Omni Force-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of brown and orange energy, stars, elemental forces, planets, swords, books, phoenixes, and angels, and when it emerged, it was transformed into Isabella Solomon's Brown Omnipotent Elemental Force Firestorm Kamen Rider Solomon Greatsword of Brown Omnipotent Elemental Force Firestorm Kamen Rider Solomon Justice, it's a brand-new massive greatsword with embedded orange gems and the logo of Kamen Rider Solomon etched on the 7'6" massive, wide, double-edged brown blade, large orange phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and large brown gems embedded in their foreheads, longer midnight black handle, four large orange phoenix heads with brown gems for eyes and on the bottom of the large orange phoenix heads is a large orange phoenix head with orange gems for eyes and brown gem in its mouth for the pommel, Isabella Solomon has on her large gold Bracers of The Champions of The Universe with brown gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold phoenix's head with brown gems for eyes and large orange gem in its mouth for the belt buckle on her waist, Omni-Force Wonder Ride Book, Caladbolg sword, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were really amazed by Isabella Solomon's Super Angel-Kamen Rider Solomon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Purgatori saw it, she fired a blast of darkness and hellfire to kill her, but Lincoln fired a powerful fire blast which destroyed Purgatori's darkness blast, and Isabella Solomon fired a massive barrage of orange energy, stars, elemental forces, planets, swords, books, phoenixes, and angels which hits Purgatori and she was knocked down, she got back up, but now, she was even angrier than ever.

Iris Solomon: Oh, no way, did Isabella just?!

Me: She did, Iris, she did.

Lincoln: That's so awesome, Isabella Solomon's transformed into her Super Angel-Kamen Rider Solomon-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, the true fury of the universe is about to be unleashed.

Isabella Solomon: (Divine Echoing Godly Voice of The Divine Brown Universal Omni-Force Phoenix Firestorm Kamen Rider Solomon Omni-Force Phoenix Angel and Divine Brown Universal Omni-Force Phoenix Firestorm Kamen Rider Solomon Omni-Force Phoenix Angel Love) And right upon the head of Purgatori.

Isabella Solomon and Lincoln went after Purgatori who continued firing darkness and hellfire blasts at them, but Lincoln kept absorbing them and it made him even stronger than ever, and they fired extremely powerful blasts of rainbow energy, brown and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Purgatori and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Isabella Solomon also attacked her with some powerful punches, kicks, and karate chops, and they smashed her all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Purgatori even more madder with rage.

Purgatori: YOU! YOU! I WILL KILL YOU ALL!

Purgatori charged right at them with uncontrollable rage in her heart, but then, Lincoln fired darkness blasts which hit Purgatori and he sucked out and absorbed her powers of Telekinesis, Levitation, Flight, Self-Regeneration, Teleportation, Superhuman Strength, Superhuman Speed, Possession, Immortality, Elementumkinesis, and Shapeshifting and made them his own, but he didn't stop there: then, his Sickle Hooks of Hinon unholstered themselves and carved open Purgatori's chest with his sickles, leaving her heart and lungs exposed and the hooks holstered themselves back onto his back.

Then, Lincoln transformed into a black jaguar and pounces on Purgatori and he ripped her throat open before tearing out their heart and crushed it in his jaws and devoured it as he changed back to normal and he also sucked in and absorbed all of Purgatori's blood. Then, once her spirit appeared, Lincoln and Isabella Solomon sent her straight to The Black Gates forever. We cheered wildly for what Isabella Solomon and Lincoln did as they holstered their massive greatswords and powered down and Isabella Solomon's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive brown angel wings are permanent.

Isabella Solomon: Burn in The Black Gates forever, Devil's Whore! Thanks for helping me get rid of that vampire goddess forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Isabella.

Suddenly, Isabella Solomon wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Isabella

Solomon's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces, the entire solar system, a massive phoenix of stars letting out a loud cry that echoed across the entire web of galaxies and we cheered wildly. Then, Lincoln and Isabella Solomon sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Me: I certainly have no words to describe what we just saw, but Lincoln, Isabella, that was truly an amazing fight! You both showed no mercy to Purgatori.

Nico: And you made that fallen angel vampire goddess pay for what she's done centuries ago. But, what we just saw, don't tell me that was…?

Kotal Kahn: Indeed it was, that was one of my attacks I use to finish my opponents. I must say, I am impressed.

Lincoln: Thank you, Kotal. However, this wasn't the first time I used one of the Fatalities.

Cetrion: That's correct, you used one of my Fatalities on Nolan Sorrento which means that like Mindy Chan, you also mastered the many fighting styles of those in the video game worlds.

Mindy Chan: I knew how to use the fighting styles and moves of the Street Fighter characters, but for Lincoln, I think he knows how to use the fighting styles and moves of the Mortal Kombat characters.

Lincoln: Along with many others, remember, I'm also one of the characters in the Super Smash Brothers universe.

Me: Haven't forgotten about that. So, Lincoln, who's the next Tailed Beast Avatar we're meeting tomorrow?

Kenzie Kurama: Ooh, I think I know who'll be perfect for tomorrow, and she's one awesome master of water who gave Pablo and Anderson quite a hard time: her name is Irina Isobu, Avatar of Isobu the Three-Tailed Turtle, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Isobu the Three-Tailed Turtle and she's a powerful master of water, and she also knows how to use those four massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Pablo and Anderson with a blazing passion, because one day, Lincoln and Irina were having a fun time at Gus' Games and Grubs, but their date got ruined when Pablo and Anderson showed up to kill Lincoln and Irina, but Irina fired jets of water which hit those two buttfaces and they crashed into a tree. Then, Lincoln tied them up with energy ropes he fired from his angel wings, and they called the cops and told them everything that those two tried to do to him and Irina, but before the cops were about to take them away, Pablo and Anderson kicked two of the cops in their crotches and ran off. But, Lincoln fired a blast of water which knocked them down and out, and the cops grabbed them and took them away, and ever since then, Irina swore that if those two morons tried to kill Lincoln again, she would send them sinking into the waters of Lake Huron.

Nico: Whoa. Messing with the Avatar of Isobu, and you're going to get soaked. Hmm, you know what would be quite interesting, if you also knew a girl who's the Avatar of The Shinju, The Ten-Tailed Beast?

Kenzie Kurama and the other Avatars of The Tailed Beasts had their eyes wide opened.

Nico: What, is it something I said. (Realizes what he said) Oh shoot, don't tell me?

Lincoln: Yep, you're right about that, Nico, and we know just who you are talking about, I was saving it for after we met up with the Avatar of Shukaku, but you should know about this now.

Kenzie Kurama: That's right, her name is Sakura Shinju, Avatar of The Shinju, The Ten Tailed Beast, she's Lincoln's Guardian Angel from Michigan and she's the most powerful and strongest of the ten

Tailed Beasts and she's the Ultimate Avatar of The 10 Tailed Beast, The Shinju. Her power is equally powerful to all of us in our most powerful and her power is literally so strong that she can tear apart an entire planet from the outside and she can cause an entire planet to explode just by simply snapping her fingers!

We gasped.

Me: That's right, The Shinju was the most powerful and strongest of the Tailed Beasts.

Kenzie Kurama: Sakura's the most powerful master of the elements of The Tailed Beasts and she also knows how to use those ten massive and long tails as powerful weapons such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a Guardian Angel who takes her job very seriously, and she vowed that if Lori, Lynn, Lola, Lisa, and Luan killed Lincoln, she would leave Lori, Luan, Lynn, Lisa and Lola on the planet and destroy the entire planet and take them with it after sending everyone else to a safe ship for safety.

Our jaws dropped in shock!

CLANG!

Lincoln put our jaws back.

Me: OH SHIT!

Nico: THIS IS DEFINITELY ONE GUARDIAN ANGEL NO ONE WANTS TO PISS OFF!

Lincoln: That's right, she's serious in capital letters, anyone who messes with Sakura Shinju, they can say goodbye to their entire planet including their lives!

Lynn: We were so scared by her big time, if we ever angered her by killing Lincoln, she'll get every last person and animal to safety and blow up the Earth and take me, Lori, Lola, Lisa, and Luan with it.

Lori: We weren't going to toy with someone who can destroy an entire planet, but our Dark Sides had their uncontrollable thirst for blood.

Lola: And they still wanted Lincoln dead, but if they did that, it's lights out forever!

Lisa: So, we stayed far away from Sakura Shinju as possible.

Luan: And we dared not to even look at her funny nor even breath in her direction.

Eli: That's how scared you guys were of her?! Whoa.

Lincoln: If you thought my Guardian Angels were that intimidating to Lori, Lynn, Lola, Lisa, and Luan, Sakura Shinju is basically the shadow of death looming over them.

Me: (GULP)

Tala: There! He better stay dead!

Killer Croc: For good this time!

Gator Ghoul: And now, Jumanji is free of threats.

Black Manta: For the most part, anyway.

Nico: Yeah.

BlackWarGreymon: We should doublecheck in the future just in case.

Me: Good idea. Can't be too sure.

Qin: Either way we have now seen the last of Van Pelt.

Fluttershy: Thank you guys. I'm sorry you had to see me fight like that.

Nico: No worries Fluttershy.

Me: But you were awesome.

Lola: I'll say!

Fluttershy: (Giggles)

Nico: Great job today everyone.

Qin: Yeah.

Laney: (To the viewers) You mess with animals of all kinds and you're going to get your butt kicked by Fluttershy.

Me: Yep.

We later went back home and enjoyed the rest of the day and went to sleep.

Then, Lincoln tied them up with energy ropes he fired from his angel wings, and they called the cops and told them everything that those two tried to do to him and Irina, but before the cops were about to take them away, Pablo and Anderson kicked two of the cops in their crotches and ran off. But, Lincoln fired a blast of water which knocked them down and out, and the cops grabbed them and took them away, and ever since then, Irina swore that if those two morons tried to kill Lincoln again, she would send them sinking into the waters of Lake Huron.

# GOOSEBUMPS HORROR PART 1

Part 1: LETS GET INVISIBLE

Ash just woke up

Pikachu: Pika.

Ash: Morning Pikachu. (Feels something) What"s this?

Ash felt something under his pillow and he saw that it was a bottle of beer!

Ash: Huh?

But it wasn't just him! Misty, Brock, Serena, Lucy, and all of Ash's friends got one.

Ash and his friends: POROMON!

I was reading the paper.

Me: (LAUGHS) Poromon the Beer Fairy strikes again.

Nico: (LAUGHS) Yes he did.

Me: I can't wait to see what this planet is like.

Xenia: I hope it's a fun one.

Qin: Me too.

Twilight Sparkle: I know it will be fun and cool.

Sakura Knudson: It sure will.

Lola: Yeah.

Cana Alberona: I'm really excited for this one too.

Rita: I am too Cana.

Nico: Ms. Rita, I want to thank you, Beautiful Gorgeous, and your teams for coming today

Rita: It's no problem Nico and I'm always up for this.

Lincoln: You're always up for so much fun mom.

Rita: I sure am sweetie.

Cana Alberona: This is gonna be so fun.

Nico: Cana, have you ever thought of getting into a drinking contest with the mascots?

Cana: That would be fun and I'm always willing to do that.

Me: With Cana's love for drinking beer that is definitely bound to happen. You should have seen how much she drank compared to Lady Tsunade. I saw her drink 50 bottles of Sake and didn't even come close to getting drunk.

Nico: HOLY SHIT! You have to be one of the strongest drinkers in the world.

Cana Alberona: I get that all the time. My body has an intensely powerful tolerance to alcohol and it's why I can drink over 4 barrels of Alcohol every week.

Nico: That is amazing!

Juran: They should have said drinking contest anyway for the drunk funnies.

Nico: Good idea Juran.

Cana: Oh it is on.

Me: Yep.

Qin: Oh boy.

Nico: Yeah. Boy the last mission was crazy and shocking! Van Pelt came back from the black gates!

Maria: Only because the game reformatted.

Me: Yeah no kidding. But lets hope this will be the last villain we face that is brought back from the Black Gates. But man Fluttershy really let him have it!

Qin: Boy she sure did! You were amazing Fluttershy.

Fluttershy: Thank you Qin. That was good to bring down that meany.

Xenia: It was.

Lincoln: Yeah when it comes to protecting animal friends of hers she will make sure they are safe.

Me: Like a wolf protecting her young and a Grizzly Bear doing the same.

Nico: And he tried killing Mevya!

Me: Big mistake! Kevin did a big punch to him.

Qin: You got that right!

Lola: Yeah!

Nico: Mess with Mevya and you get an Iron Mace Ball Fist to the face from Kevin..

Lana: That is for sure.

Rita: I agree.

Cana: Yeah that is for sure.

May: We also activated lots of traps.

Me: And turned them against Van Pelt.

Lola: Yeah.

Eli: That was awesome.

Me: Hopefully we have seen the last of Jumanji for a while.

Xenia: Yeah.

Maria: No kidding. Oh we're here.

We arrived at a pink planet and it was amazing.

Me: Looks like a flower planet from up here.

Nico: Lets get closer.

We went down to the planet and we landed and saw that the planet was made entirely out of Starburst Candy!

Me: Cool! It's all Starburst Candy!

Sakura Knudson: Oh boy! I haven't had Starburst Candy in like forever!

Me: Me neither!

I unwrapped one and ate one and it was strawberry flavor.

Me: Mmm! Strawberry!

Nico: I like the red and pink ones!

Me: Strawberry and Cherry Flavors.

Qin: Yummy! (Eating an orange one) Mmm! Orange flavor.

Eli: This is amazing. (Eating a yellow one) Mmm Lemon flavor.

Qin: This is a great planet!

Maria ate some.

She ate orange and strawberry ones.

Maria: Mmm! Boy its been a long time since I had Starburst Candy.

Laney: It has been a long time for me! (Eating cherry flavored ones) Mmm!

Qin: That is awesome.

Nico: I love eating these!

Me: Me too!

Qin: Yeah!

Pinkie Pie: Best Planet EVER! (EATS LOTS OF THEM AND SPITS OUT WRAPPERS)

Nico: (LAUGHS)

Camie: Boy what an amazing planet.

Nico: Is it getting close to the anniversary where I joined you guys?

Me: I think it is.

Qin: Yeah.

Laney: This will be an awesome anniversary.

Nico: Okay. Today starts the day we go after the Goosebumps monsters.

Qin: Cool!

Me: Boy we haven't gone after some of them in a while.

Xenia: Yeah no kidding!

Laney: This time we send some of them to the black gates.

Camie: Yep.

Nico: I'll tell you more when we get to that.

Me: Okay.

Lincoln: Okay, guys, we've got ourselves a huge emergency. We got word from Dad that Bubble Bass has escaped and he's here on this planet.

Nico: I knew we'd be going after that lardass, I just knew it!

Me: After that stunt he pulled in sharpening Margie's braces to the point that they can chew through metal, this is one thrashing I'm so going to enjoy.

Eli: Same here. But, how that lardass escape?!

Suddenly, the four large golden rings orbiting around the corners of Lincoln's large golden halo behind his head glowed and fired four beams of light which then formed a viewing window and we saw the footage at Lynn's Table: we then saw Bubble Bass signal a truck of Fizz Bomb Cola here, and he drank all the Fizz Bomb in the truck. Then, his stomach rumbled as the sound of a gun cocking was heard and he was facing the door of his cell.

STOMACH RUMBLE AND GUN COCKING!

THEN!

MONSTROUSLY LOUD BELCH!

Bubble Bass let out a monstrously loud belch and broke down the door of his cell and he escaped. The viewing window closed and the four golden halos orbiting the corners of Lincoln's large gold halo stop glowing.

Me: So, that's how he escaped.

Eli: Oh man!

Me: Why that repulsive fat tub of lard!

Nico: He drank all that Fizz Bomb soda and let out that monstrously loud belch and broke down the door of his cell and escaped? Oh, that's it, we need to foolproof the cells of the jerks after we take care of that lardass.

Lincoln: We'll do just that, Nico. (Sensed for Bubble Bass) AHA! Gotcha! I just spotted Bubble Bass, that moron jerk is already 50 yards away and closing fast on us, but with his weight, it'll take a long time for him to get there.

Nico: Let's not give him an opportunity, let's ambush him.

Lola: Yeah!

Nico: After I eat some more starburst!

Nico ate more and more Starburst.

He ate 50 of them.

Nico: Mmm! Okay I'm done. Now lets get him.

Lincoln: With our entrance, but we got to watch it, that moron's gonna say some really horrible things about us. (Sensed Flip's musclebound thugs) Wait, hold up, I've just sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we went after Bubble Bass.

Bubble Bass was already super enraged at the humiliations that we've dealt unto him and he was already running towards us in rage, fat chance. Suddenly, the spirits of the restaurant owners appeared and they swirled around Bubble Bass and they fired energy blasts at that lard ass and sent him crashing into a wall of Starburst candy. Then, the spirits converged and a massive explosion had erupted and a Thunderbird Screech, Dragon Roar, and Phoenix Cry was heard and we appeared.

Bubble Bass: YOU!

Me: That's right, us!

Eli: Didn't like the humiliations we dealt you?

Bubble Bass: YOU INSENSITIVE PEONS MADE A FOOL OF ME!

Me: You brought that all on yourself you lardass jerk!

Nico: Especially after that literal pickle you gave SpongeBob!

Lily: YEAH! You made SpongeBob lose his confidence!

Bubble Bass: I DON'T CARE! SPONGEBOB IS AND ALWAYS WILL BE A HORRIBLE FRY COOK AND A WORTHLESS LOSER! HE DOESN'T DESERVE TO BE HAPPY!

Lily: I WILL KILL YOU FOR SAYING THAT!

Nico: Why don't you come get us, fatty?!

HE GROWLED IN RAGE!

Lincoln: And don't think we hadn't forgotten the fact you sharpened Margie's braces and she chewed through her chains and escaped yesterday, we swore right then and there, we'd make you pay for it.

Plus, we also alerted your mother and she's got a few words to say to you, and she should be coming right now!

Suddenly, a portal opened up, and out came Bubble Bass' mother.

Bubble Bass: M-M-Mother?!

Bubble Bass' Mother: Bubble Bass, you've done some really low things in the past and Lily told me of all your times that you've been a big jerk to everyone in Bikini Bottom and The Krusty Krab. I've tried to raise you right, but it looks like you've fallen down that road and became a big jerk, now you're about to get the nastiest payback from everyone here, and I'm also going to participate in some of the humiliations as well because I've got a lot to deal unto you. But, first.

Suddenly, Bubble Bass' Mother raised her pants up even more and inhaled deeply and bloated to the size of a massive blimp, and then… !

BUBBLE BASS' MOTHER LET OUT A SUPER ASTRONOMICALLY AND MONSTROUSLY MASSIVELY LOUD BELCH ON BUBBLE BASS AND SENT HIM FLYING INTO ANOTHER WALL OF STARBURST CANDY!

Me: (EXTREMELY STUNNED) Whoa… !

Nico: (EXTREMELY STUNNED) Bubble Bass made a big mistake of making his Mama mad.

Me: WHAT A BELCH!

Lily: Thanks for coming, Mrs. Bass.

Bubble Bass' Mother: My pleasure, dearie.

Bubble Bass' Mother left and just in time as Bubble Bass came out.

Lincoln: And now that your mother had gotten in her first shot at you, it's our turn. (Smirks and he cracks his knuckles) Say your prayers, Bubble Butt.

Qin: Lets get him! (CRACKS KNUCKLES)

Crag: Come on fellas!

Lincoln, Luna, me and the Ripping Friends: IT'S RIPPING TIME!

We all cracked our knuckles and we approached Bubble Bass menacingly, and he gulped in fright, and then… !

WE POUNCED ON BUBBLE BASS AND PROCEEDED TO GIVE HIM THE MEANEST, NASTIEST, VILEST, AND EXTREMELY GRAPHIC BEATING OF HIS MISERABLE LIFE!

POW! WHAM! BAM! CRACK! BANG! QUACK! WHOMP BIFF! KROW! SMASH! WHACK! SLASH! CHOMP! THWACK!

Lincoln also had a flying camera recording the whole thing, and we hit him with tons of blunt objects that we got out, and Lincoln lifted tons of heavy objects in both hands or in one hand and threw them at Bubble Bass: anvils, pianos, planes, cruise ships, and even a kitchen sink!

That in turn caused tons of gold, jewels, gems, and currencies to explode out of Bubble Bass like a ton of volcanoes!

Maria: My turn!

She fired a blast of water and blasted him all over the place.

Lola: And this!

She fired fireballs and blasted him all over!

Sakura Knudson: Now here is me!

She jumped him! AND THEN PROCEEDED TO GIVE HIM ANOTHER OF THE MEANEST, NASTIEST, VILEST, AND EXTREMELY GRAPHIC BEATINGS OF HIS MISERABLE LIFE!

POW! WHAM! BAM! CRACK! BANG! QUACK! CLANG! CRASH! WHOMP BIFF! KROW! SMASH! KATOW! WHAM! THWACK! ZONK! ZOWIE! WHACK! SLASH! CHOMP! THWACK! CAT YOWLS! PIG SQUEALS! HORSE WINNEY, SUMO WRESTLER SMASH! LION ROAR! POW! FART! DING-DONG! BEAR ROAR!

SEAL BARKS! COW MOO! BOWLING CRASH! HONK!

Lincoln fired waves of lightning and electrocuted him!

Laney fired waves of leaves and slashed him all over.

Nico punched him

KROW! DING-DONG! CRASH!

Me: Take that you dork!

Qin: YEAH!

Leni took him and broke his back on her leg!

KRASMASH! CRUNCH!

Nico: BRUTAL!

Leni: Take this!

She pulled out Ed's Lunch from School Last Year!

Gaon: Um… you're feeding him something?

Leni: Nope. Watch.

She went over and smashed the WHOLE THING ON BUBBLE BASS' HEAD!

KRASPLAT!

HE SMELLED LIKE ROTTEN CESSPOOL COMBINED WITH ROTTEN CHUM!

YUCK!

Gaon: Oh THAT'S what it was for!

Eddy: (LAUGHS) I told Double D to take that and nail Kevin on the head with that when I was mad at him for ruining my scam.

WE LAUGHED!

Beautiful Gorgeous: For some reason, I feel like I helped Spongebob chase you around before.

Bubble Bass: You're going to have to be more specific. You and your friends humiliated me plenty of times!

Beautiful Gorgeous: You know what? Let's just get back to beating the crap out of you!

Me: Like this!

I pulled out a can of spinach and popped it open and ate it and swallowed!

BONG! DING!

I flexed my muscles and A STAR GOING NOVA APPEARED IN MY BICEPS!

Me: YEAH!

I jumped and punched him all over the place!

BLAM BLAM BLAM BLAM BLAM BLAM BLAM BLAM! TING TING TING TING TING TING TING TING!

I stomped on his back, punched his face like a punching back, stomped on his head and then mercilessly thrashed him all over the place!

May: My turn!

May fired ice blasts and bashed and smashed him all over with spiked ice balls and bashed him all over!

Qin: TAKE THAT!

Eddy fired his blaster at him.

ZAP ZAP ZAP!

Eddy: Take that tubby!

Eli: And this!

He fired a blast of force lightning and electrocuted him.

Me: Yeah!

Camie: And this!

She fired waves of Aurora energy and blasted him.

That in turn with our attacks and pain we dealt him caused tons of gold, jewels, gems, and currencies to explode out of Bubble Bass like a ton of volcanoes!

And Fluttershy tied him up in poison ivy vines and he was itching like crazy.

Lincoln: Poison Ivy vines?

Fluttershy: Perfect for someone like him.

Lincoln: Awesome, Fluttershy. Now, for this!

Lincoln opened up a portal that led to a newly refurbished Bubble Bass Burp-Proof Cell in Lynn's Table and he inhaled deeply as his lungs really expanded like crazy, and then… !

LINCOLN LET OUT A SUPER ASTRONOMICALLY AND MONSTROUSLY MASSIVELY LOUD BELCH DOWN ON BUBBLE BASS AND SENT HIM FLYING INTO THE PORTAL THAT SENT HIM INTO HIS NEWLY BUILT AND REFURBISHED BUBBLE BASS BURP-PROOF CELL BACK IN LYNN'S TABLE AND THE PORTAL CLOSED LEAVING BUBBLE BASS RANTING IN ANGER AND RAGE!

We were astonished by the massive belch he did!

Me: WHOA! What a burp!

Nico: Damn, Lincoln. What did you drink?!

Lincoln pulled out a bottle of strawberry flavored soda.

Lincoln: Lisa invented this.

Lisa Loud: That's my new Omega Super Belch Strawberry Flavor Never Lose Its Fizz Soda. It's guaranteed to have you release a massive belch that will be strong enough to blow the skin off of anyone and blow them away.

Me: That it awesome Lisa!

Nico: You'll have to make more later.

Lisa Loud: I'll gladly do so.

Nico: Awesome.

Maria: Now, where were we?

Nico: Now lets get down to business.

Me: Yep. We have the Anothers.

Eli: And we have more monsters never seen before. We have Another Another Wolf, Stingray, Monkshood, Anteater, Arijigoku, Mole, Flying Squirrel Demons (Kamen Rider BLACK), Lipsyncher and Beautiful Gorgeous.

We gasped!

Me: WHOA! These monsters are amazing.

Beautiful Gorgeous: Yeah they sure are. Many of them are all incredible.

Cana: This will be fun.

One of Flip's surviving thugs tried to charge at Nico from behind… only to get killed with a shot to the head.

BANG!

Lincoln: Oh, c'mon! I was about to finish that one off and piss Flip off some more!

Me: WHOA! Whoever did that has a really awesome shot!

Eli: Nice shot there.

Maria: Where did that shot come from anyway?!

In the shadows, someone with a sniper rifle was watching.

?: Can't have that moron's goons ruin everything before the big event later. I'll see you then, Nico Chan. And this time, no moronic dumbasses or fatasses allowed.

I sensed that he had a very strong energy signal!

He left. But not before Nico got a glimpse of him and got a look at his face.

Me: Whoa he has a really strong energy signal. Really powerful!

Nico: (in Nico head) Since when does any version of me use a gun?

Me: No idea who it is but the signal is familiar. But he also had a really good shot. But I think we're going to be in for a rough battle.

Maria: Yeah.

Nico: Who do we call in?

Me: Selene Salamandra, Ophelia Ouroboros, Linda Leon, Aylene Aretos, Elaine Ekenas, Tsuki Moonface and Goldie Terrance.

Qin: Cool!

Lincoln: The Alchemy Beast Gene-slammers! Wow!

Lola: Yeah!

Maria called them in and in swirls of elements came said girls.

Tsuki Moonface: Hey, guys!

Me: Glad you all could come.

Eli: And I sense that the Anothers minus Beautiful Gorgeous are one person.

Me: This will be fun.

Eli: Whoa! Nico I sense that this power from whoever shot that thug? Is as powerful as Majin Vegeta!

We gasped!

Me: WHOA! We better be put on full alert for this one! If we're going to be up against one of Babidi's goons then this one will be an explosive battle!

Qin: YEAH!

Eli: Yeah!

Nico: No. I don't think this is one of Babidi's goons. And I don't think that it's a coincidence that shot gets fired on the same day we're starting to go after the Goosebumps monster.

Me: I'm not really sure. There's no way it could be a coincidence. This guy has immensely strong power. It's not nearly as strong as yours Nico but it's almost just as powerful. I sense something evil about it. But I have a really strong feeling I know who it is.

Eli: Yeah.

Lola: Here they come!

We saw Another Another Wolf, Stingray, Monkshood, Anteater, Arijigoku, Mole, Flying Squirrel Demons (Kamen Rider BLACK) and Lipsyncher!

Me: Whoa!

Qin: Wow! These guys are all amazing!

Lola: Yeah!

Another Stingray Demon: (In a girl's voice) (Speaking in Na'Vi) May the great deity bless you this fine day.

Lincoln: I know that Na'Vi talk anywhere! Pandora Eywa.

They merged and she reverted back and was a girl with black hair, yellow eyes and blue angel wings, blue clothes, blue tail and had a blue Na'Vi symbol on her arm and had a Banshee on her skirt and she had blue tribal marks on her face and she had a Pandora theme Keyblade.

Pandora Eywa: I see you Lincoln. Good to see you again.

Lincoln: You too.

Nico: Care to introduce us?

Lincoln: Sure. This is Pandora Eywa, Keyblade Knight of Planet Pandora, she's my Guardian Angel from Michigan, and she's not only the Keyblade Knight of Planet Pandora, she's also the Avatar of the deity of the Na'Vi, Eywa, and she's a very powerful force for good. She's also the defender of the Na'Vi and defends all of the Planet Pandora great and small from all threats including the R.D.A. of the 22nd Century and she will make sure none of the R.D.A. are alive, and she knew of our adventures on Planet Pandora before, and she knew what we did in killing Colonel Miles Quarrrich and she was eternally grateful to us for getting rid of him. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

We were shocked!

Qin: Whoa! The keyblade knight of the planet Pandora!? That is cool!

Nico: Wow!

Maria: Sora never went to that world in the past, right?

Pandora Eywa: No he didn't. Because the world of Pandora is not affiliated with the world of Disney.

Me: That's a darn shame. But it would be an epic and wild ride if Sora and friends went to Pandora for real. Just like all of us did when we destroyed the R.D.A.

Nico: Yeah.

Pandora Eywa: I know. What the R.D.A. did to the hometree of the Omatikaya Clan was unforgivable.

Me: I know they burned that whole tree to the ground with napalm. There's nothing left of it.

Laney: But you don't have to worry about Quarritch anymore. He is history and is now in the Black Gates.

Pandora Eywa: Good. I'm glad.

Nico: Yeah.

Me: We put all of Pandora under our protection to make sure that they never try anything like that again. We're watching the R.D.A. like a hawk in the 22nd Century. Professor Paradox is going to let us know if they are up to something.

Qin: Yeah they are after the Unobtanium there.

Me: All for their own greed.

Nico: Wonder if there are Keyblade Knights not affiliated with Disney.

Me: That makes me wonder that myself.

Xenia: Yeah.

Lola: That would be awesome.

Pandora Eywa: Oh there are. But they will come soon.

Me: Looking forward to seeing them. By the way is the Another Beautiful Gorgeous friendly or hostile?

Pandora Eywa: Friendly and she is a really powerful and amazing one.

Xenia: Nice.

Nico: Sorry we gotta do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Nico: Lets do it!

Selene Salamandra: Lets do it!

They fired waves of energy and magic and blasted the anothers and then…

KRABBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded! I caught the Wonder Ride Books!

Qin: OH YEAH!

Lola: YEAH!

Pandora Eywa: That was fun! By the way I heard that the Animal Path is summoning creatures from Pandora to help her in her battles with Sweet Leaf.

Me: That's right. Learning about them is really cool. She even summoned some of the creatures from the oceans of Pandora which are really amazing. Much bigger than some of the creatures we have on Earth.

Pandora Eywa: That is too true but that is awesome.

Maria: Time for backup! (TURNS DIAL) MANTA OF DARKNESS 6!

She summoned Black Manta, Skeleton Men, Quetzalcoatlus Dopant, Dr. Caballeron, Stingrage and Blizzard Wolfang!

Nico: Oh yeah!

Qin: Awesome!

Me: Now for Another Beautiful Gorgeous.

Nico: All we can do now is wait.

Me: We don't have to wait long!

We saw a figure swoop in and I blocked her kick and it was Another Beautiful Gorgeous!

I pushed her back and sent her flying!

Me: Broke into the wrong goddamn snake oil club didn't you ya bastard!

Qin: (LAUGHS) YEAH!

Another Beautiful Gorgeous: Nice use of the Tremors Line that Burt did!

Me: (GASP) That voice!

She reverted back and it was a girl with blond hair and blue eyes and had yellow angel wings and had black clothes and had a tiara with the symbol of the Illumina Dopant on it and the same symbol was on her skirt and she had a yellow bladed lightsaber on her hands.

Me: Illiana Illumina! Wow!

Illiana Illumina: Awesome to see you again J.D.!

Me: You too Illiana. Illiana is the Embodiment of the Light Dopant and she is from the planet Stewjon and she is a Jedi and is a deadly martial artist and is also a very powerful spy.

Nico: Cool!

Eli: That is awesome!

Beautiful Gorgeous: You have amazing skills like I do as well as a great mastery of the Force.

Illiana Illumina: That's right. And I also have light powers too.

Me: Yep.

Then Madame Masque, Jellax, Student Body Presidents Lizardmen, Wrecker, Eel and Julio came.

Nico: Nice team Madame Masque!

Madame Masque: Thanks Nico.

Tadashi: What you are doing is…

POW!

I punched Tadashi in the face!

Me: Finish that sentence and I'll turn you into a lizard-skin wallet!

Tadashi: I'll be good.

Me: Still has issues for me.

Nico: Jeez.

?: But that sucks.

Then Skull Man came!

Me: Skull Man! Cool!

Nico: Awesome!

Skull Man: (In a girls voice) This will be fun!

Nico: Sena Skull!? Whoa!

She reverted back and was a girl with black hair and had aqua blue eyes and clothes and had bone skeleton wings and a skull symbol was in the middle of her forehead.

Sena Skull: Awesome to see you again Nico.

Another Beautiful Gorgeous jumped and Sena flared up a Skull Barrier and it blocked her attack and then Sena kicked her down and she fired the skulls and bashed her down and I caught the ridewatch and purified it!

Me: Whoa! That was awesome!

Qin: Yeah! Nice job Sena!

Sena Skull: Thanks. It was awesome! And also to be honest, Skull Man is my favorite robot out of the Robot Masters of Mega Man 4.

Qin: That is awesome and coincidental.

Nico: Yeah it is.

Cana: What's your favorite memory of Nico?

Sena Skull: When me and Nico went and bashed a terrible street gang called the Skullboys and sent them to prison and death row.

Me: Whoa! I remember reading about that. That was you guys?

Nico: Yep.

Qin: That was awesome.

Nico: Yep.

Nico and Sena hugged.

Nico: I've missed you.

Sena Skull: Same here Nico.

We got tons of Starburst candies for everyone back home and then went back home.

Nico: Oh man, and those two were the ones responsible for the whole event in Super Smash Bros. Ultimate.

Lincoln: Yep, and we can't just let them leave here without a few thrashings from us.

Me: And it'll be awesome having them in The Masters of Evil.

Bayonetta: (British Accent) I agree.

Lady Palutena: Same here. We've fought against Galeem and Dharkon before, now we get to do so once more.

Lynn Sr.: I remembered Lily playing as Lincoln and when she got the final battle with those two, she took them both down.

Nicole: Me too, and it was so awesome.

Suddenly, we saw a beautiful and super sexy girl with short neck-length pink hair, pink eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has Isobu's three massive and long tails, she's dressed in green clothes, and long white sleeveless trenchcoat with stars, water, ocean waves, turtles, phoenixes, and angels on the coattails and on the back is Isobu the Three-Tailed Gorilla, in her right hand is a greatsword and with her are the eight girls.

Lincoln: (GASPS) Irina Isobu, Avatar of Isobu the Three-Tailed Turtle.

Irina Isobu: That's right, and I got the girls away from Galeem and Dharkon.

We then saw Fox McCloud and Star Fox arrive at our location.

Fox McCloud: And it's a good thing you did, because here they come now!

We then saw our targets, Galeem and Dharkon, heading right for us.

Sylvester: Well, here they come now.

Then, Lincoln fired blasts of energy that hit Galeem and Dharkon's cores and knocked them out cold and he beamed them to The Masters of Evil's HQ, but that blast of energy he fired at their cores caused him to assimilate and acquire Galeem's Photokinesis, superhuman physical characteristics, Flight, Heliokinesis, Deconstruction, biological manipulation Absorption, Teleportation, Spatial manipulation, Ergokinesis, Manipulation, Morality Manipulation, Usage of homing attacks, Danmaku, Pseudo-Soul manipulation, Ability to mimic others' abilities, Pyrokinesis, Summoning, Ability to create forcefields, Body control, and reality warping, and Dharkon's reality warping, Umbrakinesis, Chaos and Destruction embodiment, Flight, Teleportation, Electrokinesis, Spatial tear creation, and Portal creation. We cheered as we holstered our weapons and powered down.

Lincoln: That was a really wild battle, but we did it, we took down Galeem and Dharkon and they're now in The Masters of Evil. (To Irina Isobu) And it's so good to see you again, Irina Isobu.

Irina Isobu: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Irina Isobu and he hugged them, and Irina Isobu is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Irina Isobu: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Irina Isobu, Avatar of Isobu the Three-Tailed Turtle, she's my Guardian Angel from Michigan, and she's the Avatar of Isobu the Three-Tailed Turtle and she's a powerful master of water, and she also knows how to use those three massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt me. She also really hates Pablo and

Anderson with a blazing passion, because one day, we were having a fun time at Gus' Games and Grubs, but our date got ruined when Pablo and Anderson showed up to kill us, but Irina fired jets of water which hit those two buttfaces and they crashed into a tree. Then, I tied them up with energy ropes I fired from my angel wings, and we called the cops and told them everything that those two tried to do to us, but before the cops were about to take them away, Pablo and Anderson kicked two of the cops in their crotches and ran off. But, I fired a blast of water which knocked them down and out, and the cops grabbed them and took them away, and ever since then, Irina swore that if those two morons tried to kill me again, she would send them sinking into the waters of Lake Huron.

Eli: Those goddamn buttfaces!

Nico: Messing with someone who's the Avatar of The Three-Tailed Turtle always ends in a washout, but kicking two cops in their crotches and running off like that, that's on a whole new scale of stupid.

Me: Big time.

Lincoln: And because of that dumb move, they also got charged for assault and spent five weeks in prison for that.

Qin: Well, that was even dumber.

Nico: I know, and even some of the bullies we busted did that same stunt just like those dumbasses.

Me: Same with the bullies I busted as well. I don't know why we didn't suggest this before to you seven years ago, but you could've sued Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, Anderson, and the other jerks for everything they did to you, Lincoln.

Luna: True, the Guardian Angels had all the evidence, but Lincoln decided not to sue. He's not like that at all.

Lincoln: That's right, besides, I'd gotten rid of the very monsters that dwelled inside Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal

Huggins, Scoots, Hawk, and Hank were sent to The Black Gates, Flip and the other jerks are now humiliation fodder but Flip and Icky Vicky will soon be dead by the beginning of December, and we got rid of the very monster who was the true source responsible for my suffering.

Nico: That's right. Ooh, but if we do something like this in The Simulator, can we sue them in there?

Lincoln: (Smirks) Well, I don't see why not. Sure, we'll do that.

Eli: Okay, and I hate to ask, but what would the monetary amount be if you did sue Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, Flip, Scoots, Hawk, Hank, Pablo, Anderson, and the other jerks?

Selene Arcangela: Your jaws might fall off when you hear this, but here's the total amount: the total amount for compensation that we would ask the judge for the seven years of suffering that they inflicted on Lincoln would be about 1.98 decillion dollars.

Nico, Eli, and I dropped our jaws to the floor!

CLANG!

Varie, May, and Nunnally closed our jaws.

Nico: That much for the seven years of pain and suffering they inflicted on Lincoln?! Shit!

Lincoln: And they'd also have to pay for all the damage they caused to Royal Woods, and if that did happen, they'll be knee-deep in debt and can't pay it off ever. And now that you're here, Irina.

Lincoln went up to and hugged Irina Isobu in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Irina Isobu: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklaces of Eternal Love appeared on Irina Isobu's neck with pink gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Irina Isobu: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Irina Isobu.

Irina Isobu had a smile on her faces and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the eight girls, and when Lincoln saw them, he immediately recognized them. The eight girls are Blair, Estel, Meryl, Nina, Polly, Roberta, Thia, and Zoe from CocoPPa Dolls.

Lincoln: Oh wow, it's Blair, Estel, Meryl, Nina, Polly, Roberta, Thia, and Zoe from CocoPPa Dolls.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Blair: Yes, we're okay, thanks to you.

Then, when Blair and the other seven girls saw who it was that saved them from Galeem and Dharkon, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and

Blair: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Blair: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Blair, Estel, Meryl, Nina, Polly, Roberta, Thia, and Zoe with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were shocked to find out the villains we went after were Galeem and Dharkon.

But, when Lincoln showed what we did in viciously beating them down and Lincoln firing energy beams that hit Galeem and Dharkon's cores and sent them to The Masters of Evil, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Irina Isobu have a lot of catching up to do, now that she's back in town.

Maria: Oh man, you guys fought against the two villains from the Super Smash Bros. universe, Galeem and Dharkon.

Lincoln: We did, and now, they're new members of The Masters of Evil.

Nico: And those energy blasts he fired at them had caused him to assimilate and acquire their powers as well.

Me: This is due to having the same ability as you: to assimilate the powers and abilities of the villains that were either captured or killed/destroyed.

Lincoln: That's definitely it.

* * *

After taking down Galeem and Dharkon, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Irina Isobu saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Irina Isobu: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Irina, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Irina Isobu: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in

muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Irina Isobu: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Irina, can you show us the footage of the very incident involving Pablo and Anderson?

Irina Isobu: Gladly.

Irina Isobu played the video on the screen, and we saw Lincoln and Irina Isobu at Gus' Games and Grubs and they were having fun. But, their date would wind up getting interrupted.

?: YOU FUCKING TWERP! WE WILL KILL YOU AND SPIT ON YOUR REMAINS!

Past Irina Isobu: What the Hell was that?!

Past Lincoln: Oh no, not this again, you buttfaces!

We knew who Lincoln was talking about, as they saw Pablo and Anderson kick the doors in and they were out for blood once again. Pablo and Anderson charged at Lincoln and Irina Isobu again and they had knives in their hands. But, Irina sprayed them with water and got tossed out of Gus' Games and Grub and Lincoln tied them up with red energy ropes he fired from his massive white angel wings. He then called the cops and they told them everything that those two tried to do to him and Irina, but before the cops were about to take them away, Pablo and Anderson kicked two of the cops in their crotches and ran off. But, Lincoln fired a blast of water which knocked them down and out, and the cops grabbed them and took them away as the video ended.

Nico: Damn, those morons proved they were even dumber than ever.

Lincoln: They sure were.

Me: Lincoln told us everything about what happened as soon as he and Irina came back, and we were pissed off in a huge way.

Luna: It was bad enough those morons tried to kill Lincoln again, but to also kick two cops in the groin and try to run again, it just proves those two have utter contempt and disrespect for the law.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Kitana, Simulator Jade, Simulator Emma, Simulator Fubuki Kakuyoku, Simulator Koyuki Kazahana, Simulator Shizune, Azure Fang, Breeze Dancer, Venture On, Lifeguard Heart, Winter Green, Staravis, Country Road, BrityBoo McLovin, Angel

They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, twenty-two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Kitana, Simulator Jade, Simulator Emma, Simulator Fubuki Kakuyoku, Simulator Koyuki Kazahana, Simulator Shizune, Azure Fang, Breeze Dancer, Venture On, Lifeguard Heart, Winter Green, Staravis, Country Road, BrityBoo McLovin, Angel Duskstarring, Mermaid Curlz, Rena, Bling Ring, Ariana Nightstream, Health Aid, Tenderheart Kisses, and Vega with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Kitana, Simulator Jade, Simulator Emma, Simulator Fubuki Kakuyoku, Simulator Koyuki Kazahana, Simulator Shizune, Azure Fang, Breeze Dancer, Venture On, Lifeguard Heart, Winter Green, Staravis, Country Road, BrityBoo McLovin, Angel Duskstarring, Mermaid Curlz, Rena, Bling Ring, Ariana Nightstream, Health Aid, Tenderheart Kisses, and Vega are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Kitana, Simulator Jade, Simulator Emma, Simulator Fubuki Kakuyoku, Simulator Koyuki Kazahana, Simulator Shizune, Azure Fang, Breeze Dancer, Venture On, Lifeguard Heart, Winter Green, Staravis, Country Road, BrityBoo McLovin, Angel Duskstarring, Mermaid Curlz, Rena, Bling Ring, Ariana Nightstream, Health Aid, Tenderheart Kisses, and Vega, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

* * *

Later it was time for some bonding time with Kylie and Moondancer as part of number 1 of the bonding sessions with the Ambassador mission representatives. We were at the park for this.

Me: This will be fun and cool.

FART!

Me: (SEAL BARKS!) Nico!

Nico: Wasn't me!

Stinky Butt came.

Stinky Butt: Hope you guys don't mind me visiting.

Me: Not at all Stinky Butt.

Crag: This will be fun.

Moondancer: It sure will be.

Kylie: I'm really excited for this.

Moondancer: Kylie, I'll never regret meeting you.

Kylie: Me neither Moondancer. That was so fun.

Qin: Boy it sure was.

Me: We sent lots of ghosts back to the Ghost Zone.

Camie: That was so fun and awesome.

Me: And that was also the first missions where Dark Eddy made his ugly appearance.

Luan: Thanks to Abigail Sanchez bashing him on the head with those bowling balls and a bowling pin.

Xenia: Yeah.

Sena Skull: Ouch. That would hurt.

Apple Bloom: It was still a really fun set of adventures though for you.

Moondancer: I know.

Apple Bloom: Are you considered to be Egon's successor?

Kylie: I guess you could say that.

Me: Ghostbusters has been popular ever since 1986 and ever since then its been legendary.

Sweetie Belle: That is still so cool!

Scootaloo: You bet it is!

Rainbow Dash: It's always awesome and fun too.

Rarity: Indeed it is darlings.

Sinnertwin: What's your favorite ghost that you captured?

Kylie: That's a tough one but I liked the Firefly ghost.

Me: That one looked like an inferno bug.

Xenia: Yeah.

Siren: That was scary.

Kylie: I liked meeting Siren too.

Nico: That was cool.

Moondancer: Yeah it sure was.

Eduardo: Despite Roland falling for her before.

Roland: I know.

Me: All the ghosts were cool. Especially those Lightning Leech Ghosts in that subway.

Lola: Yeah.

Xenia: I know. But the funniest victory was when we caught Walter Peck.

Garret: Egon actually told us about him and said he's one of those people that don't like us.

Me: I can tell. But let me tell you he is one delusional guy. He thinks all of this is fake when it's really not.

Laney: That guy is a wacko!

Me: Or as I call him, A Pencil-Dickless Motherfucker!

We laughed!

Venkman: (LAUGHS) That is so funny!

Kylie: Yeah it is! Did you guys really meet Venkman and crew on a mission before us?

Me: Yep. In an abandoned haunted house in Peach Creek.

Eddy: Boy I remember that house. It was scary.

Me: That house gave me the creeps.

Nico: That's when we first fought Morgan Le Fay.

Me: That was awesome.

Venkman: That sure was awesome.

Lola: Yeah it was.

Kylie: I heard all about that. That was awesome!

Brittney: Yep it sure was.

?: Boy that must've been a fun one.

We saw a girl with blue hair and blue eyes and she had blue clothes and had blue angel wings and had a tiara with the symbol of the Lightspeed Rescue Rangers on it and the same symbol on her skirt and she had a thermo blaster on her hip as well as a battle booster on her right arm.

Leia Lightspeed: Leia Lightspeed, Embodiment of the Lightspeed Rescue Power Rangers at your service.

Me: Cool! Awesome to meet you Leia.

Carter: We're honored you could come.

Leia Lightspeed: I'm honored too and I heard so much about how Vypra formed the Masters of Evil under her leadership. That is awesome.

Luan: It sure is and it's awesome having her as my archenemy.

Leia Lightspeed: It sure is.

Streetwise: Tell us more about yourself.

Leia Lightspeed: Well I'm a rescue worker. I'm a Firefighter, Marine Rescue, Air Rescue, Mountain Climber, HAZMAT Rescuer, Medical Rescuer and Space Rescuer and all that and I pretty much do it all.

Dana Mitchell: Boy you have all the fields we have inside you.

Me: Wow! You are REALLY Fully prepared for it all.

Leia Lightspeed: I sure am. And I will never forgive Queen Bansheera for what she did.

Me: Well you don't have to worry about her ever again. In the Dream World, I banished her to the Black Gates.

Nico: It's true. She's gone for good. Vypra is now forever free of her.

Leia Lightspeed: Thank goodness.

Me: Yep.

Nico: Would you like to join the team?

Leia Lightspeed: I would be honored.

Me: Awesome.

Nico found an envelope stuck to the side of the estate

Nico: (reads the envelope) "I know where you are. Say hi because you're in the scope of my sniper rifle…"

And sure enough he was caught in the crosshairs of a sniper rifle scope! Nico immediately roll and hide further in the estate before reading the card further.

Nico: (continues reading): "… and no I will not shot you dead, yet. I think it's time we ended this today. We would have done this sooner but I wanted to get us both a present first. Before we fight over what I did to that thug Lincoln wanted to kill, I think we both deserve this treat. If you're worthy of being Nico Chan you should have figured out where I am by now. Come to me and take the ear phone with you, if you don't then there will be a lot of dead people today. PS…'

Suddenly three shots are fired through the side of the estate. None of the shots are near Nico meaning those were just a warning. Nico go back to read the letter.

Nico: (continues reading): "… PS I know you so well I know how long it took you to read the letter that I shot the estate just when I know you got to the end. Imagine what I can do when we meet again. -The True Nico Chan". Charming

Nico went back to us.

Me: What the fuck was all that gunfire about!?

Nico: Read this.

I read the letter.

Me: (GASP) Oh shit on my ass and fuck me sideways! Looks like someone is trying to ruin your good name!

Eli: Not good! And I sense that it's an imposter Nico!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than the invisible monsters from Let's Get Invisible and they've made a mirror Nico and Mr. Pigeon. When we saw it, we knew it meant trouble.

Lincoln: Oh God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency and you're gonna think this is crazy. I just had a vision and I saw who it was that we're going to confront today, the person is none other than the invisible monsters from Let's Get Invisible and they've made a mirror Nico and Mr. Pigeon.

We gasped.

Me: Oh shit! This isn't good. So that's who was firing that gunfire! Wait a second, there's only one way to find out if you're the real Nico.

I took out a platter, and I uncovered it revealing an awesome array of spicy chicken wings, and when it hit Nico's nose, he went nuts.

Nico: (DROOLS) Chicken Wings!

Nico grabbed the platter and devoured the wings all of them. Then, he let out a belch and belched out all the bones.

Laney: Yep, that's our Nico alright, only he loves the smell of chicken wings all too well.

Nico: You bet your sweet bippy I do.

We laughed.

Me: But, how can we tell which is the real Nico and Mr. Pigeon from the mirror ones?

Lincoln: There is a way.

Lincoln chanted an incantation and Nico's rainbow aura also had a blue outline surrounding it.

Nico: Cool.

Lincoln: And Mr. Pigeon's will have a grey aura with purple outline on it. Which means the mirror Nico and Mr. Pigeon will have red auras with black outlines, and we'll kill them.

Me: Nice.

Yamato Man: Nico, who gets to shine today?

Nico: Sheila, Inspector Fox, Sly Cooper, Bentley, Pohatu, and Nerissa. This is because we're dealing someone with a gun.

Me: Sweet!

Sheila: I'm ready for this! (Gun clicks)

Inspector Fox: (Spanish Accent) I'm ready too.

Me: And I have a feeling I know what's first.

I went to Nico's books.

Me: Sorry Nico.

I pulled out Lets Get Invisible.

Me: This one.

Missy Rodgers: I remember that one! That was a freaky one!

Erica Haddock: That mirror in that one was scary and awful!

Eddy: I remember dealing with that one!

Me: Believe it or not that was a crazy one and during that one we fought mirror versions of all 9 Jinchuriki and they put up one helluva fight.

Nico: I remember that! That was crazy!

Varie: Yeah it sure was!

Laney: We also fought Mirror versions of Max Thompson, Zach, Noah, April and Erin.

Nico: Yeah.

Max Thompson: So that mirror made a mirror Nico! This is not good!

Sheila: Oh man!

Poromon: Wait. How do we know there's no mirror version here either?!

Me: I think we already confirmed that through Nico's love of chicken wings.

Poromon: You're right.

Me: The Mirror Nico probably HATES CHICKEN wings.

Then…

BONK!

I got hit with a rock.

Me: OUCH! Okay whose the wiseass!?

I saw the rock and it had a note on it.

Me: (Reading) P.S.S. I HATE CHICKEN WINGS!

Nico: Okay now it's fucking personal!

The previous group came.

Vortex: We heard gunfire! Are you all okay?

Me: We're fine but we have a renegade Mirror Nico running loose and it was because from this.

I showed them the note and they read it and were shocked!

BlackWarGreymon: Not good!

Gator Ghoul: Can me, Billy Numerous, Mr. Fizz, Captain Boomerang, Tri-Klops, Vortex, Tala, Killer Croc, Black Manta and BlackWarGreymon go with you guys?

Nico: Yes you all can.

Qin: This is gonna be good.

Me: No one fires at Nico and lives.

Xenia: Yeah!

May: That mirror fake will pay!

Proto Man: Nico, which Gene Slammer of the Robot Masters do you think you'll meet next?

Nico: Bright Man next.

Me: Ooh Illuminating.

Lola: With that one's flash stopper stopping the baddy will be a piece of cake.

Xenia: Yep.

Sheila: I already put much of the city on alert for this mirror Nico.

Me: Good. Wow that was fast.

Qin: Uhh guys look!

We saw on TV that the Mirror Nico was attacking the mall!

Nico: That fiend!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Demon King Demise, the overarching antagonist of The Legend of Zelda: Skyward Sword, and he wants revenge on Link. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something we are so not going to like in the least bit: the figure we saw and the dark energy we sensed belongs to Demon King Demise, the overarching antagonist of The Legend of Zelda: Skyward Sword, and he wants revenge on Link.

We gasped.

Nicole: That's not good at all.

Michaela Storious: Leave him to me and Lincoln, we'll end the demon king once and for all. His story will end by our hand.

Nico: That's something your vile brother would say. Alright, gang, let's go, the 24 Days of destroying the Goosebumps Monster have begun.

Lincoln: And we'll start by destroying the monsters from Let's Get Invisible, and once we got done with those monsters, you're next, Demon King Demise.

Michaela Storious: Your story ends here, Demon King Demise, no longer will you be free to terrorize Hyrule again, this time, your life shall end here and now.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to kill Mirror Nico and Mirror Mr. Pigeon, and once we got done with those invisible monsters, Michaela Storious and Lincoln are going to kill Demon King Demise.

We were off to the mall.

* * *

We were flying.

Nico: Not that it wasn't official before but this version of me is a psychopath.

Captain Boomerang: (Australian Accent) No kidding. Want us to follow your lead, mate?

Nico: Yes. After all, he IS me.

Me: I'll follow too. After all since Nico had some of his fun with killing

Evil Nico last December, I'll help with this one.

Nico: Okay.

Xenia: Yeah!

We got to the mall.

Nico: Entrance time!

Me: Lets go!

We went at the mall!

Mirror Nico was really tearing the place apart! But this version of him was bulky and he was in his Super Saiyan 2 form and he had a shocking feature! He had a Black Majin M in the middle of his forehead and had dark lines under his eyes! He was MAJIN NICO! Then the spirits of the Z-Fighters flew in and swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off at the entrance and then a phoenix cry was heard and then we came in and we saw him!

Me: Okay you impost… (GASP)!

We saw that he was a Majin Nico too!

Me: Oh sweet mother of shit piles! He really IS Majin Nico!

May: WHOA MAN! Nico looks scary with a Majin M in the middle of his forehead!

Xenia: And the way he is like this he will kill ANYONE that moves!

Vegeta: This reminds me of me when I turned into something like this!

Nico: No kidding Vegeta! That was awful!

Vegeta: Yes it was Bokrua.

Me: Master Goku can you tell who is stronger? Our Nico or this Majin version of him?

Goku: Our version of Nico is definitely stronger than him! But this version has a really massive power.

Me: I would estimate that he is now at 490,000,000,000. Which is really impressive for a Super Saiyan 2 Power! Nowhere near as strong as us though.

He ran to the top floor and Nico heard him through the ear phone.

Mirror Nico: (through the ear phone) Testing, Testing, can you hear me, Nico Chan?

Nico: (growls) Yes, asshole. I can hear you.

Mirror Nico: (through the ear phone) Good. I left a bag for you to the left of the building with Senzu Beans. After you eat them, come in. It's only sporting that I let you have your full energy.

Eating the Senzu Beans, Nico entered the mall.

BANG!

Nico flinch before realizing Mirror Me played a recording of a gunshot over the earphone.

Mirror Nico: (laughs through the ear phone) Made you flinch. I just couldn't resist.

Me: (Sarcastically) Oh that was really fucking funny!

Hunch: You have a twisted sense of humor, you know that?

Mirror Nico: (through the ear phone) Look who's talking.

Me: Come and fight us like a man instead of a coward! You are a Saiyan like Nico right so start fucking act like one and show us your pride!

Mirror Nico: Oh you want a fight?

Me: I don't just want to fight you, I want to kill you!

Mirror Nico: (through the ear phone) Don't worry. I won't kill you yet. You will know when it's coming, I promise you that. Come closer into the mall and you'll see a guy wearing a hooding standing by the fountain. Go and talk to him.

Me: Geez what are we in for a game of Cat and Mouse? How pathetic.

Nico walked up and find the hoodie guy beside the fountain. Walking up to him, Nico tapped him on the shoulder. The hoodie guy turns around and it's Xavier-Yves Roth aka XY. XY looks grim and then turns to shock recognizing Nico.

XY: Nico Chan?

Nico: That's me.

Whimpering in fear, XY pulls his handcuffed hands up

XY: Please! If you are, save me. I don't want to die! Please!

Me: Whoa whoa whoa whoa. Calm down. That Nico that cuffed you was a mirror double.

Lincoln: Do we have to save him? After how he and his dad stole the ideas of Marinette's band?

Marinette: He and his dad might be jerks. But even he doesn't deserve to die. Not like this!

Me: I agree.

Tri Klops: Marinette has a point.

Mirror Nico: (through the ear phone) Happy Anniversary, Nico. A present for us both.

And a red dot appears on XY's head.

Me: Laser target!

I then caught the bullet as he fired and I blocked the bullets with a force field.

Me: Only a coward like you fights dirty!

Mirror Nico: Why you!

Me: You harm innocent people like this and that makes you a monster! But I'm not going to let you get away with this! You may be a Saiyan but you are a disgrace to them! There's one thing that you know nothing about and that is TRUE PRIDE!

I FLARED UP MY POWER TO THE UTMOST AND INCREDIBLE EXTREME IN A MASSIVE AND INCREDIBLE EXPLOSION OF POWER AND LIGHTNING STRUCK ALL OVER THE PLACE WITH INCREDIBLE FURY AND POWER AND I WAS IN MY SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX FORM!

Nico: WHOA!

Mirror Nico: WHAT THE FUCK IS THIS GUY!?

Me: (Divine Echoing Godly Voice of Elemental Friendship) Someone that you just pissed off big time!

Mirror Nico: Shame, that was our anniversary present. But I figured you'd save him. You never understood what a hero has to do. This scum and his dad ripped of Marinette's band. And who knows how many people they've hurt. I'm trying to do something better and I hoped that maybe you would join me. Be one and the same.

Me: You really are all talk and no action!

XY: (sobs in fear) Oh God. Thank God. I knew he wasn't you. You were never like that. He jumped me two days ago and tortured me. I haven't eaten in three days. It's just…

Nico: Listen can you get out of here on your own? Can you walk with those on?

XY: No, no I can't. He'll shoot me, I wouldn't be able to move fast enough.

Kumiko: Good point.

Nico: We'll keep his attention.

Mirror Nico: (through the ear phone) You know I can hear you right? but that's fine. Tell you what, I have eight shots left for this sniper rifle. Want to test those reflexes of yours and see if you can make me run out?

Nico: Bring it.

Me: How about this then!

I fired a wave of energy and melted his gun!

Mirror Nico: Aw man! That was my favorite gun!

Me: You should use your focus on getting energy for Majin Buu. What's the matter, didn't Babidi turn you into a Majin for that very reason?

Nico: Don't give him any ideas.

Qin: Besides this guy is just a worthless loser!

Nico: You know I expected more from a clone! (laughs)

Mirror Nico: What did you call me!

Nico: Oh come on! You should be comfortable in your own skin… or mine I guess. Thinking that now just sounds creepy.

Mirror Nico: Shut up! Shut up! (fires Ki Blast past Nico)

I deflected the blast away and it hit Mirror Nico!

Me: Nice try you freak! I know you were trying to hit XY. But not this time!

An army of Pordermen and Krybots appeared.

Tala: Pordermen and Krybots?! These are obviously to slow us down!

Nico: (growls) J.D., let me handle Mirror Me. This is personal now.

Me: No! I said I would fight him with you!

Nico: J.D., I need you to lead the team in case I get dragged off somewhere! I'm trusting you with this.

May: J.D., Nico knows what he's doing. Besides, we can always track him.

Me: (Sighs) Okay. I understand.

XY: Thanks for saving me though.

Me: No problem.

Mirror Nico: We've had our present, now it's time to end this.

He pulled out another gun but then easily (and purposefully) loses it after Nico flew up to him and punch him. Nico took the pistol in hand and point it at Mirror Nico.

Nico: You're a cold blooded murderer, you know that! You're no better than… than…

Mirror Nico: (places his head at the end of the pistol) No better than the bastard who destroyed our home planet, right?

Nico stuttered but hold the pistol firm.

Mirror Nico: Since the boss brought me to life, things have never been clearer. As you know, I'm a mirror clone of you. I was quite insane and could barely understand who I was or what was going on.

Nico: Get to the fucking point…

Mirror Nico: The point is the tablet cleared my mind and gave me your memories. I saw the pain experienced by you and the sacrifices made. That needed to change. We needed to change.

Nico: That doesn't explain anything.

Mirror Nico: With Great Power comes Great Responsibility.

Nico: Don't you dare fucking say that. Not after what you've done.

Mirror Nico: Too many people we have cared about have died and let's face it, it will continue to happen. Just look at what I did to that thug. Your way doesn't work. Having a hero life and a civilian life at the same time doesn't work. No one is safe unless we take control and let the boss do what he needs to do. To bring power and organization to the city and then world.

Nico: Who is this boss…

Mirror Nico: You know I won't tell you that… now you can either shoot me dead right here or…

Nico: Or what!

Mirror Nico: (stabs Nico with needle) Or I can just knock you out with this paralytic serum. I knew you didn't have the guts to shoot. You can never be a Superior Nico Chan like I am.

Nico falls to his knees and slowly but surely, his eyes close and falls unconscious. Mirror Nico picks him up and walks somewhere.

June: Let's follow him and see who this boss is. (to XY) You go straight home to Paris.

XY: Right.

But Nico woke up!

Nico: Nice try!

POW!

Nico punched him in the face and knocked him down!

Mirror Nico: WHAT!? But how!? I had you!

Nico: Poisons don't work on me!

Mirror Nico: Then..

POW!

Nico punched his mirror self in the face!

Nico: Now you're going to lead me to this boss of yours!

Mirror Nico: Okay fine! Have it your way.

But then, Mirror Nico knocked him out with a punch. He then was talking to a familiar voice over his phone.

Slappy: Why did you know him out? That wasn't a part of our arrangement.

Mirror Nico: Thought it'd be fun to see how you'd torture me if you had the chance. Plus I just don't like his face.

Slappy: Wouldn't you two share the same face?

Mirror Nico: You know what I mean? It must really irritate you that you're talking to me.

Slappy: (growls) Considering you're the clone of the person that killed me last time, yeah, talking to you makes my blood boil a little!

Mirror Nico: And here I thought we were BFFs. I thought you knew me well enough. You still have that loser around?

Slappy: Duh! Why would I give up valuable resources such as that punching bag, besides for you anyways?

Mirror Nico: Why we just might be BFFs after all!

BlackWarGreymon: Just as I thought! Slappy is commanding this gang of Goosebumps monsters!

Pohatu: That motherfucking puppet! I will chop him into firewood and banish him to the black gates!

Sheila: Marinette, me, Inspector Fox, Sly Cooper, Bentley, Pohatu, and Nerissa will go with you and some of the others to where they're headed!

What they didn't know was that Nico was playing possum and he heard it all.

Nico's eyes slowly open in an empty room with Mr. Pigeon standing chained down across from him trying to break free. The gigantic scorpion-like monster roars and tries lunging forward but is stopped by his chains. Drool slides down his mouth making Amazing feel both disgusted and worried at the same time.

A PA system sparks up with Mirror Nico announcing.

Mirror Nico: Welcome, Nico Chan to the final battle. We've already seen one Xavier from Paris go down today, so let's see how another one fares today. Nico Chan of today versus Mr. Pigeon.

Nico looks across to Mr. Pigeon standing across from him.

Nico: Mr. Pigeon. How can I forget.

Mirror Nico (over PA System): FYI, This is the real Xavier Ramier from Paris. My boss Slappy managed to capture him and turn him into Mr. Pigeon by giving him that Akuma he stole. We weren't sure what to do with him, though I originally voted to burn him in a furnace, but I'm glad we kept him alive because I will personally enjoy this match the most. AND FIGHT!

Both Nico and Mr. Pigeon are freed at the same time.

Nico: You know I haven't forgotten our first battle Pigeon.

Mr. Pigeon: Me neither Chan. Now I will turn you into bird food!

With Marinette, Sheila, and their group…

Edward: I think I hear something!

Marinette: Look!

We saw Nico fighting Mr. Pigeon!

Me: That's Mr. Pigeon!

Xenia: That asshole!

Black Manta: It looks like it's the real one.

Inspector Fox: Which means we'll need to get his Akuma out!

Me: Luckily Gabriel taught me an anti-Akuma Exorcism Incantation that he discovered.

Xenia: Good thinking.

Marinette: This will be good.

Me: Here goes. (Chanting the incantation)

Mr. Pigeon screamed in pain and he was clutching his head in pain!

A pigeon pooped on Marie's head.

Marie Kanker Loud: Oh, sick!

Fluttershy: Bad pigeon. You don't do that.

I continued chanting and then the Akuma Butterfly came out and he was back to normal.

Then we smashed through the window and landed and Marinette caught the butterfly and purified it.

Mirror Nico: WHAT!? How did you find me!?

Me: We followed the trail of bread crumbs!

I teleported and punched Mirror Nico in the face and sent him crashing into the floor of the arena!

Me: You make me sick you clone!

I teleported and kicked him and he got up.

Mirror Nico: YOU ARE A VERY FILTHY PEST! EVERY SECOND YOU BREATHE IS A VERY STAIN ON MY HONOR!

Me: And every second you breathe it makes every ounce of my fucking blood boil!

Mirror Nico: THAT'S BECAUSE I CAN'T STAND YOU!

Me: AND I HATE EVERY SINGLE PIECE OF YOUR FUCKING GUTS!

I punched Mirror Nico in his face and kicked him in his nose and broke it!

I punched him in his face all over with intense savagery and brutality and REALLY SMASHED HIS BODY INTO PULP!

Mirror Nico threw a smoke bomb and when it cleared, he was gone.

Mirror Nico: (over the PA System) Also, you've gotta be kidding me. Pigeon Boy didn't last like 5 minutes!

Killer Croc: Sorry to disappoint you. Now, stop hiding and face us!

Mirror Nico: Oh, I'm not hiding. I'm just finding a perfect place for our showdown. Why don't you use those powers to find me and meet me there?

Sly Cooper: Oh, we will!

Me: We don't have to! Look.

We saw a trail of his blood.

Me: His blood.

We followed it.

Nico: You really wounded him.

Me: Yep. I discovered that he doesn't have your powers Nico.

Nico: Nice.

Vortex: Marinette, time for a Lucky Charm!

Marinette: Right! Lucky Charm!

Her Lucky Charm gave her a scanner.

Marinette: A scanner?

Bentley: I think that can track his Heat signature.

She tried it and sure enough it found it.

Marinette: Gotcha.

Android 21: Smart to use an Anti Akuma Incantation.

Gabriel: I made it after the Robustus incident.

Me: Thanks and it was genius.

Xenia: It sure was.

Nico: Really came in handy for it.

Mr. Fizz: Where is this blood trail leading to?

Pohatu: That's what we're finding out.

We're following it and it lead to an arena show floor.

Me: Wow like something out of Madison Square Garden.

Xenia: Nice.

Then the lights turned on and we saw Mirror Nico in the middle of the floor dripping blood.

Me: Now we got you right where we want you.

Ludwig Koopa: We already did our entrance, right?

Nico: Yes we did.

Ludwig Koopa: Just checking.

Mirror Nico: Why can't you guys just take a hint!?

Me: Because we want you dead! Especially for trying to ruin our fearless leader's good name!

Xenia: YEAH!

Me: And for allying yourself with that devilish puppet Slappy of all people!

Mirror Nico: And I am so sick of Xaviers from Paris failing me today. XY was easy to capture. And Pigeon Boy was easy to defeat.

Billy Numerous: Good help is hard to find these days, huh? Luckily, I brought mine!

He formed over 1,500 clones!

Qin: Time for you to pay!

I teleported and kicked Mirror Nico in the stomach with devastating force and then dealt a deadly uppercut to him and he belched out a massive amount of blood!

Mirror Nico: (laughs) At least my deal with Slappy will be ending shortly.

Nico: This was your deal? To kill me? Lets be honest, you've had plenty of chances to end me today.

Mirror Nico: (sighs) You just don't get it yet, do you? Slappy will keep your loved ones safe. No more me being late. No more disappointing. No more me hurting my loved ones. I will not only be a Superior hero, but you can be a Superior civilianas well. You see, the best civilian Nico that can exist is one with no Hero Nico around. Same thing for Hero Nico being better without a civilian Nico.

Mirror Nico tosses out an electric grenade that takes Nico down another peg, making him fall to his knees.

Mirror Nico: You see, Nico, the deal I made with Slappy was the best for both of your identities. You get to be the best civilian you while I remain a hero. With Slappy's protection, you will never have to worry about people important to us dying, like the people from our home planet. We have let all of them down but this way we will never do that again. You worry about your civilian life and I worry about being a hero

Nico: You killed that thug. How does that prove you're the better me?

Mirror Nico: He was working for a dirtbag like Flip. Don't pretend he didn't have it coming. They got in my way and I need every criminal out there to know what I'll do to them when they get in my way. Between him and XY, I'm sure everyone will understand to back down when they see me.

Nico: Don't count on it!

Nico got up!

Nico: DRAGON THUNDERCLAP!

The 5 Star Dragonball on his bracelet glowed and he fired a wave of lightning and electrocuted Mirror Nico.

Me: And another thing?

I punched him in his face and knocked down Mirror Nico!

Me: There is only room on this planet for ONE Nico Chan and that is THIS NICO HERE!

Nico: That is right! You are nothing but a disgusting imposter!

Mirror Nico: You still don't get it. This is for the both of us, yet you still fight me! I did this for both of us! This and XY are our anniversary present for each other. Slappy has made me stronger than you. Gave me Saiyan powers like you. Made me better than you! Yeah, XY is still breathing. But I'm sure he's traumatized by now! (Nico start laughing) What's so funny?

Nico: What kind of me makes a deal with scumbags, especially Slappy? You claim to be a superior me but you're fine with letting Slappy do what he wants. And you tried killing a kid like XY. Yeah, he did some bad things but he hasn't crossed the moral event horizon like Lila Rossi did. Face it. You're not a Superior Me. You're just another scumbag. Like Frieza, Burns, and Crocker!

Mirror Nico: (with tears in his eyes): How dare you compare me to the asshole who killed our home planet and the men who tormented us during the 20 Days of Darkness. HOW FUCKING DARE YOU! (charges at Nico) Fuck the deal! I'll kill you myself!

Ben: Not gonna happen!

Ben turned into Goop!

Ben: (Gurgling Voice) GOOP!

He threw goop globs and they hit him and burned Mirror Nico!

Me: And another thing! You are just as fucking tyrannical as Evil Nico was from universe 666! And you are just as satanic as Icky Vicky, Flip and Amy! And you are just as big a big fat liar as that bitch Lila Rossi!

I punched him square in the face and kicked and pulverized the living shit out of Mirror Nico!

Goop: With those burns, it's easy to tell them apart now!

Nico: That is true!

I teleported and kicked Mirror Nico in the crotch!

I punched him in the face and knocked him down!

Then Puff, Beautiful Gorgeous, Marvel Scorpion, Titania, Doctor Octopus, Count Vertigo, Sportsmaster, Pied Piper, Juggernaut and Felix Faust appeared.

Nico: Puff, Beautiful Gorgeous, Marvel Scorpion, Titania, Doctor Octopus, Count Vertigo, Sportsmaster, Pied Piper, Juggernaut and

Felix Faust.

Scorpion: I feel like a version of me was a clone of Webhead like this one is a clone of Nico.

Puff: Really now?

Titania: We'll look into that later.

Me: Yeah

Doctor Octopus: (To Nico) We heard you fought Bubble Bass.

Nico: Yep.

Beautiful Gorgeous: I should know since I was there.

Me: That's true. One last thing.

I pulled out a red hot Branding Iron and it was in the shape of the words 100% GRADE A PHONY NICO!

I threw it and it hit Mirror Nico and burned him on his back and it showed 100% GRADE A PHONY NICO on his back!

Nico: Nice one!

?: That was awesome!

A figure came out and it was Pikarime of the Shakōkidogū from episode 28 of Goseiger!

---

A childish old friend of Makuin's, whom she affectionately dubs "Maki-sama", she shows up to help him out after Kinggon runs off from his failures and anger with the previous incident, preventing Buredoran from becoming his right-hand man. Using her hypnotic powers, Pikarime brainwashes a major section of the city into an emotionless, motionless trance, including Nozomu Amachi as he comes home from school. As Alata tries to motivate Professor Amachi in regards to his son, the other Goseiger try and fail to face her, particularly with Makuin himself supporting her out. Eventually she uses her power to force everyone to jump off a cliff with Nozomu leading them as the Goseiger try to defeat her and Makuin to prevent it. However it is Professor Amachi who breaks Pikarime's spell, awakening Nozomu and everyone by showing his love for his son and allowing for the Goseiger to stand up to her. Becoming Super Goseiger, they destroy her with the Super Gosei Dynamic, which also nearly takes Makuin until Buredoran saves him in his own schemes to become his right-hand.

After Buredoran grows Pikarime with his Bibi Bugs, the Goseiger and Gosei Knight make quick work of the Yuumajuu, using the Ground Great Strike empowered by the Taka Headder to finish her off.

* * *

Eli: Pikarime of the Shakōkidogū! I remember you! You brainwashed a major sector of the city and left everyone in a trance! And you almost got everyone to jump off a cliff!

Pikarime of the Shakōkidogū: That's right! Good memory Eli.

William: Has anyone told you you look like Claydol?

Pikarime of the Shakōkidogū: Do I really?

Me: Not just that but you look like the Dogu statue from Jomon Era Japan back over 16,000 years ago.

Pikarime of the Shakokidoku: Interesting.

We got the battles underway.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of darkness blasts, and it absorbed the blasts of darkness and they flowed into us and made us even

stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Demon King Demise, or we will force you out.

A massive demonic figure came out, and it was none other than Demon King Demise.

Lincoln: Demon King Demise, I should've known you'd show up here. Other than Ganon, you also had plotted to conquer Hyrule, but just like Ganon and his minions, you will meet the very same end as them.

Demon King Demise: YOU DARE TO SPEAK TO ME LIKE THAT?! I DON'T CARE IF YOU ARE A GOD AMONG MEN, ALL WHO DEFY ME WILL DIE!

Michaela Storious: Oh, go blow it out your windpipe, you big blowhard!

Suddenly, Michaela Storious' green eyes turned neon green and she was surrounded by a black and green energy aura with stars, darkness, planets, books, phoenixes, and angels, she unholstered her massive Grimoire-themed greatsword from her back, and as she approached Demon King Demise, she left black and green energy, stars, darkness, planets, books, phoenixes, and angels with every step.

Michaela Storious: Everything Lincoln said about you is true. Just like Ganondorf, you also sought to conquer Hyrule by stealing the Triforce and make the world your own. In every way, you're just like my ex-brother, Storious, who sought to recreate The Almighty Book in his insane ambition to destroy the world. Well, that ends here and now, Harbinger of Death, today your story ends here and now!

Suddenly, Michaela Storious was surrounded by a massive vortex of black and green energy with stars, darkness, planets, books, and swords surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a green phoenix with red eyes glaring at Demon King Demise: the red eyes of death.

Then, as the vortex faded, Michaela Storious emerged, but she was changed forever.

Michaela Storious grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large planets orbiting around her legs, she has the body of a goddess, she has purple highlights in the bangs of her long midnight black hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon green eyes and a black and green energy aura with stars, darkness, planets, swords, books, phoenix fire, phoenixes, and angels surrounding her, she has on her tiara with Kamen Rider Storious logo on her head and a phoenix emblazoned on her forehead and Third Eye with green iris, she has on phoenix earrings with green gems for eyes and holding the Star, Dark, and Eternity Kanjis in its claws, she also a phoenix with green gems for eyes and holding the Star, Dark, and Eternity Kanjis in its claws for the second pendant on the bottom of her green phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Michaela Storious has on a sleeveless midnight black crop top, midnight black skirt, midnight black pants, midnight black knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, darkness, planets, swords, books, phoenixes, and angels on the coattails, and on the back is a phoenix surrounded by darkness and planets and on top is the Kamen Rider Storious logo. Suddenly, Michaela Storious felt a sharp pain on her back, and then, her massive midnight black angel wings with green tips on the large midnight black feathers grew much bigger for her new body and she also now has eleven massive and long midnight black wolf tails with green tips and green markings along with her phoenix tails, Michaela Storious has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Michaela Storious' Grimoire-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and green energy, stars, darkness, planets, swords, books, phoenixes, and angels, and when it emerged, it was transformed into Michaela Storious' Eternal Cosmic Darkness Grimoire Kamen Rider Storious Greatsword of Eternal Cosmic Darkness Grimoire Kamen Rider Storious Justice, it's a brand-new massive greatsword with embedded green gems and the logo of Kamen Rider Storious etched on the 7'6" massive, wide, double-edged midnight black blade, large midnight black phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and large green gems embedded in their foreheads, longer midnight black handle, four large midnight black phoenix heads with green gems for eyes and on the bottom of the large midnight black phoenix heads is a large midnight black phoenix head with green gems for eyes and green gem in its mouth for the pommel, Michaela Storious has on her large gold Bracers of The Champions of The Universe with green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold phoenix's head with green gems for eyes and large green gem in its mouth for the belt buckle on her waist, Grimoire Wonder Ride Book, Storious' sword, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below the phoenix that said, "Michaela Storious, Embodiment of Kamen Rider Storious, Ex-Sister and Destroyer of Storious Also Known As Kamen Rider Storious, Master of The Powers of Darkness, True Immortal and Powerful Warrior of The Universe, Wielder of The Grimoire Wonder Ride Book, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Richard Wellington, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic Spells, The Dark Powers of Storious, Stars, Phoenixes, and Angels"

We were really amazed by Michaela Storious' Super Angel-Kamen Rider Storious-Phoenix-Harmony United Friendship Universal

Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Demon King Demise saw it, he fell into a rage and fired a blast of darkness at her to kill her, but Lincoln fired a powerful light blast which destroyed Demise's darkness blast, and Michaela Storious fired a massive barrage of black and green energy, stars, darkness, planets, swords, books, phoenixes, and angels which hits Demise and he was knocked down, he got back up, but now, he was even angrier than ever.

Melanie Storious: Oh, no way, did Michaela just?!

Me: She did, Melanie, she did.

Lincoln: That's so awesome, Michaela Storious' transformed into her Super Angel-Kamen Rider Storious-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, Demise is about to face a true master of darkness.

Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to conquer the world are over, Demise, now you will pay for everything you've done.

Michaela Storious and Lincoln went after Demon King Demise who continued firing darkness at them, but Lincoln kept absorbing them and it made him even stronger than ever, and they fired extremely powerful blasts of rainbow energy, black and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Demise and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Michaela Storious also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Demise even more madder with rage.

Demise: YOU! YOU! I WILL KILL YOU ALL!

Demise charged right at them with uncontrollable rage in his heart, but then, Lincoln fired darkness blasts which hits Demise and he sucked out and absorbed his incredible dark powers, black magic, divine control over monsters, enormous physical strength, swordsmanship, shapeshifting, body manipulation, benevorous, pocket dimension creation, Electrokinesis, Telekinesis, Beast creation, Curse inducement, and Chronokinesis and made them his own, but he didn't stop there: he also sucked out and drained Demise's life force, and when Lincoln was done, Demise was left as a dried-up corpse, and once his spirit appeared, Lincoln and Michaela Storious sent him straight to The Black Gates forever. We cheered wildly for what Michaela Storious and Lincoln did as they holstered their massive greatswords and powered down and Michaela Storious' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive midnight black angel wings are permanent.

Michaela Storious: Burn in The Black Gates forever, Demise, your story has been brought to an end! Thanks for helping me get rid of that vile demon king forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Michaela.

Suddenly, Michaela Storious wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Michaela Storious' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, and Succubus flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces, the entire solar system, a massive phoenix of darkness letting out a loud cry that echoed across the entire web of galaxies and we cheered wildly. Then, Lincoln and Michaela Storious sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Me: Looks like that's another of Hyrule's greatest threats dealt with for good.

Lincoln: I certainly wasn't expecting Demon King Demise to show up, but it was expected though.

Nico: He was one of the most dangerous threats to Hyrule other than Ganondorf.

Me: Yeah, but either way, he's finally gone for good. So, Lincoln, who's the next Tailed Beast Avatar we're meeting tomorrow?

Kenzie Kurama: Ooh, I think I know who'll be perfect for tomorrow, and she's one awesome master and force of blue fire and mastery of ghosts and the supernatural: Maya Matatabi, Avatar of Matatabi The Two-Tailed Wraith Cat, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Matatabi The Two-Tailed Wraith Cat and she's a powerful master and force of blue fire and mastery of ghosts and the supernatural, and she also knows how to use those two massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Hawk and Hank to the extreme, because during a lunch date she and Lincoln had in Lynn's Table, those two buttfaces from Hazeltucky showed up and tried to kill them, but Maya fired powerful blasts of blue fire which burned them bad and she summoned an army of ghosts who wailed and screamed in anger at them, and that got them so scared and frightened, they literally crapped their pants fifty times and they ran back to Hazeltucky.

Nico: Whoa, sounds like she's one powerful master of ghosts and the supernatural.

Eli: And for her to summon an army of ghosts to terrorize those two bullies from Hazeltucky, she has to be.

Lincoln: She is, and she was also careful not to summon ghosts in front of Dad.

Lori: This was due to Dad's fear at the time, but now that he's no longer afraid of ghosts, Maya will literally be able to unleash Hell on the jerks at Lynn's Table.

Luna: You said it.

Count Vertigo: Well, thanks to Edzilla punching too hard, Mirror Nico is still out there.

Ed: Sorry, guys.

Sportsmaster: Don't worry about it. At least we made sure everyone can tell the difference.

Pied Piper: There's only one Nico we prefer.

Juggernaut: (pats me on the back) And that's this guy!

Felix Faust: No substitutes!

Me: That is for sure.

Nico: Yep. Great job today guys! Boy sorry you guys had to see this.

Me: Ah don't worry about it.

Nico: (To the viewers) Mirror Nico will return but when he does we'll be ready for him.

Me: Yep.

We went back home.

Mirror Nico landed near Coraline's house and the entrance to the Other World. Due to the acid to the face, no one can reacognize him. And no one is home at the moment. Searching the area, the clone loses his mind with each step. Slowly the clone is turning back into the mindless monster his was before. Finally the clone finds what he was looking for… the same meteor that brought the Poison Symbiote.

Mirror Nico: We're… not done… yet… Nico… Chan.

Mirror Nico then merges with the symbiote forming a new Poison!

Poison: We're toxic to you and Team Loud Phoenix Storm, Nico Chan. We are no longer symbiote or clone, we are Poison!

Poison lets out a loud roar before disappearing into the night.

Also we're going to meet a gene-slammer for Bright Man and her name is Laura Bright and she is a powerful one.

For tomorrow, brace yourselves, we've got eight days of fiery chaos coming: The Seraphina Sisters are going to face eight dangerous foes from their past: and they're also ex-family as well, it appears their evil cousins and the most notorious criminals in Royal Woods, Simon, Henry, Nathan, Edward, Edgar, Arthur, Harold, and Brian Seraphina, have returned, and they want revenge on The Seraphina Sisters and Lincoln for defeating their favorite psychopathic, jealous, destructive, hateful, fire-crazed cousin, Abigail Seraphina, and the bad news: they were also born with really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality, and like Abigail, they've used their powers to cause havoc and chaos throughout Royal Woods. They were defeated years ago and sealed into cryogenic chambers that would seal their fire powers and frozen in glaciers by Leina Mobius and sent to Antarctica where they would remain there forever. But, as part of a contingency plan after she got sent to The Black Gates, The Fallen Guardian Angel, Isabella Abaddon, sent demons there as well, and just like with Abigail Seraphina, the demons

sabotaged the cryogenic chambers and freed those assholes, and now, they've returned for revenge. We got eight days to destroy them before they destroy us and destroy the world.

Perfect Form, and he wants revenge on us for what we did, but we're going to destroy him for good. And we're going to meet the next Avatar of The Tailed Beasts, her name is Maya Matatabi, Avatar of Matatabi The Two-Tailed Wraith Cat, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Matatabi The Two-Tailed Wraith Cat and she's a powerful master and force of blue fire and mastery of ghosts and the supernatural, and she also knows how to use those two massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Hawk and Hank to the extreme, because during a lunch date she and Lincoln had in Lynn's Table, those two buttfaces from Hazeltucky showed up and tried to kill them, but Maya fired powerful blasts of blue fire which burned them bad and she summoned an army of ghosts who wailed and screamed in anger at them, and that got them so scared and frightened, they literally crapped their pants fifty times and they ran back to Hazeltucky.

And we were there for an awesome rescue.

Me: Good old Griffin Rock.

Xenia: Good to be back here.

Cody Burns: Man I missed this place.

Georgina: Me too. It's awesome.

Lola: Yeah it's awesome to be here.

Nico: It sure is. Boy this is awesome coming here.

Keiichiro: Yeah it's awesome.

Timmy Turner: It sure is.

Nico: Timmy, I want to thank you, Madame Masque, and your teams for coming.

Timmy Turner: You're welcome Nico. This is gonna be fun.

Madame Masque: It sure is.

Nico: Emma, remember when we met you?

Emma (ELGVTWD): I sure do. That was when J.D. and Jetfire saved me and my friends and family.

Camie: What happened?

Me: Me and Armada Jetfire went to an alternate Earth in another galaxy cluster and we saw that it was decimated by a Zombie Apocalypse and Emma was living on a cruise ship hideout.

Nico: That was scary.

Camie: Horrible! That must've been awful trying to survive in a world like that.

Emma (ELGVTWD): It was! But I'm glad that J.D. and Jetfire came.

Rei Miyamoto: That is horrible! Emma I totally understand how you feel.

Saeko: Yeah in a world like that it's a constant battle for survival.

Miku: Yeah it is.

Saya: Having to go through all that is a nightmare.

Kaito: What about her parents?

Me: I saved the too during one of Lincoln's rescues. I think. Including her sister.

Emma (ELGVTWD): It's true. But that was good that J.D. saved us.

Qin: It was.

Me: I don't know what caused that zombie apocalypse outbreak to begin but it was terrible.

Xenia: It was.

Me: And learning from past experiences living in a world ravaged by zombies like that is a nightmare from hell.

Nico: Yep.

Me: Nico are you feeling all right from having to you know… Battle your mirror self?

Nico: I'm fine. Really. You know I would never do what he did, right?

Me: ABSOLUTELY NO FUCKING WAY NOT! You have too much heart and honor for that. And you helped the Saiyans redeem themselves and you have an awesome family.

Nico: Yeah you're right on that.

Me: Oh and the galaxy Cluster was XMMXCS 2215-1738, located 10 billion lightyears away. I forgot to mention that.

Nico: Oh no worries. But I'd you think that.

Chloe Bourgeois: Okay. I admit that XY might be a bit of a jerk. And he and his dad Bob Roth may have ripped off Kitty Section's songs. But even he didn't deserve what that psycho planned to do to him!

Nico: That is for sure Chloe.

Me: But thank goodness we didn't let them die.

Marinette: That is true.

Me: No way am I going to let a copycat Nico kill people.

Xenia: Yeah!

Nico: But J.D. that Anti-Akuma Exorcism Incantation really was amazing. Thank goodness that Gabriel taugh it.

Me: I know. That was awesome.

Nico: Yep. But I'm glad we stopped Mirror me.

Me: But he's still out there.

Eddy: Yeah thanks to Lumpy.

Nico: Sheila, Inspector Fox, Sly, Bentley, Pohatu and Nerissa did good

Sheila: I'm glad we did.

Inspector Fox: (Spanish Accent) That was really fun. But what Mirror Nico did was muy loco!

Nico: Yeah no kidding.

Georgina: But we're not going to let him get away from us this time. And we found out that Slappy is behind all this!

Nico: Yeah and I can't wait to tear that monster puppet apart with my bare hands.

Me: Save seconds for me.

Maria: Where do you think Mirror Nico landed?

Eli: (Senses something) (GASP) Oh dear god! He landed at Coraline's old house and bonded with what's left of the Poison Symbiote!

WE GASPED IN UTTER SHOCK!

Nico: Oh no!

May: Didn't we face the first one here?

Me: Yeah we did! And that was that doll version of Nico with those ugly button eyes. No offense Nico.

Nico: None taken but yeah I remember that.

Girl Jordan: And that one had the AUDACITY to say that I was his girlfriend!

Xenia: How repulsive is that!?

Nico: I would never steal you from Lincoln!

Girl Jordan: No you have too much honor and love for that.

Me: But this mirror version of you has no love for anyone except himself.

Eli: I sense that he's in that warehouse right there.

Xenia: Lets get him.

Nico: Yeah.

Me: Lets rip him apart.

Jack Landors: SPD Emergency!

Keiichiro: Keisatsu Change!

Sento: Henshin!

They transformed and were ready.

We went at the warehouse.

Mirror Nico was waiting. But then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the warehouse wall and a phoenix cry was heard and then we came in.

Me: Hello Mirror Nico!

Nico: This time there's no escape!

Keiichiro: By order of the GSPO we're taking you down by force!

Me: And we're going to kick your big ugly fucking ass!

Nico: Put your hands where we can see them!

Mirror Nico: (smirks evilly) Okay.

He put up his hands… only for him to turn into Poison!

WE GASPED!

Me: WHAT THE FUCKING HELL!

Xenia: Horrible!

Me: I knew you were the Poison Symbiote.

Lola: You are ugly!

Poison: Like our new look?

Me: IT's DISGUSTING!

Nico: Yeah and your teeth are hideous!

Eli: Yeah! Venom is much more handsome than you!

Girl Jordan: You're as hideous as Carnage is!

Poison: Carnage is the least of your worries! (Fires web at Nico)

Nico flared up a fire aura and incinerated the web.

Nico: You make me sick Mirror Me! (FLARES UP SUPER SAIYAN AURA) You are not a Saiyan at all! You are just a heartless monster that is just as bad as Frieza! I am the light of the Saiyans and I brought them to redemption! What you did makes you a ruthless monster! You may look like me and you may have my name, but there is one thing that I have that you don't AND THAT IS MY SAIYAN PRIDE!

HE FLARED UP HIS POWER WITH EXPLOSIVE AND INCREDIBLE FORCE AND FURY AND LIGHTNING STRUCK ALL OVER THE PLACE WITH INCREDIBLE POWER AND ROARED IN INCREDIBLE AND INDISCRIMINATE FURY AND HIS POWER WAS UNBELIEVABLE! HE FIRED ENERGY BLASTS FROM HIS AURA AND BLASTED POISON ALL OVER IN MASSIVE AND INCREDIBLE FIERY EXPLOSIONS!

KRABBBBBBBBOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOMMMM !
KRABBBBBBBBOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOOOOOMMMM!

Me: WHOA WHAT POWER!

May: Unbelievable!

Lola: WHOA!

Nico was now in his SUPER SAIYAN INFINITY FORM!

Poison leapt at Nico and tried to bite off his head but Nico with his ultra fast powerful reflexes bashed him down.

He got up! Mirror Nico revealed his face!

Mirror Nico: NO! This can't be the limit of my power! I'm a… I'm BETTER THAN YOU! I AM THE STRONGEST! AN ELITE! THERE'S NO WAY I CAN BE BEATEN BY YOU! I AM THE TRUE NICO!

Me: Then come and prove it!

I WENT INTO MY SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX FORM!

Nico: Lets dance!

Me: (Divine Echoing Godly Voice) Like I said, There's only room on this planet for ONE NICO! And that is this guy right here!

Nico: That's right!

Nico teleported and bashed him in his face and sent him flying and then Nico teleported and punched Poison hard and sent him crashing into a bunch of boxes! I kicked him in the back! Mirror Nico and Nico looked at each cother and I joined in!

Poison: YOU MOCK US!?

Me: Yep and we would do it again too!

Poison: TIME TO DIE!

Me: YOU FIRST!

We flew through the roof of the warehouse into the air and I punched him and then we flew back and went at each other and

then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive shockwave of energy blasted out as thunderous booms and lightning blasts from the punches blasted out!

Nico kicked him in the face.

Nico: What's the matter? Come get me!

Poison: SILENCE! NOW YOU DIE!

He flew and kicked Nico in the face.

Nico: Don't underestimate me!

He showed that Poison's punch didn't even put a dent in him! Not even a scratch!

Nico: Is that the best you can do? I expected more from an "Elite" but you are just a low-grade amateur. It's pathetic!

Poison: WHAT DID YOU SAY!? HAVE YOU NO SAIYAN PRIDE!? I'LL PROVE IT!

Me: Just keep telling yourself that.

Mirror Nico: I AM THE STRONGEST OF ALL SAIYANS! LOSER! TAKE THIS! FINAL FLASH!

HE FIRED AN INCREDIBLY POWERFUL ENERGY BLAST!

Nico: Oh please!

Me: That is pathetic!

Me and Nico charged up a powerful green energy blast!

Me and Nico: FINAL SHINE ATTACK!

WE FIRED A MASSIVE POWERFUL GREEN ENERGY BLAST AND THE BLASTS COLLIDED AND OVERTOOK HIS FINAL

FLASH AND THE BLASTS HIT POISON HEAD ON AND EXPLODED WITH INCREDIBLE AND UNBELIEVABLE POWER!

EXTREMELY MASSIVE AND POWERFUL AND UNBELIEVABLE FIERY EXPLOSION!

The blast sent him crashing down into the ground of the warehouse.

Nico grabbed Poison's tongue.

Nico: You know this tongue of yours is quite an improvement. Albeit a bad one.

Nico kicked him and sent him crashing into the wall.

Me: Taste this! (ACTIVATES SHRIEK'S RIDEWATCH)

I fired a powerful sonic blast and it hit Poison and he screamed in pain!

Lincoln: And he reverted back into the monster that he really is.

Albedo turned into Negative Ultimate Echo Echo.

Negative Ultimate Echo Echo: (Techno Voice) Chew on high decibals!

He formed a ring of sound disks and fired a massive sound blast and he screamed more!

Qin: Take that!

Nico got out Hobgoblin's pumpkin bomb and threw it.

The bomb hit Poison and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Lincoln fired a diamond ball which hits Mirror Nico in his face and forced him back, Lincoln took down the barrier and we stood ready to face Mirror Nico, who was now out of his mind and dead set on revenge on Nico.

Mirror Nico: YOU FUCKING RUINED EVERYTHING! I COULD'VE BEEN THE HERO THAT I WAS MEANT TO BE!

Lincoln: You, a hero?! As if, you heard everything that Nico said about you, you're no hero, you're just a monster as vile and cruel as Frieza, and on top of that, your boss is none other than that evil walking pile of wood, Slappy the Living Dummy. He'll get his soon enough, but you, we're going to finish what we started yesterday, and this time, we're going to destroy you forever.

Me: That's for sure.

Mirror Nico: I'LL KILL YOU! (SCREAMS WITH RAGE AND RAN AT NICO)

But, Lincoln grabbed him by the neck with his tail and threw him back into a tree.

Lincoln: Lay one more hand on Nico, and I'll tear your tail off and skin you alive!

Sailor Jupiter: You'll get that chance soon enough, Linky.

Sailor Moon: She's right, come on, let's get him!

Suddenly, the colored eyes of Sailor Moon, Sailor Mars, Sailor Mercury, Sailor Jupiter and Sailor Venus turned neon and they're surrounded by colored energy auras with elemental forces, stars, planets, phoenixes, and angels, and as they approached Mirror Nico, they left colored energy, elemental forces, stars, planets, phoenixes, and angels with every step.

Sailor Moon: You've pissed us for the very last time, Mirror Nico, it was bad enough that you caused a ton of havoc yesterday, but to also find out, you've also been working for that dummy, Slappy!

Sailor Mars, Sailor Mercury, Sailor Jupiter, and Sailor Venus: That's even worse, and now, we'll finish what we started yesterday and put you down like the rabid dog that you are!

Suddenly, Sailor Moon, Sailor Mars, Sailor Mercury, Sailor Jupiter and Sailor Venus were surrounded by massive vortexes of colored energy with stars and elemental forces flying around the vortex, there are planets orbiting around the vortex, there are phoenixes and angels flying around the vortex, and in the vortexes are colored phoenixes with red eyes glaring at Mirror Nico: the red eyes of eternal death. Then, as the vortexes fade, Sailor Moon, Sailor Mars, Sailor Mercury, Sailor Jupiter and Sailor Venus emerged, but they were changed forever.

Sailor Moon grew from 7'4" to 7'9" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven pink orbs orbiting around her legs, she has the body of a goddess, she has pink highlights in the bangs of her long blonde hair tied in pigtails and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon purple eyes and a white and pink energy aura, light, crescent moons, moonlight, magic, stars, phoenixes, and angels surrounding her, she has a cat with The Crescent Moon emblazoned on her forehead and Third Eye with blue iris, she has on cat earrings with pink gems for eyes and holding the Moon and Eternity Kanjis in its paws, she has on her Crystal Necklace of the Buddha with pink gems in the gold crescent moon links and pink crystal links and a pink angel-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a cat with pink gems for eyes and holding the Moon and Eternity Kanjis in its paws for the pendant, she has on a short-sleeved white blouse, blue short-sleeved shirt with the crescent moon and stars on it, long dark blue skirt with stars on it, white stockings, pink knee-high high heels, and long sleeveless white trenchcoat with moons and stars on the coattails and on the back is an angel with the crescent moon above its head. Suddenly, Sailor Moon felt a sharp pain on her back, and then, her massive white angel wings with gold and pink tips grew larger for her new body. Sailor Moon has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and a Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sailor Moon's massive Sailor Moon's Eternal Love Angel Mage's Staff of Eternal Moonlight Justice and all the greatswords and swords that she'd gotten began merging together and they're surrounded by a kaleidoscope of white and pink energy, crescent moons, light, stars, moonlight, magic, phoenixes, and angels, and when it emerged, it was transformed into Sailor Moon's True Moon Princess Eternal Love Angel Mage's Staff of Eternal Moonlight Justice, it's a brand-new Mage's Staff measuring at 8'5" in length with large pink globe mounted on top of four white dove heads with pink gems for eyes and with large white curved sickle-shaped beaks, large pink gem surrounded by a gold ring and gold dragon coiled around one end of the long handle and on the other end is a pink gem and below it are four smaller white dove heads below a large gold crescent-shaped weight and large pink gem on it, she has on her large gold Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, gold Belt of Elemental Bravery with gold angel head with pink gems for eyes and large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. We were amazed by the transformations of Sailor Moon, Sailor Mars, Sailor Mercury, Sailor Jupiter and Sailor Venus, and when Lincoln saw Sailor Jupiter and Sailor Venus, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Mirror Nico saw it, he went mad with rage and fired symbiote spiked balls at them to kill them, but Lincoln fired symbiote balls at the symbiote spiked balls and they got absorbed, and that also allowed Sailor Moon, Sailor Mars, Sailor Mercury, Sailor Jupiter, and Sailor Venus to fire massive barrages of colored energy, stars, elemental forces, planets, phoenixes, and angels at Mirror Nico, and they exploded with incredible power as they hit him, he got back up, but now, he was even angrier and even more pissed off than ever.

Then, they attacked him with their massive staves and greatsword leaving scars on him and Lincoln left many more with his gold-armored claws and firing energy slashes from his gold-armored claws and he, and they fired extremely powerful blasts of rainbow energy, purple and red energy, red orange and yellow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Twin-Tailed Comets, Golems, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Elemental Phoenixes, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Margie and they exploded with incredible power as they hit her.

Then, they attacked her with their massive greatswords leaving scars on her and Lincoln left many more with his gold claws and firing energy slashes from his gold claws and he, Sailor Moon, Sailor Mars, Sailor Mercury, Sailor Jupiter, and Sailor Venus attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Mirror Nico insane and straight to the brink of insanity.

Poison: (DISTORTED VOICE) YOU! YOU! I WILL KILL YOU ALL! NONE OF YOU WEAKLINGS WILL LEAVE HERE ALIVE!

Poison charged at Lincoln, Sailor Moon, Sailor Mars, Sailor Mercury, Sailor Jupiter, and Sailor Venus as he transformed both of his arms into blades with intent to kill them driving him off the wall. But, he walked right into a trap as Lincoln fired a massive barrage of soundwave balls at Poison, and the sound coming off them was so powerful, it caused Poison to scream with agonizing pain, and then, it led to Poison getting removed from Mirror Nico, and Lincoln fired a Symbiote Tendril which grabbed The Poison Symbiote and it was screeching like crazy. Then, Omega's head formed on Lincoln's left shoulder.

Omega: Fuck this guy!

Then, Omega devoured him.

Nico: Ew.

Omega: BLECH! That Symbiote tasted like bat guano! YUCK!

Then, Lincoln ripped Mirror Nico's arm off and gave it to Omega which he devoured and belched.

Omega: Much better. Now, what do we do with that asshole?

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Leave him to me.

Ultimate Spiderman: Let me deal the finishing blow!

Me: Go for it!

He activated rage mode and bashed him all over!

Qin: YEAH!

Then Ultimate Spiderman fired an energy blast and blasted Mirror Nico and Poison in an instant!

Nico: Awesome!

Me: Now to banish them to the Black Gates. Care to do the honors Nico?

Omega sank back into Lincoln as he turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Mirror Nico's chest, and then, he absorbed him and assimilated his Saiyan Powers and nothing was left except for Mirror Nico's clothes. Then, as the stinger changed back, an energy card with Mirror Nico's drained soul appeared in Lincoln's left hand, and then, he banished Mirror Nico straight to The Black Gates. We cheered wildly as Lincoln, Sailor Moon, Sailor Mars, Sailor Mercury, Sailor Jupiter, and Sailor Venus holstered their weapons and powered down, and Sailor Moon, Sailor Mars, Sailor Mercury, Sailor Jupiter, and Sailor Venus' new bodies, clothes, weapons, jewelry, Third Eyes, gold halos, Sailor Jupiter and Sailor Venus' eleven massive and long wolf tails, and massive angel wings are permanent.

Suddenly, The Sailor Soldiers of Venus and Jupiter went up to Lincoln, and one by one, they each kissed him on the lips and he also returned them with equally intense passion as he wrapped his abnormally massive and powerful muscular arms around them. When they were done making out with Lincoln, he had colored kisses on his face, abnormally massive and powerful muscular body, and eight-pack abs, lovestruck look on his face, and steam coming out of his ears.

Lincoln: (In Heaven) Wow… , that… was… so… AWESOME!

Sailor Mars: (Snickers) Someone's definitely on Cloud Nine from that make-out session, and don't worry about Clyde, Lincoln, when we comes back and he sees me and Ami, he's also going to be in for quite the intense make-out session.

Nico: He sure will, and that was one sick move Omega pulled eating Poison, even though he tasted like bat guano.

Lincoln: But, I compensated by giving him Mirror Nico's arm.

Me: It was much better for him, and you also absorbed him and assimilated his Saiyan Powers.

Lincoln: I did the same to the Universe 666 versions of The Z-Fighters and Saiyans, and I acquired their powers and abilities.

Nico: And you also got tons of training from us after we got back, and you know, I'd eat a whole dish of your Dad's Lynnsagna if I found out if you also have access to the Super Saiyan transformations.

Lincoln knew the truth of Nico's words.

Lincoln: (Thinking to himself) You have no idea just how right you are, Nico.

Me: (Thinking to himself) You said it.

Nico: Now we've seen the last of Poison.

Me: Yes we sure have. And Mirror Nico.

Lincoln: His power is now mine.

Nico: Good.

Me: Thank goodness for that.

Nico: Now there are 23 more Goosebumps monsters to go.

Qin: Yep we sure do.

Nico: But I'm going to send a threatening message to Slappy later on.

Me: Good. That overgrown toothpick better start making peace with his maker when we're through with him.

Nico: Yeah.

Pohatu: I agree there.

We powered down.

Me: Now time for business. The Anothers.

Nico: Who do we have?

Eli: Whoa we have a LOT OF THEM! We have Another Sea Anemone, Leech, Sea Lion, Condor, Octopus, Bear, Slug and Mold demons (Kamen Rider Black), Another Jeanne, Another Grease Blizzard, Another Chronos, Another Marika, Another Saber, Another Evil, Another Chaser, Another Aqua (OOO), Another Sasword (Kamen Rider Zi-O), Jellax and Madame Masque!

WE GASPED!

Me: WHOA! Another Riders from Revice, Build, Ex-Aid, Gaim, Saber, Drive, OOO and Kabuto. This will be cool!

Eli: And More demons from Black.

Laney: Yeah!

Nico: Cool!

Eli: Awesome.

Maria called them in and in swirls of elements came said people.

Asuka Tsuitenai: Hey guys.

Yuria Fudo: Looks like the fun is starting.

Me: Yep.

Eli: I sense that the Anothers minus Madame Masque are 2 people.

Me: Interesting.

Nico: There they are!

We saw Another Sea Anemone, Leech, Sea Lion, Condor, Octopus, Bear, Slug and Mold demons (Kamen Rider Black), Another Jeanne, Another Grease Blizzard, Another Chronos, Another Marika, Another Saber, Another Evil, Another Chaser, Another Aqua (OOO), Another Sasword (Kamen Rider Zi-O) and Jellax!

Me: WHOA!

Qn: This is gonna be awesome!

Lola: Yeah!

Another Jellax: It will be fun and cool.

Another Marika: It sure will.

Lincoln: (GASP) Celestia and Luna Equestria! Wow!

They merged and they both reverted back into two people. One had pink, green and blue hair and had yellow, purple and blue clothes and she had purple eyes and white angel wings and had Celestia's Cutie Mark on her skirt and she had a Celestia Keyblade. The Other had blue hair and blue clothes and blue eyes and had blue angel wings and a moon theme keyblade and she had Princess Luna's Cutie Mark on her skirt.

Celestia Equestria: Awesome to see you again Lincoln.

Luna Equestria: Yeah and wow you have grown into an awesome young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. Meet Celestia and Luna Equestria, Keyblade Knights of Equestria, they're my Twin Guardian Angels of The Day and The Night, but they're much more than just Keyblade Knights, Celestia is The Avatar of Princess Celestia, Alicorn Princess of The Sun and The Day and Luna is The Avatar of Princess Luna, Alicorn Princess of The Moon and The Night. They're the defenders of Equestria and they really hate The Doomsday 23 with a dangerous vengeance, but they also harbor an extreme hatred for Queen Opaline Arcana, the powerhungry insane Fire Alicorn who was responsible for The Doomsday 23's emergence and for causing so much pain and suffering for over 2,000 years, and they swore to destroy all of them and make them pay for their crimes and destroy the dark magic that plagued Equestria. They saw that we beat them to the punch, destroyed The Doomsday 23, and made Queen Opaline pay for 2,000 years of pain and suffering that she caused in her mad desire for power, and for that, they are eternally grateful to all of you, and they also knew of my powerful transformation at Maretime Bay when we went after Lord Viren who came back from the dead to get revenge and when he transformed when we fought Evil Starlight last year during the Equalist War, they knew that he's also become a True Champion of The Elements of Harmony and Friendship. They came to Royal Woods long ago, and they really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and they also trained him on how to use the magic spells associated with the Keyblade, and they're also two of the Keyblade Knights formed by Carolina Keyblada, and like their fellow Keyblade Knights, they harbor a deep grudge against Xehanort for all of the pain and suffering that he had caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and they swore if he ever returns again, they would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates.

CLANG CLANG CLANG CLANG!

Mine, Eli, Nico and Twilight Sparkle's jaws dropped and Laney put them back.

Me: That is amazing!

Qin: Boy it sure is!

Me: Yeah! Twilight and friends have been a massively tremendous help to all of us. Ever since they joined us after the Great War with The Royal Defenders.

Nico: Yeah they sure have. Boy that anniversary is coming up soon huh?

Me: Yep. And their lessons on friendship and the history of Equestria and the adventures we had with them have been really amazing.

Xenia: Yeah.

Celestia Equestria: That is really amazing and we're glad that Twilight and friends have helped you all.

Me: Yep.

Nico: That's right.

Luna Equestria: That's awesome.

Me: Is the Another Madame Masque friendly or hostile?

Celestia Equestria: Friendly and she is a really powerful one and fast too.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Dark holoré in the Deep

Raise the rock

Spring abundant holoél

She glowed and was separated from the Anothers.

Nico: Lets do it!

We fired waves of energy and blasted the Anothers all over and I caught the Wonder Ride Books.

Me: Take that!

Qin: Oh yeah!

Nico: Now, we wait.

Me: We don't have to wait long!

A figure zoomed in and it was ANOTHER MADAME MASQUE!

Nico: WHOA!

Madame Masque: Wow that is one beautiful girl.

Lola: Yeah.

Another Madame Masque: I get that a lot.

Me: That voice!

Then a Sacred Kingfisher Flew in and landed on my finger.

Me: Oh wow.

Fluttershy: (Gasp) That is a beautiful kingfisher bird.

Me: Wait I think I know this kingfisher.

She reverted back and it was a girl with blue hair, cyan blue eyes, and blue clothes and had blue kingfisher angel wings and had a tiara with the symbol of the Kingfisher Dopant on it and the same symbol on her skirt and she had a water sword.

The Kingfisher flew back to her.

Me: (GASP) Kendra Kingfisher and I had a feeling that was Tiella.

Kendra Kingfisher: That's right and Tiella missed you J.D.

Tiella chirped.

Me: I can tell she missed me too. Kendra is the Embodiment of the Kingfisher Dopant and she has the power to talk to birds and she has incredibly fast speed and is a powerful assassin too.

Madame Masque: That is cool! Just like me minus the mask.

Kendra Kingfisher: I know.

Kaito: (gets out King Ohger gear) Did Swartz promise you anything?

Zocks: (gets out King Ohger gear too) Because we can grant it instead.

They got King Ohger Swords.

Kendra Kingfisher: No he didn't. I used my powers and called a swarm of pigeons to attack him and made my getaway from him.

Sakura Knudson: That explains why I found him covered in feathers that day.

Kendra Kingfisher: That's true.

Sougo: (gets out King Ohger Ridewatch) Did you see our battle against Poison?

Geiz: (gets out King Ohger Ridewatch too) It's fine if you didn't.

Sougo and Geiz both got KuwagataOhgerArmor.

Kendra Kingfisher: I sure did and it was epic!

Tiella chirped.

Nico: How did you and Tiella meet?

Kendra Kingfisher: We met when I was a little girl over in bird street in Hong Kong.

Xenia: That's cool.

Lola: Yep.

Lincoln: Lets separate you first.

Lincoln fired a wave of energy and separated her.

Kendra Kingfisher: This will be fun! (SEAGULL CALL)

She had seagulls swoop in and they smashed her all over and then fired waves of energy and blasted Another Madame Masque!

Nico: Taste this fury! (ACTIVATES MADAME MASQUE AND JELLAX'S RIDEWATCHES)

He fired slime and energy and blasted Another Madame Masque down.

May: What this Another is doing is against the rules! (ACTIVATES LIZARDMEN AND WRECKER'S RIDEWATCHES)

She fired energy blasts and blasted the Another.

Maria: How about some lightning! (ACTIVATES EEL AND JULIO'S RIDEWATCHES)

She fired lightning blasts and electrocuted the Another.

Emma: Feel the power of slime! (ACTIVATES JELLAX'S RIDEWATCH)

She fired waves of slime and blasted the Another.

Then Devack, Professor Monkey-For-A-Head, Rezbit, The Fatheads, Universe 666 Nega-Chin and Red Claw, Screech and Thud appeared.

Nico: Nice team Devack!

Devack: Thanks Nico!

Me: Boy this is gonna be fun.

Just as Another Madame Masque got up…

FLASH!

There was a huge flash of light and we saw her frozen in place!

Me: WHOA!

Bright Man came.

Me: Whoa a Bright Man!

Nico: Cool!

Bright Man: (In a Girls Voice) Boy that was awesome.

Nico: Laura Bright! Wow!

Qin: Cool!

Bright Man: Yep. Awesome to see you guys.

She reverted back and was a girl with purple hair and had purple eyes and purple clothes and had purple angel wings and she had the symbol of a lightbulb in the middle of her forehead.

Laura Bright: I got this!

She fired a wave of energy and blasted Another Madame Masque and I caught the Ridewatch and purified it.

Xenia: Yeah!

Laura Bright: That was awesome!

Emma (ELGVTWD): What's your favorite memory of Nico?

Laura Bright: When me and Nico were up against a bunch of mafia men and I used my flash stop powers and we bashed and pulverized them while they were frozen in place.

Qin: I remember that. That was awesome.

Nico: Yep.

Nico and Laura hugged.

Nico: I've missed you.

Laura Bright: Me too Nico and I heard about what happened to you with that mirror version. Are you all right?

Nico: I'm fine. He's gone for good now.

Me: Yep.

Laura Bright: Good.

We went back home.

Lincoln: Ah, we're here in Austin, Texas, and I know what we're going to do here, not only am I going to rescue the six girls from Tex Avery McWolf and Tom and Jerry Kids McWolf who are back at it again with kidnapping girls for me to rescue.

Red (Tex Avery): Should've known those two wolves were at it again.

Lincoln: You said it, but here's the surprise: after we rescue the girls from Tex Avery McWolf and Tom and Jerry Kids McWolf, they're also going to help us kill our main target.

Me: Who is it?

Stella Seraphina: Our main target is none other than the Simulator version of Vegeta whom you killed years ago, J.D., because he had let Cell absorb Android 18 to achieve his Perfect Form, and he wants revenge on you and Nico for what you guys did.

Nico and I gasped.

Nico: Oh… shit. I almost forgot about that adventure, but I'm more than ready for him again.

Vegeta: He has no idea of just how much stronger you and J.D. have gotten, Bokrua, and of course, I'll also get a few blows in on him.

Me: That's right, and we already know just how strong he is both in normal form and in his Super Saiyan form.

Lincoln: However, there's also the limit on his Super Saiyan form, he can't maintain it for long.

Sebastian Mendez: Exactly. And can you let me be the one to end him, Lincoln? I'll show him that I'm not the psychopathic bloodthirsty destructive monster from long ago.

We saw that he was serious.

Lincoln: Okay.

Harry Potter: Why did he make that specific request?

Gohan: I think I know, this isn't a request driven by a personal desire for revenge, it's for his own sense of closure and wanting to close the chapter on the darker part of his past history of his attacks on us and on Buster and his friends in Acme Acres.

Suddenly, we saw a beautiful and super sexy girl with long blonde hair and dark blue cat ears on her head, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has Matatabi's three massive and long tails, she's dressed in dark blue clothes, and long white sleeveless trenchcoat with stars, blue fire, spirits, cats, phoenixes, and angels on the coattails and on the back is Matatabi the Two-Tailed Wraith Cat.

Lincoln: (GASPS) Maya Matatabi, Avatar of Matatabi The Two-Tailed Wraith Cat.

Maya Matatabi: That's right. Now, come on, I know where Tex Avery McWolf and Tom and Jerry Kids McWolf are at.

We headed for the place where Tex Avery McWolf and Tom and Jerry Kids McWolf are at: The Cielo Nightclub.

Nico: The Cielo Nightclub. Should've known those two would be here.

Suddenly, Lincoln saw the cages where the girls are in.

Lincoln: Aha, and there are the girls.

Then, Tex Avery McWolf and Tom and Jerry Kids McWolf appeared.

Tom and Jerry Kids McWolf: Surprised to see us again?

Lincoln: We sure are.

Sebastian Mendez: I'm not, I always knew you two sleazy wolves were at it again, and now, you've both left me no choice.

Sebastian levitated off the ground as creepy organ music plays, and he had a demonic grin on his face and with rows of jagged fangs, and he slightly opened his mouth, and then… !

Sebastian Mendez: (ROARS LIKE A DEMON AND SNAKES COME OUT OF HIS MOUTH)

Tex Avery McWolf and Tom and Jerry Kids McWolf freaked out and screamed and did some extremely wild takes. Then, we piled on and Lincoln tickled Tex Avery McWolf and Tom and Jerry Kids McWolf on their feet.

Tex Avery McWolf and Tom and Jerry Kids McWolf: (LAUGHING HYSTERICALLY)

Then, Lincoln got the girls out of the cages and we helped the two wolves up.

Lincoln: Okay, now that we've had our fun tickling you two, now we can get after the Simulator version of Vegeta.

We exited out of The Cielo Nightclub, and we sensed a massive energy signal heading right for us, and we saw who it was: the Simulator version of Vegeta whom Nico and I killed for letting Cell absorb Android 18 to achieve his Perfect Form, and he was out for blood.

Sebastian Mendez: Never again will I ever have to deal with your smug arrogant attitude ever again! (DARK BROWN EYES TURN BLOOD RED) ARISE, MINIONS OF DARKNESS AND TEAR HIM TO SHREDS!

Suddenly, pools of darkness formed and demons arose from Hell and attacked Evil Vegeta, who had blasted them into dust.

Sebastian Mendez: D-DAMN HIM!

Sebastian went berserk and took off after him, and as soon as he did, he grabbed Evil Vegeta by the neck and tossed him down to the ground, and he flew back to us.

Sylvester: (Sighs) Bugs and the rest of our friends from Acme Acres are going to get a conniption after we tell them of what Sebastian did again!

Tex Avery McWolf and Tom and Jerry McWolf threw everything at him including the kitchen sink, but he dodged them. But, Sebastian ran at him and slashed at him with his massive dark greatsword and claws, and he left bleeding scars on him.

Nico: Whoa!

Vegeta: Nice to see that Sebastian's vicious nature can be used for a more better purpose.

Then, Sebastian kicked Evil Vegeta into the ground.

Sebastian Mendez: Surprised to see how the tables have turned. You should be, but I'll tell you one thing and you better get it through that thick skull of yours, I'm no longer the bloodthirsty completely insane monster whose always wound up getting blasted and thrashed all over by the likes of you. I've suffered numerous wounds many of them that could've ended my life, and over and over again, how I've wanted to kill you and make you suffer as I had. You let your pride and your desire to prove you are superior get the better of you, and now, you're about to pay the price.

Sebastian raised his massive greatsword, but in a surprise twist, he holstered his massive greatsword on his back and turned his back on Evil Vegeta.

Sebastian Mendez: But, you know what, death is too good for the likes of you. You deserve every bit of damnation for every last one of your goddamn crimes against the universe, but it won't be by my hands anymore. I hereby end this long nightmare I've had to endure because of the monster inside me, now go to Hell, Vegeta.

Sebastian then began walking back to us, and we saw rain falling down even though there wasn't a single cloud in the sky and as it washed over him, the blood that was spilled by him was washed off him forever. Evil Vegeta was enraged beyond anyone's imagination, and he ran at Sebastian with the intention of killing him, but Lincoln ran past Sebastian and then he turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Evil Vegeta's chest, and then, he absorbed him and assimilated all his Saiyan Powers and abilities and nothing was left of him except for hiss clothes. Then, as the stinger changed back, an energy card with Evil Vegeta's drained soul appeared in Lincoln's left hand, and then, he banished Evil Vegeta straight to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Oh man, I was surprised at how you told him off like that and that you denied him to die a warrior's death.

Sebastian Mendez: He didn't deserve to die a warrior's death, and even though I've killed many times in the past, now that I no longer have my Dark Side in me, the bloodlust and madness that I had in me is gone.

Nico: And when the rain fell on you, it's like you were cleansed of all the blood of your dark side's victims.

Me: Not all of them were victims, since some of them included the Z-Fighters' many enemies from the past.

Lincoln: That's true, but at least, we not only got rid of Evil Vegeta, but a dark chapter in Sebastian's past has been closed forever. (To Maya Matatabi) And it's so good to see you again, Maya Matatabi.

Maya Matatabi: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Maya Matatabi and he hugged her, and Maya Matatabi is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maya Matatabi: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Maya Matatabi, Avatar of Matatabi The Two-Tailed Wraith Cat, she's my Guardian Angel from Michigan, and she's the Avatar of Matatabi The Two-Tailed Wraith Cat and she's a powerful master and force of blue fire and mastery of ghosts and the supernatural, and she also knows how to use those two massive tails as powerful weapons such as using them to such as using them as whips to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt me. She also really hates Hawk and Hank to the extreme, because during a lunch date she and I had in Lynn's Table, those two buttfaces from Hazeltucky showed up and tried to kill us, but Maya fired powerful blasts of blue fire which burned them bad and she summoned an army of ghosts who wailed and screamed in anger at them, and that got them so scared and frightened, they literally crapped their pants fifty times and they ran back to Hazeltucky.

Nico: Sheesh.

Me: It was that act of retaliation that Maya earned the moniker, "Hazeltucky's Worst Nightmare", and all of Hazeltucky hated her so much so, that they've even made deals with Flip to give them hit men to kill her.

Eli: That goddamn mutant!

Lincoln: But, that operation was brought crashing down when we reported Flip and Hazeltucky's huge conspiracy against Maya to the police, and Flip got thrown back in prison and I killed Hazeltucky's hired hit men that Flip provided them.

Luan: Flip has always been a stain on Michigan, and when we found out he stooped that low as to ally with Hazeltucky, that was the final straw: Flip was forever declared a traitor to The State of Michigan and Royal Woods by Mayor Davis, and he had a bounty of $900 Decillion Dollars put on his head.

Me: That was only if he ever went on the run.

Nico: Damn, and is that bounty still active on him?

Lincoln: It sure is, so come December 1st when we kill him, Icky Vicky, and Xehanort, we'll be sure to collect the bounty on his head.

Nico: Nice.

Maya Matatabi: I can't wait to see that mutant finally kick the bucket and die.

Lincoln: All of Michigan's had enough of that stain to last an eternity, and they'll be glad that he gets his final judgement, and now that you're here, Maya.

Lincoln went up to and hugged Maya Matatabi in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Maya Matatabi: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maya Matatabi's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Maya Matatabi: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maya Matatabi.

Maya Matatabi had a smile on her faces and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Nagisa Fujita, Miyuu Himekawa, and Ayaka Yagi from Big Sis Hunters - Everlasting Summer Beach Edition and Misella, Yuna Azetta, and Kasque from Tales of Crestoria.

Lincoln: Oh wow, it's Nagisa Fujita, Miyuu Himekawa, and Ayaka Yagi from Big Sis Hunters - Everlasting Summer Beach Edition and Misella, Yuna Azetta, and Kasque from Tales of Crestoria.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nagisa Fujita: Yes, we're okay, thanks to you.

Then, when Nagisa Fujita and the other five girls saw who it was that saved them from Tex Avery McWolf and Tom and Jerry Kids McWolf and the main target: Evil Vegeta, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe,

Nagisa Fujita: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Nagisa Fujita: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nagisa Fujita, Miyuu Himekawa, Ayaka Yagi, Misella, Yuna Azetta, and Kasque with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and the rest of the team were surprised to find out that Tex Avery McWolf and Tom and Jerry Kids McWolf are back at it again with kidnapping girls for Lincoln to rescue, but after Lincoln rescues the girls from Tex Avery McWolf and Tom and Jerry Kids McWolf, they're also going to help us kill our main target, and they were shocked to find out that our main target was the Simulator version of Vegeta whom Nico and I killed years ago because he had let Cell absorb Android 18 to achieve his Perfect Form, and he wanted revenge on us.

But, when Lincoln showed what we did in tickling those two wolves at The Cielo Nightclub and then us thrashing Evil Vegeta and even Tex Avery McWolf and Tom and Jerry Kids McWolf got in on the action tossing everything even the kitchen sink at him, and Sebastian telling him off in the cruelest way that was possible, and it ended with Lincoln using Cell's absorption technique to absorb Evil Vegeta and after acquiring all his powers and abilities and drained him dry of his energy he banished him to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Maya Matatabi have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so Tex Avery McWolf and Tom and Jerry Kids McWolf are at it again with kidnapping girls for you to rescue and they're going to also help with killing the main target? Awesome!

Lincoln: It sure is.

Nico: So, we now know the McWolves are both back in business of kidnapping girls for Lincoln to rescue along with helping us take down our main targets. This should be interesting.

Me: You said it.

After destroying Evil Vegeta, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maya Matatabi saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Maya Matatabi: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Maya, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Maya Matatabi: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Maya Matatabi: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Maya, can you show us the footage of the very incident involving those Hazeltucky buttfaces?

Maya Matatabi: Gladly.

Maya Matatabi played the video on the screen, and we saw Lincoln and Maya Matatabi at Lynn's Table and they were having fun. But, their date would wind up getting interrupted.

?: YOU FUCKING TWERP! WE WILL KILL YOU AND SPIT ON YOUR REMAINS!

Past Maya Matatabi: What the Hell was that?!

Past Lincoln: Oh no, not this again, you buttfaces!

We knew who Lincoln was talking about, as they saw Hawk and Hank kick the doors in and they were out for blood once again. Hawk and Hank charged at Lincoln and Maya Matatabi again and they had knives in their hands but Maya fired blasts of blue fire at them and they got tossed out of Lynn's Table, and then, she summoned an army of ghosts who wailed and screamed in anger at them, and it got them so scared and frightened, they crapped their pants fifty times and ran back to Hazeltucky as the video ended.

Nico: Damn, those morons sure were a bunch of chickens.

Lincoln: They sure were.

Me: Lincoln told us everything about what happened as soon as he and Maya came back, and we laughed so hard at what she did.

Luna: They tried to kill Lincoln and Maya, but she scared them good and she sent those chickens back to Hazeltucky after they soiled themselves.

We got a shower afterwards, and then, Lincoln, Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie had feelings for Lincoln, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Tsume Inuzuka: Wow, so this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Tsume, and it's perfect for our first date. Shall we?

Lincoln, Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie and they hugged them in their abnormally massive and powerful muscular arms, and Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie are in your harem.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Kurenai Yuhi, Simulator Anko Mitarashi, Simulator Yugao Uzuki, Simulator Tsume Inuzuka, Simulator Samui, Simulator Tsunade, and Twirlie, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

---

Later it was time for another awesome Super Mario Galaxy adventure.

Me: So we start the second game?

Nico: One last Galaxy from the first game. After that, we're moving on to the sequel.

Nicole: Grand Finale Galaxy next.

Me: That's the final one. I remember that one.

Qin: Yeah.

Me: Looks like we're going to the Star Festival.

Wes: I'll go too along with Jack.

Nico: Okay.

Jack Landors: Lets do it!

They went into the simulator and Nicole activated it and they were in the Mushroom Kingdom for the Star Festival.

49m agoMe: Any tips, Nicole?

45m agoNico: Any tips, Nicole?

Nicole: (On the radio) Well this one just has to have yo collect 100 purple coins to get the last star.

Nico: That's easy.

Wes: Yeah.

43m agoJack Landers: Goombas up ahead!

38m agoNico: Lets do it!

Jack Landors: Goombas up ahead!

They saw them.

Jack Landors: SPD! EMERGENCY!

Wes: TIME FOR TIME FORCE!

They transformed and were ready!

Nico, Jack and Wes blasted the Goombas.

Nico: Take that!

?: I'll help too!

A figure came and it was a purple hair girl with purple eyes and had purple wings and had purple clothes and she had a tiara with the symbol of the Time Force Rangers on it and the symbol was on her skirt and she had a Quantum Blaster, Chrono Saber and Vortex Blaster with her.

Mirai Timeranger: Mirai Timeranger - Embodiment of the Time Force Rangers.

Nico: Awesome to meet you.

She slashed a bunch of Goombas.

37m agoMe (gets out Madame Masque and Beautiful Gorgeous' Ridewatches): We'll talk more after this!

34m agoNico: (gets out Madame Masque and Beautiful Gorgeous' Ridewatches) We'll talk more after this!

Nico activated them and bashed and blasted the Goombas.

Jack and Wes blasted the Goombas and destroyed them.

They got 100 coins..

33m agoWes: That's 100 coins

29m agoWes: That's 100 coins.

Then the star came.

Nico: There it is.

Wes: We got it!

Wes and Jack got it!

YOU GOT A STAR!

Nico: YEAH!

Mirai Timeranger: YEAH!

They high five!

29m agoWes: Tell us more about yourself.

26m agoWes: Tell us more about yourself.

Mirai Timeranger: Well I like to collect watches and like to keep track of time. But I also like being a chef and a police officer.

Wes: Awesome.

Nico: Would you like to join the team?

Mirai Timeranger: I would be honored.

They left the simulator and we cheered wildly!

---

Later everyone was watching TV.

Ram Horn: General Nico have you seen J.D. and Varie and the Mascots?

Nico: Oh they went out.

Sea Clamp: Dare I ask where the mascots are?

Nico: Well General Sea Clamp, J.D., Varie and the Mascots went to the local homeless shelter to help out with the children there. I got this note from them.

He showed it to them.

Cicadacon: That's sweet of them.

Nico: It sure is General Cicadacon.

Later me, Varie and the Mascots were heading to the Homeless shelter.

Poromon: Thanks for coming with us J.D. and Varie.

Me: No problem guys and it's great that you guys are donating time to help out with homeless kids at the shelter.

Varie: I do that most of my time too. They lost everything because of many things that went down.. Poor kids.

We arrived at the homeless shelter.

Me: Oh man.

We saw kids living in beds that were too old and living on the floor in sleeping bags.

Manaphy: Oh these poor kids.

Me: Lets start helping them out.

We went over.

Me: Hello kids.

Kid 1: Hey J.D.!

Kid 2: Awesome to see you guys here!

Kid 3: Hey Varie!

Varie: Hello kids. I can't believe you guys live like this.

Me: But lets give you guys some new furniture.

I had my hands glow and put them on the floor and gave them new soft beds and bunk beds!

Kid 1: Oh wow! Thanks J.D.

Me: Anytme.

Manterror: What kinds of things?

Nico: Give kids furniture and money and food and help them get whatever they need.

Manterror: That's very thoughtful of them.

Nico: It sure is. Lets go see.

They went to help out.

Back at the shelter we were giving new furniture made from us.

Me: There you go kids.

Kid 2: Thanks J.D.!

Poromon and the Mascots gave money to the kids and the shelter.

Me: This will help you guys.

I fired a beam of energy and formed a gold bar tree for them.

Me: There you go. This ought to help you guys with finances for a while.

Kid 3: Thanks.

Blot: How much money is that?

Poromon: Oh hey guys! We give $500,000,000 to help the kids.

Me: I provide the trees of food and money too.

Nico: That's awesome guys.

Groove: This is a very kind you guys did here.

Poromon: Thanks.

Me: It was awesome helping these kids. They don't have anywhere to go so they need all the help they can get.

RD Lana: (to the mascots) This was a nice thing you guys did.

Poromon: Thanks.

Me: Don't brag about it guys but you did great.

Qin: All these kids sure needed it too. Poor kids.

Xenia: Yeah.

We later went back home and we were going to get ready for our next mission.

Me: Well now for number 2 of the mission and I don't mean going to the bathroom.

WE LAUGHED!

Me: (LAUGHS) Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than the Robot Mantises from A Shocker on Shock Street, and they are causing havoc again. When we saw it, we knew it meant trouble.

Lincoln: Oh God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's up, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the person is none other than the Robot Mantises from A Shocker on Shock Street, and they are causing havoc again.

We gasped.

Me: Not those Robot Mantises again!

Nico: I knew it would be them alright, but we're ready for them again, and this'll piss off Slappy even more.

Lincoln: You got that right.

Manterror: Boy this will be awesome!

Xenia: Yeah!

I went and got the book A Shocker on Shock Street.

Me: I remember facing those robot mantises and they were deadly and ugly.

Maria: I definitely remember those things. But I thought Erin and Marty's Dad is keeping them under control.

May: Slappy must've built some new ones.

Me: Yeah he must have.

Qin: We'll turn those bugs into scrap metal.

Lola: Yeah! Also we found out during that one that Erin is an android which is really cool!

Me: That sure is awesome.

Nico: I'll send one of their heads to Slappy as a threatening message. Unfortunately, the sentence will have to be short due to how big the head will be.

Lisa Loud: Fear not I can program a message into one of the heads from you and it will be long enough to get Slappy on edge.

Nico: Thanks Lisa.

Xenia: Looks like we're going Mantis Squishing.

Ellie Singh: I remember those Robot Mantises. They were scary.

Me: Hey maybe we can use one as an attack zord. You know like a Wild Force Zord for the Preying Mantis.

Nico: Good idea. Even though we have one like that but that's a good idea.

Lola: Yeah.

Nico: And it will be Nanette, Lana, Fancy Pants, Lisa, Gali, and Yan Lin's time to shine here.

Me: Cool!

Nanette: Awesome!

Izuku: This will be fun sis!

Fancy Pants: I say! This is definitely going to be fun.

Lisa Loud: Indeed it will be.

The previous group came.

Pied Piper: Can me, Puff, Beautiful Gorgeous, Marvel Scorpion, Titania, Doctor Octopus, Count Vertigo, Sportsmaster, Juggernaut and Felix Faust go with you guys?

Nico: Yes you all can come with.

Lola: This will be fun.

Me: Yep and some of you guys weren't with us when we faced the Robot Mantis' the first time. I can't remember when that was though.

Nico: I remember that.

Nico went over the events of chapter 957 and it was crazy.

Lucy Loud: Gasp. I remember that.

Twilight Sparkle: Wow! Many of us weren't with you when that happened. That was amazing that you guys faced them.

Rainbow Dash: Boy it sure is awesome.

Me: It sure was crazy. Thanks for the refresher.

Nico: You're welcome.

Me: And that was 30 days after the battle with Thanos.

Lola: Yeah!

Jean Bison: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm hoping to meet one for Dive Man next.

Me: Ooh! Aquatic and awesome.

Lily: Yeah.

Nico: Yep.

Suddenly, Lincoln's rainbow fire aura flared up extremely and his deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and he had a vision: he saw eight figures and he saw who they were: they are none other than Simon, Henry, Nathan, Edward, Edgar, Arthur, Harold, and Brian Seraphina, the evil cousins of The Seraphina Sisters and the most notorious criminals in Royal Woods, and they've returned and they want revenge on The Seraphina Sisters and Lincoln for defeating their favorite psychopathic, jealous, destructive, hateful, fire-crazed cousin, Abigail Seraphina. When we saw it, we knew it meant trouble.

Lincoln: Oh no. Stella, we got bad news.

Stella Seraphina: What's wrong, Lincoln, and what was with the sudden flaring of your rainbow fire aura?

Lincoln: We got ourselves a major crisis: I had another vision and it foretold who we're going to face today and in the days to come, I saw eight figures and I saw who they were: they're none other than Simon, Henry, Nathan, Edward, Edgar, Arthur, Harold, and Brian Seraphina, your evil cousins have returned and they want revenge on us for defeating their favorite psychopathic, jealous, destructive, hateful, fire-crazed cousin, Abigail Seraphina.

The Seraphina Sisters gasped in shock.

Nuria Seraphina: Oh shit, not them, I thought we were done with those assholes!

Nico: Sounds like you guys also know them, and are they just as bad as your ex-sister, Abigail?

Stella Seraphina: They are just as bad as Abigail, but so much worse. Simon, Henry, Nathan, Edward, Edgar, Arthur, Harold, and Brian Seraphina were our cousins, but like Abigail, they are spiteful, evil, black-hearted, malicious, rotten, wrathful, jealous, hate-filled, psychopathic, destructive, and fire-crazed.

Lincoln: They're also eight of the most notorious criminals in Royal Woods, and they were also born with really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality, and just like Abigail, they've used their powers to cause havoc and chaos throughout Royal Woods.

Hestia Seraphina: They were defeated by us years ago and were sealed into cryogenic chambers that would seal their fire powers and frozen in glaciers by Leina Mobius and sent to Antarctica where they would remain there forever.

Elaine Seraphina: But, as part of a contingency plan after she got sent to The Black Gates, The Fallen Guardian Angel, Isabella Abaddon, sent demons there as well, and just like with Abigail Seraphina, the demons sabotaged the cryogenic chambers and freed those assholes, and now, they've returned for revenge.

Nico: So, this means, in addition to dealing with the Goosebumps Monsters… !

Lincoln: We've also got eight days of fiery chaos, and we've got eight days destroy them before they destroy us and destroy the world. Luckily, I also came up with a list of who we're facing.

Lincoln got out a list, and it showed who we're facing.

Stella Seraphina, Gene-Slammer of Hazy Flame Basiltrice and Lincoln VS. Simon Seraphina

Hestia Seraphina, Gene-Slammer of Hazy Flame Cerbereus and Lincoln VS. Henry Seraphina

Nuria Seraphina, Gene-Slammer of Hazy Flame Griffin and Lincoln VS. Nathan Seraphina

Eliane Seraphina, Gene-Slammer of Hazy Flame Peryton and Lincoln VS. Edward Seraphina

Ember Seraphina, Gene-Slammer of Hazy Flame Sphynx and Lincoln VS. Edgar Seraphina

Alinta Seraphina, Gene-Slammer of Hazy Flame Hyppogrif and Lincoln VS. Arthur Seraphina

Helia Seraphina, Gene-Slammer of Hazy Flame Hydra and Lincoln VS. Harold Seraphina

And Bridget Seraphina, Gene-Slammer of Hazy Flame Mantikor and Lincoln VS. Brian Seraphina

Stella Seraphina: Aha, so it looks like it's us VS. that asshole, Simon Seraphina. I hope you do the same thing like you did to that bitch, Abigail, Linky.

Lincoln: I intend to do more than just that, Stella. I'm going to use the absorption techniques of Cell and Majin Buu and absorb them one by one into my body and assimilate and acquire all of their really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and their immortality.

Me: So these guys are your renegade brothers.

Stella Seraphina: Yeah.

Nico: This is going to be one intense fight of The Fires of Heaven VS. The Fires of Hell and eight days to destroy them before they destroy us and burn the entire world. Alright, gang, let's go, we're off to Shocker Street to squash those Robot Mantises again.

Lincoln: Those Robot Mantises are heading right for the scrap heap, and once we get done with them, you're next, Simon Seraphina.

Stella Seraphina: You better be ready to bleed, Simon Seraphina, I've had it up to hear with you and the rest of those animals who soil every room that you all enter. I would've thought you'd be sealed away forever in that glacier, but Isabella Abaddon just had to piss us off by also freeing you eight from confinement as well. Now, it's personal.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to destroy The Robot Mantises, and once we got done with those Robot Mantises, Lincoln and Stella Seraphina are going to destroy Simon Seraphina, one of the eight dangerous criminals in Royal Woods.

We were off to Shock Street in the middle of the city.

* * *

We arrived and we saw Shock Street totally deserted.

Me: Whoa.

But it was more than just deserted, it was trashed and a mess.

Me: Whoa look like a tank went through here.

Warpath: Yeah and it wasn't me!

Nico: Where is everyone?

Me: Probably hiding inside.

Beautiful Gorgeous: Erin! Marty! Are you there?!

Erin: Hey guys!

Marty: You made it!

Me: Oh thank goodness you're okay.

Nico: Yeah.

Erin: Long time no see though.

Me: I know. Sorry we haven't been by lately. Don't tell me, did the Robot Mantis' do this?

Marty: Yeah they did.

Erin: Yeah. Wow! You guys have expanded quite a lot over the years.

Me: I know. We expanded quite a bit over the last 3 and a half years.

Qin: Yep.

Erin: And that Giant Tree of yours is amazing!

Lola: It sure is. 528,000 feet high. And the view of the whole planet is amazing.

Lana: It sure is.

Family Guy Penelope: Were the Robot Mantis' the ones that are stationed here or new ones?

Erin: New ones and I found out that one of them is being piloted by someone.

Me: Oh man. Did you get a good glimpse of who it is?

Erin: Yes my X-Ray vision showed that it's Leatherface!

WE GASPED!

Me: Leatherface!?

Camie: You mean the madman from The Texas Chainsaw Massacre Movies!? Not good!

Scorpion: I get it! Leatherface knew Chucky is gone for good. So he decided to follow the person most similar to him!

Me: That could be! But I'm going to rip that ugly face of his apart!

Lola: YEAH!

Qin: This guy is a monster and a madman!

Camie: What can you tell us about him?

Me: Well he is not a nice guy and he makes even the Harvester look like a saint. He's a mad butcher that kills people with a chainsaw.

I went over his history

---

Jedidiah "Bubba" Sawyer, better known as Leatherface, is the main antagonist of The Texas Chainsaw Massacre series. He is an unstable and cannibalistic serial killer who wears masks that are the faces of his victims, perfectly flayed from their bodies. Together with his mysterious and insane family, Leatherface would hunt down any intruder who steps into their territory and would use different kinds of tools to murder them, but he mostly uses his chainsaw.

He was portrayed by the late Gunnar Hansen (who went on to portray Boss Sawyer in a later installment of the franchise), Bill Johnson, R. A. Mihailoff, Kane Hodder, Robert Jacks and Mark Burnham.

Leatherface's cannibalistic family consists of his older brothers Nubbins Sawyer, Chop Top Sawyer, and his father Drayton Sawyer. He also has an unnamed grandfather, who is extremely old and frail.

When Sally, Franklin, Jerry, Pam, and Kirk reached their homestead, Kirk and Pam looked for the local swimming hole and stumbled upon the cannibals' house-hoping they could get some gasoline for their van-where Leatherface killed Kirk with a sledgehammer and hung Pam on a meat hook before throwing her into a freezer where she froze to death. When Jerry came looking for them, he was killed by Leatherface with a sledgehammer. He then killed Franklin in the woods with his chainsaw and chased Sally, where Drayton took her to his house to cook her and eat her. When Grandpa failed to kill Sally with the hammer, she ran, but Nubbins the hitchhiker and Leatherface chased after her. Nubbins were much faster then Leatherface and caught up to Sally. Before he could kill her, he was run over by an 18-wheeler and had been too focused on Sally to notice. With Nubbins dead, only Leatherface was left and managed to catch up to Sally. Sally went in the truck and with the driver and he attacked with his chainsaw. The two got out and ran and Leatherface chased after them. Seeing that they weren't losing him, the driver with a wrench, knocking him down and causing him to cut his leg on his chainsaw. Sally managed to take advantage of this distraction and escape on a passing pickup truck while the driver ran away in fear. He was last seen swinging his chainsaw around in frustration due to his victim escaping, his wounds and his brother Nubbins dead.

After fourteen years, Leatherface reemerged, killing two drunks named Buzz and Rick. Sally and Franklin's uncle Lefty Enright was searching for the cannibals to get his revenge. When he got Stretch to play the deaths on the radio, Leatherface and Chop Top went over to the station to kill her. However, Leatherface fell in love with her. He refused to kill her when Drayton and Chop Top found her, however he did not attempt to stop Grandpa from killing her because was forced to hold her in place. But Grandpa was too old and frail, so Drayton tried to kill her himself, but Lefty entered, armed with three chainsaws. After injuring Drayton, Lefty engaged Leatherface in a chainsaw duel, where Leatherface was impaled by Lefty with his chainsaw. He was still able to fight, but the fight was ended shortly after; Drayton, deranged and having lost a lot of blood, set off a grenade. Leatherface was last seen getting hit by Grandpa with a hammer (he was really aiming for Lefty), knocking him down, before all four of them were killed in the grenade explosion, which narrowly missed Chop Top as he climbed a ladder after Stretch and eventually falls to his death.

Leatherface is first seen in the intro scene, doing his work with a dead body, later, after Michelle and Ryan meets Alfredo Sawyer and Tex Sawyer, they find themselves lost in a dark forest and Ryan is kidnapped, Michelle finally meet Leatherface when a young girl is killed by him, Michelle runs away in fear only to find Leatherface's house, there she meets the rest of the family: Tinker Sawyer, Mama Sawyer, Little Girl Sawyer and Grandpa Sawyer, Ryan is killed by the family and Benny attacks the house, killing Tinker and Mama, Leatherface leaves Tex to fight the intruders and escapes, he is later seen in the ending when Michelle kills Alfredo.

Leatherface, now working in a conspiracy to provide horror to society, lives along with his brothers Vilmer Slaughter and W.E. Slaughter and his sister-in-law Darla Slaughter. He constantly stalks the characters of the film and kidnaps Jenny and Heather, he is later seen, in the dinner scene eating pizza along with his family, after Jenny escapes, he and Vilmer stalk her.

Vilmer is killed by a propeller in the head and Jenny is saved by Rothman, Leatherface starts to cry and scream in agony.

About fifty years after the original massacre from 1973, Leatherface is living a peaceful life with Mrs. Mc in the now deserted town of Harlow when a group of young entrepreneurs arrive and attempt to gentrify the town, two members of the group, Melody and Dante, enter Harlow Orphanage. Melody tries to evict Mrs. Mc out of the home, to which she refuses as she still legally was allowed to live there, meanwhile Dante removes the confederate flag which had belonged to Mc's grandfather. Due to stress, Mrs. Mc starts to throw up and collapses, Leatherface comes and helps her up. Some officers arrive and they bring her to a paramedic truck, with Leatherface coming as well.

On the way to the hospital, Leatherface holds Mrs. Mc in his lap and is comforted by Mrs. Mc, being told that he is her boy. She suffers from a heart attack to which Leatherface panics, he puts her oxygen mask over her mouth and tries to save her, but to no prevail. Out of rage and agony, Leatherface kills the officer in the back of the truck by snapping his hand and stabbing him with the bone that was sticking out, he causes the dying officer to shoot the driver which leads to the truck crashing into a field. Leatherface exits the truck and skins Mrs. Mc's face and wears it as a mask, he props her corpse sitting up in the field. He finds Ruth, Dante's girlfriend, alive in the passenger seat and stabs her in the gut, he caresses her face before walking back to Harlow.

Leatherface goes back to the orphanage and finds Dante walking around the home, he cuts him across the face and leaves him to bleed out on the floor. Melody was there while this was happening and hid under Mrs. Mc's bed. After this Leatherface goes to Mrs. Mc's bedroom and breaks the wall open to retrieve his chainsaw he used from 1973. Before he is able to start it however, a mechanic named Richter enters the house while armed after having seen Dante walk out covered in blood. Leatherface attacks him and swings his hammer at Richter's leg, destroying it by bending it backwards, after this he stabs him in the head with a shard of broken glass on the window, causing him to fall to the ground and see Melody hiding under the bed. Leatherface grabs his sledgehammer and repeatedly bashes Richter in the head to the point of shattering his skull and tendering his flesh, all while Melody was hiding under the bed, having witnessed the brutal murder.

Leatherface leaves the room, but hears Melody sneaking around the house. He finds her at the bottom of the staircase and throws his sledgehammer at her, causing her to fall and break through the floor. She tries to crawl away but Leatherface listens to her and saws through the floor, she gets to a vent cover but gets covered in feces when the sewage pipe is sawed through. Melody's sister, Lila, finds her and gets her out, the two run to a party bus. Leatherface follows them to the bus and kills the bus driver, he enters the party room to which he is met with a group of young influencers, who begin to record him. Leatherface revs his chainsaw and begins to brutally murder every last one of the influencers. While he is going on his killing spree, Melody and Lila go into the restroom of the bus and escape through the ceiling window. Leatherface saws through the door but gets stabbed in the arm with a corkscrew.

As Leatherface is leaving the bus, Melody and Lila find a cop car and enter it, finding an elderly woman who turns out to actually be Sally Hardesty, the sole survivor to the original massacre from 1973. She tells the two girls to stay in the car while she confronts Leatherface, who is sitting in the orphanage alone. Leatherface is held at gunpoint and is asked by Sally if he remembers her, to which he doesn't. He walks out and finds the sisters hiding in the car, he grabs Melody but gets shot in the shot in the shoulder by Sally. The two start to fight with it ending with Leatherface impaling Sally with the chainsaw and tosses her onto some garbage bags.

Leatherface finds Melody and Lila in a garage, having crashed the cop car into it. He is about to kill Melody but is stopped by Lila when she aims a gun at him, but when it was found to be empty, he started chasing her. Lila falls to the ground and before he gets to saw her, Sally shoots Leatherface again, he stumbles away into an abandoned theater, Sally bleeds out to death. Lila enters the theater, armed with Sally's shotgun, but is attacked by Leatherface. The two have a scuffle, and when Leatherface is about to kill Lila, Melody returns and hits him in the chin with his own chainsaw, making him fall into a large body of water.

Several hours later, Leatherface reemerges and finds the sisters leaving Harlow in their car. He breaks the window and grabs Melody, decapitates her and holds her head up for Lila to see as the car drives away. Leatherface, while still holding Melody's severed head, swings his chainsaw around.

After slaughtering Melody and the rest of the visitors, Leatherface returns to the original Sawyer farmhouse.

---

When I was done some of us ran to trash cans and threw up.

Smithers: I didn't think he would be intelligent enough to pilot one of them!

Me: Well unless Slappy was giving him some pointers.

Erin: You got to be kidding me! Slappy is back?

Nico: Yep. And he has brought back 24 monsters that we faced before. Including himself.

Lola: Yeah. We should have banished that monster to the black gates back then!

Marty: The Black Gates?

Me: The deadliest technique we have in our arsenal.

I told them what it does and it was shocking!

Erin: Wow! That is amazing!

Me: Yeah.

Count Vertigo: Where's your Dad?

Erin: Oh he's in the lab back home. After you guys helped us the first time we moved the lab to our home.

Me: Cool cool.

Erin: I'll show you.

We went to Erin's house and saw the lab and it was INCREDIBLE!

Dexter: What an amazing lab!

Lisa Loud: Indeed.

Erin's dad: Team Loud Phoenix Storm it's good to see you again.

Me: You too Mr. Wright.

RD Clyde: I see the Mantis' you control are all here.

Mr. Wright: That's correct.

Me: Boy things have become amazing for you over the last 3 and a half years.

Mr. Wright: They sure have and you guys have grown a lot in numbers.

Lola: Yeah we sure have.

Erin: I noticed that too.

Felix Faust: We need to make sure we can tell these apart from the ones Leatherface controls.

Nanette: But how?

Me: Time for a little magic.

I used my magic and marked the ones with Leatherface's controls with a black aura and the ones under ours have green auras.

Android 17: I would've painted them.

Me: Making them green to look like the real thing? That's genius 17.

Android 17: Thanks.

Manterror: It would be cool.

Nico; Lets go for it then.

We pulled out paints and painted them to look like real mantises.

Lana: That's more like it!

Sportsmaster: When the mess is done, Shock Street Visitors are gonna be in for a pleasant surprise.

Me: I have an idea!

Nico: What is it?

Me: We'll make an Animatronic Insect Theme Park. We'll add that to Phoenix Land.

Nico: Not a bad idea!

Kendra Kingfisher: That's a great idea!

Lola: Yeah!

Rothar: Of course, Shock Street is awesome too!

Nico: Yeah.

Qin: I agree.

Nico: But J.D.'s idea is just as awesome.

Eli: Yeah.

Me: Well we got to get ready to face Leatherface.

Juggernaut: I'd like to see him try to kill me!

Fancy Pants: Don't get too cocky.

Me: Yeah.

Eli: Wait I sense them! They are coming!

Lola: Lets get ready.

Mr. Frown: Any tips on how to deal with him?

Nico: We just got to smash the robot he's piloting and then we'll face Leatherface when he is out.

Eli: Yeah!

Me: It'll be the sword against the chainsaw. This will be brutal.

Xenia: Sparks are going to fly big time.

Camie: Yeah.

Doctor Octopus: He meant to ask any tipes when we're fighting Leatherface outside his robot.

Me: I knew that. We got to get the chainsaw away from him and then hit him hard.

Laney: Yeah.

Nico: Okay we got to go get him.

Shaggy: (Cowardly Whimpering) Like g-g-g-g-g-g-go out there!? (Whimpers) Like not on your life! No way!

Scooby Doo: Reah! No way!

RD Lynn: You're kidding, right?

Lisa: Ignoring their cowardly behavior, I believe I can reprogram one of the robots to work for us.

Nico: Good idea Lisa!

Erin: I remember Shaggy and Scooby Always getting cowardly like that.

Me: Yeah those were fun times.

Sakura Knudson: They sure were. I loved how J.D. always dragged Shaggy and Scooby whenever they got scared.

Me: Yeah good times.

Erica Haddock: And now that task falls onto me.

Gali: We don't have time to argue about this.

Titania: If they don't want to face Leatherface, they don't have to.

Erica Haddock: Oh they will be facing him and act like MEN!

Shaggy: Like I hate this job!

We went to face Leatherface.

We saw the Robot Mantis; and piloting one was LEATHERFACE!

Disk Wars Mandarin: Entrance time!

We went at it.

Leatherface laughed maniacally!

Then the spirits of mantis' appeared and swirled around him and then converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted out from underneath the one Leatherface was driving and blew it apart into pieces and Leatherface landed on the ground and then a phoenix cry was heard and we came out!

Me: Leatherface it's over for you meat face!

I unsheathed my sword!

Puff: I forgot he doesn't speak.

Yan Lin: I didn't!

Me: Me neither!

He roared and went at me and I blocked his chainsaw with my sword and a shower of white hot sparks flew out of the blade!

I clashed sword against chainsaw with him!

Nico: WHOA! That is deadly!

Nanette went Thunderlegs and she fired a blast of lightning and electrocuted Leatherface!

Lisa Loud: Take this you chainsaw wielding maniac!

She fired laser blasts and burned.

Fancy Pants: This will be most fun!

He fired magic laser blasts and blasted Leatherface!

Lana and Gali fired energy and ice blasts and blasted him all over and Yan Lin fired wind blasts and blew him down.

I clashed more with Leatherface and sparks flew everywhere!

Yan Lin teleported and kicked him in the back of the head and his saw accidentally slashed my face and I got a cut on my cheek!

Me: OUCH!

Blood dripped from my wound. But then I saw that my poisonous blood got on the chainsaw and it melted it into nothing.

Me: Whoa! That was helpful!

Nico: Yeah!

My wound healed.

Lisa Loud went into a robot.

She got into it and reprogrammed it and we saw its eyes turn glowing blue and it was now on our side!

Lisa had it slash at Leatherface!

Lisa Loud: That is a good job there.

Nico: Nice work!

Lisa Loud: I'll have that hologram device set up for you later : Can't say the same for the others!

Nico fired energy blasts and destroyed the rest of the robot Mantis' minus the one we reprogramed.

Qin: YEAH!

Then White Lightning, Seadramon, Deadwood, Oculous, Black Lance, Count Nocturne, Ryugu Tamatebacco, Black Knight Ghost, Stonedozer and Zavok came.

Nico: White Lightning, Seadramon, Deadwood, Oculous, Black Lance, Count Nocturne, Ryugu Tamatebacco, Black Knight Ghost, Stonedozer and Zavok.

Seadramon (to Poromon): You did good giving those kids money.

Poromon: Thank you!

White Lightning: They needed it.

Me: Absolutely they did.

Deadwood: And you guys have plenty of money anyway.

Me: Yep.

Oculus: (to Nico) We heard you killed your Mirror self.

Nico: We sure did. In Griffin Rock.

Black Lance: Was he really bonded with the Poison Symbiote?

Me: You better believe he was. That was awful.

Xenia: But it was awesome.

?: That is cool!

A figure came out and it was KLAIDO from episode 28 of Gokaiger!

---

The strongest bounty hunter in the universe, Kiaido believes that only two things truly matter: money and battle. Throughout his career, he brings in 150 people which gives him over 100 million Zagin.

Facing Captain Marvelous and nearly killing him years ago, Kiaido intentionally stabs himself to create a weak spot on his chest to make the fight more interesting, though this ultimately lets Captain Marvelous escape.

Though hired by Barizorg to eliminate the Gokaigers, Kiaido refuses to follow orders as he wants to kill the pirates at their strongest. However, with Gai Yuki's help, the Gokaigers manage to defeat Kiaido through the Great Power of the Jetmen.

---

Eli: Klaido! I remember you! You were said to be the strongest bounty hunter in the universe and you brought 150 people that got you 100 million Zagin. And you were hired to kill the Gokaigers.

Klaido: That's right! Good memory Eli.

Eli: Thanks.

Kiaido: Too bad I wasn't adapted in America.

William: Because Troy and his team weren't born pirates.

Me: I know! That would have been so cool!

Zocks: I was born a pirate and I represent the Gokaigers so you would have been perfect for me.

Klaido: That is true but yeah.

Me: I agree.

We got the battles underway.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of fire blasts, and it absorbed the blasts of fire and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Simon Seraphina, or we will force you out.

A massive muscular male with the same orange hair as The Seraphina Sisters and wearing blood red clothes and fire demon wings came out, it was Simon Seraphina, one of the eight evil cousins of The Seraphina Sisters and dangerous criminal in Royal Woods.

Lincoln: Simon Seraphina, I should've known it was you: the stench of fire and B.O. in the air. This just never stops with you, does it? I thought we were rid of you, but Isabella Abaddon had to mess things up as always when she freed that hate-filled jealous-crazed destructive monster, Abigail Seraphina. Well, now we're going to make sure that you're put down like the rabid dog that you are!

Simon Seraphina: YOU DARE TO SPEAK TO ME LIKE THAT?! I DON'T CARE IF YOU ARE A GOD AMONG MEN, LINCOLN LOUD, YOU AND THE REST OF THOSE SERAPHINA BITCHES WILL DIE FOR THROWING US IN THOSE CHAMBERS AND IMPRISONING US IN THOSE GLACIERS AND SENT US TO ANTARCTICA!

Stella Seraphina: That was all your doing along with the doing of your brothers, Simon, and now, you shall threaten mankind and the world no more.

Suddenly, Stella Seraphina's red eyes turned neon red and she was surrounded by an orange yellow and crimson red energy aura with stars, fire, flames, basilisks, cockatrice, phoenixes, and angels, she unholstered her massive Hazy Flame Basiltrice-themed greatsword from her back, and as she approached Simon Seraphina, she left orange yellow and crimson red energy, stars, fire, flames, basilisks, cockatrice, phoenixes, and angels with every step.

Stella Seraphina: Never did I expect to ever see you again, Simon. We put a stop to you and your brothers years ago along with Abigail and we threw you all into cryogenic chambers that cut off your powers and we put you into those glaciers that sent you all to Antarctica where you would be forever forgotten. But, as always, that bitch, Isabella Abaddon, had to fuck things up and free your asses with those demons of hers. Well, that ends here and now, your plan to destroy us all and burn the entire world shall go up in flames together with your life.

Suddenly, Stella Seraphina was surrounded by a massive vortex of orange yellow and crimson red energy with stars, fires, and flames surrounding the vortex, there are basilisks, cockatrices, phoenixes and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Simon Seraphina: the red eyes of death. Then, as the vortex faded, Stella Seraphina emerged, but she was changed forever.

Stella Seraphina grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large fire-colored orbs orbiting around her legs, she has the body of a goddess, she has crimson red highlights in the bangs of her long orange hair and large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon red eyes and an orange yellow and crimson red energy aura with stars, fire, flames, fire magic, basilisks, cockatrices, phoenixes, and angels surrounding her, she has Hazy Flame Basiltrice in the center of the Basilisk and Cockatrice emblazoned on her forehead and Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws, she also Hazy Flame Basiltrice with red gems for eyes and holding the Star, Fire, Flame, and Eternity Kanjis in its claws for the second pendant on the bottom of her crimson red basilisk and cockatrice-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Stella Seraphina has on a sleeveless crimson red vest, sleeveless crimson red crop top, crimson red skirt, orange pants, orange legwarmers, orange sneakers, and long sleeveless white trenchcoat with stars, fire, flames, fire magic, basilisks, cockatrices, phoenixes, and angels on the coattails, and on the back is Hazy Flame Basiltrice, Basilisk, and Cockatrice surrounded by flames. Suddenly, Stella Seraphina felt a sharp pain on her back, and then, her massive orange angel wings with crimson red tips on the large orange feathers grew much bigger for her new body and she also now has eleven massive and long midnight orange wolf tails with crimson red tips and crimson red markings, Stella Seraphina has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Stella Seraphina's Hazy Flame Basiltrice-themed greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of orange yellow and crimson red energy, stars, fire, flames, fire magic, basilisks, cockatrices, phoenixes, and angels, and when it emerged, it was transformed into Stella Seraphina's Eternal Fire Inferno Hazy Flame Basiltrice Fire Angel Greatsword of Eternal Fire Inferno Hazy Flame Basiltrice Fire Angel Justice, it's a brand-new massive greatsword with embedded orange gems and

We were really amazed by Stella Seraphina's Super Angel-Hazy Flame Basiltrice-Cockatrice-Basilisk-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Simon Seraphina saw it, he fell into a rage and fired a blast of fire at her and Lincoln to kill them, but Lincoln and Stella Seraphina absorbed it and it made them even stronger than ever, and Stella Seraphina fired a massive barrage of orange yellow and crimson red energy, stars, fire, flames, fire magic, basilisks, cockatrices, phoenixes, and angels which hits Simon Seraphina and he was knocked down, he got back up, but now, he was even angrier than ever.

Hestia Seraphina: Oh man, Stella's transformed, now things are really going to heat up now!

Lincoln: That's right, Stella Seraphina's transformed into her Super Angel-Hazy Flame Basiltrice-Cockatrice-Basilisk-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga form, and now, it's high-time we got through with that piece of shit, Simon Seraphina.

Unlike what we did in imprisoning Abigail after I stripped her of her powers, you are way too dangerous to let live and thus, you will die for everything you've done.

Stella Seraphina and Lincoln went after Simon Seraphina who continued firing powerful blasts of fire and fire magic at them, but Lincoln and Stella Seraphina kept absorbing them and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, orange yellow and crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Simon Seraphina and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his gold claws and firing energy slashes from his claws and he and Stella Seraphina also attacked him with some powerful punches, kicks, and karate chops, and they smashed him all over with their immense and extremely powerful superhuman strength, along with elemental blasts and this was driving Simon Seraphina even more madder with rage.

Simon Seraphina: YOU! YOU! I WILL KILL YOU ALL!

Simon Seraphina charged right at them with uncontrollable rage and wrath in his heart, but Stella Seraphina fired a powerful fire blast at him which hit him hard and burned him, and then, Lincoln turned the tip of one of his eleven massive and long white tails into Cell's stinger and impaled it into Simon Seraphina's chest, and then, Lincoln began absorbing him and in the process, he was also assimilating his really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger.

When Lincoln was done, the stinger changed back and all that was left of Simon Seraphina were his clothes. Then, an energy card with Simon Seraphina's drained soul appeared in Lincoln's left hand, and Lincoln banished him to The Black Gates forever, we cheered wildly for what Stella Seraphina and Lincoln did as they holstered their massive greatswords and powered down and Stella Seraphina's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive orange angel wings are permanent.

Stella Seraphina: This is for everything you and your lowlife brothers have done to us in the past, you piece of shit. Thanks for helping me get rid of that asshole forever, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Stella.

Suddenly, Stella Seraphina wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Michaela Storious' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Basilisk, Cockatrice, and Hazy Flame Basiltrice flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind and around them and we cheered wildly. Then, Lincoln and Stella Seraphina sucked in and absorbed the elemental forces and flames and they came back to us as the display vanished.

Nico: That's one of those destructive assholes put down, and only seven more to go.

Lincoln: Yep. But, without Simon Seraphina leading them, those seven will be running loose and with no one to lead them, their desire for revenge will consume their minds.

Me: And leave them as easy targets for you, nice. So, Lincoln, who's the next Tailed Beast Avatar we're meeting tomorrow?

Kenzie Kurama: Ooh, I think I know who'll be perfect for tomorrow, and she's one awesome master of sand, her name is Siri Shukaku, Avatar of Shukaku The One-Tailed Tanuki, she's Lincoln's Guardian Angel from Michigan, and she's the Avatar of Shukaku The One-Tailed Tanuki and she's a powerful master of sand and using the Spear of Shukaku, and she also knows how to use her massive tail as a powerful weapon such as using it as a whip to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt Lincoln. She also really hates Scoots to the extreme, because on a lunch date Siri and Lincoln had at Lake Huron, Scoots showed up wanting to run over Lincoln again, but Siri had enough of that old goat and she fired a wave of sand that clogged up Scoots' scooter and she summoned hands made of sand to grab and throw that old goat right back to The Lansing Maximum Security Nuthouse, and if that wasn't enough, she threw a Spear of Shukaku right at Scoots' face saying if she ever saw Scoots running wild again, she would kill her.

Nico: Yipe, and being the Avatar of Shukaku, I wouldn't be surprised if she also knows Gaara's Sand Coffin and Sand Burial techniques.

Lincoln: She knows those techniques along with many other Sand Style techniques as well, and she's almost gotten that close to using The Sand Coffin and Sand Burial on that old goat.

Me: It almost got bloody, but she'll be glad to hear we got rid of that old goat for good.

Count Nocturne: That's the last of Slappy's Mantis robots.

Ryugu Tamatebacco: I didn't expect Leatherface.

Black Knight Ghost: Me neither.

Stonedozer: But at least he's gone for good.

Nico: Yep.

Me: Good Riddance.

Zavok: Now, Shock Street will be reopened tomorrow,

Nico: Yep. Great job today everyone.

Laney: Thanks. (To the viewers) No monster is gonna be safe from us and be careful how you work robots.

Me: Yep.

Nico: Now for the fun ending for today. (MISCHIEVOUS SMIRK)

In an unknown area, Slappy was watching TV when suddenly the mantis head crashed through his living room roof.

Slappy: What the!?

Nico appeared on a hologram.

Nico: Hi there, Slappy. It's me, Nico. You know, the boy who's afraid of you? Oh, wait. I'm not afraid of you anymore. I got over it! I guess that makes you dead meat in August 31, huh? Don't worry. You won't have to fight me. At least you won't if you give us a million dollars in the next 24 hours. It's been nice knowing you. PS. I killed my mirror self.

Slappy was infuriated.

Slappy: (ENRAGED) NICO CHAN!

Dante: No problem Nico. This is gonna be awesome.

Xenia: It sure will.

Jessie Bannon: I am excited for this.

Nico: Jessie, I think you met J.D. and the others in the very early days

Jessie Bannon: I sure did and it was a really awesome story.

Nico: Wow.

Me: You would be amazed. Me and Varie were with Lincoln, Clyde and Laney and we helping Lincoln.

I went over what happened in chapter 29 and it was awesome.

---

[Episode begins with the show Dream Boat playing.]

Narrator: "Will our captivating captain find her first mate, or will it be man overboard? Find out tonight as we set sail for love on… The Dream Boat."

[Shows Me, Varie, Ed, Double D, Eddy, Woody, Lincoln and his sisters watching, mouths open.]

Lori: [excited] "Eeeee! Karen should totes pick Bronson, he's… so gorge, I can't even…"

Luna: "No way, dude! What about Brock? He wrote her that sweet jam."

[Flashback to an episode where Karen is listening to Brock play the accordion.]

Edd: His talent with the accordion was neutral at best.

Varie: I play a good panflute.

Lucy: "I like Bram."

[Flashback to another episode; Bram comes out from behind a beach chair looking sneaky.]

Ed: Cool.

Lola: "Eww! He gives me the creeps!"

Lucy: "Exactly."

Me: I would pulverize that freak into next week because he looked like he would hurt Karen in any way, shape or form.

Laney: I like Barry. He made that beautiful painting for her.

[Flashback to another episode; Barry paints a picture of Karen in the beauty of the amber glow of an ocean sunset.]

Eddy: That painting was very beautiful. But not as beautiful as you Luan.

Luan: (Giggles) Oh Eddy. You know how to PAINT a picture of Love. [Laughs] Get it?

Eddy: [Laughs] Good one.

Me: [Laughs] Good one, Luan.

Leni: "I like Bryant!" [sniffs a rose] "He's so romantic…"

[Flashback to another episode; Karen is with Bryant on the ship's deck.]

Bryant: "Karen, I'll be your North Star." [sighs] "'Cause no matter where this journey takes you, I'll always be there to guide you home."

Lisa: "'North Star'? Ach, poppycock. Tree moss is a far more reliable means of navigation, given that it only grows on the north side of trees."

[The sisters grumble and toss their popcorn at her.]

Me: I agree with Lisa. The North Star Polaris hasn't always been extremely reliable over the centuries.

Varie: Plus. Bryant was making Karen feel a little uncomfortable.

Lily: I like Bruno. He caught a really big fish for her.

[Flashback to another episode; Bruno pulls in a huge Mahi Mahi as big as a car. Fast forwards to the two eating it]

Me: That was a really big fish, huh, Lily?

Lily: It sure was.

Lynn: "I like Blaine!" [Flashbacks to Blaine in another episode.] "I bet he can bench 300 pounds, maybe 320 with a spot!"

Me: Not to brag but that's nothing compared to what I'm capable of lifting.

Lincoln: "Blaine? But he wore flip flops to their first date! I mean, I can't even…"

[We all chatter]

Lori: "Lincoln, it's so much fun watching this show with you, you're like… literally one of the girls!"

Lincoln: [gasps in shock] "One of the girls?!"

[Flashback to Lincoln's time hanging with his sisters. First, he hangs out in the bathroom with Lori wearing their bathrobes.]

Lori: [applying mud to Lincoln's face.] "This mud mask is both cleansing and invigorating."

Lincoln: "Oh, my pores are tingling!"

[Now Lincoln is giving Lucy a manicure in her room while he has headlight over her painted nails.]

Lucy: "Thanks, Lincoln. I always mess up my right hand."

Lola: [suddenly in the room] "HEY! Someone put her funeral dress in the wash…" [shows her splattered dress] "… with all my pageant gowns!" [Growls and stomps over to Lucy, who pretends to die; she bonks her on the head.] "UGH! I can't rip you apart if you're already DEAD!"

[Now Lincoln is knitting something with Luna.]

Lincoln: "Back two over one."

Luna: "You got it, bro!" [tries on the headband she knitted.] "These accessories will make our outfits rockin'!

Lincoln: [having knitted fringes on the jacket he's wearing.] "Rocking!"

[Now Lincoln is working on a poncho Leni is wearing.]

Leni: "Lincoln, how's that hem coming?"

Lincoln: "Almost done!"

Leni: "Thanks! I can wear this poncho for all five seasons!"

[Lincoln rolls his eyes at this; end flashback.]

Lincoln: [to the viewers] "Yikes! Is spending all my time around girls turning me into one? Nah, I'm sure It'll turn out fine."

Me: Me too Lincoln.

Lynn Sr.: [wearing a pink apron and holding pink muffins.] "What did I miss? Did Blaine finally put on some loafers?"

Lincoln: "This show's lame. Let's watch guy stuff." [changes the channel]

Sisters: "HEY!"

Male TV Announcer: "A lifetime in the extreme wilderness has made Rip Hardcore as tough as a two-dollar steak."

Lincoln: "Now this is my kind of show."

Lori: [scoffs] "Since when?"

Me: Now you're speaking my language, Lincoln.

Laney: This is more my kind of show.

Lily: Mine too.

Lynn Sr.: "Oh no, turn it back! We're gonna miss the anchor ceremony!"

[The sisters minus Laney and Lily start fighting Lincoln over the remote.]

[The next day, Me, Varie, Lincoln, Laney, Lily and Clyde are walking into the woods with our backpacks.]

Clyde: "Let me get this straight. You think living with the girls has made you unmanly so we're spending a weekend in the extreme wilderness so we can turn into steaks?"

Me: Something like that, Clyde.

Lincoln: "Eh, close enough. Now are you ready to get extreme?"

Clyde: "You know it!"

Me: Yeah!

[Me, Lincoln and Clyde chest bump each other]

Laney: I don't know guys. This looks dangerous.

Lily: Come on Laney. Where's your sense of adventure?

[Lincoln starts to continue his descent into the woods.]

Clyde: "Wait! I promised my dads I'd stay in their sight line."

[Camera pans out to reveal Howard and Harold at a nearby B&B.]

Clyde: "It's supposed to be a really nice B&B."

Me: It is a nice Bed & Breakfast.

Lincoln: [facepalms] "Clyde! How are we supposed to toughen up with your dads watching over us?" [drags Clyde into the woods]

Clyde: "But they were willing to bring us some of their complementary welcome scones."

[Me, Varie, Lincoln, Laney, Lily and Clyde approach a wooded area by a stream.]

Lincoln: "Now this spot looks perfect.

Me: Oh yeah.

Clyde: [reads the sign] "But the sign says 'No Camping here! Extreme Danger!'"

Lincoln: "Exactly. Extreme! Our first order of business: securing shelter."

Varie: Right.

Clyde: [gets out a tent] "My dads used this tent on a safari last year. It has it own veranda."

Laney: Neat.

Lincoln: "Tough guys don't sleep on verandas, Clyde." [picks up some twigs] "They build their own shelter."

[The next scene, Lincoln and Clyde's shelter simply consists of the twigs propped up against a tree.]

Clyde: "What a beaut."

Lincoln: "All in a manly day's work.

Me, Varie, Laney and Lily make a fort out of trees and leaves

Lincoln: Now that is better.

Laney: Thanks guys. My plant powers sure are useful.

Lincoln: Now, how about we rustle up some grub."

Clyde: "Great." [picks up a picnic hamper] "My dad made my favorite: Swiss Chard Frittata."

Lincoln: "Forget the frittata, Clyde. Tough guys eat beans." [holds out a can of beans]

[Clyde has prepared a stove and is now putting on an apron.]

Clyde: "Were you thinking chili or more of a cassoulet?"

[Cut to Me, Varie, Laney, Lily, Clyde and Lincoln eating the beans raw but they're clearly not enjoying it.]

Lincoln: [feigning delight] "Mmm-mmm-mmm! Good stuff, right?"

Clyde: "Very… tasty."

I form a flame in my hands and cook the can over it and the beans boil.

Laney: Very clever J.D.

Lily: Using your fire powers for that is genius.

Me: Thanks guys.

I do the same thing with Lincoln and Clyde's beans and they ate them.

Lincoln: "Well, we're burning daylight here. Better get started on our campfire."

Clyde: "Way ahead of you." [gets out an artificial campfire] "This baby's got LED lights, sick flames and realistic crackling sounds."

[Clyde turns on the artificial campfire but Lincoln turns it off.]

Lincoln: "Clyde, tough guys make real fires."

Me: I got this. [I make a ring of rocks and Laney gathers some sticks and I light them on fire]

Clyde: Perfect J.D.

[Clyde makes a farting sound.]

Me: [Laughs] Clyde.

Clyde: "Sorry! Must have been the beans."

Lincoln: "No need to apologize, Clyde. Tough guys let it all out." [lets out a fart.]

Varie: [Laughs] Lincoln.

Clyde: "Well, in that case…"

[Lincoln and Clyde have so much fun belching and farting. I join them until a bird drops from the sky.]

[The scene changes to nighttime as me, Varie, Laney, Lily, Lincoln and Clyde are laying their sleeping bags on the ground.]

Clyde: [yawns] "All this extreme ruggedness has worn me out." [set up an inflatable mattress.] "What level of firmness do you want?"

Lincoln: "We don't need that. The ground will be our mattress."

Clyde: "Oh, so extra firm."

Me: This is how I sleep when I go camping.

[Lincoln and Clyde proceed to get into their sleeping bags, start shifting around in them and ultimately end up lying down on top of the inflatable bed inside them.]

Lincoln: "We're tough guys, not animals." [Clyde nods] "I'm really glad we did this, Clyde. Out here in the woods, away from all the girls. I'm starting to feel like a real man."

Clyde: "Me toot." [Proceeds to pass gas as he makes the pun and starts laughing.] "Oh, I think I just found a way to stay warm." [Passes gas one more time as Lincoln gives him a disapproving look and turns away from him.]

[Scene switches to morning.]

Lincoln: [Yawns] "Nothing like waking up in-"

Clyde: "WATER! We're in the water!" [Both of them scream.]

Me: We're on a raging river!

Laney: Oh no!

Lily: Holy mackerel!

Lincoln: "How did this happen?"

[Flashback to our bed being taken away by rising water levels, then back to Lincoln and Clyde's un-amused faces. We notice a waterfall up ahead and scream in terror.]

Varie: WATERFALL!

Lincoln and Clyde: "Paddle!"

[As we frantically try to paddle, some familiar debris flows down the river.]

Clyde: "Hey, isn't that our shelter?"

Lincoln: "It's making a dam!"

[We celebrate]

Lincoln: "We're saved, and all because we built our own shelter like the-"

[Inflatable bed blows up and sends Clyde into a thorn bush]

Me, Varie, Laney and Lily are flying.

Clyde: "Lincoln! Are you okay?"

Lincoln: "I'm fine, I landed on a really soft rock." [Moose gets up in anger.] "Not a rock, moose!"

Me: Moose are very territorial! RUN!

[We proceed to scream in panic and run away from the charging moose, climbing a tree for safety in the process.]

Lincoln: "Ha, nothing two tough guys like us can't handle. Right Clyde?" [Moose starts ramming the tree, sending us flying.] "Clyde, are you okay?"

Clyde: "I'm fine, I landed on a really soft rock." [Bees come out of the hive.] "Not a rock, a bee hive!"

Laney: RUN!

[We proceed to running away screaming from the bees as Lincoln and Clyde get stung.]

Lincoln: "This is still nothing tough guys like us can't handle. [They stop running] At least it's not raining." [Rain starts coming down] "Is that all you got!?"

[Mud slide drags us down the mountain as we continue screaming. We then start panting.]

Clyde: "Lincoln, I know this probably sounds lame to a tough guy like you but I'm hungry and wet and cold and I kinda wish I were with my dads at the BMV eating welcome scones."

Me: Yeah.

Laney: This is really tough.

Lily: I'm no toughie like Rip Hardcore.

Lincoln: [Sighs] "I was kidding myself, Clyde. I'm no tough guy. After all those years around all those women, it's too late for me. Now if you don't mind, I'm gonna lie down on this nice, soft rock." [Rock turns out to be a bear.] "Not a rock! Bear!"

[We scream as the bear roars.]

Lincoln: [Gets an idea] "Guys, quick, play dead!"

[We pretend to be dead as the bear checks for signs of life, then leaves when he thinks we're dead. We proceed to run away as soon as the bear leaves.]

Me: Lincoln, that was genius buddy!

Laney: Way to go big bro!

Lily: Thanks big brother!

Clyde: "Lincoln, that was amazing! How did you know to play dead?"

[Flashback to the Lucy and Lola moment.]

Lola: "I can't rip you apart if you're already dead."

[Back to the present; Me, Varie, Laney, Lily, Lincoln and Clyde panting.]

Me: That was a close one.

Lincoln: "It's something I learned from Lucy."

Me: That's our little Vampiress.

Varie: We owe you one, Lucy.

Laney: Thank you Lucy.

Lily: Even though she's not here.

Clyde: [shivering] "Does she know anything about keeping warm?"

Lincoln: "No, but Leni does."

[Flashback to the Leni and Lincoln moment.]

Leni: "I can wear this poncho for all 5 seasons. The key is the faux fur lining."

[Back to the present; we are wearing ponchos made out of leaves.]

Me: Ooh. This is really comfy.

Clyde: "Wow, it is so toasty."

Laney: Yeah. This is perfect for fall weather.

Lincoln: "The key is the birch bark lining. Now come on, Clyde, we're going home."

Clyde: [Looks around] "Which way?"

Lincoln: "Why it's just…" [Look around lost] "… this way!"

[We start running]

Lincoln: [looks at the moss] "Lisa said that moss only grows on the north side of trees."

Varie: So it is far more reliable than the North Star.

Lily: Lisa was right.

Clyde: "My dads are staying at the North Valley B&B. Follow that moss!" [As we take off running, we later stop in front of a hill.] "How do we get up there?"

Me: Boy that's a long way up.

[Flashback to the Luna and Lincoln moment.]

Luna: "You got it, bro! These accessories will make our outfits rocking!

Lincoln: "Rocking!"

Luna: "And if you braid the strands real tight, they're strong enough to use as ropes. Right, Chunk?"

Chunk: [pulling on a rope] "Right as rain, love." [Notices the Piano is too big for the window.] "We're gonna need a bigger window, though."

[Back to the present]

Lincoln: "Back two, over one." [Pulls rope to test it.] "That'll hold."

Me: Brilliant idea, Lincoln.

[We start climbing up]

Laney: These ropes are really strong.

Clyde: "This is great, Lincoln. What did you make this rope out of?"

[Lincoln realizes what the rope is made out of and scene switches to us next to a mud pit.]

Lincoln: "This should help the poison ivy."

Me: This is very soothing.

[Flashback to the Lori and Lincoln moment.]

Lincoln: [With mud on his face.] "Oooh, my pores are tingling."

Lori: "It also soothes sunburn, poison ivy, and mild to moderate acne."

As we were running, I hear someone screaming somewhere in the forest.

Me: Guys, wait!

We stop and I put my hand to my ear.

Lincoln: What is it?

?: HELP ME!

Laney: It sounds like someone's in trouble.

Varie: [Points to a clearing] It's coming from over there!

Me: HELLO?! ARE YOU OKAY?!

?: HURRY! I'M SINKING!

Me: [Gasp] COME ON! LETS GO!

Me, Varie, Lincoln, Clyde, Laney and Lily run to the clearing and we saw a girl waist deep in quicksand.

The girl was Jessie Bannon from "The Real Adventures of Jonny Quest"

Me: [Gasp] Jessie Bannon! Hang on! Stay calm. Don't move.

Jessie: Help me.

Me: Laney, form a vine rope. Quickly.

Laney formed a vine rope and I tied it into a lasso and I swung it around and threw it at Jessie. It landed by her.

Me: Tie that around your waist.

Jessie did so.

Me: Everyone grab on. Pull!

We all pull on the vine rope and we pull her to the land.

We pull her out safely.

Me: Are you alright?

Jessie: Yes. Thanks to all of you.

Lincoln: You're welcome.

Me: We should introduce ourselves. My name is James Knudson. But everyone calls me J.D.

Varie: My name is Varie, J.D.'s fiancé.

Lincoln: My name's Lincoln Loud and these are my sisters Laney and Lily.

Laney: Pleasure to meet you,

Lily: Same here.

Clyde: My name is Clyde McBride.

Jessie: It's a pleasure to meet you all.

Me: How did you wind up here in Michigan?

Jessie: I'm in Michigan? I'm supposed to be with my dad, Dr. Quest and my friends in Colombia.

Me: Dr. Benton Quest, the world famous inventor?

Jessie: That's him.

Varie: I've heard a lot about his scientific achievements.

Me: Me too.

Laney: What's that medallion you have there Jessie?

Jessie: Oh this? I found it on a dig in some ruins in Colombia.

Me: I recognize the symbol on it. It's Quetzalcoatl the Feathered Serpent in Mayan Mythology.

Jessie: Yes. 2 men were after it and they chased me and I lost them and I met you guys.

Me: We're just lucky we heard you call out.

Jessie: Yes. I owe you all my life.

Me: A life is never owed when saved out of friendship.

Jessie: Thank you all. Laney, how did you form that vine rope?

Laney: Oh, I have plant powers because of a special circumstance.

Clyde: Laney got her powers from the Diamond of Gaia.

Me: It's a special mystical diamond that can bestow plant powers, the ability to talk to animals and flight to a person who is pure of heart.

Jessie: Wow. That's amazing.

Me: I don't know how you got here, but we got to find out and call Dr. Quest. But first we got to get out of this forest. Lets go.

[Me, Varie, Laney, Lily, Jessie and the boys come across a rock they can't move.]

Clyde: "How are we gonna move this bad boy?"

[Lincoln starts thinking of a solution.]

[Flashback to a Lynn and Lincoln moment, as the latter struggles to move a trash can and makes struggling noises as Lynn comes into the scene.]

Lynn: "Step aside, I got this." [spits on her hands and rubs them together, proceeding to grab the trash can.] "You gotta lift with your legs, not your back. you see?" [Throws the trash can out and hits her dad in the process.]

Lynn Sr.: "OW!"

[Flashback to the present as Lincoln and Clyde move the rock out of the way.]

Me: Lift with your legs. Never your back.

We keep running and we come across a log going across a cliff and Me, Varie, Laney and Lily fly over to the other side of the cliff.

Clyde: [Comes across a log over a cliff and tries to cross it.] "Whoa!" [Loses his balance and hugs the log to prevent himself from falling off while Lincoln tries to think of another plan.]

[Flashback to Lola and Lincoln moment as the former practices her catwalk as she curtsies her dress in her high heels while having three books on her head.]

Lincoln: "How do you balance in those?"

Lola: "Eyes forward! Chin up! Tushie clenched!" [Grunts after showing a balance method.]

[Back to present where the boys are walking across the log safely.]

Clyde: "Good tip, Lincoln. It really works!" [As he walks along the log smiling and waving.]

Jessie runs across the log with very little problems

Me: You're fast Jessie.

Jessie: I know.

Lincoln: "I don't think you have to do the wave, Clyde."

[Clyde shrugs, air kisses and takes off behind Lincoln. We run through the woods until they arrive safely at the B&B.]

Me: We made it.

Lincoln: "Clyde, we did it! We made it back!" [falls to the grass and sighs in relief.]

Laney: Thank goodness.

Clyde: "I'm pooped. I'm just gonna sit down, and wait for my dads on this nice soft rock."

[Lincoln and Clyde remember their experiences with "soft rocks" and panic as Clyde jumps into Lincoln's arms as they realize… ]

Clyde: "Oh, this one's really just a rock."

Me: [to Jessie] We had some run ins with a moose, a beehive and a bear and we thought they were rocks.

Jessie: That's rough. How did you guys know what to do?

Varie: We had to retrace our steps and overcome the obstacles with the help of everything Lincoln learned from his sisters.

Jessie: Good thinking.

Me, Varie, Lincoln, Laney, Lily and Jessie were over in Lisa's room and we explained what went down

Lisa: It was a portal from another dimension that teleported you here, Jessie.

Jessie: I'm in another dimension?

Lisa: Exactly.

Me: A Transdimensional Portal took her here?

Lisa: Precisely. Jessie was teleported here from another dimension through a Transdimensional Portal from Colombia in her dimension to ours.

Lincoln: That is very strange.

Me: I've read a lot about parallel universes, dimensions beyond all of time and space and all that.

Varie: How are we gonna get her back to her own dimension?

Lisa: That's the problem. It could be any one of them. There's an infinite number of dimensions across the fabric of time and space and she could've come from any one of them.

Me: That's like trying to find a needle in a haystack. A haystack that's as big as an infinite number of Universe's put together.

Lisa: Precisely.

Lily: That is really complex for me.

Laney: So Jessie is gonna be stuck here?

Lisa: Unfortuneately yes.

Jessie: [Voice breaking] I'll never see my family again.

She starts crying and Lincoln comforts her.

Lincoln: It's not the end of the world Jessie. You already have friends here in this dimension.

Me: Yeah.

Varie: We're your friends and we will do everything we can in our power to help you.

Jessie: [Calms Down] You will?

Lily: Sure.

Laney: That's what friends do.

Me: We will be there to help.

Laney takes Jessie's hands.

Laney: We will never give up on you and we will help you in any way we can.

Jessie: Thank you all. Thank you.

[Scene changes to the Loud House at night.]

Jessie was taken in by the Loud Family.

Lincoln: [Working on muffins; to the viewers] "I thought spending so much time around my sisters was a problem, when actually it's just the opposite. If it wasn't for them we'd probably be moose meal by now." [Walking in the living room towards me, Varie, Woody, Ed, Double D, Eddy, Jessie and his sisters.] "And now that I don't have to worry about what's manly or girly or any of that junk I can go back to enjoying this." [offers muffins to his sisters and dad, me, Varie, Jessie, Woody, Ed, Double D and Eddy.] "Who wants strawberry muffins?"

[Me, Varie, Woody, Jessie, Ed, Double D, Eddy, Loud Sisters and their dad all say "I do" multiple times as we completely clean up the tray. They proceed to start eating the muffins as Lincoln sits in between them to watch Dream Boat, he embraces Leni's legs, Lola hugs him and his dad rubs his hair.]

Me: You make really good muffins, Buddy.

Varie: Delicious.

Woody: Mmm. You make delicious muffins, pal.

Ed: Yum!

Edd: I concur. These muffins are sure tasty.

Eddy: These are delicious, Lincoln.

Jessie: Very tasty.

Lincoln: "Thanks guys. Oh Blaine, please tell me you're not wearing clogs."

Woody does his trademark laugh.

* * *

When I was done it was amazing.

Nico: WHOA! That is awesome!

Jessie Bannon: Yeah J.D., Varie, Lincoln, Clyde and Laney were very brave saving me.

Me: Yep. And also when we were on our Worldwide Adventure in Colombia we found out how Jessie got there. It was a portal from about a year to 2 years into the future.

Nico: That is crazy! But that is cool!

Jessie Bannon: That sure was cool.

Nico: It's amazing how much things change in all these years

Me: I know.

Jessie Bannon: That is true and meeting J.D. and friends was one of the most amazing adventures and journeys ever for me.

Lola: Yeah.

Me: Yep. Boy yesterday was awesome and battling those Robot Mantis' was awesome but I did not expect them to be controlled by Leatherface.

Nico: Me neither!

Lola: He was as ugly as ever!

May: I wasn't expecting Leatherface myself.

Nico: No kidding.

Eli: Me neither. That was crazy.

Qin: Yeah. But we have now seen the last of the terror of

Leatherface.

Xenia: But Slappy hiring him was a big time terrible mistake.

May: Why's that?

Nico: It's highly likely that Slappy not only hired him to kill us but also when he got the job done, Leatherface was going to turn on Slappy and turn him into sawdust.

May: I see.

Me: That was a hunch. But either way it would have happened.

Nico: And Nanette, Lana, Fancy Pants, Lisa, Gali, and Yan Lin did good.

Lana: I'll say!

Fancy Pants: That was so fun chaps.

Me: It sure was.

Maria: I'll say! We're here guys.

We arrived at the planet and it was a golden yellow forest mountain planet.

Nico: This looks like a desert planet from up here.

Xenia: Yeah.

We went down to the planet and we landed and we saw that it was a NACHO CHEESE SWAMP PLANET!

Me: WHOA!

I put some on my finger and tasted it and it was Nacho Cheese!

Me: It's a Nacho Cheese Swamp Planet!

Qin: WHOA!

Nico: I want some!

Me: Anyone got any chips?

Lincoln pulled out a bag of Nacho Chips.

Me: Perfect!

We got some chips and dipped them and ate them.

Me: Mmm! (Eating) Crispy and cheesy.

Nico: (Eating) Mmm! Spicy and delicious.

Maria ate some

CRUNCH!

Maria: (Eating) Mmm! Boy this is amazing!

Me: Hey Nico what do you call a cheese that isn't yours?

Nico: I don't know. What?

Me: NACHO CHEESE!

We laughed!

Juran: I don't get it

Nico: You know. Not Your Cheese, Nacho Cheese.

Juran: OH I get it now! (LAUGHS) Funny!

Eddy: (LAUGHS) That was a good one!

Fu: (LAUGHS) That was funny.

Lola: Yeah.

Me: (Eating)

Crunch!

Me: Mmm! Boy this would be a perfect place to have an awesome nacho party.

Nico: It sure would.

May ate some more.

CRUNCH!

May: (Eating) Mmm! Boy this is awesome nacho cheese here.

Lola: It sure is!

Nico ate some more.

Nico: (Eating) Boy I love nacho cheese.

Me: Me too.

Eli: So awesome and good.

Laney: I'll say!

Lincoln: Okay, guys, we've got ourselves a huge emergency: I just got word from King Kai that another Evil Sasuke is here on this nacho cheese swamp planet, and he's literally out for blood.

We gasped!

Me: (FLARES UP RAINBOW PHOENIX FORCE AURA) WHAT?! THAT GODDAMN FUCKING ASSHOLE, HE JUST DOESN'T EVEN KNOW WHEN TO FUCKING QUIT?!

Nico: I know, right? That asshole and the others like him literally have a fucking death wish when it comes to trying to kill us!

Eli: He's absolutely insane!

Lincoln: And it gets worse: Slappy's the one who sent him after us.

Nico: (GROWLS) HE… WHAT?! (HAIR TURNS LITERALLY INTO A RAGING DARK BLUE INFERNO)

Me: OH! NOW, HE'S DONE IT!

Lincoln: We've had just about enough of that damn asshole to last an eternity. Plus, there's also a reason why Mikoto's joined us: she's going to transform and help us destroy that heartless slimeball.

Mikoto Uchiha: That's right. I brought him into this world, and now, it's time for me to take him out once and for all.

Nico: Whoa.

Lincoln: And she's going to use her own version of your Evil Sasuke Rant to drive that slimeball mad.

Me: Now, this I got to see.

Lincoln: (Sensed for Evil Sasuke) AHA! Gotcha! I just spotted that heartless slimeball, he's 30 yards away and he's closing fast on J.D. in a fit of deranged homicidal fury. (Sensed Flip's musclebound thugs) And hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: That mutant just doesn't even know when to quit!

Suddenly, we saw a massive army of Flip's musclebound thugs arrive and came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now weak and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Evil Sasuke.

Nico: He shouldn't be far behind.

?: YOU MOTHERFUCKING CUR!

Lincoln: Yeah, screw you too, you bastard!

We then saw our target, Evil Sasuke, and he was still hellbent on revenge on me. He formed and fired a massive fireball at us, but Lincoln saved us by forming a massive and indestructible diamond barrier with absorption energy surrounding it, and when the massive fireball hit the barrier, it didn't make any dent as it was absorbed into us and we suddenly gained a massive power boost and the barrier stood strong. That got him super angry and he fired more fireball blasts at it, but all the blasts got absorbed into us and we continued getting stronger, then, he tried hitting it with his fists, but that didn't work, but it did get his fists bloody and bones broken. EVIL SASUKE WAS NOW LITERALLY OUT OF HIS MIND AS HE CONTINUED ATTACKING THE BARRIER WITH NO SUCCESS AT ALL!

Nico: What an asshole!

Lincoln: Once a dishonorable piece of trash always a dishonorable piece of trash.

Lincoln fired a diamond ball which hits Evil Sasuke in his face and forced him back, Lincoln took down the barrier and we stood ready to face Evil Sasuke, who was now out of his mind and still dead set on killing me.

Evil Sasuke: YOU GODDAMN ASSHOLE! I'LL KILL YOU!

Evil Sasuke ran at me to kill me again, but Lincoln grabbed him by the neck with his tail and threw him back into a tree.

Lincoln: You try and lay one more hand on J.D., and I'll tear your heart right out of your chest and make you eat it! We're already pissed off with that stupid dummy, Slappy, for sending you after us along with the next Goosebumps monster we're going after.

Mikoto Uchiha: Which is why we're going to shred the Plant Clone later on today, and when the time arrives, we'll burn that living dummy, and I've had enough of you to last an eternity, you bastard.

Me: Me too!

Laney: Same here!

Nico: Bring it, asshole!

Suddenly, Mikoto Uchiha's black eyes turned neon dark purple and she was surrounded by a purple energy aura with stars, fire, flames, Fire Chakra, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Evil Sasuke, she left purple energy, stars, fire, flames, Fire Chakra, phoenixes, and angels with every step.

Mikoto Uchiha: I've had enough of the likes of you last an eternity, you vile unforgivable monster. I may have brought you into this world, but now, I am going to take you out of this world forever. That monster, Fugaku, made you into what he is, and for that, I will make sure that every single trace of Fugaku's hatred is wiped clean from the universe forever.

Suddenly, Mikoto Uchiha was surrounded by a massive vortex of purple and dark blue energy with stars, fire, flames, and Fire Chakra surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a brown phoenix with red eyes glaring at Evil Sasuke: the red eyes of eternal death. Then, as the vortex faded, Mikoto Uchiha emerged, but she was changed forever.

Suddenly, Mikoto Uchiha's immense blue protective aura transformed into an immense protective rainbow aura with elements swirling around it, she'd transformed into her ultimate transformation.

We were amazed by Mikoto Uchiha's Super Angel-Hidden Leaf Kunoichi-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Evil Sasuke saw it, he went absolutely berserk and fired more blasts of fire at her to incinerate her, but Mikoto absorbed the fire blasts and it made her stronger than ever, and Mikoto fired a massive barrage of purple energy, stars, fire, flames, Fire Chakra, phoenixes, and angels which hit Evil Sasuke and sent him flying into a tree of tortilla chips Lincoln made, Evil Sasuke got back up, but boy was he pissed off beyond imagination now.

Just then, Sasuke, Itachi, Sarada, Kyasarin, Satsuki, and the other good Uchiha have arrived.

Sasuke: (Amazed) Mother…? You've transformed?!

Mikoto Uchiha: (Divine Echoing Godly Voice of The Hidden Leaf Cosmic Flaming Firestorm Inferno Master Phoenix Angel and Divine Hidden Leaf Cosmic Flaming Firestorm Inferno Master Phoenix Angel Love) **Yes, I have, son, and you've brought the rest of our family here.**

Me: Awesome.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird

Evil Sasuke: YOU MOTHERFUCKING CUR!

Mikoto Uchiha: (Divine Echoing Godly Voice of The Hidden Leaf Cosmic Flaming Firestorm Inferno Master Phoenix Angel and Divine Hidden Leaf Cosmic Flaming Firestorm Inferno Master Phoenix Angel Love) Hmm, yes and a so-called "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to J.D. in 150,000 years just as he was killing the evil Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Hidden Leaf in the name of Madara Uchiha, all they did was seal their fate. Your father poisoned his own son with his own vile hatred and turned you into a miniature version of him, he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a irredeemably evil, homicidal, and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You just wanted everything handed to you on a silver platter just like your wretched father and all your clan did, you cheated in everything, even though Ninjas cheat, education is the one thing we NEVER cheat at. Isn't that right, and they say that your father was leading the Uchiha to greatness. But, it turns out you're just another lost soul of the run-of-the-mill ninja and you know it. You're not even in the same league in the kind of power that I possess, I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and the other evil Uchiha were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way you and the other evil Uchiha did all the deeds in the name of the devil known as Madara Uchiha, a monster and planet destroyer. It's downright fucking disgusting. As one of the most powerful fighters and warriors and champions in the universe, all I see when I look at you is a completely fucked up miserable fuckweed and heartless motherfucking psychotic wretch, and on top of that, I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Evil Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamn motherfucking selves and that is why J.D. killed them all including your father. The Evil Uchiha are nothing more than heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why he killed them all. YOU FUCKING DISGUST ME, YOU GODDAMN BASTARD!

We cheered extremely loud for what Mikoto said.

Me: ALRIGHT! WAY TO GO, MIKOTO!

Nico: THAT WAS A MAJOR KICK IN EVIL SASUKE'S GROIN!

Itachi: And it's about to get a lot worse.

Sasuke: I call dibs on gouging his eyes out, and if he tries to say those words, Lincoln, please rip his tongue out again.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Gladly.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (DIVINE ECHOING GODLY VOICE) Now the fun starts.

Misty Brightdawn: You're an elite of nothing!

I smashed Evil Sasuke in his face and sent him crashing into a huge building wall and it crashed onto him!

Me: **SUPER KAIO KEN!**

I flared up a massive red aura and flew at him and punched him in the stomach with devastating force and then a massive amount of blood belched out of him!

Xenia: Nice one!

Maxxine punched him as he exploded out of the rubble! Lincoln kicked him into the air and I punched him right in his stomach with devastating force and he belched up a massive amount of blood!

Me: **You make me fucking sick Sasuke. You only care about spreading hatred and evil and making people miserable and you don't care who lives and who dies. You just only want nothing more than to see people suffer and only care about nothing but yourself! You would rather see people die! And another thing, I SHOW ABSOLUTELY NO REMORSE for killing your entire clan!**

KROW!

I punched Evil Sasuke in his stomach and kicked him in his face

I threw him and Misty Brightdawn teleported and kneed Evil Sasuke in the face and sent him flying into the sky and I teleported and punched and kicked him all over with ballistic fury! Lincoln then teleported and then punched him and sent him crashing into the ground!

KRASMASH!

Nico: YEAH!

Maria fired water.

She drenched Evil Sasuke from Head to Toe in water!

May fired waves of ice and Eli fired Force Lightning and the blasts hit Evil Sasuke all over!

Me: **YEAH! NICE ONE!**

Nico: TAKE THAT, YOU FUCKER!

Evil Sasuke went ballistic and formed a Chidori in his left arm and ran at Mikoto to impale her, but Lincoln formed a Lava Rasenshuriken and fired it, and it melted his left arm off.

Nick Russel: Magical Source, Mystic Force!

Hitoshi reaches for his obscured belt, and pulls from it a strange mobile phone like object, that, when opened is revealed to be a strange tuning fork with a snarling face. Hitoshi then strikes the tuning fork against his boot sole, lifting it to his forehead, revealing the same snarling face called upon by the soundwaves.

Hitoshi: (Under his breath) Hibiki.

Nick transformed and was ready and Hitoshi transformed too.

They went and blasted Evil Sasuke with fire and sound and bashed and blasted him.

Sasuke: As I've said before, you're nothing more than a disgrace to our family, now go to Hell and stay there.

Sasuke kicked him hard in the stomach and sent him flying into the air.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Never come after J.D. ever again, you piece of shit. DARK STYLE NINJA ART: SUICIDE FRUIT RASENSHURIKEN!

Lincoln formed a massive pitch black Rasenshuriken with blood red core and he fired it at Evil Sasuke and it exploded with incredible power as it slammed into him, and when it exploded, it unleashed a super-powerful bloodcurdling scream that literally sent chills down our spines!

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHH!

Nico: THAT STILL GIVES US NIGHTMARES WHEN THAT BLOODCURDLING SCREAM IS HEARD!

The explosion blasted him down with intense force and smashed hi into a rock.

He got up and he was REALLY MAD!

Evill Sasuke: YOU MOTHERFUCKING CURS! YOU HORRIBLE WRETCHED CHILDREN! HOW DARE YOU!? HOW DARE YOOOOOOOOOOOOOUUUUUUUU!?

HE ROARED IN EXPLOSIVE FURY AND BULKED HIMSELF UP TO ULTIMATE MAXIMUM POWER IN AN EXPLOSION OF INCREDIBLY POWERFUL RAGE AND INSANE ANGER!

He went at me and roared with incredibly powerful fury and I dodged all his strikes with ease. BIG MISTAKE! Evil Sasuke was too big and bulky to catch me. His size was slowing him down.

I teleported and kicked him square in the face and busted his nose and blood was pouring out of him. I then smashed my foot RIGHT INTO EVIL SASUKE'S STOMACH WITH DEVASTATING FORCE!

Then he looked like he was going to throw up and he got down and was really sick.

Evil Sasuke: What the fuck have you done to me!?

He then inflated and looked like he was ready to hurl his guts out.

Fu: Oh man! Look!

Nico: Something is happening to the Evil Sasuke!

Lola: Yeah! He's sick!

Eli: His life force is getting really weak. I sense something coming!

But then he really puffed up and then…

EXPLOSIVE VOMIT STORM!

I smirked!

He threw up a huge object and it crashed onto the ground with a massive splat!

Nico: WHAT THE FUCK!?

May: What is that!?

Fu: OH YUCK!

We saw that it was a girl with purple hair and she had purple clothes and had purple angel wings and they were burning with intense purple fire and she had a powerful energy signal. And she had a necklace and it was in the same shape as Opaline's cutie mark!

Twilight Sparkle then had a memory relapse and she suddenly remembered who it was!

Twilight Sparkle: Oh man! That's Opaline's sister Amethyst Arcana! She's Opaline's twin sister.

We gasped!

Twilight Sparkle: She's Opaline's polar opposite and she is a human.

Nico: Whoa! That is freaky.

Twilight Sparkle: I'll explain later.

She went and brought her over.

Evil Sasuke was still throwing up and then SCREAMED IN PAIN and then we saw that he also threw up his ENTIRE CHAKRA NETWORK TOO!

Fu: THAT'S HIS!…

Nicole: His entire Chakra Network too!?

Nico: He's dead meat.

He then turned into an OLD MAN and he looked like he was over

500 years old! He aged rapidly with incredible speed!

Nico: WHOA! Evil Sasuke aged really fast!

Eli: Yes! Big bro has won! Evil Sasuke was no match for him!

Camie: Way to go J.D.!

He looked at me with incredible fury!

Evil Sasuke: J.D. KNUDSON! (ENRAGED SCREAM) YOU MOTHERFUCKING LITTLE INSECT YOU MADE A FUCKING FOOL OF ME!

He went at me and I jumped and dodged him and he punched the ground and he ended up breaking all his fingers and his hand!

Qin: Without his Chakra network he is now completely and utterly powerless!

Nico: Let's finish him off!

He punched at me and I dodged all his punches like they were no problem and then I teleported and kneed him in the face and knocked him down.

Nico: THAT'S THE WAY!

Evil Sasuke: (ENRAGED SCREAM) HOW?! WHY?! HOW IS THIS POSSIBLE?! THAT POWER SHOULD BE… !

But, before he could finish, Lincoln grabbed Evil Sasuke's tongue with his left hand, and then, with one yank… !

RIP!

Lincoln ripped out Evil Sasuke's tongue and he screamed as tons of blood gushed out like a geyser, and Sasuke then gouged Evil Sasuke's eye's out and he screamed even more in agonizing pain.

Nico: Mikoto! Finish him off!

Me: He's all yours Mikoto!

Mikoto: Thanks. INFERNO STYLE NINJA ART: FLAME FURY RASENGUN!

She formed a finger gun and fired a powerful Rasengun blast made of black flames and it hit Evil Sasuke and he was obliterated in an instant in an incredibly powerful fiery massive explosion!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

Then, as soon as Evil Sasuke's spirit appeared, Lincoln fired a blast of black fire at him and the blast of black fire exploded and he screamed with pure insane rage as he was then sent to The Black Gates forever! GOOD RIDDANCE! We cheered wildly as Lincoln, Mikoto, Itachi, Sasuke, Satsuki, Sarada, Kyasarin, and the other good Uchiha holstered their massive greatswords and powered down, and Mikoto Uchiha's new body, clothes, weapons, jewelry, Third Eye, gold halo, and massive black angel wings are permanent.

Eli: (Shivers with Fright) So… , it's true?! Lincoln knows how to use The Suicide Fruit Rasenshuriken!

Nico: That's right.

Anna Anyanova: And I'll bet if he uses a Fire Style Rasenshuriken on the upcoming main mission, we'll be going with Lincoln to one of the most beautiful beaches in New York for our next date.

Lincoln: (Smirks) Is that a challenge I hear, Anna?

We gasped.

Nico: Anna, you have no idea of what you just did.

Me: You made the bet, and knowing Lincoln, he's gonna win the bet.

Eman Reynolds: Anna, sometimes you tend to have a bad habit of making bets that Lincoln can easily win! We're reporting this to Selene Arcangela about this.

Anna Anyanova: Aw man. She's gonna hear about it.

Sabrina Lorelai: But, I have a good feeling I know which Goosebumps Monster we're facing next.

Nico: Me too.

Qin: Yeah.

Nico: He's gone now.

Amethyst Arcana: I was trying to get to you guys to stop my evil sister Opaline.

Twilight Sparkle: Amethyst is a Fire Alicorn too but she is the polar opposite of her sister. She is purehearted, giving and good.

Nico: Wow.

Twilight Sparkle: But she was banished to the Human World and that's where I found her with Sunset Shimmer. She was cursed however to be human forever. But she still has all her magic and her powers. I taught her all my friendship magic and more and she knows a lot.

Amethyst Arcana: It's true. That Evil Sasuke ate me before I could get there. I'm sorry guys.

Me: It's not your fault Amethyst. But your so-called sister is dead. We killed her.

Nico: Yeah we sure did.

May: But not before she recruited several of our enemies

Me: Yeah. We faced many of our biggest major enemies that we faced over the last year and a half that she had with her.

Xenia: Yeah.

Me: And to be honest I've always wanted to have another crack at them.

Amethyst Arcana: Wow. And I was absolutely disgusted with my sisters actions over the last 2 millennia. The straw that broke the camels back was her making Adagio Dazzle, Sonata Dusk and Aria Blaze into horrible Hate Sucking monsters.

Me: The Sirens. I actually saw that in a vision into the past when I was asleep.

Qin: Yeah.

Eli: It's true. We have a Universe 666 version of Opaline with us though.

Nico: Yeah.

Me: But thanks to Misty Brightdawn's intel with the help of her as our double agent in a Team Dark Phoenix Storm style spy ring, we gathered all our allies all over the universe and launched a massive assault on Opaline's castle in the Kamchatka Peninsula.

Amethyst Arcana: Wow! I'm glad you guys killed her. That monster lost the right to be my sister long ago. I tried to stop her but I couldn't. As a Fire Alicorn I was given a massive responsibility to use my fire powers and magic to help people and ponies.

Me: It's not your fault Amethyst.

Nico: Yeah.

Twilight Sparkle hugged her.

Twilight Sparkle: The important thing is that you're back safe.

Amethyst Arcana: I'm glad to be back too Princess Twilight.

Nico: Awesome.

Qin: Cool. Now it's time for business.

Me: Yep we got the Anothers.

Eli: And you're not going to believe this but we have Another Goldar, Suzaku, Steam Smythe, Hydrax, Organ Grindor, Secret Snake Club, Professor Monkey-For-A-Head and Devack.

We gasped!

Qin: Oh man! More Another Steam Smythe and Hydrax?!

Lola: Crazy!

Me: Konan, Sakura Haruno, Ino, Hinata, Anko, and Fu next and Fu is already here.

Fu: I sure am.

Devack: I guess Swartz watched to give a bunch of repeat performances.

Qin: Yeah.

Camie: No kidding.

Maria called them in.

Sakura Haruno: Hey guys!

Ino: We got here as soon as we could.

Hinata: Yeah we sure did.

Konan: Wow a planet.

Anko: This is really amazing to see.

Qin: Yeah it sure is.

Eli: I sense that the Anothers minus Devack are one person.

Nico: This will be good.

Lola: Yeah.

Nico: You also Missed fighting an Evil Sasuke.

Konan: Aw man.

Sakura Haruno: Maybe next time we will get some shots in.

Fu: Yeah.

Me: Here they come!

We saw the Another Goldar, Suzaku, Steam Smythe, Hydrax, Organ Grindor, Secret Snake Club and Professor Monkey-For-A-Head!

Nico: WHOA!

Qin: This will be fun.

Another Goldar: (In a girls voice) (Seadog talk) I be ready for some fun.

Lincoln: (GASP) That voice! Penelope Popeye!

They merged and she reverted back and was a girl with orange hair and had blue eyes and had sailor clothes and a sailor hat and blue wings and she had an anchor symbol on her skirt and a can of spinach on her shirt and she had a Sailor Keyblade.

Penelope Popeye: Been many moons since we saw each other and ye grew into a great sailor.

Lincoln: Thanks.

Nico: Care to introduce us?

Lincoln: Sure. This is Penelope Popeye, Keyblade Knight of Popeye Port, she's my Guardian Angel from Michigan, and she's a tough as nails sailor and Keyblade Knight who loves spinach as much as being one of my Guardian Angels. She's a good friend of Popeye and Olive Oyl, and she's more than once given that big bully, Bluto, his lumps when he tries to kidnap Olive Oyl, and she was also born with superhuman strength and she's really strong, but when she eats a can of spinach, WATCH OUT! SHE HITS HARD AND SENDS THE BULLY FLYING OUT OF HERE! She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot when it came to physical strength and she even gave him the power to grow even stronger than ever by eating spinach and vegetables, along with eating meat and all other sorts of food

We were amazed.

Me: Wow!

Lola: Yeah! And that is so awesome!

Me: Popeye beating up Bluto for kidnapping Olive Oyl is always an iconic treasure. And the Spinach is part of it.

Nico: No one takes Olive Oyl on Popeye's watch.

Penelope Popeye: That be true.

Nico: Did you bring spinach with you?

Penelope Popeye: Aye. Never leave port without it.

She pulled out a can of spinach.

Me: You know my future wife Sea the Sea Dragon has Bluto as her archenemy and she uses spinach.

Penelope Popeye: That be good.

Me: By the way is the Another Devack hostile or friendly?

Penelope Popeye: Tis be friendly and she be a powerful one.

Me: Nice.

Maria: Sorry we have to do this

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from the anothers.

Konan: Lets do it!

They fired waves of energy and elements and we blasted them and destroyed the Anothers and I caught the Wonder Ride Books.

Me: Take that!

Maria: YEAH! Now for backup. (TURNS DIAL) MASKS OF MAGIC 6!

She summoned Madame Masque, Jellax, Student Body Presidents Lizardmen, Wrecker, Eel and Julio.

Nico: Oh yeah!

Qin: This will be fun.

Nico: And now, we wait.

Me: We don't have to wait long!

Out of the Monkey Nazca Line with yellow fire came ANOTHER DEVACK!

Qin: Whoa!

Me: Another Devack.

Lola: Wow!

Another Devack: (In a girls voice) Boy this will be fun and cool.

Me: (GASP) That voice.

She reverted back and it was a girl with orange hair and red eyes and had fire angel wings and she had orange and red clothes and she had a tiara with the symbol of the Volcano Dopant on it and the same symbol was on her skirt and she had a fire sword in her hands.

Me: (GASP!) Varya Volcano!

Nico: Whoa she is powerful!

Me: Yep.

Varya Volcano: Awesome to see you again J.D. and when you have the awesome power of volcanoes from all over the Earth and the Solar System and on other planets you have amazing power.

Me: Yep. Varya is the Embodiment of the Volcano Dopant and like she said she has the combined powers of all the volcanoes of many planets and more and she has mastery over earth, rock, mud, lava, crystal, fire, ash and lightning and she is a true force of nature. She also has the power to talk to macaques that live in hot springs.

Varya Volcano: It's true. I read about how macaques take baths in hot springs over in Japan and that is really cool.

Devack: That is cool. As the Dark Signer of the monkey I too have that kind of power with monkeys.

Varya Volcano: That sure is awesome.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Varya Volcano: No he didn't. I threw lava in his eyes and burned him and made my escape.

Sakura Knudson: That explains why he was burned all over his face back then.

Qin: Ouch!

Lincoln: Lets separate you first.

Lincoln fired a wave of energy and separated her.

Varya Volcano: Time for this volcano to burn!

She slashed Another Devack and then sent him flying and crashing into a cheese pond!

KRASPLAT!

Nico: Nice one!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Nico: Time for some monkey power! (HOOTS LIKE A MONKEY!)

(ACTIVATES DEVACK AND PROFESSOR MONKEY FOR A HEAD'S RIDEWATCHES)

He fired waves of energy and yellow fire and blasted the Another down.

May: Take this! (ACTIVATES REZBIT'S RIDEWATCH)

She fired energy blasts and blasted the Another all over.

May: IT'S THE FATHEADS YOU DOLT! (ACTIVATES THE FATHEADS RIDEWATCH)

She got a parking meter and then..

KRABLANG!

She smashed Another Devack's head in with it!

Nico: OOOH! OUCH! THAT'S GOING TO LEAVE A MARK!

Me: Rocko, Filbert and Heffer always laugh their heads off at that.

Maria: Nice! How about this!? (ACTIVATES UNIVERSE 666 NEGA CHIN AND RED CLAW, SCREECH AND THUD'S RIDEWATCHES)

She fired energy blasts and smashed the Another down.

Jessie Bannon: Top this too! (ACTIVATES PROFESSOR MONKEY FOR A HEAD'S RIDEWATCH)

She fired energy blasts and blasted the Another down.

Then Red Ghost, Saleen, Jack O Lantern (Billy & Mandy), Tinkerer, Universe 666 2021 Carnage and Slipknot.

Nico: Nice team Red Ghost!

Red Ghost: Thanks Nico!

Me: This will be fun.

But then torpedoes flew in and blasted Another Devack!

We then saw a Dive Man!

Qin: Cool! Dive Man!

Me: Awesome!

Dive Man: (In a Girls voice) This will be so fun.

Nico: Kora Dive! Wow!

Kora Dive: Awesome to see you again Nico.

She reverted back and was a girl with blue hair, blue eyes, blue angel wings and she had blue clothes and had a symbol in the middle of her forehead in the shape of a submarine.

Kora Dive: I got this.

She fired torpedoes and blasted Another Devack and I caught the Ridewatch and purified it.

Me: Oh yeah!

Jessie Bannon: What's your favorite memory of Nico?

Kora Dive: When me and Nico went underwater and we found a wrecked submarine and we went in and found that it was a pirate sub and we got the treasure from it. It was awesome.

Nico: That was fun. Kora is also a mermaid and she knows all about living underwater.

Varie: Wow! You will make an awesome member of the Neptune Crusaders.

Kora Dive: I sure would.

Nico and Kora hugged.

Nico: I've missed you.

Kora Dive: Same here.

We went back home.

Lincoln: Ah, we're here in Los Angeles, and I know what we're going to do here, not only am I going to rescue the seven girls that Tex Avery McWolf and Tom and Jerry Kids McWolf have kidnapped, but we're also also going to kill our main target, and our main target is none other than Chiros, one of Kong's many enemies, and he's out destroy Kong and conquer the universe.

Me: Jason told me about him, and he's one dangerous monster.

Nico: We're not going to let him get away with this, we're going to destroy him. Plus, I'm surprised that Tex Avery McWolf and Tom and Jerry Kids McWolf had decided to take the kidnapped girls to the night clubs in the United States.

Lincoln: Well, it's no surprise though, at the nightclub Tex Avery McWolf went to, Red was the main singer there. Now, Sebastian, try not to scare anyone else that we might run into at the night club here.

Anna Anyanova: He's right.

Boris: Aw, Boris wanted to see snakes fly out of his mouth again.

Suddenly, we saw a beautiful and super sexy girl with long red hair and the Love Kanji on the right side of her head, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has Shukaku's massive and long tail, she's dressed in crimson red clothes, and long white sleeveless trenchcoat with stars, sand, raccoon dogs, phoenixes, and angels on the coattails and on the back is Shukaku, The One-Tailed Tanuki and in her hand is The Spear of Shukaku.

Lincoln: (GASPS) Siri Shukaku, Avatar of Shukaku The One-Tailed Tanuki.

Siri Shukaku: That's right. Now, come on, I know where Tex Avery McWolf and Tom and Jerry Kids McWolf are at.

We headed for the place where Tex Avery McWolf and Tom and Jerry Kids McWolf are at: The Hakkasan Night Club.

Me: The Hakkasan Night Club. Should've known those two would be here.

Suddenly, Lincoln saw the cages where the girls are in.

Lincoln: Aha, and there are the girls.

Then, Tex Avery McWolf and Tom and Jerry Kids McWolf appeared.

Me: I'm quite surprised you've both been kidnapping girls and dragging them here to night clubs in The US.

Tom and Jerry Kids McWolf: What can we say, we're classy.

Sebastian Mendez: As if!

Sebastian levitated off the ground as creepy organ music plays, and he had a demonic grin on his face and with rows of jagged fangs, and he slightly opened his mouth, but before he could roar at them again!

BONK!

He got hit on the head with a mallet.

Sebastian Mendez: Ow! Okay, who's the wiseass?!

Unknown to him, the one who whacked him on the head was Buster Bunny who appeared from a nearby rabbit hole and went back to The World Tree Estate before things got ugly. Then, we piled on and Lincoln tickled Tex Avery McWolf and Tom and Jerry Kids McWolf on their feet.

Tex Avery McWolf and Tom and Jerry Kids McWolf: (LAUGHING HYSTERICALLY)

Then, Lincoln got the girls out of the cages and we helped the two wolves up.

Lincoln: Okay, now that we've had our fun tickling you two, now we can get after Chiros.

We exited out of The Hakkasan Nightclub, and we sensed a massive energy signal heading right for us, and we saw who it was: Chiros.

Sylvester: So, that's Chiros. He's even uglier up close.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Tex Avery McWolf and Tom and Jerry McWolf threw everything at him including the kitchen sink, and then, Lincoln ran at Chiros and he turned the tips of his eleven massive and long white tails into Cell's stinger and impaled them into Chiros' chest, and Lincoln began absorbing him, and in the process, he was also assimilating his Superhuman strength, Superhuman stamina, Superhuman durability, Reality-manipulation, Pyrokinesis, Hypnosis, Telepathic communication with his minions, Extensive knowledge of magic (especially of rituals pertaining to the Primal Stones), Immortality, and Magic as his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and his rainbow energy aura and rainbow fire aura flared as he began growing even stronger and nothing was left of him.

Then, as the stingers changed back, an energy card with Chiros' drained soul appeared in Lincoln's left hand, and then, he banished Chiros straight to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: That's it for you, Chiros, your plan to conquer the universe ends here. (To Siri Shukaku) And it's so good to see you again, Siri Shukaku.

Siri Shukaku: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Siri Shukaku and he hugged her, and Siri Shukaku is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms, short stubble on his jawline, and chest hair in the middle of his chest, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Siri Shukaku: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms, short stubble on your jawline, and chest hair in the middle of your chest and many accessories and gold halo behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Siri Shukaku, Avatar of Shukaku The One-Tailed Tanuki, she's my Guardian Angel from Michigan, and she's the Avatar of Shukaku The One-Tailed Tanuki and she's a powerful master of sand and using the Spear of Shukaku, and she also knows how to use her massive tail as a powerful weapon such as using it as a whip to whip villains and even grab villains by the neck and toss them to the side or even use Frieza's torture attack on them. She's also a member of The Tailed Beast Avatar Guardian Angels of Lincoln Loud, and she and the others never show any mercy to those who dare to hurt me. She also really hates Scoots to the extreme, because on a lunch date Siri and I had at Lake Huron, Scoots showed up and wanted to run me over again, but Siri had enough of that old goat and fired a wave of sand that clogged up Scoots' scooter and she summoned hands made of sand to grab and throw that old goat right back to The Lansing Maximum Security Nuthouse, and if that wasn't enough, she threw a Spear of Shukaku right at Scoots' face saying if she ever saw Scoots running wild again, she would kill her.

Nico: That old goat.

Anna Anyanova: We hated that old goat for everything she'd done to Lincoln, and we swore that if she ever broke out to kill Lincoln again, we were going to kill her.

Me: But, you might be too late on that.

Lincoln: Yeah, last year, we killed Scoots when that old goat came back from Hell, and we gave her The Black Gates forever.

Siri Shukaku: Aw man, and I missed it. What a buzzkill.

Selene Emperyous: Sorry about that, but if it makes you any better, we made her suffer big time for everything she's done.

Siri Shukaku: Well, that makes me feel much better. And I heard everything from Maria and William, that Plant Clone has got some nerve making clones of you and your sisters minus Laney.

Lincoln: And we can also blame that stupid asshole, Simon Seraphina, for that stunt. But, we already took care of him yesterday, now it's Henry's turn to die.

Siri Shukaku: I hope you and Hestia tear him apart.

Lincoln: Oh, I intend to do more than that, and now that you're here, Siri.

Lincoln went up to and hugged Siri Shukaku in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Siri Shukaku: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Siri Shukaku's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Siri Shukaku: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Siri Shukaku.

Siri Shukaku had a smile on her faces and tears in her eyes as Lincoln still had his arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Akira Koduki, Azusa, Erina Nanao, Miharu Ichinose, Reika Ryaryasaki, Tomomi Ukon, and Yuiko Samonji from Big Magnum Harimoto Sensei.

Lincoln: Oh wow, it's Akira Koduki, Azusa, Erina Nanao, Miharu Ichinose, Reika Ryaryasaki, Tomomi Ukon, and Yuiko Samonji from Big Magnum Harimoto Sensei.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Akira Koduki: Yes, we're okay, thanks to you.

Then, when Akira Koduki and the other six girls saw who it was that saved them from Tex Avery McWolf and Tom and Jerry Kids McWolf and the main target: Chiros, their faces turned atomic red upon seeing the 18-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and the Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and

Akira Koduki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Akira Koduki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akira Koduki, Azusa, Erina Nanao, Miharu Ichinose, Reika Ryaryasaki, Tomomi Ukon, and Yuiko Samonji with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to the World Tree Estate, and they were shocked to find out that our main target was Chiros, one of Kong's many enemies, and who came back to destroy Kong and conquer the universe.

But, when Lincoln showed what we did in tickling those two wolves at The Hakkasan Nightclub and then us thrashing Chiros and even Tex Avery McWolf and Tom and Jerry Kids McWolf got in on the action tossing everything even the kitchen sink at him, and ended with Lincoln using Cell's absorption technique to absorb Chiros and after acquiring all his powers and abilities and drained him dry of his energy he banished him to The Black Gates forever, everyone cheered for us and Lincoln's harem kissed him on his face. Lincoln and Siri Shukaku have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so the main villain you guys went after was Chiros?!

Jason Jenkins: I can't believe Chiros came back, but how was that possible?

Lincoln: I found out that before Simon Seraphina got killed, he and his other lowlife brothers opened a portal that brought Chiros back into our world.

Me: What a good-for-nothing asshole.

Nico: He sure is a damn asshole, and we've got seven more days of chaos from those assholes, so we got to keep an eye out for more of their antics.

Stella Seraphina: You got that right.

---

After destroying Chiros, we were training intensely in the gym, doing

900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Siri Shukaku saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Siri Shukaku: My God, I was right that Lincoln's really grown into a 18-year-old, 8'3" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Siri, and I can still defend myself,

and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Siri Shukaku: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Siri Shukaku: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Siri, can you show us the footage of the very incident involving that old goat?

Siri Shukaku: Gladly.

Siri Shukaku played the video on the screen, and we saw Lincoln and Siri Shukaku at Lake Huron in their swim clothes and they were having fun. But, their date would wind up getting interrupted.

?: YOU FUCKING TWERP! I WILL KILL YOU AND SPIT ON YOUR REMAINS!

Past Siri Shukaku: What the Hell was that?!

Past Lincoln: Oh no, not this again, you old goat!

We knew who Lincoln was talking about, as they saw Scoots appear and she was out for blood once again. Scoots charged at Lincoln again and she was cackling like the witch she really is, but Siri fired blasts of sand which clogged her electric scooter, and then, she summoned hands made of sand that grabbed Scoots and tossed her right back to The Lansing Maximum Security Nuthouse, and as if that wasn't enough, she also formed and threw a Spear of Shukaku at Scoots' face that cut her cheek and it told her if Siri ever saw Scoots running wild again, she would kill her as the video ended.

Nico: Damn, that old goat sure knew how to piss her off.

Lincoln: She does it to everyone in her path, that's why she's Royal Woods' biggest troublemaker and everyone called her a pain in the neck.

Me: Lincoln told us everything about what happened as soon as he and Siri came back, and we were pissed off at that old goat.

Luna: Scoots tried to kill Lincoln again, but Siri tossed that old goat back to the nuthouse for good and gave her that strict warning.

Miia: That's for sure. Oh, Lincoln, we got a surprise for you. Okay, you can come in now.

Miia stood to the side, and in came Kuroko Smith and the Simulator versions of Miia, Centorea Shianus, Papi, Meroune Lorelei, Suu, Rachnera Arachnera, Lala, Manako, Tionisha, Zombina, Doppel, Kii, Polt, and Lilith.

Cholan the Carbuncle: We told Kuroko about you along with the Simulator versions of us, and we'd figure they'd be potential additions to your harem.

Me: That's awesome! Wait, and what about your Universe 666 counterparts?

Lincoln: Funny you should say that.

Suddenly, I saw my Universe 666 counterpart come in and he had kissy marks on his face courtesy of the Universe 666 counterparts of Miia and her friends.

Nico: (WHISTLES)

Me: Dang.

Universe 666 Me: (In Heaven) I'm… in… HEAVEN!

Lincoln: We decided to have them join Universe 666 J.D. and have him start a harem of his own.

Me: Wow, you really are the Man With A Plan, Lincoln. Nice!

We got a shower afterwards, and then, Lincoln, Kuroko Smith, Simulator Miia, Simulator Centorea Shianus, Simulator Papi, Simulator Meroune Lorelei, Simulator Suu, Simulator Rachnera Arachnera, Simulator Lala, Simulator Manako, Simulator Tionisha, Simulator Zombina, Simulator Doppel, Simulator Kii, Simulator Polt, and Simulator Lilith are heading to Laverra Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'3", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kuroko Smith, Simulator Miia, Simulator Centorea Shianus, Simulator Papi, Simulator Meroune Lorelei, Simulator Suu, Simulator Rachnera Arachnera, Simulator Lala, Simulator Manako, Simulator Tionisha, Simulator Zombina, Simulator Doppel, Simulator Kii, Simulator Polt, and Simulator Lilith are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Kuroko Smith: Wow, so this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Kuroko, and it's perfect for our first date. Shall we?

Lincoln, Kuroko Smith, Simulator Miia, Simulator Centorea Shianus, Simulator Papi, Simulator Meroune Lorelei, Simulator Suu, Simulator Rachnera Arachnera, Simulator Lala, Simulator Manako, Simulator Tionisha, Simulator Zombina, Simulator Doppel, Simulator Kii, Simulator Polt, and Simulator Lilith dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Kuroko Smith, Simulator Miia, Simulator Centorea Shianus, Simulator Papi, Simulator Meroune Lorelei, Simulator Suu, Simulator Rachnera Arachnera, Simulator Lala, Simulator Manako, Simulator Tionisha, Simulator Zombina, Simulator Doppel, Simulator Kii, Simulator Polt, and Simulator Lilith got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails. But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln grabbed each of them one by one and he sucked out all of their muscle mass, strength, and virility and made them thin as rakes and completely weak and he set them on fire and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kuroko Smith, Simulator Miia, Simulator Centorea Shianus, Simulator Papi, Simulator Meroune Lorelei, Simulator Suu, Simulator Rachnera Arachnera, Simulator Lala, Simulator Manako, Simulator Tionisha, Simulator Zombina, Simulator Doppel, Simulator Kii, Simulator Polt, and Simulator Lilith and they hugged them in their abnormally massive and powerful muscular arms, and Kuroko Smith, Simulator Miia, Simulator Centorea Shianus, Simulator Papi, Simulator Meroune Lorelei, Simulator Suu, Simulator Rachnera Arachnera, Simulator Lala, Simulator Manako, Simulator Tionisha, Simulator Zombina, Simulator Doppel, Simulator Kii, Simulator Polt, and Simulator Lilith placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. They came back home to The World Tree Estate, and

Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kuroko Smith, Simulator Miia, Simulator Centorea Shianus, Simulator Papi, Simulator Meroune Lorelei, Simulator Suu, Simulator Rachnera Arachnera, Simulator Lala, Simulator Manako, Simulator Tionisha, Simulator Zombina, Simulator Doppel, Simulator Kii, Simulator Polt, and Simulator Lilith with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Kuroko Smith, Simulator Miia, Simulator Centorea Shianus, Simulator Papi, Simulator Meroune Lorelei, Simulator Suu, Simulator Rachnera Arachnera, Simulator Lala, Simulator Manako, Simulator Tionisha, Simulator Zombina, Simulator Doppel, Simulator Kii, Simulator Polt, and Simulator Lilith are in your harem.

Simulator Miia: And he's everything they say he is: strong, brave, confident, and very affectionate.

Simulator Suu: Especially when he marked us.

Miia: And soon, it won't be long before more Simulator counterparts of my friends also join his harem as well.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Kuroko Smith, Simulator Miia, Simulator

Centorea Shianus, Simulator Papi, Simulator Meroune Lorelei, Simulator Suu, Simulator Rachnera Arachnera, Simulator Lala, Simulator Manako, Simulator Tionisha, Simulator Zombina, Simulator Doppel, Simulator Kii, Simulator Polt, and Simulator Lilith, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive bottles full of the hottest hot sauces appeared over the funnel.

Nico: (GASPS) BOTTLES OF THE HOTTEST HOT SAUCE?! HE WOULDN'T DARE!

Then, the bottles of the hottest hot sauce were dumped right into

Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

SCREAM OF PAIN AND AGONY!

Flip screamed like crazy as tons of fire gold, jewels, gems, and other currencies exploded out of his mouth, ears, and farted out of his three-cheeked butt like crazy!

Flip stopped screaming and farting out fire, but he was still red in his ugly face!

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Me: Damn, now that was brutal!

Nico: Too brutal, but that was hilarious.

Laney: (to Lincoln) Lincoln, can you and the rest of the sisters watch the Estate while we're gone?

Lincoln: I'll leave a clone behind so I'll come with.

Nico: Okay.

Lincoln did so.

Laney: Good thinking.

We were off.

Later we were heading to the movie theater and Nico and Sena Skull were blindfolded.

Nico: So what is the surprise?

Me: You're going to like it.

Sena Skull: I have a feeling we will.

We got to the theater.

Me: Tadah!

We took off the blindfolds and they saw the theater.

Nico: Cool!

They saw each other.

Nico: Sena?!

Sena Skull: Nico!?

Nico and Sena: YOU'RE MY BLIND DATE!?

Nico: (In his head) J.D. I'm going to give you such a tickling unlike any other.

I heard his thoughts.

Me: But you're going to love the movie I picked for you guys.

Ultrox: Don't forget me and Halinor.

Halinor: It'll be perfect for bonding.

Me: It sure will. (To the vender) Super Mario Bros 2023 please.

I showed my special movie pass.

Vendor: Awesome! Go right on in.

We went in and got snacks and went into the theater.

We got our seats.

Popeye: (to Penelope Popeye) It's an honor to meet my the Knight of my home.

Penelope Popeye: Aye be an honor to meet ye too Popeye.

The movie was later starting.

***SPOILER ALERT***

Italian-American brothers Mario and Luigi have recently started a plumbing business in Brooklyn, to the derision of their ex-employer Spike and the disapproval of their father. After seeing a significant water main leak on the news, Mario and Luigi go underground to fix it but are sucked into a Warp Pipe and separated.

Mario lands in the Mushroom Kingdom, ruled by Princess Peach, while Luigi lands in the Dark Lands, ruled by the evil Koopa king Bowser. Bowser seeks to marry Peach and will destroy the Mushroom Kingdom using a Super Star if she refuses. He imprisons Luigi to threaten Mario, whom he sees as competition for Peach's love. Mario meets Toad, who takes him to Peach. Peach plans to ally with the primate Kongs to help repel Bowser and allows Mario and Toad to travel with her. She also tells Mario that she ended up in the Mushroom Kingdom as a baby, where the Toads took her in and eventually made her their leader. In the Jungle Kingdom, King Cranky Kong agrees to help if Mario defeats his son, Donkey Kong, in a fight. Despite Donkey Kong's immense strength, Mario defeats him using a Cat Suit.

Mario, Peach, Toad, and the Kongs use karts to drive back to the Mushroom Kingdom, but Bowser's army ambushes them on Rainbow Road. When a blue-shelled Koopa General destroys part of the road in a kamikaze attack, Mario and Donkey Kong plummet to the ocean while the other Kongs are captured. Peach and Toad return to the Mushroom Kingdom and urge the citizens to evacuate. Bowser arrives aboard his flying castle and proposes to Peach, who reluctantly accepts after Bowser's advisor Kamek tortures Toad. Mario and Donkey Kong, having been eaten by an eel-like Maw-Ray, learn they both want the respect of their fathers. They escape the Maw-Ray by riding a rocket from Donkey Kong's kart and hurry to Bowser and Peach's wedding.

At the wedding ceremony, Bowser intends to execute all of his prisoners in lava in Peach's honor. Toad smuggles an Ice Flower into Peach's bouquet, which she uses to freeze Bowser. Mario and Donkey Kong arrive and free the prisoners, with Mario using a Tanooki Suit to save Luigi. An enraged Bowser frees himself and summons a Bomber Bill to destroy the Mushroom Kingdom, but

Mario knocks it off course and directs it into the Warp Pipe where it detonates, creating a vacuum that causes everyone and Bowser's castle to be transported to Brooklyn. As they fight Bowser, Mario and Luigi grab the Super Star, become invincible, and defeat the Koopas. Peach then shrinks Bowser with a Blue Mushroom and imprisons him. Mario and Luigi are hailed as heroes by Brooklyn's populace, including their parents and Spike. Afterwards, the brothers move to a house in the Mushroom Kingdom and begin a day of plumbing work together.

We saw a lot of fun parts and more and it was really fun. And a great 92 minutes. When it was done we gave it a standing ovation!

Mario: (Italian Accent) A those-a were good-a times.

Luigi: (Italian Accent) Those sure-a were fun.

Princess Peach: That was really awesome.

Nicole: It was awesome.

Fluttershy: And Mario looked so cute in that cat suit.

Nicole: He sure did. That debuted back in 2013.

Nico: One of the best movies ever!

Sena Skull: So fun!

Me: Glad you guys liked it.

Halinor: It was fun.

Ultrox: Halinor, I'll never forget meeting you.

Halinor: That was so awesome and fun.

Laney: Boy it sure was. Going to the planet Xenoc was really cool.

Me: First time people from Earth were there.

Camie: Yeah.

Halinor: It really put our driving skills to the test.

Me: It sure did.

Shinnosuke: And it was just like what happened during the missions for Kamen Rider Drive.

Ultrox: That was cool from what I heard.

Laney: It was a really awesome adrenaline rush.

Camie: Yeah that was fun.

Halinor: It sure was fun.

Reflector: (laughs) And don't forget the bunny!

We laughed!

Me: That was funny!

Varie: (LAUGHS) Yeah that was funny.

Halinor: That was fun seeing how he beat up Undermaster Akhil all over.

Xenia: That was awesome.

Me: Yep.

Nico: That was fun though. Now to give J.D. his comeuppance.

Me: See ya!

POOF!

I teleported far away.

Nico: Now the chase is on.

First Aid: So, Sena. Tell us how you met Nico?

Sena Skull: We met when I was 7 years old and it was at my grandpa's funeral. I was crying hard and Nico comforted me.

Laney: I'm sorry Sena.

Sena Skull: Yeah it changed me and turned me into a master of the macabre. Mostly skulls. But I swore to help Nico battle bad monsters with my powers of skulls.

Nico: Yep.

Sena Skull: That was awesome and fun.

?: That is cool.

A girl came and she had yellow hair, blue eyes, purple clothes and had purple angel wings and she had a tiara with the symbol of the Wild Force Rangers on it and the same symbol was on her skirt and she had a Crystal Saber with a Piranha Crystal in it.

Winona Gaoranger: Winona Gaoranger, Embodiment of the Wild Force Rangers.

Nico: Awesome to meet you Winona.

Cole: It's awesome to meet you.

Winona Gaoranger: You too Cole and on behalf of the Gaorangers and the Isle of Animarium you have my sincere condolences for what Master Org did.

Cole: It's okay but I have them back thanks to J.D.

Isabel: The Piranha is perfect for you Winona. The Piranha represents success over your fears or insecurities. A school of Piranhas may indicate that you need support to overcome a problem and challenge.

Winona Gaoranger: Wow! I never knew about that.

Eli: That is cool.

Nico: The chase is still on!

In the clouds of Jupiter, I was hiding out in a special hiding spot in the Jupiter Prison in the warden's office.

Me: This is perfect.

?: I agree.

I saw a girl with me and she had blue hair and blue eyes and had blue clothes and angel wings and had a tiara with the symbol of the Fog Dopant on it and she had the same symbol on her skirt.

Me: Fhara Fog. Awesome to see you again.

Fhara Fog: You too. What are you hiding from J.D.?

Me: Nico and the team are out to hunt me for setting up a blind date for him and Sena Skull.

Fhara Fog: Oh. It'll be a while before they get here. Want to make out?

Me: Sure.

We kissed all over.

Then Nico and everyone came in.

Nico: Come out wherever you are!

Nico then opened it.

Nico: AHA!

They saw me and Fhara kissing.

Nico: Aww.

Eli: Oh bro.

Me: Oh hey guys.

Nico: Oh who is your friend?

Fhara Fog: I'm Fhara Fog, Embodiment of the Fog Dopant.

Me: She has the powers of fog and makes fog so thick you can cut it with a knife.

Nico: Cool. Awesome to meet you.

Fhara Fog: Same here.

Me: Okay guys hit me with your best shot.

Nico: Okay.

Me: First let us get out of here.

We got out.

Nico pounced on me.

Nico: DOG PILE!

CRASH!

Nico plopped onto me.

Eli: DOGPILE!

CRASH!

Everyone piled on me

We laughed!

Jonny: (LAUGHS) Did you hear my back crack!

We laughed!

Lincoln: (LAUGHS) That was funny!

Laney: Yeah!

Winona Gaoranger: (LAUGHS) That was fun!

Me: Oh I don't believe we met.

Winona Gaoranger: I'm Winona Gaoranger and I'm the Embodiment of the Wild Force Rangers.

Me: Awesome to meet you. I'd shake your hands but I'm buried under a mountain of my team.

WE LAUGHED!

Qin: Funny.

Nico: Now, tell us more about yourself.

Winona Gaoranger: I'm a zoologist, animal conservationist and wildlife preservationist that helps animals in need.

Laney: That's cool.

Fluttershy: You have a good heart when it comes to animals.

Winona Gaoranger: Thank you.

Nico: Would you like to join the team?

Winona Gaoranger: I would be honored.

Me: Can I get up now please?

Nico: Oops of sorry J.D.

They got off me and I got up.

Me: Thanks.

Nico: That was a fun date though.

Me: Glad you had fun.

---

We arrived back home.

Me: That was fun.

We then heard growling and saw an Evil Sasuke there.

Nico: Another Evil Sasuke?!

He was revealed to be a plant clone!

Me: No a plant clone!

I fired a blast of fire and incinerated it!

Me: Geez! Where the fuck did that come from!? Wait! Where are Lori and the others!?

Laney: Oh man! I don't see them!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today, it was none other than the Plant Clone from Stay Out of The Basement, and he's also made plant clones of The Loud Kids minus Laney and he's planning to replace everyone on the entire planet with plant clones. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Lincoln sounded the alarm and we rushed in.

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the next Goosebumps Monster is none other than the Plant Clone from Stay Out of The Basement, and he's also made plant clones of me, Lori, Leni, Luna, Luan, Lynn, Lucy, Lana, Lola, Lisa, and Lily minus Laney and he's planning to replace everyone on the entire planet with plant clones.

We gasped in horror!

Nico: THAT OVERGROWN PIECE OF SALAD! He's going to be burned to a fucking crisp later today.

Me: Who does he think he is?!

Lincoln: Someone who's gone too far with his hatred for humanity, and as promised, look what we just made.

Lincoln got out supercharged flame throwers and incendiary grenades.

Eli: Flamethrowers and incendiary grenades?!

Nico: Since this Plant Clone's only weakness is fire, we're going to need a lot of firepower for this one, no pun intended.

Me: Right. Okay, gang, let's get a move on.

Sabrina Lorelai: But, how did he even make those plant clones?

Lincoln: You're not going to like it: that asshole, Henry Seraphina, sent samples of our hair from before we got our powers to that Plant Clone.

We gasped.

Nico: I hope you and Hestia burn him to a fucking crisp.

Lincoln: Nah, I'd settle for absorbing him and making his really strong and immensely powerful fire powers, winged flight, total mastery of all forms of fire magic, and immortality mine.

Me: Like what you did to Simon Seraphina yesterday.

Lincoln: We better hurry to help Margaret and Casey once more before the Plant Clone of Dr. Brewer tries to kill them.

Itachi: Lincoln told us everything, and of course, about that Plant Clone that we're going to face later today and that he's made Plant Clones of him and his sisters minus Laney and replace everyone on Earth with his kind.

Me: Looks like Lincoln is fully prepared for this.

Sasuke: We've already got flamethrowers ready, and we also found out this monster was also sent after us by that dummy, Slappy. He's really getting that close to getting put in a woodchipper.

Lincoln: Woodchipper my eleven-tailed butt, I'd rather throw him on a funeral pyre. But, we'll worry about the Plant Clone later today, let's deal with that asshole and destroy him.

Me: We're going to need a lot of weed killer too! And this is because of this.

I went over and showed the book for Stay Out of The Basement.

Laney: Oh man! I remember that one!

Camie: Who is this clone?

Lincoln Clone: Hey, boss. Welcome back. Brought you something from the flower shop.

He gave the Real Lincoln a suspicious looking flower.

Lincoln Clone: (sees Lincoln look suspicious) C'mon. Don't you trust me?

Lincoln: I trust any clone of mine.

The flower came alive and tried to attack him but he dodged it.

Lincoln: The problem is, you're a little too into plants to be one!

The Lincoln clone growled before turning green.

I fired a blast of fire and incinerated the clone and Lincoln fired a powerful fireball and incinerated the flower.

Me: It's like a of Combination of Little Shop of Horrors and Invasion of the Body Snatchers.

Qin: Yeah!

Camie: Who is this clone though?

Me: His real name is Dr. Michael Brewer and he is a botanist that wants to make plant people. But what he did was REALLY playing with fire.

I went over his history.

---

Dr. Michael Brewer, a botanist, was working on a super plant, trying to electronically make a new plant using DNA elements from other plants. While he was working on it, Dr. Brewer accidentally cut his hand on a slide. Then Dr. Brewer turned on his machine, not realizing until he did so that some of his blood had mixed in with some of the plant molecules he was using. The machine also mixed his human molecules with the plant molecules too, therefore creating something that was part human, part plant. Dr. Brewer was intrigued by this creature, and sought to create more. One day, Dr. Brewer went too far and created a plant that was an exact copy of him in almost every way. The clone looked human but he still had some plant flaws, making him imperfect. Despite these flaws, the clone gained the upper hand somehow, and encased the original Dr. Brewer within the basement closet to contain him whilst he continued his work.

The clone had spent many days in the basement working on the experiments while his original was shut in the basement closet. He had forbidden everyone else in the original's family from going into the basement, in order to keep up his façade. He maintained a nonchalant mood around those that he interacted with. This caused some great concern for the family, mainly his original's children, Margaret and Casey as his original was much closer to them. They were beginning to think that Dr. Brewer was trying to prove to the people at PolyTech, whom he had been working with that they were wrong to fire him for what he was doing. One day, Margaret and Casey came into the basement to see what their "father" was doing and he shouted at them to stay out of there, frightening them.
